ITEM 1.01 Entry into a Material Definitive Agreement.

As previously reported on a Form 8-K that was filed with the Securities and Exchange Commission on August 10, 2007, eMagin Corporation (the “Company”) entered into a Loan and Security Agreement, dated as of August 7, 2007 (the “Loan and Security Agreement”). As previously reported, the Loan and Security Agreement was amended pursuant to Amendment No. 1 to the Loan and Security Agreement on January 30, 2008 (the “First Amendment”), with Moriah Capital, L.P. (“Moriah”).

The Company and Moriah have entered into Amendment No. 2 to the Loan and Security Agreement dated as of March 25, 2008 (the “Second Amendment”). Pursuant to the Second Amendment, Moriah waived the Company’s noncompliance with Sections 7.2, 7.3, 8.11, 9.1, 9.3, 9.5(c) and 11.5 of the Loan and Security Agreement to the extent such noncompliance resulted solely from the Company’s inadvertently misstating the amount of its inventory that contained defective parts (the “Defective Inventory Count”), provided that on or before April 8, 2008 the Company repays Moriah all prior Advances (as defined in the Loan and Security Agreement), which exceed the Maximum Credit (as defined in the Loan and Security Agreement) if any, as a result of the Defective Inventory Count.

Pursuant to the Second Amendment, the Company has advised Moriah of certain delays in implementing the Lockbox Agreement, as required under the Loan and Security Agreement, which, if unwaived, would result in the Company’s noncompliance with section 2.1(f) of the Loan and Security Agreement and with Section 3 of the Post-Closing Agreement between the Company and Moriah, dated August 7, 2007. Moriah has agreed to waive noncompliance with Sections 2.1(f) of the Loan and Security Agreement and Section 3 of the Post-Closing Agreement in reliance on the Company’s representation and warranty that all lockbox arrangements required to be implemented under Section 2.1(f) of the Loan and Security Agreement and under Section 3 of the Post-Closing Agreement have been consummated and are in full force and effect as of March 12, 2008.

As previously reported, the Company and Moriah entered into a Warrant Issuance Agreement dated January 30, 2008 (the “Warrant Issuance Agreement”). The Company and Moriah entered into Amendment No. 1 to the Warrant Issuance Agreement. Pursuant to the Amendment No. 1 to Warrant Issuance Agreement, the Company issued Moriah a Warrant to purchase 250,000 shares of the Company’s common stock at an exercise price of \$1.50 per share until March 25, 2013 (the “March 2008 Warrant”). Pursuant to the Amendment No. 1 to the Warrant Issuance Agreement, Section 3.2 of the Warrant Issuance Agreement was amended to provide that the Company has to file by April 29, 2008 a registration statement with the Securities and Exchange Commission to register 1,000,000 shares of the Company’s common stock issuable upon exercise of warrants issued to Moriah (including the March 2008 Warrant and a warrant to purchase 750,000 shares of the Common Stock which was previously issued to Moriah).

We claim an exemption from the registration requirements of the Act for the private placement of these securities pursuant to Section 4(2) of the Act since, among other things, these transactions did not involve a public offering and we took appropriate measures to restrict the transfer of the securities.

The foregoing description of Amendment No. 2 to the Loan and Security Agreement and Amendment No. 1 to Warrant Issuance Agreement does not purport to be complete and is qualified in its entirety by reference to these agreements which are attached as exhibits to this Current Report and are incorporated into this Item by reference.
