PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS MAY 20, 2011

INFORMATION ABOUT THIS PROXY STATEMENT AND THE 2011 ANNUAL MEETING

The Board of Directors (the "Board") of Aon Corporation ("Aon") is soliciting your proxy to vote at the 2011 Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Indiana Room, Aon Center, 200 East Randolph Street, Chicago Illinois 60601, at 8:30 a.m. (local time), on Friday, May 20, 2011, and at any adjournment or postponement thereof.

As permitted by the rules of the Securities and Exchange Commission (the "SEC"), we are making our proxy materials, including the Notice of 2011 Annual Meeting of Stockholders, this proxy statement and the accompanying proxy card, and our Annual Report to Stockholders (collectively, the "proxy materials"), available to stockholders electronically via the Internet on April 8, 2011. On the same date, we began mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") containing instructions on how to access our proxy materials and vote online. We are also delivering printed versions of the proxy materials to certain of our stockholders, including those who have previously requested paper copies of the proxy materials. If you received a Notice of Internet Availability, you will not receive a printed copy of the proxy materials unless you have previously made a permanent election to receive these materials in hard copy. Instead, the Notice of Internet Availability instructs you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability also instructs you as to how you may submit your proxy on the Internet. If you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability.

Aon's Annual Report to Stockholders, which contains Aon's Annual Report on Form 10-K, including consolidated financial statements for the year ended December 31, 2010 but excluding exhibits, accompanies this proxy statement. Requests for copies of exhibits to Aon's Annual Report on Form 10-K should be submitted to the Office of the Corporate Secretary, Aon Corporation, 200 East Randolph Street, Chicago, Illinois 60601. Exhibits will be furnished upon payment of a nominal fee (which fee will be limited to the expenses we incur in providing you with the requested exhibits). Aon's Annual Report on Form 10-K, including exhibits, are also available free of charge through our website (<http://www.aon.com>).

Why did I receive these proxy materials?

We have made these proxy materials available to you on the Internet or have delivered printed versions of the proxy materials to you by mail, in connection with the solicitation of proxies for use at the Annual Meeting, and at any adjournment or postponement thereof.

The Notice of Internet Availability was first mailed on or before April 8, 2011 to stockholders of record as of March 30, 2011, which we refer to as the "record date."

Table of Contents

What matters will be presented for consideration at the Annual Meeting?

Action will be taken at the Annual Meeting with respect to the following proposals:

1. The election of the sixteen nominees named in this proxy statement to serve as Directors until our 2012 Annual Meeting of Stockholders.
2. The ratification of the appointment of Ernst & Young LLP ("E&Y") as our independent registered public accounting firm for the year 2011.
3. An advisory vote on executive compensation.
4. An advisory vote on the frequency of holding an advisory vote on executive compensation.
5. The approval of the Aon Corporation 2011 Incentive Plan.
6. The approval of the Aon Corporation 2011 Employee Stock Purchase Plan.

Will any other matters be decided at the Annual Meeting?

At the date of this proxy statement, we do not know of any other matters to be raised at the Annual Meeting other than those described in this proxy statement. If any other matters are properly presented at the Annual Meeting for consideration, the individuals named in the proxy card will vote on such matters in their discretion.

Who is entitled to vote at the Annual Meeting?

Holders of our common stock, par value \$1.00 per share (the "Common Stock") as of the close of business on March 30, 2011, are entitled to vote at the Annual Meeting. As of that date, there were 330,505,341 shares of Common Stock outstanding and entitled to vote. Each share of Common Stock is entitled to one vote on each matter properly brought before the Annual Meeting.

What is the difference between holding shares of Common Stock as a stockholder of record and as a beneficial owner?

If your shares of Common Stock are registered directly in your name with Aon's transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares of Common Stock, the stockholder of record, and these proxy materials are being made available or sent directly to you by Aon.

If your shares of Common Stock are held in a stock brokerage account or by a broker, bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being made available or forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares of Common Stock by following the instructions for voting on the proxy card or Notice of Internet Availability.

How do I vote?

If you are a stockholder of record, you may vote using any of the following methods:

By telephone using the toll-free telephone number shown on the proxy card;

Edgar Filing: AON CORP - Form DEF 14A

Through the Internet as instructed on the proxy card or the Notice of Internet Availability;

If you received proxy materials by mail or if you request a paper proxy card by telephone or through the Internet, you may elect to vote by mail by completing and signing the proxy card and returning it in the prepaid envelope provided; or

By written ballot at the Annual Meeting.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day. If you vote by telephone or through the Internet, your vote must be received by 11:59 p.m., Eastern Time, on Thursday, May 19, 2011, the day before the Annual Meeting. If you properly cast your vote by telephone, through the Internet or by executing and returning a paper proxy card, and your vote is not subsequently revoked, your Common Stock will be voted in accordance with your instructions. If you execute and return a proxy card but do not give instructions, your proxy will be voted as follows: FOR the election of all nominees for Director named in this proxy statement; FOR the ratification of the appointment of E&Y as our independent registered public accounting firm for the year 2011; FOR advisory approval of the compensation of our named executive officers; FOR conducting an advisory vote on the compensation of our named executive officers every year; FOR the approval of the Aon Corporation 2011 Incentive Plan; and FOR the approval of the Aon Corporation 2011 Employee Stock Purchase Plan, and otherwise in accordance with the judgment of the person or persons voting the proxy on any other matter properly brought before the Annual Meeting.

If you are a beneficial owner, you should follow the voting directions provided by your broker, bank or other nominee. You may submit voting instructions by telephone or through the Internet to your broker, bank or other nominee, or request and return a paper proxy card. If you hold shares through the Aon Savings Plan, the plan trustees will vote according to the instructions received from you provided your voting instruction is received by 11:59 p.m., Eastern Time, on Wednesday, May 18, 2011.

We will distribute written ballots to anyone who wants to vote in person at the Annual Meeting. If you are a beneficial owner, you must obtain a legal proxy from your broker, bank or other nominee and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

What should I do if I receive more than one notice of internet availability of proxy materials or proxy card?

If you own shares of Common Stock directly in your name as a registered holder and other shares of Common Stock as a beneficial owner through a broker, bank or other nominee, or if you own shares of Common Stock through more than one broker, bank or other nominee, you may receive multiple Notices of Internet Availability or, if you request proxy materials to be delivered to you by mail, multiple proxy cards. It is necessary for you to vote, sign and return all of the proxy cards or follow the instructions for any alternative voting procedure on each of the Notices of Internet Availability you receive in order to vote all of the shares you own. If you request proxy materials to be delivered to you by mail, each proxy card you receive will come with its own prepaid return envelope. If you vote by mail make sure you return each proxy card in the return envelope which accompanied that proxy card.

How is a quorum determined?

The presence of the holders of a majority of the shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining a quorum at the Annual Meeting.

What is a broker non-vote?

If you own your shares of Common Stock through a broker, bank or other nominee, and do not provide the organization that holds your shares of Common Stock with specific voting instructions, the bank, broker or other nominee may generally vote your shares of Common Stock in its discretion on certain routine matters. With respect to certain non-routine matters, the broker, bank or other nominee

Table of Contents

is not permitted to vote your shares of Common Stock for you. A broker non-vote occurs when a broker, bank or other nominee holding shares of Common Stock on your behalf, does not vote on a particular proposal because it has not received voting instructions from you and does not have discretionary voting power with respect to that proposal. If the broker, bank or other nominee that holds your shares of Common Stock does not receive voting instructions from you on how to vote your shares of Common Stock on a non-routine matter, it will inform the inspector of election that it does not have the authority to vote on that matter with respect to your shares of Common Stock.

What proposals are considered "routine" or "non-routine"?

The ratification of the appointment of E&Y as Aon's independent registered public accounting firm for 2011 (Proposal 2) is considered a routine matter under the rules of the New York Stock Exchange (the "NYSE"). A broker, bank or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to occur in connection with Proposal 2.

The election of Directors (Proposal 1), the advisory vote on executive compensation (Proposal 3), the advisory vote on the frequency of holding an advisory vote on executive compensation (Proposal 4), the approval of the Aon Corporation 2011 Incentive Plan (Proposal 5) and the approval of the Aon Corporation 2011 Employee Stock Purchase Plan (Proposal 6) are matters considered non-routine under the rules of the NYSE. A broker, bank or other nominee may not vote on these non-routine matters without specific voting instructions from the beneficial owner. As a result, there may be broker non-votes with respect to Proposals 1, 3, 4, 5 and 6.

What are the voting requirements to elect Directors and approve each of the proposals?

The election of each of the sixteen nominees for Director named in this proxy statement will be decided by a majority of the votes cast with respect to such Director, which means that the number of votes cast for a nominee for Director must exceed the number of votes cast against that nominee for Director. Abstentions and broker non-votes will not be counted as a vote either for or against a nominee for Director. If the number of votes cast against a nominee exceed the number of votes cast for a nominee, the nominee must immediately offer to tender his or resignation, and the Board, through a process managed by the Governance/Nominating Committee, will determine whether to accept or reject the resignation, or take other action.

The ratification of the appointment of E&Y as Aon's independent registered public accounting firm, the advisory vote on executive compensation, the approval of the Aon Corporation 2011 Incentive Plan, and the approval of the Aon Corporation 2011 Employee Stock Purchase Plan each requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting. The advisory vote on the frequency of holding an advisory vote on executive compensation will be determined by a plurality of the votes cast. For the ratification of the appointment of E&Y as Aon's independent registered public accounting firm, the advisory vote on executive compensation, the approval of the Aon Corporation 2011 Incentive Plan, and the approval of the Aon Corporation 2011 Employee Stock Purchase Plan, a stockholder who submits a properly executed ballot or proxy is considered present and entitled to vote, so an abstention will have the effect of a vote against the applicable proposal.

Can I change my vote?

If you are a stockholder of record, you can change your vote or revoke your proxy at any time before the Annual Meeting by:

Entering a later-dated vote by telephone or through the Internet;

Table of Contents

Delivering a valid, later-dated proxy card;

Sending written notice to the Office of the Corporate Secretary of Aon; or

Voting by ballot in person at the Annual Meeting.

If you are a beneficial owner of shares of Common Stock, you may submit new voting instructions by contacting your broker, bank or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above under "*How do I vote?*"

All shares of Common Stock that have been properly voted and not revoked will be voted at the Annual Meeting. Attending the Annual Meeting without taking further action will not automatically revoke your prior telephone or Internet vote or your proxy.

Will the Annual Meeting be webcast?

You may listen to the Annual Meeting on the World Wide Web by logging on to our website at www.aon.com and following the on-screen instructions. We have included our website address in this proxy statement for reference purposes only. The information contained on our website is not incorporated by reference into this proxy statement.

Who can attend the Annual Meeting?

Stockholders as of the close of business on March 30, 2011, which is the record date for voting, may attend the Annual Meeting.

What do I need to do to attend the Annual Meeting?

If you are a stockholder of record, you do not need to take any additional action in order to attend the Annual Meeting. If you are a beneficial owner of shares of Common Stock and would like to attend the Annual Meeting, you will need to bring an account statement or other acceptable evidence of ownership of your Common Stock as of the close of business on March 30, 2011, which is the record date for voting. Alternatively, you may contact the broker, bank or other nominee in whose name your Common Stock is registered and obtain a proxy to bring to the Annual Meeting.

Who will pay the costs of this proxy solicitation?

We will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made on our behalf by certain Directors, officers or employees of Aon and our subsidiaries telephonically, electronically or by other means of communication, and by Georgeson Shareholder Communications Inc., whom we have hired to assist in the solicitation and distribution of proxies. Directors, officers and employees of Aon and our subsidiaries will receive no additional compensation for such solicitation. Georgeson will receive a fee of \$10,000 for its services. We will also reimburse banks, brokers and other nominees for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners.

Who will count the vote?

Representatives of our transfer agent, Computershare Trust Company, N.A., will count the vote and serve as inspectors of election.

Where can I find the voting results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the inspector of election and disclosed in a Current Report on Form 8-K, which Aon is required to file with the SEC within four business days following the Annual Meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Sixteen Directors are to be elected at the Annual Meeting. All of the current members of our Board of Directors are standing for election. With respect to Mr. Case, his employment agreement provides that he will be nominated for election as a Director at each annual meeting of stockholders during the period of his employment. With respect to Ms. Francis and Mr. Green, the Agreement and Plan of Merger dated as of July 11, 2010 among Aon, Hewitt Associates, Inc. ("Hewitt"), and two subsidiaries of Aon related to the merger of Hewitt with a subsidiary of Aon, provides that each of Ms. Francis and Mr. Green will be nominated for re-election to our Board of Directors at the Annual Meeting. The term of each Director expires at the next Annual Meeting of Stockholders, and each Director will continue in office until the election and qualification of his or her respective successor or until his or her earlier death, removal or resignation. The Board consists of a number of Directors as is fixed from time to time by resolution adopted by the Board as provided in our bylaws. Consistent with the terms of Aon's certificate of incorporation, the Board currently is authorized to have up to twenty-one members.

All nominees are currently Directors of Aon. All nominees for Director have consented to be named and have agreed to serve as Directors if elected. The Governance/Nominating Committee recommended to the full Board that each Director be nominated to serve for an additional term.

Each of the sixteen Directors will be elected by the vote of a majority of the votes cast with respect to such Director, which means that the number of votes cast for a nominee for Director must exceed the number of votes cast against that nominee for Director. A stockholder may: (i) vote for the election of a nominee for Director; (ii) vote against the election of a nominee for Director; or (iii) abstain from voting for a nominee for Director.

Unless a proxy directs to the contrary, it is intended that the proxies will be voted FOR the election of the sixteen nominees for Director named on the following pages, to hold office until the next Annual Meeting of Stockholders or until their respective successors are duly elected and qualified. We have no reason to believe that any of the nominees will not be available to serve as a Director. However, if any of them should become unavailable to serve for any reason, the proxies will be voted for such substitute nominees as may be designated by the Board.

Aon values a number of attributes and criteria when identifying candidates to serve as a Director, including professional background, expertise, reputation for integrity, business, financial and management experience, leadership capabilities and diversity. In addition to the specific experience and qualifications set forth below, we believe all of the nominees are individuals with a reputation for integrity, demonstrate strong leadership capabilities and are able to work collaboratively to make contributions to the Board and management.

Set forth on the following pages is biographical and other background information concerning each nominee for election as a Director. This information includes each nominee's principal occupation as well as a discussion of the specific experience, qualifications, attributes, and skills of each nominee that led to the Board's conclusion that each nominee should serve as a Director. In addition, set forth below is the period during which each nominee has served as a Director of Aon, including service as a Director of Ryan Insurance Group, Inc. ("Ryan Group"), which merged with Aon in 1982. The information presented below has been confirmed by each nominee for purposes of its inclusion in this proxy statement. Ages shown for all Directors are as of December 31, 2010.

CORPORATE GOVERNANCE

The Board has adopted Governance Guidelines (the "Governance Guidelines") that provide the framework for the governance of Aon together with the Committee charters, the Code of Business Conduct, which sets forth standards of conduct for employees, officers and Directors, and the Code of Ethics for Senior Financial Officers. The Board provides oversight of Aon's overall performance, strategic direction, and executive management team performance. The Board also approves major initiatives and transactions and advises on key financial and business matters. The Board is kept apprised of Aon's progress on a regular basis through Board and Committee meetings, discussions with management, operating and financial reports provided by the Chief Executive Officer and Chief Financial Officer, and other material distributed to the Directors throughout the year.

The Governance Guidelines require that Aon have a majority of Directors who meet the categorical independence standards adopted by the Board, which must meet or exceed the independence requirements of the NYSE corporate governance standards. The Governance Guidelines further provide that each of the Audit, Governance/Nominating and Organization and Compensation Committees will be composed entirely of independent Directors. The principal responsibilities of each Committee are described in this proxy statement in the section captioned "Board of Directors and Committees."

Director Independence

In accordance with the rules of the NYSE, the Board has adopted categorical independence standards, which either meet or exceed the independence requirements of the NYSE corporate governance standards, to provide assistance in the determination of director independence. The categorical standards are set forth below and provide that a Director of Aon will not qualify as an independent Director if:

- (i) The Director is, or has been within the last three years, an employee of Aon, or an immediate family member of the Director is, or has been within the last three years, an executive officer, of Aon;
- (ii) The Director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from Aon, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (iii) (A) The Director is a current partner or employee of a firm that is Aon's internal or external auditor; (B) the Director has an immediate family member who is a current partner of such a firm; (C) the Director has an immediate family member who is a current employee of such a firm and personally works on Aon's audit; or (D) the Director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on Aon's audit within that time;
- (iv) The Director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of Aon's present executive officers at the same time serves or served on that company's compensation committee;
- (v) The Director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, Aon for

Table of Contents

property or services in an amount which, in any of the last three fiscal years, exceeded the greater of \$1 million or 2% of such other company's consolidated gross revenues; or

(vi)

The Director, or the spouse of a Director, serves as an executive officer of a charitable organization to which Aon's charitable contributions in the last fiscal year, excluding those made under Aon's matching gift program, exceeded the greater of \$1 million or two percent (2%) of such organization's consolidated gross revenues.

For purposes of the categorical standards, "immediate family member" is defined to include a Director's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares the Director's home.

In connection with the determination of director independence, the Governance/Nominating Committee reviewed the categorical standards adopted by the Board together with other applicable legal requirements and the rules of the NYSE. The Governance/Nominating Committee also reviewed information compiled from the responses to questionnaires completed by each of Aon's Directors, information derived from Aon's corporate and financial records, information available from public records, and information received from other relevant parties. Following this review, the Governance/Nominating Committee delivered a report to the full Board of Directors, and the Board made its determination of director independence.

As a result of this review, the Board affirmatively determined that each of the following Directors does not have a material relationship with Aon and is independent under the categorical standards adopted by the Board, applicable legal requirements and the rules of the NYSE: Mr. Conti, Ms. Francis, Mr. Green, Mr. Jannotta, Mr. Kalf, Mr. Knight, Mr. Losh, Mr. Martin, Mr. McKenna, Mr. Morrison, General Myers, Mr. Notebaert, Mr. Rogers, Ms. Santana and Dr. Woo. Mr. Case is considered a management Director because of his position as President and Chief Executive Officer of Aon.

In determining that each of the non-employee Directors is independent, the Board also considered the following relationships that it deemed were immaterial to such Director's independence.

With respect to Mr. Conti, Mr. Jannotta, Mr. Knight, Mr. Martin, Mr. McKenna, Mr. Rogers, Ms. Santana and Dr. Woo, the Board considered that, in the ordinary course of business, Aon has sold services to a company (or other entity) at which these Directors is an executive officer (or, in the case of Mr. Martin, is Of Counsel and a retired Partner, and in the case of Dr. Woo, is Dean of the College of Business), and in each case, the amount received from the entity in any of the previous three fiscal years was substantially below one percent (1%) of Aon's annual revenue.

With respect to Mr. Martin, the Board considered that, in the ordinary course of business, Aon has purchased services from an entity at which Mr. Martin is Of Counsel and a retired Partner, and the amount paid to this entity in any of the previous three fiscal years was substantially below one percent (1%) of the entity's annual revenue.

With respect to Mr. Knight, the Board considered personal investments made by Mr. Jannotta and Mr. McKenna, as well as by the Aon Pension Fund, in a privately held fund managed by Mr. Knight. The Board determined that the investments were immaterial and did not impair the independence of any non-management Director.

The Board considered that Mr. Knight, Mr. Martin, Mr. McKenna, Mr. Morrison and Mr. Rogers serve on the boards of various not-for-profit entities with certain executive officers of Aon.

Table of Contents

With respect to Mr. Jannotta, Mr. Knight, Mr. Martin, Mr. McKenna, Mr. Morrison, General Myers, Mr. Notebaert, Mr. Rogers and Ms. Santona, the Board considered that Aon made charitable contributions in 2010 to certain organizations in which the Director or a Director's spouse serves as an officer, director or trustee. The Board determined that such contributions were immaterial and did not impair the independence of any non-management Director.

With respect to Ms. Francis, the Board considered the relationship between Aon Hewitt and a non-profit entity of which Ms. Francis serves as co-Chair, in connection with a program designed to promote the development and advance the careers of high-potential female executives. This relationship existed prior to the Hewitt acquisition, and was terminated effective January 1, 2011.

Majority Voting

Aon's by-laws require that Directors be elected by majority vote in uncontested elections. In January 2009, the Board approved an amendment to Aon's by-laws to provide that, in a contested election, Directors will be elected by plurality vote. In addition, in March 2009, the Board adopted revisions to the Governance Guidelines requiring any incumbent Director who fails to receive a majority of the votes cast in an uncontested election to immediately offer to tender his or her resignation to the Board. The Board will then determine, through a process overseen by the Governance/Nominating Committee, whether to accept the resignation, reject the resignation, or take other action. The Board will act on the recommendation of the Governance/Nominating Committee, and promptly disclose its decision and the rationale behind such decision in a Form 8-K filed with the SEC.

Board Meetings

The Board met fourteen times in 2010. All incumbent Directors attended at least seventy-five (75%) of the meetings of the Board and all Committees of the Board on which they served. As a result of the ownership interest in Hewitt held by Ariel Investments, LLC, Mr. Rogers was recused from certain Board and Committee meetings at which Aon's acquisition of Hewitt was discussed.

Meetings of Non-Management Directors

In accordance with NYSE rules and the Governance Guidelines, non-management Directors meet regularly in executive session without management. Lester B. Knight, Aon's non-Executive Chairman, chairs these executive sessions.

Stock Ownership Guidelines

In July 2006, the Board of Directors adopted Stock Ownership Guidelines for Aon's senior executives and Stock Ownership Guidelines for Non-Management Directors that were each updated and revised in July 2008 and further revised in September 2010. Additional information on the Stock Ownership Guidelines for Aon's senior executives can be found under the heading "Stock Ownership Guidelines" in the section captioned "Compensation Discussion and Analysis."

Effective January 1, 2011, the Stock Ownership Guidelines for Non-Management Directors require each non-management Director to hold an investment position in Common Stock equal to five times the annual Director retainer. The Guidelines provide a transition period of five years for non-management Directors to achieve the ownership guidelines level; provided, however that each new non-management Director is expected to hold 1,000 shares of Common Stock within the first year of

joining the Board or transitioning from a management Director to a non-management Director. In addition to shares held directly, vested deferred stock units and shares credited to deferred accounts will be included when determining if the target ownership level has been achieved.

Attendance at Annual Meeting

The Governance Guidelines provide that Directors are expected to attend the Annual Meeting of Stockholders. All of our Board members serving at the time attended the 2010 Annual Meeting of Stockholders held on May 21, 2010.

Communications with the Board of Directors

Stockholders and other interested parties may communicate with the Board of Directors by contacting the non-management Directors of Aon Corporation, c/o Office of the Corporate Secretary, 200 East Randolph Street, Chicago, IL 60601. Alternatively, stockholders and other interested parties may communicate with Aon's non-management Directors via electronic mail to the following address: corporate.governance@aon.com.

The non-management Directors have established procedures for handling communications from stockholders and other interested parties. Communications are distributed to the Chairman of the Governance/Nominating Committee, the full Board of Directors, the non-management Directors or to any individual Director or Directors as appropriate, depending on the facts and circumstances outlined in the communication. Solicitations, spam, junk mail and mass mailings, resumes and other forms of job inquiries, business solicitations or advertisements and frivolous or inappropriate communications will not be forwarded, but will be made available to any non-management Director upon request.

Code of Business Conduct/Code of Ethics for Senior Financial Officers

The Board has adopted a code of business conduct that applies to our Directors, officers and employees. The Code of Business Conduct can be found on our web site at <http://www.aon.com/about-aon/corporate-governance/guidelines-policies/code-of-business-conduct.jsp> and is available in print copy to any stockholder who makes a written request to the Office of the Corporate Secretary.

In addition, the Board has adopted a Code of Ethics for Senior Financial Officers that applies to the principal executive officer and the senior financial officers of Aon and our subsidiaries. The Code of Ethics for Senior Financial Officers can be found on our web site at <http://www.aon.com/about-aon/corporate-governance/guidelines-policies/code-of-ethics-for-senior-financial-officers.jsp>.

We intend to disclose future amendments to, or waivers from, certain provisions of both the Code of Business Conduct and the Code of Ethics for Senior Financial Officers on our website promptly following the date of such amendment or waiver.

Board Leadership Structure and Role in Risk Oversight

Since April 4, 2005, the positions of Chief Executive Officer and Chairman of the Board of Directors have been held by separate individuals. On April 4, 2005, Gregory C. Case was named Aon's President and Chief Executive Officer, and Patrick G. Ryan, who had served as Aon's Chief Executive Officer prior to that time, became the Executive Chairman of Aon's Board of Directors. After having served as Aon's Chief Executive Officer since 1982 and as Aon's Chairman since 1990, Mr. Ryan moved into the Executive Chairman position to continue to provide executive leadership to Aon and to facilitate the transition of the management of day-to-day operations to Mr. Case. Effective August 1,

Table of Contents

2008, upon the retirement of Mr. Ryan, Lester B. Knight was elected Non-Executive Chairman of Aon's Board of Directors. The position of Non-Executive Chairman is independent from Aon management. As Non-Executive Chairman, Mr. Knight sets the agendas for and presides over the Board meetings and also chairs executive sessions of the non-management Directors of the Board. The Chief Executive Officer is also a member of the Board and participates in its meetings. The Board of Directors believes the separation of the positions of Chief Executive Officer and Chairman is the appropriate structure at this time, as it allows the Chief Executive Officer to focus on the management of Aon and the Chairman to ensure that the Board is focused on its oversight responsibilities, including independent oversight of Aon management.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including economic risks, financial risks, legal and regulatory risks, and others, such as the impact of competition. Management is responsible for the day-to-day management of risks that Aon faces, while the Board of Directors, as a whole and through its Committees, has responsibility for the oversight of risk management. In its risk oversight role, Aon's Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board believes that establishing the right "tone at the top" and full and open communication between management and the Board are essential for effective risk management and oversight. Senior management attends Board meetings and is available to address any questions or concerns raised by the Board on risk management-related and any other matters. The Board of Directors receives presentations from senior management on strategic matters involving our operations.

While the Board is ultimately responsible for risk oversight at Aon, Aon's Board Committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Board of Directors has delegated to the Audit Committee through its charter the primary responsibility for the oversight of risks facing Aon. The charter provides that the Audit Committee will discuss guidelines and policies with respect to risk assessment and risk management and will discuss Aon's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Audit Committee also has general oversight responsibility for Aon's compliance with legal, regulatory and ethics requirements, which represent many of the most significant risks that Aon faces. The Audit Committee annually reviews legal, regulatory and ethics policies and programs, including Aon's Code of Business Conduct. In addition, the Audit Committee periodically reviews with Aon management any material correspondence with, or other action by, regulators or governmental agencies, and also periodically reviews with Aon's General Counsel legal matters that may have a material impact on Aon's financial statements or compliance policies. Aon's senior management periodically reviews with the Audit Committee the major risks facing Aon and the steps management has taken to monitor and mitigate those risks.

In light of the breadth and number of responsibilities that the Audit Committee must oversee, and the importance of the evaluation and management of risk related to Aon's compliance programs and policies, the Board formed the Compliance Committee, which is currently a standing subcommittee of the Audit Committee, to oversee Aon's implementation of compliance policies, programs and procedures that are designed to be responsive to the various compliance and regulatory risks facing Aon and to assist the Audit Committee in fulfilling its oversight responsibility for Aon's legal, regulatory and ethics policies and programs. In addition to its general oversight of Aon's legal and regulatory compliance policies, programs and procedures, the Compliance Committee is also

Table of Contents

responsible for the ongoing monitoring of Aon's efforts towards transparency and disclosure of its compensation business practices related to compensation from insurers.

While the Board's primary oversight of risk is with the Audit Committee, the Board has delegated to other Committees the oversight of risks within their areas of responsibility and expertise. For example, the Organization and Compensation Committee reviews the risks associated with Aon's compensation practices, including an annual review of Aon's risk assessment of its compensation policies and practices for its employees. The Finance Committee reviews significant financial exposures and contingent liabilities of Aon, including Aon's capital structure, its credit ratings and its cost of capital, long-term benefit obligations, and Aon's use of or investment in financial products, including derivatives used to manage risk related to foreign currencies, commodities, and interest rates. In addition, the Finance Committee reviews certain proposed mergers, acquisitions and divestitures; monitors the financial performance of completed mergers and acquisitions; and oversees the financial, investment and actuarial policies and objectives of Aon's ERISA-qualified benefit plans, reviews the investment performance of those plans, and periodically reviews the investment performance of, and makes recommendations regarding investment guidelines for, non-U.S. benefit and retirement plans. The Finance Committee also reviews Aon's major insurance programs. The Governance/Nominating Committee oversees the risks associated with Aon's overall governance and its succession planning process to confirm that Aon has a slate of future, qualified candidates for key management positions.

The Board believes that its oversight of risks, primarily through delegation to the Audit Committee, but also through delegation to other Committees to oversee specific risks within their areas of responsibility and expertise, and the sharing of information with the full Board, is appropriate for a company like Aon that serves clients through its risk solutions business, acting as an advisor and insurance and reinsurance broker, and human resources solutions business, partnering with organizations to solve their most complex benefits, talent and related financial challenges. The Chair of each Committee that oversees risk provides a summary of the matters discussed with the Committee to the full Board following each Committee meeting. The minutes of each Committee meeting are also provided to all Board members.

Executive Committee

When the Board of Directors is not in session, the Executive Committee is empowered to exercise the power and authority in the management of the business and affairs of Aon as would be exercised by the Board of Directors, subject to certain exceptions. The Executive Committee acted by unanimous written consent on four occasions in 2010.

Audit Committee

In 2010, the Audit Committee met seven times. The Board of Directors has determined that each of the members of the Audit Committee is independent as defined by the rules of the NYSE. In addition, as required by the rules of the NYSE, all of the Committee members are financially literate. The Board of Directors has also determined that each of J. Michael Losh, the Chairman of our Audit Committee, Fulvio Conti, Judson C. Green, Robert S. Morrison, Richard C. Notebaert and John W. Rogers, Jr. is an "audit committee financial expert" within the meaning of rules promulgated by the SEC. The primary purposes of the Audit Committee are to assist the Board with the oversight of: (i) the integrity of Aon's financial statements and financial reporting process; (ii) Aon's compliance with legal and regulatory requirements and ethics programs established by management and the Board; (iii) the engagement of the independent auditor, and its qualifications, independence and performance; and (iv) the performance of Aon's internal audit function. In discharging this role, the Audit

Committee is authorized to retain outside counsel or other experts as it deems appropriate to carry out its duties and responsibilities.

The Board has considered Mr. Losh's service as a member of other audit committees, and determined that Mr. Losh's simultaneous service on the audit committees of more than two other public companies does not impair his ability to effectively serve on our Audit Committee. In reaching this determination, the Board considered Mr. Losh's substantial experience and understanding of public company financial reporting, accounting principles and audit committee functions acquired throughout the course of his professional career, and his availability to devote time and attention to his service on the Audit Committee, as he is not currently serving in an executive officer capacity for another company.

The Audit Committee charter can be found on the corporate governance section of our website at <http://www.aon.com/about-aon/corporate-governance/guidelines-policies/board-charters/amended-restated-audit-committee-charter.jsp>. Additional information regarding the Audit Committee's responsibilities may be found in this proxy statement in the section captioned "Report of the Audit Committee."

Compliance Committee

The Compliance Committee is a standing sub-committee of the Audit Committee, which has general oversight responsibility for Aon's legal, regulatory and ethics policies and programs. The primary purposes of the Compliance Committee are to: (i) oversee Aon's implementation of compliance programs, policies and procedures that are designed to be responsive to the various compliance and regulatory risks facing Aon; (ii) oversee Aon's efforts towards transparency and disclosure of its compensation business practices related to compensation from insurers; and (iii) assist the Audit Committee in fulfilling its oversight responsibilities for Aon's compliance and ethics programs, policies and procedures. The Compliance Committee reports regularly to the Audit Committee regarding its activities. Each member of the Compliance Committee is independent as defined in the independence standards of the NYSE. The Compliance Committee met four times during 2010.

Finance Committee

The Finance Committee is responsible for assisting the Board with monitoring and overseeing Aon's balance sheet, including Aon's capital management strategy, capital structure, investments, returns and related policies. The Finance Committee also reviews certain proposed mergers, acquisitions and divestitures in accordance with policies established by the Board. In addition, the Finance Committee oversees the financial, investment and actuarial policies and objectives of Aon's ERISA-qualified benefit plans, and reviews the investment performance of non-U.S. benefit and retirement plans. The Finance Committee met three times during 2010.

Governance/Nominating Committee

The Governance/Nominating Committee identifies and recommends to the Board of Directors candidates for service on the Board, reviews and recommends the renomination of incumbent Directors, reviews and recommends Committee appointments and leads the annual performance evaluation of the Board and its Committees. In addition, the Governance/Nominating Committee develops and recommends governance guidelines for Aon to the Board of Directors, reviews related party transactions, periodically reviews the management succession planning process and periodically

Table of Contents

reviews compliance with stock ownership guidelines. Each member of the Governance/Nominating Committee is independent as defined in the independence standards of the NYSE. The Governance/Nominating Committee met six times during 2010.

The Governance/Nominating Committee considers recommendations for Director candidates from Aon's Directors and executive officers. In addition, the Governance/Nominating Committee will consider stockholders' recommendations. Recommendations, together with the name and address of the stockholder making the recommendation, relevant biographical information regarding the proposed candidate, and a description of any arrangement or understanding between the stockholder and the proposed nominee, should be sent to our Corporate Secretary. Consistent with the Governance Guidelines, the Governance/Nominating Committee considers a number of criteria in evaluating Director candidates, including professional background, expertise, reputation for integrity, business experience, leadership capabilities and potential contributions to the Board of Directors and Aon's management. The Governance/Nominating Committee also considers whether a potential nominee would satisfy the categorical independence standards adopted by the Board consistent with the NYSE corporate governance standards.

