If Buyer accepts the Asset Statement, the determination of Seller regarding the tangible assets shall be deemed final and binding and no further actions will be taken or adjustments made by the parties related thereto. In the event that Buyer objects to the Asset Statement or any portion thereof, Buyer and Seller shall attempt in good faith to immediately resolve any such objections. If Buyer and Seller resolve such objections and each party signs a certificate to that effect, the Asset Statement, as adjusted by the parties, shall be deemed final and binding for purposes of this Agreement and, to the extent such adjusted Asset Statement identifies any assets missing from the list of the Company's tangible assets set forth on Schedule 3.11(a) as of the date hereof, Seller agrees, in its sole discretion, to take one of the following actions:

- (i) Seller shall replace such assets by delivering to the Company replacements therefor on or prior to Closing; or
- (ii) Seller shall reduce the Purchase Price by the aggregate value of all missing assets, such value being based on the net book value of such assets set forth next to each asset on Schedule 3.11(a);

provided, however, that the parties agree that Seller will not be obligated to replace any missing assets or reduce the Purchase Price unless the aggregate value of all such missing assets exceeds Twenty Five Thousand Dollars (\$25,000).

(b) In the event that Buyer and Seller are unable to resolve such objections, any dispute regarding the Asset Statement shall be governed by Section 9.7 of this Agreement; provided, however, that if the parties cannot resolve such dispute prior to the Closing Date, Buyer hereby agrees to effect the Closing based on the Asset Statement originally submitted by Seller and to defer the resolution of such dispute until after the Closing. The replacement of assets or adjustment to the Purchase Price contemplated by this Section 2.3 shall be the sole remedy of Buyer for any of the Company's tangible assets that were listed on Schedule 3.11(a) (other than the Seller Retained Assets and Liabilities) but identified as missing on the Asset Statement, and in no event shall Buyer be entitled to any other rights to indemnification under Article VIII of this Agreement for any of such assets not transferred and delivered at Closing; provided, however, that any such replacement or adjustment shall not be included in any calculation of the limitations on indemnification set forth in Section 8.5 hereof.

Inventory that is not Demand Forecast Inventory shall not be counted or included in the Inventory Confirmation. Immediately following completion of the Inventory Confirmation, Seller shall notify Buyer in writing regarding the results of the Inventory Confirmation (the "Inventory Statement"). The Inventory Statement shall set forth the value of the Inventory to be transferred to Seller immediately prior to Closing pursuant to Section 2.1(a) hereof and the value of the Demand Forecast Inventory that shall remain with the Company at Closing. Buyer shall deliver a certificate setting forth its acceptance of, or objections to, the Inventory Statement within one (1) day of receipt of such Inventory Statement. If Buyer accepts the Inventory Statement, the determination of Seller regarding the Inventory shall be deemed final and binding and no further actions will be taken or adjustments made by the parties related thereto. In the event that Buyer objects to the Inventory Statement or any portion thereof, Buyer and Seller shall attempt in good faith to immediately resolve any such objections. If Buyer and Seller resolve such objections and each party signs a certificate to that effect, the Inventory Statement, as adjusted by the parties, shall be deemed final and binding for purposes of this Agreement and, to the extent the value of the Demand Forecast Inventory that will remain with the Company at Closing reflected on such Inventory Statement is less than One Million Eight Hundred Thirty Three Thousand Five Hundred Thirty Dollars (\$1,833,530), the parties agree that Seller will reduce the Purchase Price by such shortfall; provided, however, that the parties agree that Seller will not be obligated to take the foregoing action unless the aggregate value of the shortfall exceeds Fifty Thousand Dollars (\$50,000).

(b) In the event that Buyer and Seller are unable to resolve such objections, any dispute regarding the Inventory Statement shall be governed by Section 9.7 of this Agreement; provided, however, that if the parties cannot resolve such dispute prior to the Closing Date, Purchaser hereby agrees to effect the Closing based on the Inventory Statement originally submitted by Sellers and to defer the resolution of such dispute until after the Closing. The adjustments contemplated by this Section 2.4 shall be the sole remedy of Buyer for any issues related to the value of the Inventory to be retained by the Company at Closing, and in no event shall Buyer be entitled to any other rights to indemnification under Article VIII related thereto; provided, however, that any such adjustments shall not be included in any calculation of the limitations on indemnification set forth in Section 8.5 hereof.

Section 2.5 Retention of Certain Employees.

