During 2004, pursuant to the Non-Employee Directors' Share Plan, non-employee directors received as standard compensation the following options to purchase our ordinary shares:

Employment Agreements and Change-in-Control Arrangements

At the time we offered employment to Messrs. Hulley, Clevenger, Edwards and Lettes, we provided each executive officer with a letter indicating the terms of his employment with Apex Silver. All executives are employed on an at-will basis and may be terminated at any time. Under the terms of their offer letters, Messrs. Hulley, Clevenger, Edwards and Lettes each have agreed not to join a company whose primary business is the acquisition and development of silver mines for two years after termination of employment with us.

We have also entered into change of control agreements with Messrs. Hulley, Clevenger, Edwards and Lettes. The agreements become effective upon a change of control as defined in the agreements. If we terminate an executive other than for cause, disability or death or the executive terminates his employment for good reason (as such terms are defined in the agreements), the executive will become entitled to a specific severance payment equal to three times, for Messrs. Hulley, Clevenger and Edwards, and two times, for Mr. Lettes, the sum of the executive's base salary plus 100 percent of the executive's target bonus amount (as defined in our incentive bonus plan) multiplied by the executive's annual base salary. The agreements provide that if any payments under the agreements would cause us to have paid an "excess parachute payment" as defined in Section 280G(b)(1) of the Internal Revenue Code, the payment will be reduced to the highest amount that will not cause us to have paid an excess

parachute payment. In addition, if we terminate the executive other than for cause, disability or death or the executive terminates his employment for good reason, the executive shall be entitled, for a 36 month period for Messrs. Hulley, Clevenger and Edwards, and for a 24 month period for Mr. Lettes, to certain life, disability, accident, medical and dental insurance benefits.

We have adopted a severance plan which provides benefits to employees who cease to be employed by us due to involuntary termination without cause. As defined in the plan, involuntary termination without cause includes job elimination or consolidation, closure of a work site, reorganization or merger or reduction in work force, and does not include disability, retirement or voluntary resignation. Messrs. Hulley, Clevenger, Edwards and Lettes are eligible to participate in the plan. Under the plan, unless otherwise agreed as described below, each executive would receive severance pay based on his years of continuous employment, with a minimum of 16 weeks of pay and a maximum of 52 weeks of pay, plus medical, dental, life insurance, outplacement and other benefits. If upon termination of an executive's employment he receives benefits under his change of control agreement, he would not receive benefits under the severance plan.

Our 2004 Equity Incentive Plan, pursuant to which Messrs. Hulley, Clevenger, Edwards and Lettes hold options, provides that in the event of a change in control (as defined in the 2004 Equity Incentive Plan), all unvested options become exercisable in full.

Compensation Committee Interlocks and Insider Participation

All relationships between these directors and Apex Silver and its subsidiaries required to be disclosed have been disclosed elsewhere in this annual report on Form 10-K, as amended.