The Board of Directors also values diversity as a factor in selecting nominees to serve on the Board, and believes that the diversity that exists in its composition provides significant benefits to the Board and Aon. Although there is no specific policy on diversity, the Governance/Nominating Committee considers the criteria noted above in selecting nominees for Directors, including members from diverse backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. Such considerations may include gender, race, national origin, functional background, executive or professional experience, and international experience. The effectiveness of the nomination process, including the criteria used for selecting nominees for Directors, is evaluated by the Board each year as part of its annual self-evaluation process and by the Governance/Nominating Committee as it evaluates and identifies Director candidates.

When a vacancy exists on the Board of Directors due to the expansion of the size of the Board of Directors or the resignation or retirement of an existing Director, the Governance/Nominating Committee identifies and evaluates potential Director nominees. The Governance/Nominating Committee has sole authority to retain and terminate any search firm to be used to identify Director candidates and sole authority to approve such search firm's fees and other retention terms.

Candidates for Director are evaluated using the criteria discussed above and the existing composition of the Board of Directors, including its size, structure, backgrounds and areas of expertise of existing Directors and the number of independent and management Directors. The Governance/Nominating Committee also considers the specific needs of the various Board Committees. The Governance/Nominating Committee recommends potential Director candidates to the full Board of Directors, which is responsible for final approval of any Director candidate. This process is the same for Director candidates who are recommended by our stockholders.

Recommendations for Director candidates to stand for election at the 2012 Annual Meeting of Stockholders must be submitted in writing to the Corporate Secretary of Aon, 200 East Randolph Street, Chicago, IL 60601. Recommendations will be forwarded to the Chairman of the Governance/Nominating Committee for review and consideration.

Organization and Compensation Committee

The Organization and Compensation Committee (the "Compensation Committee") assists the Board in carrying out its overall responsibilities with regard to executive compensation, including oversight of the determination and administration of Aon's philosophy, policies, programs and plans for executive officers and non-management Directors. The Compensation Committee annually reviews and determines the compensation of Aon's executive officers, including Aon's Chief Executive Officer subject to the input of the independent members of the Board. The Compensation Committee consults with the Chief Executive Officer on, and directly approves, the compensation of other executive officers, including special hiring and severance arrangements. The Compensation Committee administers the Aon Stock Incentive Plan (and its predecessor plans), including granting equity awards (other than awards to the Chief Executive Officer and the Non-Executive Chairman, which awards are approved by the independent members of the Board) and interpreting the plan, and has general administrative responsibility with respect to Aon's other U.S. employee benefit programs. In addition, the Compensation Committee reviews and makes recommendations to the Board concerning Directors' compensation and certain amendments to U.S. employee benefit plans or equity plans. The Compensation Committee also reviews and discusses the compensation disclosures contained in Aon's Annual Report on Form 10-K and proxy statement. The Compensation Committee may delegate its authority to sub-committees when appropriate, although it did not do so in 2010. The Compensation Committee met seven times during 2010. The Compensation Committee charter can be found on the corporate governance section of our website at <http://www.aon.com/about-aon/corporate-governance/guidelines-policies/board-charters/organization-compensation-committee-charter.jsp>.

Process of Determining Executive Compensation

The role of Aon's management is to assist the Compensation Committee in managing Aon's executive and Director compensation programs. Direct responsibilities of management include, but are not limited to:

Recommending compensation increases, short and long-term incentive awards and, where applicable, severance benefits for executive officers other than the Chief Executive Officer;

Providing an ongoing review of the effectiveness of Aon's compensation programs and aligning the programs with Aon's objectives;

Designing and recommending the amendment of long-term and short-term cash and equity-based incentive plans; and

Designing and recommending the amendment of U.S. employee benefit plans.

In the first quarter of 2011, the independent Directors evaluated the performance, and reviewed the compensation, of the Chief Executive Officer. At that time, the Compensation Committee also evaluated the performance and reviewed the compensation of all other executive officers. The Compensation Committee also approved for each executive officer a target annual incentive for 2011 performance and the specific corporate performance metric that Aon's performance would be measured against for 2011.

In connection with this annual compensation review, management presented the Compensation Committee with compensation tally sheets reporting compensation paid for 2010 and competitive pay data, where available, as a market check. The Compensation Committee also reviewed and considered the overall performance of Aon against a target that was established for 2010 culminating in certain

Table of Contents

compensation decisions made by the Compensation Committee during the first quarter of 2011. The Compensation Committee's decisions with respect to the compensation of our executive officers are described in this proxy statement in the section captioned "Compensation Discussion and Analysis."

Relationship with Executive Compensation Consultant

Since 2005, the Compensation Committee has retained Frederic W. Cook & Co., Inc. as its independent executive compensation consultant. The consultant provides expertise on various matters coming before the Compensation Committee. The consultant is engaged by, and reports directly to, the Compensation Committee. The consultant does not advise Aon's management or receive other compensation from Aon. George Paulin, the Chief Executive Officer of Frederic W. Cook & Co., Inc., typically participates in all meetings of the Compensation Committee during which executive compensation matters are discussed and communicates between meetings with the Chairman of the Compensation Committee. During 2010, the consultant assisted the Compensation Committee by: providing insights and advice regarding Aon's compensation philosophy, objectives and strategy; developing criteria for identification of Aon's peer group for executive compensation and company performance review purposes; reviewing management's proposals for the design of short-term cash and long-term equity incentive compensation programs; providing insights and advice regarding Aon's analysis of the risks arising from its compensation policies and practices; and advising on and providing comments on management's recommendations regarding executive officers' bonuses for 2010 and equity-based awards granted in 2010. Management periodically retains other consulting firms to provide pay survey data and other non-executive compensation services that may be presented to or reviewed by the Compensation Committee.

Review of Compensation Policies and Practices

Although recently there has been increased scrutiny of risk and whether companies' compensation programs contribute to unnecessary risk taking, we believe that we have historically maintained a level of prudence associated with our compensation programs and will continue to do so. We engage in a process to evaluate whether our executive and broad-based compensation programs contribute to unnecessary risk-taking and have concluded that the risks arising from these programs are not reasonably likely to have a material adverse effect on Aon.

Compensation Committee Interlocks and Insider Participation

During 2010, the Compensation Committee was composed of Richard C. Notebaert (Chairman), Cheryl A. Francis, Edgar D. Jannotta, J. Michael Losh, Andrew J. McKenna, Robert S. Morrison and Richard B. Myers. No member of the Compensation Committee was, during 2010 or previously, an officer or employee of Aon or any of its subsidiaries. In addition, during 2010, there were no compensation committee interlocks required to be disclosed.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees Aon's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for establishing and maintaining adequate internal financial controls, for preparing the financial statements and for the reporting process. Ernst & Young LLP ("E&Y"), Aon's independent registered public accounting firm for 2010, is responsible for expressing opinions on the conformity of Aon's audited financial statements with generally accepted accounting principles and the effectiveness of Aon's internal control over financial reporting.

In this context, the Audit Committee reviewed and discussed with management and E&Y the audited financial statements for the year ended December 31, 2010, as well as management's assessment of the effectiveness of Aon's internal control over financial reporting and E&Y's evaluation of Aon's internal control over financial reporting. The Audit Committee has discussed with E&Y the matters that are required to be discussed by Auditing Standards, the SEC and other regulatory agencies (Communication with Audit Committees).

In addition, the Audit Committee has discussed with E&Y the independence of that firm from Aon and its management, including the matters in the written disclosures required by Rule 3526 of the Public Company Accounting Oversight Board (Communication with Audit Committees Concerning Independence). The Audit Committee has also considered whether E&Y's provision of non-audit services to Aon is compatible with maintaining E&Y's independence. The Audit Committee has concluded that E&Y is independent from Aon and its management.

The Audit Committee discussed with Aon's internal auditors and E&Y the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of Aon's internal controls, and the overall quality of Aon's financial reporting.

In reliance on the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the SEC. The Audit Committee has approved, and the Board of Directors has requested that stockholders ratify, the selection of E&Y as our independent registered public accounting firm for the year 2011.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed E&Y as Aon's independent registered public accounting firm for the year 2011, subject to ratification by our stockholders. E&Y was first retained as Aon's independent registered public accounting firm in February 1986. Although this appointment is not required to be submitted to a vote of the stockholders, the Board of Directors believes it appropriate as a matter of policy to request that the stockholders ratify the appointment of the independent registered public accounting firm for the year 2011. In the event this proposal does not receive the affirmative vote of the holders of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting, the Audit Committee will reconsider the appointment, but may decide to maintain its appointment of E&Y.

We anticipate that a representative of E&Y will be present at the Annual Meeting. The representative will be given the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to any appropriate questions that may be submitted by stockholders at the Annual Meeting.

OUR BOARD OF DIRECTORS AND AUDIT COMMITTEE UNANIMOUSLY RECOMMEND THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2011.

Audit Fees. Fees for audit services totaled approximately \$18.5 million in 2010 and \$17.9 million in 2009. For both years, audit fees included services associated with the annual audit, including fees related to Sarbanes-Oxley Section 404, the reviews of Aon's documents filed with the SEC, and statutory audits required domestically and internationally.

Audit-Related Fees. Fees for audit-related services totaled approximately \$1.9 million in 2010 and \$1.6 million in 2009. Audit-related fees include services such as employee benefit plan audits, other attestation services, due diligence in connection with acquisitions and accounting consultations not included in audit fees.

Tax Fees. Fees for tax services, including tax compliance, tax advice and tax planning totaled approximately \$1.7 million in 2010 and \$2.2 million in 2009.

All Other Fees. Fees for all other services not included above totaled \$0 in each of 2010 and 2009.

Audit Committee's Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Each pre-approval provides details regarding the particular service or category of service to be provided and is subject to a specific engagement authorization. The Audit Committee requires that the independent registered public accounting firm and management report on the actual fees charged by the independent registered public accounting firm for each category of service at Audit Committee meetings held during the year.

The Audit Committee acknowledges that circumstances may arise throughout the year that require the engagement of the independent registered public accounting firm to provide additional services not contemplated in the Audit Committee's initial pre-approval process that occurs on an annual basis. In those circumstances, the Audit Committee requires that specific pre-approval be obtained before

engaging the independent registered public accounting firm. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee for those instances when pre-approval is needed prior to a scheduled Audit Committee meeting. Such pre-approvals are reported to the Audit Committee at the next scheduled Audit Committee meeting.

All audit and non-audit services provided by the independent registered public accounting firm during 2010 were pre-approved in accordance with Aon's pre-approval policy as described above.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis ("CD&A") describes and analyzes our executive compensation program. It should be read in conjunction with the executive compensation tables and corresponding footnotes that follow, as it provides context for the amounts shown in the tables and the footnote disclosures.

This CD&A is arranged in the following four sections:

Executive Summary of the CD&A

Discussion of our compensation objectives and process

Explanation of compensation components and analysis of 2010 pay decisions

Other policies and practices as they relate to our executive compensation program

While the discussion focuses primarily on compensation awarded to our named executive officers, we address Aon's compensation programs as they apply to other employees where it enhances an understanding of our compensation philosophy. In this proxy statement, the reference to our "named executive officers" means Gregory C. Case, our President and Chief Executive Officer (our "CEO"); Christa Davies, our Executive Vice President and Chief Financial Officer (our "CFO"); Russell P. Fradin, Stephen P. McGill and Michael J. O'Connor, our three other most highly compensated executive officers for 2010; and Baljit Dail and Andrew M. Appel, who would have been among our most highly compensated executive officers except that they were not serving as executive officers as of December 31, 2010.

Executive Summary

Who We Are We are a global professional services firm with over 59,000 employees worldwide focused exclusively on risk and people. We are the industry-leading advisor on risk solutions, both retail and reinsurance, and human resources solutions. We have a presence in over 120 countries with more than 500 offices.

Our Performance In 2010 we delivered strong financial results despite a continuing soft market and very challenging economic environment. Net income attributable to Aon stockholders from continuing operations increased 12% per share.

We continued to execute on our goals of strategically investing in long-term growth, managing expenses and effectively allocating capital. We further aligned our core product portfolio around risk advice and human capital solutions, including the transformative acquisition of Hewitt on October 1, 2010. In acquiring Hewitt, we not only solidified our leading position in HR solutions but also significantly increased our revenues, expanded our product and service offerings globally and increased our cash flow from operations in the U.S. As a result, we believe we are well positioned for long-term value creation.

Against a multi-year backdrop of weak economic conditions globally, we view our longer range results as particularly impressive compared to the results of our industry peers and the benchmark S&P 500. Over the last three calendar years, our stock price return was a positive 37%, compared to

Table of Contents

the returns of our primary industry peers, including Marsh & McLennan Companies, Inc. (which declined 1%) and Willis Group Holdings Limited (which declined 2%), as well as the benchmark S&P 500 (which declined 11%). In addition, as compared to our Global Industry Classification Standard ("GICS") code peers in the insurance industry, our three-year relative total stockholder returns are at or above median. We returned \$425 million of excess capital to stockholders through our share repurchase program and dividends, highlighting our strong cash flow generation and effective allocation of capital.

Our Compensation We awarded our named executive officers for their dedication and achievement in 2010 with compensation directly linked to performance. Namely:

Nearly 93% of Mr. Case's total direct compensation for 2010 was performance-based compensation.

While Mr. Case's total direct compensation increased year over year, the increase was due exclusively to the size of the performance-based equity incentive award granted to him in the first quarter of 2010. A significant portion of the award was intended to recognize Mr. Case's commitment to Aon, effective in the fourth quarter of 2009, in entering into a five-year renewal of his employment contract and an amended and restated change-in-control agreement that significantly reduced the financial protection to be afforded to Mr. Case in the event of a termination of his employment in connection with a change-in-control of Aon. The new change-in-control agreement not only removed excise tax gross-up protection from Mr. Case's change-in-control benefits but also capped Mr. Case's cash and non-equity award payments to the "safe harbor" amount under Code Section 280G of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), such that no amounts are payable if Aon cannot deduct them. No adjustments were made to Mr. Case's base salary or annual bonus target from the levels previously established in 2005 and 2009, respectively.

Aon's performance was the principal consideration for the bonuses awarded for 2010. With respect to 2010, Mr. Case received an annual bonus of \$3,000,000. This represents 100% of his 2010 target annual bonus and 97% of his funded bonus amount. The remaining named executive officers (excluding Mr. Fradin, who did not participate in Aon's bonus program during 2010, and Mr. Appel, who was ineligible for a bonus pursuant to the terms of his separation from Aon) received, on average, 121% of their target annual bonuses and 117% of their funded bonus amounts.

In early 2011 we settled performance share units granted to certain of our named executive officers in 2008. Those units were linked to 2008-2010 Aon performance. The units were settled, and shares of Common Stock were awarded, at 130% of target due to Aon's strong performance over that three-year period, as measured by cumulative adjusted earnings per share ("EPS") from continuing operations. Our cumulative adjusted EPS for that period materially exceeded the target.

In 2010, we granted similar performance share units to each of our named executive officers, the values of which are wholly dependent on Aon's performance.

In 2010, we continued to implement our policy of completely eliminating excise tax gross-up protection from our change-in-control agreements. Two of our named executive officers, Mr. Fradin and Mr. McGill, each signed change-in-control agreements that provide no such protection in the event of a change-in-control of Aon. However, Mr. Fradin retains excise tax

Table of Contents

gross-up protection limited to the Hewitt acquisition, which protection was granted to him by Hewitt and continues unmodified. As the employment agreements of our other senior executives are up for renewal or are otherwise materially amended, we intend to eliminate tax gross-up protection from their change-in-control agreements.

In 2010, we revised our stock ownership guidelines for our CEO and other executive officers to increase their required investment positions. Effective immediately, our CEO must hold at least six times (up from four times) his base salary and, effective January 1, 2012, each other executive officer must hold at least three times (up from two times) their base salaries. The revised guidelines also set out equity retention rules requiring that certain shares be retained until the required investment position is achieved.

These and other compensation decisions are explained below.

We believe our compensation program achieved its purpose in 2010, as described below.

Compensation Objectives and Process

Objectives of our Compensation Program

We continue our journey to build, and continuously improve upon, the leading risk advice and HR solutions firm in the world. We accomplish this by providing clients with world-class advice, solutions, innovation and execution. To achieve those objectives, we must be the destination of choice for the best talent. Our compensation program supports this vision and business strategy and fundamentally aligns the financial interests of our executives with those of our stockholders. This is true in both our short and long-term programs. We strive to maximize stockholders' return primarily through growth in pre-tax income from continuing operations and adjusted EPS.

We have a guiding philosophy with regard to our variable components of compensation, such as equity-based awards and annual bonuses. This philosophy dictates that our stockholders should always benefit first before any element of our executives' variable compensation is earned or paid. For example, under our annual bonus program a minimum level of corporate performance must be achieved before any bonus is payable. We carefully set that minimum each year. Even if the minimum level is achieved, the Compensation Committee reserves the sole discretion to exercise negative discretion to the extent it deems reasonable and prudent under the circumstances.

Use of Peer Group as a Market Check of Target Total Direct Compensation

We set executive compensation at levels that are appropriate and competitive for global professional services firms within our market sector and the general industry marketplace. We review annual financial reports filed by our peer group. We also annually review the levels of executive officer compensation from global pay surveys. For purposes of doing a market check, and not for purposes of doing true benchmarking to specific percentiles, we look at peer group compensation data. We compare the target total direct compensation (defined as base salary plus target bonus plus equity-based awards) for our named executive officers to the target total direct compensation for executives at selected peer companies where job descriptions are sufficiently similar to those of our executives to permit comparison.

We utilized two peer groups for 2010 compensation decisions. We describe below the time periods during which each peer group was used, the companies that comprise the peer groups and the rationale for updating the peer group in the fourth quarter of 2010.

Edgar Filing: AON CORP - Form DEF 14A

Table of Contents

From January 1, 2010 until November 19, 2010, we utilized the same peer group as approved by the Compensation Committee in November of 2009. That group consisted of the following companies:

Accenture plc	CIGNA Corporation	Prudential Financial, Inc.
ACE Limited	Cincinnati Financial Corporation	Sun Life Financial Inc.
AFLAC Incorporated	Coventry Health Care, Inc.	Torchmark Corporation
The Allstate Corporation	Everest Reinsurance Holdings, Inc.	The Travelers Companies, Inc.
Arch Capital	Genworth Financial, Inc.	UnumProvident Corporation
Assurant, Inc.	Humana Inc.	W.R. Berkley Corporation
Axis Capital Holdings Ltd.	Marsh & McLennan Companies, Inc.	Willis Group Holdings plc
Charles Schwab & Co., Inc.	Principal Financial Group, Inc.	XL Capital Ltd.
Chubb	The Progressive Corporation	

The peer group was selected in 2009 based upon three criteria which each one met at such time. They are global financial services industry companies or major consulting firms with whom we compete for executive talent or financial capital. With the exception of Willis Group Holdings, which is a direct competitor, the peer group is generally comprised of companies that are, or were, between one-third and three times our size in revenues. Lastly, each company provides public disclosure regarding its executive compensation. This peer group represents seven financial industry GICS sub-sectors.

We believe that the selection of a peer group is something that requires reconsideration every year. Therefore, beginning soon after the Hewitt acquisition in the fourth quarter of 2010, we undertook a review of the composition of our peer group. We recognized the impact of the Hewitt acquisition on our business and we wanted to ensure that the manner in which we define our peers remained relevant and that our peer group provided adequate benchmarks. The updated peer group members were selected based upon three criteria. They are global financial services industry companies or major consulting firms with whom we compete for executive talent or financial capital. With the exception of Willis Group Holdings and Towers Watson, which are direct competitors, and Accenture and Aetna, which are industry comparators, the peer group is generally comprised of companies that are between one-fourth and four times our size in average market capitalization (as calculated over the most recent eight quarters to reduce volatility). Lastly, each company provides public disclosure regarding its executive compensation.

After discussions with its compensation consultant, the Compensation Committee approved the following peer group effective November 19, 2010, for use as a reference point in future compensation decisions:

Accenture plc (C)	Cognizant Technology Solutions Corporation (N)	Prudential Financial, Inc. (C)
ACE Limited (C)	Computer Sciences Corporation (N)	Sun Life Financial Inc. (C)
Automatic Data Processing, Inc. (N)	Fiserv, Inc. (N)	Towers Watson & Co.(N)
Aetna Inc. (N)	Humana Inc.(C)	The Travelers Companies, Inc. (C)
The Allstate Corporation (C)	Marsh & McLennan Companies, Inc. (C)	Willis Group Holdings plc (C)
Assurant, Inc. (C)	Principal Financial Group, Inc. (C)	Xerox Corporation (N)
CIGNA Corporation (C)	The Progressive Corporation (C)	

Companies continuing from the prior peer group are identified with a "C" and those newly added to this peer group are identified with an "N". This updated peer group represents five financial industry GICS sub-sectors.

Table of Contents**How We Determine Total Compensation**

As described above, market data is helpful in determining the competitive level of various elements of total direct compensation. However, for 2010 we did not generally have a specific market target for the total compensation. We did not specifically target a certain percentile of total compensation or a particular component or subset of compensation with regard to the benchmark. We did not use a specific formula to set total compensation either in relation to market data, the relative mix of pay components or otherwise. A decision regarding one component of compensation had only an indirect link to decisions regarding other pay components.

We generally targeted a competitive level and mix of total direct compensation elements using market data simply as a reference point. This was not a mechanical process. Rather, we used our judgment and business experience. Overall, our intent was to manage the various elements of total compensation together so that the emphasis of our compensation program was on our variable components of pay, including long term equity awards and annual bonus awards that fluctuate based on the performance of Aon.

Performance-based compensation for 2010 of our named executive officers employed with us for the full-year (i.e. excluding Mr. Fradin who joined Aon on October 1, 2010 in connection with the Hewitt acquisition) ranged from 56.7%-92.8% of total direct compensation, based on the grant date fair value of the long-term equity awards as valued in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation Stock Compensation ("FASB ASC Topic 718"), as follows:

A Named Executive Officer	B Performance-Based Pay(1)	C Total Direct Compensation(2)	D % of Pay Linked to Performance [Column B ÷ Column C]
Case	\$ 19,230,702	\$ 20,730,702	92.8%
Davies	\$ 3,695,669	\$ 4,487,336	82.4%
Fradin	\$ 5,632,790	\$ 12,795,194	44.0%
McGill	\$ 4,709,263	\$ 8,309,263	56.7%
O'Connor	\$ 2,432,142	\$ 3,215,475	75.6%
Dail	\$ 2,432,142	\$ 3,232,142	75.2%
Appel	\$ 2,408,243	\$ 3,358,243	71.7%

- (1) The amounts in this column are the sums of: (A) the cash portion of the executive's bonus paid for 2010 performance plus (B) the grant date fair value, determined in accordance with FASB ASC Topic 718, of all performance-based equity awards granted to the executive during 2010.
- (2) The amounts in this column are the sums of: (A) the executive's 2010 base salary; (B) any other non-performance based direct compensation paid for 2010 service; and (C) the amounts shown in Column B.

This supplemental table is not required by the SEC, but rather it is provided to demonstrate the link between performance and our executives' total direct compensation for 2010. Please refer to the Summary Compensation Table for Fiscal Years 2010, 2009 and 2008 for complete disclosure of the total compensation of our named executive officers, reported in accordance with the SEC disclosure requirements.

Table of Contents

As the chart demonstrates, we strive to link our executive's pay to performance at greater rates for our more senior executives. Given the responsibility of our CEO to drive performance results for Aon, and his success in achieving those results as further described below, 92.8% of Mr. Case's total direct compensation for 2010 was linked directly to the performance of Aon. For 2010, the percentage of total direct compensation awarded as performance-based pay for Mr. Fradin was 44.0% due to his receipt of non-performance based equity awards upon joining Aon, as described below under the heading "Equity-Based Awards Restricted Stock Units". Mr. McGill's percentage for 2010, 56.7%, was below his 2009 percentage of 80% on account of his receipt in 2010 of a non-performance based bonus, as described below under the heading "Performance-Based Annual Bonus Mr. McGill's One-Time Transfer Payment".

Our Use of Tally Sheets

In connection with our annual compensation review process, as described in the section of this proxy statement captioned "Board of Directors and Committees Organization and Compensation Committee Process of Determining Executive Compensation," the Compensation Committee reviews compensation tally sheets. The tally sheets assign dollar amounts to each component of the executive's compensation, including outstanding equity awards, current bonus and base salary, deferred compensation, employee benefits (including supplemental pension benefits), perquisites and potential change-in-control severance payments. The tally sheets are presented to the Compensation Committee to ensure it is aware of all compensation elements and the value of such elements.

Involvement of Mr. Case in the Compensation Process

Each year, the Compensation Committee approves all elements of compensation for Aon's named executive officers and other executive officers. These decisions are typically made during the annual compensation review process conducted in the first calendar quarter. The Compensation Committee solicits certain recommendations from each of Mr. Case and our Global Head of Human Resources.

Mr. Case recommends to the Compensation Committee the equity award, annual bonus and base salary adjustment, if any, for the executive officers who report directly to him. He has direct knowledge of the contributions made by those executive officers to Aon and he shares this knowledge with the Compensation Committee. Mr. Case supports his recommendations by providing performance evaluations for his direct reports.

During the annual review process, Mr. Case and the Chairman of the Compensation Committee work together on Mr. Case's annual evaluation report, which summarizes Mr. Case's qualitative and quantitative performance. The report is considered in the determination of Mr. Case's compensation, along with other factors, including the Compensation Committee's own assessment of Mr. Case's performance, relevant market data and Aon's overall performance.

The Compensation Committee has the ultimate authority to make compensation decisions. The Compensation Committee discusses its preliminary compensation decisions with the independent members of the Board who do not serve on the Compensation Committee. This process garners valuable input from those Directors regarding the executives' performance. The sharing of performance review information also aids the Directors in carrying out their succession planning responsibilities. After considering input from those Directors, the Compensation Committee makes its final determination.

Table of Contents

Mr. Case, together with our Global Head of Human Resources and our CFO, makes recommendations to the Compensation Committee relating to the corporate performance targets to be established under Aon's Shareholder-Approved Plan (as defined below under "Compensation Components and Analysis of 2010 Pay Decisions Components of Total Compensation Performance-Based Annual Bonus") and long-term equity incentive programs. The Compensation Committee reviews such recommendations with its independent executive compensation consultant and reserves the ultimate authority to set such targets and to determine whether such goals were achieved.

Compensation Components and Analysis of 2010 Pay Decisions

Components of Total Compensation

The table below describes our rationale for providing each of the key components of our executive compensation program and the factors that we consider in determining the amounts for a given year.

Component	Purpose	Factors Considered
Equity-Based Awards, comprised of: <i>Performance share units</i> that vest after three years and the value of which are determined based on Aon's achievement of a cumulative three-year performance objective	Long-term incentive to focus executives' efforts on increasing long-term stockholder value and align executives' interests with stockholder interests; encourage executive retention with multi-year vesting provisions; and encourage ownership of Aon stock	Executive's past performance; expectations regarding executive's future contributions to Aon; and market pay data as a reference point for grant values
<i>Restricted stock units</i> that are awarded in lieu of a portion of the cash payment under our annual bonus program; and, for this reason, are performance-based compensation; vest ratably over a three-year period	Same as above	Same as above
Annual Bonus (target and actual)	Short-term performance-based incentive to achieve select annual performance objectives	Expectations or opinions regarding the executive's qualitative and quantitative contributions to Aon-wide and business unit performance; scope of job responsibilities; and market pay data as a reference point
Base Salary	Stream of income provided throughout year in exchange for performance of specific job responsibilities	Scope of job responsibilities; historical pay and responsibilities; tenure; contractual commitments; and market pay data as a reference point

Equity-Based Awards

The Aon Stock Incentive Plan, as amended and restated in 2006 and as further amended from time to time (the "Stock Plan"), authorizes the grant of a variety of equity compensation awards. Among other types of awards, it authorizes the issuance of performance share unit awards and restricted stock units the two forms of equity compensation granted to our named executive officers in 2010. Stock options were not featured in our performance-based equity programs in 2010, as explained below.

Performance Share Unit Awards In the first quarter of 2010, we granted performance share units to our executive officers, including each named executive officer other than Mr. Fradin, pursuant to the fifth cycle of our "Leadership Performance Program" ("LPP 5"). LPP 5 is a sub-plan of the Stock Plan. This program is the fifth layer of consecutive three-year performance cycles for certain of our named executive officers. It is intended to further strengthen the relationship between capital accumulation for our executives and long-term Aon financial performance and stockholder value.

The performance share units awarded under LPP 5 are payable in shares of Common Stock. The nominal value of the awards was determined and approved by the Compensation Committee. The number of target performance share units was calculated on the date of grant based on that day's closing price of Common Stock, in accordance with the terms of the Stock Plan. Additional terms and conditions applicable to the performance share units, including the treatment of performance share units upon the occurrence of various termination events, are described in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement.

The performance share units under LPP 5 will be earned and settled in a range of 0% to 200% of target value based on performance results over a three-year performance period. The performance period began January 1, 2010, and will end on December 31, 2012. The performance results will be measured against the specified cumulative adjusted EPS target for 2010-2012. After adjustments, the cumulative target ranges from \$9.25, below which no payout will occur, to \$10.82, which would yield a payout of 200% of the target award value. A result of \$9.67 in cumulative adjusted EPS would yield a payout, and settlement in shares of Common Stock, at 100% of target. This target represents a 4.5% increase over the adjusted baseline for the fourth cycle of our Leadership Performance Program established for the performance period 2009-2011 ("LPP 4"). The target represents a challenging, yet achievable, performance goal.

Award Values and Features In determining the individual awards under LPP 5, the Compensation Committee reviewed peer group market data, where available, for each executive to determine the

Table of Contents

appropriate long-term value of such awards. For example, the market data relevant to Mr. Case supported a larger award to him than the awards granted to the other named executive officers.

In addition, as described in our proxy statement for the 2010 Annual Meeting of Stockholders, Mr. Case was awarded an additional award valued at \$10 million under LPP 5 to be earned on the same performance criteria and weightings as his regular award. A significant portion of the award was intended to recognize Mr. Case's commitment to Aon, effective in the fourth quarter of 2009, in entering into a five-year renewal of his employment contract and an amended and restated change-control agreement that significantly reduced the financial protection to be afforded to Mr. Case in the event of a termination of his employment in connection with a change-in-control of Aon. The new change-in-control agreement not only removed excise tax gross-up protection from Mr. Case's change-in-control benefits but also capped Mr. Case's cash and non-equity award payments to the "safe harbor" amount under Section 280G of the Internal Revenue Code, such that no amounts are payable if Aon cannot deduct them.

The Compensation Committee determined that performance share units should be the exclusive form of award under LPP 5 (as opposed to a mix of performance share units and stock options under earlier versions of the program) because performance share units utilize fewer shares of our Common Stock and are, therefore, a more efficient form of award while allowing us to maintain a strong performance focus.

The Compensation Committee's selection under LPP 5 of the three-year performance period and cumulative adjusted financial performance metric provides the award recipients a reasonable period of time within which to achieve and sustain challenging long-term growth objectives. The Compensation Committee believes adjusted EPS more effectively aligns executives to improve Aon performance, rather than EPS calculated in accordance with GAAP, as the adjusted measure provides a more certain target that is within their control and area of accountability, and is a better measure of operating performance long-term.

Awards under LPP 5 are subject to forfeiture under certain circumstances. In the event an award recipient voluntarily terminates employment or is terminated by Aon for cause prior to the scheduled vesting date, none of the performance share units will vest and the entire award will be forfeited.

The Compensation Committee did not consider the number or value of equity-based awards previously granted to, or currently held by, any of our named executive officers in determining individual awards for 2010. Past awards were granted to induce performance in prior years. As a result, they were not viewed as significant in determining the 2010 awards to the named executive officers.

Settlement of LPP 3 In early 2011, we determined the actual achievement under the third cycle of our Leadership Performance Program, covering the performance period January 1, 2008 through December 31, 2010 ("LPP 3"). We settled the performance share units in shares of Common Stock. The cumulative adjusted EPS from continuing operations target ranged from \$8.35, below which no payout was due to occur, to \$9.70, which would have yielded a payout at 200% of the target award value. A result of \$8.85 in cumulative adjusted EPS from continuing operations would have yielded a payout at 100% of target. This target represented a 14% increase over the adjusted baseline for the second cycle of our Leadership Performance Program established for the performance period 2007-2009 ("LPP 2"). Our actual cumulative adjusted EPS from continuing operations for the three-year period were \$9.15, resulting in a payout at 130% of target.

Table of Contents

The annual EPS from continuing operations results for LPP 3 include adjustments detailed by the plan governing LPP 3 and approved by the Compensation Committee. For each year of the performance period associated with LPP 3 adjustments to EPS from continuing operations were approved by the Compensation Committee because they were significant one-time transactions or outside management's control, as follows: charges associated with our restructuring plans; write-down of deferred taxes related to changes in future statutory tax rates and the amendment of the APB exemption status of Combined Insurance Company of America ("CICA") following sale announcement; gains on sale of land, businesses or discontinued operations; costs related to our acquisition of Benfield and sale of CICA; operating results of discontinued operations held for sale before sale closing; pension curtailment gain/loss net of tax; costs related to our acquisition of Hewitt; and an adjustment to results related to the Hewitt acquisition. Any permissible adjustment will be made on a comparable basis across the other Leadership Performance Programs then in progress. Each of our named executive officers other than Mr. Fradin, participated in LPP 3.

