TOMPKINS TRUSTCO, INC.

OVERVIEW OF THE PLAN

Tompkins Trustco, Inc. offers this Open Availability and Dividend Reinvestment Plan for shares of its common stock. The Plan offers you an affordable alternative for buying and selling our common stock, which is traded on the American Stock Exchange under the symbol "TMP". You do not need to be a current shareholder to participate in the Plan and buy our common stock for the first time. If you participate in the Plan, you may reinvest your cash dividends, if any, and make periodic supplemental cash payments to purchase additional shares. Shares that are held in the Plan may be sold directly without having to obtain physical certificates or becoming involved with a broker. The certificates that you currently hold in physical form at home may be deposited directly into the Plan for safekeeping or sale. You may also withdraw or transfer all or a portion of your stock held in the Plan at any time. Although Tompkins Trustco pays for almost all of the brokerage and administrative costs, there are small fees associated with certain features of the Plan. The fees are outlined within this prospectus.

This Plan Features:

Convenient Direct Share Ownership

Existing stockholders and new investors can make an initial stock purchase directly through the Plan without a broker. Once enrolled in the Plan, you can make additional optional cash purchases of our common stock.

Automatic Dividend Reinvestment

Cash dividends paid to participating holders of our common stock can be reinvested automatically to purchase additional shares.

Certificate or Book-Entry Share Ownership

If you participate in the Plan, you will receive timely statements and confirmations reflecting your transaction history. You will typically not be issued a physical certificate representing your shares because the Plan Administrator will record your share ownership in "book-entry" form. Nevertheless, you may request the issuance of a physical certificate to represent your shares at any time.

Safekeeping of Shares

If you hold or later acquire shares of our common stock from other sources, you may deposit them directly into the Plan for safekeeping. All the Plan's features will then apply to the deposited shares as well.

Withdrawals

You may withdraw any or all of your shares from the Plan at any time.

Edgar Filing: TOMPKINS TRUSTCO INC - Form S-3D

Direct Sale or Transfer

You may sell or transfer shares of our common stock directly through the Plan at any time, without the issuance of physical certificates or the involvement of an independent broker.

Commissions or Fees

We will pay all commissions and service fees on purchases of our common stock made through the Plan, on all reinvestments of dividends through the Plan, and on all withdrawals of shares from the Plan. However, you will be charged a brokerage commission of \$0.10 per share sold, and a \$15.00 service fee upon termination of your participation.

The foregoing is only an overview. The "Terms and Conditions" of the Plan are stated at the end of this prospectus, and in the event of any inconsistency, those "Terms and Conditions" will prevail. The "Terms and Conditions" of the Plan are subject to change without notice, and we retain the right to discontinue the Plan at any time.

Please retain this prospectus for future reference.

FURTHER DESCRIPTION OF PLAN SERVICES

Eligibility & Enrollment

Almost everyone is eligible to enroll in the Plan. You may participate in the Plan if you already own shares of our common stock, and if you do not own any shares of our common stock, you may enroll by making an initial purchase directly through the Plan. To receive a Plan Enrollment Application or additional copies of this prospectus, simply contact American Stock Transfer & Trust Company, the Plan Administrator, either at its toll free number, 1-877-573-4008, or by logging on to American Stock Transfer & Trust Company's website at www.investpower.com.

Purchases

Once enrolled in the Plan, you can purchase additional shares of our common stock at any time by making optional cash contributions to the Plan in amounts of at least \$50. The Plan Administrator will arrange to purchase the appropriate number of shares on the open market for your account as soon as possible, normally within one week after it receives your contributions. You may at any time modify the contribution program you have specified on a Plan Enrollment Application or on the tear-off portion of an account statement or transaction advice you have received.

Dividend Reinvestment

Unless you indicate otherwise on your Plan Enrollment Application, all cash dividends paid on the shares of our common stock in your account will be automatically reinvested in more shares of our common stock. Because both full and fractional shares will be carried in your account, the dividends attributable to fractional shares will be reinvested just as those on your full shares.

Safekeeping of Certificates

If you already own shares of our common stock in certificated form - that is, if you hold the actual certificates representing your shares - you may deposit the certificates into the Plan for safekeeping. This feature protects your shares against possible loss, theft or accidental destruction and may save you the expense of having to replace your certificates. The shares you deposit into the Plan will also become eligible to participate in the dividend reinvestment feature of the Plan.

