QUESTIONS AND ANSWERS ABOUT VOTING

Q: Why did you send me this proxy statement?

A: This proxy statement is being sent to you because 1-800 CONTACTS' Board of Directors is soliciting your proxy to vote at the 2003 Annual Meeting of Stockholders. This proxy statement summarizes the information you need to know to vote intelligently on the matters to be voted on at the annual meeting. Stockholders of record as of the close of business on April 2, 2003 are entitled to vote. This proxy statement is being sent on or about April 30, 2003 to those persons who are entitled to vote at the annual meeting.

Q:

How many votes do I have?

A: Each share of 1-800 CONTACTS' common stock that you own entitles you to one vote.

Q: **How do I vote?**

A: You can vote on matters presented at the annual meeting in two ways:

1. You can vote by filling out, signing and dating your proxy card and returning it in the enclosed envelope, OR
2. You can attend the annual meeting and vote in person.

Q: **How do I vote by proxy?**

A: If you properly fill out your proxy card and send it to us in time to vote, your shares will be voted as you have directed. If you do not specify a choice on your proxy card, the shares represented by your proxy card will be voted for the election of all nominees and for the ratification of the appointment of KPMG LLP as 1-800 CONTACTS' independent auditors for the 2003 fiscal year.

Whether or not you plan to attend the annual meeting, we urge you to complete, sign, date and return your proxy card in the enclosed envelope. Returning the proxy card will not affect your right to attend the annual meeting and vote in person.

Q: **How do I vote in person?**

A: If you attend the annual meeting, we will give you a ballot when you arrive.

Q: **If my shares are held in "street name" by my broker, will my broker vote my shares for me?**

A: Your broker will vote your shares only if you provide instructions on how to vote. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares.

Q: **Can I change my vote or revoke my proxy after I have mailed my proxy card?**

A: You can change your vote at any time before your proxy is voted at the annual meeting. You can do this in one of three ways. First, you can send a written notice to the Secretary of 1-800 CONTACTS at our headquarters stating that you would like to revoke your proxy. Second, you can complete and submit a new proxy card. Third, you can attend the annual meeting and vote in person. Simply attending a meeting, however, will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow the directions you received from your broker to change your vote.

Q: Will there be any matters voted upon at the annual meeting other than those specified in the Notice of Annual Meeting?

A: 1-800 CONTACTS' management does not know of any matters other than those discussed in this proxy statement that will be presented at the annual meeting. If other matters are properly brought before the meeting and 1-800 CONTACTS does not have notice of these matters a reasonable time prior to the annual meeting, all proxies will be voted in accordance with the recommendations of 1-800 CONTACTS' management.

Q: How are votes counted?

A: Stockholders of record of 1-800 CONTACTS' common stock as of the close of business on April 2, 2003 are entitled to vote at the annual meeting. As of April 2, 2003, there were 13,050,389 shares of common stock outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock will constitute a quorum for the transaction of business. Each share of common stock is entitled to one vote on each matter to come before the annual meeting.

Under Delaware law, if you have returned a valid proxy or attend the meeting in person, but abstain from voting, your stock will nevertheless be treated as present and entitled to vote. Your stock therefore will be counted in determining the existence of a quorum and, even though you have abstained from voting, will have the effect of a vote against any matter requiring the affirmative vote of a majority of the shares present and entitled to vote at the annual meeting, such as the ratification of the appointment of KPMG LLP as 1-800 CONTACTS' independent auditors for the 2003 fiscal year.

Under Delaware law, broker "non-votes" are also counted for purposes of determining whether a quorum is present, but are not counted in determining whether a matter requiring a majority of the shares present and entitled to vote has been approved or whether a plurality of the vote of the shares present and entitled to vote has been cast.

Q: How are proxies being solicited and who pays for the solicitation of proxies?

A: Initially, 1-800 CONTACTS will solicit proxies by mail. 1-800 CONTACTS' directors, officers and employees may also solicit proxies in person or by telephone without additional compensation. 1-800 CONTACTS will pay all expenses of solicitation of proxies.

