ITEM 1. CHANGES IN CONTROL OF REGISTRANT

On November 14, 2003, The Sage Group Plc (the "Sage Group"), a company organized under the laws of England, acquired substantially all the assets of Softline Limited ("Softline"), including Softline's 141,000 shares of our Series A Convertible Preferred Stock, 8,923,915 shares of our common stock and 71,812 shares of our common stock issuable on the exercise of options previously held by Softline. As a result the Sage Group became the beneficial owner of 41.9% of our outstanding common stock.

According to the Schedule 13D filed by the Sage Group on November 24, 2003, the total amount of consideration used by the Sage Group to acquire its interest in our shares was ZAR 174,889,027 (equivalent to \$26,818,946 based on

an exchange rate of 0.14854 on November 14, 2003), and all of the funds used for consideration were from the Sage Group's working capital.

In connection with the acquisition, certain agreements of Softline, including the rights and obligations respecting and arising from an option agreement (the "Option Agreement") between Softline and Steven Beck, as trustee of a certain management group of the Company (the "Optionees"), were also assigned to and assumed by the Sage Group. Under the Option Agreement Softline agreed to grant the Optionees the right to purchase from Softline 8,000,000 shares of common stock of the Company and such number of shares of Series A Convertible Preferred Stock convertible into 17,625,000 shares of common stock of the Company for a price of \$0.80 per share. The Option Agreement expires on the earlier of March 24, 2004 and the date on which an Optionee's full-time employment as an officer or director of the Company is terminated for any reason. The right to exercise the Option is to be distributed as determined by the Board to the Optionees, who may include Mr. Beck and other members of the Company's management, as an incentive to continue service for the Company. It is the current intent of the Optionees to transfer their rights under the Option Agreement to the Company.
