(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

On January 12, 2009, the Issuer and certain of its affiliates (collectively, the “Debtors”) filed voluntary petitions for relief (the “Chapter 11 Cases”) under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”).

On August 9, 2010, Cetus executed a backstop letter agreement (the “Backstop Commitment Agreement”), which letter agreement has since been presented to, but not accepted by, the Debtors. The Backstop Commitment Agreement provides, among other things, that Cetus commits severally, but not jointly, to purchase its pro rata share of any unsubscribed common stock of Issuer in a \$135,000,000 rights offering to eligible holders of the allowed unsecured claims of the Debtors and common stock of Issuer (such an offering, a “Rights Offering”). The amount of Cetus’s maximum commitment to purchase common stock of Issuer is limited to the commitment amount set forth in the Backstop Commitment Agreement, which is \$20,000,000 of the entire offering amount of \$135,000,000. In the aggregate, various parties have executed individual Backstop Commitment Agreements and have thereby committed to purchase the entire offering amount of \$135,000,000. The Backstop Commitment Agreement is subject to the approval of the Bankruptcy Court, as well other conditions, and contains representations, warranties, covenants, and indemnities customary for a transaction of the type contemplated thereby.

Upon entering into the Backstop Commitment Agreement, Cetus and the other signatories who have executed similar Backstop Commitment Agreements may be deemed to be a “group” pursuant to Section 13(d)(3) of the Exchange Act. The Reporting Persons do not expressly affirm membership in a group with any of the other signatories, and disclaim beneficial ownership of any Class A Shares or Class B Shares held by the other signatories (other than the Reporting Persons). Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that the Reporting Persons or any of their respective affiliates are the beneficial owners of any Class A Shares or Class B Shares beneficially owned by any of the signatories of the Backstop Commitment Agreement (other than the Reporting Persons) for purposes of Section 13(d) of the Exchange Act, the rules promulgated thereunder or for any other purpose.

The Reporting Persons expect to independently evaluate on an ongoing basis the Issuer’s financial condition and prospects and its interest in, and intentions with respect to, the Issuer and their investment in the securities of the Issuer, which review may be based on various factors, including whether various strategic transactions have occurred or may occur, the Issuer’s business and financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer’s securities in particular, as well as other developments and other investment opportunities. Accordingly, each Reporting Person reserves the right to change its intentions and develop plans or proposals at any time, as it deems appropriate. In particular, each Reporting Person may at any time and from time to time, in the open market, in privately negotiated transactions or otherwise, acquire additional securities of the Issuer, including additional Common Stock, dispose of all or a portion of the securities of the Issuer, including the Common Stock, that the Reporting Persons now own or may hereafter acquire, and/or enter into derivative transactions with institutional counterparties with respect to the Issuer’s securities. In addition, the Reporting Persons may engage in discussions with management, members of the board of directors of the Issuer, shareholders of the Issuer and other relevant parties concerning the operations, management, composition of the Issuer’s board of directors and management, ownership, capital structure, balance sheet management, strategy and future plans of the Issuer, including the possibility of proposing one of more acquisitions, business combinations, mergers, asset sales, asset purchases or other similar transactions involving the Issuer and other third parties.