Edgar Filing: TOMPKINS TRUSTCO INC - Form S-3D

Convenient Ways To Sell or Transfer Your Shares

You can easily sell or transfer through the Plan some or all of the shares you own, whether you hold the shares in book-entry form or in certificated form. You can choose to sell or transfer any or all shares held in the Plan with or without issuing new certificates, and without having to deal directly through a broker. Any fractional shares in your account will be sold at the same price as full shares, on a prorated basis. You may also instruct the Plan Administrator to issue a certificate in your name for any shares you hold in the Plan at any time.

Statements and Forms

If you elect to reinvest all or a portion of your dividends, you will receive a quarterly statement that reflects all investment activity and all dividends applied toward reinvestment. Each time a purchase is made for you, you will also receive a confirmation notice reflecting the number of shares purchased for you and the purchase price for those shares. Each form you receive will contain a tear-off stub that can be used for future Plan transactions. You may also review your transaction history online at www.investpower.com.

Simple, Secure Internet Account Access

You can complete all your share transactions, including purchases, sales and requests for certificates, on the Internet at www.investpower.com. You can also review your account status online.

ANSWERS TO FREQUENTLY ASKED QUESTIONS

How Do I Enroll in the Plan?

There are two easy ways to enroll in the Plan. One way registered shareholders and first-time investors can enroll in the Plan is by completing and signing a Plan Enrollment Application and sending it to American Stock Transfer & Trust Company, the Plan Administrator, at the address listed on page 2 of this prospectus. The account will be opened as soon as possible after the Plan Administrator receives your properly completed and signed Plan Enrollment Application. You can obtain Plan Enrollment Applications and copies of this prospectus by contacting the Plan Administrator at its toll free number, 1-877-573-4008.

You can also enroll in the Plan by logging on to the Plan Administrator's website at www.investpower.com, selecting "All Online Plans" and choosing the link for Tompkins Trustco. On the "Plan Details" page, select "Invest Now" and follow the wizard, which will guide you through the six-step process. You will receive an e-mail confirming receipt of your transaction as soon as you complete the wizard, as well as an e-mail within two business days confirming the number of shares purchased and their price.

Once enrolled, your participation in the Plan continues until you withdraw from the Plan or until the Plan terminates. If the Plan account is to be enrolled in multiple or joint names, or if certificates registered in multiple or joint names are to be deposited into the Plan, all of the stockholders involved must sign the Plan Enrollment Application.

How Can I Purchase Additional Shares?

You can easily purchase additional shares of our common stock under the Plan at any time by making optional cash contributions, which are used to purchase shares of our common stock in the open market for your Plan account. Optional cash contributions must be in amounts of at least \$50. You may make optional

Edgar Filing: TOMPKINS TRUSTCO INC - Form S-3D

cash contributions as often as daily.

You can also make optional cash contributions by mailing in the tear-off portion of an account statement or transaction advice, by investing online, or make automatic monthly cash contributions of a constant dollar amount if you set up an electronic funds transfer from your bank account in advance. You will not be paid any interest on contributions held by the Plan Administrator pending investment of your funds.

To make optional cash contributions by mail, complete the tear-off portion of an account statement or transaction confirmation notice and send it to the Plan Administrator at its address listed on page 2.

To make an investment online, log on to www.investpower.com and select "Account Access". Enter your ten-digit account number (provided to you in your account statement) and your social security number. You may then complete your optional cash investment confirmation in two simple steps.

In addition, you may authorize the Plan Administrator, on the enrollment application, to make automatic monthly purchases of a specified dollar amount, paid for by automatic withdrawal from your bank account by electronic funds transfer. You may also sign up for monthly electronic funds transfer by accessing the American Stock Transfer & Trust Company website at www.investpower.com and following the simple instructions for a faster way to invest. Funds will be withdrawn from your bank account on the 10th day of each month (or the next following day if the 10th day of the month is not a business day). All purchases will apply the total funds toward shares of our common stock, and both full shares and fractional shares (to at least three decimal places) will be credited to your Plan account. To stop making monthly purchases by automatic withdrawal, you must send the Plan Administrator written, signed instructions.

All cash contributions not made by electronic funds transfer must be made by check or money order drawn on a United States bank in U.S. currency, payable to "American Stock Transfer & Trust Company - Tompkins Trustco, Inc. Plan". Third party checks and checks payable to Tompkins Trustco, Inc. directly cannot be accepted and will be returned. If a check is returned to the Plan Administrator as "unpaid," the Plan Administrator will resell the shares purchased with those funds and sell additional shares from your account, as necessary, to reimburse itself for any fees or losses incurred when reselling the shares from your account.

5

You should be aware that the trading price for shares of our common stock may fall or rise during the period between your request for purchase, the Plan Administrator's receipt of that request, and the ultimate purchase of shares on the open market. The Plan Administrator may, at its own discretion, accept written requests to revoke instructions previously given to purchase shares but not yet acted upon.

