PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

This Proxy Statement and form of proxy are furnished in connection with the solicitation of proxies by the Board of Directors of Precision Optics Corporation, Inc., a Massachusetts corporation (the "Company"), for use at the 2009 Annual Meeting of Stockholders of the Company to be held on November 24, 2009, at 10:00 a.m. at The Colonial Hotel, 625 Betty Spring Road, Gardner, Massachusetts 01440, and any adjournments or postponements of the Annual Meeting, for the purposes set forth herein and in the accompanying Notice of 2009 Annual Meeting of Stockholders. The Company incorporated in 1982, and its principal executive offices are located at 22 East Broadway, Gardner, Massachusetts 01440 (telephone 978-630-1800). This Proxy Statement and form of proxy are first being distributed to stockholders on or about October 30, 2009.

Stockholders Entitled to Vote

As of October 1, 2009, the Company had outstanding 1,018,411 shares of common stock, \$0.01 par value per share. Each share of common stock entitles the holder of record thereof at the close of business on October 1, 2009 (the "Record Date") to one vote, in person or by proxy, on the matters to be voted upon at the meeting.

Voting Procedures

Consistent with Massachusetts law and the Company's By-laws, the holders of a majority of the shares entitled to be cast on a particular matter, present in person or represented by proxy, constitutes a quorum as to such matter. Votes cast by proxy or in person at the Annual Meeting will be counted by persons appointed by the Company to act as election inspectors for the meeting.

If the enclosed form of proxy is properly signed and returned and not revoked, the shares represented thereby will be voted at the Annual Meeting. If the stockholder specifies in the proxy how the shares are to be voted, they will be voted as specified. If the stockholder does not specify how the shares are to be voted, such shares will be voted in favor of and for the election of the nominee for director as set forth in Proposal 1.

Any stockholder has the right to revoke his or her proxy at any time before it is voted by: (1) attending the meeting and voting in person; (2) filing with the Clerk of the Company a written instrument revoking the proxy; or (3) delivering to the Clerk another newly executed proxy bearing a later date.

Required Vote

With regard to the election of directors, votes may be cast "FOR" or "WITHHOLD." Provided that a quorum is present, the affirmative vote by the holders of a plurality of the shares of common stock present

and voting at the Annual Meeting is required to elect the Class I director nominee described in Proposal 1. For purposes of this vote, abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for the particular item and has not received instructions from the beneficial owner.

Voting on Other Matters

At the date hereof, the Company has no knowledge of any business other than that described in the Notice for the Annual Meeting which will be presented for consideration at the Annual Meeting. If any other business should come before such meeting, the persons appointed by the enclosed form of proxy may, in their discretion, vote all such proxies in accordance with their own judgment. The persons appointed by the enclosed form of proxy also may, in their discretion, vote all proxies with respect to matters incident to the conduct of the meeting.

Costs of Proxy Solicitation

The Company will bear all the costs of the solicitation of proxies. The Board of Directors may arrange with brokerage houses and other custodians, nominees, and fiduciaries to forward solicitation materials to the beneficial owners of the stock held of record by such persons, and the Company may reimburse them for the reasonable out-of-pocket expenses incurred in so doing. In addition to the solicitation of proxies by use of the mail, the Company may use the services of some of its directors, officers, and regular employees (who will receive no compensation therefrom in addition to their regular salaries) to solicit proxies personally or by mail or telephone.

PROPOSAL 1: ELECTION OF DIRECTOR

TO CONSIDER AND APPROVE THE RE-ELECTION OF RICHARD E. FORKEY TO OUR BOARD OF DIRECTORS.

Our Board of Directors is divided into three classes that are as nearly equal in number as possible, with staggered terms of office. Only one class is elected each year. Each director serves a three year term and until his or her successor has been duly elected and qualified. The Board of Directors has fixed the number of directors at six. The directors in Class III, Joseph N. Forkey and Richard Miles, will hold office until the annual meeting of stockholders in 2011 and until their successors have been duly elected and qualified. The Class II directors, Joel R. Pitlor and Donald A. Major, will hold office until the annual meeting of stockholders in 2010 and until their respective successors have been duly elected and qualified. The director in Class I, Richard E. Forkey, will hold office until the annual meeting of stockholders in 2009 and is standing for re-election.

The names, ages, business experience for at least the last five years, and certain other information regarding the current directors, are as follows:

(2) Richard E. Forkey is the father of Joseph N. Forkey.

Director Independence

During the fiscal year ended June 30, 2009, the individuals named in the table above served as members of our Board of Directors. Of those individuals, Messrs. Pitlor, Major and Miles are "independent" as defined in Rule 5605 of the Nasdaq Marketplace Rules. Our common stock is traded on the Over-The-Counter Bulletin Board, referred to herein as the OTCBB. The OTCBB does not have a requirement that we have a majority of independent directors on our Board.

