PROXY STATEMENT

The Board of Directors of Escalade, Incorporated (hereinafter referred to as “Escalade” or the “Company”), headquartered at 817 Maxwell Avenue, Evansville, Indiana 47711 Ph: (812) 467-4449, is soliciting proxies, the form of which is enclosed, for the Annual Meeting of Stockholders to be held on Friday, April 27, 2012, at 8:00 a.m. Eastern Time at the Renaissance Indianapolis North Hotel, Room Carmel V, located at 11925 N. Meridian Street, Carmel, Indiana 46032. Each of the 12,891,757 shares of common stock outstanding on February 22, 2012 is entitled to one vote on all matters acted upon at the meeting and only stockholders of record on the books of the Company at the close of business on February 22, 2012 will be entitled to vote at the meeting, either in person or by proxy.

The shares represented by all properly executed proxies received by the Company will be voted as designated and each not designated will be voted affirmatively. Unless discretionary authority is withheld, all other matters coming before the meeting will be voted according to the best judgment of the proxies. Any proxy given by a stockholder of record may be revoked at any time before it is voted, by written notice to the Company’s Secretary, by execution of a later dated proxy, or by a personal vote at the Annual Meeting. This proxy statement is being mailed to stockholders on or about March 23, 2012.

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally by mail, but may also be solicited by directors, officers, and other regular employees of the Company, who will receive no compensation in addition to their regular salaries. Bankers and others who hold stock in trust will be asked to send proxy materials to the beneficial owners of the stock, and the Company may reimburse them for their expenses.

The holders of a majority of the Company’s outstanding common stock must be present or represented by proxy at the Annual Meeting to constitute a quorum.

The three (3) nominees receiving the greatest number of votes cast at the Annual Meeting upon the presence of a quorum will be elected as directors. A properly executed proxy marked “Withhold Authority to Vote” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. The persons named as proxies in the enclosed proxy will vote for the election of the nominees named below unless authority to vote is withheld.

For each other item presented at the Annual Meeting, the affirmative vote of the holders of a majority of the Company’s shares present or represented by proxy at the Annual Meeting and entitled to vote on the item will be required for approval. A properly executed proxy marked “Abstain” with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes” will be counted in determining whether there is a quorum.

The Annual Report of the Company for its fiscal year 2011 is being mailed to you with this proxy statement, but such report and financial statements are not a part of this proxy statement.

ITEM NO. 1

ELECTION OF DIRECTORS

The Board of Directors voted to set the size of the Board at seven (7) members. Four of the Directors currently serving on the Board were elected to two-year terms at the 2011 Annual Meeting of Stockholders, with terms ending at the 2013 Annual Meeting. Three of the Directors currently serving on the Board were elected to two-year terms at the 2010 Annual Meeting of Stockholders, with terms ending at this 2012 Annual Meeting. These three Directors are George Savitsky, Richard D. White, and Edward E. Williams, who have been nominated by the Board for re-election. Each nominee elected at the 2012 Annual Meeting will serve a two-year term, expiring at the 2014 Annual Meeting. The Board of Directors unanimously recommends that Messrs. Savitsky, White and Williams be re-elected as Directors.

Director candidates are nominated by the independent members of the Board of Directors, as the Company does not believe that it is necessary to have a separate Nominating Committee, as such nominations are handled by the full Board. The Board has determined that a potential candidate to be nominated to serve as a director should have the following primary attributes: high achievement expectations with regard to increasing stockholder value; uncompromising position on maintaining ethics; conservative attitude towards financial accounting and disclosure; and should be a stockholder of the Company to bring the perspective of a stockholder to the Board. The Board believes that the composition of the Board as a whole should reflect diversified experience, education and skills in manufacturing, consumer product sales and marketing, investment banking, accounting and finance, exporting to global markets, and knowledge of the Company's culture. The Board further believes that gender, age and ethnic diversity can enhance the overall perspectives of the Board and of management. The Board takes all of these diversity factors into account when considering individual director candidates.

To date, the Board has not deemed it necessary to engage a third party search firm to assist in identifying suitable candidates for directors, but has the authority to do so in the future. No fees were paid to any such search firm in connection with the nominees for directors named in this proxy statement. The Board believes that the existing Board members and executive management of the Company have sufficient networks of business contacts that will likely form the candidate pool from which nominees will be identified. Once a candidate is identified, as many members of the Board as feasible will meet with such candidate and the Board as a whole subsequently will evaluate the candidates using the criteria outlined above. The independent Board members will then make the final determination of whether or not to nominate the candidate.

Under the Company's Bylaws, director nominations may be brought at an annual meeting of stockholders only by or at the direction of the Board of Directors or by a stockholder entitled to vote who has submitted a nomination in accordance with the requirements of the Company's Bylaws as in effect from time to time. To be timely under the Bylaws as now in effect, a stockholder notice must be delivered to the Company's Secretary at the principal executive offices in Evansville, Indiana not less than ninety (90) days prior to the first anniversary of the preceding year's annual meeting of stockholders. Under this provision, nominations for this year's Annual Meeting were due by January 29, 2012. The Company has received no proposals for this Annual Meeting.

Action by the stockholders is not required by law in the appointment of an independent registered public accounting firm, but their appointment is submitted by the Audit Committee of the Board of Directors in order to give the stockholders a voice in the designation of auditors. If the proposal approving BKD, LLP as the Company's independent registered public accounting firm is rejected by the stockholders, then the Committee will reconsider its choice of independent auditors. Even if the proposal is approved, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Ratification of the appointment of BKD, LLP as our independent registered public accounting firm for 2012 requires the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. If you are a street name stockholder and do not vote your shares, your bank, broker or other nominee can vote your shares at its discretion on the proposal to ratify the appointment of the independent registered public accounting firm.

ITEM NO. 3

RE-APPROVAL OF THE PERFORMANCE CRITERIA AND GOALS UNDER THE ESCALADE, INCORPORATED 2007 INCENTIVE PLAN

Subject to stockholder approval, the Company’s Board of Directors has approved and adopted, based on the recommendation of the Board’s Compensation Committee, a resolution to continue to use the performance criteria and goals set forth in Section 10.2 of the Escalade, Incorporated 2007 Incentive Plan (the “Plan”). Once every five years, Section 162(m) of the Internal Revenue Code (“IRC”) requires the Company to obtain stockholder approval of the metrics used or potentially used to measure performance under its equity incentive compensation plans in order for the Company to retain deductibility of certain “performance-based” compensation expenses for tax purposes.

Section 162(m) of the Code disallows federal income tax deductions for certain compensation in excess of \$1,000,000 per year paid to each of the Company’s Chief Executive Officer and its other four most highly compensated executive officers (collectively, the “Covered Employees”). Under Section 162(m), compensation that qualifies as “other performance-based compensation” is not subject to the \$1,000,000 deduction limit. In addition to the annual limitations on awards described above, another condition necessary to qualify certain incentive awards (other than SARs and stock options, which are treated as “other performance-based compensation”) as “other performance-based compensation” is that the material criteria relating to the performance goals under which the award is made must be disclosed to, and approved by, the stockholders of the Company before the incentive compensation is paid.

For those types of awards under the Plan intended to meet the definition of “other performance-based compensation” the Compensation Committee will establish performance goals with respect to an award based upon one or more of the following performance criteria: net sales; revenue; revenue growth or product revenue growth; operating income (before or after taxes); pre- or after-tax income (before or after allocation of corporate overhead and bonus); earnings per share; net income (before or after taxes); return on equity; total shareholder return; return on assets or net assets; appreciation in and/or maintenance of the price of the shares or any other publicly-traded securities of the Company; market share; gross profits; earnings (including earnings before taxes, earnings before interest and taxes, earnings before interest, taxes and amortization, or earnings before interest, taxes, depreciation and amortization); economic

value-added models or equivalent metrics; comparisons with various stock market indices; reductions in costs; cash flow or cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; improvement in or attainment of expense levels or working capital levels; operating margins, gross margins or cash margin; year-end cash; debt reductions; shareholder equity; market share; regulatory achievements; and implementation, completion or attainment of measurable objectives with respect to research, development, products or projects, production volume levels, acquisitions and divestitures and recruiting and maintaining personnel. Such performance goals also may be based solely by reference to the Company's performance or the performance of a subsidiary, division, business segment or business unit of the Company, or based upon the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. The Compensation Committee may also exclude charges related to an event or occurrence which the Committee determines should appropriately be excluded, including (a) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (b) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or (c) the cumulative effects of tax or accounting changes in accordance with U.S. generally accepted accounting principles.