What Fees Are Involved?

There is no enrollment fee to participate in the Plan. Tompkins Trustco will pay service fees and brokerage commissions for both initial and optional cash investments. However, a brokerage commission of \$.10 per share will be automatically deducted from your proceeds when you sell shares held in your Plan account. For first-time purchases by investors who are not already registered holders of our common stock on the records of American Stock Transfer & Trust Company, our transfer agent, the minimum initial investment amount is \$100. The minimum amount for additional investments, and for initial investments by our

Edgar Filing: TOMPKINS TRUSTCO INC - Form S-3D

existing, registered shareholders who deposit their shares into the Plan, is \$50. The maximum investment per year you can make under the Plan is \$100,000. (Like other provisions of the Plan, these limits are subject to change from time to time.)

How Can I Reinvest My Dividends?

You can choose to reinvest all or a portion of the dividends paid on the shares of our common stock that are registered in your name under the Plan. All dividends on shares in your Plan account will be reinvested, including those attributable to fractional shares in your account, net of any applicable tax withholding. Purchase of the additional shares will be made as soon as practicable after the dividend payment date. Unless you indicate otherwise on the Plan Enrollment Application, your dividends will be reinvested automatically. If you choose not to reinvest any of your dividends, the Plan Administrator will remit the net dividends directly to you in cash at the same time as they are paid to other shareholders. We will pay all service and brokerage commissions associated with the reinvestment of dividends under the Plan.

If you choose to receive cash dividends on all your shares, your cash dividends can be wired directly to your bank account. In order to take advantage of this option, your bank or financial institution must be a part of Automated Clearing House, or "ACH". If you are interested in this option, please call the Plan Administrator at (800) 278-4353 and request forms for Direct Deposit of Dividends.

You can change your dividend reinvestment instructions at any time by sending a new Plan Enrollment Application to the Plan Administrator. Any instruction changes must be received by the Plan Administrator on or before the record date for that dividend.

How Does the Plan Administrator Purchase the Shares?

The Plan Administrator will commingle cash contributions and net dividends from all participants to purchase shares of our common stock in the open market on the American Stock Exchange, or on whatever other exchange we may in the future choose for the trading of our common stock. The Plan Administrator usually makes purchases through a broker. Your account will be credited for the full and fractional shares purchased on your behalf.

The price per share of our common stock cannot be determined until a particular purchase is completed. For optional cash contributions, purchases are made at least weekly, and depending on the volume, as frequently as daily.

The Plan Administrator will send you transaction advice as soon as practicable after each investment showing the relevant purchase price and the number of shares credited to your account. You may also view your transaction history online. In addition, you will receive a quarterly statement showing all year-to-date transaction activity. You should retain these documents for tax purposes.

For your convenience, statements and transaction confirmation notices will have tear-off forms that can be filled out with your instructions regarding certificate issuance, purchase, certificate deposit, sale, and account termination. Your instructions will be honored as soon as practicable after the Plan Administrator receives them in acceptable form.

How Does the Plan Provide for Safekeeping of Certificates?

Edgar Filing: TOMPKINS TRUSTCO INC - Form S-3D

If you already own shares of our common stock in certificated form – meaning you actually hold the physical certificates representing those shares – you may elect to deposit the stock certificates into your Plan account for safekeeping with the Plan Administrator. These shares will be credited to your account in book-entry form. You may, however, request a new stock certificate at any time. We will pay all fees for issuing or canceling certificates under the Plan.

To deposit certificates, simply send them to the Plan Administrator along with your completed, signed Plan Enrollment Application. The certificates and Plan Enrollment Application should be insured for 2% of the total value of the shares to protect against loss in transit, and must either be endorsed on the back or be accompanied by a signed stock power signed by all owners of the shares.

May I Resell My Shares?

You may instruct the Plan Administrator to sell any or all shares of our common stock held in your account. Simply complete and sign the tear-off portion of your account statement or transaction confirmation notice and mail it to the Plan Administrator. Be certain that all participants named on the account sign the instructions. Signatures should be guaranteed by a bank, broker or financial institution which is a member of the Medallion Signature Guarantee Program. If you have questions, you may call the Plan Administrator's toll-free number (1-877-573-4008) or log on to its website at www.investpower.com.

As with purchases, the Plan Administrator aggregates all sale requests for our common stock and then sells the total number of shares on the open market through a broker. The Plan Administrator makes these sales at least weekly, and depending on volume, may make sales as frequently as daily. The selling price cannot be known until each sale is completed. The proceeds of the sale, less a brokerage commission of \$.10 per share, will be sent to you by check within four days following the sale.

