This document does not constitute an offer or a solicitation to any person in any jurisdiction in which such offer or solicitation is unlawful. TO: THE HOLDERS OF COMMON SHARES OF COGNICASE

This Notice of Change and Variation amends and supplements the Offer and Circular dated December 6, 2002, as amended by notices of change and variation dated December 16, 2002 and December 18, 2002 (the "Original Offer"), of the Offeror pursuant to which the Offeror is offering to purchase, on the terms and subject to the conditions contained therein, all of the issued and outstanding Cognicase Shares (including Cognicase Shares which may become outstanding after the date of the Original Offer upon the exercise of outstanding Options and other Rights). Unless the context otherwise requires, terms denoted by initial capital letters and not defined herein have the meanings set forth in the Original Offer.

Except as otherwise set forth in this Notice of Change and Variation, the terms and conditions previously set forth in the Original Offer continue to be applicable in all respects. This Notice of Change and Variation should be carefully read in conjunction with the Original Offer, the Letter of Transmittal and the Notice of Guaranteed Delivery.

All references to the "Offer" in the Original Offer, the Letter of Transmittal, the Notice of Guaranteed Delivery and this Notice of Change and Variation mean the Original Offer, as hereby amended.

1. Background to the Offer

On December 19, 2002, the Board of Directors of Cognicase, in connection with the Original Offer and on the recommendation of its special committee of independent directors (the "Special Committee"), issued a Directors' Circular unanimously recommending that Shareholders reject the Original Offer and not tender their Cognicase Shares in acceptance thereof.

On December 19, 2002, the Board of Directors of Cognicase, in connection with the Original Offer and on the recommendation of the Special Committee, adopted a limited duration shareholder rights plan (the "Rights Plan").

From December 26, 2002 to December 31, 2002, the Chairman of the Board and Chief Executive Officer of CGI, along with other representatives of CGI, had communications with representatives of the Special Committee in order to negotiate a revised Offer to purchase all of the outstanding Cognicase Shares.

On January 1, 2003, BMO Nesbitt Burns Inc., financial advisors to the Special Committee (the "Financial Advisor"), delivered to the Board of Directors of Cognicase a written opinion to the effect that the consideration provided by CGI's revised Offer is fair, from a financial point of view, to the Shareholders. Based on the foregoing, the Board of Directors of Cognicase has concluded that the

3

consideration provided by CGI's revised Offer is fair, from a financial point of view, to the Shareholders and recommends to the Shareholders the acceptance thereof.

On January 1, 2003, CGI and Cognicase entered into a support agreement (the "Support Agreement") pursuant to which CGI agreed to make, in accordance with the conditions set out therein, the revised Offer. In turn, Cognicase agreed that its Board would recommend that Shareholders accept the revised Offer, subject to the receipt of a favourable fairness opinion from the Financial Advisor. The Board of Directors of Cognicase also resolved to waive the application of the Rights Plan to the revised Offer in order to allow CGI to proceed with its revised Offer and take-up and pay for Cognicase Shares deposited into such revised Offer without any dilutive effects.

A joint press release dated January 1, 2003 announcing CGI's revised Offer and the acceptance thereof by the Board of Directors of Cognicase was issued.

Support Agreement

The following is a summary of the material terms and provisions of the Support Agreement. This is a summary only and is qualified in its entirety by the terms of the Support Agreement.

In the Support Agreement, each of Cognicase and CGI has agreed to cooperate with each other in its efforts to successfully complete the revised Offer. Cognicase and CGI have also agreed to operate their businesses in the ordinary course, subject to certain limited exceptions. Cognicase has also agreed not to solicit or engage in any further discussions relating to a Competing Proposal (as defined below) or provide information with respect to Cognicase provided that Cognicase shall be entitled, if it determines in good faith that a failure to do so would be inconsistent with the Board of Directors' fiduciary obligations under applicable law, to supply information to a third party with whom Cognicase deals at arms' length in response to an unsolicited proposal which could reasonably be expected to result in a Superior Proposal (as defined below). Cognicase has also agreed to pay to CGI a "break-up fee" equal to \$0.09 per Cognicase Share which are the object of the revised Offer in certain circumstances, including if the Board adversely modifies or withdraws its recommendation that Shareholders accept the revised Offer.

