PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD APRIL 16, 2013

GENERAL INFORMATION

We are providing these proxy materials in connection with the solicitation by and on behalf of the Board of Directors of Alanco Technologies, Inc., an Arizona corporation (the "Company"), for use at the Company's Annual Meeting of Shareholders to be held at 7950 E. Acoma Drive, Suite 111, Scottsdale, Arizona 85260, on the 16th day of April 2013, at 10:00 a.m., Mountain Standard Time, and at any adjournment or postponement thereof.

In accordance with rules approved by the SEC, we are using the Internet as our primary means of furnishing proxy materials to shareholders. Consequently, most shareholders will not receive paper copies of our proxy materials. We will instead send these shareholders a Notice Regarding the Availability of Proxy Materials with instructions for accessing the proxy materials, including our proxy statement and annual report, and voting via the Internet. The Notice Regarding the Availability of Proxy Materials also provides information on how shareholders may obtain paper copies of our proxy materials if they so choose. We believe this procedure makes the proxy distribution process more efficient and helps in conserving natural resources. Our proxy statement for the Annual Meeting of Shareholders to be held on April 16, 2012, other proxy material and our annual report to shareholders for fiscal year 2012 is available at <https://www.iproxydirect.com/ALAN>.

The expense of soliciting proxies, including the cost of preparing, assembling, mailing and Internet procedures mentioned above to distribute this proxy material to shareholders, will be borne by the Company. It is anticipated that solicitations of proxies for the Meeting will be made only by use of mail; however, the Company may use the services of its Directors, Officers and employees to solicit proxies personally or by telephone without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of the Company's shares held of record by such persons, and the Company will reimburse such persons for their reasonable out-of-pocket expenses incurred by them in that connection.

Shares not voting as a result of a proxy not marked or marked to abstain will be counted as part of total shares voting in order to determine whether or not a quorum has been achieved at the Meeting. Shares registered in the name of a broker-dealer or similar institution for beneficial owners to whom the broker-dealer distributed notice of the Annual Meeting and proxy information and which such beneficial owners have not returned proxies or otherwise instructed the broker-dealer as to voting of their shares, will be counted as part of the total shares voting in order to determine whether or not a quorum has been achieved at the Meeting.

All shares represented by valid proxies will be voted in accordance therewith at the Meeting unless such proxies have previously been revoked. Proxies may be revoked at any time prior to the time they are voted by: (a) delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy; or (b) duly

executing and delivering to the Secretary a subsequent proxy relating to the same shares; or (c) attending the meeting and voting your proxy in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy).

The Company's Form 10-K for the fiscal year ended June 30, 2012, is available to shareholders via the Internet or through request for a printed copy. The Form 10-K constitutes part of this proxy.

Meetings and Committees of the Board of Directors

The Board of Directors has a Compensation/Administration Committee, formed in 1995, and comprised of Messrs. Harold S. Carpenter and James T. Hecker, who are independent directors of the Company. The Compensation/Administration Committee recommends to the Board the compensation of executive officers and serves as the Administrative Committee for the Company's Stock Option Plans.

The Board of Directors also has an Audit/Corporate Governance Committee. The Audit Committee was originally formed in 1995. In September 2004, the Board of Directors approved a name change for the committee to Audit/Corporate Governance Committee to more accurately reflect the additional duties and responsibilities of the committee as required by the Sarbanes-Oxley Act of 2002. The Audit/Corporate Governance Committee, comprised of Messrs. Harold S. Carpenter, James T. Hecker, and Thomas C. LaVoy, all of whom are independent directors of the Company who have significant business experience and are deemed to be financially knowledgeable, serves as a liaison between the Board and the Company's independent auditor. The Audit/Corporate Governance Committee provides general oversight of the Company's financial reporting and disclosure practices, system of internal control, and the Company's processes for monitoring compliance with Company policies. The Audit/Corporate Governance Committee reviews with the Company's independent auditors the scope of the audit for the year, the results of the audit when completed, and the independent auditor's fee for services performed. The Audit/Corporate Governance Committee also recommends independent auditors to the Board of Directors and reviews with management various matters related to its system of internal control. The Audit/Corporate Governance Committee is comprised of independent members as defined under the National Association of Securities Dealers listing standards. In addition to conference calls with audit committee members and the Company's independent auditors, the Audit/Corporate Governance Committee met three times during the fiscal year ended June 30, 2012.