We do not pay dividends or dividend equivalents on performance share units.

LPP 6 In connection with the Hewitt acquisition, Aon entered into an employment agreement with Mr. Fradin on September 30, 2010, which agreement is described in the narrative section captioned "Employment Agreements and Other Compensation Arrangements" that follows the Grants of Plan-Based Awards in Fiscal Year 2010 table and in the section captioned "Potential Payments on Termination or Change-in-Control." To provide significant incentive for Mr. Fradin's retention, and to ensure the performance-based nature of such incentive, the agreement committed Aon to provide Mr. Fradin with an award valued at \$2 million under the sixth cycle of our leadership performance program established for the performance period beginning January 1, 2011 and ending December 31, 2013 ("LPP 6"). The award will be earned based on the achievement of a cumulative adjusted EPS target. Because this non-contingent commitment was made to Mr. Fradin during 2010, the award is reported in the Grants of Plan-Based Awards in Fiscal Year 2010 table in this proxy statement.

In connection with Mr. McGill's employment agreement with Aon, effective November 18, 2010, Aon committed to provide Mr. McGill an additional award under LPP 6 of \$6 million in value, subject to approval of such award by the Compensation Committee. The \$6 million additional award was subsequently approved by the Compensation Committee on March 17, 2011. As this action was taken after the close of the 2010 fiscal year, the award will be reported in the proxy statement for the 2012 Annual Meeting of Stockholders, and is not reflected in the Grants of Plan-Based Awards in Fiscal Year 2010 table in this proxy statement.

Aon Hewitt Performance Program Mr. Fradin's employment agreement also provides that he will receive an award under the Aon Hewitt Performance Program established for the performance period beginning January 1, 2011 and ending December 31, 2013 (the "AHPP"). The award was valued at \$2 million and will be earned based on the achievement of a cumulative adjusted pre-tax income target for the Aon Hewitt segment. In approving such award, the Compensation Committee considered the retentive and performance-based nature of the award, Mr. Fradin's significant management responsibility for our Aon Hewitt segment, and the intended purpose of the AHPP, which is to perform as a management integration tool that will align senior leaders from Hewitt with our legacy consulting unit under a common performance-based long-term equity incentive program. Because this non-contingent commitment was made to Mr. Fradin during 2010, the award is reported in the Grants of Plan-Based Awards in Fiscal Year 2010 table in this proxy statement.

Table of Contents

Restricted Stock Units In the first quarter of 2010, we granted time-vested restricted stock units to each of our named executive officers other than Mr. Fradin in connection with Aon's Incentive Stock Program (the "ISP"). The ISP provides executives with a portion of their annual bonus in the form of restricted stock units, thereby making the entitlement to such time-vested restricted stock units wholly dependent on performance. The primary goals of the ISP are to further focus the employees' attention on the longer-term performance of Aon as a whole, and to further promote employee retention and stock ownership.

No other time-vested equity awards were granted to our named executive officers, with the exception of the restricted stock units granted to Mr. Fradin in connection with his retention by Aon following the Hewitt acquisition. Those restricted stock units were intended to incentivize Mr. Fradin to remain with Aon post-acquisition instead of terminating his employment relationship to collect the change-in-control benefits to which he was otherwise entitled in connection with the acquisition. Mr. Fradin was awarded \$2 million in restricted stock units, which will vest over five years. In addition, Mr. Fradin agreed to convert approximately \$5 million otherwise payable to him upon his departure from Hewitt (or its successor) in a change-in-control transaction pursuant to Hewitt's Amended and Restated Change-in-Control Executive Severance Plan into Aon restricted stock units, all of which are fully vested and will be distributed upon Mr. Fradin's termination of employment with Aon. Mr. Fradin has agreed to retain at least until the end of 2011 (or earlier termination of employment) shares of Common Stock or securities exercisable for Common Stock with an aggregate value (using Black-Scholes methodology with regard to valuing stock options) of approximately \$5 million and future equity grants (net of any taxes and exercise prices that are paid) until his departure from Aon. Mr. Fradin's equity awards are described in the Grants of Plan Based Awards in Fiscal Year 2010 table in this proxy statement.

Each of the time-vested restricted stock units granted in connection with the ISP will vest ratably over a three-year period, and the time-vested restricted stock units granted to Mr. Fradin will vest in 25% equal installments on the second through fifth anniversaries of the grant date. Vesting of all such time-vested restricted stock units is contingent on Mr. Fradin's continued employment and other conditions as described in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement. The restricted stock units are settled in shares of Common Stock.

With respect to restricted stock units awarded under the ISP, we provide dividend equivalents on unvested restricted stock units in cash at the time actual dividends on Aon's Common Stock are declared for stockholders. We do not provide dividend equivalents on performance-based equity awards.

Performance-Based Annual Bonus

Shareholder-Approved Plan For purposes of ensuring the deductibility of bonuses for our named executive officers, Aon's stockholders have approved a plan pursuant to which we award annual bonuses that meet the criteria under Section 162(m) of the Internal Revenue Code as "performance-based" compensation. That plan is called our Senior Officer Incentive Compensation Plan, as amended and restated in 2006 (the "Shareholder-Approved Plan"). Pursuant to this plan, the Compensation Committee annually sets an Aon-wide performance target (expressed in U.S. dollars) and minimum achievement threshold (expressed as a percentage). If the metric is not achieved, no bonuses are payable under the Shareholder-Approved Plan.

Table of Contents

If the metric is achieved, the Shareholder-Approved Plan allows for the payment of deductible bonuses to our executive officers up to a cap. The cap is the lesser of \$5 million or the maximum bonus otherwise established by the Compensation Committee for such executive officer. For 2010, the Compensation Committee established a cap of 300% of each named executive officer's target bonus, with the exception of Mr. Fradin, who did not participate in the Shareholder-Approved Plan for 2010.

In the first quarter of 2010, the Compensation Committee set bonus eligibility for our named executive officers as a target percentage of the executive's base salary at year-end. The 2010 target bonus for Mr. McGill was subsequently increased from 150% to 175% of base salary pursuant to the employment agreement between Aon and Mr. McGill, dated December 7, 2010. The target bonuses and the applicable cap for each of our named executive officers are shown in the table below under the heading "Determination of 2010 Bonuses."

The Shareholder-Approved Plan does not provide guidelines or formulas for determining the actual bonuses payable to our executive officers once the metric is achieved. Rather, the Compensation Committee retains sole discretion for determining the actual bonuses payable. If the metric is achieved, the Shareholder-Approved Plan would allow the Compensation Committee to award a bonus equal to the cap or allow it to exercise negative discretion to award a lesser amount. As explained below, for 2010 we adopted the "Executive Committee Incentive Plan" as a set of guidelines for consideration by the Compensation Committee in determining actual bonuses to be paid if the metric under the Shareholder-Approved Plan was achieved.

2010 Metric Under Shareholder-Approved Plan In the first quarter of 2010, the Compensation Committee determined that the 2010 Aon-wide performance target would be budgeted pre-tax income from continuing operations, excluding restructuring charges ("PTI") of \$1,292 million. The Compensation Committee set the minimum achievement threshold at 85% of such target, or \$1,098 million, as adjusted for extraordinary, unusual or infrequently occurring items. The Compensation Committee selected PTI as the measure to emphasize performance of Aon as a whole and directly link executives' awards to Aon's key business initiatives of delivering distinctive client value and achieving operational excellence. In combination with the performance targets established under each of LPP 3 through LPP 5 (i.e. cumulative EPS), we believe the targets balanced the executives' short and long-term perspective appropriately.

The 2010 PTI target was set at a level higher than Aon's 2009 actual adjusted PTI. We also considered the past performance of our peer group in setting the target. We believed that the 2010 target was achievable but challenging. We set the minimum threshold at 85% because we believed performance below that level would not create sufficient value for our stockholders and, therefore, should not result in bonus payments.

2010 Performance During the first quarter of 2011, the Compensation Committee determined that Aon's 2010 PTI, after permitted adjustments for extraordinary or unusual items, was \$1,250 million, or 96.7% of target. This exceeded the minimum threshold established under the Shareholder-Approved Plan.

Executive Committee Incentive Plan In the first quarter of 2010, the Compensation Committee approved a set of guidelines for funding the total bonus pool under the Shareholder-Approved Plan for the 14 executives that at such time comprised Aon's executive management committee or were senior executives regularly invited to attend meetings of such committee (collectively, the "executive management committee"). That group included each of the named executive officers other than Mr. Fradin. Mr. Appel was included in this group until his resignation from such committee effective

November 5, 2010. The rationale for establishing funding guidelines was to provide executives with a clearer connection between the expected reward and the required performance, as well as for bonus accrual purposes.

The funding formula was based on Aon's performance as measured by: (i) achievement of budgeted PTI; (ii) growth in PTI in 2010 as compared to 2009; and (iii) organic revenue growth. To align with the Shareholder-Approved Plan, the formula provided that no funding was to occur unless Aon achieved the minimum threshold of 85% of the 2010 PTI target. If that minimum threshold was achieved, the formula provided for adjustments to funding to account for year over year growth in PTI, 2010 organic revenue growth and other permissible adjustments. After consideration of each of these factors, the resulting bonus pool funding level is determined, and the funding level can range from 0% to 300%.

The budgeted 2010 PTI growth rate was 3.6% over 2009 PTI. This was a slight increase as compared to the prior year's budgeted 2009 PTI growth rate of 3.1% over 2008 PTI. The incentive pool funding was determined by the aggregate of each executive management committee member's individual target bonus multiplied by a percentage varying from 0% to 300% depending on Aon's growth in PTI as compared to 2009. The plan provided that the funding level could be further increased up to 20% or reduced by 10% depending on Aon's 2010 organic revenue growth. The 2010 PTI growth over 2009 PTI was flat. In 2010, Aon experienced neither positive nor negative organic revenue growth.

In the fourth quarter of 2010, on account of extraordinary market conditions Aon implemented a discretionary reduction to the funded pool of 10% and Aon's executive management committee voluntarily agreed to reduce the funded pool by an additional 10%, bringing the aggregate voluntary reduction to \$2,776,600. In the first quarter of 2011, the Compensation Committee met to determine the funded status of the pool. While the Compensation Committee determined that the Executive Committee Incentive Plan missed the organic revenue growth target by 2/10ths of 1%, it approved the waiver of that reduction factor under the Executive Committee Incentive Plan, which resulted in additional funding of approximately \$694,150. The Compensation Committee applied the remainder of the pre-established performance targets. After application of the PTI growth metric and the two discretionary reductions, and waiver of the organic revenue growth factor, the resulting bonus pool was determined to be funded at 103%. The bonus pool would have funded at 118% without application of the two discretionary reductions and waiver of the organic revenue growth factor.

The actual size of the incentive pool equals the aggregate target bonuses multiplied by the percentage the pool was funded after application of the formula, as described above. For 2010, based on a funding level of 103%, the total incentive pool for members of the executive management committee was \$14,299,490.

Determination of 2010 Bonuses Consistent with the Shareholder-Approved Plan, the bonus program for the executive management committee provides that the Compensation Committee has sole discretion to determine each executive's actual bonus amount as long as the corporate performance threshold was achieved. As explained above, for 2010 the threshold was achieved and, thus, the Compensation Committee had discretion to pay bonuses at the cap level or a lesser amount. It was anticipated that the Compensation Committee would consider in determining the executive's actual bonus, among other factors, the bonus for such executive at the pool funding level as well as the executive's targeted bonus allocation. However, the Compensation Committee reserved, and for 2010

Table of Contents

exercised, the discretion to set bonuses at levels higher or lower than the funded or targeted allocations.

The Compensation Committee chose to exercise negative discretion with regard to each of the named executive officers. In other words, none of the named executive officers received their maximum bonus of the lesser of \$5 million or 3 times their target bonus. In fact, each officer received in the range of 100% - 133% of their target bonus. The following table sets forth the target bonus, cap, funded bonus, and actual bonus paid to each of our named executive officers, with the exception of Mr. Fradin who did not participate in the Executive Committee Incentive Plan:

Named Executive Officer	Target Bonus	Cap (lesser of \$5 million or 3 times target bonus)	Funded Bonus (in each case, 103% of target bonus)	Actual Bonus
Case	\$ 3,000,000	\$ 5,000,000	\$ 3,090,000	\$ 3,000,000
Davies	\$ 1,200,000	\$ 3,600,000	\$ 1,236,000	\$ 1,600,000
McGill	\$ 1,925,000	\$ 5,000,000	\$ 1,982,750	\$ 1,950,000
O'Connor	\$ 800,000	\$ 2,400,000	\$ 824,000	\$ 1,000,000
Dail	\$ 800,000	\$ 2,400,000	\$ 824,000	\$ 1,000,000
Appel	\$ 1,425,000	\$ 4,275,000	\$ 1,467,750	\$ 0

The Compensation Committee's rationale in determining the actual bonus awards was as follows:

In order for a named executive officer to get a bonus in excess of the funded bonus, there needed to be certain exceptional factors; however, the Compensation Committee did not utilize a formula for determining the amount of any named executive officer's bonus to be awarded greater or lesser than the funded or target bonus level.

With regard to Messrs. Case and McGill, the Compensation Committee determined it was appropriate to award a bonus at or near the named executive officer's target bonus level based on Aon's solid overall performance as reported.

With regard to Ms. Davies, the Compensation Committee determined it was appropriate to award a bonus greater than the funded level taking into consideration: (i) Aon's solid overall performance as reported; (ii) Ms. Davies' leading role in the acquisition of Hewitt during 2010; and (iii) Ms. Davies' continued success in significantly strengthening the global financial function and team.

With regard to Mr. O'Connor, the Compensation Committee determined it was appropriate to award a bonus greater than Mr. O'Connor's funded bonus level taking into consideration: (i) Aon's solid overall performance as reported; and (ii) the Compensation Committee's assessment that Mr. O'Connor was very successful in driving the continued improvement in the performance of our Risk Solutions business unit and in capturing and retaining cost savings in restructuring.

With regard to Mr. Dail, the Compensation Committee determined it was appropriate to award a bonus greater than Mr. Dail's funded bonus level taking into consideration: (i) Aon's solid overall performance as reported; and (ii) the Compensation Committee's assessment that Mr. Dail was highly effective on the Aon Hewitt transition team.

For 2010, as was true in earlier years, generally all annual bonuses for executive officers are payable 65% in cash and 35% in restricted stock units, with such restricted stock units vesting ratably

over a three-year period. The Compensation Committee believes this strikes a fair balance between reward for past performance and incentive for future improvements.

Mr. Fradin's 2010 and 2011 Bonuses As noted above, Mr. Fradin did not participate in the Executive Management Committee Incentive Plan during 2010; however, he will participate in this program in 2011 on the same terms as other participants. He participated in the incentive compensation program established at Hewitt through the end of Hewitt's fiscal year on September 30, 2010. The compensation committee of Hewitt's board of directors authorized a bonus payable to him for 2010 of \$1,632,790. The bonus represented 137% of Mr. Fradin's target bonus and was calculated based on Hewitt's profit and revenue performance in 2010 prior to the Hewitt acquisition as well as the assessment by Hewitt's board of directors of other qualitative performance factors, including Mr. Fradin's leadership in the sale of Hewitt to Aon. Pursuant to Mr. Fradin's employment agreement with Aon, he is guaranteed a bonus of not less than \$1,500,000 for fiscal 2011 year only.

Mr. McGill's One-Time Transfer Payment Pursuant to Mr. McGill's employment agreement, we provided him with a one-time transfer payment of \$2,500,000. This payment is reflected in the "bonus" column of the Summary Compensation Table for Fiscal Years 2010, 2009 and 2008. The payment was made in recognition for his willingness to enter into the employment agreement having a five-year term, which resulted in the elimination of expatriate benefits, including housing allowance (\$300,000 value per year) and forfeiture of participation in certain U.K. employee benefits (approximate value of \$100,000 per year), including car allowance and pension contributions, and in recognition of Mr. McGill incurring relocation costs to permanently relocate to the U.S (approximate one-time cost of \$500,000). If Mr. McGill voluntarily terminates his employment with Aon prior to November 18, 2015, he will be obligated to repay Aon a prorated portion of such transfer payment.

Other Policies and Practices

Internal Pay Fairness Considerations for Other Executive Officers

In determining an executive officer's target bonus or long-term performance award value, the Compensation Committee will, from time to time, consider internal pay fairness factors. However, the Compensation Committee has not adopted a broad internal pay equity policy pursuant to which each executive officer's compensation, or one or more components thereof, is tied to or targeted against the compensation of other executive officers.

Base Salary

Base salary is a fixed component of compensation and is initially set at a level based primarily upon the executive's job scope or level of responsibility. The base salaries of our senior-most executives are adjusted rarely, as our general practice is to increase other components of pay based upon superior performance. However, base salaries may be adjusted to, among other things, recognize a significant change in job function or responsibilities or to bring the fixed component of an executive's total compensation in line with his or her peers at Aon or the industry generally.

We increased the base salaries of Ms. Davies and Mr. O'Connor to \$800,000 from \$750,000 and \$700,000, respectively, effective March 1, 2010. Ms. Davies' and Mr. O'Connor's base salaries had not been increased since they joined Aon in 2007 and 2008, respectively. No base salary adjustments were made for any of our other named executive officers during 2010.

Personal Benefits and Executive Benefits

Personal Benefits

During 2010 we provided few personal benefits to our named executive officers as a component of their total compensation. Over the years, we have taken significant steps to de-emphasize personal benefits in our executive compensation practices.

Executive Benefits

In addition to Aon's broad-based employee benefit programs that are available to Aon employees generally (such as health coverage, 401(k) salary deferrals, etc.), each of our named executive officers is eligible to participate in a deferred compensation program and a supplemental savings plan. In addition, Aon provides an executive health screening program available to all members of Aon's executive management committee, including the named executive officers. None of our named executive officers participate in our defined benefit pension plan or the supplemental pension program because each was hired after eligibility in the qualified plan was frozen in 2004. Additional information regarding certain of our executive benefits is set forth under the heading "Pension Benefits in Fiscal 2010" and the Nonqualified Deferred Compensation in Fiscal 2010 Table contained in this proxy statement.

Deferred Compensation Program

We maintain a Deferred Compensation Plan (the "DCP") that allows certain employees, including our named executive officers, to defer receipt of their salary and/or annual incentive payments into Common Stock or accounts that mirror several different investment funds. Participants may defer up to 75% of salary and up to 100% of their annual bonus until the date(s) they have specified in accordance with the DCP's distribution provisions. Under the DCP we do not credit above-market interest on deferred compensation, as that term is defined in the Internal Revenue Code.

Under the DCP, Aon does not make any contributions. We do not fund the DCP, and participants have an unsecured contractual commitment by Aon to pay the amounts due under the DCP. When such payments are due, the distributions will be made from our general assets. We have purchased corporate-owned life insurance to offset a portion of this liability.

U.S. Supplemental Savings Plan

The Supplemental Savings Plan is a non-qualified, deferred compensation plan that provides eligible employees, including executives, with the opportunity to receive contributions that could not be credited under the Aon Savings Plan because of tax limitations and the specific provisions of such plan.

Post-Termination Compensation

We believe that the provision of change-in-control severance agreements and other transitional compensation arrangements are critical to recruit talented employees and to secure the continued employment and dedication of our existing employees. All or nearly all of the companies with which we compete for talent have similar arrangements in place for their senior executives. While we consider these agreements to be necessary, the terms of these agreements are not considered as part of the compensation strategy when the Compensation Committee annually determines the compensation for the named executive officers. Additional information about post-termination compensation is set forth

Table of Contents

in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement.

Severance Agreements regarding Change-in-Control

Beginning in 2005, we entered into change-in-control severance agreements with certain of our key executive officers, including each of our named executive officers. The agreements are intended to secure the continued service, and to ensure the dedication and objectivity of these executives in the event of an actual or threatened change-in-control of Aon. The agreements provide that covered executives receive certain severance benefits upon qualifying terminations of employment in connection with or within two years following a change-in-control of Aon. Thus, the agreements require a "double trigger" a qualifying change-in-control of Aon and a qualifying termination of the executive's employment in order for severance benefits to become payable.

As adopted in 2005, the agreements also provided for excise tax gross-up protection in the event the executive becomes subject to tax under Section 280G of the Internal Revenue Code in connection with such double trigger. However, to better align with market practice, Aon has subsequently entered into with Mr. Case (in 2009) and Messrs. McGill and Fradin (in 2010) a form of change-in-control agreement that provides no excise tax gross-up protection in the event of a change-in-control of Aon. We intend to replace the 2005 form of agreement with the new version that is void of excise tax gross-up protection for our senior executives, including our named executive officers, who have change-in-control protection upon the executive's contract renewal or material contract amendment. While the new form of agreement generally is consistent with prevailing norms, the Compensation Committee believes the elimination of the excise tax gross-up protection can, and should, be made without jeopardizing the retentive value of the agreement. All newly-hired executives who are eligible for change-in-control protection will be required to enter in the new form of agreement.

Mr. Fradin's change-in-control agreement provides for excise tax gross-up protection in connection with any parachute payment triggered by the Hewitt acquisition. This was a continuation, without modification, of the protection provided to Mr. Fradin under the change-in-control agreement he entered into with Hewitt.

Additional information regarding the change-in-control agreement for our named executive officers is set forth in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement.

Employment Agreement with Mr. Fradin

Mr. Fradin joined us in connection with the Hewitt acquisition on October 1, 2010. Aon entered into an employment agreement with Mr. Fradin on September 30, 2010, which is described in this proxy statement in the narrative section captioned "Employment Agreements and Other Compensation Arrangements" that follows the Grants of Plan-Based Awards in Fiscal Year 2010 table. In approving the agreement, the Compensation Committee considered Mr. Fradin's historical compensation with Hewitt, market practice, and the compensation and benefits customarily available to our executive officers. To provide significant incentive for Mr. Fradin's retention, and to ensure the performance-based nature of such incentive, the agreement committed Aon to provide Mr. Fradin with an additional award valued at \$2 million under LPP 6 and an award valued at \$2 million under the AHPP. In addition, the agreement provided for an award of time-vested restricted stock units to Mr. Fradin in connection with his retention by Aon following the Hewitt acquisition. Those restricted stock units were intended to incentivize Mr. Fradin to remain with Aon post-acquisition instead of terminating his

Table of Contents

employment relationship to collect change-in-control benefits to which he was otherwise entitled in connection with the acquisition.

Amendment of Mr. McGill's Employment Arrangement

In the fourth quarter of 2010, we entered into an employment agreement with Mr. McGill, which modified and superseded the employment arrangement between Mr. McGill and our U.K. subsidiary, Aon Limited. Pursuant to the new agreement, Mr. McGill agreed to permanently relocate his residence to the U.S. and become directly employed by us. Mr. McGill's overseas assignment was scheduled to continue through January 1, 2013. However, due to his successful performance of the role of Chairman and Chief Executive Officer of Aon Risk Solutions and our desire to move him to our standard U.S. compensation and benefits programs we asked him to consider the permanent position and he agreed. The agreement is described in this proxy statement in the narrative section captioned "Employment Agreements and Other Compensation Arrangements" that follows the Grants of Plan-Based Awards in Fiscal Year 2010 table.

The entry into the new agreement completed the steps we took with Mr. McGill during 2009 to level-set his compensation arrangement to that of our U.S.-based executive officers. During 2009, we amended Mr. McGill's employment arrangement as follows: (i) we fixed his base salary in U.S. dollars to alleviate the administrative burdens related to significant shifts in the foreign exchange rate between the U.S. and the U.K.; (ii) effective January 1, 2010, Mr. McGill was no longer eligible for a tax gross-up on his annual expatriate allowance and he was no longer eligible to participate in Aon's tax equalization policy for expatriates; and (iii) effective January 1, 2010, deferred pension amounts were no longer accrued for Mr. McGill.

Transition Agreement with Mr. Appel

In the fourth quarter of 2010, we entered into a transition agreement with Mr. Appel. The agreement is described in this proxy statement in the narrative section captioned "Employment Agreements and Other Compensation Arrangements" that follows the Grants of Plan-Based Awards in Fiscal Year 2010 table. As a result of his termination, and pursuant to the transition agreement, Mr. Appel waived the right to receive change-in-control coverage under our standard change-in-control agreement. In approving the transition agreement with Mr. Appel, the Compensation Committee considered Aon's compensation and benefit obligations under Mr. Appel's employment agreement, Mr. Appel's overall contributions to Aon during his five years of service and conduct, and his commitment to transition his duties to other Aon executives over a brief period of time while remaining available thereafter for consultation on an as-needed basis.

Severance Benefits Pursuant to Employment Agreements

We have entered into agreements with certain executive officers that provide for post-employment severance benefits and transitional compensation if the officer's employment terminates for a qualifying event or circumstance unrelated to a change-in-control of Aon, such as being terminated without "cause" as such term is defined in the operative agreement. Additional information regarding such post-employment severance or transitional compensation for Mr. Case and the other named executive officers is set forth in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement.

Practices Regarding the Grant of Equity Awards

We typically grant equity awards at regularly scheduled meetings of the Compensation Committee. Equity awards granted to Mr. Case are typically granted at regularly scheduled meetings of our Board of Directors by the independent members of the Board. During 2010, all equity awards granted to our named executive officers were awarded by the Compensation Committee (or, with regard to Mr. Case, the independent members of the Board) at regularly scheduled meetings or special meetings and valued at such dates. We do not have a policy or practice with respect to coordinating grant dates for equity awards with the release of material non-public information.

Recovery of Prior Performance-Based Equity Awards or Cash Bonuses

We intend to adopt a recoupment policy providing for the adjustment or recovery of equity awards or cash payments if relevant Aon performance measures upon which such awards or payments were based are restated or otherwise adjusted in a manner that would have resulted in a reduced award or payment. Our policy will comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act. We aim to adopt such policy as soon as practicable after the applicable implementing rules and regulations thereunder are issued. In the interim, the Compensation Committee will evaluate whether recovery or adjustment is appropriate based upon the facts and circumstances surrounding any restatement or adjustment.

Stock Ownership Guidelines

In 2006, we adopted stock ownership guidelines, which have been revised from time to time including in September 2010, applicable to Aon's Chief Executive Officer, Chief Financial Officer and members of Aon's executive management committee. The guidelines are designed to increase executives' equity stakes in Aon and to align executives' interests more closely with those of our stockholders. The guidelines provide that the Chief Executive Officer should attain an investment position in Common Stock equal to six times annual base salary and each other executive officer, including the remainder of our named executive officers, should attain an investment position in Common Stock equal to three times annual base salary. These investment levels were immediately effective in 2010 for our CEO and will become effective January 1, 2012 for our other executive officers. The guidelines also set out equity retention rules generally requiring that net profit shares received upon the exercise of options to purchase Common Stock, the vesting of restricted stock units and the vesting of performance share units be retained until the required investment position is achieved. Shares of Common Stock counted toward these guidelines include: any shares owned outright; shares owned through an Aon-sponsored savings or retirement plan; shares purchased through an Aon-sponsored employee stock purchase plan; shares obtained through the exercise of stock options; shares issued upon the vesting of restricted stock units or performance share units; "phantom stock" held in the DCP; and "phantom stock" held in the Aon Supplemental Savings Plan.

Role of the Compensation Consultant

The Compensation Committee has retained Frederic W. Cook & Co., Inc. as its independent executive compensation consultant. The role of the compensation consultant is described in this proxy statement under "Board of Directors and Committees Organization and Compensation Committee Relationship with Executive Compensation Consultant."

Impact of Tax Treatment

Section 162(m) of the Internal Revenue Code provides that a public corporation may take a deduction for compensation in excess of \$1 million for its chief executive officer and certain of its other highest paid executive officers only if specific and detailed criteria are satisfied. Other sections of the Internal Revenue Code could result in adverse tax consequences to Aon and/or the executive related to certain change-in-control payments or the receipt of deferred compensation. Among other factors, we consider the company deductibility of compensation paid to the named executive officers.

We recognize that the deductibility of some types of compensation payments can depend upon the timing of an executive's vesting or exercise of previously granted rights. The deductibility of compensation is also affected by interpretations of and changes in applicable tax laws and regulations as well as other factors beyond our control. Also, in some circumstances, factors other than tax deductibility are more important in determining the forms and levels of executive compensation most appropriate and in the best interests of Aon and its stockholders.

For these and other reasons, we have determined that we will make a reasonable effort to administer Aon's compensation program in a tax-effective manner; however, we have from time to time approved elements of compensation for certain executive officers that are not fully deductible or result in adverse tax consequences to the executive and we reserve the right to do so in the future, when appropriate. For instance, we cannot deduct the portion of base salary in excess of \$1 million that we paid to certain executive officers.

Historical Compensation of Executive Officers

The executive compensation disclosure contained in this section reflects compensation information for the years ended December 31, 2010, December 31, 2009 and December 31, 2008. The following Summary Compensation Table for Fiscal Years 2010, 2009 and 2008 contains compensation information for: (1) Mr. Case, who served as our Chief Executive Officer during 2010; (2) Ms. Davies, who served as our Chief Financial Officer during 2010; (3) Messrs. Fradin, McGill, and O'Connor, who were our three other most highly compensated executive officers serving as of December 31, 2010; and (4) Mr. Dail, who served as co-Chief Executive Officer of Aon Consulting Worldwide, Inc. through the closing of Aon's acquisition of Hewitt on October 1, 2010, and Mr. Appel, who served as Aon's Chief Operating Officer through November 5, 2010, who would have been among our most highly compensated executive officers except that neither Mr. Dail nor Mr. Appel was serving as an executive officer as of December 31, 2010. We refer to these seven individuals in this proxy statement as our "named executive officers." No compensation information is provided for Mr. Fradin or Mr. O'Connor for 2008 or 2009 as they each became a named executive officer in 2010, and no compensation information is provided for Mr. Dail for 2008 as he became a named executive officer in 2009. In addition, the compensation information for Mr. Fradin reflects only compensation earned by Mr. Fradin during 2010 following the closing of the Hewitt acquisition on October 1, 2010.

During 2009,

Edgar Filing: AON CORP - Form DEF 14A

Mr. McGill was paid in British pounds sterling through July 31, 2009 and in U.S. dollars for the remainder of 2009.

(2)

Except for Mr. McGill in 2010 and Ms. Davies in 2008, none of the named executive officers received any payments for 2010, 2009 or 2008 that would be characterized as "bonus" payments under the rules of the SEC. As the amount of the one-time transfer payment made to Mr. McGill in 2010 was guaranteed pursuant to his employment agreement, and the 2008 bonus paid to Ms. Davies was guaranteed pursuant to her employment agreement, each of these payments is reported in column (d) as a "bonus" payment. See the narrative section captioned "Employment Agreements and Other Compensation Arrangements" following the Grants of Plan-Based Awards in Fiscal Year 2010 table for more information on these agreements. Annual cash bonuses earned by the named executive officers in 2010, 2009 and 2008 as short-term incentive compensation are shown in column (g) "Non-Equity Incentive Plan Compensation."

(3)

The amounts shown in column (e) reflect the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 for grants made in 2010, 2009 and 2008, respectively, of restricted stock unit awards and performance share unit awards granted to the named executive officers pursuant to the Stock Plan, and its sub-plans, specifically, the ISP, the LPP, the ABPP, and the AHPP, disregarding adjustments for forfeiture

assumptions, and do not reflect amounts actually paid to, or realized by, the named executive officers in 2010, 2009 or 2008 or prior years. The ABPP was adopted during 2009 and, therefore, no grants under it are reflected in the table for 2008. The AHPP was adopted in March 2011, and Mr. Fradin's award thereunder was deemed granted in 2010. Of the named executive officers, only Messrs. Dail and Appel participate in the ABPP. Of the named executive officers, each of Mr. Fradin and Mr. Dail are eligible to participate in the AHPP; however, only Mr. Fradin received an award from Aon under the AHPP in 2010. Reflected in column (e) for each of 2010, 2009 and 2008 is the grant date fair value of the LPP grants and, if applicable, ABPP and AHPP grants, made on October 1, 2010 for the AHPP (for Mr. Fradin only), March 9, 2010 for the LPP, March 19, 2009 for the LPP (for each of the named executive officers other than Mr. Case), March 20, 2009 for the LPP (for Mr. Case only), April 22, 2009 for the ABPP (for Messrs. Appel and Dail only), and March 13, 2008 for the LPP, respectively, calculated in accordance with FASB ASC Topic 718 based on the probable outcome of the performance conditions at the time of grant with respect to performance share unit awards granted pursuant to the LPP, ABPP and AHPP, which is the dollar value attributed to the original share amount of the award multiplied by 100% for 2010, 100% for 2009 and 100% for 2008 for the LPP, 150% for 2009 for the ABPP, and 100% for the AHPP.

Set forth below are the grant date fair values of the performance share unit awards granted under the LPP, ABPP and AHPP, as applicable, calculated assuming: (i) the probable outcome of the performance conditions for each program as discussed in the prior paragraph, which amount is included in column (e) of this Summary Compensation Table; and (ii) achievement of the maximum levels of performance (which is the dollar value attributed to the original award multiplied by 200% for each of 2010, 2009 and 2008 for the LPP, 200% for 2009 for the ABPP, and 200% for 2010 for the AHPP).

The grant date fair value of the restricted stock units set forth in column (e) also reflects restricted stock units granted under the ISP in 2010, 2009 and 2008 as part of the annual incentive paid for service in 2009, 2008 and 2007, respectively, and: (i) for Mr. Fradin only, additional restricted stock unit awards granted to him in 2010 in connection with his commencement of employment with Aon upon the closing of the Hewitt acquisition; and (ii) for Mr. Appel only, additional restricted stock unit awards granted to him in 2009 in connection with an amendment to his employment agreement.

