## UNDERTAKINGS

The Registrant undertakes to make available, in person or by telephone, representatives to respond to inquiries made by the Commission staff, and to furnish promptly, when requested to do so by the Commission staff, information relating to: the securities registered pursuant to Form 40-F; the securities in relation to which the obligation to file an annual report on Form 40-F arises; or to transactions in said securities.

## CONTROLS AND PROCEDURES

The Registrant carried out an evaluation, under the supervision and with the participation of the Registrant's management, including the Registrant's Chief Executive Officer and Chief Financial Officer, of the effectiveness of the Registrant's disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) of the Securities and Exchange Act of 1934 (the "Exchange Act"). Based on that evaluation, the Chief Executive Officer and Chief Financial Officer have concluded that the Registrant's disclosure controls and procedures as of December 31, 2004 were effective to ensure that information required to be disclosed by the Registrant in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission's rules and forms.

No changes were made in the Registrant's internal control over financial reporting during the period covered by this report that have materially affected, or are reasonably likely to materially affect, the Registrant's internal control over financial reporting.

The Registrant's management, including the Chief Executive Officer and Chief Financial Officer, does not expect that the Registrant's disclosure controls and procedures or internal control over financial reporting will prevent all error and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Registrant have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty, and that breakdowns can occur because of simple error or mistake. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the control. The design of any system of controls also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions; over time, control may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate. Because of the inherent limitations in a cost-effective control system, misstatements due to error or fraud may occur and not be detected.

## AUDIT COMMITTEE FINANCIAL EXPERT

Mahendra Naik serves as a member of the audit committee of the Registrant's Board of Directors. The Board of Directors has reviewed the definition of "audit committee financial expert" under item 8(a) of General Instruction B to Form 40-F and determined that Mr. Naik satisfies the criteria for a audit committee financial expert under the Exchange Act. The Commission has indicated that the designation of Mr. Naik as an audit committee financial expert does not make Mr. Naik an "expert" for any purpose, impose any duties, obligations or liability on Mr. Naik that are greater than those imposed on members of the audit committee and board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of the audit committee.

**CODE OF ETHICS**

The Registrant has adopted a code of ethics that applies to the Registrant's principal executive officer, principal financial officer and principal accounting officer or controller, or persons performing similar functions. A copy of Registrant's code of ethics is posted on the Registrant's web-site at [www.iamgold.com](http://www.iamgold.com).

**PRINCIPAL ACCOUNTANT FEES AND SERVICES**

Fees payable to the Registrant's independent auditor, KPMG LLP, for the years ended December 31, 2004, and December 31, 2003, totaled \$630,200 and \$219,300, respectively, as detailed in the following table:

	<b>Year ended December 31, 2004</b>	<b>Year ended December 31, 2003</b>
Audit Fees	\$ 284,400	\$ 192,100
Audit Related Fees	313,400	
Tax Fees	32,400	27,200
All Other Fees		
<b>TOTAL</b>	<b>\$ 630,200</b>	<b>\$ 219,300</b>

***Audit Fees***

These audit fees were for professional services rendered for the audits of the Registrant's consolidated financial statements, review of interim financial statements included in the Registrant's quarterly reports, subsidiary audits and services that generally only the independent auditor can reasonably provide, such as comfort letters, statutory audits, consents, and assistance and review of documents filed with the Securities and Exchange Commission and Canadian securities regulatory authorities.

***Audit-Related Fees***

These audit-related fees were for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under the "audit fees" category above. These services included Sarbanes-Oxley Section 404 advisory services, internal control reviews, and transaction due diligence and other services related to the Wheaton River and Gold Fields transactions.

***Tax Fees***

These tax fees were for tax compliance, tax advice and tax planning. These services included the preparation and review of corporate and expatriate tax returns, assistance with tax audits and transfer pricing matters, advisory services relating to federal, state, provincial and international tax compliance for customs and duties, advisory services regarding common forms of domestic and international taxation (i.e., tax credits, income tax, VAT, GST and excise taxes) and advisory services regarding restructurings, mergers and acquisitions.

***All Other Fees***

Fees disclosed in the table above under the item "all other fees" were for services other than the audit fees, audit-related fees and tax fees described above.

***Pre-Approval Policies and Procedures***

The Registrant's audit committee is responsible for overseeing the work of the independent auditors and has considered whether the provision of services other than audit services is compatible with maintaining the auditors' independence. The audit committee has adopted a policy regarding its pre-approval of all audit and permissible non-audit services provided by the independent auditors. The policy gives detailed guidance to the Registrant's management as to the specific types of services that have been pre-approved. The policy requires audit committee specific approval of all other permitted types of services that have not been pre-approved. The Registrant's senior management periodically

provides the audit committee with a summary of services provided

by the independent auditors in accordance with the pre-approval policy. The audit committee's charter delegates to its Chair the authority to evaluate and approve engagements in the event that the need arises for pre-approval between audit committee meetings. If the Chair approves any such engagements, he reports his approval decisions to the full audit committee at its next meeting. For the year ended December 31, 2004, none of the audit-related, tax or all other fees described above made use of the de minimus exception to pre-approval provisions contained in the applicable rules of the Commission.

**OFF-BALANCE SHEET ARRANGEMENTS**

None.

**TABULAR DISCLOSURE OF CONTRACTUAL OBLIGATIONS**

The disclosure provided under the heading "Liquidity and Capital Resources Contractual Obligations" in Exhibit 99.3 hereto is incorporated by reference herein.