The final Board committee is the Nominating/Independent Directors Committee, which is comprised of Messrs. Harold S. Carpenter, James T. Hecker and Thomas C. LaVoy, all members of the Company's Board of Directors who have been determined by the Board to meet the qualification as "independent" directors as set forth in Rule 10A-3 of the Exchange Act. Per Board resolution, the Nominating/Independent Directors Committee approves all nominations for membership to the Company's Board of Directors. In addition, the Nominating/Independent Directors Committee meets in regularly scheduled executive sessions at which only the independent directors are present.

All meetings held by the Board of Directors' committees were attended by each of the directors serving on such committees.

The Company's Board of Directors held three meetings during the fiscal year ended June 30, 2012, at which time all Directors were present. All current members of the Board of Directors' committees are expected to be nominated for re-election at a meeting of the Board of Directors following the annual meeting.

Compliance with Section 16(a) of Securities Exchange Act of 1934

Officers, Directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of such forms furnished to the Company, or written representations that no Form 5's were required, the Company believes that as of the date of this filing, all Section 16(a) filing requirements applicable to its officers, Directors and greater than 10% beneficial owners were satisfied.

AUDIT/CORPORATE GOVERNANCE COMMITTEE REPORT (1)

The Audit/Corporate Governance Committee of the Board of Directors is currently comprised of three independent directors, and operates under a written charter adopted by the Board. The Audit/Corporate Governance Committee Charter was included as Exhibit A in the Company's Definitive Proxy Statement filed with the SEC on October 18, 2004. The members of the Audit/Corporate Governance Committee are Harold S. Carpenter, a CEO with over 30 years senior management experience, James T. Hecker, an attorney and CPA, and Thomas C. LaVoy, a CPA. All three individuals are experienced in reading and understanding financial statements, and, in fact, are deemed to be financial experts as defined by audit committee requirements.

The Audit/Corporate Governance Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing an audit report or performing other audit, review or attest services for the Company. The independent auditor reports directly to the Audit/Corporate Governance Committee. The Audit/Corporate Governance Committee has established "whistleblower" procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential anonymous submission by employees of the Company on concerns regarding questionable accounting or auditing matters.

Authority to engage independent counsel and other advisors has been given to the Audit/Corporate Governance Committee as it determines is necessary to carry out its duties. The Company provides appropriate funding for the Audit/Corporate Governance Committee to compensate the independent auditors and any lawyers and advisors it employs and to fund ordinary administrative expenses of the Audit/Corporate Governance Committee that are necessary in carrying out its duties.

The Audit/Corporate Governance Committee provides general oversight of the Company's financial reporting and disclosure practices, system of internal control, and the Company's processes for monitoring compliance by the Company with Company policies. The Audit/Corporate Governance Committee reviews with the Company's independent registered public accountants the scope of the audit for the year, the results of the audit when completed, and the registered independent public accountant's fee for services performed. The Audit/Corporate Governance Committee also recommends independent registered public accountants to the Board of Directors and reviews with management various matters related to its system of internal control. During the last fiscal year, there were three meetings of the Audit/Corporate Governance Committee.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit/Corporate Governance Committee is responsible for overseeing and monitoring the quality of the Company's accounting and auditing practices.