(a) Prior to Closing, and in conformity with all applicable Law and Seller's internal policies, Seller and Buyer will cooperate to facilitate for Buyer or the Company the post-Closing employment of certain of those employees of Seller who currently perform services for the Company pursuant to the Employee Leasing Agreement (as defined below) and who Buyer desires to retain after Closing so that they can continue to perform similar services for the Company thereafter (the "Retained Employees"). Buyer regards the employment of a certain Retained Employee as being essential to Buyer's ability to manage the Company and operate the business following Closing (the "Key Employee"). The Retained Employees and the Key Employee are set forth on Schedule 2.5. Buyer will make offers of employment to no less than sixty-seven (67) Retained Employees. The aforementioned cooperation between Seller and Buyer shall include, but not be limited to, (i) Buyer extending to the Retained Employees employment on terms that are competitive for similarly situated employees in the prevailing employment market in San Luis Obispo, California, (ii) Buyer crediting the service of the Retained Employees with Seller under Buyer's seniority-based employment programs, paid time off programs and employee benefits programs, and (iii) Seller making information concerning its

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K

(b) Following the Closing, Seller and Buyer agree that Buyer shall not be responsible for providing employment, compensation or benefits of any sort to any of Seller's employees in connection with services provided to the Company at any time prior to Closing, other than the Retained Employees who have accepted Buyer's offers of employment with the Company. Seller and Buyer further agree that Seller shall be responsible for all Liabilities associated with such employees related to the period prior to the Closing Date.

Section 2.6 Closing.

Closing will take place at the offices of counsel to Buyer, Harter, Secrest & Emery LLP, 1600 Bausch & Lomb Place, Rochester, New York on October 1, 2002, or such other date mutually agreed to by Buyer and Seller; provided, however, that all of the conditions to Closing set forth in Article VII have been satisfied or waived. In the alternative, Closing may take place by the parties' simultaneous execution and delivery of the Closing Documents, with transmittal of facsimile signature pages electronically and exchange of original executed documents by overnight courier delivery. The date in the U.S. on which Closing occurs is called the "Closing Date," and Closing will be effective as of 11:59 p.m., Rochester time, on the Closing Date. Except as otherwise provided in this Agreement (including, but not limited to, Section 5.6(c)), Buyer shall be entitled to any refund of (or credit for) Taxes allocable to any Post-Closing Tax Period.

(c) For purposes of Sections 5.2(a) and (b), whenever it is necessary to determine the liability for Taxes (other than the Taxes described in Section 5.2(d) of the Company for a taxable year or period that begins before and ends after the Closing Date (a "Straddle Period"), the determination of the Taxes of the Company for the portion of such Straddle Period ending on and including, and a portion of such Straddle Period beginning after, the Closing Date shall be determined by assuming that such period consisted of two (2) taxable years or periods, one of which ended at the close of business on the Closing Date and the other which began at the beginning of the day following the Closing Date, and items of income, gain, deduction, loss or credit of the Company for such period shall be allocated between such two (2) taxable years or periods on a "closing of the books basis" by assuming that the books of the Company were closed at the close of the Closing Date; provided, however, that exemptions, allowances or deductions that are calculated on an annual basis, such as the deduction for depreciation, shall be apportioned between such two (2) taxable years or periods on a daily basis.

(d) All personal and business property Taxes and similar ad valorem obligations levied with respect to the Company for any Straddle Period shall be apportioned between Seller and Buyer as of the Closing Date based on the number of days of such Straddle Period included in the Pre-Closing Tax Period and the number of days of such Straddle Period included in the Post-Closing Tax Period. Seller shall be liable for the proportionate amount of such Taxes that is attributable to the Pre-Closing Tax Period, and Buyer shall be liable for the proportionate amount of such Taxes that is attributable to the Post-Closing Tax Period. Within a reasonable period after Closing, Seller and Buyer shall present a statement to the other setting forth the amount of reimbursement to which each is entitled under this Section 5.2(d), together with such supporting evidence as is reasonably necessary to calculate the proration amount. The proration amount shall be paid by the party owing it to the other within ten (10) days after delivery of such statement. Thereafter, Seller shall notify Buyer upon receipt of any bill for personal property taxes relating to the Company, part or all of which are attributable to the Post-Closing Tax Period, and shall promptly deliver such bill to Buyer who shall pay the same to the appropriate taxing authority, provided that if such bill covers any part of the Pre-Closing Tax Period, Seller shall also remit prior to the due date of assessment to Buyer payment for the proportionate amount of such bill that is attributable to the Pre-Closing Tax Period. In the event that either Seller or Buyer shall thereafter make a payment for which it is entitled to reimbursement under this Section 5.2(d), the other party shall make such reimbursement promptly, but in no event later than ten (10) days after the presentation of a statement setting forth the amount of reimbursement to which the presenting party is entitled along with such supporting evidence as is reasonably necessary to calculate the amount of reimbursement. Any payment required under this Section 5.2(d) and not made within ten (10) days after delivery of the statement shall bear interest at the rate per annum determined, from time to time, under the provisions of Section 6621(a)(2) of the Code for each day until paid.

Section 5.3 Tax Returns.