Such performance goals shall be set by the Compensation Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code, and the regulations thereunder. At the end of each performance period for an award to Covered Employees, the Compensation Committee will determine and certify the extent to which the performance goal established for the performance period has been achieved and determine the amount to be paid, vested or delivered as a result thereof, provided the Compensation Committee may, in its sole discretion, reduce or eliminate such amount to the extent permitted under the Plan and applicable law.

The proposal to re-approve the performance criteria and goals under the Plan is contained in the resolution attached to this proxy statement as Annex 1 and will be submitted to the stockholders for adoption at the Annual Meeting. A copy of the Plan, as it currently exists prior to the amendment described in Item 4 below, is attached to this Proxy Statement as part of Annex 1 and can also be reviewed on the SEC's website at www.sec.gov.

The affirmative vote of a majority of the votes entitled to be cast by the holders of the Company's Common Stock present or represented at the Annual Meeting and entitled to vote thereon is required to re-approve the performance criteria and goals. Abstentions from voting on this particular proposal are treated as votes against, while shares not voted by brokers on any matters presented to stockholders will have no effect on the adoption of this proposal.

The Board of Directors unanimously recommends that you vote "FOR" Proposal 3 relating to the re-approval of the performance criteria and goals under the Escalade, Incorporated 2007 Incentive Plan.

ITEM 4

APPROVAL OF AMENDMENT TO ESCALADE, INCORPORATED 2007 INCENTIVE PLAN, PROVIDING FOR THE ISSUANCE OF UP TO AN ADDITIONAL ONE MILLION FIVE HUNDRED THOUSAND SHARES THEREUNDER

Subject to stockholder approval, the Company's Board of Directors has approved and adopted an amendment to the Escalade, Incorporated 2007 Incentive Plan (the "Plan") based on the recommendation of the amendment by the Board's Compensation Committee. At March 23, 2012, there were 104,742 remaining shares of Common Stock available for issuance upon the grant of additional awards under the Plan. The purpose of the amendment is to increase the number of shares eligible for issuance under the Plan from one million (1,000,000) shares to two million five hundred thousand (2,500,000) shares of Common Stock. Upon approval of the amendment, there will be 1,604,742 shares of Common Stock then available for issuance under the Plan.

The Company believes that equity is a key element in the Company's compensation package because equity awards encourage employee loyalty and align employee interests directly with those of stockholders. The Company also

believes that equity awards to non-employee Directors helps recruit and retain Directors and align the Director's interests directly with those of stockholders.

The Compensation Committee and Board of Directors typically make awards under the Plan in late February or March of each year. At its March 2012 meeting, the Board of Directors approved the grant of stock options to the Company's executive officers and employees in the aggregate amount of 200,000 shares. Because such number of shares would exceed the number of shares currently available for grant under the Plan, all such grants were conditioned upon stockholder approval of this proposed amendment. The following table shows the awards that will be made to the Company's executive officers if the amendment is approved.

The affirmative vote of a majority of the votes entitled to be cast by the holders of the Company's Common Stock present or represented at the Annual Meeting and entitled to vote thereon is required to approve the amendment to the Plan. Abstentions from voting on this particular proposal are treated as votes against, while shares not voted by brokers on any matters presented to stockholders will have no effect on the adoption of this proposal. Such vote will also satisfy the stockholder approval requirements of Section 422 of the Internal Revenue Code with respect to the grant of incentive stock options under the Plan.

The Board of Directors unanimously recommends that you vote “FOR” Proposal 4 relating to the approval of the Amendment to Escalade, Incorporated 2007 Incentive Plan.

BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

To the best of the Company’s knowledge, all of the Company’s directors, officers and 10% or more stockholders have timely filed with the Securities and Exchange Commission all reports required to be so filed pursuant to Section 16 of the Securities Exchange Act of 1934 for fiscal 2011, with the exception of one late Form 4 filing for each of Messrs. Robert Griffin, Baalman, and White in connection with their receipt of third quarter 2011 equity compensation as part of their director fees, and one late Form 4 filing for Mr. Edward E. Williams following the sale and subsequent re-acquisition of shares owned by the PAW Family Partnership LP, of which Mr. Williams is a general partner. All such Form 4s were subsequently filed. In addition, Mr. Williams’ ownership of Escalade stock through the PAW Family Partnership was not previously included on his initial Form 3 filing. Mr. Williams filed a late Form 5 to correct his initial Form 3 filing.

BOARD OF DIRECTORS, ITS COMMITTEES, MEETINGS, AND FUNCTIONS

The Board of Directors of the Company currently consists of seven members. There are four independent members on the Board (Edward E. Williams, Richard D. White, George Savitsky and Richard F. Baalman, Jr.), two members who currently serve as executive officers of the Company (Robert J. Keller and Patrick J. Griffin), and one member who is a past executive officer (Robert E. Griffin).

During 2011, all Directors attended 100% of all regular meetings of the Board of Directors and the committees on which they served. The Board of Directors had five meetings and the independent directors held regular executive sessions in conjunction with four of the Board meetings. The Board has not designated a lead or presiding director to chair executive sessions.

Stockholders may communicate directly with the Board of Directors in writing by sending a letter to the Board at: Escalade, Incorporated, 817 Maxwell Avenue, Evansville, Indiana 47711. All communications directed to the Board will be received and processed by the Company’s office of the Chief Financial Officer and will be transmitted to the Chairman of the Audit Committee without any editing or screening by such office.

Board Leadership Structure

The Board has placed responsibilities on the Chairman of the Board separate from President and CEO as it believes this provides better accountability between the Board and the management team. The Board believes it is better to have a separate Chairman, whose responsibility is to lead the Board members as they provide leadership to the executive team. This responsibility includes facilitating communication among the directors; setting the Board meeting agendas in consultation with the President and CEO; and presiding at Board meetings and stockholder meetings. This delineation of duties allows the President and CEO to focus his attention on managing the day-to-day business of the Company. The Board believes this structure provides strong leadership for the Board, while positioning the President and CEO as the leader of the Company in the eyes of customers, employees and stockholders.

Currently, Mr. Robert Griffin serves as the Chairman of the Board, but he is not considered an independent director due to his prior employment with the Company and his family relationship to Mr. Patrick Griffin. Mr. Griffin retired as an executive officer and employee of the Company on April 30, 2010. Given the small size of the Board, the independent directors have a clear voice and direct access to both the Chairman of the Board and the President and CEO. The independent directors meet in executive session on a regular basis, with the discussions being led by the independent director who raises the specific topic(s) being considered in such executive sessions. Accordingly, the Board has not deemed it necessary to designate an independent Chairman of the Board nor to establish a formal structure to ensure that independent ideas are raised and fully discussed, because the Board believes that the current structure already satisfies those objectives.

Risk Oversight of the Company

The Audit Committee is primarily responsible for overseeing the Company’s risk management processes on behalf of the full Board by monitoring company processes for management’s identification and control of key business, financial and regulatory risks. The Audit Committee receives a report from management annually regarding the Company’s assessment of risks and meets in executive session with the Chief Financial Officer each quarter. In addition, the Audit Committee reports regularly to the full Board, which also considers the Company’s risk profile. The Audit Committee and the full Board focus on the most significant risks facing the Company and review the Company’s risk appetite. Management is responsible for the day-to-day risk management processes. The Company has structured the reporting relationship through the Chief Financial Officer who reports functionally to the Audit Committee. The Board believes this division of responsibilities is the most effective approach for addressing the risks facing the Company and the Board leadership structure supports this approach.

Code of Ethics

The Board of Directors has adopted the Escalade, Incorporated Code of Business Conduct and Ethics (“Code”) which may be found on the Company’s website at: www.escaladeinc.com/Code_of_Conduct.aspx. All employees and Directors of the Company are subject to compliance with the Code.

