**ITEM 3.02. NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING.**

As previously disclosed, Laban P. Jackson, Jr. resigned as a director and a member of the audit committee of our board of directors on July 6, 2006. Mr. Jackson's departure reduced the number of members of the audit committee to two and thus caused us to become non-compliant with Rule 4350(d)(2)(A) of the Nasdaq Stock Market, which requires that every Nasdaq-listed company have an audit committee of at least three members. Nasdaq anticipates that such non-compliance may occur from time to time, and its Rule 4350(d)(4)(B) allows a company to cure a deficiency in the number of audit committee members by the earlier of the next annual shareholders meeting or one year from the departure of the audit committee member.

On July 13, 2006, we notified Nasdaq of our non-compliance with this requirement, and that we intended to fill the vacancy on the audit committee by electing a third member within the cure period permitted by Nasdaq. On July 14, 2006, Nasdaq confirmed that we were not in compliance with Nasdaq's audit committee requirements.

On July 17, 2006, Andrew Seamons resigned as a director and a member of the audit committee of our board of directors. Mr. Seamons' resignation reduced the number of members of the audit committee to one. On July 18, 2006, the Company notified Nasdaq of our non-compliance with Rule 4350(d)(2)(A) and its intention to fill Mr. Seamons' vacancy within the applicable cure period provided by the Nasdaq Rules. On July 19, 2006, Nasdaq confirmed that we were not in compliance with Nasdaq's audit committee requirements and was reviewing the Company's eligibility for continued listing on the Nasdaq Stock Market. To facilitate this review, the Company intends to provide a specific plan and timetable to achieve compliance with the audit committee composition rule set forth in Marketplace Rule 4350(d)(2)(A) on or before August 3, 2006.

As required by Rule 4803(a), the Company issued a press release regarding this issue.

As disclosed above, Andrew Seamons resigned as director of IPIX Corporation effective July 17, 2006.