Board of Directors

During the fiscal year ended June 30, 2009, our Board of Directors held two meetings and acted by unanimous written consent on two occasions. Each director attended at least 75% of the meetings of the Board of Directors.

While we have no formal policy in place regarding board members' attendance at annual meetings of stockholders, we encourage their attendance at such annual meetings. There were three members of the Board of Directors in attendance at our 2008 Annual Meeting of Stockholders.

Information as to ownership of our securities by the nominee for director is included under the heading "Security Ownership of Certain Beneficial Owners and Management."

While the Board does not have a standing nominating committee, it does have a standing Audit Committee and a standing Compensation Committee.

Audit Committee

The Audit Committee of the Board of Directors is currently composed of Messrs. Major and Miles. The Audit Committee has adopted a charter which is included as Appendix A to this Proxy Statement. The Audit Committee's primary function is to assist the Board of Directors in monitoring the integrity of our Company's financial statements, systems of internal control and the independence and performance of the independent registered public accounting firm. The Audit Committee's specifically enumerated powers and responsibilities include hiring and terminating the independent registered public accounting firm and pre-approving any engagements of the independent registered public accounting firm for audit and all permitted non-audit services. The Audit Committee held four meetings during the fiscal year ended June 30, 2009. Each of the Audit Committee members attended 100% of the meetings of the Audit Committee held during the fiscal year ended June 30, 2009.

Edgar Filing: PRECISION OPTICS CORPORATION INC - Form DEF 14A

The Board of Directors has made a determination that Mr. Major, Chair of the Audit Committee, qualifies as an audit committee financial expert meeting the criteria set forth in Item 407(d)(5) of Regulation S-K. We have determined that Mr. Major is "independent" as independence for audit committee members is defined in Rule 5605 of the Nasdaq Marketplace Rules and Rule 10A-3 of the Securities Exchange Act of 1934. Mr. Major has an understanding of generally accepted accounting principles and financial statements and has the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves. He also has over seven years of experience, including five years in a supervisory capacity, auditing, analyzing and evaluating financial statements that had a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by our Company's financial statements. Additionally, Mr. Major served as the Chief Financial Officer to several public and private companies over a span of 18 years where he was responsible for preparing financial statements. He has an understanding of internal controls over financial reporting and an understanding of audit committee functions. Mr. Major earned his BA in Accounting in 1984 from Michigan State University.

Compensation Committee

The Board of Directors formed a compensation committee in April 2006. The Compensation Committee is currently composed of Messrs. Major and Miles, with Mr. Major serving as Chair of the committee. The Compensation Committee does not have a charter. The Compensation Committee's primary functions are to provide a general review of our Company's compensation and benefit arrangements and to review and establish compensation practices and policies for our officers. The Compensation Committee held no meetings during the fiscal year ended June 30, 2009.

Director Nomination Procedures

We believe that it is appropriate not to have a standing nominating committee because of the small size of the Board of Directors. The Board of Directors as a whole identifies and evaluates nominees for election to the Board of Directors. By having the Board of Directors as a whole consider and evaluate nominees, the Board of Directors weighs the input of all directors.

The process by which the Board of Directors considers nominees for membership on the Board of Directors is flexible and based, generally, on the directors' assessment of the needs of our Company and the extent to which existing directors meet those needs. Factors considered by the Board of Directors in evaluating the suitability of a potential nominee may include, but not be limited to: business and management experience, familiarity with our Company's industry and products, the ability to integrate with existing directors and management and the extent to which a potential nominee may satisfy applicable requirements such as independence or expertise requirements under the securities laws.

The Board of Directors will consider director nominees recommended by stockholders and will assess the qualities of the candidate and needs of our Company as described above. Such recommendations should include the name, age, address, telephone number, principal occupation, background and qualifications of the nominee and the name, address, telephone number of and number of shares of common stock beneficially owned by the stockholder making the recommendation and should be sent to our Clerk at 22 East Broadway, Gardner, Massachusetts 01440. Such recommendations should be submitted to our Clerk prior to June 15 of the respective year in order to give us adequate time in order to consider the recommendations.

Edgar Filing: PRECISION OPTICS CORPORATION INC - Form DEF 14A

All of the stockholders holding shares of our common stock are entitled to cast one vote in person or by proxy for each share standing in their names and are entitled to elect one Class I director at the 2009 Annual Meeting. If a nominee is not available as a candidate when the election occurs, the persons named in the proxy may, in their discretion, vote for the election of such other person as the Board of Directors may designate or reduce the number of directors correspondingly. We have no reason to believe the nominee will not be available for election.

The Board recommends that the stockholders vote FOR the nominee for election to the Board. Proxies will be voted in favor of the nominee unless a stockholder has indicated otherwise in the proxy.