The Board of Cognicase may withdraw, modify or change its recommendation with respect to the revised Offer (and may terminate its obligations under the Support Agreement, subject to the payment of the "break-up fee" referred to above) in response to a Superior Proposal. However, Cognicase has agreed not to enter into any agreement regarding a Superior Proposal (and not to withdraw or otherwise change its recommendation to support the revised Offer) unless it has, among other things, provided CGI with an opportunity to amend the revised Offer, within three (3) business days prior to the proposed date of execution of the proposed agreement, to increase the consideration to be received by Shareholders thereunder to an amount at least equal to the consideration offered under the proposed agreement.

Pursuant to the Support Agreement, CGI has agreed not to amend, modify or change the revised Offer without the prior written consent of Cognicase, other than to increase the consideration under the revised Offer, waive any conditions to the revised Offer, extend the Expiry Time until a date or dates not later than February 3, 2003 or comply with legal obligations of CGI with respect to any amendment, modification or change of the revised Offer.

The Support Agreement may be terminated in certain circumstances, including if any of the conditions of the revised Offer have not been satisfied or waived by CGI at the Expiry Time.

For purposes of the Support Agreement:

"Competing Proposal" means (i) the possible acquisition of, or business combination with, Cognicase or any of its Subsidiaries (whether by way of amalgamation, arrangement, consolidation,

take-over bid, purchase of shares, purchase of assets, or otherwise), other than transactions between Cognicase and one or more of its wholly-owned Subsidiaries or between one or more of Cognicase's wholly-owned Subsidiaries; (ii) the possible acquisition of any material portion of Cognicase's securities or assets or those of any of its Subsidiaries, other than transactions between Cognicase and one or more of its wholly-owned Subsidiaries or between one or more of Cognicase's wholly-owned Subsidiaries; or (iii) any take-over bid, stock exchange take-over bid or other purchase or acquisition of equity securities that, if consummated, would result in any person beneficially owning 10% or more of any class of securities of Cognicase; and

Edgar Filing: CGI GROUP INC - Form F-8/A

"Superior Proposal" means any bona fide written Competing Proposal from a third party with whom Cognicase deals at arms' length (as such term is interpreted for purposes of the *Income Tax Act* (Canada)) that has the following characteristics: (i) is a proposal to acquire, directly or indirectly, (x) not less than 50% of the outstanding Cognicase Shares, or (y) all or substantially all of the assets and liabilities of Cognicase or its Subsidiaries; (ii) the Board of Directors of Cognicase shall have determined in good faith (after receiving an opinion of the Financial Advisor) that such proposal provides consideration, on a cash equivalent basis, to holders of Cognicase Shares that is in excess of the consideration provided by the revised Offer (after taking into account any amendments to the revised Offer made by the Offeror) to holders of Cognicase Shares; and (iii) the transactions envisioned by such proposal, in the good faith judgment of the Board of Directors of Cognicase are readily financeable and are reasonably likely to be consummated without unreasonable delay compared to the revised Offer.

2. Increase of Consideration Payable under the Offer

The Offeror has amended the Original Offer by increasing the consideration payable under the Offer to \$4.50 cash and to 0.6311 CGI Shares per Cognicase Share. Accordingly, the Original Offer is amended as follows:

5

(iii) by amending the definition of "Cash Option" in the Definitions of the Original Offer so that it shall read as follows:

"Cash Option" means \$4.50 in cash for each Cognicase Share";

(iv) by amending the definition of "Maximum Cash Consideration" in the Definitions of the Original Offer so that it shall read as follows:

"Maximum Cash Consideration" means an amount in cash equal to 56% of the total consideration payable pursuant to the Offer on any Take-Up Date";

(v) by amending the definition of "Maximum Share Consideration" in the Definitions of the Original Offer so that it shall read as follows:

Edgar Filing: CGI GROUP INC - Form F-8/A

"Maximum Share Consideration" means such number of CGI Shares having an aggregate value equal to 44% of the total consideration payable pursuant to the Offer on any Take-Up Date using a CGI Share price of \$7.13";