The members of the Audit/Corporate Governance Committee are not professionally engaged in the practice of auditing or accounting and may not be experts in the fields of accounting or auditing, or in determining auditor independence. Members of the Audit/Corporate Governance Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit/Corporate Governance Committee's oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit/Corporate Governance Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States), that the financial statements are presented in accordance with accounting principles generally

accepted in the United States of America or that the Company's independent registered public accounting firm is in fact "independent."

Review of Audited Financial Statements

In this context, the Audit/Corporate Governance Committee reviewed and discussed the Company's audited financial statements with management and with the Company's independent auditors. Management represented to the Audit/Corporate Governance Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. Discussions about the Company's audited financial statements included the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in its financial statements. The Audit/Corporate Governance Committee also discussed with the auditors the matters required by Statement on Auditing Standards, ("SAS") No. 61 "Communication with Audit Committees," as amended and as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Company's auditors provided to the Committee written disclosures required by the Independence Standards Board Standard No. 1 "Independence Discussion with Audit Committee." The Audit/Corporate Governance Committee discussed with the independent auditors their independence from the Company, and considered the compatibility of non-audit services with the auditor's independence.

Audit Committee Pre-Approval Policies and Procedures

The fiscal year 2012 and 2011 audit services provided by Semple, Marchal & Cooper, LLP were approved by our Audit/Corporate Governance Committee. The Audit/Corporate Governance Committee implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit/Corporate Governance Committee pre-approves both the type of services to be provided by our independent auditors and the estimated fees related to these services. During the approval process, the Audit/Corporate Governance Committee considers the impact of the types of services and related fees on the independence of the auditor. These services and fees must be deemed compatible with the maintenance of the auditor's independence, in compliance with the SEC rules and regulations. Throughout the year, the Audit/Corporate Governance Committee and, if necessary, the Board of Directors, reviews revisions to the estimates of audit and non-audit fees initially approved.

Recommendation

Based on the Audit/Corporate Governance Committee's discussion with management and the independent auditors, and the Audit/Corporate Governance Committee's review of the representations of management and the report of the independent auditors to the Audit/Corporate Governance Committee, the Audit/Corporate Governance Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2012, filed with the Securities and Exchange Commission.

Proposal No. 1 ELECTION OF DIRECTORS

The Articles of Incorporation presently provide for a Board of Directors of not more than nine members. The number of Directors of the Company has been fixed at five by the Company's Board of Directors. The Company's Board of Directors recommends the election of the five nominees listed below to hold office until the next Annual Meeting of Shareholders or until their successors are elected and qualified or until their earlier death, resignation or removal. The persons named as "proxies" in the enclosed form of Proxy, who have been designated by Management, intend to vote for the five nominees for election as Directors unless otherwise instructed in such proxy. If at the time of the Meeting, any of the nominees named below should be unable to serve, which event is not expected to occur, the discretionary authority provided in the Proxy will be exercised to cumulatively vote for the remaining nominees, or for a substitute nominee or nominees, if any, as shall be designated by the Board of Directors.

The Board recommends that the shareholders vote "FOR" Proposal 1 to elect Harold S. Carpenter, James T. Hecker, Robert R. Kauffman, Thomas C. LaVoy and John A. Carlson as directors for a one-year term expiring at the Fiscal 2013 Annual Meeting of Shareholders and until their successors have been duly elected and qualified.

Proposal No. 2 RATIFICATION OF RE-APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has re-appointed the firm of Semple, Marchal & Cooper, LLP to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2013, and has directed that such re-appointment be submitted to our shareholders for ratification at the Annual Meeting. Our organizational documents do not require that our shareholders ratify the selection of our independent registered public accounting firm. If our shareholders do not ratify the selection, the Audit Committee will reconsider whether to retain Semple, Marchal & Cooper, LLP, but still may retain it nonetheless. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in our best interests.

Representatives of Semple, Marchal & Cooper, LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so. They also will be available to respond to appropriate questions from shareholders.

