PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Peoples Financial Services Corp. (the "Company"), parent company of Peoples National Bank of Susquehanna County (the "Bank"), for use at the Company's Annual Meeting of Shareholders to be held on April 21, 2001, (the "Meeting") at 10:30 a.m. E.S.T. at the Montrose Bible Conference, Lake Avenue, Montrose, Pennsylvania. The Proxy Statement and the accompanying proxy are first being mailed to Shareholders of the Company on or about March 21, 2001.

PROXIES

The execution and return of the enclosed proxy will not affect a Shareholder's right to attend the Meeting and vote in person. Any Shareholder giving a proxy may revoke it at any time before it is exercised by submitting written notice of its revocation or a subsequently executed proxy to the Secretary of the Company, Debra E. Dissinger, 50 Main Street, PO Box A, Hallstead, Pennsylvania, 18822, or by attending the Meeting and electing to vote in person after giving written notice thereof to the Secretary of the Company. Shareholders of record at the close of business on February 28, 2001 are entitled to notice of, and to vote at, the Meeting. On that date, the Company had 2,140,771 shares of common stock outstanding (the "Common Stock"), par value \$2.00 per share, each of which will be entitled to one vote at the Meeting.

If the enclosed proxy is appropriately marked, signed, and returned in time to

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

be voted at the Meeting, the shares represented by the proxy will be voted in accordance with the instructions marked thereon. Any proxy not specifying to the contrary will be voted FOR the election of the nominees for Class III Directors, and FOR the appointment of Beard Miller Company LLP, Certified Public Accountants and Consultants, as the independent auditors for the year ending December 31, 2001.

Shares represented by properly executed proxies on the accompanying form will be voted FOR the nominees of the Board of Directors named unless otherwise specified on the proxy by the Shareholder. Any Shareholder who wishes to withhold authority from the proxyholders to vote for the election of Directors or to withhold authority to vote for any individual nominee may do so by marking his or her proxy to that effect. No proxy may be voted for a greater number of persons than the number of nominees named. If any nominee should become unable to serve, the persons named in the proxy may vote for another nominee. The Company's Board of Directors and management, however, have no present reason to believe that any nominee listed will be unable to serve as a Director, if elected.

REQUIRED VOTE

The presence, in person or by proxy, of the holders of a majority of the Shares entitled to vote generally for the election of Directors is necessary to constitute a quorum at the Meeting. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a nominee holding Shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Directors are elected by a plurality of the votes cast at the meeting. The affirmative vote of the holders of a majority of the votes cast at the meeting is required to ratify the appointment by the Board of Directors for Beard Miller Company LLP, Certified Public Accountants and Consultants, as the independent auditors for the year ending December 31, 2001. Abstentions and broker "non-votes" will not be considered as votes cast for purposes of the Meeting.

COST OF PROXY SOLICITATION

The expense of soliciting proxies will be borne by the Company. It is expected that the solicitation of proxies will be primarily by mail. The Company's Directors, Officers and Employees may also, but without compensation other than their regular compensation, solicit proxies by further mailings or personal conversations, or by telephone, fax, or other electronic means.

ADVANCE NOTICE PROCEDURES

The By-Laws of the Company permit nominations for election to the Board of Directors to be made by the Board of Directors or by any Shareholder of the Company. All nominations are referred to the Board of Directors for consideration. The By-Laws require that any nomination for Director by a Shareholder (other than by the Board of Directors) must be made by notice, in writing, delivered to the Secretary of the Company not less than 60 days prior to the date of a Shareholders' Meeting.

The Bank's Board has seven standing committees--Executive, Compensation, Audit/Compliance, Asset/Liability, Human Resources and Marketing, Loan Administration and Branch. There is no Nominating Committee.

The Executive Committee of the Bank met three times during 2000. It is a fixed committee comprised of the Chairman, the Vice Chairman, the President and one other Director appointed on a yearly basis. The Executive Committee of the Bank may also be assigned other duties by the Bank's Board.

The Compensation Committee of the Bank met one time during 2000. This committee reviews and recommends compensation policies and plans. Carl F. Pease was the Chairman of the Committee. The other Committee members were: Jack M. Norris, Gerald R. Pennay, and John W. Ord. Mr. Ord is the current CEO and President of Peoples National Bank. While Mr. Ord was specifically excluded from any Committee discussion concerning his own compensation, he does participate in the Committee's discussion concerning other key Executive's compensation.

The Audit/Compliance Committee of the Bank met four times during 2000. It supervises the compliance and internal audit program of the Bank and recommends the appointment of, and serves as the principal liaison between, the Board and the Company's independent accountants. The Audit/Compliance Committee also reports to the Board on the general financial condition of the Bank. During the year, the Board examined the composition of the Audit Committee and confirmed that the members of the Audit Committee are "independent" as defined by the

American Stock Exchange.

