ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

General Information

This Proxy Statement is furnished to the stockholders of American Equity Investment Life Holding Company, 5000 Westtown Parkway, Suite 440, West Des Moines, Iowa 50266 (referred to in this Proxy Statement as the "Company" or as "we," "our" or "us"), in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Stockholders to be held on June 9, 2005, at the time and place shown in the Notice of Annual Meeting of Stockholders, and at any adjournment thereof.

We will bear all expenses in connection with this solicitation. Proxies may be solicited by the Board of Directors or management personally, by telephone or by facsimile.

This Proxy Statement is first being mailed on or about April 27, 2005.

Voting Rights

Only stockholders of record as of the close of business on April 15, 2005, will be entitled to the notice of and to vote at the meeting. We have a single class of voting common stock, \$1 par value per share ("Common Stock"), of which 38,375,157 shares were outstanding and entitled to vote on such date. Each share is entitled to one vote.

Shares present in person or represented by proxy at the meeting will be tabulated for determination of whether or not a quorum is present. A quorum will be present if a majority of the votes entitled to be cast on a matter are represented for any purpose at the meeting. Votes withheld for any Director and abstentions represented at the meeting will be counted for quorum purposes, but will not be counted as votes cast with respect to any other matter to come before the meeting and will not affect the outcome of any other matter. Votes will be tabulated under the supervision of EquiServe, Inc., which has been designated by the Board of Directors to act as inspector of the election.

If your shares of Common Stock are held in the name of a bank, broker or other holder of record, you will receive instructions from that holder of record that you must follow in order for your shares to be voted at the Annual Meeting. Contact your bank, broker or other holder of record directly if you have any questions.

If you plan to attend the meeting and vote in person, we will give you a ballot when you arrive. If your shares of Common Stock are not registered in your own name, and you plan to attend the Annual Meeting and vote your shares in person, you will need to contact the broker or agent in whose name your shares are registered to obtain a broker's proxy card and bring it with you to the Annual Meeting.

Voting

If you vote by proxy, the individuals named on the proxy card (your proxies) will vote your shares in the manner you indicate. If you sign, date and return the proxy card without indicating your instructions on how to vote your shares, the proxies will vote your shares as follows:

"FOR" the election of the three nominees for Directors.

If any other matter is presented at the Annual Meeting, your proxies will vote in accordance with their best judgment. At the time this proxy statement went to press, we knew of no matters to be addressed at the Annual Meeting beyond those described in this proxy statement.

As an alternative to voting by using the enclosed proxy card, if you are a registered shareholder (that is, you own shares of Common Stock in your own name and not through a broker, nominee or in some other "street name"), you may vote by telephone or Internet. Please see the enclosed proxy card

for instructions on how to access the telephone and Internet voting systems. If you hold your shares in "street name," your broker or other nominee will advise you whether you may vote by telephone or through the Internet as an alternative to voting by using the enclosed proxy card.

When voting using any of these methods, as to the election of Directors, you may (a) vote for all of the Director nominees as a group, (b) vote for all of the Director nominees as a group, except those nominees whose names you specify or (c) withhold your vote from all nominees as group.

A proxy may be revoked at any time prior to its use. Such revocation may be made in person at the Annual Meeting, by a notice in writing delivered to the Corporate Secretary of the Company, by voting by telephone or over the Internet at a later date or by a proxy bearing a later date.

The Board of Directors urges you to exercise your right to vote by returning the enclosed proxy card, by using the telephone or through the Internet.

Information Regarding the Company's Process for Identifying Director Nominees

The Company is committed to having a Board of Directors comprised of individuals who are accomplished in their fields, have the ability to make meaningful contributions to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct. The Nominating and Corporate Governance Committee will consider candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Corporate Governance Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held.

To have a candidate considered by the Nominating and Corporate Governance Committee, a shareholder must submit the recommendation in writing and in accordance with the requirements of our Amended and Restated Bylaws.