(vi) by amending the definition of "Share Option" in the Definitions of the Original Offer so that it shall read as follows:

"Share Option" means 0.6311 CGI Shares for each Cognicase Share";

(vii) by amending the first paragraph under "The Offer" in the Summary of the Original Offer so that it shall read as follows:

"The Offeror is offering, on the terms and subject to the conditions of the Offer, to purchase all of the outstanding Cognicase Shares (including Cognicase Shares which may become outstanding after the date of the Original Offer upon the exercise of outstanding Options and other Rights) on the basis of, at the option of the Shareholder, for each Cognicase Share:

- (a) \$4.50 in cash (the "Cash Option");
- (b) 0.6311 CGI Shares (the "Share Option"); or
- (c) any combination of the above;

as elected by a Shareholder in the applicable Letter of Transmittal, subject to the Maximum Cash Consideration and Maximum Share Consideration, and to pro-ration. See Section 1 of the Original Offer, "The Offer".";

(viii) by amending the last sentence of the third paragraph under "The Offer" in the Summary of the Original Offer so that it shall read as follows:

"On such date, the Offer represents a 32.4% premium over the closing price of the Cognicase Shares on the TSX, and a 48% and 59% premium over the 20-day and 90-day weighted average closing price of the Cognicase Shares on the TSX, respectively.";

(ix) by amending the sixth and eighth paragraphs in Section 1 of the Original Offer, "The Offer", so that they shall read as follows:

"The purchase consideration referred to in paragraphs (c) and (d) above shall be determined using a CGI Share price of \$7.13."; and

"No fractional CGI Share shall be issued pursuant to the Offer. In lieu of a fractional CGI Share, a Share Electing Shareholder will receive a cash payment determined on the basis of \$7.13 for each whole CGI Share.".

3. Modifications to the Conditions of the Offer

The Offeror has further amended the Original Offer by modifying certain conditions of the Offer set forth in Section 4 of the Original Offer, "Conditions of the Offer", so that only the conditions set forth below shall be conditions to completion of the Offer.

"The Offeror reserves the right to withdraw the Offer and not take up and pay for, or extend the period of time during which the Offer is open, and postpone the taking up and paying for, any Cognicase Shares deposited hereunder if any of the following conditions has not been satisfied or waived by the Offeror at or prior to the Expiry Time:

- (a) there shall have been validly deposited under the Offer and not withdrawn at least (i) 66% of the outstanding Cognicase Shares and (ii) 50.01% of the outstanding Cognicase Shares other than those Cognicase Shares held by persons whose

Edgar Filing: CGI GROUP INC - Form F-8/A

- (b) all outstanding Rights which are, by their terms, accelerated or vested by reason of the Offer (without any third-party notification) and all outstanding Options shall have been exercised in full by the beneficiaries or holders thereof, converted, cancelled or otherwise dealt with in a manner satisfactory to the Offeror, in its entire discretion;
- (c) the waiting period pursuant to Section 123 of the Competition Act shall have expired or been earlier terminated and the Offeror shall not have received a letter from the Commissioner of Competition, or his authorized representative, indicating that the Commissioner intends to make an application under Section 92 of the Competition Act;

- (e) all material necessary regulatory approvals (including, without limitation, those of any stock exchange or other regulatory authorities), other than those listed in paragraphs (c) and (d) above, will have been obtained or concluded on terms satisfactory to the Offeror, acting reasonably, and any applicable governmental or regulatory waiting periods shall have expired or been terminated;
- (f) (i) no act, action, suit or proceeding shall have been threatened to be taken or taken before or by any domestic or foreign arbitrator, court or tribunal or governmental agency or other regulatory authority or administrative agency or commission or by any elected or appointed public official or private person (including, without limitation, any individual, company, firm, group or other entity) in Canada or elsewhere, whether or not having the force of law, and (ii) no law, regulation, rule or policy shall have been proposed, enacted, promulgated or applied, in the case of either (i) or (ii) above:
 - (A) to cease trade, enjoin, prohibit or impose material limitations or conditions on the purchase by or the sale to the Offeror of any of the Cognicase Shares or the rights of the Offeror to own or exercise full rights of ownership of all of the Cognicase Shares; or
 - (B) which, if the Offer was consummated, could materially adversely affect Cognicase and its Subsidiaries considered on a consolidated basis;

7

-
- (i) no representation or warranty of Cognicase in the Support Agreement shall be, as of the date on which the Offeror takes up Cognicase Shares deposited under the Offer, untrue or incorrect in any material respect and all of the covenants and obligations of Cognicase set out in the Support Agreement shall have been complied with on or before such date in all material respects.

