EXPLANATORY NOTE

On December 15, 2014, Urstadt Biddle Properties Inc. (the "Company") filed a Current Report on Form 8-K (the "Initial Report ") reporting the acquisition of certain properties on December 10, 2014. The Company is filing this Current Report on Form 8-K/A to amend the Initial Report to provide, in accordance with Rule 3-14 and Article 11 of Regulation S-X, certain financial statement information relating to the properties acquired and pro forma financial information of the Company.

ITEM 8.01 - OTHER ITEMS

On December 10, 2014, Urstadt Biddle Properties Inc. (the "Company"), through four wholly-owned subsidiaries, acquired four retail properties totaling approximately 375,000 square feet of gross leasable area ("GLA"), together (the "New Jersey Properties") located in three counties in northern New Jersey for an aggregate purchase price of \$124.5 million. The four properties were purchased from four property owners under common control, but unaffiliated with the Company. There is no relationship between any Director or Officer of the Company and the New Jersey Properties sellers. The properties were purchased free and clear of mortgages. The purchase was funded with available cash remaining from the Company's Class A Common and Series G Preferred stock offerings completed in October and November 2014 and borrowings under the Company's unsecured revolving credit facility. The Company repaid a portion of the unsecured revolving credit line borrowing used for the purchase of these acquisitions by placing non-recourse first mortgages on the properties aggregating \$62.7 million. The Company completed the mortgage financings on December 15, 2014, the mortgage loans each will have a term of twelve years and will require payments of principal and interest based on a thirty-year amortization schedule at a fixed rate of interest of 3.85% per annum. Set forth in Item 9.01 are combined audited financial statements for the four properties prepared pursuant to Rule 3-14 of Regulation S-X relating to a the acquisitions, none of which individually are considered significant within the meaning of Rule 3-14.

Material Factors Considered by the Company:

Wyckoff Property:

Market and Competition:

Prior to acquiring the Wyckoff Property, the Company considered general regional and local economic market conditions and the property's competitive posture within that market.

The Wyckoff Property is a shopping center located in the Town of Wyckoff, Bergen County, New Jersey. The Property contains 43,400 square feet of GLA. At January 1, 2015 the property was 94.6% leased to fifteen tenants whose primary businesses are the sale of retail products, goods and services.

The property is located on Cedar Hill Avenue, just off of Route 208, in Wyckoff. The shopping center was constructed in 1971 and features a 16,000 square foot Walgreen's Pharmacy. Other tenants in the center include Chase Bank, Subway, Dunkin Donuts, Christian Healthcare (Real Estate Office), Supercuts, and Glen Rock Savings Bank. The potential development of new large shopping centers in the surrounding area is limited due to lack of remaining developable land and a complex entitlement process for new development.

Tenants:

The property's largest tenant is Walgreen's, a national pharmacy retail chain occupying 16,000 square feet (36.8% of the property's GLA). No other tenant leases more than 6.9% of the property's GLA.

Substantially all of the leases are with tenants for terms longer than one year and generally provide for additional rental amounts based on each tenant's share of the cost of maintaining common areas and certain operating expenses including real estate taxes and insurance of the property.

The following is a schedule of lease expirations of the property by year:

2

	Number of Tenants Whose Lease Expire Each Year	Total Square Footage Expiring Each Year	Minimum Annual Base Rents of Expiring Leases	% of Total Annual Base Rent That is Represented By The Expiring Leases	
Year:					
2015	4	6,225	\$ 140,700	12.6	%
2016	2	3,260	88,200	7.9	%
2017	1	1,760	52,200	4.7	%
2018	3	5,920	166,700	14.9	%
2019	2	3,125	83,400	7.5	%
Thereafter	3	20,720	586,700	52.4	%
	15	41,010	\$ 1,117,900	100.0	%

Building and Capital Improvements:

The estimated federal tax basis of the property (including land) is approximately \$17.5 million. For federal income tax purposes, the property will be depreciated over its estimated useful life (39 years) on a straight line basis.

Property Taxes:

The annual real estate taxes on the property are anticipated to be approximately \$176,000 for the 2015 tax year.

Property Management:

The Company manages the property directly.

After reasonable inquiry, the Company is not aware of any other material factors relating to the Wyckoff Property that would cause the reported financial information not to be necessarily indicative of future operating results.