The Nominating and Corporate Governance Committee may apply several criteria in identifying nominees. At a minimum, the Committee shall consider (i) whether each such nominee has demonstrated, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of our business and affairs and (ii) the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities. Additional factors which the Committee may consider include a candidate's specific experiences and skills, relevant industry background and knowledge, time availability in light of other commitments, age, potential conflicts of interest, material relationships with us and independence from management and us. The Nominating and Corporate Governance Committee also may seek to have the Board represent a diversity of backgrounds and experience.

Audit Committee Report

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the Company's financial statements and the reporting process, including the systems of internal control. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon, as well as issuing a report on management's assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting. The Audit Committee is responsible for monitoring and overseeing the conduct of these activities and for supervising the relationship between the Company and the independent auditors.

In fulfilling its oversight responsibilities, the Committee meets regularly with management and the independent auditors, both jointly and separately. The Committee has reviewed and discussed with management and the independent auditors the Company's quarterly and annual reports filed with the Securities and Exchange Commission (SEC) and the Company's audited financial statements for the year ended December 31, 2004, including a discussion of the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee also reviewed and discussed with the independent auditors the matters required to be discussed with the Committee by Statement on Auditing Standards No. 61, *Communications with Audit Committees*, as amended, including significant accounting policies, alternative accounting treatments and estimates, judgments and uncertainties.

In addition, the Committee has received the written disclosures and letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, has reviewed and considered whether the provision of non-audit services by the

independent auditors to the Company is compatible with maintaining the auditors' independence, and has discussed with the independent auditors their independence from management and the Company.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC.

As specified in the Audit Committee charter, the Committee is not responsible for preparing or certifying financial statements, for planning or conducting audits, for determining that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles or for establishing and maintaining internal controls over financial reporting. That is the responsibility of management, and where applicable, the independent auditors. In giving our recommendation to the Board, the Committee has relied on management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles, and the report of the independent auditors with respect to such financial statements.

Compensation Committee Report

The Compensation Committee of the Board of Directors (the "Compensation Committee") administers the Company's executive compensation policies, equity-based compensation programs and Directors compensation programs. The Compensation Committee also establishes the salary and other compensation of the Company's Chief Executive Officer. The Compensation Committee consists of only independent, non-employee Directors who are appointed by the Board.

Our compensation policies and programs are designed to:

attract and retain highly qualified and motivated executive officers and employees;

encourage and reward achievement of our annual and long-term goals; and

encourage executive officers and employees to become stockholders with interests aligned with those of other stockholders.

Our executive compensation program includes base pay, discretionary annual cash bonuses, and long-term incentive opportunities through the use of stock options. Section 162(m) of the Internal Revenue Code limits deductible compensation to \$1 million per individual, with the exception of "performance-based compensation." All options granted to our CEO and other executive officers qualify for this exclusion. It is not anticipated that any executive officer will be paid more than \$1 million (excluding "performance-based compensation") and accordingly, all amounts paid as executive compensation should be deductible for federal income tax purposes.

Mr. Noble has elected to receive an annual base salary of \$60,000 since the formation of the Company in December 1995, and has received no cash bonuses. In 2000 and again in 2003, the Compensation Committee reviewed Mr. Noble's compensation and made recommendations to the Board of Directors concerning an increase in Mr. Noble's compensation and a cash bonus to reflect his leadership, the scope of his responsibilities and the Company's growth and profitability. In December 2003, in conjunction with the initial public offering ("IPO") of the Company's common stock, the Compensation Committee approved a grant of 50,000 stock options to Mr. Noble under the

2000 Employee Stock Option Plan. Such options are exercisable at the IPO price of \$9.00 per share; had a 6-month vesting period; and have a ten year term. Mr. Noble declined to receive any grant of stock options in 2004. The Compensation Committee has approved a form of employment contract for Mr. Noble, which includes an increase in salary and other long-term incentives. However, Mr. Noble has not accepted any salary increase or cash bonuses, and his total cash compensation from the Company remains at \$60,000. Mr. Noble desires to negotiate several aspects of his proposed employment contract.

