- (1) The amounts reported under "Bonus" for 2001 include the value of units that correspond to shares of EMCOR Common Stock mandatorily deferred and credited to each named executive officer's account under the EMCOR Group, Inc. Executive Stock Bonus Plan (the "Stock Bonus Plan"). Pursuant to the Stock Bonus Plan, 25% of the annual bonus earned by each named executive officer is automatically credited to him in the form of units that will subsequently be converted into EMCOR Common Stock at a 15% discount from the fair market value of EMCOR Common Stock as of the date the annual bonus

Edgar Filing: EMCOR GROUP INC - Form 10-K/A

is determined. The units are to be converted into shares of EMCOR Common Stock and delivered to the executive officer on the earliest of (i) the first business day of the fourth calendar year following the year in respect of which the annual bonus was payable, (ii) the executive officer's termination of employment for any reason or (iii) immediately prior to a "change of control" (as defined in the Stock Bonus Plan). Dividend equivalents are credited in the form of additional units (at a 15% discount) at the same rate as dividends are paid to all stockholders. The portion of the amount reported under "Bonus" associated with mandatory deferrals under the Stock Bonus Plan for each named executive officer is as follows: Frank T. MacInnis - \$372,602; Jeffrey M. Levy - \$227,949; Sheldon I. Cammaker - \$117,636; Leicle E. Chesser - \$147,069; and R. Kevin Matz - \$99,977.

- (3) The column specified by Item 402 (b) of Regulation S-K to report Long-Term Incentive Plan Payouts has been excluded because the Company has no long-term incentive compensation plans and has not had any such plan during any portion of fiscal years 2001, 2000 and 1999.
- (4) The amounts reported under "Restricted Stock Award" for 2001 represent the value of units that correspond to shares of EMCOR Common Stock voluntarily deferred and credited to a named executive officer's account under the Stock Bonus Plan. Pursuant to the Stock Bonus Plan, each named executive officer is permitted at his election to cause all or part of his annual bonus not mandatorily deferred under the Stock Bonus Plan to be credited to him in the form of units that will subsequently be converted into EMCOR Common Stock at a 15% discount from the fair market value of EMCOR Common Stock as of the date the annual bonus is determined. Any voluntary deferral election under the Stock Bonus Plan generally must be made at least six months prior to the end of the calendar year in respect of which the bonus will be payable. These units are to be converted into shares of EMCOR Common Stock and delivered to the executive officer on the earliest of (i) the date elected by the executive officer but in no event earlier than the first business day of the fourth calendar year following the year in respect of which the annual bonus was payable, (ii) the executive officer's termination of employment, or (iii) immediately prior to a "change of control." (1) The options referred to in this table have a ten-year term. The options with an expiration date of January 2, 2011 became exercisable on January 2, 2002 and the options with an expiration date of December 13, 2011 became exercisable on December 14, 2001

(2) The stock option exercise price for a share of Common Stock is the fair market value of a share of Common Stock on the date of grant. No SARs, performance units or other instruments were granted in tandem with the stock options reported herein.

(3) Present value was calculated using the Black-Scholes option-pricing model which involves an extrapolation of future price levels based solely on past performance. The present value as of the date of grant, calculated using the Black-Scholes method, is based on assumptions about future interest rates, dividend yield, stock price volatility and exercise dates. In calculating the present value as of the date of grant of the options reported in the table, the Company assumed an interest rate of 4.25% per annum, an annual dividend yield of zero, volatility of 30.6% and an exercise date at the end of the contractual term in 2011. There is no assurance that these assumptions will prove to be true in the future. The actual value, if any, that may be realized by each individual will depend on the future market price of the Common Stock and cannot be forecasted accurately by application of an option-pricing model.

(1) For purposes of this column, value is calculated based on the aggregate amount of the excess of \$45.40 (the closing price of the Common Stock as reported on the New York Stock Exchange on December 31, 2001) over the relevant exercise price for a share of Common Stock with respect to the options.

Employment Agreements

The Company has employment agreements made as of January 1, 2002 with Frank T. MacInnis providing for his employment as Chief Executive Officer of the Company through December 31, 2004 and with Jeffrey M. Levy providing for his employment as President and Chief Operating Officer of the Company through December 31, 2004. Each such employment agreement provides that the term of employment will automatically be extended for successive one-year periods unless the Company or the officer gives written notice not to extend at least six months prior to the end of the initial term or any extended term of the employment agreement. However, following the date of a Change of Control (as defined their employment agreements), the term of Mr. MacInnis' and Mr. Levy's respective employment shall be for a period of three years from such date. Under Mr. MacInnis' employment agreement, the Company is also to use its best efforts to ensure Mr. MacInnis' election as Chairman of the Board of Directors of the Company.