Assumptions used in the calculation of these amounts for each of 2010, 2009 and 2008 are set forth in Note 14 to Aon's audited financial statements for the year ended December 31, 2010 included in Aon's

Table of Contents

Annual Report on Form 10-K for the year ended December 31, 2010 filed with the SEC on February 25, 2011, which we refer to in this proxy statement as Aon's Annual Report on Form 10-K.

Mr. Appel's transition agreement outlines the treatment of the equity awards made to him in 2010 and earlier years. For further information about Mr. Appel's transition agreement, see the narrative section captioned "Employment Agreements and Other Compensation Arrangements" following the Grants of Plan-Based Awards in Fiscal Year 2010 table. As required by SEC rules, the amount shown in column (e) for 2010 for Mr. Appel includes the grant date fair value of all equity awards granted to Mr. Appel in 2010, including a performance share unit award granted to Mr. Appel in 2010 of which a portion will be forfeited.

The amounts shown in column (e) reflect the aggregate grant date fair value for these awards computed in accordance with FASB ASC Topic 718, and do not correspond to the actual value that will be recognized by the named executive officers. For further information on the stock awards granted in 2010, see the Grants of Plan-Based Awards in Fiscal Year 2010 table below.

(4)

The amounts shown in column (f) reflect the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 for grants made in 2009 and 2008, respectively, of stock options pursuant to the Stock Plan and its sub-plan, the LPP, disregarding adjustments for forfeiture assumptions, and do not reflect amounts paid to, or realized by, the named executive officers in 2009 or 2008. No stock options were awarded to any of the named executive officers in 2010.

Assumptions used in the calculation of these amounts for each of 2009 and 2008 are set forth in Note 14 to Aon's audited financial statements for the year ended December 31, 2010 included in Aon's Annual Report on Form 10-K.

The amounts shown in column (f) reflect the aggregate grant date fair value computed in accordance with FASB ASC Topic 718, and do not correspond to the actual value that will be recognized by the named executive officers. Mr. Appel's transition agreement outlines the treatment of the equity awards made to him in 2010 and earlier years. For further information about Mr. Appel's transition agreement, see the narrative section captioned "Employment Agreements and Other Compensation Arrangements" following the Grants of Plan-Based Awards in Fiscal Year 2010 table.

(5)

With respect to the amounts set forth in column (g) for 2010: In the first quarter of 2011, the Compensation Committee granted the following awards under the Shareholder-Approved Plan based on the achievement of certain performance measures by the named executive officers during 2010: Mr. Case, \$3,000,000; Ms. Davies, \$1,600,000; Mr. Fradin, \$1,632,790; Mr. McGill, \$1,950,000; Mr. O'Connor, \$1,000,000; and Mr. Dail, \$1,000,000. In accordance with the terms of the ISP applicable to awards paid for 2010 service, all of the named executive officers receiving these awards other than Mr. Fradin were paid: (a) 65% of the awards in cash, and (b) 35% of the awards in the form of restricted stock units under the ISP. Mr. Fradin's award was paid entirely in cash. Pursuant to the terms of his transition agreement, Mr. Appel did not receive an award for 2010 service under the Shareholder-Approved Plan.

The amounts shown in column (g) for each of 2010, 2009 and 2008 reflect the cash portion of the awards paid to the named executive officers. The following amounts of restricted stock units represent the restricted stock unit portion of these awards granted with respect to 2010 performance: Mr. Case, 19,838; Ms. Davies, 10,786; Mr. McGill, 13,145; Mr. O'Connor, 6,741; and Mr. Dail, 6,741. To the extent these individuals are again designated as our named executive officers in future years, all of these restricted stock units will be shown in our Grants of Plan-Based Awards Table and our Outstanding Equity Awards at Fiscal Year-End Table and the applicable grant date fair value for these restricted stock units will be included in the amount in column (e) for 2011 compensation in future executive compensation disclosures that present information for the fiscal year ending December 31, 2011. For further information on the terms of the ISP, see the section captioned "Compensation Components and Analysis of 2010 Pay Decisions" in the Compensation Discussion and Analysis. For awards paid for service in 2009, the named executive officers that received such awards were paid 65% of the awards in cash and 35% in the form of restricted stock units under the ISP. For awards paid for service in 2008, the named executive officers that received such awards were paid 80% of the awards in cash and 20% in the form of restricted stock units under the ISP.

Fradin and McGill, a contribution by Aon of \$14,700 to the Aon Savings Plan, a defined contribution plan; (ii) for each of the named executive officers other than Messrs. See the section captioned "Personal Benefits and Executive Benefits" in the Compensation Discussion and Analysis for additional information regarding these contributions and plans.

(b)

The amount shown in the "Other Compensation" column for Mr. McGill represents the portion of a \$300,000 annual expatriate allowance paid to Mr. McGill in 2010 for payment of his costs associated with his expatriate assignment, including obtaining housing in Chicago, Illinois. In December 2010, in connection with Aon entering into a new employment arrangement with Mr. McGill, the expatriate allowance payable to Mr. McGill was eliminated. The expatriate allowance was previously paid to Mr. McGill pursuant to Aon's policy of providing coverage for duplicate costs incurred when employees are on a foreign assignment and retain a residence in their home countries. Mr. McGill's expatriate allowance was intended to cover actual costs incurred by Mr. McGill, who was a United Kingdom employee, of mortgage payments, property tax, insurance, maintenance and utility expenses on his Illinois residence. In addition, in prior years, Aon made tax payments to Mr. McGill related to his expatriate assignment to reduce double taxation. During 2010, Mr. McGill made payments to Aon of \$196,444 in satisfaction of certain of these prior year tax amounts previously paid by Aon. This amount is not reflected in the table above as it was a payment from Mr. McGill to Aon. For further information on these payments to Mr. McGill see the sections captioned "Amendment of Mr. McGill's Employment Arrangement" in the Compensation Discussion and Analysis and "McGill Agreement" following the Nonqualified Deferred Compensation in Fiscal 2010 Table.

The amount shown in the "Other Compensation" column for Mr. Appel represents a lump sum payment to be made to Mr. Appel on May 5, 2011 pursuant to the terms of his transition agreement.

(c)

The amounts shown in the "Dividend Equivalents" column represent cash dividend equivalents paid on certain unvested restricted stock units granted under the ISP and, for Mr. Fradin, on a fully vested restricted stock unit award made in connection with the commencement of his employment.

Mr. Dail was an executive officer of Aon from April 2008 through November 2010. Mr. Dail currently serves as Chief Executive Officer Global Consulting for Aon Hewitt.

(1) The amounts shown in column (c), (d) and (e) reflect the incentive plan awards for 2010 service made to each named executive officer under the Shareholder-Approved Plan. The amounts shown in column (d) represent the target payment level of 200% for Mr. Case,

Edgar Filing: AON CORP - Form DEF 14A

175% for Mr. McGill, 150% for each of Ms. Davies and Mr. Appel) and 100% (for each of Messrs. O'Connor and Dail) of their base salary and the amounts shown in column (e) reflect the maximum payment level of the lesser of three times the target incentive amount or \$5,000,000 as provided by the terms of the Shareholder-Approved Plan. The amounts shown in column (d) for Mr. Fradin represent a target payment level of 125% and a maximum payment level of two times the target incentive amount as established under the Hewitt Associates, Inc. 2010 Annual Bonus Plan.

The Shareholder-Approved Plan does not contain a threshold payment level for each named executive officer. If pre-established performance measures are not met, no payments are made.

The amounts in columns (d) and (e) represent 100% of the target and maximum payment levels of the award; however, pursuant to the terms of the ISP for 2010 service, the awards granted to the named executive officers, with the exception of Mr. Fradin, were paid 65% in cash and 35% in restricted stock units. The actual cash portions paid to the named executive officers are set forth in column (g) "Non-Equity Incentive Plan Compensation" of the Summary Compensation Table. The actual restricted stock unit portions of the awards granted to the named executive officers are set forth in the footnotes to column (g) "Non-Equity Incentive Plan Compensation" of the Summary Compensation Table.

Table of Contents

Although target and maximum payment levels are shown for Mr. Appel in columns (d) and (e) as required by SEC rules, pursuant to the terms of his transition agreement and pursuant to the Compensation Committee's discretion, Mr. Appel did not receive a payout of this incentive plan award.

For more information regarding the terms of the Shareholder-Approved Plan, see the section captioned "Compensation Components and Analysis of 2010 Pay Decisions" in the Compensation Discussion and Analysis.

- (2) The amounts shown in columns (f), (g) and (h) represent the threshold, target and maximum payouts of performance share units granted to certain of the named executive officers pursuant to Aon's LPP and the AHPP that will be earned and settled in shares of Common Stock if certain performance criteria are achieved. As the potential payments are dependent on the achievement of certain performance criteria, they are completely at risk. For more information regarding the terms of these performance share units, the LPP and the AHPP, see the section captioned "Compensation Components and Analysis of 2010 Pay Decisions" in the Compensation Discussion and Analysis.
- (3) The amounts shown in column (l) are the grant date fair values of the various awards. The grant date fair value generally reflects the aggregate grant date fair value computed in accordance with FASB ASC Topic 718, and, with respect to the performance share unit awards granted under the LPP and the AHPP, is based on the probable outcome of the performance-based conditions at the time of grant. These amounts do not correspond to the actual value that may be recognized by the named executive officers.
- (4) This amount represents the restricted stock unit portion of the named executive officer's incentive bonus earned in 2009 and paid in 2010 under the ISP pursuant to the terms of the Shareholder-Approved Plan for 2009 service. Annual bonus eligibility for 2009 service for any executive officer was capped at \$5 million under the Shareholder-Approved Plan. Within the framework of the Shareholder-Approved Plan, we set bonus eligibility for 2009 incentive bonuses for our named executive officers as follows: the target amount of each executive's bonus was 200% for Mr. Case, 150% for each of Ms. Davies and Messrs. McGill and Appel, and 100% for each of Messrs. O'Connor and Dail of the respective executive's base salary; the bonus range was capped at 600% for Mr. Case, 450% for each of Ms. Davies and Messrs. McGill and Appel, and 300% for each of Messrs. O'Connor and Dail of the respective executive's base salary; and the determination of the actual bonus amount payable was determined based, among other things, on Aon's performance overall, the performance of the executive's business unit and individual performance.
- All annual incentive compensation for 2009 service for the named executive officers was tied to the achievement of a minimum threshold level of 85% of budgeted pre-tax income from continuing operations excluding restructuring charges and Benfield amortization expense, as adjusted for extraordinary, unusual or infrequently occurring items. All such adjustments were individually approved by the Compensation Committee and met the adjustment criteria established by that Committee within the first 90 days of 2009.
- In accordance with the terms of Aon's ISP for 2009 service under which the 2009 bonuses were payable, all annual bonuses were payable 65% in cash and 35% in restricted stock units. These restricted stock units will vest in installments of 33¹/₃% on the first through third anniversaries of the date of grant. Dividend equivalents are paid quarterly in cash on unvested restricted stock units granted pursuant to the ISP, but not on performance-based equity grants to the named executive officers pursuant to the Stock Plan. Voting rights do not attach to any unvested restricted stock units, vested but unsettled restricted stock units or performance share units. The cash portion of these awards is included as 2009 compensation in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table for those individuals who were named executive officers in 2010. See the section captioned "Performance-Based Annual Bonus" in the Compensation Discussion and Analysis for information on the terms of these plans applicable to 2010 performance.
- (5) The restricted stock units shown in column (i) were granted to Mr. Fradin on October 1, 2010 pursuant to the terms of his employment agreement. For further information regarding these grants, see the description of Mr. Fradin's employment agreement set forth in the narrative section captioned "Employment Agreements and Other Compensation Arrangements" following this table. The grant of 127,291 restricted stock units is fully vested and will be distributed to Mr. Fradin upon his departure from Aon. The grant of 50,917 restricted stock units will vest in installments of 25% on the second through fifth anniversaries of the date of grant.

In addition, pursuant to the agreement, Mr. Fradin received: (i) an award pursuant to Aon's LPP for the performance period beginning January 1, 2011 and ending December 31, 2013 with a fair market value of \$2,000,000; and (ii) an award pursuant to the AHPP for the performance period beginning January 1, 2011 and ending December 31, 2013 with a fair market value of \$2,000,000. McGill, our Chairman and Chief Executive Officer of Aon Risk Solutions, dated December 7, 2010, which commenced effective as of November 18, 2010 and will expire November 18, 2015, unless terminated earlier. The agreement modifies and supersedes the existing employment arrangement between Mr. McGill and Aon Limited, a United Kingdom subsidiary of Aon, dated April 22, 2005, as amended. The agreement provides that Mr. McGill will be employed as the Chairman and Chief Executive Officer of Aon Risk Solutions. The agreement provides for a base salary of no less than \$1,100,000, subject to adjustment at the discretion of the Chief Executive Officer and the Compensation Committee of the Board of Directors, a target annual incentive bonus of 175% of his base salary for 2010 and 2011, and a maximum annual incentive bonus of up to 300% of the target annual incentive bonus, subject to the current cap of \$5 million established under the Shareholder-Approved Plan. The Board of Directors retains the discretion to determine Mr. McGill's actual bonus payment.

Pursuant to the agreement, Mr. McGill agreed to permanently relocate his residence to the United States from the United Kingdom, and become directly employed by Aon. Under the terms of the agreement, Mr. McGill received a one-time transfer payment of \$2.5 million from Aon in recognition of his willingness to enter into the agreement, which resulted in the elimination of expatriate benefits previously received by Mr. McGill, including housing allowance, and the forfeiture by Mr. McGill of his participation in certain U.K. employee benefits, including car allowance and pension contributions, and incurring relocation costs to permanently relocate to the United States. If Mr. McGill voluntarily terminates his employment with Aon prior to November 18, 2015, he will be obligated to repay to Aon a prorated amount of such payment.

In addition, pursuant to the transition agreement, effective November 5, 2010, Mr. Appel resigned his position as Aon's Chief Operating Officer, as an officer of any of its affiliates, and as a member of Aon's executive management committee.

The transition agreement also provides that during the period beginning November 5, 2010 and ending on December 31, 2010, Mr. Appel will: (i) perform certain transitional duties as requested by Aon's Chief Executive Officer; and (ii) continue to participate in Aon's retirement and health care plans and programs on the same terms as other employees. Under the terms of the transition agreement, Mr. Appel waived entitlement to any bonus or other incentive compensation for which he otherwise may have been eligible for services performed during 2010.

The transition agreement contains provisions that provide for the pro rata or continued vesting of certain stock options, restricted stock units, and performance share units pursuant to the terms and conditions of the plans and programs under which the awards were granted, including: (i) the satisfaction of the vesting requirements for the full fourth quarter of 2010 in connection with awards under various cycles of Aon's LPP and the ABPP; (ii) subsequent to December 31, 2010, continued vesting only in the restricted stock unit awards awarded to him from time to time pursuant to the ISP; and (iii) the forfeiture and cancellation as of December 31, 2010 of all other restricted stock units,

Aon has also agreed pursuant to the transition agreement to provide Mr. Appel with the following additional compensation and benefits: (i) a lump sum payment of \$4,263,000, subject to applicable withholdings, on May 5, 2011; (ii) office and secretarial assistance through the earlier of the date he is re-employed elsewhere or September 30, 2011; (iii) provided Mr. Appel elects continuation health care coverage under COBRA, reimbursement for the difference between the premium rate he is required to pay and the active employee rate for similar coverage through September 30, 2011; (iv) reimbursement for up to \$17,500 in reasonable legal fees and expenses incurred in connection with the negotiation and documentation of the transition agreement; and (v) standard executive-level outplacement assistance for the 2011 calendar year.

The compensation and benefits payable to Mr. Appel under the transition agreement are subject to his executing and not revoking a release of claims. Aon has agreed to maintain a directors and officers liability insurance policy covering Mr. Appel to the extent it provides such coverage to its other executive officers or directors.

- (3) Represents options that vest 100% on 3/13/2011.
- (4) The performance share units convert into shares of Common Stock on a one-to-one basis after the conclusion of a three-year performance period if Aon meets a cumulative adjusted EPS target as determined by the Compensation Committee in the first quarter of the following year. For performance share units with a 3/13/2008 and a 5/15/2008 grant date, the three-year performance period ends on December 31, 2010; and for performance share units with a 3/19/2009 or 3/20/2009 grant date the three-year performance period ends on December 31, 2011, and for performance share units with a 3/09/2010 grant date, the three-year performance period ends on December 31, 2012. If the minimum target is not attained, the performance share units will be forfeited. In this table the maximum number of performance share units is shown for performance share units with a 3/13/2008 grant date, a 5/15/2008 grant date, a 3/19/2009 grant date and a 3/20/2009 grant date as the awards are currently tracking above target payout levels, and the target number of performance share units is shown for performance share units with a 3/09/2010 grant date as the awards are currently tracking below target payout levels. The market value is calculated using \$46.01, the closing price of a share of Common Stock on the NYSE on December 31, 2010. If Aon did not attain the maximum cumulative target over the three-year period, the number of shares of Common Stock received by the named executive officers upon settlement would be reduced.
- (5) Represents options that vest approximately 50% on each of 3/20/2011 and 3/20/2012.
- (6) Represents options that vest 100% on 11/12/2011.
- (7) Represents options that vest approximately 50% on each of 3/19/2011 and 3/19/2012.
- (8) Represents options to purchase shares of Aon common stock that were converted from options to purchase shares of Hewitt common stock in connection with the Hewitt acquisition.
- (9) On October 1, 2010, upon commencement of his employment with Aon following the closing of the Hewitt acquisition, Mr. Fradin received a grant of performance share units having a target value of \$2 million under LPP6. This grant was approved by the Compensation Committee on September 9, 2010. LPP6 was approved, and the number of performance share units of 38,603 issued to Mr. Fradin in connection with this award was determined, by the Compensation Committee on March 17, 2011.
- (10) On October 1, 2010, upon commencement of his employment with Aon following the closing of the Hewitt acquisition, Mr. Fradin received a grant of performance share units having a target value of \$2 million under the AHPP. This grant was approved by the Compensation Committee on September 9, 2010. The AHPP was approved, and the number of performance share units of 38,603 issued to Mr. Fradin in connection with this award was determined, by the Compensation Committee on March 17, 2011.

(13)

The performance share units convert into restricted stock units after the conclusion of a three-year performance period if Aon meets a cumulative adjusted Aon Benfield business unit pre-tax income target as determined by the Compensation Committee in the first quarter of the following year. The three-year performance period ends on December 31, 2011. If the minimum target is attained, the restricted stock units will be issued upon such determination by the Compensation Committee. Upon issuance of the restricted stock units, 50% will immediately vest in shares of Common Stock on a one-to-one basis and the remaining 50% will vest on the first anniversary of the date of settlement of the performance share units. If the minimum target is not attained, the performance share units will be forfeited. In this table the target number of performance share units is shown as the awards are currently tracking below target levels. The market value is calculated using \$46.01, the closing price of a share of Common Stock on the NYSE on December 31, 2010. If Aon did not attain the target cumulative target over the three-year period, the number of restricted stock units received by the named executive officers upon settlement would be reduced. The restricted stock units that will be issued if a minimum target is attained are not reflected in the table above or in footnote (2) because their issuance is subject to a performance based condition.

(14)

The expiration date is the date set forth in the original grant. However, pursuant to the terms of his transition agreement, Mr. Appel's employment with Aon terminated on December 31, 2010. As a result, the options that vest prior to that date will expire 90 days after the termination of his employment on December 31, 2010.

(15)

The table sets forth information with respect to the outstanding equity awards held by Mr. Appel on December 31, 2010. Pursuant to the terms of Mr. Appel's transition agreement, certain of these awards will continue to vest or vest pro rata following the termination of his employment with Aon, which occurred on December 31, 2010. Information regarding the vesting of these awards is set forth under the heading "Transition of Andrew M. Appel" in the section entitled "Potential Payments on Termination or Change-in-Control."

Pension Benefits in Fiscal 2010

None of our named executive officers participates in any defined benefit plans sponsored by Aon because participation in the Aon Pension Plan and the Aon Excess Benefit Plan, the defined benefit plans sponsored by Aon, was closed to employees hired after December 31, 2003, including each of the named executive officers. Therefore, the table regarding such benefits is omitted.

Nonqualified Deferred Compensation in Fiscal 2010 Table

The table below shows any executive contributions, contributions by Aon, earnings, withdrawals and account balances for the named executive officers with respect to each of the following non-qualified savings plans of Aon:

the Aon Deferred Compensation Plan, referred to as the "Deferred Compensation Plan,"

the Aon Supplemental Savings Plan, referred to as the "Supplemental Savings Plan,"

the Hewitt Associates Retirement and Savings Plan, referred to as the "Hewitt Savings Plan,"

the Hewitt Associates Voluntary Deferral Plan, referred to as the "Hewitt Deferral Plan," and

an agreement with Mr. McGill that provided for the payment annually of a lump sum cash amount in replacement of certain pension benefits formerly payable to Mr. McGill under the terms of his employment arrangement, referred to as the "McGill Agreement."

In addition, the table provides information with respect to a fully vested restricted stock unit award granted to Mr. Fradin on October 1, 2010 that will be distributed to Mr. Fradin upon his departure from Aon.

Mr. Fradin, who became an employee of Aon upon the closing of the Hewitt acquisition, was not eligible to participate in the Deferred Compensation Plan or the Supplemental Savings Plan in 2010. In addition, Mr. McGill, as a United Kingdom-based employee until December 2010, was not eligible to participate in any of these plans except for the McGill Agreement. Aon Deferred Compensation Plan ("Deferred Compensation Plan")

The Deferred Compensation Plan is an unfunded, unsecured deferred compensation program that allows participants to defer:

Edgar Filing: AON CORP - Form DEF 14A

Up to 75% of their base salary;

All or a portion of their annual performance bonus; and

Up to 75% of other earnings, including hiring, retention or non-performance bonuses.

Aon does not make any company contributions to the Deferred Compensation Plan. The aggregate balances shown above represent amounts that the named executive officers earned but elected to defer, plus earnings or losses. Deferrals may be allocated among a choice of 14 valuation funds, including a fund that tracks Common Stock, that are used to determine investment gains or losses credited to the

accumulated account balance. Participants can change their investment selections on a going-forward basis by contacting the Plan's administrator.

When participants elect to defer amounts into the Deferred Compensation Plan, they must also select when the amounts ultimately will be distributed to them. Distributions may either be made in a specific year, whether or not employment has then ended, or after the executive's retirement or termination.

Participants who elect to have distributions made in a specific year must choose a payout date that is at least three years after the date of the first deferral election, and can elect to receive a single, lump-sum payment or up to five annual installments. Distributions begin as soon as practicable after February 28 of the elected calendar year. Participants who elect to have distributions made at retirement or termination can elect to receive a single, lump-sum payment or up to ten annual installments. Payments commence as soon as practicable after February 28 of the year following termination of employment, unless they are considered a "key employee" under Section 409A of the Internal Revenue Code, in which case payment is delayed at least 6 months after date of termination.

Aon Supplemental Savings Plan ("Supplemental Savings Plan")

In 1989, Aon established tax qualified retirement plans, the Savings Plan and the Aon Employee Stock Ownership Plan, (the "ESOP"). The ESOP was merged into the Savings Plan in 2002. The Aon Supplemental Savings Plan was created to provide matching and other company allocations similar to those that participants in the Savings Plan would have received had the Internal Revenue Code limits not restricted contributions under the Savings Plan. As of January 1, 2004, no further matching allocations or other company allocations were made to the Supplemental Savings Plan, subject to very limited exceptions for employees of a specific practice group of Aon Consulting. Distributions from the Supplemental Savings Plan must begin at the earlier of retirement or age 65. Also in 2004, a supplemental retirement account was established under the Supplemental Savings Plan for employees eligible for the Aon Retirement Account (the "ARA") of the Aon Savings Plan and whose regular company contributions were limited due to Internal Revenue Code compensation limits. On January 1, 2009, future allocations to the ARA portion of the plan were eliminated and replaced with new eligibility and allocation provisions. Currently, all participants eligible for Aon Savings Plan matching contributions active at the end of the plan year and who attain the Internal Revenue Service (the "IRS") contribution limit and compensation limit receive supplemental allocations based on their years of service and their match eligible compensation in excess of the IRS limit (to a combined plan limit of \$500,000).

Other than Mr. McGill and Mr. Fradin who were not eligible to participate in the Aon Savings Plan or the Aon Supplemental Savings Plan during 2010, the named executive officers may, similar to all U.S. employees hired in 2004 or later, participate at their election in the Aon Savings Plan, a defined contribution 401(k) plan (the "Aon Savings Plan"). Mr. Case, Ms. Davies and Messrs. O'Connor, Dail and Appel also participated in a non-qualified defined contribution plan (the "Aon Supplemental Savings Plan"). If the named executive officer contributes the maximum permissible amount to the Aon Savings Plan, the Aon Supplemental Savings Plan provides for a company allocation as a percentage of compensation in excess of the IRS limit (\$245,000 in 2010), with such compensation capped at \$500,000. The percentage allocation varies by length of service but in the first four years of employment the allocation percentage is 3% and increases to 6% after 15 years of service. Aon made the following contributions for 2010 to the respective accounts of each of Mr. Case, Ms. Davies and Messrs. O'Connor, Dail and Appel: a matching contribution to each named executive

Table of Contents

officer's account under the Aon Savings Plan of \$14,700, and an allocation to the Aon Supplemental Savings Plan account of each of Messrs. Case, Dail and Appel of \$10,200 and to the Aon Supplemental Savings Plan account of each of Ms. Davies and Mr. O'Connor of \$7,650, respectively

Going forward, each of the named executive officers will continue to be eligible for the Aon Savings Plan and the associated Aon Supplemental Savings Plan which will partially restore benefits that are not available under the Aon Savings Plan due to IRS limitations.

Hewitt Associates Retirement and Savings Plan/Hewitt Associates Voluntary Deferral Plan

Mr. Fradin may, similar to all legacy Hewitt U.S. employees, participate at his election in the Hewitt Associates Retirement and Savings Plan, a defined contribution 401(k) plan (the "Hewitt RSP"). Mr. Fradin also participates in a non-qualified defined contribution plan, the Hewitt Associates Voluntary Deferral Plan (the "Hewitt VDP"). The Hewitt VDP has a feature called Defined Contribution Restoration ("DC Restoration"). If a Hewitt VDP participant has compensation in excess of the IRS limit (\$245,000 in 2010), the DC Restoration credits the Hewitt VDP the difference between the limited contributions and what a participant would have received, if the IRS limit had not been in place. Aon made the following contributions for 2010 to the account of Mr. Fradin: a matching contribution of \$2,901, a profit sharing allocation of \$10,114 to the Hewitt RSP, and a DC Restoration allocation of \$145,330 to the Hewitt VDP. Going forward, Mr. Fradin will be eligible for the Hewitt RSP and the Aon Supplemental Savings Plan which will partially restore benefits that are not available under the Hewitt RSP due to IRS limitations. As a result of the Hewitt acquisition, the Hewitt VDP will no longer be available for participation, effective December 31, 2010. The Hewitt RSP will continue through 2011, with the expectation that it will be merged into the Aon Savings Plan, effective January 1, 2012.

McGill Agreement

We had agreed to make on behalf of Mr. McGill, who until December 2010 was a United Kingdom-based employee, annual contributions to his personal pension plan; however, as he is currently assigned to the United States his receipt of the full amount of these pension payments each year may subject the payments to United States tax treatment that is less favorable than that he would otherwise have experienced as an employee in the United Kingdom. To ensure Mr. McGill was not unfavorably treated due to his U.S. assignment, Aon had agreed to pay on behalf of Mr. McGill a smaller portion of his total yearly pension contribution and to hold the balance as an accrual in an unfunded account until he is reassigned back to the United Kingdom when it will be distributed according to an agreed upon seven-year schedule. These pension contribution amounts that were held pending Mr. McGill's return to the United Kingdom did not earn interest or otherwise accrue earnings before final disbursement.

Effective July 1, 2009, in connection with certain amendments to the terms of Mr. McGill's employment arrangement, our obligation discussed above to make contributions to Mr. McGill's personal pension plan ceased. Instead, effective January 1, 2010, we became obligated to make an annual cash lump sum payment to his personal pension plan in connection with his assignment in the United States in replacement of the personal pension benefits referenced above. This payment is further described in footnote 7(b) to the Summary Compensation Table. Such amount was the U.S. Dollar equivalent of £45,000 per annum, as calculated and adjusted pursuant to the terms of the amended employment arrangement with Mr. McGill (the "McGill Agreement"). Pursuant to the terms of the McGill Agreement, on January 15, 2010, Aon distributed to Mr. McGill: (a) £476,849 (\$775,552

Table of Contents

in U.S. Dollars based on the currency exchange rate in effect on January 15, 2010) which represented the balance of all deferred amounts due to Mr. McGill under his employment agreement and (b) £45,000 (\$73,188 in U.S. Dollars based on the currency exchange rate in effect on January 15, 2010) which represented his 2010 pension entitlement under the McGill Agreement.

Effective December 7, 2010, in connection with certain further amendments to the terms of Mr. McGill's employment arrangement, Mr. McGill agreed to permanently relocate to the United States, and our obligation to make the annual cash lump sum payment to his personal pension plan described in the immediately preceding paragraph ceased.

Potential Payments on Termination or Change-in-Control

Severance Agreements

Aon has entered into severance agreements, as amended, which we refer to as "Tier 1 Agreements," with certain of its key executive officers, including Mr. Case, Ms. Davies, and Messrs. Fradin, McGill, O'Connor and Dail. We refer to these officers as "Tier 1 Executives."

The Tier 1 Agreements are intended to secure the continued service and to ensure the dedication and objectivity of the Tier 1 Executives in the event of an actual or threatened change-in-control (as defined below) of Aon.

The Tier 1 Agreement between Aon and each Tier 1 Executive provides that the executive receives the following severance benefits upon qualifying terminations (as defined below) of employment in connection with or within two years following a change-in-control of Aon: (a) the executive's base salary through the date of termination, a pro-rated bonus based upon the executive's average annual cash incentive for the preceding three years and any accrued vacation pay; (b) for Tier 1 Executives other than Mr. Case, two times the sum of: (i) the executive's annual base salary in effect on the date of termination; and (ii) the executive's average incentive compensation over the previous two years (with regard to Mr. Case, three times the sum of (i) his highest annual base salary in effect during the twelve-month period prior to the date of termination and (ii) his target annual incentive bonus for the fiscal year in which the date of termination occurs); (c) the amount forfeited by the executive under any qualified defined contribution plan as a result of the executive's termination; and (d) the executive's accrued benefits under Aon's nonqualified benefit plans, which shall vest and be payable with two additional years of age and service credit and, in the case of the Supplemental Savings Plan, two additional years of plan contributions (with regard to Mr. Case, three additional years of age and service credit and, in the case of the Supplemental Savings Plan, three additional years of plan contributions). In addition, pursuant to the terms of Mr. Case's severance agreement, Aon is required to pay Mr. Case a lump sum cash amount equal to the actuarial equivalent of Mr. Case's accrued benefits under Aon's nonqualified benefit plans within 30 days of his termination of employment with Aon. Qualifying terminations consist of termination by Aon other than for cause (as defined in the Tier 1 Agreements) or by the executive for good reason (as defined in the Tier 1 Agreements), in each case in connection with or within two years following a change-in-control of Aon.

As defined in the Tier 1 Agreements:

"Good reason" means: (1) a material adverse change in authority, powers, functions, duties or responsibilities; (2) a material reduction in salary or bonus opportunity; (3) a failure to maintain material employee benefit or compensation plans; (4) a reassignment of the executive to an office location more than 50 miles from the executive's current location; or (5) a failure by Aon to require a successor to assume Aon's obligations under the severance agreement, and

Table of Contents

"Cause" means: (1) a material breach by the executive of the executive's duties and responsibilities which is demonstrably willful and deliberate, which is committed in bad faith or without reasonable belief that the breach is in the best interests of Aon and which is not remedied in a reasonable period of time after receipt of written notice from Aon of such breach; (2) gross misconduct, theft, fraud, breach of trust or any act of dishonesty by the executive which results in material harm to Aon; or (3) the commission by the executive of a felony involving moral turpitude.

Each Tier 1 Agreement between Aon and each Tier 1 Executive also requires that Aon maintain medical, dental and life insurance on behalf of Tier 1 Executives other than Mr. Case for two years (with regard to Mr. Case, for three years), or, if earlier, until the executive becomes eligible for substantially equivalent benefits from another employer. In addition, all stock options and other equity awards will become fully vested and each option will remain exercisable until the expiration of its term. The agreements for executives not based in the United States were modified to conform to local benefit practices and to comply with local laws.

A "change-in-control" for purposes of the agreements generally consists of any of the following: (a) an acquisition of 30% or more of either outstanding common stock or the combined voting power of the outstanding securities entitled to vote; (b) a change in the majority of the current Board; (c) a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of Aon (unless (i) the existing stockholders receive more than 60% of the outstanding common stock and the combined voting power of the surviving company, as the case may be, (ii) no person or group owns 30% or more of the outstanding common stock or combined voting power of the surviving company and (iii) there is no change in the majority of the Board); or (d) a liquidation or dissolution of Aon.

As a condition to the receipt of payments and benefits pursuant to the Tier 1 Agreement, the executive is required to enter into an agreement with Aon providing that the executive will not compete with Aon or solicit employees or customers of Aon for a two-year period and will not use or disclose any confidential information of Aon. In addition, the Tier 1 Agreement provides for a full release by the executive of claims in connection with the payment of severance benefits.

