Effective April 15, 2005, Omni Medical Holdings, Inc. ("we," "our," "us" or words of similar import) acquired 100% of the outstanding shares of Plum Creek Outpatient, Inc., an Illinois corporation ("Plum Creek") in exchange for 1,000,000 shares of our common stock that are "restricted securities" as defined in Rule 144 of the Securities and Exchange Commission.

We also acquired the assets of Stat Anesthesia, P.C., an Illinois corporation ("Stat"), in exchange for 4,000,000 shares of our common stock that were also "restricted securities" as defined in Rule 144 of the Securities and Exchange Commission. Additionally, Stat signed an Administrative Services Agreement with us in which we will provide financial and administrative services for all of Stat's operations. While we will have complete control over the administrative and financial affairs of Stat, we will not be involved in any way in the practice of medicine. Peter Pollachek will be retained as a consultant to us for a period of two years.

There were no prior relationships between any of our affiliates, officers, directors or shareholders with either Plum Creek or Stat. Plum Creek and Stat are related companies in that Plum Creek was a spin off from Stat in 2003, and Plum Creek and Stat are owned by the same family.

Total outstanding shares following the completion of these transactions will be approximately 52,649,430. Financial statements for these companies are anticipated to be filed within the required 75 day period.

This transaction will not result in a change of control of our Company.