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of 1-800 CONTACTS, INC., a Delaware corporation ("1-800 CONTACTS" or the "Company"), of proxies for use in voting at the Annual Meeting of Stockholders scheduled to be held on May 30, 2003 and at any postponement or adjournment thereof. This Proxy Statement and the related proxy card are being mailed to holders of the common stock of 1-800 CONTACTS, commencing on or about April 30, 2003. References in this Proxy Statement to "we," "our" or "us" refer to 1-800 CONTACTS, unless otherwise noted.

Voting and Revocability of Proxies

When proxies are properly dated, executed and returned, the shares they represent will be voted as directed by the stockholder on all matters properly coming before the annual meeting.

Where specific choices are not indicated on a valid proxy, the shares represented by such proxies received will be voted:

1. FOR the nominees for directors named in this Proxy Statement; and
- 2.

Edgar Filing: 1 800 CONTACTS INC - Form DEF 14A

FOR the ratification of the appointment of KPMG LLP as independent auditors in accordance with the best judgment of the persons named in the enclosed proxy, or their substitutes.

In addition, if other matters come before the annual meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters.

Returning your completed proxy will not prevent you from voting in person at the annual meeting should you be present and desire to do so. In addition, the proxy may be revoked at any time prior to its exercise either by giving written notice to the Secretary of the Company prior to the annual meeting or by submission of a later-dated proxy.

At the annual meeting, inspectors of election shall determine the presence of a quorum and shall tabulate the results of the stockholders' voting. The presence of a quorum is required to transact the business proposed to be transacted at the annual meeting. The presence in person or by proxy of holders of a majority of the outstanding shares of common stock entitled to vote will constitute the necessary quorum for any business to be transacted at the annual meeting. In accordance with the General Corporation Law of the State of Delaware (the "DGCL"), properly executed proxies marked "abstain" as well as proxies held in street name by brokers that are not voted on all proposals to come before the annual meeting ("broker non-votes"), will be considered "present" for the purposes of determining whether a quorum has been achieved at the annual meeting.

The three nominees for director receiving the greatest number of votes cast at the annual meeting in person or by proxy shall be elected. Consequently, any shares of common stock present in person or by proxy at the annual meeting but not voted for any reason have no impact in the election of directors, except to the extent that the failure to vote for an individual may result in another individual receiving a larger number of votes. All other matters to be considered at the annual meeting require the favorable vote of a majority of the shares entitled to vote at the meeting either in person or by proxy. Stockholders have no right to cumulative voting as to any matter, including the election of directors. If any proposal at the annual meeting must receive a specific percentage of favorable votes for approval, abstentions in respect of such proposal are treated as present and entitled to vote under the DGCL and therefore have the effect of a vote against such proposal. Broker nonvotes in respect to any proposal are not counted for purposes of determining whether such proposal has received the requisite approval under the DGCL.

Record Date and Share Ownership

Only stockholders of record of the common stock on the books of the Company at the close of business on April 2, 2003 will be entitled to vote at the annual meeting. On that date, we had 13,050,389 shares of common stock outstanding. A list of our stockholders will be open to the examination of any stockholders, for any purpose germane to the meeting, at our headquarters for a period of ten (10) days prior to the meeting. Each share of common stock entitles the holder thereof to one vote on all matters submitted to stockholders.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Board is currently comprised of eight directors who are divided into three classes. The term of each class expires in a different year. At the annual meeting, three directors are to be elected as members of Class II to serve until the annual meeting in 2006 and until their successors are elected and qualified or until their earlier removal or resignation. The Board has nominated three nominees set forth below, each of whom has agreed to serve as a director if elected. Each nominee currently serves as a director of 1-800 CONTACTS. In the event any nominee is unable or unwilling to serve as a director at the time of the annual meeting (which events are not anticipated), the persons named on the enclosed proxy card may substitute another person as a nominee or may add or reduce the number of nominees to such extent as they shall deem advisable.

Subject to rights of holders of any series of preferred stock to fill newly created directorships or vacancies, any newly created directorships resulting from an increase in the authorized number of directors or any vacancies on the Board resulting from death, resignation, disqualification or removal for cause shall be filled by a vote of majority of the total number of directors then in office.

