Item 4. Changes in Registrant's Certifying Accountant.

On March 14, 2002, the registrant filed a current report on Form 8-K, stating that it had dismissed Grant Thornton, LLP ("Grant Thornton") as its certifying accountant, and that it would furnish the Securities and Exchange Commission with a letter from Grant Thornton stating whether or not it agreed with the statements made in the 8-K. The letter received by the registrant from Grant Thornton is filed with this Form 8-K/A as Exhibit 16.1.

The registrant also hereby amends its original 8-K to report that Grant Thornton

issued a letter to the registrant dated September 15, 2001, informing the registrant that Grant Thornton believed that material weaknesses existed with respect to the registrant's segregation of duties, the pervasive use of "suspense" accounts, inventory pricing and obsolescence, failure to record interest and depreciation expense, and to accrue penalties on past due payroll tax liabilities, and that these weaknesses resulted in significant audit adjustments and delayed the timely preparation of financial statements. After discussion of the above items, the registrant's management accepted Grant Thornton's recommended adjustments.