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K

(a) Seller will file or cause to be filed when due all Tax Returns which are due to be filed on or prior to the Closing Date and any consolidated, unitary income Tax Returns of the Company for the taxable periods beginning before and ending on the Closing Date, or otherwise ending as a result of the Closing. Buyer will file or cause to be filed when due all other Tax Returns of the Company due to be filed after the Closing Date.

(b) If any party is liable hereunder for any portion of the Tax shown due on any Tax Return required to be filed by any other party, the party preparing such Tax Return will deliver a copy of the relevant portions of such Tax Return to the party so liable for its review and approval not less than thirty (30) days prior to the date on which such Tax Return is due to be filed (taking into account any applicable extensions), together with a statement showing the other party's obligations for Taxes relating to such Tax Return, which shall be paid within the times, and shall accrue interest if not timely paid, as provided in Section 5.2(d). If the parties disagree as to any item reflected on any such Tax Return, the parties will jointly request Accountants, to resolve any issue in dispute as promptly as possible. The decision of Accountants will be final and binding on the parties, and the expenses of Accountants will be shared equally by Seller and Buyer.

Section 5.4 Information to be Provided by Buyer.

With respect to Tax Returns to be filed by Seller pursuant to Section 5.3, Buyer will within thirty (30) days prior to the due date (taking into account extensions) prepare and provide to Seller a package of tax information materials, that will be completed in accordance with past practice, including past practice as to providing the information, schedules and work papers and as to the method of computation of separate taxable income or other relevant measures of income to the extent necessary to prepare Tax Returns for the pre-Closing periods.

Section 5.5 Contests.

Each of Buyer and Seller will promptly notify the other in writing upon receipt of notice of any pending or threatened audits or assessments with respect to Taxes of the Company for which such other party (or such other party's Affiliates) may be liable hereunder. Seller or Buyer, as applicable, will be entitled to participate at its own expense in the defense of, and at its option, take control of the complete defense of, any Tax audit or administrative or court proceeding relating to Taxes for which it may be liable, and to employ counsel of its choice at its expense; provided, however, that the audit or proceeding will be controlled by that party which would bear the burden of the greater portion of the sum of the adjustment plus any adjustment that may reasonably be anticipated for one or more future taxable periods. Buyer and Seller will cooperate on a reasonable basis to enable the party controlling an audit or proceeding to take all actions with respect to such audit or proceeding. Neither party may agree to settle any Claim for Taxes for which the other may be liable without the prior written consent of such other party, which consent will not be unreasonably withheld.

Section 5.6 Post-Closing Events that Affect Seller's Liability for Taxes.

(a) Except to the extent required by Law, Buyer and its Affiliates will not, without the prior written consent of Seller, which consent will not be unreasonably withheld, amend any Tax Return filed by or with respect to the Company for any taxable period, or portion thereof, beginning before the Closing Date.

(b) Buyer shall undertake to cause the Company to make an irrevocable election under Section 172(b)(3) of the Code and, if applicable, Treasury Regulation Section 1.1502-21(b)(3)(ii)(B) to relinquish, with respect to all

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K

consolidated net operating losses attributable to the Company, the portion of the carryback period for which the Company was a member of Seller's affiliated group.

(c) In the event of (i) an adjustment to any income Tax Return filed prior to Closing or filed in accordance with the procedures set forth in this Article V that (A) changes the Tax Liability of Seller attributable to its interest in the Company for a Pre-Closing Tax Period, and (B) results in a correlative change in the reasonably anticipated Tax Liability of the Company for a Post-Closing Tax Period or (ii) an adjustment to the income Tax Return of the Company that (A) changes the Tax Liability of the Company for a Post-Closing Tax Period, and (B) results in a correlative adjustment to the Tax Liability of the Seller for a Pre-Closing Tax Period (such adjustment in Tax Liability being referred to as a "Pre-Closing Tax Adjustment," where related to the Pre-Closing Tax Period, and as a "Post-Closing Tax Adjustment," where related to the Post-Closing Tax Period):

(I) in the case of a Pre-Closing Tax Adjustment that increases the Tax Liability of the Seller and gives rise to a corresponding Post-Closing Tax Adjustment that decreases the aggregate Tax liability of the Company, the Company shall pay Seller an amount equal to the lesser of (x) the amount by which Seller's aggregate Taxes are increased by such Pre-Closing Tax Adjustment (taking into account any increase in Taxes resulting from the payment pursuant to this clause (I)(x)), and (y) the after-Tax amount by which the Company's aggregate Taxes are decreased or refunded (plus the after-Tax amount of any interest received with respect to such decrease or refund) by the corresponding Post-Closing Tax Adjustment; and

(II) in the case of a Post-Closing Tax Adjustment that increases the aggregate Tax Liability of the Company and gives rise to a corresponding Pre-Closing Tax Adjustment that decreases the Tax Liability of Seller, Seller shall pay to the Company an amount equal to the lesser of (x) the amount by which the Company's aggregate Taxes are increased by such Post-Closing Tax Adjustment (taking into account any increase in Taxes resulting from the payment pursuant to this clause (II)(x)), and (y) the after-Tax amount by which Seller's Taxes are decreased or refunded (plus the after-Tax amount of any interest received with respect to such decrease or refund) by the corresponding Pre-Closing Tax Adjustment.