For Tier 1 Executives other than Messrs. Case, Fradin and McGill, if an executive is entitled under the Tier 1 Agreement to severance payments and benefits or the vesting of equity awards, and any payment or distribution to the executive pursuant to such agreements are, or would otherwise be, subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then the executive is entitled to a grossed-up payment from Aon sufficient to pay the amount of such excise tax. Pursuant to the terms of the severance agreements with each of Messrs. Case, Fradin and McGill, Aon is not obligated to provide a gross-up payment to either Mr. Case, Mr. Fradin or Mr. McGill in connection with any excise taxes imposed by Section 4999 of the Internal Revenue Code tied to a change-in-control of Aon; provided, however, that the excise tax gross-up protection in connection with any parachute payment triggered by the Hewitt acquisition provided to Mr. Fradin under his previous arrangement with Hewitt will continue unmodified. In addition, Mr. Case's severance agreement provides that Mr. Case's cash and non-equity award payments shall be capped at the "safe harbor" amount under Section 280G of the Internal Revenue Code, such that the cash and non-equity award payments are not deemed to be "excess parachute payments" within the meaning of Section 280G of the Internal Revenue Code. Excluding the tax gross-up protection for Mr. Fradin described earlier in this paragraph, the severance agreements with each of Mr. Fradin and Mr. McGill provide that their respective payments and benefits shall be capped at the greater of: (i) the "safe harbor" amount under

Table of Contents

Section 280G of the Code, such that the payments and benefits are not deemed to be "excess parachute payments" or (ii) the amount of payments and benefits that would otherwise be provided under the agreement so long as the payments and benefits outweigh the tax consequences to them of receipt thereof. Notwithstanding the foregoing, the fully vested restricted stock units granted to Mr. Fradin pursuant to his employment agreement that will be distributed to him upon his termination of employment with Aon are not subject to this cap.

The Board may terminate the Tier 1 Agreements for Tier 1 Executives upon 120 days notice to an executive, provided that no termination may occur if the Board has knowledge of an action to effect a change-in-control or if there has been a change-in-control. In any event, each executive's Tier 1 Agreement will terminate upon the first to occur of the executive's death and the termination of the employment relationship of the executive prior to a change-in-control.

Employment Agreements and Transition Agreement

As noted in the narrative captioned "Employment Agreements and Other Compensation Arrangements" following the table captioned Grants of Plan-Based Awards in Fiscal Year 2010 each of Mr. Case, Ms. Davies, and Messrs. Fradin, McGill, O'Connor and Dail has entered into an employment agreement with Aon. The terms of these various employment agreements that provide benefits upon a change-in-control or the termination of employment under various scenarios are set forth below, and are in addition to the terms set forth in the Tier 1 Agreements.

Mr. Case's Employment Agreement

Mr. Case's employment agreement provides that, in the event of Mr. Case's death during the term of the agreement, his heirs, executors or the administrators of his estate will receive: (i) his accrued base salary through and including his date of death; (ii) any annual incentive bonus earned and payable but not yet paid for the bonus year prior to the year in which termination of employment occurs; (iii) a prorated annual incentive bonus through and including his date of death; (iv) other employee benefits to which he was entitled at the time of his death in accordance with the terms of the plans and programs of Aon; and (v) accelerated vesting of the restricted stock unit award, continued vesting of the stock option awards and payment or vesting of any other long-term incentive awards, in each case granted to him pursuant to the agreement. If Mr. Case's employment is terminated due to his incapacity or disability, he will receive the payments and benefits set forth in items (i) through (v) of the immediately preceding sentence, substituting the word "disability" for "death."

Mr. Case's employment agreement also provides that if Aon terminates Mr. Case's employment for cause (as defined in the agreement) as determined by a majority of the members of the Board of Directors (excluding Mr. Case), Mr. Case will be entitled to receive: (i) his accrued base salary through and including his date of termination; and (ii) other employee benefits to which he was entitled at the time of his termination in accordance with the terms of the plans and programs of Aon. In the event of a termination for cause, Mr. Case must immediately resign from Aon's Board of Directors.

If Aon terminates his employment for any other reason (other than for cause as defined in the agreement), Mr. Case will be entitled to receive: (i) his accrued base salary through and including his date of termination; (ii) any annual incentive bonus earned and payable but not yet paid for the bonus year prior to the year in which termination of employment occurs; (iii) a prorated annual incentive bonus through and including his date of termination, subject to the satisfaction of the specified performance goals established for the applicable bonus year; (iv) other employee benefits to which he was entitled at the time of his termination in accordance with the terms of the plans and programs of

Aon; provided that Aon shall continue to provide medical, dental and vision benefits to Mr. Case, his spouse and dependent children for a period of 24 months following the date of termination, followed with immediate eligibility for coverage under Aon's retiree medical program until Mr. Case, his spouse and dependent children become covered by the plan of another employer providing comparable benefits; (v) accelerated vesting of the restricted stock unit awards, continued vesting of the stock option awards and payment or vesting of any other long-term incentive awards, in each case granted to him pursuant to the agreement; (vi) a lump sum cash payment equal to two times Mr. Case's target annual incentive bonus for the bonus year in which his employment terminates; and (vii) subject to continuing compliance with the non-competition, non-solicitation and confidentiality covenants set forth in the agreement, an amount equal to two times Mr. Case's base salary, payable in installment payments when Aon provides salary payments to its executives generally, through the two-year non-competition period.

If Mr. Case voluntarily terminates his employment with good reason (as defined in the agreement), he will be entitled to receive the payments and benefits set forth in items (i) through (vii) of the immediately preceding sentence. If Mr. Case voluntarily terminates his employment for any reason (other than with good reason), he will be entitled to receive: (i) his accrued base salary through and including his date of termination; and (ii) other employee benefits to which he was entitled at the time of his termination in accordance with the terms of the plans and programs of Aon. In addition, if Mr. Case's employment is terminated for any reason other than by Aon for cause (as defined in the agreement) after Mr. Case has attained at least age 50 and completed at least 10 years of continuous employment, Mr. Case, his spouse and his dependent children will be eligible for coverage under Aon's retiree medical program.

Non-competition and non-solicitation covenants apply to Mr. Case for a period of two years following the termination of his employment without regard to the reason for such termination.

Ms. Davies' Employment Agreement

Ms. Davies' employment agreement provides that, in the event of the death of Ms. Davies during the term of the agreement, her heirs, executors or the administrators of her estate will receive: (i) her accrued base salary through and including her date of death plus any unpaid annual or long-term bonus earned for the completed year prior to her death; and (ii) a lump sum cash payment equal to her base salary at the date of death through November 11, 2012, reduced by the amount of any benefit paid under any life insurance policy maintained by Aon for her benefit. benefits to which she was entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Aon terminates Ms. Davies' employment for any reason, other than for cause, or other than due to death or disability, Aon must give Ms. Davies 365 days prior written notice of termination, and she will be entitled to the following: (i) for the period of time beginning with Aon's delivery of notice of termination to Ms. Davies and extending through the date of termination: (A) Aon will continue to pay her salary at the rate in effect on the date of delivery of notice of termination; (B) Ms. Davies will remain eligible for annual bonuses determined in accordance with the terms of the senior management incentive plan; (C) Ms. Davies will continue to be entitled to all employee benefits; and (D) Ms. Davies will continue to vest in and be eligible to earn long-term incentive awards; (ii) on the termination date, Ms. Davies shall receive a lump sum cash payment equal to any accrued but unpaid base salary; any unpaid annual or long-term bonus earned for the completed year prior to such date; and an amount equal to her target full-year annual incentive award based on her base salary and target annual award percentage (or value, as applicable) as determined under the senior management incentive plan in effect for the bonus year in which the notice of termination is given; and (iii) for the period of time beginning on the termination date through November 11, 2012, provided that Ms. Davies complies with the non-competition, non-solicitation and confidentiality provisions of the employment agreement, the continuation of base salary at the rate in effect on the date notice of termination is given.

If Ms. Davies voluntarily terminates her employment for any reason (other than good reason), Ms. Davies must give Aon ninety (90) days prior written notice and will receive: (i) her accrued base salary through her date of termination; and (ii) other employee benefits to which she was entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Ms. Davies voluntarily terminates her employment for good reason (as defined in the agreement), Ms. Davies must give Aon thirty (30) days prior written notice and Ms. Davies will receive the benefits outlined in the last sentence of the immediately preceding paragraph, with the date of the delivery by Ms. Davies to Aon of notice of termination deemed to be the date of the notice of termination, and the date specified in such notice as Ms. Davies' last day of employment with Aon as the termination date.

In addition, if Ms. Davies is terminated without cause, or if she voluntarily terminates her employment for good reason (as defined in the agreement), the stock awards and stock options granted to Ms. Davies pursuant to the employment agreement will immediately vest as of the date of termination.

Non-competition and non-solicitation covenants apply to Ms. Davies for a period of two years following the termination of her employment without regard to the reason for such termination.

Mr. Fradin's employment agreement provides that, in the event of Mr. Fradin's death during the term of the agreement, his estate will receive: (i) within sixty (60) days following his death, an amount equal to Mr. Fradin's base salary at the date of death through October 1, 2015, reduced by the amount of any benefit paid under any life insurance policy maintained by Aon for his benefit; and (ii) a pro rata bonus for the year in which his death occurred equal to the total value of the bonus paid to Mr. Fradin for the year prior to the year of death multiplied by a ratio equal to the number of days Mr. Fradin was employed during the year of death divided by 365. If Aon terminates Mr. Dail's employment for cause as set forth in his employment agreement, Mr. Dail will receive: (i) his accrued base salary through his date of termination; and (ii) other employee benefits to which he was entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Aon terminates Mr. Dail's employment for any reason, other than for cause, or due to death or disability, Aon must give Mr. Dail 365 days prior written notice of termination, and he will be entitled to receive: (i) all accrued base salary and benefits as of the notice date; (ii) during such twelve-month notice period his base salary at the rate in effect as of the notice date through his date of termination; (iii) a cash payment payable on the termination date in an amount equal to Mr. Dail's base salary as of the notice date and (iv) during such twelve-month notice period and thereafter, as applicable, other employee benefits to which he would be entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Mr. Dail voluntarily terminates his employment for good reason (as defined in the agreement), he must give Aon forty-five (45) days prior written notice and will be entitled to receive the payments and benefits set forth in items (i) through (iv) of the immediately preceding sentence. If Mr. Dail voluntarily terminates his employment for any reason (other than for good reason), he will only receive: (i) his accrued base salary through his date of termination; and (ii) other employee benefits to which he was entitled at the time of termination in accordance with the terms of the plans and programs of Aon.

Non-competition and non-solicitation covenants apply to Mr. Dail for a period of two years following the termination of his employment without regard to the reason for such termination.

Mr. Appel's Transition Agreement

Mr. Appel's transition agreement provides that if his employment is terminated due to: (i) his death, his beneficiaries will be entitled to receive the compensation and benefits he would be provided under the transition agreement, excluding welfare benefits; (ii) his illness, injury or other disability, or Aon's termination of his employment, other than for cause (as defined in the transition agreement), he will be entitled to the compensation and benefits provided to him under the transition agreement to the extent not yet then provided; or (iii) Aon's reasonably determining that he has materially breached and not cured his breach of his obligations under the transition agreement within the time period specified in the transition agreement, all of Aon's obligations under the transition agreement immediately terminate.

If Mr. Appel's employment is terminated for cause (as defined in the transition agreement), or the Chief Executive Officer reasonably determines that facts exist to support a finding that specific elements of cause (as defined in the transition agreement) have been satisfied after December 31, 2010 but prior to May 5, 2011, Aon will be relieved of certain obligations under the transition agreement,

including to provide the additional consideration, including without limitation, the lump sum cash payment of \$4,263,000, office space and secretarial assistance, reimbursement for the difference between the COBRA premium rate and the active employee rate, reimbursement of up to \$17,500 in reasonable legal fees and expenses, and standard executive-level outplacement assistance for the 2011 calendar year. In addition, if Mr. Appel is terminated for cause, he will not be entitled to continue to vest in any of the equity awards identified as eligible for continued vesting in the transition agreement.

Non-competition and non-solicitation covenants apply to Mr. Appel for a period of two years following the termination of his employment without regard to the reason for such termination.

Termination and Change-in-Control Tables

The tables below outline the potential payments to the named executive officers upon the occurrence of various termination events, including, without limitation, a termination upon a change-in-control of Aon. The following assumptions apply with respect to the tables below and any termination of employment of a named executive officer:

The amounts shown in the table assume that the employment of each named executive officer, was terminated on December 31, 2010, and that the price per share of Common Stock is \$46.01 per share, the closing market price per share on December 31, 2010, the last trading day of 2010. Accordingly, the tables set forth amounts earned as of December 31, 2010 and include estimates of amounts that would be paid to the named executive officer upon the occurrence of a termination event. Information regarding the payments and benefits received by Mr. Appel in connection with his actual transition from Aon on December 31, 2010 are set forth under the heading "Transition of Andrew M. Appel" below.

The employment of the named executive officers other than Mr. Appel did not actually terminate on December 31, 2010. In addition, a change-in-control of Aon did not occur on December 31, 2010. As a result, the named executive officers other than Mr. Appel did not receive any of the amounts shown in the tables or described below. The actual amounts to be paid to a named executive officer in connection with a termination event can only be determined at the time of such termination event.

Each named executive officer is entitled to receive amounts earned during the term of his employment regardless of the manner of termination. These amounts include accrued base salary, accrued vacation time and other employee benefits to which the named executive officer was entitled on the date of termination, and are not shown in the tables below.

For purposes of the tables below, the specific definitions of (i) "good reason" applicable to the column entitled "Voluntary Termination by Executive for Good Reason," (ii) "cause" applicable to the column entitled "Involuntary Termination For Cause," and (iii) "without cause" or "not for cause" applicable to the column entitled "Involuntary Termination Without Cause" for each of the named executive officers can be found, to the extent applicable, in their respective employment agreements. In addition, the specific definitions of "qualifying termination" applicable to the column entitled "Qualifying Termination Change-in-Control" can be found in the Tier 1 Agreements entered into with each of the named executive officers other than Mr. Appel.

Leadership Performance Program

The various cycles of the Leadership Performance Program were adopted as sub-plans of the Stock Plan to unite senior leaders of Aon around the common objectives of growing value, driving and motivating performance, and aligning senior executives with the overall success of Aon. LPP 3 was effective January 1, 2008, and covers the performance period beginning January 1, 2008 and ending December 31, 2010. LPP 4 was effective January 1, 2009, and covers the performance period beginning January 1, 2009 and ending December 31, 2011. LPP 5 was effective January 1, 2010, and covers the performance period beginning January 1, 2010 and ending December 31, 2012. Other than Mr. Fradin, each named executive officer received a performance award under each of LPP3, LPP4 and LPP5. On August 12, 2010, the Compensation Committee approved the grant, effective upon the closing of the Hewitt acquisition, of a performance award having a grant date fair value of \$2 million to Mr. Fradin under LPP6, which was effective January 1, 2011, and covers the performance period beginning January 1, 2011 and ending December 31, 2013. This award is shown in Mr. Fradin's table below. The treatment of the performance awards granted to Mr. Appel is discussed later in this section under the heading "Transition of Andrew M. Appel." For purposes of the tables below, performance share units and options granted pursuant to LPP3, LPP4 and LPP5 will be treated as follows upon the occurrence of various termination events:

For options granted under LPP3 and LPP4, under "Qualifying Termination Change-in-Control": (a) in the event of an involuntary termination without cause within two years following a change-in-control, all outstanding unvested options become fully vested and the named executive officer has a 90-day period from the date of termination to exercise all vested options; and (b) in the event of a termination for cause, voluntary termination, death or disability, or if the named executive officer's employment continues through the end of the performance period, the treatment described in the footnotes to the change-in-control/termination tables for options granted other than pursuant to the named executive officer's employment agreement will continue to apply.

For grants of performance share units under each of LPP3, LPP4 and LPP5, under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause," participation in the LPP is cancelled retroactively back to the beginning of the performance period and performance share units will be forfeited in their entirety. For grants of performance share units under LPP3, LPP4 and LPP5, under "Death" or "Disability," the outstanding performance share units will immediately convert to shares of Common Stock at the greater of: (a) one hundred percent (100%) of the target level; or (b) the number of shares that would have resulted from the growth rate achieved during the named executive officer's period of service during the performance period.

For grants of performance share units under each of LPP3, LPP4 and LPP5, under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," a pro-rated amount of the outstanding performance share units convert to shares of Common Stock at the end of the performance period based on the cumulative growth achieved during the named executive officer's employment during the performance period as a proportion of the total achieved over the performance period. For purposes of the calculation set forth in the preceding sentence only, the growth achieved during the named executive officer's employment will be measured as of the last full calendar quarter preceding the termination date.

For grants of performance share units under the LPP3, LPP4 and LPP5, under "Qualifying Termination Change-in-Control," the outstanding performance share units convert to shares of

Table of Contents

Common Stock as follows: (a) if the named executive officer's employment is terminated without cause following a change-in-control but prior to the end of the performance period, the conversion occurs at the greater of: (i) one hundred percent (100%) of the target level; or (ii) the number of shares that would have resulted from the growth rate achieved during the named executive officer's period of service during the performance period, measured as of the last full calendar quarter preceding the termination date; and (b) in the event of a termination for cause, voluntary termination, death or disability, or if the named executive officer's employment continues through the end of the performance period, the treatment of performance share units described elsewhere in this section shall apply as if a change-in-control did not occur. In addition, amounts calculated using the methodology as described in this paragraph represent: (a) for grants under LPP3, the payout of a pro-rated amount of the outstanding performance share units at one hundred and thirty percent (130%) of the target level; (b) for grants under LPP4, the payout of a pro-rated amount of the outstanding performance share units at one hundred and fifteen percent (115%) of the target level; and (c) for grants under LPP5, the payout of a pro-rated amount of the outstanding performance share units at ninety-one percent (91%) of the target level. For grants of performance share units under LPP3, LPP4 and LPP5, in the event of a change-in-control, without a qualifying termination, where the successor entity does not assume and continue the respective LPP, the outstanding performance share units will immediately convert to shares of Common Stock at the greater of: (a) one hundred percent (100%) of the target level; or (b) the number of shares that would have resulted from the growth rate achieved during the performance period measured as of the last full calendar quarter preceding the closing date.

Aon Benfield Performance Program

The Aon Benfield Performance Program was adopted as a sub-plan of the Stock Plan effective January 1, 2009 to provide a unifying and motivating long-term wealth-building program for the key members of the leadership team of Aon Benfield, which conducts Aon's reinsurance brokerage operations. The ABPP covers the performance period beginning January 1, 2009 and ending December 31, 2011. Each of Messrs. Appel and Dail has received a performance award under the ABPP. No other named executive officer is a participant in this performance program. The treatment of the performance awards granted to Mr. Appel is discussed later in this section under the heading "Transition of Andrew M. Appel." For purposes of the tables below, performance share units granted pursuant to the ABPP, and restricted stock units issued upon settlement of those performance share units, will be treated as follows upon the occurrence of various termination events:

For grants of performance share units under the ABPP, under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," a prorata amount of the outstanding performance share units convert to restricted stock units at the end of the performance period based on the cumulative growth achieved during the named executive officer's employment during the performance period as a proportion of the total achieved over the performance period, multiplied by seventy-five percent (75%). For purposes of the calculation set forth in the preceding sentence only, the growth achieved during the named executive officer's employment will be measured as of the last full calendar quarter preceding the termination date. Under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," unvested restricted stock units under the ABPP will vest prorata on the date of termination at twenty-five percent (25%) plus an additional prorated amount of restricted stock units determined based on the number of days employed between the

Table of Contents

settlement date and the first anniversary thereof divided by 365, and will be paid out within sixty (60) days following the termination date.

For grants of performance share units under the ABPP, under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause," participation in the ABPP is cancelled retroactively back to the beginning of the performance period. Under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause," unvested restricted stock units will be forfeited in their entirety.

For grants of performance share units under the ABPP, under "Death" or "Disability," the outstanding performance share units will immediately convert to restricted stock units at the greater of: (a) one hundred percent (100%) of the target level; or (b) an amount calculated using the number of shares that would have resulted from the growth rate achieved during the named executive officer's period of service during the performance period, paid out within sixty (60) days following the termination date. Under "Death" or "Disability," unvested restricted stock units will vest in full on or after the settlement date but prior to the first anniversary thereof, and will be paid out within sixty (60) days following such event.

For grants of performance share units under the ABPP, under "Qualifying Termination Change-in-Control," the outstanding performance share units convert to restricted stock units as follows: (a) if the named executive officer's employment is terminated without cause following a change-in-control prior to the end of the first year of the performance cycle, the conversion occurs at the greater of: (i) fifty percent (50%) of the target level; or (ii) the number of restricted stock units that would have been earned based on the growth rate achieved during the named executive officer's period of service during the performance period, measured as of the last full calendar quarter preceding the termination date; (b) if the named executive officer's employment is terminated without cause following a change-in-control after the first year of the performance cycle, the conversion occurs at the greater of: (i) one hundred percent (100%) of the target level; or (ii) the number of restricted stock units that would have been earned based on the growth rate achieved during the named executive officer's period of service during the performance period, measured as of the last full calendar quarter preceding the termination date; and (c) in the event of a termination for cause, voluntary termination, death or disability, or if the named executive officer's employment continues through the end of the performance period, the treatment described above with respect to the ABPP shall apply to the performance share units and the restricted stock units as if a change-in-control did not occur. In addition, amounts calculated using the methodology described in this paragraph represent, for grants under the ABPP, the payout of a pro-rated amount of the outstanding performance share units at fifty-eight and one-half percent (58.5%) of the target level. For grants under the ABPP, in the event of a change-in-control, without a qualifying termination, where the successor entity does not assume and continue the ABPP, the outstanding performance share units will immediately convert to restricted stock units at the greater of: (i) fifty percent (50%) of the target level, if less than one year of the performance period is completed; (ii) one hundred percent (100%) of the target level if more than one year of the performance period is completed; or (iii) the number of shares that would have been earned based on the growth rate achieved during the performance period, measured as of the last full calendar quarter preceding the closing date.

(1) For purposes of this table, we have assumed that Mr. Case's compensation is as follows: current base salary is equal to \$1,500,000 and target annual incentive bonus is equal to 200% of base salary.

(2) Represents a voluntary termination by Mr. Case due to: (a) the assignment to Mr. Case of any duties materially inconsistent with his position, authority, duties or responsibilities contemplated by his employment agreement; (b) Aon's failure to comply with the provisions of his employment agreement regarding compensation; (c) Aon's requirement that Mr. Case's principal office be located more than fifty (50) miles outside of the greater Chicago metropolitan area; or (d) any other material breach by Aon of his employment agreement. Other than as provided in the preceding sentence, any other voluntary termination by Mr. Case shall constitute "Voluntary Termination by Executive Without Good Reason."

(3) For purposes of this table, under a "Qualifying Termination Change-in-Control" we have assumed that Mr. Case would receive the maximum benefits possible pursuant to the terms of his Tier 1 Agreement as described in the section above entitled "Severance Agreements." Pursuant to the terms of Mr. Case's severance agreement, Aon is not obligated to provide a gross-up payment to Mr. Case in connection with any excise taxes imposed by Section 4999 of the Internal Revenue Code. In addition, Mr. Case's severance agreement provides that Mr. Case's cash and non-equity award payments shall be capped at the "safe harbor" amount under Section 280G of the Internal Revenue Code, such that the cash and non-equity award payments are not deemed to be "excess parachute payments" within the meaning of Section 280G of the Internal Revenue Code.

(4) Severance is calculated as two times the sum of base salary and target annual incentive bonus for "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," and as three times base salary and target annual incentive bonus for "Qualifying Termination Change-in-Control." For additional information regarding the payments and benefits to Mr. Case upon a "Qualifying Termination Change-in-Control," please see the discussion set forth above in this section under the heading "Severance Agreements."

(5) For "Qualifying Termination Change-in-Control," the annual incentive bonus is generally calculated based upon the named executive officer's average annual cash incentive for the preceding three years. As Aon considers the annual incentive bonus to be "reasonable" compensation, under Section 280G of the Internal

Revenue Code, it is not included in Mr. Case's Change-in-Control calculations for purposes of determining the payments subject to Section 280G of the Internal Revenue Code.

- (6) Under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause" the vesting of all outstanding unvested restricted stock unit awards ceases upon the date of the employment termination and all unvested awards are forfeited. Under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause": all outstanding unvested restricted stock unit awards granted pursuant to the ISP continue to vest in accordance with their original vesting schedules. Under "Death" and "Disability," all outstanding unvested RSUs granted pursuant to the ISP vest immediately. Under "Qualifying Termination Change-in-Control," all outstanding unvested restricted stock unit awards become fully vested.
- (7) Under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause" the vesting of all outstanding unvested stock options ceases as of the date of termination, all unvested options are forfeited, and in the case of "Voluntary Termination by Executive Without Good Reason," the named executive officer has a 90-day period from the date of termination to exercise all vested options. Under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause": all outstanding unvested stock options vest as of the termination date in a pro rata amount based on the number of days of service between the date of grant and the date of termination, all remaining unvested options are forfeited, and the named executive officer has a 90-day period from the date of termination to exercise all vested options. Under "Death" and "Disability": all outstanding unvested stock options immediately vest and the named executive officer has a 12-month period from the date of death or disability to exercise all vested options. For options other than those granted under LPP3 and LPP4, under "Qualifying Termination Change-in-Control," the named executive officer has a 90-day period from the date of termination to exercise all vested options. For information regarding the treatment of options granted under LPP 3 and LPP4, please see the discussion set forth above in this section under the heading "Termination and Change-in-Control Tables Leadership Performance Program."
- (8) The amounts in this row represent the intrinsic value of the unvested stock options as of December 31, 2010 that vest as applicable to each termination scenario.
- (9) The amounts in this row are attributable to grants of performance share units under LPP3, LPP4 and LPP5. For information regarding the treatment of performance share units granted under LPP3, LPP4 and LPP5 in the event of a "Qualifying Termination Change-in-Control," please see the discussion set forth above in this section under the heading "Termination and Change-in-Control Tables Leadership Performance Program."
- (10) Continuation of Health & Welfare Benefits is calculated for twenty-four (24) months under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause."
- (11) Represents an additional benefit pursuant to the terms of his employment agreement payable upon Mr. Case's death in excess of the amount generally available to Aon's employees.

(1) For purposes of this table, we have assumed that Ms. Davies' compensation is as follows: current base salary is equal to \$800,000 and target annual incentive bonus is equal to 150% of base salary.

(2) Represents a voluntary termination by Ms. Davies due to: (a) the assignment to Ms. Davies of any duties materially inconsistent with her position, authority, duties or responsibilities contemplated by her employment agreement; (b) Aon's failure to comply with the provisions of her employment agreement regarding compensation; (c) Aon's requirement that Ms. Davies' principal office be located more than fifty (50) miles outside of the greater Chicago metropolitan area; or (d) any other material breach by Aon of her employment agreement. Other than as provided in the preceding sentence, any other voluntary termination by Ms. Davies shall constitute "Voluntary Termination by Executive Without Good Reason."

(3) Represents a termination for any failure (other than physical or mental disability) of Ms. Davies to perform her material duties under her employment agreement.

(4) Represents any termination for "Cause" as defined in Ms. Davies' employment agreement, other than as provided in footnote (3) above.

(5) For purposes of this table, under a "Qualifying Termination Change-in-Control" we have assumed that Ms. Davies would receive the maximum benefits possible pursuant to the terms of her Tier 1 Agreement as described in the section entitled "Severance Agreements."

of her employment agreement plus target annual incentive bonus for "Voluntary Termination by Executive For Good Reason," (ii) the continuation of base salary from the date of delivery of written notice of termination through the one year notice period plus the continuation of base salary from the termination date through the end of her employment agreement plus target annual incentive bonus for "Involuntary Termination Without Cause" and (iii) two times base salary plus average incentive compensation for the preceding two years for "Qualifying Termination Change-in-Control." For "Death" and "Disability," severance is calculated as a pro-rata amount of base salary from the date of death through the end of the employment period, reduced by the amount of any benefit paid under any individual or group life insurance policy or any disability policy maintained by Aon for the benefit of Ms. Davies. For "Death" and "Disability," as the amount payable to Ms. Davies under the applicable death or disability insurance policy maintained by Aon for her benefit exceeds the cash severance payable to her in the event of a termination, the amount shown in these columns is zero. For "Involuntary Termination For Cause (Performance)," severance is calculated as the continuation of base salary for a period of two years from the date of termination of employment.

- (7) For "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause," the annual incentive bonus is calculated at Ms. Davies's target full-year annual bonus. For "Qualifying Termination Change-in-Control," the annual incentive bonus is generally calculated based upon the named executive officer's average annual cash incentive for the preceding three years. As Ms. Davies commenced employment with Aon in November 2007, and did not receive an annual incentive bonus for 2007, under "Qualifying Termination Change-in-Control," the average annual cash incentive was calculated based on the preceding two years.
- (8) Under "Voluntary Termination by Executive Without Good Reason," "Involuntary Termination For Cause (Performance)," and "Involuntary Termination For Cause (all others)," the vesting of all outstanding restricted stock award unit awards ceases upon the date of the employment termination and all unvested awards are forfeited. Under "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause": (a) all outstanding unvested restricted stock unit awards granted pursuant to Ms. Davies' employment agreement immediately vest; and (b) all outstanding unvested restricted stock unit awards granted pursuant to the ISP continue to vest in accordance with their original vesting schedules. Under "Death" and "Disability," all outstanding unvested restricted stock unit awards become fully vested as of the date of termination. Under "Qualifying Termination Change-in-Control," all outstanding unvested restricted stock unit awards granted under the ISP become fully vested.
- (9) Under "Voluntary Termination by Executive Without Good Reason," "Involuntary Termination For Cause (Performance)" and "Involuntary Termination For Cause (all others)" the vesting of all outstanding unvested stock options ceases as of the date of termination, all unvested options are forfeited, and the named executive officer has a 90-day period from the date of termination to exercise all vested options. Under "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause": (a) all outstanding unvested stock options granted pursuant to Ms. Davies' employment agreement immediately vest and remain exercisable for 90 days; (b) all other outstanding unvested stock options vest as of the termination date in a pro rata amount based on the number of days of service between the date of grant and the month of termination, all remaining unvested options are forfeited, and the named executive officer has a 90-day period from the date of termination to exercise all vested options; and (c) the amounts shown reflect an additional 90 days of vesting during the notice period in the event of "Voluntary Termination by Executive for Good Reason," and an additional year of vesting during the notice period in the event of "Involuntary Termination Without Cause." Under "Death" and "Disability" all outstanding unvested stock options immediately vest and the named executive officer has a 12-month period from the date of death or disability to exercise all vested options. For all options other than those granted under LPP3 and LPP4, under "Qualifying Termination Change-in-Control," all outstanding unvested stock options become fully vested and the named executive officer has a 90-day period from the date of termination to exercise all vested options. For information regarding the treatment of options granted under LPP3 and LPP4 in the event of a "Qualifying Termination Change-in-Control," please see the discussion set forth above in this section under the heading "Termination and Change-in-Control Tables Leadership Performance Program."
- (10) The amounts in this row represent the intrinsic value of the unvested stock options as of December 31, 2010 that vest as applicable to each termination scenario.

- (11) The amounts in this row are attributable to grants of performance share units under LPP3, LPP4 and LPP5. The amounts in this row reflect an additional quarter of performance credit that will accrue to Ms. Davies during the notice period in the event of "Voluntary Termination by Executive For Good Reason," and an additional year of performance credit that will accrue to Ms. Davies during the notice period in the event of "Involuntary Termination Without Cause." For information regarding the treatment of performance share units granted under LPP3, LPP4 and LPP5, please see the discussion set forth above in this section under the heading "Termination and Change-in-Control Tables Leadership Performance Program."
- (12) Continuation of Health & Welfare Benefits is calculated for twenty-four (24) months under "Qualifying Termination Change-in-Control."
- (13) Represents additional pension and non-qualified plan benefits payable to Ms. Davies under the various termination scenarios. Includes two additional years of age and service credit under Aon's nonqualified benefit plans, and, in the case of the Supplemental Savings Plan, two additional years of plan contributions.
- (14) The assumptions used to calculate the excise tax gross-up include the following: (a) a change-in-control occurred on December 31, 2010; (b) the named executive officer was involuntarily terminated on December 31, 2010; (c) the combined state and federal tax rate for the named executive officer was thirty-four percent (34%); and (d) the excise tax rate was twenty percent (20%).
- (15) Continuation of life and disability insurance is calculated as twenty-four (24) months under "Qualifying Termination Change-in-Control."