In 2000, Mr. Noble received a five-year forgivable loan in the aggregate principal amount of \$800,000. Payments on this loan are treated as compensation to Mr. Noble when forgiven in accordance with the terms of the applicable agreements. This agreement will terminate, and the entire amount of principal and interest under the loan will have been forgiven on April 30, 2005.

During 2004, the Compensation Committee approved grants of an aggregate of 523,000 stock options under the 2000 Employee Stock Option Plan to senior management and other officers and employees of the Company. All such options (i) are exercisable at market value on the date of the grant; (ii) have a ten year term; and (iii) have a 6-month vesting period.

The Compensation Committee also reviewed Directors compensation. Each member of the Board of Directors who is not an officer now receives (i) \$1,000 per month payable quarterly and (ii) \$1,000 per meeting for attending meetings of the Board of Directors or meetings of committees of the Board of Directors (\$500 per meeting for telephonic meetings), plus reimbursement of expenses for attending such meetings. Each Chair of a committee who is not an officer of the Company now receives \$1,000 for each additional day such Chair is required to work in preparation for meetings.

The Compensation Committee also approved the grant of an aggregate of 6,000 stock options to our independent Directors under the 2000 Director Stock Option Plan on December 31, 2004. All such options (i) are exercisable at market value on the date of the grant; and (ii) have a ten year term.

The loan is repayable in five equal annual installments of principal and interest, each of which may be forgiven if Mr. Noble remains continuously employed by us in his present capacities, subject to specified exceptions. (1) The options all become exercisable after the expiration of six months from the date of grant.

(2) As required by the SEC, these columns show gains that may exist for the respective options, assuming that the fair value for our Common Stock appreciates from the date of grant of the duration of the options at the annual rates of 5% and 10% respectively. If the price of our Common Stock does not increase above the exercise price at the time of exercise, the value realizable from these options

will be zero.

Stock Incentive Plans

2000 Employee Stock Option Plan. Our 2000 Employee Stock Option Plan was adopted by our Board of Directors in April 2000, and was approved by our stockholders in June 2000. The 2000 Employee Stock Option Plan provides for the issuance of options to purchase a maximum of 1,800,000 shares of our Common Stock to our employees. Options granted under the 2000 Employee Stock Option Plan may be exercised for a period of no more than ten years from the date of grant. Unless sooner terminated by the Board of Directors, the 2000 Employee Stock Option Plan will terminate on June 30, 2010, and no additional awards may be made under the 2000 Employee Stock Option Plan after that date. As of December 31, 2004, there were 613,708 options outstanding under the 2000 Employee Stock Option Plan.

Options granted under the 2000 Employee Stock Option Plan may be either "incentive stock options" within the meaning of Section 422 of the Code or nonqualified stock options and entitle the optionee, upon exercise, to purchase shares of Common Stock from us at a specified exercise price per share. Incentive stock options must have a per-share exercise price of no less than the fair market value of a share of Common Stock on the date of grant or, if the optionee owns or is treated as owning (under Section 424 (d) of the Code) more than 10% of the total combined voting power of all classes of our stock, 110% of the fair market value of a share of Common Stock on the date of the grant. Nonqualified stock options granted under the 2000 Employee Stock Option Plan must have a per-share exercise price of no less than the fair market value of a share of Common Stock on the date of the grant. Options are not transferable other than by laws of descent and distribution and will generally be exercisable during an optionee's lifetime only by the optionee.

Our Compensation Committee administers the 2000 Employee Stock Option Plan and has the authority, subject to the provisions of the 2000 Employee Stock Option Plan, to determine who will receive awards under the 2000 Employee Stock Option Plan and the terms of such awards. The maximum number of shares which may be granted to any employee in any one year is 225,000. The Compensation Committee has the authority to determine whether to include a vesting schedule for any option grant; provided that, in the absence of such a schedule, all options vest six months after the date of grant. The Compensation Committee has the authority to adjust the number of shares available for options, the number of shares subject to outstanding options and the exercise price for options following the occurrence of events such as stock splits, dividends, distributions and recapitalizations.