In computing the amounts payable pursuant to this Section 5.6(c), (i) the amount of any Pre-Closing Tax Adjustment and the amount referred to in clause (I)(x) above shall be computed (A) using the maximum Federal and state corporate income Tax rate applicable to the relevant class of income and period, taking into account the deductibility of such state Taxes for Federal income Tax purposes, (B) taking into account any concomitant increase or decrease in Seller's gain on its disposition of the Shares pursuant to this Agreement; and (ii) the amount of any Post-Closing Tax Adjustment and the amount referred to in clause (II)(x) above shall be computed (A) using the maximum corporate Federal and state corporate income Tax rate (including any excise Tax based on income) applicable to the relevant class of income and period, taking into account the deductibility of such state Taxes for Federal income Tax purposes, (B) taking into account any concomitant increase or decrease in the income of the Company arising out of such Post-Closing Tax Adjustment, and (C) by treating the Company as if it filed a separate company Tax Return and paid its own Liabilities for Taxes.

An obligor under this Section 5.6(c) shall pay the amount due to any obligee hereunder within ten (10) days of the date on which such obligee provides proof reasonably satisfactory to such obligor that such obligee has paid the taxes arising from the adjustment. In the event a payment is made based on facts that subsequently are determined to have been incorrect, the parties shall adjust the payments hereunder in order to reflect the subsequent

determination.

Section 5.7 Assistance and Cooperation.

After the Closing Date: (a) each party will assist the other in preparing any Tax Returns of the Company which such other party is responsible for preparing and filing; (b) each party will cooperate fully in preparing for any audits of, or disputes with taxing authorities regarding, any Tax Returns and payments in respect thereof; (c) each party will make available to the other and to any taxing authority as reasonably requested all relevant Books and Records relating to Taxes; provided, however, that in no event will any party have access to the other party's consolidated, combined or unitary federal, state or local income Tax Returns; (d) each party will provide timely notice in writing to the others of any pending or proposed audits or assessments with respect to Taxes for which such other party or any of its Affiliates may have Liability under this Agreement; (e) each party will furnish the others with copies of all relevant correspondence received from any taxing authority in connection with any audit or information request with respect to any Taxes referred to in Section 5.7(d); and (f) the party requesting assistance or cooperation will bear the other party's reasonable out-of-pocket expenses in complying with such request to the extent that those expenses are attributable to fees and other costs of unaffiliated third party service providers.

ARTICLE VI. OTHER COVENANTS

Section 6.1 Further Assurances.

From the date hereof to the Closing Date, Buyer and Seller shall, and shall cause their respective Affiliates to, as applicable, use commercially reasonable efforts (including entering into all applicable Ancillary Agreements upon satisfaction of all conditions related thereto) to cause the Closing conditions set forth herein to be satisfied on or prior to the Closing Date. Without limiting the generality of the foregoing, the parties will use commercially reasonable efforts, and cooperate with each other, to obtain promptly all of the approvals set forth on Schedule 6.1 hereto (the "Required Approvals"). Subject to the provisions hereof, from time to time after the Closing Date, each party will promptly execute, acknowledge and deliver any other assurances or documents reasonably requested by another party and necessary for the other party to satisfy its obligations hereunder or to obtain the benefits contemplated hereby.

Section 6.2 Inability to Obtain Required Approvals.

To the extent that any Required Approval cannot be obtained or made and, as a result, the full benefits of use of the Contract or other asset related thereto will not be received by the Company following Closing, then Buyer and Seller will cooperate with each other and enter into such mutually agreeable, reasonable and lawful arrangements (including subcontracting, subleasing or sublicensing, if permitted) to provide to the parties the economic (taking into account all burdens and benefits, including Tax costs and benefits) and operational equivalent, to the extent permitted, of obtaining or making such Required Approval.

Section 6.4 Additional Financial Information.

As soon as reasonably practicable after the Closing, but in no event later than October 15, 2002, Seller shall provide Buyer with an unaudited balance sheet as of the Closing Date and income statement of the Company for the period from January 1, 2002 to the Closing Date. In addition, as soon as reasonably practicable after Closing, but in no event later than October 28, 2002, Seller shall provide Buyer with audited balance sheets, income statements and statements of cash flow of the Company as of and for the years ended December 31, 1999, 2000 and 2001, including the notes related thereto. Such financial information shall fairly present in all material respects the results of the operations of the Company for the period therein stated. In connection with the preparation of the audited financial information, Seller shall engage Ernst & Young LLP and Deloitte & Touche, LLP to review the financial information for the periods related to their engagement as the Company's independent accountant and Seller shall be responsible for the lesser of (i) the actual fees of Ernst & Young LLP and Deloitte & Touche, LLP for the services performed to prepare such financial information or (ii) One Hundred Thousand Dollars (\$100,000). In no event shall Seller be obligated to pay any fees in excess of One Hundred Thousand Dollars (\$100,000) in connection with the preparation of such financial information. In the event that the fees exceed such amount, Buyer shall be responsible for the payment of the balance of any such fees.

