ANNUAL MEETING OF SHAREHOLDERS

May 9, 2006

GENERAL INFORMATION

This Proxy Statement is furnished to holders of common stock, \$1.25 par value per share (Common Stock), of First National Corporation (the Company) in connection with the solicitation of proxies by the Board of Directors (the Board) of the Company to be used at the Annual Meeting of Shareholders to be held on May 9, 2006 at 11:00 a.m. at the Millwood Station, 252 Costello Drive, Winchester, Virginia, and any adjournment thereof (the Annual Meeting).

The principal executive offices of the Company are located at 112 West King Street, Strasburg, Virginia. The approximate date on which this Proxy Statement, the accompanying proxy card and Annual Report to Shareholders (which is not part of the Company s soliciting materials) are being mailed to the Company s Shareholders is March 31, 2006. The cost of soliciting proxies will be borne by the Company.

The proxy solicited hereby, if properly signed and returned to the Company and not revoked prior to its use, will be voted in accordance with the instructions contained thereon. If no contrary instructions are given, each proxy received will be voted for the proposal described herein. Any Shareholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing written notice thereof with the Secretary of the Company (Secretary, First National Corporation, c/o Registrar and Transfer Company, P.O. Box 1010, Cranford, New Jersey 07016); (ii) submitting a duly executed proxy bearing a later date; or (iii) appearing at the Annual Meeting or at any adjournment thereof and giving the Secretary notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournment thereof and will not be used for any other meeting.

Only Shareholders of record at the close of business on March 13, 2006 (the Record Date) will be entitled to vote at the Annual Meeting. On the Record Date, there were 2,922,860 shares of Common Stock issued and outstanding and approximately 692 shareholders of record and at least 443 additional beneficial owners of shares of Common Stock. Each share of Common Stock is entitled to one vote at the Annual Meeting. The Company had no other class of equity securities outstanding at the Record Date.

Unless authority is withheld in the proxy, each proxy executed and returned by a Shareholder will be voted for the election of the nominees described in this Proxy Statement. The proxy also confers discretionary authority upon the persons named therein, or their substitutes, with respect to any other matter that may properly come before the Annual Meeting.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

There are currently 12 directors serving on the Board, all of whom are standing for reelection at the Annual Meeting to serve for a one-year term and until the election and qualification of their respective successors.

Unless authority is withheld in the proxy, each proxy executed and returned by a Shareholder will be voted for the election of the nominees listed below.

Proxies distributed in conjunction herewith may not be voted for persons other than the nominees named thereon. If any person named as nominee should be unable or unwilling to stand for election at the time of the Annual Meeting, the proxy holders will nominate and vote for a replacement nominee or nominees recommended by the Board. At this time, the Board knows no reason why any of the nominees listed below may not be able to serve as a director if elected. In the election of directors, those receiving the greatest number of votes will be elected even if they do not receive a majority. Abstentions and broker non-votes will not be considered a vote for, or a vote against, a director.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and any persons who own more than 10% of the outstanding shares of Common Stock, to file with the SEC reports of ownership and changes in ownership of Common Stock. Officers and directors are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms that they file. Based solely on review of the copies of such reports furnished to the Company or written representation that no other reports were required, the Company believes that, during fiscal year 2005, all filing requirements applicable to its officers and directors were satisfied, except for the following transactions that were inadvertently filed late on Form 4. James R. Wilkins, III, a director, purchased shares of Common Stock in September 2005, Charles E. Maddox, Jr., a director, indirectly purchased shares of Common Stock in April 2005 and August 2005, and W. Allen Nicholls, a director, purchased shares in April 2005.

CORPORATE GOVERNANCE AND

THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the Board in accordance with the Virginia Stock Corporation Act and the Company's Articles of Incorporation and Bylaws. Members of the Board are kept informed of the Company's business through discussions with the Chairman of the Board, the President and Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees.

Code of Conduct and Ethics

The Audit and Compliance Committee of the Board has approved a Code of Conduct and Ethics for the Company's directors and employees, including the principal executive officer and principal financial and accounting officer. The Code addresses such topics as protection and proper use of the Company's assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting and conflicts of interest. It is available on the Company's web page at www.firstbank-va.com.

Board and Committee Meeting Attendance

Meetings of the Board are regularly held once each month, with an organizational meeting following the conclusion of each Annual Meeting of Shareholders. There were 15 meetings of the Board in 2005. Each incumbent director attended greater than 75% of the aggregate number of meetings of the Board and meetings of committees of which the director was a member in 2005.

Committees of the Board

The Company has an Audit and Compliance Committee and a Compensation Committee. It does not have a standing nominating committee.

Audit and Compliance Committee

The Audit and Compliance Committee assists the Board in fulfilling the Board's oversight responsibility to the Shareholders relating to the integrity of the Company's consolidated financial statements, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent registered public accounting firm and the performance of the internal audit function. The Audit and Compliance Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged for the purpose of preparing and issuing an audit report or performing other audit, review or attestation services for the Company. The Board has adopted a written charter for the Audit and Compliance Committee. The Audit and Compliance Committee Charter is available on the Company's web page at www.firstbank-va.com.