The foregoing conditions are for the exclusive benefit of the Offeror. The Offeror may assert any of the foregoing conditions at any time, regardless of the circumstances giving rise to such assertion (including any action or inaction by the Offeror). The Offeror may waive any of the foregoing conditions in whole or in part at any time and from time to time without prejudice to any other rights which the Offeror may have.

Any waiver of a condition or the withdrawal of the Offer shall be effective upon written notice or other communication confirmed in writing by the Offeror to that effect to the Depositary at its principal office in Montreal. The Offeror, forthwith after giving any such notice, shall make a public announcement of such waiver or withdrawal and, where required by law, shall cause the Depositary as soon as practicable

thereafter to notify the Shareholders in the manner set forth in Section 9 of the Original Offer, "Notice and Delivery", and shall provide a copy of the aforementioned notice to the TSX. If the Offer is withdrawn, the Offeror shall not be obligated to take up or pay for any Cognicase Shares deposited under the Offer and the Depositary will promptly return all certificates of deposited Cognicase Shares, Letters of Transmittal, Notices of Guaranteed Delivery and related documents to the parties who deposited them."

4. Selected Historical and Pro Forma Condensed Consolidated Financial Information of CGI

The Offeror has amended Section 6 of the Circular to the Original Offer, "Selected Historical and Pro Forma Condensed Consolidated Financial Information of CGI", so that it shall read as follows:

"The following table sets out certain historical consolidated financial information and unaudited pro forma condensed consolidated financial information for CGI as a result of the combination of Cognicase with the Offeror as at and for the year ended September 30, 2002. There is no information known to the Offeror which indicates any material change in the affairs of Cognicase since the date of the last published financial statements of Cognicase other than as has been publicly disclosed by Cognicase. The historical consolidated financial information is extracted from and should be read in conjunction with the audited consolidated financial statements of CGI and accompanying notes incorporated herein by reference. The unaudited pro forma condensed consolidated financial information set forth below is extracted from and should be read in conjunction with the unaudited pro forma condensed consolidated financial statements of CGI and accompanying notes contained in Schedule "A" to this Notice of Change and Variation, which form part of the Offer. The unaudited pro forma condensed consolidated financial statements have been presented assuming that the Offeror acquires all of the Cognicase Shares and assuming that the aggregate consideration under the Offer is paid as to 56% in cash and as to 44% in CGI Shares. The following does not give effect to expected synergies and operational improvements expected to be realized as a result of the combination of Cognicase with the Offeror.

Amounts due under the terms of revolving credit facilities under a credit agreement (the "1999 Credit Agreement") dated as of September 29, 1999, as modified. The 1999 Credit Agreement was in the amount of \$250 million and was an unsecured credit package. As of November 12, 2002, the facilities under the 1999 Credit Agreement were terminated and replaced by the facilities under a new credit agreement entered into as of November 12, 2002 (the "Credit Agreement"). The Credit Agreement provides two facilities: facility A in the amount of \$150 million on a one year revolving basis, which may be extended at the option of the lenders for additional periods of 364 days, and facility B in the amount of \$265 million on a three year revolving basis. The cost of funds borrowed is calculated by reference to the Libor rate, one of the lender's prime rate for loans in Canadian dollars or reference rate for loans in US funds, or at a specified annual rate applicable to Canadian dollar bankers' acceptances, depending on the form of borrowing. Advances can be made, *inter alia*, by way of bankers' acceptances or letters of credit.