Pursuant to the terms of their respective employment agreements, Mr.

Edgar Filing: EMCOR GROUP INC - Form 10-K/A

MacInnis is to receive an annual base salary of \$800,000 for 2002 and Mr. Levy is to receive an annual base salary of \$525,000 for 2002. Their annual base salaries are to increase on the first day of each succeeding calendar year during the employment periods by the percentage increase in the consumer price index for the preceding year for the area in which the principal office of the Company is located or an amount specified by the Board of Directors, whichever is greater. In addition, Mr. MacInnis and Mr. Levy are each entitled to receive an annual bonus, which is to be determined with reference to a target bonus and based upon factors agreed upon annually by the respective officer and the Compensation and Personnel Committee of the Board of Directors (the "Compensation Committee"); provided that Mr. MacInnis' annual target bonus may not be less than \$800,000 and Mr. Levy's annual target bonus may not be less than \$600,000. Pursuant to the terms of their respective employment agreements, Mr. MacInnis and Mr. Levy are to receive an option on the first business day of each of 2002, 2003 and 2004 to purchase a number of shares of Common Stock of the Company determined by dividing in Mr. MacInnis' case 125% of his base salary, and in Mr. Levy's case 100% of his base salary, for such year by the value of an option to purchase a share of Company Common Stock on such date which value is to be determined by the Black-Scholes methodology. Accordingly, on January 2, 2002 Mr. MacInnis was granted an option to purchase 56,800 shares at \$46.35 per share, and Mr. Levy was granted an option to purchase 30,000 shares at \$46.35 per share. Each option is to have a ten-year term, is to have an exercise price equal to the fair market value of a share of Common Stock on the grant date, and is to be exercisable as follows: one-fourth on or after the grant date, one-fourth on or after the first anniversary of the grant date, one-fourth on or after the second anniversary of the grant date and one-fourth on or after the last business day of the calendar year immediately preceding the third anniversary of the grant date.

In addition, in connection with their respective employment agreements, Messrs. MacInnis and Levy were granted on December 14, 2001 options to purchase 50,600 and 33,200 shares of Common Stock, respectively, at a per share exercise price of \$41.70, the fair market value of a share of Common Stock on the grant date. Each of these options is vested in full and expires December 14, 2011.

Under the terms of their employment agreements, Messrs. MacInnis and Levy each has been provided with certain benefits customarily accorded to the Company's executive officers. These benefits include \$870 per month for the leasing of an automobile and the cost of a lease capital reduction payment; maintenance and insurance on their respective automobiles; reimbursement for initiation fees and monthly dues for membership in a club suitable for entertaining clients of the Company; life insurance in an amount equal to twice their current annual salary times the number of full or partial calendar years that remain prior to expiration of their respective employment agreements; all legal expenses incurred in connection with their employment agreements; and the cost of any increased tax liability to them caused by receipt of these fringe benefits.

If, during the term of his employment agreement, Mr. MacInnis' employment is terminated by the Company other than for Cause (as defined in his employment agreement) or he terminates his employment for Good Reason (as defined in his employment agreement), he will be entitled to receive a cash payment equal to the sum of (i) the greater of (A) his base salary at the highest annual rate in effect during his term of employment for the period from the date of termination through December 31, 2004 or (B) two times his base salary at its then current annual rate and (ii) the greater of (A) his target bonus for the calendar year in which the termination takes place multiplied by the number of full or partial

Edgar Filing: EMCOR GROUP INC - Form 10-K/A

calendar years remaining from the date of termination through December 31, 2004 and (B) two times his target bonus for the calendar year in which the termination takes place; however, in the event of a termination following a Change of Control (as defined in his employment agreement), the factor of two in clauses (i)(B) and (ii)(B) above will be increased to three. If, during the term of his employment agreement, Mr. Levy's employment is terminated by the Company other than for Cause (as defined in his employment agreement) or he terminates his employment for Good Reason (as defined in his employment agreement), he will be entitled to a cash payment equal to the sum of (i) two times his base salary at its then current annual rate and (ii) two times his target bonus for the calendar year in which the termination occurs; however, in the event of a termination following a Change of Control (as defined in his employment agreement) the factor of two in clauses (i) and (ii) above will be increased to three. In addition, Messrs. MacInnis and Levy each will be entitled to receive all unpaid amounts in respect of his bonus for any calendar year ending before the date of termination and an amount equal to his target bonus for the calendar year in which the termination takes place multiplied by a fraction the numerator of which is the number of days in such calendar year that he was an employee of the Company and the denominator of which is 365.

