Press Release

STOCK TRADED: NYSE                      FOR IMMEDIATE RELEASE  
TICKER SYMBOL: TR                      Tuesday, October 27, 2009

CHICAGO, ILLINOIS - October 27, 2009 - Melvin J. Gordon, Chairman, Tootsie Roll Industries, Inc. reported third quarter and nine months 2009 net sales and net earnings.

Third quarter 2009 net sales were \$183,407,000 compared to \$184,687,000 in third quarter 2008. Third quarter 2009 net earnings were \$27,247,000 compared to \$19,715,000 in third quarter 2008, and net earnings per share were \$.49 and \$.35 in third quarter 2009 and 2008, respectively, an increase of \$.14 per share or 40%.

Nine month 2009 net sales were \$385,274,000 compared to \$376,619,000 in nine months 2008, an increase of \$8,655,000 or 2.3%. Nine months 2009 net earnings

were \$45,905,000 compared to \$33,414,000 in nine months 2008, and net earnings per share were \$.82 and \$.59 in nine months 2009 and 2008, respectively, an increase of \$.23 per share or 39%. As the Company's quarterly financial reporting is based on thirteen week periods, the first quarter as well as the first nine months of 2009 benefited from three additional shipping days. The number of shipping days in the comparative third quarter 2009 and 2008 periods were identical.

Mr. Gordon said, "Third quarter 2009 net sales in the United States benefited from effective marketing programs and selective price increases, however, the timing of certain customer sales in the comparative second and third quarters of 2009 and 2008 adversely affected third quarter 2009 reported sales. Third quarter consolidated 2009 sales were also adversely affected by declines in export sales and certain international sales translated into U.S. dollars from a devalued foreign currency.

The increase in third quarter 2009 net earnings reflects the benefits of selective price increases, lower energy and fuel costs primarily relating to freight and delivery, a lower effective income tax rate, and foreign currency gains. The increase in the Company's earnings per share for third quarter 2009 also reflects common stock purchases in the open market resulting in fewer shares outstanding.

Nine months 2009 sales and earnings benefited from the same factors and reasons as third quarter 2009 which are discussed above. Nine month 2009 sales and earnings also benefited from the additional shipping days due to the timing of the Company's quarterly periods."