The Company and its operations are, however, subject to a number of risks and uncertainties. For a discussion of such risks, see the risks identified in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2014 under Item 1A Risk Factors and in the other reports filed by the Company with the Securities and Exchange Commission.

Kinnelon Property:

Market and Competition:

Prior to acquiring the Kinnelon Property, the Company considered general regional and local economic market conditions and the property's competitive posture within that market.

The Kinnelon Property is a shopping center located in the Towns of Kinnelon and Butler, Morris County, New Jersey. The Property contains 76,500 square feet of GLA. At January 1, 2015 the property was 91.8% leased to fifteen tenants whose primary businesses are the sale of retail products, goods and services.

The property is located on Route 23, just off of Kiel Avenue and Kinnelon Road, in Kinnelon. The shopping center was constructed in 1961 and features a 11,000 square foot Rite Aid Pharmacy and a 16,100 square foot Petco Animal Supply ("Petco"). Other tenants in the shopping center include Meadtown Barber Shop, Katow Jewelry & Watch, South Beach Tanning, Hallmark, House of Thai, Meadtown Cleaners, Terrie O'Connor Realtors, Smoke Rise Bagel, Nails Allure, Dollar Den, PNC Bank, and Marty's Shoes. The potential development of new large shopping centers in the surrounding area is limited due to lack of remaining developable land and a complex entitlement process for new development.

Tenants:

The property's largest tenants are Petco, a national retail chain occupying 16,100 square feet (21.1% of the property's GLA) and Rite Aid Pharmacy, a national pharmacy retail chain occupying 11,000 square feet (14.4% of the property's GLA). No other tenant leases more than 10.5% of the property's GLA.

Substantially all of the leases are with tenants for terms longer than one year and generally provide for additional rental amounts based on each tenant's share of the cost of maintaining common areas and certain operating expenses including real estate taxes and insurance of the property.

The following is a schedule of lease expirations of the property by year:

Year:	Number of Tenants Whose Lease Expire Each Year	Total Square Footage Expiring Each Year	Minimum Annual Base Rents of Expiring Leases	% of Total Annual Base Rent That is Represented By The Expiring Leases

Property Taxes:

The annual real estate taxes on the property are anticipated to be approximately \$336,000 for the 2015 tax year.

Property Management:

The Company manages the property directly.

After reasonable inquiry, the Company is not aware of any other material factors relating to the Kinnelon Property that would cause the reported financial information not to be necessarily indicative of future operating results.

The Company and its operations are, however, subject to a number of risks and uncertainties. For a discussion of such risks, see the risks identified in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2014 under Item 1A Risk Factors and in the other reports filed by the Company with the Securities and Exchange Commission.

Midland Park Property:

Market and Competition:

Prior to acquiring the Midland Park Property, the Company considered general regional and local economic market conditions and the property's competitive posture within that market.

The Midland Park Property is a shopping center located in the Town of Midland Park, Bergen County, New Jersey. The Property contains 130,000 square feet of GLA. At January 1, 2015 the property was 90.5% leased to twenty-seven tenants whose primary businesses are the sale of retail products, goods and services.

The property is located at the confluence of four major avenues, Wyckoff Avenue, Paterson Avenue, Godwin Avenue and Erie Avenue. The shopping center features a 30,000 square foot King's Supermarket. Other tenants in the center include CVS, Starbucks, Gamestop, Hudson City Savings Bank, Radio Shack, Edible Arrangements, Subway, and Petco. The potential development of new large shopping centers in the surrounding area is limited due to lack of remaining developable land and a complex entitlement process for new development.

Tenants:

The property's largest tenants are King's Supermarket occupying 30,000 square feet (22.8% of the property's GLA) and Ethos Spa occupying 16,895 square feet (13.0% of the property's GLA). No other tenant leases more than 7.3% of the property's GLA.

Substantially all of the leases are with tenants for terms longer than one year and generally provide for additional rental amounts based on each tenant's share of the cost of maintaining common areas and certain operating expenses including real estate taxes and insurance of the property.