However, without the approval of our stockholders, and except in connection with a stock split, stock dividend or similar event, the Compensation Committee will not lower the exercise price for any outstanding options or issue any replacement options for options previously granted at a higher exercise price.

The Compensation Committee may provide that the exercise price of an option may be paid in cash, Common Stock or by a promissory note. The Compensation Committee may also permit a "cashless exercise" arrangement whereby an optionee delivers an exercise notice and irrevocable instructions to an approved registered broker to sell shares and deliver the exercise price in cash to us.

If an optionee's employment with our company is terminated for any reason other than the optionee's death or disability, any outstanding options granted under the 2000 Employee Stock Option Plan will expire unless exercised within 60 days from the date of employment termination. If an optionee's employment with our company is terminated because the optionee dies or becomes disabled, any outstanding options granted under the 2000 Employee Stock Option Plan will expire unless exercised within one year after the date of employment termination. In the event of a change of control of our company, or upon the death or disability of the optionee, any outstanding options under the 2000 Employee Stock Option Plan will be immediately fully exercisable by an optionee or his or her designated beneficiary. A change of control includes the acquisition by any person of more than 20% of our outstanding voting stock, the election of two or more Directors in opposition to the Director nominees proposed by management, the transfer of all or substantially all of our assets or a merger or share exchange in which we are not the surviving corporation.

The 2000 Employee Stock Option Plan may be amended by the Board of Directors, except that the Board may not (i) change any option previously made under the 2000 Employee Stock Option Plan in a manner which would impair the recipients' rights without their consent or (ii) amend the 2000 Employee Stock Option Plan without approval of our stockholders, if required by law.

2000 Director Stock Option Plan. Our 2000 Director Stock Option Plan was adopted by our Board of Directors in April 2000, and was approved by our stockholders in June 2000. The 2000 Director Stock Option Plan provides for the issuance of options to purchase a maximum of 225,000 shares of Common Stock to nonemployee Directors of our company. Options granted under the 2000 Director Stock Option Plan may be exercised for a period of no more than ten years from the date of grant. Unless sooner terminated by our Board of Directors, the 2000 Director Stock Option Plan will terminate on June 30, 2010, and no additional awards may be made under the 2000 Director Stock Option Plan after that date. As of December 31, 2004, there were 12,000 options outstanding under the 2000 Director Stock Option Plan.

Options granted under the 2000 Director Stock Option Plan will be nonqualified stock options under the Code and entitle the optionee, upon exercise, to purchase shares of Common Stock from us at an exercise price per share no less than the fair market value of a share of Common Stock on the date of the grant. Options will not be transferable other than by laws of descent, and will generally be exercisable during an optionee's lifetime only by the optionee.

Our Board of Directors administers the 2000 Director Stock Option Plan and has the authority, subject to the provisions of the 2000 Director Stock Option Plan, to determine who will receive awards under the 2000 Director Stock Option Plan and the terms of such awards. The maximum number of shares which may be granted to any Director in any one year is 10,500. The Board has the authority to determine whether to include a vesting schedule for any option granted; provided that, in the absence of such a schedule, all options vest six months after the date of grant. The Board has the authority to adjust the number of shares available for options, the number of shares subject to outstanding options and the exercise price for options following the occurrence of events such as stock splits, dividends, distributions and recapitalizations. However, without the approval of our stockholders, and except in connection with a stock split, stock dividend or similar event, the Board will not lower the exercise

price for any outstanding options or issue any replacement options for options previously granted at a higher exercise price.

If an optionee's directorship is terminated for any reason other than the optionee's death or disability, any outstanding options granted under the 2000 Director Stock Option Plan will expire unless exercised within 60 days from the date of directorship termination. If an optionee's directorship is terminated because the optionee dies or becomes disabled, any outstanding options granted under the 2000 Director Stock Option Plan will expire unless exercised within one year after the date of directorship termination. In the event of a change of control of our company, or upon the death or disability of the optionee, any outstanding options under the 2000 Director Stock Option Plan will be immediately fully exercisable by an optionee or his or her designated beneficiary. A change of control includes the acquisition by any person of more than 20% of our outstanding voting stock, the election of two or more Directors in opposition to the Director nominees proposed by management, the transfer of all or substantially all of our assets or a merger or share exchange in which we are not the surviving corporation.