Section 6.5 Confidentiality.

The parties understand and agree that this Agreement is subject to the terms and conditions of the CNDA #5066040 entered into by and between Seller and Buyer on May 9, 2002, as amended by the parties on August 1, 2002 pursuant to that Addendum No. 1 (the "CNDA"); provided that, notwithstanding any other provision of the CNDA, the parties agree that the terms and conditions of this Agreement will not be disclosed without the prior written consent of the other parties. In the event that any party hereto receives a request to disclose all or any part of any confidential information under the terms of a subpoena, order, civil investigative demand or similar process issued by a court of competent jurisdiction or by another Governmental Entity, such party agrees to: (a) immediately notify the party to whom such confidential information relates of the existence, terms and circumstances surrounding such request, (b) consult with such party to whom the information relates on the advisability of taking legally available steps to resist or narrow such request; and (c) if disclosure of such information is required, furnish only that portion of the confidential information that, in the opinion of counsel to the party who has received the request, such party is legally compelled to disclose and advise the party to whom such confidential information relates as far in advance of such disclosure as possible so that such party to whom the confidential information relates may seek an appropriate protective order or other reliable assurance that confidential treatment will be accorded such confidential information. In any event, the party who receives the request shall not oppose actions by the party to whom the confidential information relates to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded such confidential information.

Section 6.6 Non-Solicitation.

For a period of one (1) year after the Closing Date, (a) Seller's Embedded IA Division (or any successor division engaged in a substantially similar line of business) shall not encourage, induce or solicit for employment or any similar arrangement any employee of Buyer or any Retained Employee who, as a result of the transactions contemplated by this Agreement, became an employee of the Company or the Buyer as of the Closing, and (b) Buyer shall not encourage, induce or solicit for employment or any similar arrangement any employee of Seller's Embedded IA Division (or any successor division engaged in a

Seller or an Affiliate of Seller shall use commercially reasonable efforts to perform the transition services specified on Schedule 6.7 prior to or within sixty (60) days after the Closing, upon the terms and conditions mutually agreed by the parties therein, at no cost to Buyer. In the event that Seller or an Affiliate of Seller performs such services for Buyer after the initial sixty (60) day period, Seller shall bill Buyer at its actual cost plus a servicing fee of ten percent (10%) for such services on a monthly basis, which amount shall be due and payable within thirty (30) days of receipt of such bill by Buyer; provided, however, that in no event shall Seller or an Affiliate of Seller be required to provide to Buyer any of the transition services specified on Schedule 6.7 following the expiration of the ninety (90) day period following the Closing.

Section 6.8 Notification; Updating Schedules.

From the date hereof to the Closing Date, each party shall give prompt written notice to the other Parties with respect to any of the following: (a) the occurrence or non-occurrence of any event of which it becomes aware, the occurrence or non-occurrence of which would be likely to cause any representation or warranty made by it contained in this Agreement to be materially untrue or inaccurate or prevent it from satisfying its Closing obligations; and (b) any failure of such party to materially comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder. The applicable Schedule(s) shall be deemed supplemented by any such disclosures that relate to occurrences subsequent to the date of this Agreement (i.e., new occurrences not previously disclosed in the Schedules), other than those related to the transactions contemplated by the Contribution and Assumption Agreement; the Schedules shall not be otherwise amended or supplemented by any such disclosures. Such supplements, however, shall not be given effect in determining whether the Closing conditions contained in Article VII have been satisfied. The satisfaction of such conditions to Closing shall be based on the Schedules as delivered on the date of this Agreement without regard to such supplements. In the event such Closing conditions are satisfied or waived by Buyer or Seller as the case may be, the right of Buyer or Seller, as the case may be, to recover under the indemnity provisions appearing in Article VIII of this Agreement shall be determined based upon the Schedules as so supplemented, which supplements shall be deemed to cure and correct any breach of the representations and warranties contained in Article III in the case of Seller and Article IV in the case of Buyer that would have existed in the absence thereof. In the case of any such matters disclosed that do not result in a supplement of the Schedules as specified above, the parties will be entitled to seek recovery under the indemnity provisions of Article VIII for any breach of the representations and warranties contained in Article III and Article IV, as applicable, related to or arising from such matters so disclosed.