About the Board and its Committees

Meetings of the Board and its Committees. The Board held four meetings during fiscal 2002. The Board currently has two standing committees: the Audit Committee and the Compensation Committee. Each director is expected to attend each meeting of the Board and those committees on which he serves. In addition to meetings, the Board and its committees review and act upon matters through written consent procedures. All of the directors attended 75% or more of the total number of meetings of the Board and those committees on which he served during the last fiscal year.

The Audit Committee. The Audit Committee makes recommendations to the Board regarding the selection of the independent auditors and reviews the independence of such auditors, approves the scope of the annual audit activities of the independent auditors, approves the audit fee payable to the independent auditors and reviews such audit results. KPMG LLP presently serves as the independent auditors of 1-800 CONTACTS. The Audit Committee is currently comprised of Messrs. Yacktmann, Butler, Subotky and Knight. All of the members of the Audit Committee (other than Mr. Butler) are independent directors (as defined in Rule 4200(a)(15)) of the NASD listing standards. Mr. Butler is not currently considered independent under the existing NASD listing standards due to our investment in 2000 of \$220,000 through the purchase of stock in an entity in which he serves as an executive officer and director. As permitted by the existing NASD listing standards, our board has elected to have Mr. Butler continue to serve on the Audit Committee because the Board believes that it is in the best interest of the Company and its stockholders. Specifically, the Board believes that the Audit Committee benefits from Mr. Butler's significant business experience, including his involvement in operating retail businesses. This experience affords Mr. Butler a perspective not otherwise present on the Audit Committee. The Audit Committee met on four occasions in fiscal 2002.

The Compensation Committee. The Compensation Committee makes recommendations to the Board relating to the compensation arrangements of all of our executive officers and any awards to be made under our stock incentive plan. The Compensation Committee is currently comprised of Messrs. Yacktmann, Butler, Subotky, Knight and Katzman. Mr. Katzman was appointed to the compensation committee in April 2003. The Compensation Committee met on three occasions in fiscal 2002.

Recommendation of the Board

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES NAMED ABOVE.

PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board has appointed KPMG LLP as independent auditors to audit the Company's books and accounts for the fiscal year ending January 3, 2004. On May 15, 2002, the Board, upon recommendation of the Audit Committee, dismissed Arthur Andersen LLP ("Andersen") as the Company's independent auditors and engaged KPMG LLP to serve as the independent auditor for the year ended December 28, 2002.

Andersen's reports on the Company's consolidated financial statements for each of the two fiscal years ended December 29, 2001, did not contain adverse opinions or disclaimer of opinions, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the two fiscal years ended December 29, 2001, and during the subsequent interim period through May 15, 2002, there were no disagreements between the Company and Andersen on any matter of accounting principles and practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of the disagreement in connection with its report on the Company's consolidated financial statements for such years or period. During the Company's two fiscal years ended December 29, 2001, and through May 15, 2002, there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. Andersen furnished the Company with a letter addressed to the Securities and Exchange Commission confirming that it agreed with the above statements made by the Company. A copy of the letter, dated May 15, 2002, was filed as Exhibit 16 to the Company's Current Report on Form 8-K, filed with the Securities and Exchange Commission on May 16, 2002.

Stockholder ratification of the selection of KPMG LLP as our independent auditors is not required by our by-laws or other applicable legal requirement. However, the Board is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. It is expected that a representative of KPMG LLP will be present at the annual meeting, with the opportunity to make a statement if he so desires, and will be available to answer appropriate questions.

Approval of the proposal to ratify the appointment of KPMG LLP requires the affirmative vote of a majority of the shares present and entitled to vote at the annual meeting.

Audit and Non-Audit Fees

For the years ended December 28, 2002 and December 29, 2001, we paid or have accrued fees to the member firms of KPMG LLP and their affiliates (collectively, "KPMG"), our auditors since May 15, 2002 and Andersen, our prior auditors. Audit fees include the annual audit, audits of the acquired Singapore operations, statutory audits, quarterly reviews, accounting consultation and work related to our public filings. Audit-related fees include employee benefit plan audits, due diligence assistance and certain accounting consultation. Tax fees include income tax preparation and consultation. There were no fees for financial information systems design and implementation during the years. A summary of fees is as follows:

	<u>2002</u>	<u>2002</u>	<u>2001</u>
	(KPMG)	(Andersen)	(Andersen)
Audit fees	\$ 387,000	\$ 7,000	\$ 68,000
Audit-related fees	26,000	31,000	17,000
Tax fees	35,000	12,000	13,000
	<u> </u>	<u> </u>	<u> </u>
Total	\$ 448,000	\$ 50,000	\$ 98,000
	<u> </u>	<u> </u>	<u> </u>

Recommendation of the Board

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF KPMG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING JANUARY 3, 2004.

