Item 4.01. Changes in Registrant's Certifying Accountant.

(a) On December 18, 2012, the Board of Directors of Franklin Wireless Corp. (the "Company") dismissed BDO USA, LLP ("BDO") as its auditors.

BDO's audit reports on the Company's financial statements for the fiscal years ended June 30, 2011 and 2012 and the consolidated financial statements for the fiscal years ended June 30, 2011 and 2012 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the two fiscal-year period ended June 30, 2012 and for the subsequent interim period through December 18, 2012, there was one disagreement between the Company and BDO regarding a matter of accounting principle. This matter related to the accounting for approximately 1.5 million Company shares repurchased as part of a legal settlement at a premium to the market price. The disagreement related to whether this premium represented a control premium. Further, concerns included whether this transaction is subject to the Financial Accounting Standards Board ASC 450 – *Contingencies* guidance, the period in which the subsequent September 19, 2012 settlement should be recorded and the materiality of such required \$440,000 charge to the June 30, 2012 financial statements. The Company recorded a charge of \$440,000 in the June 30, 2012 financial statements as the result of the repurchase of shares at a premium. For additional disclosure of the event, please see Note 12 to the June 30, 2012 financial statements. This matter was resolved to the satisfaction of BDO and the Company. Members of the Board of Directors of the Company discussed the subject matter of this disagreement with BDO and the Company has authorized BDO to respond fully to the inquiries of the successor accountant concerning the subject matter of the disagreement.

During the Company's fiscal years ended June 30, 2011 and 2012, and through December 18, 2012, there were no "reportable events" (as defined in Item 304(a)(1)(v) of Regulation S-K).

The Company furnished BDO with a copy of the above disclosure, and requested that BDO furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of BDO's letter, dated January 4, 2013 is attached as Exhibit 16.1 to this Current Report on Form 8-K.

(b) On December 18, 2012, the Board of Directors of the Company approved the appointment of Haskell & White LLP ("H&W") as the Company's independent registered public accounting firm, to audit the financial statements of the Company for the fiscal year ended June 30, 2013.

During the Company's past two fiscal years, and through December 18, 2012, the date on which H&W's appointment was approved, neither the Company, nor any person on its behalf, has consulted with H&W with respect to either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or any matter that was either the subject of a disagreement or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K). Further, no written report or oral advice was provided by H&W to the Company that it concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting of an issue.

Item 9.01. Financial Statements and Exhibits.