Section 6.9 Retained Marks.

the fictitious business name "Intel San Luis Obispo") (the "Retained Marks") is being transferred by Seller to Buyer or the Company pursuant to this Agreement, and that Buyer will not, and Buyer will cause its Affiliates not to, use any of the Retained Marks or any name or mark confusingly similar thereto in any way following the Closing Date. Buyer further agrees and acknowledges that Seller shall take any and all commercially reasonable actions to terminate the fictitious business name of "Intel San Luis Obispo" on or prior to Closing or as soon as practicable thereafter.

Section 6.10 Access to Books and Records and Employees.

On and after the Closing Date, Seller and its Affiliates may require access to the Books and Records of the Company and certain Retained Employees in connection with certain audit or accounting questions involving or relating to the Company prior to Closing. In such case, Buyer and its Affiliates shall provide Seller, its Affiliates and their respective authorized representatives reasonable access during normal business hours to the Retained Employees and the Books and Records of the Company relating to all applicable periods, and Buyer will reasonably cooperate with regard to such access (including, but not limited to, permitting Seller and its Affiliates to make copies of relevant documents).

Section 6.11 Warranty Service.

(a) Following the Closing Date, the Company or Buyer will service all warranty claims for repairs or replacements pursuant to the terms of the purchase order under which the Product was sold ("Required Service") related to Products shipped by Seller or by the Company for its own account or the account of Seller prior to the Closing Date. For all warranty claims for which the Company or Seller remains obligated to provide Required Service, the Company or Buyer shall provide the Required Service and maintain true, accurate and complete records of all such Required Service. From the Closing Date through the first anniversary of the Closing Date, the Company or Buyer shall charge Seller for the Required Service provided at the rate Seventy Five Dollars (\$75.00) per hour plus the Company's cost of materials and shall submit an invoice to Seller, together with any underlying records, on a monthly basis. Upon receipt of the invoice and records, Seller will review the same to determine whether all such repairs invoiced to Seller were reasonably incurred for Required Service with respect to Products shipped by the Company prior to the Closing Date. If Seller disputes any of the charges, Seller and Buyer shall negotiate in good faith to resolve any such disputes. Seller shall pay the invoices by the later of forty-five (45) days after the receipt thereof or fifteen (15) days following the resolution of any disputes.

(b) No later than one (1) month prior to the first anniversary of the Closing Date, Buyer and Seller shall negotiate in good faith to determine a final payment for any and all Required Service related to Products shipped by the Company for its own account or the account of Seller prior to the Closing Date. Upon agreement of such payment and the remittance thereof by Seller to Buyer, Seller shall have no further obligations or Liability for any Required Service.

(a) A party claiming indemnification under this Agreement (an "Indemnified Party") for any Claim or Claims asserted by a third party, including, in the case of Buyer, a Covered Third Party Claim (collectively, "Third Party Claims") shall promptly:

(i) notify the party from whom indemnification is sought (the "Indemnifying Party") of any Third-Party Claim asserted against the Indemnified Party which could give rise to a right of indemnification under this Agreement; and

(ii) transmit to the Indemnifying Party a written notice ("Third Party Claim Notice") describing in reasonable detail the nature of the Third Party Claim, a copy of all papers served with respect to such claim (if any), an estimate of the amount of Losses attributable to the Third Party Claim, if reasonably possible, and the basis of the Indemnified Party's request for indemnification under this Agreement.

(b) Within ten (10) days after receipt of any Third Party Claim Notice (the "Election Period"), the Indemnifying Party shall notify the Indemnified Party:

(i) whether the Indemnifying Party disputes its potential liability to the Indemnified Party under this Agreement with respect to such Third Party Claim; and

(ii) whether the Indemnifying Party desires, at the sole cost and expense of the Indemnifying Party, to defend the Indemnified Party against such Third Party Claim.

(c) If the Indemnifying Party notifies the Indemnified Party within the Election Period that the Indemnifying Party does not dispute its potential liability to the Indemnified Party under this Agreement and that the Indemnifying Party elects to assume the defense of the Third Party Claim, then

the Indemnifying Party shall have the right to defend, at its sole cost and expense, such Third Party Claim by all appropriate proceedings, which proceedings shall be prosecuted diligently by the Indemnifying Party to a final conclusion or settled at the discretion of the Indemnifying Party in accordance with this Section 8.4. The Indemnifying Party shall have full control of such defense and proceedings including any compromise or settlement thereof; provided, however, that any such compromise or settlement involving a dollar amount in excess of the limitations set forth in Section 8.5(c), non-monetary obligations of the Indemnified Party, or otherwise having a direct effect upon its continuing operations or the business shall be subject to the consent of the Indemnified Party. If requested by the Indemnifying Party, the Indemnified Party shall, at the sole cost and expense of the Indemnifying Party, cooperate with the Indemnifying Party and its counsel in contesting any Third Party Claim which the Indemnifying Party elects to contest, including, without limitation, the making of any related counterclaim against the Person asserting the Third Party Claim or any cross-complaint against any Person. The Indemnified Party may participate in, but not control, any defense or settlement of any Third Party Claim controlled by the Indemnifying Party pursuant to this Section 8.4 and, except as provided above or pursuant to this Section 8.4, shall bear its own costs and expenses with respect to such participation.