Committees

The Company has two standing committees, each composed entirely of independent directors. As discussed above, the Board of Directors has no nominating committee. Current committee assignments are detailed in the following table.

Name	Audit Committee	Compensation Committee
Edward E. Williams	Member	
George Savitsky	Chairman(1)	Member
Richard D. White		Chairman(1)
Richard F. Baalman, Jr.	Member(1)	Member

(1) Determined by the Board to be audit committee financial experts.

Audit Committee

The Audit Committee as a whole held thirteen meetings in 2011. At four of those meetings the Committee met with the independent auditors and management to review the interim financial information contained in each quarterly earnings announcement and the annual results. The main functions performed by the Audit Committee are to (1) review with the independent auditors their observations on internal controls of the Company and the competency of financial accounting personnel, (2) review with the chief financial officer and independent auditors, the accounting for specific items or transactions as well as alternative accounting treatments and their effects on earnings, (3) engage the firm of independent certified public accountants to be hired by the Company and review that firm's independence, and (4) approve all audit and non-audit services performed by the Company's independent auditors. The Board of Directors has adopted a written charter for the Audit Committee which can be found on the Company's website at: www.escaladeinc.com/Audit_Committee_Charter.pdf.

Compensation Committee

The Compensation Committee held four meetings in 2011 and held several informal sessions to review salaries and compensation levels within the Company. The Compensation Committee is also responsible for awards of stock options and restricted stock units. The Board of Directors has not adopted a written charter for the Compensation Committee.

Director Compensation

During 2011, each non-employee director of Escalade, Incorporated received an annual retainer of \$25,000 with the exception of the Chairman of the Board who received an annual retainer of \$88,889. Each member of the Audit Committee received an additional annual fee of \$5,000 except for the Audit Committee Chairman who received \$15,000. Each member of the Compensation Committee received an additional annual fee of \$3,000 except for the Compensation Committee Chairman who received \$10,000. Independent directors receive an additional fee of \$1,000 per board meeting attended in excess of eight meetings per year. Members of the Audit Committee and Compensation Committee receive additional fees of \$1,000 per committee meeting attended in excess of six and four meetings, respectively. From time to time, a committee may request that a director who is not a member of that committee participate in additional meetings held for special purposes. Under these circumstances the non-committee member director is compensated similarly to the committee member directors. Each non-employee board member received 7,500 stock options in 2011.

Under the terms of the Escalade, Incorporated 2007 Incentive Plan, Directors can elect to receive some or all of the fees earned in shares of the Company's common stock, or in the form of restricted stock units or stock options which vest after one year. In 2011, there were 26,965 shares issued pursuant to the plan. In 2011, Messrs. Griffin and White opted to receive 100% of their board compensation in shares of common stock. Mr. Williams elected to receive 100% of his board compensation in cash. Mr. Baalmann elected to split his compensation between cash and stock.

The following table summarizes the compensation earned by or awarded to each director who served on the Board of Directors during 2011. Compensation for Mr. Robert Keller and Mr. Patrick Griffin is reflected in the "Executive Compensation - Summary Compensation Table."

(4) The options included are those outstanding at December 31, 2011.

2012 Director Compensation

In 2012, the Board reviewed the compensation of the non-employee Directors and voted to approve changes to the annual retainer, effective with payments issued for the first quarter of 2012. Each non-employee Director will receive an annual retainer of \$35,000, with the exception of the Chairman of the Board who will receive a retainer of \$90,000. In addition, each non-employee board member received 7,500 stock options in 2012. All other elements of compensation for the non-employee Directors remains the same as in 2011 as described above.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter as adopted by the Board of Directors (“Board”), the Audit Committee of the Board (“Committee”) assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Escalade. All of the Committee members are independent directors as defined under NASDAQ rules. During fiscal year 2011, the Committee met four times to discuss the interim financial information contained in each quarterly earnings announcement and the annual results with the Chief Financial Officer and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed and considered whether the provision of non-audit services by the Company's auditors is consistent with the auditors' independence. The Audit Committee has determined that the provisions of such services are consistent with the auditors' independence. The Committee also discussed with management, and the independent auditors the quality and adequacy of Escalade's internal controls. The Committee reviewed with the independent auditors their audit plan, audit scope and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Committee reviewed the audited financial statements of Escalade as of and for the year ended December 31, 2011, with management and the independent auditors. Management has the responsibility for the preparation of financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that Escalade's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2011, for filing with the Securities and Exchange Commission.

George Savitsky, Chairman Edward E. Williams Richard F. Baalman, Jr.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed with the Company's management the Compensation Discussion and Analysis ("CD&A") as well as the accompanying tables set forth below. Based on that discussion, the Committee recommended to the Board of Directors that the CD&A be included in this proxy statement and incorporated into the Company's Annual Report on Form 10-K for the Company's fiscal year ended December 31, 2011.

Richard D. White, Chairman Richard F. Baalman, Jr. George Savitsky

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In 2011, all members of the Compensation Committee were independent directors and served the full year. No other director or executive officer of the Company serves on any board of directors or compensation committee of any entity that compensates any of Messrs. White, Baalman, and Savitsky.

COMPENSATION DISCUSSION AND ANALYSIS (CD&A)

Compensation Philosophy

The Company's philosophy in setting compensation policies for its named executive officers is to align pay with performance, while at the same time providing competitive compensation that allows the Company to retain and attract executive talent. The Compensation Committee, composed entirely of independent Directors, establishes, approves and evaluates the Company's compensation policies applicable to the named executive officers.

Throughout this proxy statement, all references to the “named executive officers” means Robert J. Keller, Deborah J. Meinert, and Patrick J. Griffin, the individuals identified under “EXECUTIVE COMPENSATION – Summary Compensation Table.” Throughout 2011, Mr. Keller served as the Company’s Chief Executive Officer, Ms. Meinert served as the Company’s Chief Financial Officer, and Mr. Patrick Griffin served as President of the Martin Yale Group.

The Compensation Committee strongly believes that executive compensation should be directly linked to continuous improvements in corporate performance and increases in stockholder value. Consequently the Compensation Committee has adopted the following guidelines for use in evaluating executive compensation:

- Provide a competitive total compensation package that enables the Company to attract and retain key executive talent;
- Align all pay programs with the Company’s annual and long-term business strategies and objectives; and
- Provide a mix of base and performance-leveraged variable compensation that directly links executive compensation to the performance of the Company and stockholder return.

Compensation Program; Mix of Pay Components

Consistent with the above philosophy, the Compensation Committee currently utilizes the following components of compensation for the Company’s named executive officers:

- Base salary;
- Annual incentive cash bonuses;
- Long-term equity incentives, historically in the form of stock options and/or restricted stock units; and
- Health, welfare and other benefits

Executive compensation is based on a pay-for-performance philosophy. Consequently, a significant portion of annual and long-term compensation for the named executive officers is at-risk. This provides additional upside potential and downside risk for the Company’s Chief Executive Officer and Chief Financial Officer, recognizing that the individuals serving in these roles have greater influence on the performance of the Company.

Other than employees working under a collective bargaining agreement, all employees of the Company, including the named executive officers, are employed at will, without employment agreements, severance payment arrangements or change in control agreements.

The Role of the Compensation Committee and Method of Determining Amount of Total Compensation

The Compensation Committee is responsible for the approval and administration of compensation programs for the named executive officers. The Committee focuses on the attraction and retention of key executives and, when making decisions, considers the Company's compensation philosophy, the achievement of business goals set by the Company, the competitive environment in which the Company competes for talent, how the Company is positioned for the future, and recommendations made by the Company's Chairman and Chief Executive Officer. While the Committee primarily focuses on compensation for the named executive officers, the Committee also reviews the compensation of certain other key employees, such as the subsidiary and division heads, and the appropriateness and fairness of the allocation of annual incentive compensation among the participants in such plans at the subsidiary level.

For 2011, the Committee reviewed all compensation components for the Company's named executive officers and together with the Board of Directors, reviewed and evaluated the level of performance of the Company and of each executive officer, including the Chief Executive Officer and Chief Financial Officer, in order to determine current and future appropriate compensation levels. In addition, the Committee conducted an annual review of the Company's compensation philosophy to ensure that it remains appropriate given the Company's strategic objectives. The Committee may engage compensation consulting firms in the future but did not deem it necessary in 2011.

