Item 1.01 Entry into a Material Definitive Agreement

On March 10, 2005, Lifeline Therapeutics, Inc. ("LTI") entered into a

Edgar Filing: LIFELINE THERAPEUTICS, INC. - Form 8-K

Settlement and Release Agreement and Plan of Reorganization (the "Agreement") by which LTI acquired the remaining 19% interest in its subsidiary, Lifeline Nutraceuticals Corporation ("LNC"), from Michael Barber, a single sophisticated person who did not participate in the earlier (October 2004) reorganization. Mr. Barber exchanged 4,500,000 shares of restricted LNC common stock for 1,000,000 shares of restricted LTI Series A Common Stock. LTI agreed to include those shares in a registration statement, but Mr. Barber agreed to sell no more than 150,000 shares in any 90 day period after the effective date of that registration statement. In an independent transaction, Mr. Barber agreed to extend his covenant not to compete with LTI and LNC for one year from the date of the Agreement. Previously Mr. Barber had a covenant not to compete with LNC that expires in April 2005. LTI paid Mr. Barber \$125,000 for the covenant not to compete, and agreed to pay him an additional \$125,000 by April 15, 2005. Finally, LTI agreed to forgive the \$47,500 indebtedness reflected on LTI's financial statements, for which an allowance for recoverability has previously been provided, as being due from Mr. Barber, and Mr. Barber agreed to bear all tax obligations resulting from the Agreement. The Agreement contains standard releases, warranties, and mutual indemnification obligations.

On March 10, 2005, Lifeline Therapeutics, Inc. ("LTI") issued 1,000,000 shares of its restricted Series A Common Stock to acquire the remaining 19% interest in LTI's subsidiary, Lifeline Nutraceuticals Corporation ("LNC") from a single sophisticated investor. The following sets forth the information required by Item 701 in connection with this transaction:

(a) The transaction was completed effective March 10, 2005. The securities sold were 1,000,000 shares of Series A Common Stock.

(b) No fee was paid to any underwriter, placement agent, or finder. The securities were issued to a single sophisticated investor who had significant prior experience with LNC.

(c) LTI received no cash proceeds as a result of the issuance of the shares. The investor assigned to LTI 4,500,000 shares he owned in LNC (approximately 19%) in consideration for the 1,000,000 shares.

(d) We relied on the exemption from registration provided by Sections 4(2) of the Securities Act of 1933 for this transaction. Based on our investigation, we believe that the investor obtained all information regarding LTI that he requested, received answers to all questions he and his advisors posed, and otherwise understood the risks of accepting our securities for investment purposes.
