PROXY STATEMENT FOR SPECIAL MEETING OF SHAREHOLDERS

This Proxy Statement and the accompanying proxy card are being furnished to the holders of common stock of Millennium Tea Masters, Inc. in connection with the solicitation of proxies by the Board of Directors of Millennium from the shareholders for use at a Special Meeting of shareholders of Millennium. At the Special Meeting, the shareholders of Millennium will be asked to consider and vote upon proposals to approve amendments to the Articles of Incorporation of the company to provide for the following: 1) increasing the number of authorized shares of common stock of the company to 100 million shares; 2) changing the name of the company to VoIP, Inc.; and 3) allowing the shareholders of the company to act without a meeting by majority written consent, as provided under the Texas Business Corporation Act. In addition, the Special Meeting may consider other actions that lawfully come before the meeting, although none is known or expected as of the date hereof. This Proxy Statement and the enclosed forms of proxy are being mailed on or about March 24, 2004.

The company's principal business has been the importation and sale of high quality tea products from Sri Lanka, formerly known as Ceylon. We buy our teas at auctions, package them under the "Millennia" label and ship them from Sri Lanka to our leased warehouse in DeSoto, Texas. The company is headquartered in Frisco, Texas, and its common stock trades on the OTC Bulletin Board under the symbol "MTEM." As recently announced, in addition to the tea business, we also intend to pursue a new line of business in the telecommunications industry of providing equipment and services to allow voice-over-internet protocol over broadband internet connections.

VOTING AND PROXY INFORMATION

The Board of Directors of Millennium has fixed the close of business on March 22, 2004, as the record date for determining the holders of common stock entitled to receive notice of and to vote at the Special Meeting. At the close of business on the record date, there were outstanding 14,230,939 shares of common stock, the only outstanding securities of Millennium entitled to vote at the Special Meeting. Such shares were held by 196 shareholders of record.

For each share held on the record date, a holder of common stock is entitled to one vote on all matters properly brought before the shareholders at the Special Meeting. Such votes may be cast in person or by proxy. Abstentions may be specified as to the approval of the amendments. The affirmative vote, either in person or by proxy, of the holders of at least a majority of the outstanding shares of our common stock entitled to vote thereon, voting as one class, is necessary to approve the amendments. Accordingly, if a shareholder abstains from voting certain shares on the approval of the amendments, it will have the effect of a negative vote.

On the record date, 12,500,000 shares of common stock, representing approximately 88% of shares outstanding, were held by officers and directors of Millennium and their affiliates and associates. All such persons have indicated they will vote their shares outstanding for the approval of the amendments, which will insure such approval by the shareholders.

All shares of common stock that are represented at the Special Meeting by properly executed proxies received by Millennium prior to or at the Special Meeting and not revoked will be voted at the Special Meeting in accordance with the instructions indicated in such proxies. Unless instructions to the contrary are specified in the proxy, each such proxy will be voted FOR the proposal to approve the amendments.

Edgar Filing: MILLENNIA TEA MASTERS INC - Form DEF 14A

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by (i) filing with the Secretary of Millennia, before the vote is taken at the Special Meeting, a written notice of revocation bearing a date later than the date of

the proxy, (ii) duly executing and delivering a subsequent proxy relating to the same shares, or (iii) attending the Special Meeting and voting in person (although attendance at the Special Meeting will not in and of itself constitute a revocation of a proxy). Any written notice of revocation should be sent to: Corporate Secretary, Millennia Tea Masters, Inc., 12330 S.W. 53rd Street, Suite 712, Ft. Lauderdale, Florida 33330.

APPROVAL OF THE AMENDMENTS

Texas law requires the affirmative vote of the holders of at least two-thirds of the outstanding shares of our common stock entitled to vote thereon in order to approve amendments to the Articles of Incorporation. Under our existing Articles of Incorporation, the vote required has been reduced from two-thirds to a simple majority, as allowed by law. Under Texas law, any shareholder voting in favor of the amendments may be deemed to have waived any rights to challenge such transactions, while shareholders voting against such transactions or abstaining from voting may continue to retain those rights. It should be noted, however, that under Texas law shareholders do not have dissenters' appraisal rights in connection with the approval of the amendments.

On February 27, 2004, Steven Ivester acquired control of the company by purchasing 12,500,000 shares of common stock of the company in exchange for cash of \$12,500 of his personal funds and the obligation to contribute the intellectual property rights and other assets of two start-up companies that provide voice over Internet protocol equipment and services. The shares issued to Ivester represent 87.8% of all shares of common stock of the company outstanding. Upon the sale of such stock, Ivester was provisionally appointed as a director and was elected as the company's chairman, chief executive officer and president. The existing officers, Kevin Halter and Kevin Halter, Jr., resigned as officers on February 27, 2004, and as directors effective as of March 14, 2004.