Except for the Escalade, Incorporated 2007 Incentive Plan which was approved by stockholders at the 2007 Annual Meeting, the Compensation Committee does not participate in any programs which they administer.

Role of Executive Officers in Compensation Decisions

Mr. Robert Griffin, the Company's Chairman, occasionally participates in Compensation Committee meetings and discussions regarding the compensation of the Company's other named executive officers, but does not make any recommendations regarding his own compensation or the compensation of Mr. Patrick Griffin. Consistent with the Committee's past practices, Mr. Keller, as the Company's Chief Executive Officer, will make recommendations regarding the compensation for the Company's Chief Financial Officer, but will not make recommendations for either himself or Mr. Robert Griffin. Although the Committee considers recommendations by Messrs. Robert Griffin and Robert Keller along with data provided by its other advisors, the Committee retains full discretion to set all compensation for the Company's named executive officers.

Base Salary

The Compensation Committee seeks to compensate the named executive officers competitively within the industry while at the same time designing compensation components that base a significant portion of total compensation on performance. In general, base salary levels are set at the beginning of each year at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executives when considered with the other components of the Company's compensation structure. The primary considerations in determining whether base salaries will be adjusted is the Company's income level generated in the previous year and any changes in level of responsibility. The Compensation Committee also subjectively reviews the individual performance of each named executive officer, based on the performance of the Company and the individual's level of contribution towards that performance.

Accordingly, for fiscal 2011 the Compensation Committee established base salaries for the Company's key executives with the intent to motivate performance by providing significant upside potential through incentive compensation and less on guaranteed compensation in the form of salaries. The Compensation Committee does not target any specific benchmark for base salary levels for its key executives compared to comparable companies within the Company's industries. The Compensation Committee considered the scope of and accountability associated with each executive officer's position in addition to such factors as the performance and experience of each executive officer when setting base salary levels for fiscal 2011.

In 2011, the Compensation Committee established a new base salaries of \$300,000 for Robert J. Keller, the Company's Chief Executive Officer, and \$150,000 for Deborah J. Meinert, the Company's Chief Financial Officer. The Committee made no change to the base salary of \$120,000 for Patrick J. Griffin, the President of Martin Yale Group. The Compensation Committee believed that such salaries were warranted for each such officer based primarily on the Company's performance and their contribution to such results.

For 2012, the Compensation Committee has established new base salaries for Mr. Keller, Ms. Meinert, and Mr. Patrick Griffin at \$308,300, \$155,000, and \$123,800 respectively.

Annual Cash Incentive Bonus

The Compensation Committee has established a profit incentive plan that provides for the payment of cash bonuses if certain performance targets are achieved. Under the plan, the Compensation Committee establishes target performance levels early in each fiscal year, subject to potential changes that the Committee may determine appropriate. Virtually all employees are eligible to participate in the profit incentive plan. In conjunction with the completion of the Company's annual audited financial statements, the bonus pool is finalized based on actual results achieved. Allocation of the bonus pool to individual executive officers is determined at the Compensation Committee's discretion based upon a review of the overall Company's performance relative to budget, the Company's strategic position, and individual executive officer's performance relative to budget. There are no pre-defined methods for allocating the bonus pool to any of the Company's executive officers.

For 2011, the business results exceeded the minimum threshold for generating a bonus pool for the Sporting Goods division, but fell short of achieving the performance results required for the Information Security and Print Finishing Division. A bonus pool of \$1.5 million was approved by the Compensation Committee for payment in March of 2012. The Compensation Committee compared actual results to pre-established financial and operational objectives set early in the year for Mr. Keller and approved a performance bonus of \$276,000, or 92% of his 2011 base salary. The Compensation Committee considered the recommendation from Mr. Keller for the CFO position, which was based on a similar criteria assessment. The Committee approved a performance bonus of \$100,000 for Ms. Meinert.

Long Term Equity Incentives

Each year, the Compensation Committee determines the amount and character of any long term equity incentive grants to the Company's executive officers and other eligible employees. The Committee considers equity grants to be an effective incentive to encourage stock ownership by officers and key employees increasing their proprietary interest in the success of the Company. At the 2007 Annual Meeting, stockholders approved the Escalade Incorporated 2007 Incentive Plan ("2007 Incentive Plan") which provides a broader array of long-term incentive awards for grant to the Company's employees, including the Chief Executive Officer and Chief Financial Officer. In 2011, the Compensation Committee determined that granting stock options was the best method of satisfying the Committee's compensation philosophy and objectives of directly connecting long term incentives to achieving long term performance objectives. Accordingly the Company granted 40,000 to Mr. Keller, 18,500 to Ms. Meinert, and 13,000 to Mr. Patrick Griffin.

The stock options granted to Mr. Keller, Ms. Meinert, and Mr. Griffin vest at the rate of 25% per year for four years provided that the named executive is still employed by the Company. The exercise price of the stock options was \$6.07 per share, the closing price of the stock on March 1, 2011. The options expire in five years.

In March 2012, the Compensation Committee approved stock option awards based on the performance results of 2011. The Company granted 40,000 stock options to Mr. Keller, 23,000 stock options to Ms. Meinert, and 8,000 stock options to Mr. Patrick Griffin. The exercise price of the stock options was \$5.28 per share, the closing price of the stock on March 2, 2012. The options vest 25% per year for four years, and expire in five years.

Health, Welfare and Other Benefits

The Company provides medical, life, 401(k) plan and similar benefits to all of its salaried employees, including the named executive officers. In addition, Mr. Patrick J. Griffin receives reimbursement of living expenses related to maintaining his residence in Germany. None of these benefits discriminate in scope, terms or operation in favor of the named executive officers.

Tax and Accounting Considerations

As necessary, the Compensation Committee reviews accounting and tax laws, rules and regulations that may affect the Company's compensation plans. However, tax and accounting considerations have not significantly impacted the compensation programs offered to the Company's executives. Section 162(m) of the Internal Revenue Code generally

provides that certain compensation in excess of \$1 million per year paid to a company's chief executive officer and any of its four other highest paid executive officers is not deductible by a company unless the compensation qualifies for an exception. Based on the Compensation Committee's past compensation practices, the Committee does not currently believe that Section 162 (m) will adversely affect the Company's ability to obtain a tax deduction for compensation paid to its named executive officers.

Potential Payments upon Termination or Change in Control

Other than benefits that are generally available to all other salaried employees of the Company, the named executive officers have no agreements that would provide them with any cash payments upon termination of employment with the Company.

Upon a change in control of the Company, as defined in the Escalade, Incorporated 2007 Incentive Plan (approved by the Company's stockholders at the 2007 annual meeting), the vesting of all outstanding, unvested stock options would be accelerated. This is true for all stock option recipients, not just the named executive officers. Based upon the closing stock price of the Company's common stock as of December 31, 2011 (\$4.43), Mr. Keller, Ms. Meinert, and Mr. Patrick Griffin would potentially receive value for unexercised stock options of approximately \$915,781. Mr. Keller's options have a value of \$550,888 (\$473,750 expiring March 31, 2014 and \$77,138 expiring February 26, 2015), Ms. Meinert's options have a value of \$209,119 (\$170,550 expiring March 31, 2014 and \$38,569 expiring February 26, 2015), and Mr. Patrick Griffin's options have a value of \$155,775 (\$113,700 expiring March 31, 2014 and \$42,075 expiring February 26, 2015). The potential value of unexercised stock options is computed as the difference between the exercise price and the closing stock price multiplied by the number of shares. Options with exercise prices higher than the closing market price are not included in the calculation.

The Committee shall have full power and authority, subject to the provisions of the Plan and subject to such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board, to: (i) select the Employees and Directors to whom Awards may from time to time be granted hereunder; (ii) determine the type or types of Awards, not inconsistent with the provisions of the Plan, to be granted to each Participant hereunder; (iii) determine the number of Shares to be covered by each Award granted hereunder; (iv) determine the terms and conditions, not inconsistent with the provisions of the Plan, of any Award granted hereunder; (v) determine whether, to what extent and under what circumstances Awards may be settled in cash, Shares or other property; (vi) determine whether, to what extent, and under what circumstances cash, Shares, other property and other amounts payable with respect to an Award made under the Plan shall be deferred either automatically or at the election of the Participant; (vii) determine whether, to what extent and under what circumstances any Award shall be canceled or suspended; (viii) interpret and administer the Plan and any instrument or agreement entered into under or in connection with the Plan, including any Award Agreement; (ix) correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent that the Committee shall deem desirable to carry it into effect; (x) establish such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; (xi) determine whether any Award will have Dividend Equivalents; and (xii) make any other determination and take any other action that the Committee deems necessary or desirable for administration of the Plan.