The 2000 Director Stock Option Plan may be amended by the Board of Directors, except that the Board may not (i) change any option previously made under the 2000 Director Stock Option Plan in a manner which would impair the recipients' rights without their consent or (ii) amend the 2000 Director Stock Option Plan without approval of our stockholders, if required by law.

Other Compensation Plans

We sponsor a bonus plan for all employees based upon net receipts of premiums from new annuity sales. Senior managers of the Company, with the exception of Mr. Noble, participate in this plan on a pro rata basis with all other employees. The bonus pool consists of 5 basis points (0.05%) of net premiums received during the six-month periods preceding each semi-annual distribution date. Distributions are made as cash bonuses on a pro rata basis equal to the ratio which each employee's gross salary bears to our total payroll expense for the relevant period. In addition, officers of the Company may receive annual discretionary cash bonuses in amounts determined by Mr. Noble.

We also have a qualified 401(k) plan for all employees after 30 days of employment and attainment of age 18. We match 50% of employee contributions to the plan to the extent of 4% of total compensation, subject to the limitations specified in the Code.

In 2002, we offered to senior officers a non-qualified deferred compensation plan and trust. Under this plan, any of our senior officers may elect to defer all or a portion of their salary and/or cash bonuses until their separation from service due to death, disability or retirement, or until the Board authorizes the release of the deferred amounts. Each officer electing to defer salary under this plan has a deferred compensation account where the investment of such account is subject to his/her direction. All assets held to fund such accounts are held in trust and would be returned to the Company only in the event of its insolvency.

Change in Control Arrangements

We have entered into change in control severance agreements with Messrs. Matovina, Wingert, Gerlach, and Reimer and Ms. Richardson and Ms. Carlson, which provide for payment of certain benefits to these executives if they are terminated following a change in control (defined below). The term of each agreement continues through December 31, 2004. However, each January 1 (beginning January 1, 2005), the term of each agreement will automatically extend one year unless we have given 90 days notice that we will not extend the term of the agreement. Upon the occurrence of a change in control, the term of each agreement shall be extended until the date that is 36 months following the change in control, or, with respect to Messrs. Gerlach and Reimer, 24 months.

An executive is entitled to payments under the change in control severance agreement if, following a change in control and during the 36-month period (or with respect to Messrs. Gerlach and Reimer, 24-month period) following the change in control, (i) we terminate the executive's employment other than for "cause" (defined below), or (ii) the executive terminates his or her employment with us for "good reason" (defined below).

Upon an executive's termination of employment as described above, the executive is entitled to the following:

Cash in an amount equal to three times (two times with respect to Messrs. Gerlach and Reimer) the greater of (i) the executive's base annual salary in effect at the time notice of termination is given or (ii) the executive's base annual salary in effect immediately preceding the change in control. This amount is payable in monthly installments over the three-year period following the executive's termination of employment, or, with respect to Messrs. Gerlach and Reimer, over the two-year period following the executive's termination of employment.

A cash lump sum equal to three times (two times with respect to Messrs. Gerlach and Reimer) the executive's target annual cash bonus in effect at the time notice of termination is given.

A cash lump sum equal to (i) the executive's base annual salary through the date of termination (to the extent not already paid) and (ii) the amount of the target annual bonus that the executive would receive for the year in which the executive's termination occurs, prorated through the date of termination.

During the period in which the executive is entitled to continued salary, the continuation of health, dental and life insurance benefits to the executive and the executive's family. If the executive becomes eligible to receive medical or other welfare benefits under another employer's plan, benefits from us will be secondary to those provided under such other employer's plan.

Amounts paid in respect of the executive's base annual salary or bonus shall be treated as "compensation" under any retirement plans.