AMENDMENTS TO THE ARTICLES OF INCORPORATION

Proposal 1. Increasing the number of Authorized Shares of Common Stock to 100 million shares

Purpose: The company desires to amend the Articles of Incorporation in order to increase the number of authorized shares of common stock of the company to 100 million shares. The company believes that this increase in the number of authorized shares of common stock is in the best interest of the company in that it will provide the company with available shares which could be issued for various corporate purposes, including acquisitions. The company further believes that the increase in the number of authorized shares of common stock will enable the company to promptly take advantage of market conditions and the availability of favorable opportunities without the delay and expense associated with holding a special meeting of shareholders. There are no definitive plans in existence to issue any of these newly authorized shares.

Effect: The issuance by the company of any additional shares of common stock would dilute both the equity interests and the earnings per share of existing holders of common stock. Such dilution may be substantial, depending upon the amount of shares issued. The newly authorized shares of common stock will have voting and other rights identical to those of the currently authorized shares of common stock.

Proposal 2. Changing the name of the company to "VoIP, Inc."

Purpose: In connection with the change of control of the company from Kevin Halter to Steven Ivester, new management has signified its intentions to expand the company's existing tea import business and to expand into other business opportunities which it has been exploring and developing that have the prospect for faster growth and evidence profitability. The new segment will consist of sales of equipment and services to users of "Voice over Internet," which allows users purchasing certain equipment to make local and long-distance telephone calls free via broadband access to the Internet. Steven Ivester has signified his agreement to contribute to the company all intellectual property rights and other assets owned by two start-up companies that will pursue opportunities in the voice over Internet business. These companies, Globalphone, Inc. and VOIP Solutions, Inc., both Florida corporations, will become wholly-owned subsidiaries of the company. Therefore, the company desires to amend the Articles of Incorporation to change the name of the company to VoIP, Inc. in order to more accurately convey the new image of the company to the public.

Edgar Filing: MILLENNIA TEA MASTERS INC - Form DEF 14A

Effect: Changing our name will not have any effect on our corporate status, the rights of stockholders or the transferability of outstanding stock certificates. Outstanding stock certificates bearing the name "Millennia Tea Masters, Inc.," will continue to be valid and represent shares of common stock of VoIP, Inc. following the name change. In the future, new stock certificates will be issued bearing our new name, but this will in no way effect the validity of your current stock certificates. Our name as it appears on the over-the-counter bulletin board and our trading symbol will change when the amendment becomes effective.

Proposal 3. Allowing the shareholders to act by majority written consent

Purpose: The company desires to amend the Articles of Incorporation to allow its shareholders to act by majority written consent. The company believes that this amendment is in the best interest of the company because it will reduce the time and expense associated with proxy solicitations and other votes that must come before the shareholders of the company and will provide the company with more flexibility in obtaining shareholder votes. Most state corporate statutes grant this right to all corporations formed in those states. However, in Texas such right exists only where elected in the Articles of Incorporation.

Effect: This amendment will have the practical effect of permitting the company to approve, in most instances, actions requiring shareholder consent. The company will continue to be subject to the reporting obligations of the Securities Exchange Act of 1934, including distribution of an information statement in instances where a full proxy solicitation is not required.

3

PROXY SOLICITATION

Proxies are being solicited from Millennia's shareholders by and on behalf of the Board of Directors of Millennia. The cost of solicitation of proxies will be paid by Millennia. In addition to solicitation by use of the mails, proxies may be solicited by directors, officers, and employees of Millennia in person or by telephone, telegram, or other means of communication. Such directors, officers, and employees will not be additionally compensated for such services but may be reimbursed for out-of-pocket expenses incurred by them in connection with such solicitation. Arrangements will also be made with custodians, nominees, and fiduciaries for the forwarding of proxy solicitation materials to beneficial owners of Millennia common stock held of record by such persons.

SHAREHOLDER PROPOSALS

Proposals submitted by a shareholder of Millennia for action at the 2004 annual meeting of Millennia's shareholders must have been received by Millennia at its principal executive offices at 12330 S.W. 53rd Street, Suite 712, Ft. Lauderdale, Florida 33330, no later than April 15, 2004, in order to be included in Millennia's proxy materials relating to that meeting.