The following is a schedule of lease expirations of the property by year:

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this combined financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of the combined financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this combined financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the combined financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the combined financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the New Jersey Properties' internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NEW JERSEY PROPERTIES
NOTES TO COMBINED STATEMENT OF REVENUES AND CERTAIN EXPENSES
FOR THE YEAR ENDED DECEMBER 31, 2013 (AUDITED)
AND THE NINE MONTHS ENDED SEPTEMBER 30, 2014 (UNAUDITED)

1. BUSINESS AND ORGANIZATION

The Wyckoff Property, the Kinnelon Property, the Midland Park Property and the Pompton Lakes Property, collectively (the "New Jersey Properties") are retail properties located in the three counties in northern New Jersey. The Properties have an aggregate gross leasable area ("GLA") of approximately 375,000 square feet.

On December 10, 2014, the Properties were acquired by wholly-owned subsidiaries of Urstadt Biddle Properties Inc., a real estate investment trust, an unaffiliated party (the "Company").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Combined Statement of Revenues and Certain Expenses ("Historical Summary") has been prepared for the purpose of complying with the provisions of Rule 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission ("SEC"), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenues and certain expenses of the Properties, exclusive of interest income, interest expense, depreciation and amortization, rental income relating to the allocation of purchase price of the properties to above/below market leases and management and advisory fees, which may not be comparable to the corresponding amounts reflected in the future operations of the Properties.

The combined statement of revenues and certain expenses for the nine month period ended September 30, 2014 is unaudited. In the opinion of management, such statement reflects all adjustments necessary for a fair presentation of revenues and certain expenses in accordance with the SEC Rule 3-14. All such adjustments are of a normal recurring nature.

Real Estate

Significant improvements to real estate which enhance the value are capitalized as additions to the Properties cost basis in the period in which the expenditures are incurred. Repairs and maintenance costs are expensed as incurred. Tenant allowances and improvements are capitalized as additions to the Properties' cost basis.

Rental Operations

The Properties earn rental income from tenants under leasing arrangements which generally provide for minimum rents, and charges to tenants for their pro rata shares of real estate taxes and operating expenses. All leases have been accounted for as operating leases. Base rental income is recorded on a straight-line basis over the terms of the related agreements (including rent holidays). Escalation rents based on payments for real estate taxes and operating expenses are estimated and accrued.

Use of Estimates

The preparation of financial statement in conformity with accounting principles generally accepted in the United States of America requires the Properties management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Bad debts are recorded under the specific identification method, whereby uncollectible receivables are reserved for when identified.

11

Subsequent Events

The Properties have evaluated subsequent events through February 11, 2015, the date on which the Historical Summary was available to be issued.

3. LEASES

Minimum future base rentals on non-cancelable leases which extend for more than one year at December 31, 2013 are as follows:

	<u>Year Ending December 31,</u>
2014	\$7,007,000
2015	7,066,000
2016	6,471,000
2017	5,701,000
2018	4,990,000
Thereafter	22,113,000
	<u>\$53,348,000</u>

Rental revenue above includes base rents billed to tenants. The Properties' leases generally include tenant renewal options that can extend the lease terms.

Base rent includes approximately \$1,244,328 and \$933,246 received from a tenant occupying 63,000 square feet for the year ended December 31, 2013 and nine months ended September 30, 2014, respectively (approximately 17% of total base rent for the year ended December 31, 2014 and the nine month period ended September 30, 2014). All other tenants' base rents are for less than 10% of total base rent in the nine month period ended 2014.

Rental income includes the effect of amortizing the aggregate minimum lease payments on a straight-line basis over the entire term of each lease, which resulted in an increase in rental income of approximately \$127,000 and \$69,000 for the year ended December 31, 2013 and nine months ended September 30, 2014, respectively.

(a) Derived from the Company's audited financial statements at October 31, 2014.

Reflects the pro forma acquisition of the New Jersey Properties valued at \$124,500,000. The Company financed the purchase by placing a \$62.7 million secured mortgage financing on the New Jersey Properties in December 2014, the mortgage has a term of 12 years and requires payments of principal and interest at a fixed rate of 3.85%, for the purpose of this pro-forma the Company will assume the debt financing was in place at November 1, 2013.

The remaining purchase price was funded with the proceeds from a sale of 2.875 million shares of Class A

(b) Common stock in November 2014 at \$20.82 per share which raised proceeds of \$59.86 million. The balance of the purchase was funded with available cash.