Additionally, with respect to Messrs. Matovina and Wingert and Ms. Richardson and Ms. Carlson, if the executive is subject to the "golden parachute" excise tax imposed by Internal Revenue Code Sections 280G and 4999, the executive is entitled to receive an additional "gross-up" payment that is sufficient to pay the golden parachute excise tax and all other taxes, interest and penalties associated with the excise tax and gross-up payment.

With respect to Messrs. Gerlach and Reimer, if the executive is subject to the golden parachute excise tax, it will be determined whether a reduction in the amount of payments to the executive would result in a greater after-tax benefit to the executive than if the executive received all payments and paid all applicable taxes, including the golden parachute excise tax. If such a reduction would result in a greater after-tax benefit to the executive, the executive's payments will be reduced accordingly.

During the term of the agreement and during the period in which the executive is entitled to continued salary payments, the executive may not (i) solicit or entice any other employee to leave us or our affiliates to go to work for any competitor, or (ii) request or advise a customer or client of ours or our affiliates to curtail or cancel its business relationship with us or our affiliates.

The term "change in control" is defined in the agreements, but generally means the occurrence of any of the following events:

a person or entity, other than certain parties (such as Farm Bureau), directly or indirectly acquires beneficial ownership of securities representing 35% of the voting power of our outstanding securities;

during any period of not more than two consecutive years, a majority of the Board of Directors ceases to be constituted by incumbent Directors or Directors approved by two-thirds of the incumbent Directors;

our stockholders approve and we consummate a merger other than a merger that would result in our voting securities continuing to represent at least 50% of the voting power of the stock of the surviving entity; or

we sell all or substantially all of our assets or our stockholders approve a plan of complete liquidation of the company.

The term "cause" is defined in the agreements, but generally means any of the following:

The executive's willful and continued failure to substantially perform the executive's duties after a written demand for substantial performance is delivered to the executive.

The final conviction of the executive of, or an entering of a guilty plea or a plea of no contest by the executive to, a felony.

The willful engaging by the executive in illegal conduct or gross misconduct which is materially and demonstrably injurious to us.

The term "good reason" is defined in the agreements, but generally means, unless the executive has consented in writing, the occurrence of any of the following:

The assignment to the executive of duties inconsistent with the executive's position or a material diminution in status, title, authority, duties or responsibilities.

A reduction in the executive's base salary.

The relocation of the executive's office to a location more than fifty (50) miles outside of West Des Moines, Iowa.

Following a change in control, the failure by us or any of our affiliates to continue in effect any material fringe, compensation or employee benefit plan, or the taking of any action that would adversely affect the executive's participation in or materially reduce his or her benefits under any of such plans.

Following a change in control, our failure to obtain the successor entity's assumption of the executive's change in control severance agreement in writing.

Compensation Committee Interlocks and Insider Participation

The members of our Compensation Committee during 2004 were Messrs. Hilton, Strickland and Whitfield, none of whom has served at any time as an officer or employee of the company or our subsidiaries. Mr. Whitfield is of counsel to Whitfield & Eddy, P.L.C. We have retained Whitfield & Eddy from time to time to perform legal services.

Stock Performance Graph

The following graph sets forth a comparison of cumulative total return for the Common Stock of the Company ("AEL"), the Standard & Poor's 500 Index ("S&P 500"), and the Standard & Poor's 500 Financials Index ("S&P 500 Financials"), adjusted to assume the reinvestment of dividends for the last day of each quarter from December 31, 2003 through December 31, 2004 (the first day of trading of the Common Stock following the Company's initial public offering was December 4, 2003). The graph assumes \$100 invested in each of AEL, the S&P 500 and the S&P 500 Financials.

