Explanatory Note

The purpose of this Registration Statement is to register 30,000,000 additional shares of FON common stock of Sprint Corporation issuable pursuant to the 1997 Long-Term Stock Incentive Program. In addition to this registration statement, a separate registration statement was filed registering shares of FON common stock and PCS common stock for issuance pursuant to the 1997 Long-Term Stock Incentive Program (No. 333-111956) and a separate registration statement was filed registering FON common stock for issuance pursuant to the 1997 Long-Term Stock Incentive Program (No. 333-115621). In addition, separate registration statements were filed registering shares for issuance pursuant to the 1990 Stock Option Plan (Nos. 33-59349, 333-46491, 333-54108, 333-59124 and 333-103691), for issuance pursuant to the 1990 Restricted Stock Plan (No. 333-103689), for issuance as Outside Directors' Shares under the 1997 Long-Term Stock Incentive Program (No. 33-25449) and for issuance on exercise of Outside Directors' Stock Options under the 1997 Long-Term Stock Incentive Program (No. 33-31802).

In February 2004, Sprint's board of directors combined the 1990 Stock Option Plan and the 1990 Restricted Stock Plan with and into the 1997 Long-Term Stock Incentive Program to form a single plan. Following the recombination of the plans, shares of FON common stock registered for issuance in connection with the exercise of stock options granted under the 1990 Stock Option Plan will be issued in connection with the exercise of stock options under the 1997 Long-Term Stock Incentive Program, and shares of FON common stock registered for issuance under the 1990 Restricted Stock Plan will be issued in connection with the awards of restricted stock granted under the 1997 Long-Term Stock Incentive Program.

Also in February 2004, Sprint's board of directors approved the recombination of the PCS common stock and the FON common stock, effective on April 23, 2004 (the "Conversion Date"). Each share of PCS common stock outstanding was converted into 0.5 shares of FON common stock. Options to purchase PCS common stock outstanding on the Conversion Date were converted into options to purchase FON common stock. Following the Conversion Date, no shares of PCS common stock may be issued and the remaining shares of PCS common stock have been deregistered.

Item 6. Indemnification of Directors and Officers

Consistent with Section 17-6305 of the Kansas Statutes Annotated, Article IV, Section 9 of the Amended and Restated Bylaws of Sprint provides that Sprint will indemnify directors and officers of the corporation against expenses, judgments, fines and amounts paid in settlement in connection with any action, suit or proceeding if the director or officer acted in good faith and in a

Edgar Filing: SPRINT CORP - Form S-8

manner reasonably believed to be in or not opposed to the best interests of Sprint. With respect to a criminal action or proceeding, the director or officer must also have had no reasonable cause to believe his conduct was unlawful.

Under Section 9, Sprint may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of Sprint, or who is or was serving at the request of Sprint as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability arising out of his status as such, whether or not Sprint would have the power to indemnify such persons against such liability. Sprint carries standard directors and officers liability coverage for its directors and officers. Subject to certain limitations and exclusions, the policies reimburse Sprint for liabilities indemnified under Section 9.

Sprint has entered into indemnification agreements with its directors and officers. These agreements provide for the indemnification, to the full extent permitted by law, of expenses, judgments, fines, penalties and amounts paid in settlement incurred by the director or officer in connection with any threatened, pending or completed action, suit or proceeding on account of service as a director, officer or agent of Sprint.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales of the securities being registered are being made, a post-effective amendment to this Registration Statement:

II-3

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, unless such information is contained in a periodic report filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 and incorporated herein by reference;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement, unless such information is contained in a periodic report filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 and incorporated herein by reference; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where

Edgar Filing: SPRINT CORP - Form S-8

applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