At an annual rate of appreciation of 5% per year for the option term, the price of the common stock would be approximately \$19.16 per share. At an annual rate of appreciation of 10% per year for the option term, the price of the common stock would be approximately \$30.50 per share.

Stock Options

Summary Description of our Incentive Stock Option Plan

General. In February 1998, we established our Incentive Stock Option Plan. A maximum of 1,240,000 shares of common stock, subject to adjustment, are authorized for the granting of stock options under the Incentive Stock Option Plan. As of March 31, 2003, options to purchase an aggregate of 975,779 shares of common stock, at exercise prices ranging from \$5.4688 to \$43.75 per share, were outstanding under the Incentive Stock Option Plan. Options granted under the Incentive Stock Option Plan may be either "incentive stock options," which qualify for special tax treatment under the Internal Revenue Code, or nonqualified stock options. The Incentive Stock Option Plan is intended to comply with Rule 16b-3 of the Exchange Act.

Eligibility. All of our employees and members of our Board are eligible to be granted options. Individuals who have rendered or are expected to render advisory or consulting services to us within a twelve-month period of the grant date are also eligible to receive options.

Edgar Filing: 1 800 CONTACTS INC - Form DEF 14A

Administration. Our Incentive Stock Option Plan is administered by the Compensation Committee. The Compensation Committee has full authority to interpret and construe any provision of our Incentive Stock Option Plan. Decisions of the Compensation Committee are final and binding.

Grant of Options; Vesting. The Compensation Committee may grant at any time to any eligible person an option entitling such person to purchase our common stock in such quantity, at such price, on such terms and subject to such conditions consistent with the provisions of our Incentive Stock Option Plan as may be established by the Compensation Committee on or prior to the date of grant of such option. The exact terms of the option will be contained in an option agreement between us and the person to whom such option is granted. Eligible employees are not required to pay anything to receive options. The exercise price for incentive stock options must be no less than the fair market value of the common stock on the date of grant. The exercise price of nonqualified stock options is not subject to any limitation based on the then current market value of the common stock. Options will expire not later than the tenth anniversary of the date of grant. An option holder will be able to exercise options from time to time, subject to vesting. All of the options granted under the Incentive Stock Option Plan through fiscal 1999 vest in three equal installments beginning on the first anniversary of the grant date and have an exercise price equal to the fair market value of the common stock on the grant date. Most options granted subsequent to fiscal 1999 under the Incentive Stock Option Plan vest in four equal installments beginning on the first anniversary of the grant date and all have an exercise price equal or greater than the fair market value of the common stock on the grant date. Options will vest immediately upon death or disability of a participant and upon certain change of control events. Upon termination for cause or after 30 days of termination for any other reason, the unvested portion of the options shall be forfeited. Subject to the above conditions, the exercise price, duration of the options and vesting provisions will be set by the Compensation Committee in its discretion.

Adjustments. In order to prevent dilution or enlargement of the rights of grantees, the Board shall appropriately and proportionately adjust the number, price and kind of shares subject to outstanding options and those available for subsequent grant to reflect any stock dividend, stock split, combination or exchange of shares, merger, consolidation or other similar change in our capitalization. The Board may also make any appropriate adjustment to reflect any spin-off, spin-out or other distribution of assets to stockholders or any acquisition of stock or assets or other similar change. The Compensation Committee shall determine the amount of the adjustment to be made in each such case, but no adjustment approved by the Compensation Committee shall be effective until and unless it is approved by the Board. In the event of any reorganization, reclassification, consolidation, merger or sale of all or substantially all of our assets, which is effected in such a way that holders of common stock are entitled to receive (either directly or upon subsequent liquidation) stock, securities or assets with respect to or in exchange for such common stock, the Board may substitute the per share amount of such stock, securities or assets for shares upon any subsequent exercise of any option.