OTHER MATTERS

The Board of Directors does not know of any other matters that will be presented or acted upon at the 2009 Annual Meeting. If any other matter is properly presented at the 2009 Annual Meeting on which a vote may properly be taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have an arrangement with J.R. Pitlor, a company wholly-owned by Mr. Joel R. Pitlor, our director, under which Mr. Pitlor provides consulting services to our Company for a fee currently not to exceed \$5,000 per month. These consulting services consist primarily of advice regarding marketing, strategic planning and other general business issues. Either party may terminate this arrangement at will. We paid or accrued to J.R. Pitlor for consulting services aggregate fees of \$60,000, or \$5,000 per month, for each of the fiscal years 2009 and 2008. \$85,000 of this amount has been deferred, and Mr. Pitlor has agreed that such fees may be paid in the form of our restricted common stock.

We lease our facility in Gardner, Massachusetts from Equity Assets, Inc., a company wholly-owned by Mr. Richard E. Forkey, our President, Chief Executive Officer, Treasurer and director. We are currently a tenant-at-will, paying rent of \$9,000 per month, or an aggregate of \$108,000 per year, for each of fiscal years 2009 and 2008.

It is our policy that all employees, officers and directors must avoid any activity that is or has the appearance of conflicting with the interests of our Company. This policy is included in our Corporate Code of Ethics and Conduct, and our Employee Manual. We conduct a review of all related party transactions for potential conflicts of interest situations on an ongoing basis and all such transactions relating to officers and directors must be approved by the Audit Committee.

Edgar Filing: PRECISION OPTICS CORPORATION INC - Form DEF 14A

A conflict of interest occurs when the private interest of an employee or director (or an immediate family or household member) interferes, in any way or even appears to interfere with the duties performed by the employee or director or with the interests of our Company as a whole. A conflict situation can arise when an employee, officer or director takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest also arise when an employee, officer or director, or a member of his or her family, receives improper personal benefits as a result of his or her position in our Company.

We require that all employees, officers and directors report to the Chief Financial Officer and/or the Audit Committee any conduct that the individual believes to be a violation of law or business ethics or of any provision of the Code, including any transaction or relationship that reasonably could be expected to give rise to such a conflict. Violations, including failures to report potential violations by others, will be viewed as a severe disciplinary matter that may result in personnel action, including termination of employment.

To this end, our employees, officers or directors may not be employed by, act as a consultant to, or have an independent business relationship with any of our customers, competitors or suppliers. Nor may employees, officers or directors invest in any customer, supplier, or competitor (other than through mutual funds or through holdings of less than 2 percent of the outstanding shares of publicly traded securities) unless they first obtain written permission from our Chief Executive Officer. Employees, officers or directors may not divulge or use our confidential information such as financial data, customer information, and computer programs for their own personal or business purposes.

Any personal or business activities by an employee, officer or director that may raise the foregoing concerns must be disclosed to and approved in advance by our Chief Financial Officer. The Audit Committee will determine whether violations of the Code have occurred and, if so, will determine the disciplinary measures to be taken against any employee who has violated the Code. Disciplinary measures, which may be invoked at the discretion of the Audit Committee, include, but are not limited to, oral or written warnings, disciplinary probation, suspension, reductions in salary, demotion or termination of employment.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who beneficially own more than 10% of a registered class of our securities to file with the Securities Exchange Commission, or SEC, reports of ownership and changes in ownership of common stock and other equity securities of our Company. Officers, directors and greater than 10% beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us during the fiscal year ended June 30, 2009 and Forms 5 and amendments thereto furnished to us with respect to such fiscal year, no person required to file reports under Section 16(a) of the Securities Exchange Act of 1934 failed to file such reports on a timely basis during such fiscal year.

Audit Committee Pre-Approval Policies

The Audit Committee has established pre-approval policies and procedures that would prohibit engagement of accountants to render audit or non-audit services without prior approval of the Audit Committee. As a result, all engagements of the independent auditors to render any services, whether they would be deemed audit or non-audit services, require pre-approval of the Audit Committee. No audit, review or attest services were approved in accordance with Section 2-01(c)(7)(i)(C) of Regulation S-X during the fiscal year ended June 30, 2009.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of Messrs. Major and Miles, each of whom is "independent" as defined in Rule 5605 of the Nasdaq Marketplace Rules. The Board of Directors has adopted a written charter for the Audit Committee, which is filed with this Proxy Statement as Appendix A.

The Audit Committee has submitted the following report:

The Audit Committee has reviewed and discussed with management the audited consolidated financial statements for the fiscal year ended June 30, 2009, and has discussed with the Company's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T (SAS 61). SAS 61 requires independent auditors to communicate to the Audit Committee various matters, including, if applicable: (1) methods used to account for certain unusual transactions; (2) the effect of certain accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating certain accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit Committee has received the written disclosures and the letter from the Company's independent accountants required by Independence Standards Board Standard No. 1 (requiring auditors to make written disclosures to, and to discuss with, the Audit Committee, various matters relating to the auditor's independence), has discussed with the accountants their independence and has considered whether the provision of non-audit services by the accountants is compatible with maintaining that independence. Based on the foregoing and further review and discussion, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2009 for filing with the Securities and Exchange Commission.