- (1) For purposes of this table, we have assumed that Mr. Fradin's compensation is as follows: current base salary is equal to \$1,000,000 and target annual incentive bonus is equal to 150% of base salary.
- (2) Represents a voluntary termination by Mr. Fradin due to any of the following remaining uncured by Aon for thirty (30) days after written notice of the existence of such good reason event is delivered: (a) a substantial adverse alteration in the then-current responsibilities of Mr. Fradin; (b) any material breach of the employment agreement by Aon, including any purported termination of Mr. Fradin's employment that breaches the employment agreement; or (c) a change by Aon in the location at which Mr. Fradin is required to perform his principal duties under the employment agreement by more than fifty (50) miles from his Lincolnshire, Illinois office location.
- (3) Represents any termination for "Cause" as defined in Mr. Fradin's employment agreement.
- (4) For purposes of this table, under a "Qualifying Termination Change-in-Control" we have assumed that Mr. Fradin would receive the maximum benefits possible pursuant to the terms of his Tier 1 Agreement as described in the section entitled "Severance Agreements." Pursuant to the terms of Mr. Fradin's severance agreement, Aon retained the obligation under Mr. Fradin's previous employment arrangement with Hewitt to provide a tax gross-up payment to Mr. Fradin in connection with any excise taxes imposed by Section 4999 of the Internal Revenue Code arising out of, or in any way in connection with, the Hewitt acquisition. This obligation would be triggered in the event of any of the termination scenarios set forth in the table.
- (5) Severance is calculated as: (i) the continuation of base salary from the date of delivery of thirty (30) days advance written notice of termination plus a pro rata portion of Mr. Fradin's annual bonus for the year in which the termination occurred based on actual results for the year and the number of days Mr. Fradin was employed during such year plus a lump sum severance payment equal to two times Mr. Fradin's base salary at the time of termination for "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause," and (ii) two times base salary plus average incentive compensation for the preceding two years for "Qualifying Termination Change-in-Control." For "Death" and "Disability," severance is calculated as a pro-rata amount of base salary from the date of death or disability through the end of the employment period, reduced by the amount of any benefit paid under any

Table of Contents

bonus for the year in which such termination of employment occurs equal to the total value of the bonus paid to Mr. Fradin for the year prior to the year of termination.

- (6) For "Qualifying Termination Change-in-Control," the annual incentive bonus is generally calculated based upon the named executive officer's average annual cash incentive for the preceding three years.
- (7) Under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause," the vesting of all outstanding restricted stock unit awards ceases upon the date of the employment termination and all unvested awards are forfeited. Under "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause" all outstanding unvested restricted stock unit awards granted pursuant to his employment agreement will vest pro rata based on the number of days of service between the date of grant and the date of termination; all remaining unvested restricted stock units are forfeited. Under "Death" and "Disability," all outstanding unvested restricted stock unit awards become fully vested as of the date of termination. Under "Qualifying Termination Change-in-Control," all outstanding unvested restricted stock unit awards become fully vested. Under each termination scenario, the fully vested restricted stock unit award of 127,291 shares granted to Mr. Fradin on October 1, 2010 and having a value of \$5,856,659 as of December 31, 2010, will be settled and distributed to Mr. Fradin upon his departure from Aon.
- (8) Awards under LPP6 and the AHPP having an aggregate grant date fair value of \$4,000,000 were granted to Mr. Fradin on October 1, 2010. However, the terms of these awards, and their treatment under various termination scenarios, was not determinable at December 31, 2010, as the performance plans governing these awards were not adopted by the Compensation Committee until March 17, 2011. As a result, the amount shown in this table for awards to Mr. Fradin under LPP6 and the AHPP is 0.
- (9) Continuation of Health & Welfare Benefits is calculated for twenty-four (24) months under "Qualifying Termination Change-in-Control."
- (10) Represents additional pension and non-qualified plan benefits payable to Mr. Fradin under the various termination scenarios, including the payment of \$1,810,611 representing Mr. Fradin's balance in the Deferred Compensation Plan. Includes two additional years of age and service credit under Aon's nonqualified benefit plans, and, in the case of the Supplemental Savings Plan, two additional years of plan contributions.
- (11) Pursuant to the terms of the Tier 1 Agreement with Mr. Fradin, Aon is not obligated to provide excise tax gross-up protection to Mr. Fradin in the event of a change-in-control of Aon; provided, however, that Mr. Fradin retained the right to receive excise tax gross-up protection as set forth in previously-existing agreements between Hewitt and Mr. Fradin in connection with any excise taxes imposed under Section 4999 of the Internal Revenue Code arising out of, or in any way connected with, the Hewitt acquisition. The amounts shown in this row reflect the excise tax gross-up protection payable to Mr. Fradin in the event of each termination scenario.
- (12) Continuation of life and disability insurance is calculated for twenty-four (24) months under "Qualifying Termination Change-in-Control."

- (1) For purposes of this table, we have assumed that Mr. McGill's compensation is as follows: current base salary is equal to \$1,100,000 and target annual incentive bonus is equal to 175% of base salary.
- (2) Represents a voluntary termination by Mr. McGill upon 90 days notice due to any of the following remaining uncured by Aon for twenty (20) days after notice is delivered: (a) a substantial adverse alteration in the then-current responsibilities of Mr. McGill; (b) any material breach of the employment agreement by Aon, including any purported termination of Mr. McGill's employment that breaches the employment agreement; or (c) a change by Aon in the location at which Mr. McGill is required to perform his principal duties under the agreement to offices that are not located in the Chicago or New York greater metropolitan areas.
- (3) Represents any termination for "Cause" as defined in Mr. McGill's employment agreement.
- (4) For purposes of this table, under a "Qualifying Termination Change-in-Control" we have assumed that Mr. McGill would receive the maximum benefits possible pursuant to the terms of his Tier 1 Agreement as described in the section entitled "Severance Agreements." Pursuant to the terms of Mr. McGill's severance agreement, Aon is not obligated to provide a gross-up payment to Mr. McGill in connection with any excise taxes imposed by Section 4999 of the Internal Revenue Code. In addition, Mr. McGill's severance agreement provides that Mr. McGill's cash and non-equity award payments shall be capped at the greater of: (i) the "safe harbor" amount under Section 280G of the Internal Revenue Code, such that the payments and benefits are not deemed to be "excess parachute payments" or (ii) the amount of payments and benefits that would otherwise be provided under the agreement so long as the payments and benefits outweigh the tax consequences to Mr. McGill of receipt thereof.
- (5) Severance is calculated as: (i) the continuation of base salary for one year from the date of delivery of written notice of termination plus a cash payment equal to Mr. McGill's annual base salary as of the notice date for "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause," and (ii) two times base salary plus average incentive compensation for the preceding two years for "Qualifying Termination Change-in-Control"; provided, however, that payment will not be distributed consistent with limitations set forth in note 4 of this table. For "Death," severance is calculated as a pro-rata amount of base salary from the date of death through the end of the employment period plus the amount of any benefit paid under any individual or group life insurance policy maintained by Aon for the benefit of Mr. McGill, plus a pro rata bonus for the year in which such termination of employment occurs equal to the total value of the bonus paid to Mr. McGill for the year prior to the year of termination. For "Disability," severance is calculated as a pro-rata amount of base salary from the date of disability through the end of the employment period less the amount of any benefit paid under any disability policy maintained by Aon for the benefit of Mr. McGill, plus a pro rata bonus for the year in which such termination of employment occurs equal to the total value of the bonus paid to Mr. McGill for the

year prior to the year of termination.

Transition of Andrew M. Appel

The impact of the transition of Mr. Appel from his role as an executive officer of Aon, effective November 5, 2010 (the "Transition Date"), on his compensation and benefits is as follows:

Mr. Appel remained an employee of Aon through December 31, 2010 (the "Termination Date"), and continued through the Termination Date to: (i) receive his base salary at a rate equal to \$950,000; (ii) remain eligible to participate in Aon's welfare benefit plans on the same terms offered generally to Aon executives; and (iii) remain a participant in Aon's qualified and non-qualified retirement plans in which he participated as of the Transition Date.

Mr. Appel forfeited any bonus or other incentive compensation for which he otherwise was eligible for services during 2010.

Certain restricted stock units, performance share units and options previously granted to Mr. Appel by Aon during the course of his employment will continue to vest pursuant to the terms and conditions of the plans and programs under which the awards were granted, including: (i) pro rata vesting of awards under Aon's Leadership Performance Programs and the ABPP based on the cumulative growth achieved during the period of Mr. Appel's employment during the performance period as a proportion of the total achieved during the performance period, with credit for vesting through December 31, 2010; and (ii) subsequent to December 31, 2010, continued vesting only in the restricted stock unit awards awarded to him from time to time pursuant to the ISP. The amount shown in this paragraph reflects Mr. Appel's transition from Aon on December 31, 2010, and assumes a price per share of Common Stock of \$46.01 per share, the closing market price per share on December 31, 2010. The market value of the restricted stock units as of December 31, 2010, assuming continued vesting of 20,005 restricted stock units was \$920,430. The market value of the performance share units as of December 31, 2010, assuming continued vesting and settlement of 125,444 performance share units was \$5,771,684. The intrinsic value of the options as of December 31, 2010, assuming a pro rata release on the date of termination of 17,819 options, was \$102,848. All other restricted stock units, performance share units and stock options previously granted to Mr. Appel by Aon during the course of his employment that will not vest by the Termination Date will be forfeited and cancelled.

Aon will also provide Mr. Appel with the following additional compensation and benefits: (i) a lump sum payment of \$4,263,000, subject to applicable withholdings, on May 5, 2011; (ii) office and secretarial assistance through the earlier of the date he is re-employed elsewhere or September 30, 2011; (iii) provided Mr. Appel elects continuation health care coverage under COBRA, reimbursement for the difference between the premium rate he is required to pay and the active employee rate for similar coverage through September 30, 2011 and the cost of participation in Aon's executive physical program; (iv) reimbursement for up to \$17,500 in reasonable legal fees and expenses incurred in connection with the negotiation and documentation of the transition agreement; and (v) standard executive-level outplacement assistance for the 2011 calendar year.

If Mr. Appel was terminated as of December 31, 2010 due to his death, illness, injury or other disability, or Aon's termination of his employment, other than for cause (as defined in the transition agreement), he would be entitled to the compensation and benefits provided to him under the transition agreement to the extent not yet provided.

Table of Contents

If Mr. Appel was terminated on December 31, 2010 for cause (as defined in the transition agreement), or the Chief Executive Officer reasonably determines that facts exist to support a finding that specific elements of cause (as defined in the transition agreement) have been satisfied after December 31, 2010 but prior to May 5, 2011, Aon would be relieved of certain obligations under the transition agreement, including those outlined in the first paragraph of this section above regarding base salary and benefit and retirement plan participation, and to provide the additional consideration, including without limitation the lump sum cash payment of \$4,263,000, office space and secretarial assistance, reimbursement for the difference between the COBRA premium rate and the active employee rate, reimbursement of up to \$17,500 in reasonable legal fees and expenses, and standard executive-level outplacement assistance for the 2011 calendar year. In addition, in the event of a termination for cause, Mr. Appel would not be entitled to continue to vest in any of the equity awards identified as eligible for continued vesting in the transition agreement.

If Mr. Appel was terminated on December 31, 2010 due to his breach of the transition agreement and failed to cure the breach within the time frame specified in the transition agreement, all of Aon's obligations under the transition agreement would immediately terminate.

Additional information regarding the terms of Mr. Appel's transition agreement is contained in this section under "Employment Agreements and Transition Agreement Mr. Appel's Transition Agreement."

Also includes, for Mr. McKenna, a life insurance premium payment of \$43,725 where Mr. McKenna is the secondary insured on a policy whose proceeds will be used to fund a charitable bequest pursuant to the Aon Corporation Corporate Sponsored Bequest Plan, the terms of which are described below this table under the heading "Components of Director Compensation Bequest Plan."

- (5) Ms. Francis and Mr. Green joined Aon's Board of Directors at the effective time of the merger of Hewitt Associates, Inc. with a subsidiary of Aon, which occurred on October 1, 2010.

Components of Director Compensation

Cash Compensation

Aon provides its non-management Directors with the following cash compensation:

an annual retainer of \$95,000, payable quarterly;

an additional annual retainer of \$10,000 to the Chairs of each Board Committee other than the Audit Committee; and

an additional annual retainer of \$20,000 to the Chair of the Audit Committee.

Aon also pays or reimburses non-management Directors for reasonable travel, lodging and related expenses in connection with their attendance at Board, Committee or Aon business meetings and for other reasonable expenses related to Board service such as continuing education.

Grant of Deferred Stock Units

In addition, under the Aon Corporation Non-Employee Directors' Deferred Stock Unit Plan, as amended and restated effective January 1, 2008, a subplan of the Stock Plan, each non-management Director receives an annual grant of deferred stock units on the date of Aon's annual meeting of stockholders. The annual grant of deferred stock units has a value of \$95,000. In 2010, this grant was made on May 21. The deferred stock units vest over the course of a year, and will convert to shares of Common Stock upon the earlier of: (a) the third anniversary of the date of grant; or (b) the Director's termination of service from the Board, unless the Director makes a timely election to defer receipt of the grant in compliance with Section 409A of the Internal Revenue Code and deferral procedures established by Aon. The number of deferred stock units to be granted will be determined by dividing \$95,000 by the fair market value of a share of Common Stock on the date of grant. Dividend equivalents will be credited on the deferred stock units and the dividend equivalents will be reinvested in additional deferred stock units.

A newly-elected or appointed non-management Director will receive an additional grant of deferred stock units as of his or her first day of service on the Board. A non-management Director elected or appointed to service on the Board at Aon's annual meeting of stockholders will receive grants of deferred stock units, including the annual grant described above, with an aggregate value of \$170,000. The deferred stock units will be subject to the same rules described directly above. Each of Ms. Francis and Mr. Green received a grant of deferred stock units with a value of \$170,000 upon joining the Board on October 1, 2010. In addition, in 2010, in connection with his service as Aon's non-Executive Chairman, a position to which he was first elected effective August 1, 2008, Mr. Knight received an additional grant of deferred stock units with a value of \$200,000.

Matching Charitable Contributions

During 2010, Aon Foundation matched up to \$10,000 of charitable contributions made to a qualified organization by any non-management Director.

Deferred Compensation

Pursuant to the Aon Corporation Outside Director Deferred Compensation Plan, as amended and restated effective January 1, 2008 (the "Deferred Plan") and the Aon Corporation Outside Director Stock Award and Retirement Plan, as amended and restated effective January 1, 2008 (the "Award Plan") (as subplans of the Stock Plan), non-management Directors have the ability to defer receipt of cash compensation and shares of Common Stock until, generally, retirement from the Board.

Under the Deferred Plan, prior to January 1, 2009, non-management Directors elected that all or a portion of the annual retainer (referred to herein as "Fees") be credited to either a cash account, the earnings of which are based on six-month Treasury bills, or a stock account. Both accounts are maintained for bookkeeping purposes only and no amounts are actually invested or set aside for the non-management Directors' benefit. The non-management Directors' stock accounts are credited with the number of shares that could have been purchased with the Fees using the closing price of the shares of Common Stock on the date the Fees are earned. As dividends are declared and paid on shares of Common Stock, each non-management Director's stock account, for bookkeeping purposes, is credited with the amount of shares of Common Stock that could have been purchased had such dividends been reinvested in shares of Common Stock. Distributions generally commence upon termination of Director status or retirement of the Director from the Board. With regard to the deferred Fees, distributions may be made in cash or in shares of Common Stock, at the election of the Director.

Effective January 1, 2009, non-management Directors are provided the option to defer all or a portion of the Fees into fourteen valuation funds, including an Aon Stock fund, which are considered "deemed investments" and used to determine investment gains or losses on the account balance. The Aon Stock fund is credited with the number of shares that could have been purchased with the Fees using the closing price of the shares of Common Stock on the date the Fees are earned. As dividends are declared and paid on shares of Common Stock, each non-management Director's account is credited with the amount of shares of Common Stock that could have been purchased had such dividends been reinvested in shares of Common Stock. With the exception of the Aon Stock fund, accounts may be reallocated daily. The Aon Stock fund may be reallocated once per year to coincide with the quarter in which the annual meeting of stockholders is held. Distributions generally commence upon termination of Director status or retirement of the Director from the Board. All valuation funds, including the Aon Stock fund, are paid out in cash upon commencement of termination or retirement.

Under the Award Plan, non-management Directors may have elected to defer receipt of the annual award of shares of Common Stock issued prior to January 1, 2006. For Directors who elected to defer, we maintain accounts for bookkeeping purposes that are credited with the number of shares of Common Stock that could have been purchased with the annual award if shares were priced at the average price of shares of Common Stock during the first three months of the year the annual award is made. As dividends are declared and paid on shares of Common Stock, each Director's account, for bookkeeping purposes, is credited with the amount of shares of Common Stock that could have been purchased had such dividends been reinvested in shares of Common Stock. Distributions are made in shares of Common Stock.

Retirement Benefits

In addition, under the Award Plan, for periods prior to January 1, 2006, non-management Directors were also entitled to certain deferred benefits when they retired from the Board. The Award Plan provided for \$20,000 to be credited to an account on behalf of each outside Director for Board

Table of Contents

service for each year of service. Upon retirement from the Board, or upon death or disability, the vested value accumulated in the account as to a particular non-management Director will be distributed in ten installments consisting of shares of Common Stock.

Although the retirement benefit has been discontinued, existing retirement benefits will continue to vest and will remain subject to the terms and conditions of the Award Plan, as it may be amended from time to time.

Bequest Plan

Non-management Directors elected or appointed to serve on the Board before January 1, 2006, and who have completed at least one year of service as a member of the Board, remain eligible to participate in the Aon Corporation Corporate Sponsored Bequest Plan (the "Bequest Plan"), established in 1994. The Bequest Plan was closed to future participants in connection with certain modifications to Director compensation that were effective January 1, 2006. As a result, non-management Directors elected or appointed to serve on the Board on or after January 1, 2006, are not eligible to participate in the Bequest Plan.

The Bequest Plan was established to acknowledge the service of non-management Directors, to recognize the mutual interest of Aon and our non-management Directors in supporting worthy charitable institutions and to assist us in attracting and retaining non-management Directors of the highest caliber. Aon funds the Bequest Plan generally through the maintenance of life insurance policies on our eligible non-management Directors. Individual non-management Directors derive no financial benefit from the Bequest Plan, as any and all insurance proceeds and tax-deductible charitable donations accrue solely to us.

The Bequest Plan allows each eligible non-management Director to recommend total charitable contributions of up to \$1,000,000 to eligible tax-exempt organization(s) chosen by the eligible non-management Director and approved by Aon Foundation. Each eligible non-management Director may designate up to five tax qualified organizations to receive a portion of the \$1,000,000 bequest amount, subject to a \$100,000 minimum amount per organization. Each eligible non-management Director is paired with another eligible non-management Director under the Bequest Plan. The distribution of each eligible non-management Director's charitable bequest amount will begin at the later of: (i) the death of such eligible non-management Director; or (ii) the death of the other eligible non-management Director with whom such eligible non-management Director is paired. Distributions under the Bequest Plan, once they begin, will be made to the designated tax qualified organization(s) in ten equal annual installments.

Director Compensation 2011 Revisions

On September 16, 2010, Aon's Board approved changes to the amount of compensation paid to Aon's non-management Directors. The modifications were recommended to the Board by the Compensation Committee after that Committee undertook a careful review of market practices. Based on advice from the Compensation Committee's outside compensation consultant, the Compensation Committee found the compensation program for non-management Directors to provide compensation that was below the competitive level relative to non-management directors at companies in Aon's peer group.

Edgar Filing: AON CORP - Form DEF 14A

Table of Contents

The Board authorized the following changes to non-management Director compensation, effective January 1, 2011:

The value of the annual grant of deferred stock units made to each non-management Director on the date of each annual meeting of Aon's stockholders will be increased to \$105,000; and

The additional annual retainer paid to the Chairs of each Board Committee will increase by \$5,000.

Other than the revisions noted above, all other elements of the Director compensation program will remain in effect.

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

What am I voting on?

In accordance with Section 14A of the Exchange Act, we are providing stockholders with the opportunity to vote on an advisory resolution, commonly known as "say-on-pay," approving Aon's executive compensation as reported in this proxy statement.

We encourage stockholders to read the Compensation Discussion and Analysis beginning on page 33 of this proxy statement, which describes in detail how our compensation policies and procedures operate and are designed to achieve our compensation objectives of directly linking the compensation of our named executive officers to our performance and fundamentally aligning the financial interests of our named executive officers with those of our stockholders, as well as the Summary Compensation Table for Fiscal Years 2010, 2009 and 2008 and other related tabular and narrative disclosures beginning on page 53 of this proxy statement, which provide detailed information on the compensation of our named executive officers.

The Board of Directors and the Compensation Committee believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in achieving our compensation objectives, and the design of our compensation program and the compensation awarded to our named executive officers, fulfills these objectives.

Stockholders are being asked to vote on the following advisory resolution:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of Aon's named executive officers as described in this proxy statement under "Executive Compensation", including the Compensation Discussion and Analysis and the tabular and narrative disclosure contained in this proxy statement.

Is this vote binding on the Board of Directors?

Because this vote is advisory, it will not be binding upon the Board of Directors or the Compensation Committee, and neither the Board of Directors nor the Compensation Committee will be required to take any action as a result of the outcome of the vote on this proposal. The Compensation Committee will review and consider the outcome of the vote in connection with the ongoing review of Aon's executive compensation program.

How does the Board of Directors recommend that I vote?

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" ADVISORY APPROVAL OF THE COMPENSATION OF AON'S NAMED EXECUTIVE OFFICERS.

PROPOSAL 4 ADVISORY VOTE ON THE FREQUENCY OF HOLDING AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

What am I voting on?

In accordance with Section 14A of the Exchange Act, we are providing stockholders with the opportunity to vote on an advisory resolution, commonly known as "say-on-pay," approving Aon's executive compensation as reported in this proxy statement.

The enclosed proxy card gives stockholders four options for voting on this item. Stockholders can choose whether the say-on-pay vote should be conducted every year, every two years or every three years. Stockholders may also abstain from voting on this item. Stockholders are not voting to approve or disapprove the recommendation of the Board of Directors.

Is this vote binding on the Board of Directors?

Because this vote is advisory, it will not be binding upon the Board of Directors or the Compensation Committee. The Compensation Committee will review and consider the outcome of the vote when making future decisions with respect to how frequently we should conduct an advisory vote on the compensation of Aon's named executive officers.

How does the Board of Directors recommend that I vote?

Aon believes that say-on-pay votes should be conducted every year to give stockholders the opportunity to provide regular feedback with respect to our executive compensation program, and allow the Board of Directors and the Compensation Committee the opportunity to evaluate individual compensation decisions annually in light of feedback from stockholders. In addition, an annual vote on executive compensation is consistent with our practice of seeking input from our stockholders on corporate governance matters, which include electing Directors annually and providing stockholders with the opportunity to ratify the Audit Committee's selection of our independent registered public accounting firm annually.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" CONDUCTING AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY YEAR.

PROPOSAL 5 APPROVAL OF THE AON CORPORATION 2011 INCENTIVE PLAN

What am I voting on?

You are voting on a proposal to approve a new equity and cash incentive plan, known as the Aon Corporation 2011 Incentive Plan (the "2011 Plan").

Why is the proposal being submitted to the stockholders?

On March 18, 2011, the Board of Directors adopted the 2011 Plan, subject to stockholder approval. It is not anticipated that any awards will be made under the 2011 Plan unless and until stockholder approval is obtained.

Our current equity incentive plan, the 2001 Aon Stock Incentive Plan (the "2001 Plan" or the "Stock Plan"), and our current cash incentive plan, the 2001 Aon Senior Officer Incentive Compensation Plan (the "Cash Incentive Plan"), are due to expire by their terms in April 2011. In connection with the Hewitt acquisition, Aon became the successor sponsor of the Hewitt Associates, Inc. Amended and Restated Global Stock and Incentive Plan (the "Hewitt Plan"). No awards have been made under the Hewitt Plan subsequent to the Hewitt acquisition. Upon stockholder approval of the 2011 Plan, no further awards will be made under the 2001 Plan, the Cash Incentive Plan, or the Hewitt Plan.

As of December 31, 2010, a total of 24,610,479 shares remain available for new grants under the 2001 Plan, based on the share counting rules in effect for such plan. In addition, as of December 31, 2010, (i) 11,288,716 shares were covered by outstanding and unexercised options granted under the 2001 Plan, which awards had a weighted-average exercise price of \$33.8595, a weighted-average remaining contractual term of 3.4 years, and generally vest over a ten-year, five-year or three-year period; and (ii) 22,776,825 shares were subject to outstanding unvested full value awards (i.e. restricted stock units and performance share units calculated at maximum payout) under the 2001 Plan. As of December 31, 2010, a total of 1,144,464 shares were subject to deferred settlement obligations with respect to outstanding vested full value awards and a total of 950 shares were subject to deferred settlement obligations with respect to previously exercised options. Performance share units and other awards subject to deferred settlement that were awarded under the 2001 Plan will be settled under that plan, regardless of whether stockholders approve the 2011 Plan.

As of December 31, 2010, 2,305,588 shares were covered by outstanding and unexercised options granted under the Hewitt Plan, which awards had a weighted-average exercise price of \$22.59, a weighted-average remaining term of 5.4 years, and were fully vested as of the completion date of the Hewitt acquisition. Aon will not grant any additional awards under the Hewitt Plan.

The Board of Directors believes it is in the best interest of Aon and its stockholders to adopt the 2011 Plan. The purpose of the 2011 Plan and reasons the Board recommends approval of it are described below.

You are asked to approve the 2011 Plan to qualify stock options as incentive stock options pursuant to Section 422 of the Internal Revenue Code, to qualify certain compensation under the 2011 Plan as performance-based compensation pursuant to Section 162(m) of the Internal Revenue Code, and to satisfy the NYSE guidelines regarding equity compensation.

Table of Contents

What are the key factors supporting this proposal?

The 2011 Plan is critical to Aon's success in attracting and retaining employees in a competitive labor market. Equity awards help create an employee ownership culture and further align our employees' interests with those of our stockholders. Equity awards under the 2011 Plan create long-term incentives for our employees because the awards are generally subject to a multi-year vesting period and/or performance measure(s).

Aon's stock ownership requirements ensure that our most senior leaders hold a significant number of shares of Common Stock throughout their employment. Approval of the 2011 Plan will help achieve the goals of these requirements.

The 2011 Plan allows Aon to continue its practice of awarding its senior leaders the majority of their awards in the form of multi-year performance awards. In 2010, under the 2001 Plan, Aon awarded 88 key employees performance awards representing a total of 1,390,047 shares of Common Stock at target. The value of such awards is entirely contingent upon the successful achievement of the applicable performance goals.

The 2011 Plan allows Aon to continue its practice of awarding equity grants to a broad base of employees in connection with Aon's discretionary bonus program, pursuant to which a portion of the bonus is paid in the form of restricted stock units. In 2010, under the 2001 Plan, Aon awarded approximately 1,500 employees globally restricted stock unit awards representing a total of 1,777,071 shares of Common Stock. The practice of awarding a portion of the bonus amount in equity is common among our competitors and is considered a best practice in our industry.

The 2011 Plan allows Aon to continue its practice of attracting, motivating and retaining the next level of talent within the organization.

The 2011 Plan prohibits the repricing of stock options and stock appreciation rights without stockholder approval.

Stock options and stock appreciation rights granted under the 2011 Plan must have an exercise price set at or above the fair market value of a share of Common Stock on the grant date.

The share pool for the 2011 Plan is a fixed number of shares of Common Stock; it is not an "evergreen" pool.

Aon has not sought approval for additional shares since 2001, when the 2001 Plan was approved by stockholders. The number of shares of Common Stock requested for the share pool under the 2011 Plan is 25 million shares. Aon estimates that this amount will be sufficient to cover awards for the three-year period beginning in the second quarter of 2011 through the first quarter of 2014. Estimated share issuance over the three-year period assumes the achievement of maximum financial performance under Aon's equity-based incentive compensation programs, the inclusion of legacy Hewitt employees now eligible to participate in equity-based incentive compensation programs and the closing price of our Common Stock on December 31, 2010. Actual share issuance over the three-year period may be less than assumed due to factors including an increase in the price of our Common Stock or the achievement of less than maximum financial performance.

The 2011 Plan will allow Aon to grant performance-based compensation that is exempt from the \$1 million limit on tax-deductible compensation.

Table of Contents

What additional factors should I consider in voting on this proposal?

A summary of the material terms of the 2011 Plan is set forth below; however, this summary should be read in conjunction with, and is subject to the specific provisions of the full text of the 2011 Plan, as set forth in *Appendix A* to this proxy statement.

Purpose of the 2011 Plan. The 2011 Plan will provide a variety of equity-based and cash incentives designed to motivate, retain and attract employees, directors, consultants, independent contractors, agents and other service providers to Aon through the acquisition of a larger personal financial interest in Aon.

Eligible Award Recipients. Officers and other employees of Aon (approximately 3,100 persons currently participating under the 2001 Plan or the Hewitt Plan), non-employee directors (15 persons currently participating under the 2001 Plan), and consultants, independent contractors, agents and other service providers to Aon are eligible to participate in the 2011 Plan.

Administration. The 2011 Plan is administered by the Compensation Committee of the Board. The Compensation Committee has the discretion to grant awards under the 2011 Plan, to determine the terms thereof, to interpret the provisions of the 2011 Plan and to take action as it deems necessary or advisable for the administration of the 2011 Plan. The Compensation Committee may provide a limited delegation of authority to Aon's management to approve certain awards under the 2011 Plan.

Number of Authorized Shares. The 2011 Plan provides for awards during the term of the 2011 Plan with respect to a maximum of 25 million shares, subject to adjustment (the "Share Pool"). Under the terms of the 2011 Plan, up to 15 million shares may be granted as ISOs (as defined below). The maximum number of shares that may be covered by awards granted to any one participant during any one calendar-year period is 1,500,000. The number and class of shares available under the 2011 Plan and/or subject to outstanding awards will be equitably adjusted by the Compensation Committee (as determined by the Compensation Committee in its sole discretion) in the event of various changes in the capitalization of Aon to preserve the benefits or potential benefits of the awards. To the extent that an award under the 2011 Plan expires, is canceled, forfeited, or otherwise terminated without delivery of shares, the shares retained by or returned to Aon will be available for future grants under the 2011 Plan. In addition, in the case of any award granted in assumption of or in substitution for an award of a company or business acquired by Aon or a subsidiary or affiliate or with which Aon or a subsidiary or affiliate combines, shares issued or issuable in connection with such substitution award will not be counted against the Share Pool or the limit on the number of shares that may be covered by awards granted to any one participant during any one calendar-year period. Shares subject to an award under the 2011 Plan may not again be made available for issuance under the Plan if such Shares are: (i) shares that were subject to a stock-settled SAR (as defined below) and were not issued or delivered upon the net settlement of such SAR; (ii) shares delivered to or withheld by Aon to pay the exercise price or the withholding taxes related to an outstanding award; and (iii) shares repurchased on the open market with the proceeds of an option exercise.

Type of Awards. The following forms of awards may be granted to eligible award recipients, subject to such terms, conditions and provisions as the Compensation Committee may determine to be necessary or desirable: (i) incentive stock options ("ISOs"); (ii) nonstatutory stock options ("NSOs" and together with ISOs, "Options"); (iii) Common Stock-settled or cash-settled stock appreciation rights ("SARs"); (iv) restricted stock and restricted stock units; and (v) cash incentive awards.

Table of Contents

Options and Stock Appreciation Rights. The Compensation Committee is authorized to grant ISOs, NSOs and SARs in tandem with or as a component of other awards ("Tandem SARs") or SARs not in conjunction with other awards ("Freestanding SARs"). The exercise price per share of an Option will in no event be less than 100% of the fair market value per share of Aon's Common Stock underlying the award on the date of grant and may be exercised on a "net exercise" basis. The Compensation Committee has the discretion to determine the exercise price and other terms of SARs, except that (i) the exercise price of a Tandem SAR cannot be less than the exercise price of the underlying Option, and (ii) the exercise price of a Freestanding SAR will be fixed as of the date of grant and will not be less than the fair market value of a share of Common Stock on the grant date. Without the approval of stockholders, Aon will not amend or replace previously granted Options or SARs in a transaction that constitutes a "repricing" within the meaning of the rules of the NYSE.

The Compensation Committee will set the terms and conditions of vesting and exercise for Options and SARs, and the Compensation Committee will determine the methods by which an Option or SAR may be exercised. Upon the exercise of a SAR, the participant is entitled to receive shares of Common Stock having an aggregate fair market value equal to (A) the excess of (i) the fair market value of one share of Common Stock as of the date of exercise over (ii) the exercise price of the shares of Common Stock covered by the SAR, or the portion thereof being exercised. Any fractional shares resulting from the exercise of a SAR will be paid in cash.

Options and SARs will expire at such time as the Compensation Committee determines; provided, however, that no Option or SAR may be exercised more than ten years from the grant date.

Restricted Stock and Restricted Stock Units. The Compensation Committee may grant full value shares in the form of restricted stock or restricted stock units to participants. The grant, issuance, retention, vesting and/or settlement of restricted stock and restricted stock units will occur at such times and in such installments as determined by the Compensation Committee. The Compensation Committee will have the right to make the timing of the grant and/or the issuance, ability to retain, vesting and/or settlement of restricted stock or restricted stock units subject to continued employment, passage of time and/or performance conditions as deemed appropriate by the Compensation Committee; provided, however, that the grant, issuance, retention, vesting and/or settlement of an award of restricted stock or restricted stock units that is based solely on continued employment or the passage of time will vest over a period of not less than one year from the grant date (but such vesting may occur ratably over the one-year period). This minimum vesting condition will not apply if the participant dies, becomes disabled or retires, or in connection with a change-in-control of Aon.

Holders of restricted stock have all the rights of a stockholder, such as the right to vote the shares or receive dividends and other distributions, except to the extent restricted by the terms of the 2011 Plan or any award document relating to the restricted stock and subject to any mandatory reinvestment or other requirement imposed by the Compensation Committee. Holders of restricted stock units will not have any such stockholder rights until shares have been issued to them upon vesting, although the Compensation Committee may provide for dividend equivalent rights.

Cash Incentive Awards. The Compensation Committee may grant cash incentive awards that may be contingent on the achievement of a participant's performance objectives over a specified period established by the Compensation Committee. The grant of cash incentive awards may also be subject to other conditions, restrictions and contingencies, as determined by the Compensation Committee. Cash incentive awards may include the right to receive payment of cash or shares having the value equivalent to the cash otherwise payable.