(2)

For outstanding options and warrants as at September 30, 2002, reference is made to Note 7 to the audited consolidated financial statements of CGI incorporated in the Offer by reference. In addition to the warrants to purchase up to 5,118,210 Class A Shares referred to in such Note and issued in connection with the signing of a strategic outsourcing contract and of a business acquisition (the "Initial Warrants"), CGI issued to the Majority Shareholders (as defined in Schedule "A" to the Circular) and BCE Inc. ("BCE") warrants (the "Pre-emptive Rights Warrants") to subscribe in the aggregate up to 3,865,014 Class A Shares and 697,044 Class B Shares pursuant to the exercise of their pre-emptive rights contained in the articles of incorporation of CGI, with substantially similar terms and conditions as those of the Initial Warrants. The Pre-emptive Rights Warrants may be exercised by BCE and the Majority Shareholders only to the extent that the holders of the Initial Warrants exercise such Initial Warrants. Furthermore, subject to regulatory approval, CGI has undertaken in favour of a holder of Initial Warrants to purchase up to 4,000,000 Class A Shares to issue promptly after April 30, 2006 (the "Expiration Date") replacing warrants (the "Extended Warrants") to purchase Class A Shares equal to the number of Class A Shares not purchased by such holder under the terms of the Initial Warrants on the Expiration Date. The Extended Warrants will have substantially similar terms and conditions as those of the Initial Warrants, except for the exercise price which will be based upon the closing price of the Class A Shares on the TSX on the date preceding the issuance of the Extended Warrants."

6. Source of Funds

The Offeror has amended Section 8 of the Circular to the Original Offer, "Source of Funds", so that it shall read as follows:

"The Offeror estimates that if it acquires all of the Cognicase Shares pursuant to the Offer or pursuant to any following Compulsory Acquisition, Subsequent Acquisition Transaction and related dissent, the total amount of cash required for the purchase of such Cognicase Shares and to pay related fees and expenses would be approximately \$189,183,000. CGI will finance all of this amount from funds available under the Credit Agreement. See Section 5 of this Notice of Change and Variation, "Pro Forma Capitalization of CGI"."

7. Unaudited Pro Forma Condensed Consolidated Financial Statements

The Offeror has amended Schedule "B" to the Circular to the Original Offer, "Unaudited pro forma condensed consolidated financial statements", and replaced it by Schedule "A" to this Notice of Change and Variation, which forms part of this Notice of Change and Variation.

8. Time for Acceptance

The Offer is open for acceptance until the Expiry Time on the Expiry Date, unless extended or withdrawn. Cognicase Shares may be deposited pursuant to the Offer in accordance with the provisions of Section 2 of the Original Offer, "Time for Acceptance".

9. Take-Up and Payment for Deposited Cognicase Shares

If all of the conditions of the Offer are satisfied or waived by the Offeror at or prior to the Expiry Time, the Offeror will be obligated to take-up and pay for the Cognicase Shares validly deposited and not withdrawn under the Offer no later than as required by applicable securities laws as described in Section 7 of the Original Offer, "Payment for Deposited Cognicase Shares".

10. Withdrawal of Deposited Cognicase Shares

All deposits of Cognicase Shares pursuant to the Offer are irrevocable, except as provided in Section 8 of the Original Offer, "Withdrawal of Deposited Cognicase Shares".

11. Statutory Rights

Securities legislation in certain of the provinces and territories of Canada provides Shareholders with, in addition to any other rights they may have at law, rights of rescission or to damages, or both, if there is a misrepresentation in a circular or notice that is required to be delivered to such Shareholders. However, such rights must be exercised within prescribed time limits. Shareholders should refer to the applicable provisions of the securities legislation of their province or territory for particulars of those rights or consult with a lawyer.

CGI GROUP INC.
Notes to unaudited pro forma condensed consolidated financial statements
year ended September 30, 2002

1. Description of revised offer to purchase

CGI Group Inc. ("CGI") has amended its offer dated December 6, 2002 pursuant to the Notice of Change and Variation dated January 1, 2003 to purchase all Cognicase Inc. ("Cognicase") issued and outstanding common shares, including Cognicase common shares which may become outstanding after the date of this revised offer upon the exercise of currently outstanding options and other rights (including the guaranteed purchase price balance to be satisfied by the issuance of shares) on the basis of, at the option of Cognicase shareholders for each Cognicase common share as follows:

\$4.50 in cash (the cash option)

0.6311 CGI Class A subordinate shares (the share option) or

any combination of the above as elected by the Cognicase shareholder.