Limitations. The aggregate number of shares underlying options granted to any eligible person during any calendar year may not exceed 100,000. No Incentive Stock Option may be granted under our Incentive Stock Option Plan which is exercisable more than ten years after its granting date. No person may be granted Incentive Stock Options if the value of the shares subject to those options which first become exercisable in any given calendar year (and the value of the shares subject to any other Incentive Stock Options issued to such person under our Incentive Stock Option Plan which first become exercisable in such year) exceeds \$100,000. Any Incentive Stock Options issued in excess of the \$100,000 limit will be treated as options that are not Incentive Stock Options. Incentive Stock Options will be taken into account in the order in which they were granted.

Termination. The Board may terminate our Incentive Stock Option Plan at any time; provided that the Board must obtain the consent of the holder of any option prior to termination if such termination materially and adversely affects the rights of such holder under such options. No option shall be granted under our Incentive Stock Option Plan after the termination of our Incentive Stock Option Plan, but the termination of our Incentive Stock Option Plan shall not have any other effect. Any option outstanding at the time of the termination of our Incentive Stock Option Plan may be exercised after termination of our Incentive Stock Option Plan at any time prior to the expiration date of such option to the same extent such option would have been exercisable had our Incentive Stock Option Plan not terminated.

The Compensation Committee is currently comprised on Messrs. Yacktman, Butler, Subotky, Knight and Katzman. Mr. Katzman was appointed to the compensation committee in April 2003. The Compensation Committee reviews the recommendations of the Chief Executive Officer on the compensation levels of all other officers, reviews and approves changes to the Company's compensation policies and practices and administers the Incentive Stock Option Plan.

Compensation Philosophy and Review

Edgar Filing: 1 800 CONTACTS INC - Form DEF 14A

The Company's general compensation philosophy serves three principal purposes:

1. to attract and retain qualified executives who will add to the Company's long-term success;
2. to link executive compensation to the achievement of the Company's operational and strategic objectives; and
3. to link executive compensation with each executive's performance, level of responsibility and overall contribution to the Company's success.

In making recommendations to the full Board concerning adjustments to compensation levels, the Compensation Committee considers the Company's financial condition and operational performance during the prior year. The Compensation Committee expects the Company's executive compensation program to consist of three principal components: (1) base salary; (2) annual bonus; and (3) long-term equity incentives. Set forth below is a discussion as to how the compensation for each of the Company's executive officers was determined for 2002:

Base Salary. In 2002, the Compensation Committee recommended to the Board, and the Board approved, an increase in the base salaries for Messrs. Coon, Nichols, Tanner, McCallum, Hunter and Zeidner. The previous base salaries for such executives were established in 2001 when the Compensation Committee recommended to increase their salaries from the previous base salary set pursuant to their respective employment agreements. See "Executive Compensation and Other Matters Employment Agreements." The total of base salary and bonus for each of these executive officers was increased in order to bring such compensation arrangements in line with market conditions and to reward such executives for their continued strong performance. Overall, Messrs. Coon, Nichols, Tanner, McCallum, Hunter and Zeidner received an increase in total cash compensation in 2002 of approximately 4.6%, 6.2%, 40.3%, 7.0%, 23.4% and 47.0%, respectively, as compared to 2001.

Annual Bonus. Under their respective employment agreements, Messrs. Coon, Nichols, Tanner, McCallum, Hunter and Zeidner are entitled to receive an annual bonus based on the achievement of certain targeted operating results and individual performance objectives, which are established at the beginning of each year by the full Board. The amount of bonus that such executive officer is eligible to earn is also established by the Board at the beginning of each year, which is subject to increase based on achievement beyond targeted levels and individual performance. In general, the targeted operating results are determined based upon net sales and operating income. For the most part, executive officers achieved their individual performance objectives and were awarded bonuses accordingly.