The members of the Audit and Compliance Committee are Mrs. Cottrell and Messrs. Davis, French, Marlow and Shirkey, all of whom the Board in its business judgment has determined are independent as that term is defined in the listing standards of the Nasdaq Stock Market, Inc. The Company has not currently designated an audit committee financial expert. The Board, however, believes that the current members of the Audit and Compliance Committee have the ability to understand financial statements and accounting principles generally accepted in the United States of America, the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, an understanding of internal controls and procedures for financial reporting and an understanding of audit committee functions.

The Audit and Compliance Committee met 10 times during the year ended December 31, 2005. For additional information regarding the Audit and Compliance Committee, see Audit and Compliance Committee Report on page

15 of this Proxy Statement.

Compensation Committee

The Compensation Committee reviews and recommends the levels and types of compensation of officers and employees, and fees paid to directors of the Company. It is composed of Mrs. Cottrell and Messrs. Arthur, Borden, Davis and Marlow. The Compensation Committee met two times during the year ended December 31, 2005. For additional information regarding the Compensation Committee, see Compensation Committee Report on page 9 of this Proxy Statement.

Director Nomination Process

The Company currently does not have a standing nominating committee. The entire Board performs the functions of a nominating committee. The Board does not believe it needs a separate nominating committee because the full Board, with the exception of the President and Chief Executive Officer, is comprised of independent directors (as that term is defined in the listing standards of the Nasdaq Stock Market, Inc.) and has the time and resources to perform the function of selecting board nominees. The President and Chief Executive Officer, the sole management director, abstains from discussions and voting for nominees. When the Board performs its nominating function, the Board acts in accordance with the Company's Articles of Incorporation and Bylaws, but does not have a separate charter related to the nomination process. The Board will consider shareholder recommendations for director nominees.

In the consideration of director nominees, including any nominee that a Shareholder may submit formally (as described below) or informally (by contacting a director), the Board considers, at a minimum, the following factors for new directors, or the continued service of existing directors:

- willingness to represent the best interests of all shareholders and objectively appraise management performance;
- personal characteristics, such as highest personal and professional ethics, integrity and values, an inquiring and independent mind, with a respect for the views of others, ability to work well with others and practical wisdom and mature judgment;
- willingness to devote the time necessary to carry out duties and responsibilities of directors and to be an active, objective and constructive participant at meetings of the Board and its committees;
- commitment to serve on the Board over a period of several years to develop knowledge about the Company's principal operations;
- broad, policy-making level training and experience in business, government, academia or science to understand business problems and evaluate and formulate solutions; and
- expertise that is useful to the Company and complementary to the background and experience of other directors.

Shareholders entitled to vote for the election of directors may submit candidates for formal consideration by the Company in connection with an annual meeting if the Company receives timely written notice, in proper form, for each such recommended director nominee. If the notice is not timely and in proper form, the nominee will not be considered by the Company. To be timely for the 2007 Annual Meeting, the notice must be received within the time frame set forth in "Shareholder Proposals" on page 16 of this Proxy Statement. To be in proper form, the notice must include each nominee's written consent to be named as a nominee and to serve, if elected, and information about the Shareholder making the nomination and the person nominated for election. These requirements are more fully described in Article II, Section F, of the Company's Bylaws, a copy of which will be provided, without charge, to any Shareholder upon written request to the Secretary of First National Corporation, whose address is First National Corporation, 112 West King Street, Strasburg, Virginia, 22657.

Under the process used by us for selecting new director candidates, the Board identifies the need to add a new director with specific qualifications or to fill a vacancy on the Board. The Chairman of the Board will initiate a search, working with staff support and seeking input from directors and management, hiring a search firm, if necessary, and considering any candidates recommended by Shareholders. An initial slate of candidates that will satisfy criteria and otherwise qualify for membership on the Board may be presented to the Board. A determination is made as to whether directors have relationships with preferred candidates and can initiate contacts. The President and Chief Executive Officer and at least one member of the Board interviews prospective candidates.

The Board meets to conduct further interviews of prospective candidates, if necessary or appropriate, and to consider and recommend final candidates for approval by the full Board.

Annual Meeting Attendance

The Company encourages members of the Board to attend the Annual Meeting of Shareholders. All twelve directors attended the 2005 Annual Meeting.

Communications with Directors

Any director may be contacted by writing to him or her c/o First National Corporation, 112 West King Street, Strasburg, Virginia, 22657. Communications to the non-management directors as a group may be sent to the same address, c/o the Secretary of First National Corporation. The Company promptly forwards, without screening, all such correspondence to the indicated directors.

Director Compensation

Non-employee directors receive a regular retainer fee of \$750 per month, a committee retainer fee of \$400 per month, and an attendance fee of \$400 per board meeting. The Chairman of the Board receives an additional fee of \$150 per month, and the Vice Chairman of the Board receives an additional fee of \$50 per month. Harry S. Smith, President and Chief Executive Officer of the Company, does not receive fees for his service on the Board.