2. Basis of presentation

The accompanying unaudited pro forma condensed consolidated balance sheet and unaudited pro forma condensed consolidated statement of earnings for the year ended September 30, 2002 of CGI Group Inc. ("CGI") have been prepared by management in accordance with Canadian generally accepted accounting principles for inclusion in CGI's Circular ("Circular") to give effect to the proposed acquisition of all outstanding Cognicase common shares by CGI based on:

Edgar Filing: CGI GROUP INC - Form F-8/A

The audited consolidated financial statements of CGI for the year ended September 30, 2002.

The unaudited consolidated balance sheet of Cognicase as at September 30, 2002 and the unaudited consolidated statement of earnings of Cognicase for the year then ended.

There is no information known to CGI's management which indicates any material change in the affairs of Cognicase since the date of the last published unaudited financial statements of Cognicase other than that which has been publicly disclosed by Cognicase.

In the opinion of CGI's management, the unaudited pro forma condensed consolidated balance sheet and the unaudited pro forma condensed consolidated statement of earnings contain all material adjustments necessary for a fair presentation applicable to the preparation of pro forma condensed financial statements.

In preparing the unaudited pro forma condensed consolidated financial statements, no adjustments have been made to give effect to operating synergies that may result from the acquisition. As such, the unaudited pro forma condensed consolidated financial statements are not necessarily indicative of the results that actually would have occurred, or results expected in future periods, had the events reflected herein occurred on the dates indicated.

The unaudited pro forma condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements of CGI included by reference in the Circular.

A-5

3. Significant Assumptions and Adjustments

In the preparation of the unaudited pro forma condensed consolidated financial statements, the following significant assumptions and adjustments have been made:

- (i) The unaudited pro forma condensed consolidated balance sheet at September 30, 2002 gives effect to the acquisition discussed in Note 1 above as if it had occurred on September 30, 2002. The unaudited pro forma condensed consolidated statement of earnings for the year ended September 30, 2002 gives effect to the acquisition as if it had occurred on October 1, 2001.
- (ii) The unaudited pro forma condensed consolidated financial statements assume that CGI will pay \$4.50 or issue 0.6311 CGI Class A subordinate shares or any combination of the above as elected by Cognicase shareholders, for each outstanding common share of Cognicase. Under the assumption that all the shareholders of Cognicase accept the Offer and that there are 62,399,738 Cognicase common shares outstanding as at October 31, 2002, the total purchase price for the acquisition is estimated to be \$333,899,000 including the payment of \$48,100,000 guaranteed purchase price payable by the issuance of Cognicase common shares and professional fees and costs related to the acquisition estimated at \$5,000,000 by CGI's management. The unaudited pro forma condensed consolidated financial statements assume that the \$48,100,000 guaranteed purchase price payable by the issuance of Cognicase common shares will be paid by the issuance of 2,968,303 CGI Class A subordinated shares for an aggregate value of \$21,164,000 and an equivalent cash consideration of \$26,936,000. Also, the unaudited pro forma condensed consolidated financial statements assume that all Cognicase common shares are acquired by the Offeror and that the maximum aggregate cash consideration and maximum aggregate CGI Class A subordinate shares consideration will not exceed \$184,183,000 and 20,296,774 CGI Class A subordinate shares respectively. For the purposes of the unaudited pro forma condensed consolidated financial statements based on publicly available information, the payment of the in-the-money amount of the Cognicase options was not considered in the establishment of the consideration to be paid and the purchase price allocation as the amounts were estimated to be not significant.
- (iii) The unaudited pro forma condensed consolidated financial statements reflect the acquisition using the purchase method with the excess of the fair value of the consideration paid over the estimated fair value of net assets acquired being temporarily allocated to goodwill. This allocation is subject to change and is not necessarily indicative of the ultimate purchase price allocation. The final allocation is subject to completion of appraisal estimates and other valuations which would be