Table of Contents

\$1 Million Limit. Under Section 162(m) of the Internal Revenue Code, as amended ("Section 162(m)"), a United States income tax deduction for Aon will generally be unavailable for annual compensation in excess of \$1 million paid to the principal executive officer or any of the three most highly compensated executive officers (other than the principal executive officer or the principal financial officer) of a public corporation. However, amounts that constitute "performance-based compensation" are not counted toward the \$1 million limit. Aon anticipates that stock options and SARs granted under the 2011 Plan will generally satisfy the requirements for "performance-based compensation" as that term is used in Section 162(m). The Compensation Committee may grant full value awards as "performance-based compensation" that is conditioned upon the achievement of one or more performance goals that are approved Performance Criteria (as defined in this 2011 Plan) under the 2011 Plan. However, the actual tax treatment of such awards will depend on the satisfaction of the requirements of Section 162(m). One such requirement is that the Performance Criteria must be approved by Aon's stockholders. Approval of the 2011 Plan will constitute approval of the Performance Criteria set forth therein.

Performance-Based Compensation. If the Compensation Committee specifies that any full value award of restricted stock or restricted stock units or any cash incentive award is intended to qualify as "performance-based compensation" under Section 162(m), the grant, issuance, vesting and/or settlement of such award will be contingent upon the achievement of one or more pre-established performance goals in accordance with the provisions of Section 162(m) and the related regulation, as more fully described below. Achievement of performance goals will be measured over a performance period, as specified by the Compensation Committee. Each performance goal will be established not later than the earlier of (i) ninety days after the beginning of any performance period applicable to such award or (ii) the time that 25% of such performance period has elapsed. The Compensation Committee has the discretion to reduce the amount of a settlement otherwise to be made. The Compensation Committee will specify the circumstances in which performance-based awards will be paid or forfeited in the event of the participant's death or disability, in connection with a change of control or, subject to the achievement of the performance goals during the performance period, as described above in the discussion of restricted stock and restricted stock units, in connection with any other termination of employment prior to the end of a performance period or settlement of such awards.

For purposes of the 2011 Plan, a "performance goal" means any one or more of the following business criteria, either individually, alternatively or in any combination, applied to either Aon as a whole or to a business unit or subsidiary, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as selected by the Compensation Committee: (i) revenues or net revenues; (ii) operating profit or margin; (iii) expenses, operating expenses, marketing and administrative expense, restructuring or other special or unusual items, interest, tax expense, or other measures of savings; (iv) operating earnings, earnings before interest, taxes, depreciation, or amortization, net earnings, earnings per share (basic or diluted) or other measure of earnings; (v) cash flow, including cash flow from operations, investing, or financing activities, before or after dividends, investments, or capital expenditures; (vi) balance sheet performance, including debt, long or short term, inventory, accounts payable or receivable, working capital, or stockholders' equity; (vii) return measures, including return on invested capital, sales, assets, or equity; (viii) stock price performance or stockholder return; (ix) economic value created or added; or (x) implementation or completion of critical projects, including acquisitions, divestitures, and other ventures, process improvements, attainment of other strategic objectives, including market penetration,

Table of Contents

geographic expansion, product development, regulatory or quality performance, innovation or research goals, or the like.

In each case, performance may be measured (A) on an aggregate or net basis; (B) before or after tax or cumulative effect of accounting changes; (C) relative to other approved measures, on an aggregate or percentage basis, over time, or as compared to performance by other companies or groups of other companies; or (D) by product, product line, business unit or segment, or geographic unit. The performance targets may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur). Where applicable, each of the foregoing performance targets will be determined in accordance with generally accepted accounting principles and will be subject to certification by the Compensation Committee; provided that the Compensation Committee will have the authority to exclude the impact of charges for restructurings, discontinued operations, extraordinary items, and other unusual, special, or non-recurring events and the cumulative effects of tax or accounting principles as identified in financial results filed with or furnished to the SEC.

For awards intended to be "performance-based compensation," the grant of the awards and the establishment of the performance measures will be made during the period required under Section 162(m). The maximum amount payable pursuant to any cash incentive award under the 2011 Plan that is intended to be "performance-based compensation" to any participant in any calendar year is \$10,000,000.

Certain Events of Forfeiture. The Compensation Committee has the discretion to add forfeiture provisions to any grant under the 2011 Plan, including forfeiture for violation of a restrictive covenant set forth in any applicable award agreement.

Change in Control. In the event of a change in control of Aon, the Board of Directors has discretion to take such actions as it deems appropriate including, but not limited to requiring that outstanding Options and SARs or other equity awards become fully vested and exercisable and, in certain cases, paid to participants and providing that the performance period applicable to performance-based awards will lapse and/or the performance goals for such awards will be deemed to be satisfied.

Clawback Policy. Any compensation earned or paid under the 2011 Plan is subject to forfeiture, recovery by Aon, or other action pursuant to any clawback or recoupment policy which Aon may adopt from time to time, including without limitation any such policy which Aon may be required to adopt under the Dodd-Frank Wall Street Reform and Consumer Protection Act and implementing rules and regulations thereunder, or as otherwise required by law.

Adjustments to Shares. In the event there is a change in the capital structure of Aon as a result of any stock dividend or split, recapitalization, issuance of a new class of common stock, merger, consolidation, spin-off or other similar corporate change, or any distribution to stockholders holdings shares other than regular cash dividends, the Compensation Committee shall make an equitable adjustment (in the manner and form determined in the Compensation Committee's sole discretion) in the number of shares and forms of the awards authorized to be granted under the 2011 Plan, including any limitation imposed on the number of shares of Common Stock with respect to which an award may be granted in the aggregate under the 2011 Plan or to any participant, and make appropriate adjustments (including exercise price) to any outstanding awards.

Tax Withholding and Tax Offset Payments. The Compensation Committee is authorized to withhold from awards and related payments (including Common Stock distributions) amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an award by withholding Common Stock or other property (including Common Stock) to satisfy such withholding requirements or by taking certain other actions. Aon can delay the delivery to a participant of Common Stock under any award to allow it to determine the amount of withholding to be collected and to collect and process such withholding.

Term of 2011 Plan. Unless earlier terminated by the Board, the authority of the Compensation Committee to make grants under the 2011 Plan will terminate on the date that is ten years after the date upon which the Board of Directors adopted the 2011 Plan.

Amendment and Termination. The Board may suspend, amend or terminate the 2011 Plan; provided, however, that Aon's stockholders will be required to approve any amendment (i) to the extent required by law or the NYSE rules; (ii) that would alter the 2011 Plan's provisions restricting Aon's ability to grant Options and SARs with an exercise price that is not less than the fair market value of the underlying Options or SARs with an exercise price that is not less than the fair market value of the underlying Common Stock; or (iii) in connection with any action to amend or replace previously granted Options and SARs in a transaction that constitutes a "repricing" within the meaning of the rules of the NYSE.

Awards granted prior to a termination of the 2011 Plan will continue in accordance with their terms following such termination. No amendment, suspension or termination of the 2011 Plan will adversely affect the rights of a participant in awards previously granted without such participant's consent.

Certain Federal Income Tax Consequences. The following is a general description of certain significant United States Federal income tax consequences, under the Internal Revenue Code, as in effect on the date of this summary, applicable to Aon and participants in connection with awards under the 2011 Plan. This summary assumes that all awards will be exempt from, or comply with, the rules under Section 409A of the Internal Revenue Code regarding nonqualified deferred compensation. If an award constitutes nonqualified deferred compensation and fails to comply with Section 409A of the Internal Revenue Code, the award will be subject to immediate taxation and tax penalties in the year the award vests. This summary is not intended to be exhaustive, and, among other things, does not describe state, local or non-United States tax consequences, or the effect of gift, estate or inheritance taxes.

The grant of Options under the 2011 Plan will not, in itself, result in the recipient of the stock option realizing taxable income or Aon realizing an income tax deduction. However, the transfer of shares of Common Stock to a stock option holder upon exercise of the option may or may not give rise to taxable income to the option holder and a tax deduction for Aon, depending upon whether such option is a NSO or an ISO.

The exercise of a NSO by an option holder generally results in immediate recognition of taxable ordinary income by the option holder and a corresponding tax deduction for Aon, in the amount equal to the excess of fair market value of the shares of Common Stock received at the time of exercise over the exercise price. Any gain that the option holder recognizes when he or she later sells or disposes of the shares will be short-term or long-term capital gain, depending on how long the shares were held.

In general, for purposes of the alternative minimum tax under the United States tax laws, the excess of the fair market value of the shares of Common Stock acquired upon exercise of an ISO

Table of Contents

(determined at the time of exercise) over the exercise price of the ISO will be considered income. If the recipient was continuously employed from the date of grant until the date three months prior to the date of exercise and such recipient does not sell the shares of Common Stock received pursuant to the exercise of the ISO within the earlier of: (i) two years after the date of the grant of the ISO, or (ii) one year after the date of exercise, a subsequent sale of such shares of Common Stock will result in long-term capital gain or loss to the recipient and will not result in a tax deduction to Aon.

If the recipient is not continuously employed from the date of grant until the date three months prior to the date of exercise or such recipient disposes of Common Stock acquired upon exercise of the ISO within either of the time periods described in the immediately preceding paragraph, the recipient will generally realize as ordinary income an amount equal to the lesser of (i) fair market value of such shares of Common Stock on the date of exercise over the exercise price and (ii) the amount realized upon disposition over the exercise price. In such event, Aon generally will be entitled to an income tax deduction equal to the amount recognized as ordinary income. Any gain in excess of such amount realized by the recipient as ordinary income would be taxed at the rates applicable to short-term or long-term capital gains (depending on the holding period).

The granting of SARs does not, in itself, result in taxable income to the recipient of a SAR or a tax deduction for Aon. Upon exercise of a SAR, the amount of any cash and/or the fair market value of any of our Common Stock received as of the exercise date are taxable to the participant as ordinary income and deductible by Aon.

A participant will not recognize any taxable income upon the award of shares of restricted stock which are not transferable and are subject to a substantial risk of forfeiture. Dividends paid with respect to restricted stock, if any, prior to the lapse of restrictions applicable to that stock, or dividend equivalents paid with respect to unvested restricted stock units, will be taxable as compensation income to the participant.

Generally, a participant will recognize taxable ordinary income in connection with restricted shares when the shares become transferable and are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of those shares at the time such restrictions lapse. However, a participant may elect to recognize taxable ordinary income upon the award date of restricted stock based on the fair market value of the shares of our Common Stock subject to the award on the date of the award. If a participant makes such an election, any dividends paid with respect to that restricted stock will not be treated as compensation income, but rather as dividend income, and the participant will not recognize additional taxable income when the restrictions applicable to his or her restricted stock award lapse.

Assuming compliance with the applicable reporting requirements, Aon will be entitled to a tax deduction equal to the amount of ordinary income recognized by a participant in connection with his or her restricted stock award in the same taxable year that the participant recognizes that ordinary income. The granting of restricted stock units does not result in taxable income to the recipient of a restricted stock unit or a tax deduction for Aon. The amount of cash received or the then-current fair market value of our Common Stock received upon vesting of the restricted stock unit is taxable to the recipient as ordinary income and deductible by Aon.

The granting of full value awards (such as restricted stock units and performance share units) or cash incentive awards subject to performance conditions generally should not result in the recognition of taxable income by the recipient or a tax deduction by Aon. The payment or settlement of any such award should generally result in immediate recognition of taxable ordinary income by the recipient equal to the amount of any cash received or the then-current fair market value of the shares of our

Table of Contents

Common Stock received, and a corresponding tax deduction by Aon. If shares or any portion of the cash settlement covered by the award are not transferable and subject to a substantial risk of forfeiture, the tax consequences to the participant and Aon will be similar to the tax consequences of restricted stock awards, previously described. If the award consists of unrestricted shares of our Common Stock, the recipient of those shares will immediately recognize as taxable ordinary income the fair market value of those shares on the date of the award, and we will be entitled to a corresponding tax deduction.

Under Section 162(m) of the Internal Revenue Code, Aon may be limited as to federal income tax deductions to the extent that total annual compensation in excess of \$1 million is paid to our principal executive officer and each of our other three most highly compensated executive officers (other than our principal executive officer or our principal financial officer) who are employed by us on the last day of our taxable year. However, certain "performance-based compensation" the material terms of which are disclosed to and approved by our stockholders is not subject to this deduction limitation. The 2011 Plan has been structured with the intention that compensation resulting from stock options, SARs and other stock or cash performance-based awards granted under the 2011 Plan will be qualified performance-based compensation and, assuming the 2011 Plan is approved by the stockholders, deductible without regard to the limitations otherwise imposed by Section 162(m) of the Internal Revenue Code. The 2011 Plan allows the Compensation Committee discretion to award restricted stock, restricted stock units, performance shares, performance share units, other stock-based awards and cash incentive awards that are intended to be qualified performance-based compensation, as described above. However, nothing in this proposal precludes granting awards that do not qualify for tax deductibility under Section 162(m).

Under certain circumstances, accelerated vesting, exercise or payment of awards under the 2011 Plan in connection with a "change of control" may be deemed an "excess parachute payment" for purposes of the golden parachute payment provisions of Section 280G of the Internal Revenue Code. To the extent it is so considered, the participant holding the award would be subject to an excise tax equal to 20% of the amount of the excess parachute payment, and Aon would be denied a tax deduction for the excess parachute payment.

What benefits will be received by our directors, officers and employees under the 2011 Plan?

New Plan Benefits

On March 17, 2011, the Compensation Committee established budgeted pre-tax income from continuing operations as the corporate performance measure for 2011 under the Cash Incentive Plan. The Compensation Committee designated certain of Aon's officers subject to Section 16 of the Exchange Act and certain other senior executives (collectively, the "Eligible Officers") as eligible to participate in the Cash Incentive Plan for 2011. Under the Cash Incentive Plan, no payout will occur unless a minimum threshold of 85% of planned pre-tax income from continuing operations has been met. On March 17, 2011, the Compensation Committee also established the 2011 annual incentive targets and the maximum incentives payable for 2011 for each of the Eligible Officers. Annual incentive awards for the Eligible Officers established under the Cash Incentive Plan will be settled under the 2011 Plan to the extent such plan has been approved by Aon's stockholders. Set forth below are the expected target and maximum incentive awards that were determined by the Compensation Committee for the Chief Executive Officer, the named executive officers, all executive officers as a group and all non-executive officer employees as a group in 2011 if Aon meets the established corporate performance measure. Actual incentives could be more or less than the target incentives set forth below, depending upon actual performance against the corporate performance measure and subject to the Compensation

Committee's discretion. Consistent with prior years, Aon currently intends to pay 35% of the 2011 incentive awards in the form of restricted stock units under the ISP.

	Target(1)	Maximum(2)
Gregory C. Case, President and Chief Executive Officer	\$ 3,000,000	\$ 9,000,000
Christa Davies, Executive Vice President and Chief Financial Officer	\$ 1,200,000	\$ 3,600,000
Russell P. Fradin, Chairman and Chief Executive Officer, Aon Hewitt	\$ 1,500,000	\$ 4,500,000
Stephen P. McGill, Chairman and Chief Executive Officer, Aon Risk Solutions	\$ 1,925,000	\$ 5,775,000
Michael J. O'Connor, Chief Operating Officer, Aon Risk Solutions	\$ 800,000	\$ 2,400,000
All executive officers as a group	\$ 10,805,000	\$ 32,390,000
Non-executive officer employees as a group	\$ 3,081,113	\$ 9,243,339

- (1) Reflects a target incentive award as a percentage of base salary of 200% for Mr. Case; 150% for each of Ms. Davies and Mr. Fradin; 175% for Mr. McGill; and 100% for Mr. O'Connor
- (2) Reflects a maximum bonus of up to 300% of the target incentive award based on the achievement of specified performance targets.

Other equity-based or cash compensation awards to be granted in the future to eligible individuals, including current and future employees, officers and directors, under the 2011 Plan cannot be determined at this time, as actual awards will be made at the discretion of the Compensation Committee. For an understanding of the equity-based compensation awards made in the past under the 2001 Plan, see the Grants of Plan-Based Awards in Fiscal Year 2010 table beginning on page 58 and the Outstanding Equity Awards at 2010 Fiscal Year-End table beginning on page 65. For an understanding of the cash incentives awarded in the past under the Incentive Compensation Plan, see the 2010 Summary Compensation Table for Fiscal Years 2010, 2009 and 2008 beginning on page 53.

What happens if the 2011 Plan does not receive stockholder approval?

In the event there are not sufficient shares of Common Stock available to be issued under the 2001 Plan or the Hewitt Plan to settle awards granted thereunder, Aon will be required to grant some awards, or portions thereof, to be settled in cash. Settling awards in cash rather than shares of Common Stock could have an adverse impact on Aon's cash flow from operations, financial position and results of operations. Approval of the 2011 Plan should reduce the magnitude of Aon's exposure to such cash settlement risk.

In addition, under applicable accounting rules, if Aon determines at any time that there would be insufficient shares remaining under the 2001 Plan or the Hewitt Plan to settle one or more awards granted thereunder with the issuance of shares, Aon will be required to classify and account for the equity-based awards, or portions thereof, to be settled in cash under one or both such plans as liabilities. This "liability accounting" could adversely impact Aon's financial position or results of operations. Approval of the 2011 Plan should reduce the magnitude of Aon's exposure to such "liability accounting" risk in the event that it is triggered.

How does the Board of Directors recommend that I vote?

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE AON CORPORATION 2011 INCENTIVE PLAN.

PROPOSAL 6 APPROVAL OF THE AON CORPORATION 2011 EMPLOYEE STOCK PURCHASE PLAN

What am I voting on?

You are voting on a proposal to approval a new employee stock purchase plan, known as the Aon Corporation 2011 Employee Stock Purchase Plan (the "2011 ESPP").

Why is the proposal being submitted to the stockholders?

On March 18, 2011, the Board of Directors adopted the 2011 ESPP, subject to stockholder approval. If approved, the 2011 ESPP will become effective July 1, 2011, and will replace the existing 1998 Aon Employee Stock Purchase Plan (the "1998 ESPP"), which is due to expire in April 2011. The vast majority of terms under the 2011 ESPP are the same as the 1998 ESPP.

The Board of Directors believes it is in the best interest of Aon and stockholders to approve the 2011 ESPP. The purpose of the 2011 ESPP and reasons the Board recommends approval of it are described below.

You are asked to approve the 2011 ESPP to qualify the purchase of stock by eligible employees for favorable tax treatment under Section 423 of the Internal Revenue Code.

What factors should I consider in voting on this proposal?

A summary of the material terms of the 2011 ESPP is set forth below; however, this summary should be read in conjunction with, and is subject to the specific provisions of the full text of the 2011 ESPP, as set forth in *Appendix B* to this Proxy Statement.

Purpose of the 2011 ESPP. The 2011 ESPP will help retain and attract employees to Aon through the acquisition of a larger personal financial interest in Aon.

Eligible Employees. Employees of Aon and its subsidiaries and affiliates that are on United States payroll are generally eligible to participate in the 2011 ESPP. However, employees whose customary employment is less than 20 hours per week are excluded from eligibility. Employees must complete a year of service with Aon prior to the start date of the offering period. There are approximately 20,000 employees eligible to participate in the 2011 ESPP.

Purchase of Shares. The 2011 ESPP provides eligible employees the ability to purchase shares of our common stock through payroll deduction. 7.5 million shares will be available for purchase under the 2011 ESPP, subject to adjustment if the number of outstanding shares of common stock are increased or decreased through stock dividends, recapitalizations, stock splits, reorganizations or similar changes.

Limitations on Purchases. Employees who, after purchasing shares of common stock under the 2011 ESPP, would own 5% or more of our common stock are not eligible to purchase additional shares under the 2011 ESPP. Employees may not purchase more than \$25,000 of common stock (as determined by the fair market value of the stock on the first date of the purchase period) under the 2011 ESPP in any offering period or calendar year.

Table of Contents

Administration. The Compensation Committee serves as the plan administrator. The Compensation Committee has the authority to make rules and adopt policies governing the administration of the 2011 ESPP.

Offering Periods and Discount. If our stockholders approve the 2011 ESPP, we anticipate that the first offering period will begin July 1, 2011. The offering periods will be semi-annual periods commencing on dates determined from time to time by the Compensation Committee. Shares of common stock will be deemed purchased on the last business day of the offering period. The purchase price per share will be the lower of 85% of the fair market value per share of common stock on the first business day of the offering period or the last business day of the offering period. The fair market value per share of common stock will be determined by reference to the closing price of a share of our common stock on the New York Stock Exchange on the relevant date.

Election to Participate. To participate in the 2011 ESPP, an eligible employee must file electronically an enrollment and payroll deduction authorization form with the Compensation Committee's designee at least 15 days prior to the first day of the offering period in which the employee initially participates. The election form will authorize Aon to make payroll deductions of up to 15% from the participant's eligible compensation (as defined in the 2011 ESPP) on each regular payday for as long as the employee participates in the 2011 Plan. Participants may only purchase shares through the 2011 ESPP by payroll deduction. These amounts will be credited to the employee's account under the 2011 ESPP.

Withdrawals and Holding Period. A participant may reduce his or her contribution percentage or discontinue participation in the 2011 ESPP at any time, but no other change can be made during an offering period. If a participant discontinues participation within 30 days of the end of the offering period, all amounts credited to his or her account will be used to purchase shares on the next purchase date. If a participant's employment terminates for any reason, or a participant discontinues participation within the permitted time frame, all amounts credited to his or her account will be returned or, at his or her election, used to purchase shares on the next purchase date.

Amendment or Termination. Our Board of Directors reserves the right to amend or terminate the 2011 ESPP at any time without notice. However, the Board of Directors generally may not, without stockholder approval: (i) increase the number of shares of common stock issuable under the 2011 ESPP; (ii) increase the maximum value of shares that may be purchased by each participant (except for permissible adjustments in the event of certain changes in our capitalization); (iii) alter the purchase price formula so as to reduce the purchase price payable for the shares of common stock purchased under the 2011 ESPP; or (iv) materially modify the requirements for eligibility to participate in the 2011 ESPP.

What benefits will be received by our directors, officers and employees under the 2011 ESPP?

Our non-employee directors are not eligible to participate in the 2011 ESPP. Employee-directors and officers do not receive any special benefits under the 2011 ESPP. All eligible employees that elect to participate will receive the benefits outlined above.

How will the funds received from the 2011 ESPP be used and where will the shares come from?

All funds held or received by Aon under the 2011 ESPP may be used for any corporate purpose until applied to the purchase of common stock or refunded to employees. The funds will not be

Table of Contents

segregated from Aon's general assets. To deliver shares of common stock purchased by employees under the 2011 ESPP, we will either purchase shares of common stock in the open market or issue shares of common stock from treasury shares or authorized but unissued shares.

Who will pay the costs associated with the 2011 ESPP?

Aon will pay all costs associated with the administration of the 2011 ESPP.

What happens if the Plan does not receive stockholder approval?

Aon may need to offer greater cash compensation to attract and retain employees. Without the ability to offer employees an opportunity to purchase shares under the 2011 ESPP, Aon will have one less program to encourage employees to take a proprietary stake in Aon.

What are the United States Federal Income Tax Consequences?

The 2011 ESPP is intended to be an "employee stock purchase plan" as defined in Section 423 of the Internal Revenue Code. As a result, a participant will pay no federal income tax upon enrolling in the 2011 ESPP or upon purchase of the shares. A participant may recognize income and/or gain or loss upon the sale or other disposition of shares purchased under the 2011 ESPP, the amount and character of which will depend on whether the shares are held for two years from the first day of the offering period.

If the participant sells or otherwise disposes of the shares within that two-year period, the participant will recognize ordinary income at the time of disposition in an amount equal to the excess of the market price of the shares on the date of purchase over the purchase price and Aon will be entitled to a tax deduction for the same amount.

If the participant sells or otherwise disposes of the shares after holding the shares for the two-year period, the participant will recognize ordinary income at the time of disposition in an amount equal to the lesser of: (i) the excess of the market price of the shares on the first day of the offering period over the purchase price; or (ii) the excess of the market price of the shares on the date of disposition over the purchase price. Aon will not be entitled to any tax deduction with respect to shares purchased under the 2011 ESPP if the shares are held for the requisite two-year period.

The Employee may also recognize capital gain or loss at the time of disposition of the shares, either short-term or long-term, depending on the holding period for the shares.

How does the Board of Directors recommend that I vote?

Below are the material features of our equity compensation plans that have not been approved by stockholders:

Aon U.K. Sharesave Scheme

The Aon U.K. Sharesave Scheme (the "U.K. Scheme") is available solely to employees in the United Kingdom. Under the U.K. Scheme, employees authorize Aon to deduct a specified amount from compensation each pay period for deposit into a savings account for a three-year term. If a participant's deductions continue through the last day of the term, the participant is credited with a tax-free cash bonus equal to 1.4 times the monthly payroll deduction. Participants may cease participation in the U.K. Scheme at any time and receive their deductions back, plus accrued interest. Participants are also granted options at the beginning of each savings period and may direct Aon to purchase or issue shares of Common Stock at a price equal to 85% of the market value at the beginning of the period, utilizing the accumulated amounts in their account. Options may be exercised generally within six months after the last day of the term, or after death, injury, disability, redundancy or retirement. If a participant ceases to be employed by Aon for other reasons, or declines to purchase Common Stock during any of the available purchase periods, the participant's right to purchase shares of Common Stock or accumulate additional payroll deductions lapses. The U.K. Scheme was approved by the Board of Directors in 1999. No specific authorization of shares of Common Stock for the U.K. Scheme has been made. As of December 31, 2010, the number of shares that could be issued under the plan was 302,643.

Aon Supplemental Savings Plan

The Supplemental Savings Plan was adopted by the Board of Directors in 1998. It is a nonqualified supplemental retirement plan that provides benefits to participants in the Aon Savings Plan whose employer matching contributions are limited because of IRS-imposed restrictions. Prior to January 1, 2004, participants covered under the Supplemental Savings Plan were credited with an additional matching allocation they would have received under the former Aon Savings Plan provisions 100% of the first 1% to 3% of compensation ("Tier I") and 75% of the next 4% to 6% of compensation ("Tier 2") had compensation up to \$500,000 been considered. Between January 1, 2004 and December 31, 2005, only participants defined as employees of Aon Consulting's Human Resource Outsourcing Group maintained the matching provision in the Supplemental Savings Plan. Participants may elect to have Tier I allocations credited to their accounts as if invested in a money market account or as if invested in Common Stock. Tier I allocations directed to an Common Stock account may not be moved to the money market account, regardless of the participant's age. As of January 1, 2006, no participants are eligible for Tier I or Tier II matching allocations. Before the beginning of each plan year, an election may be made by any participant to transfer some or all of a participant's money market account to the Aon Common Stock account. All amounts credited to the Aon Common Stock account are credited with dividends and other investment returns as under the Aon Savings Plan fund. Between January 1, 2004 and December 31, 2008, the Supplemental Savings Plan provision in effect provided employees hired January 1, 2004 and later, benefits on plan compensation above the IRS limits (and up to \$500,000) as under the Aon Retirement Account (the "ARA") provision of the Aon Savings Plan. Benefits were in the form of a discretionary non-contributory company contribution made to eligible employees active at the end of the plan year with 1,000 or more hours of paid service. The Supplemental Plan ARA allocation was calculated using the same formula that the Board determines for the Aon Savings Plan ARA. Ongoing balances which

Table of Contents

resulted from the Supplemental Savings Plan ARA allocation will continue to track the same investment options as selected by the participant under the Aon Savings Plan. This includes the Common Stock option, and, like the Aon Savings Plan provision, has no transfer restrictions.

Effective for plan years beginning January 1, 2009, a new Supplemental Savings Plan provision went into effect whereby employees were credited with an additional matching allocation they would have received under the new Aon Savings Plan match provision 100% of the first 6% of compensation had compensation up to \$500,000 been considered. Participants must also contribute the limit prescribed by the IRS (\$16,500 for 2010) and be active on the last day of the year in order to receive the allocation. As of December 31, 2010, the number of shares that could be issued under the plan was 549,225.

Aon Supplemental Employee Stock Ownership Plan

The Aon Supplemental Employee Stock Ownership Plan was a plan established in 1989 as a nonqualified supplemental retirement plan that provided benefits to participants in the Aon Employee Stock Ownership Plan whose employer contributions were limited because of IRS-imposed restrictions. As of 1998, no additional amounts have been credited to participant accounts, although account balances are maintained for participants, and credited with dividends, until distribution is required under the plan. Distributions are made solely in Common Stock. No specific authorization of shares of Common Stock for the plan has been made. As of December 31, 2010, the number of shares of Common Stock that could be issued under the plan was 265,701.

Awards to Gregory C. Case Pursuant to Employment Agreement

Pursuant to the Employment Agreement between Gregory C. Case and Aon, dated April 4, 2005, the terms of which are described in this proxy statement under the heading "Executive Compensation" and are incorporated herein by reference, Mr. Case was granted certain equity compensation awards outside of the Stock Plan as inducement for his employment with Aon. Those awards consisted of 125,000 restricted stock units and an option to purchase 325,000 shares of Common Stock, for a total of 450,000 shares. All of the 325,000 options are fully vested and all of the 125,000 restricted stock units have been released.

(6) The weighted-average exercise price of such shares is uncertain and is not included in this column.

(7) None of these equity compensation plans contain a limit on the number of shares that may be issued under such plans; however, these plans are subject to the limitations set forth in the descriptions of these plans contained in Note 5 above.

In connection with the Hewitt acquisition, Aon became the successor sponsor of the Hewitt Associates, Inc. Amended and Restated Global Stock and Incentive Plan (the "Hewitt Plan"). No awards have been made under the Hewitt Plan subsequent to the Hewitt acquisition. As of December 31, 2010, 2,305,588 shares were covered by outstanding and unexercised options granted under the Hewitt Plan, which awards had a weighted average exercise price of \$22.59 and were fully vested as of the completion date of the Hewitt acquisition. These shares are not included in the table above. Aon will not grant any additional awards under the Hewitt Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Party Transactions

Aon has adopted procedures governing the review and approval of related party transactions. The terms of these procedures provide that the Governance/Nominating Committee will review transactions in which: (i) Aon is a party, participant, or has a direct or indirect material interest; (ii) the amount involved exceeds or reasonably can be expected to exceed \$120,000; and (iii) any Director, executive officer or holder of five percent (5%) or more of Aon's voting securities, or an immediate family member of any such person, has a direct or indirect material interest. To facilitate the review and approval of related party transactions, Aon's Directors and executive officers complete an annual director and officer questionnaire and disclose all potential related person transactions involving themselves and their immediate family members. Throughout the year, Directors and executive officers are required to notify Aon's General Counsel of any potential related person transactions of which they become aware. Aon's General Counsel reports these transactions, as well as any other related-party transactions of which he is aware, to the Governance/Nominating Committee. The Governance/Nominating Committee considers all relevant facts of any related party transactions to determine whether to approve or ratify the transaction.

Related Party Transactions

In 2010, Aon was a party to certain transactions with Patrick G. Ryan, Aon's former Chairman and Chief Executive Officer, who during a portion of 2010 continued to beneficially own more than five percent (5%) of Aon's Common Stock, and certain entities controlled by Mr. Ryan.

These transactions included the payment to Aon by Mr. Ryan and certain entities controlled by Mr. Ryan of \$708,425 for insurance-related services; \$91,010 for consulting services; and \$84,950 in connection with the sub-lease of office space, and the payment by Aon to an entity controlled by Mr. Ryan of \$462,640 for brokerage commissions and fees.

In connection with the closing of the Hewitt acquisition on October 1, 2010, Aon became the successor-in-interest to an existing relationship between Hewitt and the Corporate Leadership Center (the "CLC"). Cheryl A. Francis, who was appointed to Aon's Board upon the closing of the Hewitt acquisition, and subsequently appointed to the Finance Committee and the Organization and Compensation Committee of our Board, is co-founder and co-Chair of the CLC. On November 15, 2008, Hewitt and the CLC entered into an Alliance Agreement, pursuant to which they agreed to co-sponsor the Leading Women Executives Program, a program designed to promote the development and advance the careers of high-potential female executives. Aon and the CLC terminated the Alliance Agreement effective January 1, 2011, and in connection with such termination, the CLC paid Aon an aggregate amount of \$179,895, representing the payment of a net revenue share related to the fourth quarter 2010, direct program expenses, and the return of an initial working capital investment by Hewitt. Following the appointment of Ms. Francis to the Compensation Committee through the effective date of the termination of the Alliance Agreement, the Compensation Committee did not hold any meetings or take any actions by consent resolution.

To our knowledge, based solely on information furnished to us and written representations by such persons that no such other reports were required to be filed, Aon believes that all such SEC filing requirements were met in a timely manner during 2010 other than with respect to: (i) a Form 4 filing for Jeremy G.O. Farmer to report the issuance of shares of Common Stock upon the vesting of a restricted stock unit award; (ii) a Form 4 filing for Gregory J. Besio to report the sale of shares pursuant to a 10b5-1 plan; and (i) a Form 4 filing for each of Messrs. McKenna and Morrison to report the deferral of director fees into a fund tracked in shares of Common Stock.

STOCKHOLDER PROPOSALS FOR 2012 ANNUAL MEETING

As the rules of the SEC make clear, simply submitting a proposal does not guarantee its inclusion in our proxy statement.