Certain Relationships and Related Party Transactions

General Agency Commission and Servicing Agreement. We have a General Agency Commission and Servicing Agreement with American Equity Investment Service Company, or the Service Company, which is wholly-owned by Mr. Noble, our chairman, chief executive officer, and president, whereby the Service Company acts as a national supervisory agent with responsibility for paying commissions to our agents. Under the terms of the Servicing Agreement, as amended, the Service Company has paid a portion (ranging from 13.5% to 100%) of the agents' commissions for certain annuity policies issued during 1997 - 1999 and 2002 - 2004. In return, we have paid and agreed to pay quarterly renewal commissions to the Service Company ranging from .0975% to .375% based upon the account values of the applicable annuity policies issued during those years. No renewal commission is paid unless the underlying policy is in force on the date renewal commissions are calculated pursuant to the terms of the Servicing Agreement.

We record a liability to the Service Company for the amounts paid by the Service Company to our agents and capitalize such amounts as deferred policy acquisition costs. For all years except 2004, renewal commissions are capped and interest expense computed at a 9% imputed interest rate. The liability to the Service Company for policies issued during 2004 was created on December 31, 2004 and quarterly renewal commissions are payable for five years. The effective interest rate based upon the estimated future renewal commissions for these policies as of December 31, 2004 is 14.8%. Actual renewal commission payments may vary from expected based upon the persistency and account value growth of the covered policies.

During the years ended December 31, 2004 and 2003, the Service Company paid \$20.0 million and \$14.4 million, respectively, to our agents and we paid renewal commissions to the Service Company of \$28.1 million, \$22.1 million, and \$21.7 million during the years ended December 31, 2004, 2003 and 2002, respectively. Estimated future payments under the General Agency Commission and Servicing Agreement at December 31, 2004 are as follows (Dollars in thousands):

Year ending December 31:	
2005	\$ 22,732
2006	5,891
2007	5,659
2008	5,436
2009	5,221
	<hr/>
	44,939
Amounts representing interest	(9,127)
	<hr/>
Net amount	\$ 35,812
	<hr/>

As a source of funding its portion of producing agents' commission payments, the Service Company borrowed funds from Mr. Noble and a third party. The amount payable to Mr. Noble by the Service Company at December 31, 2004 and 2003 was \$3.0 million and \$14.3 million, respectively. As an alternate source of funds for such first year commissions, the Service Company borrowed funds from

the Company. Notes receivable from the Service Company under this arrangement are summarized as follows (Dollars in thousands):

	December 31,	
	2004	2003
Interest at 8.75%	\$	\$ 3,619
Interest at 9.00%		419
Interest at 9.50%		3,444
Interest at Prime		12,325
	\$	\$ 27,921

Principal and interest on all loans to the Service Company are payable quarterly over five years from the date of the advance. The Service Company repays the above described indebtedness from the renewal commissions paid to it under the General Agency Commission and Servicing Agreement.

EquiTrust Transactions. We entered into two coinsurance agreements with EquiTrust Life Insurance Company, ("EquiTrust"), an affiliate of Farm Bureau Life Insurance Company, ("Farm Bureau") covering 70% of certain of our fixed rate and index annuities issued from August 1, 2001 through December 31, 2001, 40% of those contracts for 2002 and 2003 and 20% of those contracts issued from January 1, 2004 to July 31, 2004, when the agreement was suspended by mutual consent of the parties. As a result of the suspension, new business will no longer be ceded to EquiTrust until the parties mutually agree to resume the coinsurance of new business. The business reinsured under these agreements is not eligible for recapture before the expiration of 10 years. As of December 31, 2004, Farm Bureau beneficially owned 14.4% of our Common Stock.

Total annuity deposits ceded were \$202.1 million and \$649.4 million for the years ended December 31, 2004 and 2003, respectively. Expense allowances received were \$22.6 million and \$65.6 million for the years ended December 31, 2004 and 2003. The balance due under this agreement to EquiTrust was \$32.0 million at December 31, 2004 and \$22.6 million at December 31, 2003, and represents the market value of the call options related to the ceded business we hold to fund the index credits and cash due to or from EquiTrust related to the transfer of annuity deposits. We remain liable with respect to policy liabilities ceded to EquiTrust should it fail to meet the obligations assumed by it.