Edgar Filing: CGI GROUP INC - Form F-8/A

completed within twelve months following the acquisition and may result in the purchase price being allocated to other identifiable intangible assets besides

A-6

goodwill. A summary of the preliminary allocation of the total purchase consideration, is shown below:

	\$ (in thousands)
Non-cash working capital items	65,946
Fixed assets	58,526
Investments	6,119
Contract costs and other long-term assets	72,570
Future income taxes	3,696
Goodwill	156,729
Long-term debt and balance of purchase price payable (including current portion)	(61,320)
	302,266
Cash position at acquisition	31,633
	333,899
Consideration	
Cash (see Note (iv))	184,183
Issuance of 20,296,774 CGI Class A subordinate shares	144,716
Acquisition costs (estimated by management) (see Note (iv))	5,000
	333,899

- (iv) Interest expenses of \$8,343,000 have been recorded to reflect the estimated costs to be incurred on the amount of \$189,183,000 which CGI's management expects to borrow at an estimated rate of 4.41% per annum to finance the acquisition.
- (v) Provision for income taxes has been decreased by \$3,170,000 to reflect the impact of the interest expenses adjustment.
- (vi) Under the articles of incorporation of CGI, holders of CGI Class B shares (multiple voting) have pre-emptive rights in connection with certain issuances of CGI Class A subordinate shares or of securities convertible into CGI Class A subordinate shares. Pursuant to these pre-emptive rights, holders of CGI Class B shares (multiple voting) have a right to subscribe to that number of CGI Class B shares (multiple voting) which allow them to maintain their then current percentage voting partner associated with the CGI Class B shares (multiple voting) in CGI.
- Under the options agreement among Bell Canada, CGI, BCE Inc. and various other shareholders of CGI, BCE Inc. has additional pre-emptive rights in connection with certain issuances of CGI Class A subordinate shares or securities convertible into such shares to purchase that number of CGI Class A subordinate shares to maintain its equity participation in CGI.
- Holders of Class B shares (multiple voting) and BCE have not disclosed to CGI whether they will exercise their pre-emptive rights to acquire additional CGI Class B shares and CGI Class A subordinate shares. This potential issuance was not reflected in the unaudited pro forma condensed consolidated financial statements.

PART II

INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREEES OR PURCHASERS

INDEMNIFICATION

Under the Companies Act (Québec), a company shall assume the defense of its directors and officers in any action prosecuted by a third person for an act done in the exercise of his duties and shall pay damages, if any, resulting from that act, unless the director or officer has committed a grievous offense or a personal offense separable from the exercise of his duties. However, in a penal or criminal proceeding, the company shall assume only the payment of the expenses of its director or officer if he had reasonable grounds to believe that his conduct was in conformity with the law, or the payment of the expenses of a director or officer, if he has been freed or acquitted. The Registrant's bylaws provide that the board of directors may purchase, for the benefit of its directors, officers or their predecessors or any other person who has

Edgar Filing: CGI GROUP INC - Form F-8/A

assumed or who is about to assume a responsibility on behalf of the Registrant or any corporation controlled by it, insurance covering the liability they incur for having acted in their capacity as directors or officers of the company, with the exception of the liability resulting from their own negligence or a personal fault separable from the performance of their duties. The Registrant maintains directors' and officers' liability insurance.

The Registrant has purchased a policy of insurance for the benefit of itself and the directors and officers of the Registrant against liability incurred by the directors and officers in the performance of their duties. The aggregate amount of coverage is U.S. \$200 million in respect of any one occurrence. By the terms of the policy, in circumstances where a director or officer has a claim against the Registrant in respect of a loss covered by the policy, the Registrant may claim on the policy for 100% of the loss less the deductible of (i) U.S. \$500,000 for claims in the United States, (ii) U.S. \$250,000 for claims in Canada, and (iii) U.S. \$100,000 for all other claims, applicable to a personal suit against directors claim which may be indemnified by the Registrant under the policy. In addition, where a director or officer has a claim against the insurers in respect of a loss covered by the policy, the director or officer may claim on the policy for 100% of the loss.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers, or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.