In accordance with our by-laws, in order to nominate a candidate for election as a Director or properly bring other business before the 2012 Annual Meeting of Stockholders, a stockholder's notice of the matter the stockholder wishes to present must be delivered to the Office of the Corporate Secretary of Aon at 200 East Randolph Street, Chicago, Illinois 60601, not less than 90 nor more than 120 days prior to the first anniversary of the date of this year's Annual Meeting. As a result, any notice given by or on behalf of a stockholder pursuant to these provisions of our by-laws (and not pursuant to the SEC's Rule 14a-8) must be received no earlier than January 20, 2012 and no later than February 20, 2012.

**SECTION 3
Participation**

Subject to the terms and conditions of the Plan, a "Participant" in the Plan is any Eligible Individual to whom an Award is granted under the Plan. Subject to the terms and conditions of the Plan, the Committee will determine and designate, from time to time, from among the Eligible Individuals those persons who will be granted one or more Awards under the Plan. Subject to the terms and conditions of the Plan, a Participant may be granted any Award permitted under the provisions of the Plan and more than one Award may be granted to a Participant. Except as otherwise agreed by Aon and the Participant, or except as otherwise provided in the Plan, an Award under the Plan will not affect any previous Award under the Plan or an award under any other plan maintained by Aon or any Subsidiary.

**SECTION 4
Committee**

4.1 *Administration By Committee.* The authority to control and manage the operation and administration of the Plan will be vested in the committee described in subsection 4.2 (the "Committee") in accordance with this Section 4. If the Committee does not exist, or for any other reason determined by the Board, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.

4.2 *Selection of Committee.* So long as Aon is subject to Section 16 of the Exchange Act, the Committee will be selected by the Board and will consist of not fewer than two members of the Board or such greater number as may be required for compliance with Rule 16b-3 issued under the Exchange Act and will be comprised of persons who are independent for purposes of applicable stock exchange listing requirements. Any Award granted under the Plan that is intended to constitute Performance-Based Compensation (including Options and SARs) will be granted by a Committee consisting solely of two or more "outside directors" within the meaning of section 162(m) of the Code and applicable regulations; provided, however, that as of the Effective Date and continuing thereafter unless and until otherwise specified by the Board, the Committee will be the Organization & Compensation Committee of the Board.

Notwithstanding any other provision of the Plan to the contrary, with respect to any Awards to Outside Directors, the Committee for purposes of this Section 4 will be the Board.

4.3 *Powers of Committee.* The authority to manage and control the operation and administration of the Plan will be vested in the Committee, subject to the following:

- (a) Subject to the provisions of the Plan (including subsection 4.3(e)), the Committee will have the authority and discretion to
 - (i) select Eligible Individuals who will receive Awards under the Plan, (ii) determine the time or times of receipt of Awards, (iii) determine the types of Awards and the number of Shares covered by the Awards, (iv) establish the terms, conditions, performance targets, restrictions, and other provisions of such Awards, (v) modify the terms of, cancel, or

suspend Awards; (vi) reissue or repurchase Awards, and (vii) accelerate the exercisability or vesting of any Award. In making such Award determinations, the Committee may take into account the nature of services rendered by the respective individual, the individual's present and potential contribution to Aon's or a Subsidiary's success and such other factors as the Committee deems relevant.

(b) Subject to the provisions of the Plan, the Committee will have the authority and discretion to determine the extent to which Awards under the Plan will be structured to conform to the requirements applicable to Performance-Based Compensation, and to take such action, establish such procedures, and impose such restrictions at the time such Awards are granted as the Committee determines to be necessary or appropriate to conform to such requirements.

(c) Subject to the provisions of the Plan, the Committee will have the authority and discretion to conclusively interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any agreements made pursuant to the Plan, to remedy any defect or omission and reconcile any inconsistency in the Plan or any Award, and to make all other determinations that may be necessary or advisable for the administration of the Plan including the termination thereof.

(d) Any interpretation of the Plan by the Committee and any decision made by it under the Plan is final and binding on all persons.

(e) Except as otherwise expressly provided in the Plan, where the Committee is authorized to make a determination with respect to any Award, such determination will be made at the time the Award is made, except that the Committee may reserve the authority to have such determination made by the Committee in the future (but only if such reservation is made at the time the Award is granted is expressly stated in the Agreement reflecting the Award and is permitted by applicable law).

4.4 *Delegation by Committee.* Except to the extent prohibited by applicable law or the rules of any stock exchange, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it, except that Awards to individuals who are designated as "officers" under Rule 16a-1(f) of the Exchange Act may be made solely by the Committee. Any such allocation or delegation may be revoked by the Committee at any time.

4.5 *Information to be Furnished to Committee.* The Company will furnish the Committee such data and information as may be required for it to discharge its duties. The records of the Company as to an individual's employment or provision of services, termination of employment or cessation of the provision of services, leave of absence, reemployment and compensation will be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits under the Plan must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.

4.6 *Liability and Indemnification of Committee.* No member or authorized delegate of the Committee will be liable to any person for any action taken or omitted in connection with the administration of the Plan unless attributable to his own fraud or willful misconduct; nor will Aon or any Subsidiary be liable to any person for any such action unless attributable to fraud or willful misconduct on the part of a director or employee of Aon or a Subsidiary. The Committee, the individual members thereof, and persons acting as the authorized delegates of the Committee under the Plan, will be indemnified by Aon against any and all liabilities, losses, costs and expenses (including

Table of Contents

legal fees and expenses) of whatsoever kind and nature which may be imposed on, incurred by or asserted against the Committee or its members or authorized delegates by reason of the performance of a Committee function if the Committee or its members or authorized delegates did not act dishonestly or in willful violation of the law or regulation under which such liability, loss, cost or expense arises. This indemnification will not duplicate but may supplement any coverage available under any applicable insurance.

SECTION 5
Shares Reserved and Limitations

5.1 *Shares and Other Amounts Subject to the Plan.* The Shares for which Awards may be granted under the Plan will be subject to the following:

(a) The Shares with respect to which Awards may be made under the Plan will be shares currently authorized but unissued or currently held or subsequently acquired by Aon as treasury shares, including shares purchased in the open market or in private transactions.

(b) Subject to the provisions of subsection 5.2, the number of Shares which may be issued with respect to Awards under the Plan will be equal to 25 million Shares (the "Share Pool"). Except as otherwise provided herein, any Shares subject to an Award under this Plan which for any reason expires or is forfeited, cancelled, surrendered, or terminated without issuance of Shares will again be available under the Plan. Shares subject to an Award under the Plan may not again be made available for issuance under the Plan if such Shares are: (i) Shares that were subject to a stock-settled SAR and were not issued or delivered upon the net settlement of such SAR; (ii) Shares delivered to or withheld by Aon to pay the exercise price or the withholding taxes related to an outstanding Award; and (iii) Shares repurchased on the open market with the proceeds of an Option exercise.

(c) Substitute Awards will not reduce the Shares that may be issued under the Plan or that may be covered by Awards granted to any one Participant during any calendar year pursuant to subsection 5.1(e) or subsection 5.1(f).

(d) Except as expressly provided by the terms of this Plan, the issuance by Aon of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property or for labor or services, either upon direct sale, upon the exercise of rights or warrants to subscribe therefor or upon conversion of shares or obligations of Aon or any Subsidiary convertible into such shares or other securities, will not affect, and no adjustment by reason thereof, will be made with respect to Awards then outstanding hereunder.

(e) Subject to the following provisions of this subsection 5.1, the maximum number of Shares that may be delivered to Participants and their Beneficiaries with respect to Incentive Stock Options under the Plan will be 15 million; provided, however, that to the extent that shares not delivered must be counted against this limit as a condition of satisfying the rules applicable to Incentives Stock Options, such rules will apply to the limit on Incentive Stock Options granted under the Plan.

(f) The maximum number of Shares that may be covered by Awards granted to any one Participant during any one calendar-year period pursuant to this Plan will be 1,500,000. For purposes of this subsection 5.1(g), if an Option is in tandem with an SAR, such that the exercise of the Option or SAR with respect to a Share cancels the tandem SAR or Option right, respectively,

A-7

Aon Corporation

Table of Contents

with respect to such share, the tandem Option and SAR rights with respect to each Share will be counted as covering but one Share for purposes of applying the limitations of this subsection 5.1(f).

5.2 *Adjustments to Shares.* In the event there is a change in the capital structure of the Company as a result of any stock dividend or split, recapitalization, issuance of a new class of common stock, merger, consolidation, spin-off or other similar corporate change, or any distribution to stockholders holding Shares other than regular cash dividends, the Committee shall make an equitable adjustment (in the manner and form determined in the Committee's sole discretion) in the number of Shares and forms of the Awards authorized to be granted under the Plan, including any limitation imposed on the number of Shares of Common Stock with respect to which an Award may be granted in the aggregate under the Plan or to any Participant, and make appropriate adjustments (including exercise price) to any outstanding Awards.

SECTION 6
Options and SARs

6.1 *Definitions.*

(a) The grant of an "Option" under the Plan entitles the Participant to purchase Shares at an Exercise Price established by the Committee at the time the Option is granted. Options granted under this Section 6 may be either Incentive Stock Options or Non-Qualified Stock Options, as determined in the discretion of the Committee; provided, however, that Incentive Stock Options may only be granted to employees of Aon or a Subsidiary. An Option will be deemed to be a Non-Qualified Stock Option unless it is specifically designated by the Committee as an Incentive Stock Option.

(b) A grant of a "stock appreciation right" or "SAR" entitles the Participant to receive, in cash or Shares (as determined in accordance with the terms of the Plan), value equal to the excess of: (i) the Fair Market Value of a specified number of Shares at the time of exercise; over (ii) an Exercise Price established by the Committee at the time of grant.

(c) An Option may but need not be in tandem with an SAR, and an SAR may but need not be in tandem with an Option (in either case, regardless of whether the original award was granted under this Plan or another plan or arrangement). If an Option is in tandem with an SAR, the Exercise Price of both the Option and SAR will be the same, and the exercise of the Option or SAR with respect to a Share will cancel the corresponding tandem SAR or Option right with respect to such share.

6.2 *Eligibility.* The Committee will designate the Participants to whom Options or SARs are to be granted under this Section 6 and will determine the number of Shares subject to each such Option or SAR and the other terms and conditions thereof, not inconsistent with the Plan.

6.3 *Limits on Incentive Stock Options.* If the Committee grants Incentive Stock Options, then to the extent that the aggregate fair market value of Shares with respect to which Incentive Stock Options are exercisable for the first time by any individual during any calendar year (under all plans of the Company) exceeds \$100,000, such Options will be treated as Non-Qualified Stock Options to the extent required by section 422 of the Code.

6.4 *Exercise Price.* The "Exercise Price" of an Option or SAR will be established by the Committee at the time the Option or SAR is granted; provided, however, in no event will such price be less than 100% of the Fair Market Value of a Share on such date.

Table of Contents

6.5 *Exercise/Vesting.* Except as otherwise expressly provided in the Plan, an Option or SAR granted under the Plan will be exercisable in accordance with the following:

(a) An Option or SAR granted under this Section 6 will be exercised, in whole or in part (but with respect to whole Shares only) by giving notice to Aon or its designee prior to the Expiration Date applicable thereto. Such notice will specify the number of Shares being exercised and such other information as may be required by the Committee or its designee.

(b) No Option or SAR may be exercised prior to the date on which it is exercisable (or vested) or after the Expiration Date.

(c) The terms and conditions relating to exercise and vesting of an Option or SAR will be established by the Committee to the extent not inconsistent with the Plan, and may include, without limitation, conditions relating to completion of a specified period of service, achievement of performance standards prior to exercise or the achievement of Share ownership objectives by the Participant. Notwithstanding the foregoing, in no event will an Option or SAR granted to any employee become exercisable or vested prior to the first anniversary of the date on which it is granted (subject to acceleration of exercisability and vesting, to the extent permitted by, and subject to such terms and conditions determined by the Committee, in the event of the Participant's death, disability, retirement, or involuntary termination or in connection with a change in control).

6.6 *Method of Exercise; Payment of Exercise Price.* A Participant may exercise an Option (i) by giving notice to the Committee or its designee specifying the number of whole Shares to be purchased and accompanying such notice with payment therefor in full, and without any extension of credit, either (A) in cash, (B) by delivery (either actual delivery or by attestation procedures established by the Committee or its designee) to the Committee or its designee of previously owned whole Shares having a Fair Market Value, determined as of the date immediately preceding the date of exercise, equal to the aggregate purchase price payable by reason of such exercise, (C) authorizing the Committee to withhold whole Shares which would otherwise be delivered having an aggregate Fair Market Value, determined as of the date of exercise, equal to the amount necessary to satisfy such obligation, provided that the Committee determines that such withholding of Shares does not cause the Company to recognize an increased compensation expense under applicable accounting principles, (D) except as may be prohibited by applicable law, in cash by a broker-dealer acceptable to the Company to whom the Participant has submitted an irrevocable notice of exercise or (E) a combination of (A), (B) and (C) and (ii) by executing such documents as the Committee may reasonably request. Any fraction of a Share which would be required to pay such purchase price will be disregarded and the remaining amount due will be adjusted through the federal tax withholding mechanism. No Shares will be issued and no certification representing Common Stock will be delivered until the full purchase price therefor and any withholding taxes thereon, as described in Section 9.5, have been paid.

6.7 *Post-Exercise Limitations.* The Committee, in its discretion, may provide in an Award such restrictions on Shares acquired pursuant to the exercise of an Option as it determines to be desirable, including, without limitation, restrictions relating to disposition of the shares and forfeiture restrictions based on service, performance, Share ownership by the Participant and such other factors as the Committee determines to be appropriate.

6.8 *No Repricing.* Except for adjustments pursuant to subsection 5.2 (Adjustments to Shares) or reductions of the Exercise Price approved by Aon's stockholders, the Exercise Price for any outstanding Option or SAR may not be decreased after the date of grant nor may an outstanding Option or SAR

granted under the Plan be surrendered to Aon as consideration for the grant of a new Award, cash, or replacement Option or SAR with a lower exercise price. In addition, no repricing of an Option or SAR will be permitted without the approval of Aon's stockholders if such approval is required under the rules of any stock exchange on which Shares are listed; provided, however, that the foregoing prohibition shall not apply to the actions permitted under subsection 9.2 (Change in Control).

6.9 *Expiration Date.* The "Expiration Date" with respect to an Option or SAR means the date established as the Expiration Date by the Committee at the time of the grant; provided, however, that in no event will the Expiration Date of an Option or SAR be later than the date that is ten years after the date on which the Option or SAR is granted (or such shorter period required by law or the rules of any stock exchange).

SECTION 7
Full Value Awards

7.1 *Definitions.*

(a) A "Full Value Award" is a grant of one or more Shares or a right to receive one or more Shares in the future (including restricted shares, restricted share units, deferred shares, deferred share units, performance shares and performance share units), with such grant subject to one or more of the following, as determined by the Committee:

- (i) The grant may be in consideration of a Participant's previously performed services, or surrender of other compensation that may be due.
- (ii) The grant may be contingent on the achievement of performance or other objectives during a specified period.
- (iii) The grant may be subject to a risk of forfeiture or other restrictions that will lapse upon the achievement of one or more goals relating to completion of service by the Participant or achievement of performance or other objectives.
- (iv) The grant may also be subject to such other conditions, restrictions and contingencies, as determined by the Committee, including provisions relating to dividend or dividend equivalent rights and deferred payment or settlement.

7.2 *Special Vesting Rules.* If an employee's right to become vested in a Full Value Award is conditioned on the completion of a specified period of service with Aon or one or more Subsidiaries, without achievement of performance targets or other performance objectives (whether or not related to performance measures) being required as a condition of vesting, and without it being granted in lieu of other compensation, then the required period of service for full vesting will be not less than one year (subject, to the extent provided by, and subject to such terms and conditions determined by, the Committee, to prorated vesting over the course of such one-year period and to acceleration of vesting in the event of the Participant's death, disability, involuntary termination or otherwise in connection with a change in control, or retirement). The foregoing requirements will not apply to (a) grants made to newly eligible Participants to replace awards from a prior employer and (b) grants that are a form of payment of earned performance awards or other incentive compensation.

7.3 *Performance-Based Full Value Awards.* Any Full Value Award granted to any Participant may constitute "Performance-Based Compensation" within the meaning of section 162(m) of the Code and regulations thereunder. If any such award is intended to satisfy the requirements for Performance-Based Compensation under section 162(m) of the Code, then to the extent required by section 162(m),

Table of Contents

any Full Value Award so designated will be conditioned on the achievement of one or more performance targets as determined by the Committee and the following additional requirements will apply:

(a) The performance targets established for the performance period established by the Committee will be objective (as that term is described in regulations and other guidance under section 162(m) of the Code), and will be established in writing by the Committee not later than 90 days after the beginning of the performance period (but in no event after 25% of the performance period has elapsed), and while the outcome as to the performance targets is substantially uncertain. The performance targets established by the Committee will be based on one or more of the Performance Criteria.

(b) A Participant otherwise entitled to receive a Full Value Award for any performance period will not receive a settlement or payment of the Award until the Committee has determined that the applicable performance target(s) have been attained. To the extent that the Committee exercises discretion in making the determination required by this subsection 7.3(b), such exercise of discretion may not result in an increase in the amount of the payment unless such discretion is exercised pursuant to Section 9.2 hereof.

(c) Except as otherwise provided by the Committee, if a Participant's Termination Date occurs because of death or disability, the Participant's Full Value Award will become vested without regard to whether the Full Value Award would be Performance-Based Compensation.

Nothing in this Section 7 will preclude the Committee from granting Full Value Awards under the Plan or the Committee, Aon or any Subsidiary from granting any cash incentive awards outside of the Plan that are not intended to be Performance-Based Compensation; provided, however, that to the extent that the provisions of this Section 7 reflect the requirements applicable to Performance-Based Compensation, such provisions will not apply to the portion of the Award, if any, that is not intended to constitute Performance-Based Compensation.

SECTION 8
Cash Incentive Awards

8.1 *Grant of Cash Incentive Awards.* Subject to the terms of the Plan, the Committee may grant to a Participant the right to receive a payment in cash (or, in the discretion of the Committee, in Shares equivalent in value to the cash otherwise payable) at any time and from time to time, as determined by the Committee ("Cash Incentive Award"). Each Cash Incentive Award will have a value as determined by the Committee, and the Committee may subject an Award to Performance Criteria or any other conditions, restrictions or contingencies, as determined in the Committee's discretion. Payment of earned Cash Incentive Awards will be as determined by the Committee and evidenced in the Award Agreement. Subject to the terms of the Plan, the Committee, in its sole discretion, may pay earned Cash Incentive Awards in the form of cash or Shares (or in a combination thereof) that have an aggregate Fair Market Value equal to the value of the earned Award. The determination of the Committee with respect to the time and form of payout of such Awards will be set forth in the Award Agreement pertaining to the grant of the Award.

8.2 *Performance-Based Cash Incentive Awards.* Any Cash Incentive Award granted to any Participant may constitute "Performance-Based Compensation" within the meaning of section 162(m) of the Code and regulations thereunder. If any such award is intended to satisfy the requirements for Performance-Based Compensation under section 162(m) of the Code, then to the extent required by

Table of Contents

section 162(m), any Cash Incentive Award so designated will be conditioned on the achievement of one or more performance targets as determined by the Committee and the following additional requirements will apply:

(a) The performance targets established for the performance period established by the Committee will be objective (as that term is described in regulations under section 162(m) of the Code), and will be established in writing by the Committee not later than 90 days after the beginning of the performance period (but in no event after 25% of the performance period has elapsed), and while the outcome as to the performance targets is substantially uncertain. The performance targets established by the Committee will be based on one or more of the Performance Criteria.

(b) A Participant otherwise entitled to receive a Cash Incentive Award for any performance period will not receive a settlement or payment of the Award until the Committee has determined that the applicable performance target(s) have been attained. To the extent that the Committee exercises discretion in making the determination required by this subsection 8.2, such exercise of discretion may not result in an increase in the amount of the payment, unless such discretion is exercised pursuant to Section 9.2 hereof.

(c) Except as otherwise provided by the Committee, if a Participant's Termination Date occurs because of death or disability, the Participant's Cash Incentive Award will become vested without regard to whether the Cash Incentive Award would be Performance-Based Compensation.

(d) The maximum amount payable pursuant to a Cash Incentive Award to any Participant in any calendar year is \$10,000,000.

Nothing in this Section 8 will preclude the Committee from granting Cash Incentive Awards under the Plan or the Committee, Aon or any Subsidiary from granting any cash incentive awards outside of the Plan that are not intended to be Performance-Based Compensation; provided, however, that to the extent that the provisions of this Section 8 reflect the requirements applicable to Performance-Based Compensation, such provisions will not apply to any Cash Incentive Award that is not intended to constitute Performance-Based Compensation. Except as otherwise provided in the applicable program or arrangement, distribution of any Cash Incentive Awards by the Company for a performance period ending in a calendar year will be made to the Participant not later than March 15 of the following calendar year.

SECTION 9
Operation and Administration

9.1 *Effective Date and Approval Date.* The Plan will be effective as of the date it is adopted by the Board (the "Effective Date"); provided, however, that Awards granted under the Plan prior to the Approval Date will be contingent on approval of the Plan by Aon's stockholders. The Plan will be unlimited in duration and, in the event of Plan termination, will remain in effect as long as any Shares awarded under it are outstanding and not fully vested; provided, however, that no new Awards will be made under the Plan on or after the tenth anniversary of the date on which the Plan is adopted by the Board.

9.2 *Change in Control.* (a) Notwithstanding any provision of this Plan or Award agreement, in the event of a Change in Control, the Board (as constituted prior to such Change in Control) may, in its discretion:

(i) require that (A) some or all outstanding Options and SARs will immediately become exercisable in full or in part, (B) the vesting period applicable to some or all outstanding restricted shares and restricted stock units will lapse in full or in part, (C) the performance period applicable to some or all outstanding Awards will lapse in full or in part, and (D) the performance targets applicable to some or all outstanding Awards will be deemed to be satisfied at the target, maximum or any other level;

(ii) require that Shares of Common Stock of the Company resulting from or succeeding to the business of the Company pursuant to such Change in Control, or a parent corporation thereof, be substituted for some or all of the Shares subject to an outstanding Award, with an appropriate and equitable adjustment to such Award as determined by the Board in accordance with Section 5.2;

(iii) require outstanding Awards, in whole or in part, to be surrendered to the Company by the holder, and to be immediately cancelled by the Company, and to provide for the holder to receive (A) a cash payment in an amount equal to (x) in the case of an Option or a SAR, the number of Shares then subject to the portion of such Option or SAR surrendered, to the extent such Option or SAR is then exercisable or becomes exercisable pursuant to Section 6.5 above, multiplied by the excess, if any, of the Fair Market Value of a Share as of the date of the Change in Control, over the purchase price or base price per Share subject to such Option or SAR, (y) in the case of restricted shares or restricted stock units, the number of Shares then subject to the portion of such Award surrendered, to the extent the vesting period and performance period, if any, on such Award have lapsed or will lapse pursuant to Section 7.2 above and to the extent that the performance targets, if any, have been satisfied or are deemed satisfied pursuant to Sections 7.2 or 7.3 above, multiplied by the Fair Market Value of a Share as of the date of the Change in Control, and (z) in the case of performance shares and performance share units, the Fair Market Value of the Shares then subject to the portion of such Award surrendered, to the extent the performance period applicable to such Award has lapsed or will lapse pursuant to Section 7.3 above and to the extent the performance targets applicable to such Award have been satisfied or are deemed satisfied pursuant to Section 7.3 above; (B) Shares of Common Stock of the corporation resulting from or succeeding to the business of the Company pursuant to such Change in Control, or a parent corporation thereof, having a fair market value not less than the amount determined under clause (A) above; or (C) a combination of the payment of cash pursuant to clause (A) above and the issuance of shares pursuant to Clause (B) above; and/or

(iv) take such other action as the Board deems appropriate, in its sole discretion.

9.3 *Special Director Provisions.* Notwithstanding any other provision of the Plan to the contrary, unless otherwise provided by the Board, awards to non-employee directors will be made in accordance with the terms of the Aon Corporation Non-Employee Directors' Deferred Stock Unit Plan, as amended, and all such awards will be deemed to be made under the Plan.

9.4 *Limit on Distribution.* Distribution of Shares or other amounts under the Plan will be subject to the following:

(a) Notwithstanding any other provision of the Plan, Aon will have no liability to deliver any Shares under the Plan or make any other distribution of benefits under the Plan unless such

Table of Contents

delivery or distribution would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity.

(b) In the case of a Participant who is subject to Section 16(a) and 16(b) of the Exchange Act, the Committee may, at any time, add such conditions and limitations to any Award to such Participant, or any feature of any such Award, as the Committee, in its sole discretion, deems necessary or desirable to comply with Section 16(a) or 16(b) and the rules and regulations thereunder or to obtain any exemption therefrom.

(c) To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

9.5 *Withholding.* All Awards and other payments under the Plan are subject to withholding of all applicable taxes, which withholding obligations may be satisfied, with the consent of the Committee, through the surrender of Shares which the Participant already owns or to which a Participant is otherwise entitled under the Plan; provided, however, with the consent of the Committee, previously-owned Shares that have been held by the Participant or Shares to which the Participant is entitled under the Plan may only be used to satisfy the minimum tax withholding required by applicable law (or other rates that will not have a negative accounting impact).

9.6 *Transferability.* Awards under the Plan are not transferable except as designated by the Participant by will or by the laws of descent and distribution or, to the extent provided by the Committee, pursuant to a qualified domestic relations order (within the meaning of the Code and applicable rules thereunder). To the extent that the Participant who receives an Award under the Plan has the right to exercise such Award, the Award may be exercised during the lifetime of the Participant only by the Participant. Notwithstanding the foregoing provisions of this subsection 9.6, the Committee may permit Awards under the Plan to be transferred to or for the benefit of the Participant's family (including, without limitation, to a trust or partnership for the benefit of a Participant's family), subject to such procedures as the Committee may establish. In no event will an Incentive Stock Option be transferable to the extent that such transferability would violate the requirements applicable to such option under section 422 of the Code.

9.7 *Notices.* Any notice or document required to be filed with the Committee or the Company under the Plan will be properly filed if delivered or mailed by registered mail, postage prepaid, to the Committee or the Company, in care of Aon at its principal executive offices. The Committee may, by advance written notice to affected persons, revise such notice procedure from time to time. Any notice required under the Plan (other than a notice of election) may be waived by the person entitled to notice.

9.8 *Form and Time of Elections.* Unless otherwise specified herein, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification or revocation thereof, will be in writing filed with the Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee requires.

9.9 *Agreement With Aon or Subsidiary.* At the time of an Award to a Participant under the Plan, the Committee may require a Participant to enter into an agreement with Aon or the Subsidiary, as applicable (the "Agreement"), in a form specified by the Committee, agreeing to the terms and conditions of the Plan and to such additional terms and conditions, not inconsistent with the Plan, as the Committee may, in its sole discretion, prescribe.

9.10 *Limitation of Implied Rights.*

(a) Neither a Participant nor any other person will, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Company whatsoever, including without limitation, any specific funds, assets, or other property which the Company, in its sole discretion, may set aside in anticipation of a liability under the Plan. A Participant will have only a contractual right to the amounts, if any, payable under the Plan, unsecured by any assets of the Company. Nothing contained in the Plan constitutes a guarantee by the Company or any Subsidiary that the assets of such companies will be sufficient to pay any benefits to any person.

(b) The Plan does not constitute a contract of employment or continued service, and selection as a Participant will not give any employee the right to be retained in the employ or service of the Company, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan, no Award under the Plan will confer upon the holder thereof any right as a stockholder of Aon prior to the date on which he fulfills all service requirements and other conditions for receipt of such rights and Shares are registered in his name. Without limiting the generality of the foregoing, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of restricted stock granted under the Plan may be granted the right to exercise full voting rights with respect to those Shares during the vesting period. A Participant will have no voting rights with respect to any restricted stock units granted hereunder.

(c) During the vesting period, Participants holding Shares of restricted stock, restricted stock units, performance Shares or performance share units granted hereunder may, if the Committee so determines, be credited with dividends paid with respect to the underlying Shares or dividend equivalents while they are so held in a manner determined by the Committee in its sole discretion. The Committee may apply any restrictions to the dividends or dividend equivalents that the Committee deems appropriate. The Committee, in its sole discretion, may determine the form of payment of dividends or dividend equivalents, including, but not limited to, cash or Shares.

9.11 *Forfeiture Events.* The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award will be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but are not limited to, termination of employment for cause, violation of material Company, Affiliate or Subsidiary policy, breach of noncompetition, non-solicitation or confidentiality provisions that apply to the Participant, a determination that the payment of the Award was based on an incorrect determination that financial or other criteria were met or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates or the Subsidiaries.

9.12 *Clawback Policy.* Any compensation earned or paid pursuant to this Plan is subject to forfeiture, recovery by the Company or other action pursuant to any clawback or recoupment policy which the Company may adopt from time to time, including without limitation any such policy which the Company may be required to adopt under the Dodd-Frank Wall Street Reform and Consumer Protection Act and implementing rules and regulations thereunder, or as otherwise required by law.

9.13 *Evidence.* Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

Table of Contents

9.14 *Action by Aon or Subsidiary.* Any action required or permitted to be taken by Aon or any Subsidiary will be by resolution of its board of directors or by action of one or more members of the board (including a committee of the board) who are duly authorized to act for the board or (except to the extent prohibited by applicable law or the rules of any stock exchange) by a duly authorized officer of Aon.

9.15 *Gender and Number.* Where the context allows, words in any gender include any other gender, words in the singular include the plural and the plural includes the singular, and the term "or" also means "and/or" and the term "including" means "including but not limited to".

9.16 *Applicable Law.* The provisions of the Plan will be construed in accordance with the laws of the State of Delaware, without giving effect to choice of law principles.

9.17 *Foreign Participants.* Notwithstanding any other provision of the Plan to the contrary, the Committee may grant Awards to eligible persons who are foreign nationals on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan. In furtherance of such purposes, the Committee may make such modifications, amendments, procedures and subplans as may be necessary or advisable to comply with provisions of laws in other countries or jurisdictions in which Aon or a Subsidiary operates or has employees.

9.18 *Construction.* If any provision of the Plan or any Award agreement relating to an award intended to satisfy the requirements for Performance-Based Compensation under section 162(m) of the Code does not comply or is inconsistent with such requirements of section 162(m) of the Code, such provision will be construed or deemed amended to the extent necessary to conform to such requirements.

SECTION 10
Amendment and Termination

The Board may, at any time, amend or terminate the Plan, and the Board or the Committee may amend any Agreement, provided that no amendment or termination may, in the absence of written consent to the change by the affected Participant (or, if the Participant is not then living and if applicable, the Beneficiary), adversely affect the rights of any Participant or, if applicable, Beneficiary under any Award granted under the Plan prior to the date such amendment is adopted by the Board (or the Committee, if applicable); and further provided that adjustments pursuant to subsection 5.2 will not be subject to the foregoing limitations of this Section 10; and further provided no amendment will be made to the provisions of subsection 6.8 (relating to Option and SAR repricing) without the approval of Aon's stockholders; and provided further, that no other amendment will be made to the Plan without the approval of Aon's stockholders if the approval of Aon's stockholders of such amendment is required by law or the rules of any stock exchange on which Shares are listed.

SECTION 11
Section 409A of the Code

11.1 *Intent to Comply with Section 409A of the Code.* Notwithstanding anything in this Plan to the contrary (for purposes of this section, "Plan" includes all Awards under the Plan), the Plan will be construed, administered or deemed amended as necessary to comply with the requirements of Section 409A of the Code to avoid taxation under Section 409A(a)(1) of the Code to the extent subject to Section 409A of the Code. The Committee, in its sole discretion, will determine the requirements of

A-16

Aon Corporation

Section 409A of the Code applicable to the Plan and will interpret the terms of the Plan consistently therewith. Under no circumstances, however, will the Company or any Subsidiary or Affiliate or any of its employees, officers, directors, service providers or agents have any liability to any person for any taxes, penalties or interest due on amounts paid or payable under the Plan, including any taxes, penalties or interest imposed under Section 409A of the Code. Any payments to Award holders pursuant to this Plan are also intended to be exempt from Section 409A of the Code to the maximum extent possible, first, to the extent such payments are scheduled to be paid and are in fact paid during the short-term deferral period, as short-term deferrals pursuant to Treasury regulation §1.409A-1(b)(4), and then, if applicable, under the separation pay exemption pursuant to Treasury regulation §1.409A-1(b)(9)(iii), and for this purpose each payment will be considered a separate payment such that the determination of whether a payment qualifies as a short-term deferral will be made without regard to whether other payments so qualify and the determination of whether a payment qualifies under the separation pay exemption will be made without regard to any payments which qualify as short-term deferrals. To the extent any amounts under this Plan are payable by reference to an Award holder's "termination of employment," such term will be deemed to refer to the Award holder's "separation from service," within the meaning of Section 409A of the Code. Notwithstanding any other provision in this Plan, if an Award holder is a "specified employee," as defined in Section 409A of the Code, as of the date of the Award holder's separation from service, then to the extent any amount payable under this Plan (i) constitutes the payment of nonqualified deferred compensation, within the meaning of Section 409A of the Code, (ii) is payable upon the Award holder's separation from service and (iii) under the terms of this Plan would be payable prior to the six-month anniversary of the Award holder's separation from service, such payment will be delayed until the earlier to occur of (a) the six-month anniversary of the separation from service or (b) the date of the award holder's death.

11.2 *Prohibition on Acceleration of Payments.* The time or schedule of any settlement or amount scheduled to be paid pursuant to the terms of the Plan or any Agreement may not be accelerated except as otherwise permitted under Code Section 409A and the guidance and Treasury regulations issued thereunder.