Long-Term Equity Incentives. The long-term equity incentive currently utilized by the Compensation Committee is stock option awards. The Compensation Committee believes that stock option awards are an effective incentive for the Company management to create value for the Company's stockholders since the ultimate value of stock options bear direct relationship to the market price of the common stock. Executive officers are generally granted stock options on an annual basis. The overall level of options granted to the executive officers is based on an assessment of their impact on the Company's operating results. For 2002, the Compensation Committee recommended, and the full Board approved, the grant to the executive officers of options to purchase an aggregate of 37,200 shares of common stock, or 6.8% of the options granted in 2002 as part of the Company's annual option grant program. As of March 31, 2003, options to purchase an aggregate of 975,779 shares of common stock were outstanding under the Incentive Stock Option Plan and options to purchase an aggregate of 183,318 shares of common stock were outstanding from options granted prior to the establishment of the Incentive Stock Option Plan.

The foregoing report has been approved by all members of the Compensation Committee.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is currently comprised of Messrs. Yacktman, Butler, Subotky, Knight and Katzman. No member of the Compensation Committee: (i) was, during our last fiscal year, an officer or employee of the Company or any of its subsidiaries; (ii) was formerly an officer of the Company or any of its subsidiaries; or (iii) had any relationship requiring disclosure under Item 404 of Regulation S-K.

Certain Relationships and Related Transactions

Each of our directors and executive officers have indemnification agreements with 1-800 CONTACTS.

Edgar Filing: 1 800 CONTACTS INC - Form DEF 14A

During fiscal year 2002, the Company incurred legal and consulting expense of approximately \$60,000 to an entity in which its president is a sibling of Mr. Zeidner, an executive officer of the Company.

During fiscal year 2002, the law firm of Patton Boggs provided legal services to the Company. Mr. Boggs, a member of the Company's Board, is a partner of that firm.

During fiscal year 2002, the Company acquired certain assets of IGEL. Subsequent to the acquisition, the Company sold product to an entity owned by the sellers of IGEL, one of which is the president and chief technology officer of ClearLab. Net revenue from this entity during the fiscal 2002 post-acquisition period was approximately \$419,000. In addition, this entity subleases space in the Company's Singapore building. Sublease income during 2002 was approximately \$18,000.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers, directors and persons who beneficially own more than ten percent of our common stock to file reports of securities ownership and changes in such ownership with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than ten percent beneficial owners also are required by rules promulgated by the SEC to furnish us with copies of all Section 16(a) forms they file.

We believe that during our last fiscal year, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with. Each of the Company's officers and directors were late in filing a Form 5 to report their respective option grants for 2002.

Corporate Governance

In 2002, the Sarbanes-Oxley Act ("SOA") was enacted and Nasdaq proposed new listing standards for companies listed on Nasdaq. Each of these developments when fully effective through regulations adopted by the SEC will bring significant changes to corporate governance requirements for public companies in the U.S. The Company expects to adopt all necessary policies and procedures to comply with these new regulations. The Company expects to complete these items after the final regulations under SOA become effective and the Nasdaq listing standards are promulgated through SEC regulation, currently expected to be completed sometime during 2003.

Report of the Audit Committee of the Board of Directors

This Audit Committee report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and shall not be deemed filed under the Acts.

The Audit Committee is composed of four directors appointed by the Board, each of whom (other than Mr. Butler) is independent under applicable NASD listing rules. The Audit Committee operates under a written charter adopted by the Board in fiscal 2001. The Audit Committee recommends to the Board of Directors the selection of the Company's independent auditors.

Management is responsible for the Company's internal accounting and financial controls, the financial reporting process, and compliance with the Company's legal and ethics programs. The Company's independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for issuance of a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and report its findings to the full Board.

In this context, the Audit Committee has met and held discussions separately, and jointly with each of management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 ("Communication with Audit Committees").

In connection with new standards for independence of the Company's external auditors promulgated by the SEC, during the Company's 2003 fiscal year the Audit Committee will undertake to consider in advance of the provision of any non-audit services by the Company's independent auditors whether the provision of such services is compatible with maintaining the independence of the Company's external auditors.

Edgar Filing: 1 800 CONTACTS INC - Form DEF 14A

The Company's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), and the Audit Committee discussed with the independent auditors that firm's independence.

Based on the Audit Committee's discussion with management and the independent auditors, its review of the representation of management and the report of the independent auditors, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 28, 2002.