(b) Decisions of the Committee shall be final, conclusive and binding on all persons or entities, including the Company, any Participant, and any Subsidiary. A majority of the members of the Committee may determine its actions, including fixing the time and place of its meetings.

(c) To the extent not inconsistent with applicable law, including Section 162(m) of the Code, or the rules and regulations of the NASDAQ Stock Market (or such other principal securities exchange on which the Shares are traded), the Committee may delegate to (i) a committee of one or more directors of the Company any of the authority of the Committee under the Plan, including the right to grant, cancel or suspend Awards and (ii) to the extent permitted by law, to one or more executive officers or a committee of executive officers the right to grant Awards to Employees who are not Directors or executive officers of the Company and the authority to take action on behalf of the Committee pursuant to the Plan to cancel or suspend Awards to Employees who are not Directors or executive officers of the Company.

5. OPTIONS

5.1. *Grant of Options.* Options may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan. Any Option shall be subject to the terms and conditions of this Article and to such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall deem desirable.

5.2. *Award Agreements.* All Options granted pursuant to this Article shall be evidenced by a written Award Agreement in such form and containing such terms and conditions as the Committee shall determine which are not inconsistent with the provisions of the Plan. The terms of Options need not be the same with respect to each Participant. Granting an Option pursuant to the Plan shall impose no obligation on the recipient to exercise such Option. Any individual who is granted an Option pursuant to this Article may hold more than one Option granted pursuant to the Plan at the same time.

5.3. *Option Price.* Other than in connection with Substitute Awards, the option price per each Share purchasable under any Option granted pursuant to this Article shall not be less than 100% of the Fair Market Value of one Share on the date of grant of such Option. Other than pursuant to Section 12.2, the Committee shall not without the approval of the Company's stockholders (a) lower the option price per Share of an Option after it is granted, (b) cancel an Option in exchange for cash or another Award (other than in connection with Substitute Awards), and (c) take any other action with respect to an Option that would be treated as a repricing under the rules and regulations of the principal securities exchange on which the Shares are traded.

Annex 1 - 4

5.4. Option Term. The term of each Option shall be fixed by the Committee in its sole discretion; provided that no Option shall be exercisable after the expiration of ten (10) years from the date the Option is granted, except in the event of death or disability.

5.5. Exercise of Options. (a) Vested Options granted under the Plan shall be exercised by the Participant or by a Permitted Assignee thereof (or by the Participant's executors, administrators, guardian or legal representative, as may be provided in an Award Agreement) as to all or part of the Shares covered thereby, by giving notice of exercise to the Company or its designated agent, specifying the number of Shares to be purchased. The notice of exercise shall be in such form, made in such manner, and in compliance with such other requirements consistent with the provisions of the Plan as the Committee may prescribe from time to time.

(b) Unless otherwise provided in an Award Agreement, full payment of such purchase price shall be made at the time of exercise and shall be made (i) in cash or cash equivalents (including certified check or bank check or wire transfer of immediately available funds), (ii) by tendering previously acquired Shares (either actually or by attestation, valued at their then Fair Market Value), (iii) with the consent of the Committee, by delivery of other consideration (including, where permitted by law and the Committee, other Awards) having a Fair Market Value on the exercise date equal to the total purchase price, (iv) with the consent of the Committee, by withholding Shares otherwise issuable in connection with the exercise of the Option, (v) through any other method specified in an Award Agreement, or (vi) any combination of any of the foregoing. The notice of exercise, accompanied by such payment, shall be delivered to the Company at its principal business office or such other office as the Committee may from time to time direct, and shall be in such form, containing such further provisions consistent with the provisions of the Plan, as the Committee may from time to time prescribe. In no event may any Option granted hereunder be exercised for a fraction of a Share. No adjustment shall be made for cash dividends or other rights for which the record date is prior to the date of such issuance.

5.6. Form of Settlement. In its sole discretion, the Committee may provide that the Shares to be issued upon an Option's exercise shall be in the form of Restricted Stock or other similar securities.

5.7. Incentive Stock Options. The Committee may grant Options intended to qualify as "incentive stock options" as defined in Section 422 of the Code, to any employee of the Company or any Subsidiary, subject to the requirements of Section 422 of the Code. Solely for purposes of determining whether Shares are available for the grant of "incentive stock options" under the Plan, the maximum aggregate number of Shares that may be issued pursuant to "incentive stock options" granted under the Plan shall be 1,500,000 Shares, subject to adjustments provided in Section 12.2.

6. STOCK APPRECIATION RIGHTS

6.1. *Grant and Exercise.* The Committee may provide Stock Appreciation Rights (a) in conjunction with all or part of any Option granted under the Plan or at any subsequent time during the term of such Option, (b) in conjunction with all or part of any Award (other than an Option) granted under the Plan or at any subsequent time during the term of such Award, or (c) without regard to any Option or other Award in each case upon such terms and conditions as the Committee may establish in its sole discretion.

6.2. *Terms and Conditions.* Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, including the following:

(a) Upon the exercise of a Stock Appreciation Right, the holder shall have the right to receive the excess of (i) the Fair Market Value of one Share on the date of exercise (or such amount less than such Fair Market Value as the Committee shall so determine at any time during a specified period before the date of exercise) over (ii) the grant price of the right on the date of grant, which, except in the case of Substitute Awards or in connection with an adjustment provided in Section 12.2, shall not be less than the Fair Market Value of one Share on such date of grant of the right.

(b) Upon the exercise of a Stock Appreciation Right, the Committee shall determine in its sole discretion whether payment shall be made in cash, in whole Shares or other property, or any combination thereof.

Annex 1 - 5

- (c) The provisions of Stock Appreciation Rights need not be the same with respect to each recipient.
- (d) The Committee may impose such other conditions or restrictions on the terms of exercise and the grant price of any Stock Appreciation Right, as it shall deem appropriate. A Stock Appreciation Right shall have (i) a grant price not less than Fair Market Value on the date of grant (subject to the requirements of Section 409A of the Code with respect to a Stock Appreciation Right granted in conjunction with, but subsequent to, an Option), and (ii) a term not greater than ten (10) years
- (e) Without the approval of the Company's stockholders, other than pursuant to Section 12.2, the Committee shall not (i) reduce the grant price of any Stock Appreciation Right after the date of grant (ii) cancel any Stock Appreciation Right when the grant price per Share exceeds the Fair Market Value of the underlying Shares in exchange for cash or another Award (other than in connection with Substitute Awards), and (iii) take any other action with respect to a Stock Appreciation Right that would be treated as a repricing under the rules and regulations of the principal securities market on which the Shares are traded.
- (f) The Committee may impose such terms and conditions on Stock Appreciation Rights granted in conjunction with any Award (other than an Option) as the Committee shall determine in its sole discretion.

7. RESTRICTED STOCK AND RESTRICTED STOCK UNITS

7.1. Grants. Awards of Restricted Stock and of Restricted Stock Units may be issued hereunder to Participants either alone or in addition to other Awards granted under the Plan (a "Restricted Stock Award" or "Restricted Stock Unit Award" respectively), and such Restricted Stock Awards and Restricted Stock Unit Awards shall also be available as a form of payment of Performance Awards and other earned cash-based incentive compensation. A Restricted Stock Award or Restricted Stock Unit Award shall be subject to vesting restrictions imposed by the Committee covering a period of time specified by the Committee (the "Vesting Period"). The Committee has absolute discretion to determine whether any consideration (other than services) is to be received by the Company or any Subsidiary as a condition precedent to the issuance of Restricted Stock or Restricted Stock Units.

7.2. Award Agreements. The terms of any Restricted Stock Award or Restricted Stock Unit Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Plan. The terms of Restricted Stock Awards and Restricted Stock Unit Awards need not be the same with respect to each Participant.