Audit and Non-Audit Fees

Audit Fees

The aggregate fees billed by Semple, Marchal & Cooper, LLP for professional services rendered for the audit of the Company's annual financial statements and review of the Company's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, for the fiscal years ended June 30, 2012 and 2011 were approximately \$99,300 and \$98,900, respectively.

Audit Related Fees

In each of the last two fiscal years, there were no fees billed for assurance related services rendered by the independent registered public accounting firm that are reasonably related to the performance of the audit or review of our financial statements and are not reported under the "Audit Fees" paragraph above.

Tax Fees

Semple, Marchal & Cooper, LLP prepared the Company's tax returns for state and federal purposes. Tax return preparation fees for the fiscal years ended June 30, 2012 and 2011 were approximately \$16,500 and \$21,100 respectively.

All Other Fees

Other than the services described above under "Audit Fees", during the fiscal year ended June 30, 2012, Semple, Marchal & Cooper, LLP did not provide other services. During the fiscal year ended June 30, 2011, Semple, Marchal & Cooper, LLP also provided services related to filing prospectus supplements to a Form S-3, the filing of a Form S-8 and related amendments and the filing of a Schedule 14A and related amendments with the Securities and Exchange Commission and billed related fees of approximately \$22,400.

As part of its responsibility for oversight of the independent registered public accountants, the Audit Committee has established a pre-approval policy for engaging audit and permitted non-audit services provided by our independent registered public accountants. In accordance with this policy, each type of audit, audit-related, tax and other permitted service to be provided by the independent auditors is specifically described and each such service, together with a fee level or budgeted amount for such service, is pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chairman to pre-approve additional non-audit services (provided such services are not prohibited by applicable law) up to a pre-established aggregate dollar limit. All services pre-approved by the Chairman of the Audit Committee must be presented at the next Audit Committee meeting for review and ratification. All of the services provided by Semple, Marchal & Cooper LLP described above were approved by our Audit Committee.

The Company's principal accountant, Semple, Marchal & Cooper LLP, did not engage any other persons or firms other than the principal accountant's full-time, permanent employees. Semple, Marchal & Cooper LLP, Phoenix, Arizona, was appointed as the Company's Independent Auditor for the fiscal years ended June 30, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011 and 2012.

The Board unanimously recommends that the shareholders vote "FOR" Proposal 2 to ratify the re-appointment of Semple, Marchal & Cooper, LLP as the independent registered public accounting firm of the Company.

Proposal No. 3 ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION;

The Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, requires us to hold an advisory vote on the compensation of our executive officers, as disclosed in this proxy statement in accordance with the rules of the SEC. As described in further detail in this proxy statement, we try to design our executive officer compensation programs to attract, motivate and retain the key executives who will drive the creation of shareholder value. Our objective is to design our executive compensation to encourage long-term commitment by our executive officers of Alanco.

Please read the "Executive Compensation" section of this proxy statement, beginning on page 7. That section of the proxy statement, which includes our executive officer compensation tables and related narrative discussion, provides historical details on our compensation programs and policies for our executive officers. Highlights of our executive officer compensation programs and policies are as follows:

- For fiscal year ended June 30, 2012, a significant portion of the Company's annual long-term incentive award was in the form of stock options granted with the objective to drive long-term performance and alignment with shareholder

interests. In addition, the several year vesting schedules provided employee retention incentives.

- Company common stock grants to executive officers in June of 2011 provided additional long-term incentives in alignment with shareholder interests. The grants had an eighteen month vesting schedule and were granted as partial reimbursement for a 29 month salary reduction instituted in February 2009.
- We do not provide material perquisites to our executive officers.

We are requesting shareholder approval of the compensation of our executive officers as disclosed in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our shareholders the opportunity to express their views on our executive officers’ compensation. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our executive officers and the philosophy, policies and practices described in this proxy statement.

We are asking our shareholders to indicate their support for our named executive officer compensation through the following resolution:

“RESOLVED, that the shareholders approve the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion in this proxy statement.”

