**ITEM 8.01 OTHER EVENTS**

On February 10, 2006, Phelps Dodge Corporation (the Company) issued a press release announcing that it and Phelps Dodge Industries, Inc., a wholly-owned subsidiary of the Company (Phelps Dodge Industries, Inc. and the Company together, Phelps Dodge), have completed the sale of substantially all of its North American magnet wire assets to Rea Magnet Wire Company, Inc. (Rea) pursuant to an Asset and Stock Purchase Agreement entered into between Phelps Dodge and Rea on November 15, 2005 (the Agreement). Under the Agreement, Rea purchased the assets, including certain copper inventory, for approximately \$139 million in cash, which includes a base purchase price of approximately \$125 million and a working capital adjustment estimated at closing to be approximately \$14 million.

Phelps Dodge estimates special, net after-tax charges of approximately \$16 million associated with this transaction, resulting mostly from employee-related costs and asset impairment charges. Of this amount, approximately \$11 million was recognized in the 2005 fourth quarter.

A copy of the Company's press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