The Company has employment agreements made as of January 1, 2002 with Sheldon I. Cammaker providing for his employment as Executive Vice President and General Counsel of the Company through December 31, 2004, with Leicle E. Chesser providing for his employment as Executive Vice President and Chief Financial Officer of the Company through December 31, 2004, and with R. Kevin Matz providing for his employment as Vice President and Treasurer of the Company through December 31, 2004. Each such employment agreement provides that the term of employment will automatically be extended for successive one-year periods unless the Company or the officer gives written notice not to extend at least six months prior to the end of the initial term or any extended term of the employment agreement. However, following the date of a Change of Control (as defined in their employment agreements), the terms of their respective employment shall be for a period of three years from such date.

Pursuant to the terms of their respective employment agreements, Mr. Cammaker is to receive an annual base salary of \$410,000 for 2002, Mr. Chesser is to receive an annual base salary of \$410,000 for 2002, and Mr. Matz is to receive an annual base salary of \$300,000 for 2002. Their annual base salaries are to increase on the first day of each succeeding calendar year during the employment periods by the percentage increase in the consumer price index for the preceding year for the area in which the principal office of the Company is located or an amount specified by the Board of Directors, whichever is greater. In addition, each of them is entitled to receive an annual cash bonus determined by the Compensation Committee, and under the terms of their respective employment agreements, Messrs. Cammaker, Chesser and Matz are each to receive an option on the first business day of 2002, 2003, and 2004 to purchase a number of shares of Common Stock of the Company determined by dividing 75% of their respective base salaries for such year by the value of an option to purchase a share of Common Stock of the Company on such date, which value shall be determined by the Black-Scholes methodology. Accordingly on January 2, 2002 Messrs. Cammaker and Chesser were each granted an option to purchase 17,500 shares at \$46.35 per share and Mr. Matz was granted an option to purchase 12,800 shares at \$46.35 per share. Each option is to have a ten-year term, is to have an exercise price equal to the fair market value of a share of Common Stock on the grant date, and is to be exercisable as follows: one-fourth on or after the grant date, one-fourth on or after the first anniversary of the grant date, one-fourth on or after the second anniversary of the grant date and one-fourth on or after the last business day of the calendar year immediately preceding the third anniversary of the grant date.

In addition, in connection with their respective employment agreements, Messrs. Cammaker, Chesser and Matz were granted options to purchase 25,900,

Edgar Filing: EMCOR GROUP INC - Form 10-K/A

25,900 and 19,000 shares of Common Stock, respectively, at a per share exercise price of \$41.70 per share, the fair market value of a share of Common Stock on the grant date. Each of these options is fully exercisable and expires December 14, 2011.

Under the terms of their employment agreements, Messrs. Cammaker, Chesser and Matz each have been provided with certain benefits customarily accorded to the Company's executive officers, including in Messrs. Cammaker's and Chesser's case \$870 per month, and, in Mr. Matz' case \$700 per month, for leasing of an automobile and the cost of a lease capital reduction payment; maintenance and insurance on their respective automobiles, reimbursement for initiation fees and monthly dues for membership in a club suitable for entertaining clients of the Company; life insurance in an amount equal to twice their current annual salary times the number of full or partial calendar years that remain prior to the expiration of their respective employment agreements; all legal expenses incurred in connection with their employment agreements; and the cost of any increased tax liability to them caused by receipt of these fringe benefits.

If Messrs. Cammaker's, Chesser's or Matz' employment is terminated during the term of his respective employment agreement by the Company other than for Cause (as defined in his employment agreement), or if he terminates his employment for Good Reason (as defined in his employment agreement), he will be entitled to receive a cash payment generally equal to the sum of (i) two times his base salary at its then current annual rate and (ii) two times the highest bonus paid to him during his employment by the Company ("Deemed Bonus"). However, in the event of a termination following a Change of Control (as defined in his employment agreement), the factor of two in clauses (i) and (ii) above will be increased to three. In addition, Messrs. Cammaker, Chesser and Matz each will be entitled to receive all unpaid amounts in respect of his bonus for any calendar year ending before the date of termination and an amount equal to his Deemed Bonus multiplied by a fraction the numerator of which is the number of days in the calendar year in which the termination takes place that he was an employee of the Company and the denominator of which is 365.

