**Section 2 - Financial Information**

Item 2.06. Material Impairments

On October 13, 2005, STRATTEC SECURITY CORPORATION (the "Company") issued a press release (the "Press Release") announcing a potential loss on a trade receivable with Delphi Corporation ("Delphi") as a result of Delphi's bankruptcy filing. The Company has approximately \$3.7 million of pre-petition bankruptcy accounts receivable due from Delphi. On October 13, 2005, the Company concluded that it needed to increase its reserve for uncollectible trade accounts receivable by \$3.2 million to account for its potential loss exposure. As further information develops, the Company may be required to record an additional reserve for the uncollectibility of this trade receivable. The Company does not expect that the write-down of this trade receivable will have a material effect on the Company's liquidity. A copy of the Press Release is attached as Exhibit 99.1 to this report.