As provided in the Exchange Act, the vote is not binding on the Board and may not be construed as overruling a decision by the Board, nor creating or implying any additional fiduciary duty by the Board, nor be construed to restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

The Board believes that the Company’s compensation policies and procedures are strongly aligned with the long-term interests of our shareholders. Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

The Board unanimously recommends a vote “FOR” approval of the compensation of executive officers as described in the tabular disclosure regarding names executive officer compensation (together with the accompanying narrative disclosure) in this proxy statement.

Proposal No. 4 **ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION.**

The Dodd-Frank Act also requires us to hold an advisory vote on the frequency of the advisory vote on the compensation of our executive officers described in Proposal 3 in this proxy statement. By voting on this Proposal 4, shareholders may indicate whether they would prefer that we hold a say-on-pay vote every one, two or three years. We believe that our executive compensation is straightforward, uncontroversial and highly unlikely to provide incentives for excessive risk-taking. Accordingly, we ask that you support a frequency of every three years for future shareholder advisory votes on the compensation of our executive officers. We believe that a three-year cycle provides the Board and the Compensation Committee with sufficient time to thoughtfully evaluate and respond to shareholder input and effectively implement changes, as needed, to our executive compensation program.

By voting on this Proposal 4, shareholders may indicate whether they would prefer an advisory vote on executive officer compensation every one, two, or three years. A frequency of one year, two years or three years must receive a majority of the votes represented and entitled to vote at the meeting to be deemed by us as the frequency for the advisory vote on executive officer compensation that has been selected by shareholders. The Board will consider the outcome of the vote required by this Proposal 4 when making future decisions regarding the frequency of the “say-on-pay” vote described in Proposal 3 of this proxy statement. However, because this is an advisory vote and not binding on the Board of the Company, the Board may decide that it is in the best interest of our shareholders and the Company to hold an advisory vote on the compensation of our executive officers more or less frequently than the frequency approved by our shareholders. In addition, should the SEC determine that smaller reporting companies such as the Company are exempt from holding a regular “say-on-pay” vote, the Company may elect not to include an advisory vote on executive compensation in future proxy statements.

The Company is presenting the following proposal, which gives you as a shareholder the opportunity to inform the Company as to how often you wish the Company to include a proposal, similar to Proposal 3, in our proxy statement. This resolution is required pursuant to Section 14A of the Securities Exchange Act. While our Board of Directors intends to carefully consider the shareholder vote resulting from the proposal, the final vote will not be binding on us and is advisory in nature.

“RESOLVED, that the shareholders wish the Company to include an advisory vote on the compensation of the Company’s named executive officers pursuant to Section 14A of the Securities Exchange Act every:

- year;
- two years; or
- three years.”

The Board unanimously recommends a vote of “THREE YEARS” on the proposal to include an advisory vote of the shareholders on the compensation of the Company’s named executive officers pursuant to Section 14A of the Securities Exchange Act either every year, every two years, or every three years.

In accordance with the above rule, the applicable proposal submission deadline for the 2013 annual meeting of shareholders would be August 12, 2013.

Pursuant to Rule 14a-4 under the Securities Exchange Act of 1934, as amended, the Company intends to retain discretionary authority to vote proxies with respect to shareholder proposals properly presented at the Meeting, except in circumstances where (i) the Company receives notice of the proposed matter a reasonable time before the Company begins to mail its proxy materials (including this proxy statement), and (ii) the proponent complies with the other requirements set forth in Rule 14a-4.

The Board of Directors is not aware of any other business to be considered or acted upon at the Meeting other than that for which notice is provided, but in the event other business is properly presented at the Meeting, requiring a vote of shareholders, the proxy will be voted in accordance with the judgment on such matters of the person or persons acting as proxy (except as described in the preceding paragraph). If any matter not appropriate for action at the Meeting should be presented, the holders of the proxies shall vote against the consideration thereof or action thereon.