7.3. *Rights of Holders of Restricted Stock and Restricted Stock Units.* Unless otherwise provided in the Award Agreement, beginning on the date of grant of the Restricted Stock Award and subject to execution of the Award Agreement, the Participant shall become a shareholder of the Company with respect to all Shares subject to the Award Agreement and shall have all of the rights of a shareholder, including the right to vote such Shares and the right to receive distributions made with respect to such Shares. A Participant receiving a Restricted Stock Unit Award shall not possess voting rights with respect to such Award. Except as otherwise provided in an Award Agreement any Shares or any other property (other than cash) distributed as a dividend or otherwise with respect to any Restricted Stock Award or Restricted Stock Unit Award as to which the restrictions have not yet lapsed shall be subject to the same restrictions as such Restricted Stock Award or Restricted Stock Unit Award.

8. OTHER SHARE-BASED AWARDS

8.1. *Grants.* Other Awards of Shares and other Awards that are valued in whole or in part by reference to, or are otherwise based on, Shares or other property (“Other Share-Based Awards”) may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan. Other Share-Based Awards shall also be available as a form of payment of other Awards granted under the Plan and other earned cash-based incentive compensation. Other Share-Based Awards shall be subject to such Vesting Period, if any, imposed by the Committee.

Annex 1 - 6

8.2. Award Agreements. The terms of Other Share-Based Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Plan. The terms of such Awards need not be the same with respect to each Participant.

8.3. Payment. Except as may be provided in an Award Agreement, Other Share-Based Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee. Other Share-Based Awards may be paid in a lump sum or in installments or, in accordance with procedures established by the Committee, on a deferred basis subject to the requirements of Section 409A of the Code.

9. PERFORMANCE AWARDS

9.1. Grants. Performance Awards in the form of Performance Cash, Performance Shares or Performance Units, as determined by the Committee in its sole discretion, may be granted hereunder to Participants, for no consideration or for such minimum consideration as may be required by applicable law, either alone or in addition to other Awards granted under the Plan. The performance goals to be achieved for each Performance Period shall be conclusively determined by the Committee and may be based upon the criteria set forth in Section 10.2.

9.2. Award Agreements. The terms of any Performance Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Plan, including whether such Awards shall have Dividend Equivalents. The terms of Performance Awards need not be the same with respect to each Participant.

9.3. Terms and Conditions. The performance criteria to be achieved during any Performance Period and the length of the Performance Period shall be determined by the Committee upon the grant of each Performance Award. The amount of the Award to be distributed shall be conclusively determined by the Committee.

9.4. Payment. Except as provided in Article 11 or as may be provided in an Award Agreement, Performance Awards will be distributed only after the end of the relevant Performance Period. Performance Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period or, in accordance with procedures established by the Committee, on a deferred basis subject to the requirements of Section 409A of the Code.

10. CODE SECTION 162(m) PROVISIONS

10.1. Covered Employees. Notwithstanding any other provision of the Plan, if the Committee determines at the time a Restricted Stock Award, a Restricted Stock Unit Award, a Performance Award or an Other Share-Based Award is granted to a Participant who is, or is likely to be, as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a Covered Employee, then the Committee may provide that this Article 10 is applicable to such Award.

10.2. Performance Criteria. If the Committee determines that a Restricted Stock Award, a Restricted Stock Unit, a Performance Award or an Other Share-Based Award is intended to be subject to this Article 10, the lapsing of restrictions thereon and the distribution of cash, Shares or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment of specified levels of one or any combination of the following: net sales; revenue; revenue growth or product revenue growth; operating income (before or after taxes); pre- or after-tax income (before or after allocation of corporate overhead and bonus); earnings per share; net income (before or after taxes); return on equity; total shareholder return; return on assets or net assets; appreciation in and/or maintenance of the price of the Shares or any other publicly-traded securities of the Company; market share; gross profits; earnings (including earnings before taxes, earnings before interest and taxes, earnings before interest, taxes and amortization, or earnings before interest, taxes, depreciation and amortization); economic value-added models or equivalent metrics; comparisons with various stock market indices; reductions in costs; cash flow or cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; improvement in or attainment of expense levels or working capital levels; operating margins, gross margins or cash margin; year-end cash; debt reductions; shareholder equity; market share; regulatory achievements; and implementation, completion or attainment of measurable objectives with respect to research, development, products or projects, production volume levels, acquisitions and divestitures and recruiting and maintaining personnel. Such performance goals also may be based solely by reference to the Company's performance or the performance of a Subsidiary, division, business segment or business unit of the Company, or based upon the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. The Committee may also exclude charges related to an event or occurrence which the Committee determines should appropriately be excluded, including (a) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (b) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or (c) the cumulative effects of tax or accounting changes in accordance with U.S. generally accepted accounting principles. Such performance goals shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code, and the regulations thereunder.

10.3. Adjustments. Notwithstanding any provision of the Plan (other than Article 11), with respect to any Restricted Stock Award, Restricted Stock Unit Award, Performance Award or Other Share-Based Award that is subject to this Section 10, the Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award, and the Committee may not waive the achievement of the applicable performance goals, except in the case of the death or disability of the Participant or as otherwise determined by the Committee in special circumstances.

10.4. Restrictions. The Committee shall have the power to impose such other restrictions on Awards subject to this Article as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for “performance-based compensation” within the meaning of Section 162(m) of the Code.

10.5. Limitations on Grants to Individual Participants. Subject to adjustment as provided in Section 12.2, no Participant may be granted (i) Options or Stock Appreciation Rights during any 36-month period with respect to more than 200,000 Shares or (ii) Restricted Stock Awards, Restricted Stock Unit Awards, Performance Awards and/or Other Share-Based Awards in any 36-month period that are intended to comply with the performance-based exception under Code Section 162(m) and are denominated in Shares with respect to more than 200,000 Shares (the “Limitations”). In addition to the foregoing, the maximum dollar value that may be earned by any Participant in any 12-month period with respect to Performance Awards that are intended to comply with the performance-based exception under Code Section 162(m) and are denominated in cash is \$2,000,000. If an Award is cancelled, the cancelled Award shall continue to be counted toward the applicable Limitations.

11. CHANGE IN CONTROL PROVISIONS

11.1. Impact on Certain Awards. Award Agreements may provide that in the event of a Change in Control of the Company (as defined in Section 11.3): (i) Options and Stock Appreciation Rights outstanding as of the date of the Change in Control shall be cancelled and terminated without payment therefore if the Fair Market Value of one Share as of the date of the Change in Control is less than the per Share Option exercise price or Stock Appreciation Right grant price, and (ii) all Performance Awards shall be considered to be earned and payable (either in full or pro rata based on the portion of Performance Period completed as of the date of the Change in Control), and any deferral or other restriction shall lapse and such Performance Awards shall be immediately settled or distributed.

11.2. Assumption or Substitution of Certain Awards. (a) Unless otherwise provided in an Award Agreement, in the event of a Change in Control of the Company in which the successor company assumes or substitutes for an Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award or Other Share-Based Award, if a Participant’s employment with such successor company (or a subsidiary thereof) terminates within 24 months following such Change in Control (or such other period set forth in the Award Agreement, including prior thereto if applicable) and under the circumstances specified in the Award Agreement: (i) Options and Stock Appreciation Rights outstanding as of the date of such termination of employment will immediately vest, become fully exercisable, and may thereafter be exercised for 24 months (or the period of time set forth in the Award Agreement), (ii) restrictions

and deferral limitations on Restricted Stock and Restricted Stock Units shall lapse and the Restricted Stock and Restricted Stock Units shall become free of all restrictions and limitations and become fully vested, and (iii) the restrictions and deferral limitations and other conditions applicable to any Other Share-Based Awards or any other Awards shall lapse, and such Other Share-Based Awards or such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant. For the purposes of this Section 11.1, an Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award or Other Share-Based Award shall be considered assumed or substituted for if following the Change in Control the Award confers the right to purchase or receive, for each Share subject to the Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award or Other Share-Based Award immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change in Control by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company, the Committee may, with the consent of the successor company, provide that the consideration to be received upon the exercise or vesting of an Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award or Other Share-Based Award, for each Share subject thereto, will be solely common stock of the successor company substantially equal in fair market value to the per share consideration received by holders of Shares in the transaction constituting a Change in Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

Annex 1 - 8

(b) Unless otherwise provided in an Award Agreement, in the event of a Change in Control of the Company to the extent the successor company does not assume or substitute for an Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award or Other Share-Based Award: (i) those Options and Stock Appreciation Rights outstanding as of the date of the Change in Control that are not assumed or substituted for shall immediately vest and become fully exercisable, (ii) restrictions and deferral limitations on Restricted Stock and Restricted Stock Units that are not assumed or substituted for shall lapse and the Restricted Stock and Restricted Stock Units shall become free of all restrictions and limitations and become fully vested, and (iii) the restrictions and deferral limitations and other conditions applicable to any Other Share-Based Awards or any other Awards that are not assumed or substituted for shall lapse, and such Other Share-Based Awards or such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant.