5% Trust Preferred Securities. In October 1999, American Equity Capital Trust II ("Trust II") issued 97,000 shares of company obligated mandatorily redeemable preferred securities of subsidiary trust, or the 5% trust preferred securities to Iowa Farm Bureau Federation, which owns more than 50% of the voting capital stock of the parent of Farm Bureau. The 5% trust preferred securities have a liquidation value of \$100 per share (\$97,000,000 in the aggregate). The consideration received by Trust II in connection with the issuance of the 5% trust preferred securities consisted of fixed income trust preferred securities of equal value which were issued by the parent of Farm Bureau. Farm Bureau beneficially owned 14.9% of our Common Stock as of December 31, 2003. We receive an annual dividend of \$4,850,000 on the fixed income trust preferred securities issued by the parent of Farm Bureau, and Trust II pays an equivalent annual dividend on the 5% trust preferred securities.

Other Relationships. Harley A. Whitfield, a member of our Board of Directors, and Wendy L. Carlson, our Chief Financial Officer and General Counsel, are each of counsel to Whitfield & Eddy, P.L.C. We have retained Whitfield & Eddy from time to time to perform legal services.

Section 16(a) of the Securities Exchange Act generally requires the officers and directors of a reporting company, and persons who own more than ten percent of a registered class of a reporting company's equity securities, to file reports of beneficial ownership and changes in beneficial ownership with the Securities and Exchange Commission. Based solely on our review of the copies of such reports received by us, or upon written representations received from certain reporting persons, we believe that during 2004, our officers, directors and ten-percent stockholders complied with all Section 16(a) filing requirements applicable to them.

OTHER INFORMATION*Disclosures Related to Independent Auditors*

The Audit Committee appointed Ernst & Young LLP as our independent auditors for the year 2004. Ernst & Young LLP has served as our independent auditors since the Company was formed in 1995. The Audit Committee is evaluating the audit and audit-related services for 2005, and no appointment of any independent auditor has been made for the current year.

Fees paid to Ernst & Young LLP during the last two fiscal years were:

	2004	2003
Audit fees	\$ 1,126,309	\$ 613,913
Audit related fees	14,395	21,775
Tax fees		12,205
All other fees		29,677
Total	\$ 1,140,704	\$ 677,570

Fees for audit services include fees associated with the annual audit, audit of internal control over financial reporting, the reviews of our quarterly reports on Form 10-Q and statutory audits required by regulatory authorities. Audit-related services principally include accounting consultations and audits of our employee benefit plan. Fees for tax services include corporate tax advice and planning.

In 2003, fees for all other services principally related to a study of senior management compensation.

Our policy is that all fees for services provided by our independent auditors must be approved in advance by the Audit Committee. In addition, the Audit Committee reviews with Ernst & Young LLP, whether the non-audit services to be provided are compatible with maintaining their independence. Permissible non-audit services are usually limited to fees for tax services, accounting assistance or audits in connection with acquisitions and other services specifically related to accounting or audit matters such as audits of employee benefit plans. These policies were adopted in compliance with SOX, and rules adopted by the Securities and Exchange Commission ("SEC") thereunder.

The Audit Committee is responsible for the appointment, retention, compensation and oversight of the independent auditors. The Audit Committee has adopted policies and procedures for pre-approving services (audit and non-audit) performed by the independent auditors. In accordance with such policies and procedures, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditors in order to assure that the provision of such services do not impair the auditors' independence. These services may include audit services, audit-related services, tax services and other services. Unless a type of service to be provided by the independent auditors has received general pre-approval, it will require specific pre-approval by the Audit Committee. The Audit Committee has delegated to the Chairman of the Audit Committee specific pre-approval authority provided that the estimated fee for any such engagement does not exceed \$25,000. The Chairman of the Audit Committee must report, for information purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. Requests or applications to provide services that require separate approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and our Chief Financial Officer and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Company anticipates that representatives of Ernst & Young LLP will be present at the meeting and will be available to respond to questions concerning the 2004 audit.