In 1999, the Bank adopted a Director Split Dollar Life Insurance Plan (the Plan). The Plan currently provides life insurance coverage to 11 non-employee directors of the Bank, all of whom are also directors of the Company. Harry S. Smith does not participate in the Plan. The Bank owns the policies and is entitled to all values and proceeds. The Plan provides retirement benefits and the payment of benefits at the death of the insured director. The amount of benefits will be determined by the performance of the policies over each director's life. During the year ended December 31, 2005, the Bank paid premiums in an aggregate amount of \$150,976 for the benefit of directors under the Plan.

REMUNERATION

Compensation Committee Report

Compensation Philosophy

The general philosophy of the Compensation Committee is to provide executive officer compensation that drives performance, which enhances shareholder value. The Compensation Committee designs compensation plans and incentives that link the compensation of certain executive officers to the Company's performance, which in turn aligns the financial interests of those executive officers to the interests of its shareholders. The Compensation Committee considers the nature and scope of each executive officer's responsibilities as well as his effectiveness in supporting the Company's goals when making executive compensation decisions. The Compensation Committee also considers the compensation practices of peer companies.

Compensation provided to the Company's executive officers consists of annual compensation, which includes base salary, intended to provide a stable annual salary at a level consistent with individual contributions, and annual performance bonuses intended to link officers' compensation to the Company's performance. The Company does not grant options or other stock-based awards.

Annual Compensation

The Compensation Committee attempts to position base salaries for the Company's executive officers annually at levels that are comparable to peer companies in the industry, with consideration of the performance of the Company, individual performance of each executive officer and the executive officer's scope of responsibility in relation to other officers and key employees within the Company. The Compensation Committee considers salary surveys prepared by banking associations and compensation data provided by companies that are SEC registrants.

Annual Incentive Bonuses

The Company provides for the payment of cash bonuses based on the Company's performance in relation to predetermined objectives and individual executive officer performance for the year then ended. Prior to the beginning of the fiscal year, the Compensation Committee establishes performance objectives related to targeted balance sheet growth and the return on average equity. Based on the Company's performance, compared with these objectives, \$68,000 was paid to key executive officers, including the Chief Executive Officer, in annual incentive bonuses in 2005.

Compensation of Chief Executive Officer

The Company generally adjusts employee compensation annually on March 1. During 2005, the Company's Chief Executive Officer received a base salary of \$180,000 from January 1 through February 28, 2005 and a base salary of \$200,000 from March 1 through December 31, 2005. The increase in base salary on March 1, 2005 represented an 11.1% increase over the previous base salary. The Compensation Committee approved this increase as a result of the performance of the Chief Executive Officer and the Company, as well as salary comparisons of peer companies. Additional compensation paid to the Chief Executive Officer during 2005 included an annual incentive bonus that totaled \$31,500. The annual incentive bonus was awarded based on performance goals established at the beginning of the fiscal year. Performance goals were comprised of targeted balance sheet growth and the return on average equity. Based on these goals, 87.5% of the targeted award was paid to the Chief Executive Officer. Other annual compensation shown in the Summary Compensation Table below includes a vehicle allowance and club membership dues. All other compensation in the table represents the Company's matching contributions to the 401(k) plan.

The undersigned members of the Compensation Committee have submitted this Report to the Board of Directors.

Smith provides for his service as President and Chief Executive Officer of both the Company and the Bank at an initial base annual salary of \$160,000. The contracts with Dennis A. Dysart and J. Effective as of December 16, 2004, the Company entered into an employment contract with Marshall J. Beverley, Jr. The contract provides for his service as Executive Vice President Senior Trust Officer at an initial base annual salary of \$125,000.

These five employment contracts have the following terms and conditions. Each contract is for a rolling two-year term, and the executive officer is eligible for base salary increases and bonuses as determined by the Board. The officer's employment may be terminated by the Company with or without cause. If he resigns for good reason or is terminated without cause (as those terms are defined in the respective employment agreement), however, he is entitled to his salary and benefits for the remainder of his contract. If his employment terminates for good reason or without cause within one year of a change in control of the Company, he will be entitled to severance payments approximately equal to 299% of his annual cash compensation for a period that precedes the change in control as determined under the Internal Revenue Code of 1986, as amended. Each contract also contains a covenant not to compete that is in effect while the officer is an officer and employee of the Company and for a 12-month period after termination of his employment.

Transactions with Directors and Officers

Some of the directors and officers of the Company are customers of the Bank. No loans to directors or officers involve more than the normal risks of collectibility or present other unfavorable features. None of the loans are non-accrual, past-due, restricted or considered potential problem loans. All such loans were made in the ordinary course of business and were originated on substantially the same terms, including interest rates, as those prevailing at the time for comparable transactions with other persons. The balances of loans to directors, executive officers and their associates totaled \$6,126,426 at December 31, 2005 or 20.8% of the Company's equity capital at that date.