(c) The Committee, in its discretion, may determine that, upon the occurrence of a Change in Control of the Company, each Option and Stock Appreciation Right outstanding shall terminate within a specified number of days after notice to the Participant, and/or that each Participant shall receive, with respect to each Share subject to such Option or Stock Appreciation Right, an amount equal to the excess of the Fair Market Value of such Share immediately prior to the occurrence of such Change in Control over the exercise price per share of such Option and/or Stock Appreciation Right; such amount to be payable in cash, in one or more kinds of stock or property (including the stock or property, if any, payable in the transaction) or in a combination thereof, as the Committee, in its discretion, shall determine.

11.3. *Change in Control.* For purposes of the Plan, unless otherwise provided in an Award Agreement, Change in Control means the occurrence of any one of the following events:

(a) During any twenty-four (24) month period, individuals who, as of the beginning of such period, constitute the Board (the “Incumbent Directors”) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the beginning of such period whose election or nomination for election was approved by a vote of at least a majority of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without written objection to such nomination) shall be an Incumbent Director; provided, however, that no individual initially elected or nominated as a director of the Company as a result of an actual or threatened election contest with respect to directors or as a result of any other actual or threatened solicitation of proxies by or on behalf of any person other than the Board shall be deemed to be an Incumbent Director;

(b) Any “person” (as such term is defined in the Exchange Act and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act) is or becomes a “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 40% or more of the combined voting power of the Company’s then outstanding securities eligible to vote for the election of the Board (the “Company Voting Securities”); provided, however, that the event described in this paragraph (b) shall not be deemed to be a Change in Control by virtue of any of the following acquisitions: (i) by the Company or any subsidiary, (ii) by any employee benefit plan (or related trust) sponsored or maintained by the Company or any subsidiary, (iii) by any underwriter temporarily holding

securities pursuant to an offering of such securities, (iv) pursuant to a Non-Qualifying Transaction, as defined in paragraph (c), or (v) by any person of Voting Securities from the Company, if a majority of the Incumbent Board approves in advance the acquisition of beneficial ownership of 40% or more of Company Voting Securities by such person;

Annex 1 - 9

(c) The consummation of a merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company or any of its subsidiaries that requires the approval of the Company's stockholders, whether for such transaction or the issuance of securities in the transaction (a "Business Combination"), unless immediately following such Business Combination: (i) at least 60% of the total voting power of (A) the corporation resulting from such Business Combination (the "Surviving Corporation"), or (B) if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of 100% of the voting securities eligible to elect directors of the Surviving Corporation (the "Parent Corporation"), is represented by Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which such Company Voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of such Company Voting Securities among the holders thereof immediately prior to the Business Combination, (ii) no person (other than any employee benefit plan (or related trust) sponsored or maintained by the Surviving Corporation or the Parent Corporation), is or becomes the beneficial owner, directly or indirectly, of 40% or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) and (iii) at least a majority of the members of the board of directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) following the consummation of the Business Combination were Incumbent Directors at the time of the Board's approval of the execution of the initial agreement providing for such Business Combination (any Business Combination which satisfies all of the criteria specified in (i), (ii) and (iii) above shall be deemed to be a "Non-Qualifying Transaction");

(d) The stockholders of the Company approve a plan of complete liquidation or dissolution of the Company or the consummation of a sale of all or substantially all of the Company's assets; or

(e) The occurrence of any other event that the Board determines by a duly approved resolution constitutes a Change in Control.

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any person acquires beneficial ownership of more than 40% of the Company Voting Securities as a result of the acquisition of Company Voting Securities by the Company which reduces the number of Company Voting Securities outstanding; provided, that if after such acquisition by the Company such person becomes the beneficial owner of additional Company Voting Securities that increases the percentage of outstanding Company Voting Securities beneficially owned by such person, a Change in Control of the Company shall then occur.

12. GENERALLY APPLICABLE PROVISIONS

12.1. *Amendment and Termination of the Plan.* The Board may, from time to time, alter, amend, suspend or terminate the Plan as it shall deem advisable, subject to any requirement for stockholder approval imposed by applicable law, including the rules and regulations of the principal securities market on which the Shares are traded;

provided that the Board may not amend the Plan in any manner that would result in noncompliance with Rule 16b-3 of the Exchange Act; and further provided that the Board may not, without the approval of the Company's stockholders, amend the Plan to (a) increase the number of Shares that may be the subject of Awards under the Plan (except for adjustments pursuant to Section 12.2), (b) expand the types of awards available under the Plan, (c) materially expand the class of persons eligible to participate in the Plan, (d) amend any provision of Section 5.3, (e) increase the maximum permissible term of any Option specified by Section 5.4 or the maximum permissible term of a Stock Appreciation Right specified by Section 6.2(d), or (f) amend any provision of Section 10.5. The Board may not, without the approval of the Company's shareholders, take any other action with respect to an Option or Stock Appreciation Right that may be treated as a repricing under the rules and regulations of the principal securities market on which the Shares are traded, including a reduction of the exercise price of an Option or the grant price of a Stock Appreciation Right or the exchange of an Option or Stock Appreciation Right for cash or another Award. In addition, no amendments to, or termination of, the Plan shall in any way impair the rights of a Participant under any Award previously granted without such Participant's consent.

12.2. Adjustments. In the event of any merger, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting the Shares or the value thereof, such adjustments and other substitutions shall be made to the Plan and to Awards as the Committee, in its sole discretion, deems equitable or appropriate taking into consideration the accounting and tax consequences, including such adjustments in the aggregate number, class and kind of securities that may be delivered under the Plan, the Limitations, the maximum number of Shares that may be issued as incentive stock options and, in the aggregate or to any one Participant, in the number, class, kind and option or exercise price of securities subject to outstanding Awards granted under the Plan (including, if the Committee deems appropriate, the substitution of similar options to purchase the shares of, or other awards denominated in the shares of, another company) as the Committee may determine to be appropriate in its sole discretion; provided, however, that the number of Shares subject to any Award shall always be a whole number.

12.3. *Transferability of Awards.* Except as provided below, no Award and no Shares subject to Awards described in Article 8 that have not been issued or as to which any applicable restriction, performance or deferral period has not lapsed, may be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution, and such Award may be exercised during the life of the Participant only by the Participant or the Participant's guardian or legal representative. To the extent and under such terms and conditions as determined by the Committee, a Participant may assign or transfer an Award (each transferee thereof, a "Permitted Assignee") to (i) the Participant's spouse, children or grandchildren (including any adopted and step children or grandchildren), parents, grandparents or siblings, (ii) to a trust for the benefit of one or more if the Participant or the Persons referred to in clause (i), (iii) to a partnership, limited liability company or corporation in which the participant or the Persons referred to in clause (i) are the only partners, members or shareholders or (iv) for charitable donations; provided that such Permitted Assignee shall be bound by and subject to all of the terms and conditions of the Plan and the Award Agreement relating to the transferred Award and shall execute an agreement satisfactory to the Company evidencing such obligations; and provided further that such Participant shall remain bound by the terms and conditions of the Plan. The Company shall cooperate with any Permitted Assignee and the Company's transfer agent in effectuating any transfer permitted under this Section.