You should be aware that the trading price for our common stock may fall or rise during the period between your request for sale, the Plan Administrator's receipt of that request, and the ultimate sale of shares on the open market. Instructions sent to the Plan Administrator to sell shares may not be rescinded.

Can I Request a Stock Certificate?

You may at any time request the Plan Administrator to issue you a physical certificate for some or all of the shares held in your Plan account. Just fill out and sign the tear-off portion of your account statement or transaction confirmation notice and send it to the Plan Administrator at the address on page 2, go to www.investpower.com and log into your account, or call the Plan Administrator's toll-free telephone number (1-877-573-4008) for further information.

How Can I Transfer Shares to Other Accounts?

You may give shares from your Plan account to others as gifts at any time. Transfers by gift can be made in book-entry form or by delivery of the actual certificates representing the shares. To make a gift of shares of our common stock, contact the Plan Administrator at its toll free number (1-877-573-4008).

You may also make a "book-to-book" transfer of shares of our common stock, which involves transferring shares from your Plan account to a new participant's Plan account. To make a "book-to-book" transfer, you must call the Plan Administrator at its toll-free telephone number (1-877-573-4008) to request a copy of this Plan prospectus and a Plan Enrollment Application, then complete the Plan Enrollment Application, providing the full registration name, address and social security number of the new participant or participants.

Edgar Filing: TOMPKINS TRUSTCO INC - Form S-3D

The completed Plan Enrollment Application should be sent along with a written request indicating the number of shares, full and fractional, which should be transferred to the new participant. If the shares are held by more than one person, all participants named on the current account should sign the instructions, and their signatures should be guaranteed by a bank, broker or financial institution which is a member of the Medallion Signature Guarantee Program.

7

Unless you direct otherwise on the Plan Enrollment Application, the Plan Administrator will enroll the transferred shares for automatic dividend reinvestment.

How Can I Terminate My Participation in the Plan?

You may withdraw from the Plan at any time by submitting a notice of termination to American Stock Transfer & Trust Company. Just mail in the tear-off portion of any account statement or transaction advice, properly completed with your withdrawal instructions. Upon withdrawal, the Plan Administrator will issue you a certificate for the full number of shares held in your Plan account, and any fractional shares held in the Plan will be sold on the open market. Alternatively, you may direct the Plan Administrator to sell any or all of the shares in your account. If the total number of shares in your Plan account is less than one share, any remaining fractional shares will be sold and your account closed. You will receive a check for the proceeds from the sale of any shares from your Plan account based on the current market value, less a \$.10 per share brokerage commission and a service fee of \$15.00. After your account is closed, cash dividends on any shares you hold in certificated form will be sent to you at the address you provide, or automatically deposited in your bank account in accordance with your instructions.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Sections 721-725 of the New York Business Corporation Law generally provide for or permit a corporation to indemnify its directors and officers against liabilities they may incur in such capacities provided certain standards are met, including good faith and the reasonable belief that the particular action was in, or not opposed to, the best interests of the corporation.

The registrant's certificate of incorporation and bylaws provide that directors and officers of the registrant shall be indemnified, to the fullest extent permitted by the Business Corporation Law, against judgments, fines, amounts paid in settlement and reasonable expenses (including attorneys' fees) incurred by them in connection with actions to which they are, or are threatened to be made, parties. If a director or officer is not successful in the defense of an action, he or she is entitled to indemnification, under the registrant's bylaws and the relevant provisions of law, if ordered by a court or if the board of directors, acting upon the written opinion of independent counsel, determines that the director or officer acted in good faith for a purpose which he reasonably believed to be in the best interest of the registrant and, in criminal actions, had no reasonable cause to believe his conduct was unlawful. In connection with actions by or in the right of the registrant (derivative suits) as to which the director or officer is not successful, indemnification is permitted for expenses and amounts paid in settlement only if and to the extent that a court of competent jurisdiction deems proper, and indemnification for adverse judgments is not permitted.

Under the registrant's certificate of incorporation and applicable provisions of law, the board of directors or the registrant may advance expenses to a director or officer before final disposition of an action or proceeding upon receipt of an undertaking by the director or officer to repay the amount advanced if he or she is ultimately found not to be entitled to indemnification with respect thereto.

The registrant's certificate of incorporation also provides that, to the fullest extent permitted by law, subject only to the express prohibitions on limitations of liability set forth in Section 402(b) of the Business Corporation Law, a director of the registrant shall not be liable to the registrant or its shareholders for monetary damages for any breach of duty as a director.