Continuity Agreements

Each of Messrs. MacInnis, Levy, Cammaker, Chesser and Matz (each referred to herein as an "Executive") is a party to a Continuity Agreement with the Company. The purpose of the Continuity Agreements is to retain the services of these Executives and to assure their continued productivity without disturbance in circumstances arising from the possibility or occurrence of a Change of Control of the Company. For purposes of the agreements a "Change of Control" means, in general, the occurrence of (i) the acquisition by a person or group of persons of 25% or more of the voting securities of the Company, (ii) the approval by the Company's stockholders of a merger, business combination or sale of the Company's assets, the result of which is that less than 65% of the voting securities of the resulting corporation is owned by the holders of the Company's Common Stock prior to such transaction or (iii) the failure of Incumbent Directors (as defined in the Continuity Agreements) to constitute at least a majority of the Board of Directors of the Company during any two year period.

Generally, no benefits are provided under the Continuity Agreements for any type of termination before a Change of Control, for termination after a Change of Control due to death, disability, any termination for Cause (as that term is defined in the Continuity Agreement) or for voluntary termination (other than for Good Reason) (as that term is defined in the Continuity Agreements).

Upon a Change of Control each Continuity Agreement generally provides to the Executive a severance benefit if the Company terminates the Executive's employment without Cause or the Executive terminates his employment for Good Reason within two years following a Change of Control equal to the sum of three times (i) his base salary at the time of the Change of Control, (ii) the higher

of (x) his bonus in respect of the year prior to the Change of Control or (y) the average of his bonuses for the three years prior to the Change of Control and (iii) the value of perquisites provided in respect of the year prior to the Change of Control. Other severance benefits include outplacement assistance and a continuance of insurance benefits for three years. The severance benefits under the Executive's Continuity Agreements are reduced by any severance benefits payable under the Executive's employment agreement.

If all or any portion of the payments or benefits referred to in the preceding paragraphs under "Employment Agreements" and "Continuity Agreements" either alone or together with other payments and benefits which Messrs. MacInnis, Levy, Cammaker, Chesser or Matz receives or is then entitled to receive from the Company would constitute a "parachute payment" within the meaning of Section 280G of the Internal Revenue Code (the "Code"), then such officer shall be entitled to such additional payments as may be necessary to ensure that the net after tax benefit of all such payments shall be equal to his respective net after tax benefit as if no excise tax had been imposed under Section 4999 of the Code.

Director Compensation

Each director who is not an officer of the Company ("non-employee director") is entitled to receive an annual cash retainer of \$30,000 and \$1,000 for each meeting of the Board of Directors he attends, other than telephonic meetings of the Board in which case each non-employee director who participates receives \$500. Each non-employee director also receives \$500 for each meeting of a committee of the Board of Directors attended by the director, and each non-employee director who chairs a committee of the Board of Directors receives an additional \$2,000 per annum. In addition, pursuant to the 1995 Non-Employee Directors' Non-Qualified Stock Option Plan, each non-employee director on July 12, 2001 was granted an option to purchase 3,000 shares of Common Stock at an exercise price of \$42.30 per share. These options are fully exercisable as of the date of grant and have a term of ten years. A director who also serves as an officer of the Company does not receive compensation for services rendered as a director.

Under the 1997 Non-Employee Directors' Non-Qualified Stock Option Plan and the 1997 Stock Plan for Directors, each non-employee director, in lieu of all or part of his annual cash retainer, may elect to receive in accordance with such plans (a) options to purchase shares of Common Stock and/or (b) deferred stock units in respect of which shares of Common Stock will be issued following the non-employee director's termination of service as a director of the Company. For 2001 each non-employee Director elected to receive his annual retainer in options, and, accordingly, each was granted options to purchase 5,325 shares of Common Stock at \$25.44 per share. These options vest during the course of the calendar year in which they are granted and have a five-year term.

Compensation Committee Interlocks and Insider Participation

During 2001 the Compensation and Personnel Committee of the Board of Directors of the Company (the "Compensation Committee") was responsible for matters concerning executive compensation.

Messrs. Bershad and Fried, each of whom is a non-employee director, served as members of the Compensation Committee during 2001. Mr. Georges de Buffevent, a director who passed away in December 2001, was also a member of the Compensation Committee during 2001.

No member of the Compensation Committee was at any time during 2001 a present or former officer of the Company or any of its subsidiaries or had any relationship requiring disclosure by the Company under any paragraph of Item 404 of Regulation S-K except for Mr. Fried with respect to the brokerage commissions

In addition, no executive officer of the Company has served as a director or member of the compensation committee (or other committee performing an equivalent function) of another entity, one of whose executive officers served as a director of, or member of the Compensation Committee of the Company.

To effectuate the sale, the Company paid AFC aggregate brokerage commissions of \$181,441.
