**Item 8.01. Other Events**

On November 12, 2008, Charmed Homes Inc. (the "Company") entered into a non-binding letter of intent (the "LOI") with Intelasight, Inc., a Washington corporation dba Iveda Solutions ("Iveda"). Under the LOI, the Company and Iveda have tentatively agreed to enter into a merger whereby Iveda will become a wholly-owned subsidiary of the Company and Iveda's current shareholders will receive approximately 10 million shares of the Company's common stock. Prior to the merger, the Company will engage in a 2 for 1 reverse split to reduce the number of outstanding shares of its common stock. The parties have until December 31, 2008 to close the proposed merger, at which time the LOI will terminate if it has not been terminated earlier.

Iveda provides remote video monitoring services and currently has clients in Arizona and California. The Company offers a proactive security solution using network cameras, real-time Internet-based surveillance system, and a remote monitoring facility with trained intervention specialists. Based in Mesa, Arizona, Iveda's core monitoring service offers private and public entities what management believes to be a more affordable, reliable, and effective security solution than either security guards or closed circuit television on-site monitoring.

In addition to historic information, this report, including the exhibit, contains forward-looking statements regarding events, performance and trends. Various factors could affect future results and could cause actual results to differ materially from those expressed in or implied by the forward-looking statements, including whether or not the parties enter into a definitive merger agreement; and whether or not the merger, which will be subject to customary closing conditions and completion of due diligence, will close. There can be no assurance that the merger will occur, or, if it does occur, when it will close. Additional factors are identified in the Company's periodic reports filed with the Securities and Exchange Commission, the most recent of which are the Company's Annual Report on Form 10-K for the year ended January 31, 2008 and the Company's Quarterly Report on Form 10-Q for the quarters ended April 30, 2008, and July 31, 2008.