(d) If the Indemnifying Party fails to notify the Indemnified Party within the Election Period that the Indemnifying Party elects to defend the Indemnified Party pursuant to this Section 8.4, or if the Indemnifying Party elects to defend the Indemnified Party pursuant to this Section 8.4 but fails to diligently and promptly prosecute or settle the Third Party Claim, then the Indemnified Party shall have the right to defend at the sole cost and expense of the Indemnifying Party, the Third Party Claim. The Indemnified Party shall have full control of such defense and proceeding; provided, however, that the Indemnified Party may not enter into, without the Indemnifying Party's consent, which shall not be unreasonably withheld or delayed, any compromise or settlement of such Third Party Claim. The Indemnifying Party may participate in, but not control, any defense or settlement controlled by the Indemnified Party pursuant to this Section 8.4, and the Indemnifying Party shall bear its own costs and expenses with respect to such participation.

(e) In the event an Indemnified Party should have a Claim against an Indemnifying Party hereunder which does not involve a Third Party Claim, the Indemnified Party shall transmit to the Indemnifying Party a written notice (the "Indemnity Notice") describing in reasonable detail the nature of the Claim, an estimate of the amount of Losses attributable to such Claim, the basis of the Indemnified Party's request for indemnification under this Agreement and the amount for which a Claim for indemnification is made, taking into account the limitations set forth in Section 8.5. If the Indemnifying Party does not notify the Indemnified Party within thirty (30) days from its receipt of the Indemnity Notice that the Indemnifying Party disputes such Claim, the Claim specified by the Indemnified Party in the Indemnity Notice shall be deemed a Liability of the Indemnifying Party hereunder. If the Indemnifying Party has timely disputed such Claim, as provided above, such dispute shall be resolved in accordance with the dispute resolutions provisions set forth in Section 9.7 of this Agreement.

(f) The failure to provide notices required by this Section 8.4 shall not excuse any party from its continuing obligations hereunder; however, any Claim shall be reduced by the Losses resulting from such party's delay or failure to provide notice as required by this Section 8.4.

Section 8.5 Indemnification Limitations.

(a) No Claim for indemnification under this Article VIII shall be asserted by any Indemnified Party after the expiration and termination of the representations, warranties, covenants, agreements and indemnification obligations as described in, or otherwise contemplated by, Section 8.1.

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K

(b) No Indemnifying Party shall have any Liability hereunder to indemnify the Indemnified Party for Buyer Losses or Seller Losses, as applicable, until the aggregate amount of Buyer Losses or Seller Losses, as applicable, exceed One Hundred Thousand Dollars (\$100,000) in which event the Indemnified Party shall be entitled to indemnification for all such Losses.

(c) The aggregate indemnification obligation of Seller or Buyer hereunder for Buyer Losses (other than Buyer Losses described in the following sentence) or Seller Losses, as applicable, shall not exceed Two Million Five Hundred Thousand Dollars (\$2,500,000). Notwithstanding the foregoing, the aggregate indemnification obligation of Seller hereunder for actual out-of-pocket Buyer Losses related to or arising from Sections 8.2(a)(v) or 8.2(a)(vi) hereof, together with all other Buyer Losses described in the preceding sentence, shall not exceed Ten Million Dollars (\$10,000,000).

(d) Such limitations shall not apply to any indemnification for a breach of Section 3.22 by Seller or pursuant to Sections 8.2(a)(iii), 8.2(a)(iv) or 8.3(a)(iii).

Section 8.6 Adjustment for Insurance Benefit.

Any indemnification payable in accordance with this Article VIII shall be net of any amounts actually recovered (after deducting related costs and expenses) by the Indemnified Party for the Losses for which such indemnification payment is made under any insurance policy, warranty or indemnity from any Person other than a party hereto.

Section 8.7 Exclusive Remedy.

Without limiting any rights of any party to bring an action for injunctive relief as contemplated by Section 9.7(b), the rights of the parties to assert indemnification claims and receive indemnification payments pursuant to this Article VIII will be the sole and exclusive right and remedy exercisable by Buyer Indemnified Parties and Seller Indemnified Parties with respect to any Claims arising under this Agreement. Notwithstanding the foregoing, in the event Seller breaches its representation in Section 3.23 with respect to any property, assets or rights used by the Company to manufacture and sell the Products as of the Closing Date, to the extent Seller owns and/or is permitted to transfer such property, asset or right, Seller shall cure such breach by promptly transferring such property, asset or right to the Company, and Buyer shall have no further remedy with respect thereto.