12.4. *Termination of Employment.* The Committee shall determine and set forth in each Award Agreement whether any Awards granted in such Award Agreement will continue to be exercisable, and the terms of such exercise, on and after the date that a Participant ceases to be employed by or to provide services to the Company or any Subsidiary (including as a Director), whether by reason of death, disability, voluntary or involuntary termination of employment or services, or otherwise. The date of termination of a Participant's employment or services will be determined by the Committee, which determination will be final.

12.5. *Deferral; Dividend Equivalents.* The Committee shall be authorized to establish procedures pursuant to which the payment of any Award may be deferred. Subject to the provisions of the Plan and any Award Agreement, the recipient of an Award (including any deferred Award) may, if so determined by the Committee, be entitled to receive, currently or on a deferred basis, cash, stock or other property dividends, or cash payments in amounts equivalent to cash, stock or other property dividends on Shares ("Dividend Equivalents") with respect to the number of Shares covered by the Award, as determined by the Committee, in its sole discretion. The Committee may provide that such amounts and Dividend Equivalents (if any) shall be deemed to have been reinvested in additional Shares or otherwise reinvested and may provide that such amounts and Dividend Equivalents are subject to the same vesting or performance conditions as the underlying Award.

13. MISCELLANEOUS

13.1. *Tax Withholding.* The Company shall have the right to make all payments or distributions pursuant to the Plan to a Participant (or a Permitted Assignee thereof) (any such person, a "Payee") net of any applicable federal, state and local taxes required to be paid or withheld as a result of (a) the grant of any Award, (b) the exercise of an Option or Stock Appreciation Right, (c) the delivery of Shares or cash, (d) the lapse of any restrictions in connection with any Award or (e) any other event occurring pursuant to the Plan. The Company or any Subsidiary shall have the right to

withhold from wages or other amounts otherwise payable to such Payee such withholding taxes as may be required by law, or to otherwise require the Payee to pay such withholding taxes. If the Payee shall fail to make such tax payments as are required, the Company or its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Payee or to take such other action as may be necessary to satisfy such withholding obligations. The Committee shall be authorized to establish procedures for election by Participants to satisfy such obligation for the payment of such taxes by tendering previously acquired Shares (either actually or by attestation, valued at their then Fair Market Value), or by directing the Company to retain Shares (up to the Participant's minimum required tax withholding rate or such other rate that will not trigger a negative accounting impact) otherwise deliverable in connection with the Award.

Annex 1 - 11

13.2. *Right of Discharge Reserved; Claims to Awards.* Nothing in the Plan nor the grant of an Award hereunder shall confer upon any Employee or Director the right to continue in the employment or service of the Company or any Subsidiary or affect any right that the Company or any Subsidiary may have to terminate the employment or service of (or to demote or to exclude from future Awards under the Plan) any such Employee or Director at any time for any reason. Except as specifically provided by the Committee, the Company shall not be liable for the loss of existing or potential profit from an Award granted in the event of termination of an employment or other relationship. No Employee or Participant shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Employees or Participants under the Plan.

13.3. *Prospective Recipient.* The prospective recipient of any Award under the Plan shall not, with respect to such Award, be deemed to have become a Participant, or to have any rights with respect to such Award, until and unless such recipient shall have executed an agreement or other instrument evidencing the Award and delivered a copy thereof to the Company, and otherwise complied with the then applicable terms and conditions of the Plan and the Award Agreement.

13.4. *Substitute Awards.* Notwithstanding any other provision of the Plan, the terms of Substitute Awards may vary from the terms set forth in the Plan to the extent the Committee deems appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

13.5. *Cancellation of Award.* Notwithstanding anything to the contrary contained herein, an Award Agreement may provide that the Award shall be canceled if the Participant, without the consent of the Company, while employed by the Company or any Subsidiary or after termination of such employment or service, establishes a relationship with a competitor of the Company or any Subsidiary or engages in activity that is in conflict with or adverse to the interest of the Company or any Subsidiary, as determined by the Committee in its sole discretion. The Committee may provide in an Award Agreement that if within the time period specified in the Agreement the Participant establishes a relationship with a competitor or engages in an activity referred to in the preceding sentence, the Participant will forfeit any gain realized on the vesting or exercise of the Award and must repay such gain to the Company.

13.6. *Stop Transfer Orders.* All certificates for Shares delivered under the Plan pursuant to any Award shall be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Shares are then listed, and any applicable federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

13.7. *Nature of Payments.* All Awards made pursuant to the Plan are in consideration of services performed or to be performed for the Company or any Subsidiary, division or business unit of the Company. Any income or gain realized pursuant to Awards under the Plan constitute a special incentive payment to the Participant and shall not be taken into account, to the extent permissible under applicable law, as compensation for purposes of any of the employee benefit

plans of the Company or any Subsidiary except as may be determined by the Committee or by the Board or board of directors of the applicable Subsidiary.

13.8. *Other Plans.* Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

13.9. *Severability.* If any provision of the Plan shall be held unlawful or otherwise invalid or unenforceable in whole or in part by a court of competent jurisdiction, such provision shall (a) be deemed limited to the extent that such court of competent jurisdiction deems it lawful, valid and/or enforceable and as so limited shall remain in full force and effect, and (b) not affect any other provision of the Plan or part thereof, each of which shall remain in full force and effect. If the making of any payment or the provision of any other benefit required under the Plan shall be held unlawful or otherwise invalid or unenforceable by a court of competent jurisdiction, such unlawfulness, invalidity or unenforceability shall not prevent any other payment or benefit from being made or provided under the Plan, and if the making of any payment in full or the provision of any other benefit required under the Plan in full would be unlawful or otherwise invalid or unenforceable, then such unlawfulness, invalidity or unenforceability shall not prevent such payment or benefit from being made or provided in part, to the extent that it would not be unlawful, invalid or unenforceable, and the maximum payment or benefit that would not be unlawful, invalid or unenforceable shall be made or provided under the Plan.

Annex 1 - 12

13.10. *Construction.* As used in the Plan, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.”

13.11. *Unfunded Status of the Plan.* The Plan is intended to constitute an “unfunded” plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver the Shares or payments in lieu of or with respect to Awards hereunder; provided, however, that the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan.

13.12. *Governing Law.* The Plan and all determinations made and actions taken thereunder, to the extent not otherwise governed by the Code or the laws of the United States, shall be governed by the laws of the State of Indiana, without reference to principles of conflict of laws, and construed accordingly.

13.13. *Effective Date of Plan; Termination of Plan.* The Plan shall be effective on the date of the approval of the Plan by the holders of the shares entitled to vote at a duly constituted meeting of the stockholders of the Company. The Plan shall be null and void and of no effect if the foregoing condition is not fulfilled and in such event each Award shall, notwithstanding any of the preceding provisions of the Plan, be null and void and of no effect. Awards may be granted under the Plan at any time and from time to time on or prior to the tenth anniversary of the effective date of the Plan, on which date the Plan will expire except as to Awards then outstanding under the Plan. Such outstanding Awards shall remain in effect until they have been exercised or terminated, or have expired.

13.14. *Foreign Employees.* Awards may be granted to Participants who are foreign nationals or employed outside the United States, or both, on such terms and conditions different from those applicable to Awards to Employees employed in the United States as may, in the judgment of the Committee, be necessary or desirable in order to recognize differences in local law or tax policy. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company’s obligation with respect to tax equalization for Employees on assignments outside their home country.

13.15. *Compliance with Section 409A of the Code.* This Plan is intended to comply and shall be administered in a manner that is intended to comply with Section 409A of the Code and shall be construed and interpreted in accordance with such intent. To the extent that an Award or the payment, settlement or deferral thereof is subject to Section 409A of the Code, the Award shall be granted, paid, settled or deferred in a manner that will comply with Section 409A of the Code, including regulations or other guidance issued with respect thereto, except as otherwise determined by the Committee. Any provision of this Plan that would cause the grant of an Award or the payment, settlement or deferral thereof to fail to satisfy Section 409A of the Code shall be amended to comply with Section 409A of the Code on a timely basis, which may be made on a retroactive basis, in accordance with regulations and other guidance issued under Section 409A of the Code.

13.16. *Captions.* The captions in the Plan are for convenience of reference only, and are not intended to narrow, limit or affect the substance or interpretation of the provisions contained herein.
