Item 2.02 Results of Operations and Financial Condition

On July 31, 2014, we issued a press release announcing the results of our operations for the second quarter of 2014 (the "Press Release"). The Press Release is attached to this Current Report on Form 8-K as Exhibit 99.1. Today we will hold an earnings conference call at 10:00 am Pacific Time (1:00 pm Eastern Time), which will be broadcast on our website www.supind.com. Further information regarding the earnings conference call and how to access the call is set forth in the Press Release, which is incorporated herein by reference. In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filings.

This Current Report on Form 8-K contains statements that are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements relate to, without limitation, improved performance and flexibility, improved efficiencies, including lower labor and other cost, productivity from continued investments in existing manufacturing facilities, along with the progress of construction and anticipated completion of a new manufacturing facility in Mexico, the timing with respect to closing the Rogers, Arkansas manufacturing facility, the company's ability to enhance its cost structure and competitive position as a result of the closing and the financial impact of the closing, and are based on current expectations, estimates and projections about the company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors and risks discussed from time to time in the company's Securities and Exchange Commission filings and reports, including the company's Annual Report on Form 10-K for 2013. These factors and risks relate to items including, but not limited to, general automotive industry and market conditions and growth rates, as well as general domestic and international economic conditions. Such forward-looking statements speak only as of the date on which they are made and the company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of this release.