ARTICLE IX. MISCELLANEOUS

Section 9.1 Notices.

All notices and other communications pursuant to this Agreement shall be in writing and shall be deemed given if delivered personally, telecopied, sent by nationally-recognized overnight courier or mailed by registered or certified mail (return receipt requested), postage prepaid, to the parties at the addresses set forth below or to such other address as the party to whom notice is to be given may have furnished to the other parties hereto in writing in accordance herewith. Any such notice or communication shall be deemed to have been delivered and received (a) in the case of personal delivery, on the date of such delivery, (b) in the case of telecopier, on the date sent if confirmation of receipt is received and such notice is also promptly mailed by registered or certified mail (return receipt requested), (c) in the case of a nationally-recognized overnight courier in circumstances under which such courier guarantees next business day delivery, on the next business day after the date when sent and (d) in the case of mailing, on the third business day following that on which the piece of mail containing such communication is

Section 9.2 Amendment; Waiver.

Any provision of this Agreement may be amended or waived if such amendment or waiver is in writing and signed, in the case of an amendment, by Buyer and Seller, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder will operate as a waiver thereof nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 9.3 No Assignment or Benefit to Third Parties.

No party may assign any of its rights or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other party, and any attempt to assign this Agreement without such consent will be void and of no force or effect. Nothing in this Agreement, express or implied, is intended to confer upon any Person other than Buyer, Seller or the Indemnified Parties, or their respective successors or permitted assigns, any rights or remedies under or by reason of this Agreement. Without limiting the generality of the foregoing, nothing in this Agreement creates any rights in any employees or groups of employees.

Section 9.4 Expenses.

Except as otherwise expressly provided by this Agreement, whether or not the Transaction is consummated, all costs and expenses incurred in connection with this Agreement and the Transaction will be borne by the party incurring the same.

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K

Section 9.5 Schedules and Exhibits, Etc.

Buyer's rights to indemnification or other remedies provided hereby based on any breach by Seller of its representations, warranties, covenants and agreements will not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) by Buyer at any time, whether before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or agreement. The due diligence review conducted by Buyer and its representatives will not relieve Seller of any duties concerning its representations, warranties, covenants or agreements contained in this Agreement or in any Ancillary Agreement.

Section 9.6 Governing Law.

This Agreement will be governed by and construed in accordance with the Laws of the State of Delaware without regard to its principles of conflicts of laws.

Section 9.7 Dispute Resolution.

(a) All disputes arising directly under the express terms of this Agreement shall be resolved as follows: The senior management of the parties to the dispute shall meet to attempt to resolve such disputes. If the disputes cannot be resolved by the senior management of the parties, any party may make a written demand for formal dispute resolution and specify therein the scope of the dispute. Within thirty (30) days after such written notification, the parties agree to meet for one (1) day with an impartial mediator and consider dispute resolution alternatives other than litigation. If an alternative method of dispute resolution is not agreed upon within thirty (30) days after the one (1) day mediation, either party may begin litigation proceedings.

(b) Notwithstanding the provisions of Section 9.7(a) above, each party shall have the right, without the requirement of first seeking a remedy through mediation, to seek preliminary injunctive or other equitable relief in any proper court in the event that such party determines that eventual redress through mediation will not provide a sufficient remedy for any violation of this Agreement by any other party.

(c) In the event a proceeding is brought to enforce or interpret any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs in an amount to be fixed by the court or arbitrator, as applicable.

Section 9.8 Submission to Jurisdiction; Waiver of Jury Trial.

(a) The parties hereby irrevocably submit to the jurisdiction of the courts of the State of Delaware and the Federal courts of the United States of America located in the State of Delaware solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such proceeding shall be heard and determined in such a Delaware state or Federal court. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 9.1 or in such other

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K

manner as may be permitted by applicable Law, shall be valid and sufficient service thereof.

(b) The parties agree that irreparable damage may occur and that the parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any Federal court located in the State of Delaware or in Delaware state court, this being in addition to any other remedy to which they are entitled at law or in equity.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.8.

Section 9.9 Remedies Cumulative.

Except as otherwise set forth herein, the various rights and remedies herein provided will be cumulative and not exclusive of any other rights or remedies herein provided or any rights or remedies provided by Law.

Section 9.10 Inferences.

Inasmuch as this Agreement is the result of negotiations between sophisticated parties of equal bargaining power represented by counsel, no inference in favor of or against any party will be drawn from the fact that any portion of this Agreement has been drafted by or on behalf of such party.

Section 9.11 Severability.

The provisions of this Agreement will be deemed severable and the invalidity or unenforceability of any provision will not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision will be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances will not be affected by such invalidity or unenforceability, nor will such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.12 Entire Agreement.

This Agreement, the CNDA and the Ancillary Agreements together contain the entire agreement between the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, oral or written, with respect to such matters.