The Asset/Liability Committee of the Bank met 12 times during 2000. The Asset/Liability Committee is responsible for developing such guidelines, guiding the Bank's investments, and coordinating the Bank's budget process.

The Human Resources and Marketing Committee of the Bank met four times during 2000. It is responsible for sound human resources management (e.g., in employment, compensation, and performance appraisals). This Committee is also responsible for evaluation, planning and supervision of the marketing of the Bank's products and services and also oversees community relations and other public relations activities.

The Loan Administration Committee of the Bank met four times during 2000. It assists the Bank's Board of Directors in discharging its responsibility for the lending activities of the Bank by reviewing loans, lines of credit, floor plans, and compliance. The Loan Administration Committee recommends lending authorizations and is responsible for assuring that the Bank's loan activities are carried out in accordance with loan policies. The Loan Administration Committee is also responsible for ensuring the adequacy of the Bank's loan loss reserve.

The Branch Committees of the Bank each met 10 times during 2000. There is one committee assigned to each branch of the Bank. These Committees are responsible for monitoring the operations, goals, and profitability of the branches.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This Report of the Compensation Committee covers the following topics:

Role of the Corporate Governance and Compensation Committee relative to the compensation program

Executive Compensation Guiding Principles

Components of the Compensation Program

Compensation of the Chief Executive Officer

ROLE OF THE CORPORATE GOVERNANCE AND COMPENSATION COMMITTEE

The Committee is made up of four members of the Board of Directors. Three of them are not current or former employees of the Company. The Committee sets the overall compensation principles of the Company and reviews the entire program at least annually. This includes each element described below, the measurement used to make payments of awards under the Company's incentive plans and the overall effectiveness of the program. The committee specifically reviews and establishes the individual compensation levels for the top four members of the senior leadership team, including the Chief Executive Officer. The committee has considered the advice of an independent outside consultant in determining the appropriateness and the level of compensation.

EXECUTIVE COMPENSATION GUIDING PRINCIPLES

Peoples National Bank has developed a compensation program that is intended to motivate and retain the key talent it needs to be a market leader in a highly competitive industry. The Committee and the Company's leadership team developed this program to support the Company's aggressive business strategy. The following principles guided the development of the program:

Compensation opportunity should be related to performance. That is, if Peoples National Bank's and the individual's performance are at the median of those companies with whom we compete for talent, then pay should also be at the median. Opportunity should increase proportionately if Peoples National Bank's or the individual's performance is above the median. On the other hand, if performance is at less than the median, any award payment will be at the Committee's discretion.

Ownership of the Company's shares should be pervasive throughout the Company with each individual having a number of opportunities to own Peoples Financial Services Corp. stock. To that end, we made a stock option grant to all employee population in May 1998. In May 1999 and 2000, stock option grants were made to key managers and department heads. The overall intent is to encourage each employee to be, and to behave like, an owner of the business.

As described later in this report, our compensation programs are designed to balance short- and long-term financial objectives, build Shareholder value and reward for individual, team and corporate performance.

The proportion of total pay that is at risk against individual and Company performance objectives increase with the more senior positions. For example, in 2000, approximately 19% of the President's total target pay

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

opportunity was at risk against short- and long-term performance goals.

Survey data is compiled by an independent outside consultant to ensure that our total program is competitive. Compensation data includes 121 institutions, which includes 87 commercial banks or bank holding companies, 32 savings institutions, and 2 credit unions.

COMPONENTS OF THE COMPENSATION PROGRAM

The three components of the total compensation program are:

- Base Salary
- Short-Term Incentives
- Long-Term Incentives

1. Base Salary

Base salaries for all Officers have been set at levels that are comparable to similar positions at other companies with whom we compare for compensation purposes.

2. Short-Term Incentives

The annual bonus component of incentive compensation is designed to align executive pay with short-term (annual) performance of the Company.

In 2000, the annual bonus opportunity was based on the goals and objectives set forth in the strategic plan.

Distribution of bonuses was based on salary.

3. Long-Term Incentives:

The Bank has an employee stock ownership plan covering substantially all Employees. Contributions to the plan are at the discretion of the Board of Directors. Employer contributions are allocated to participant accounts based on their percentage of total base and short-term incentive compensation for the plan year.

The Bank also maintains a profit sharing plan under the provisions of Section 401(k) of the Internal Revenue Code. The plan covers substantially all Employees who have completed one year of service. Contributions to the plan by the Bank equal 50% of the employee contribution up to a maximum of 6% of annual salary.

In 1998, the company made a grant of stock options to substantially all employees. Grants for 1998 were made May 1, 1998. These options have an exercise price of \$22.20 (price adjusted to reflect the Company's five for two stock split in September 1998). The option vests after five years of service and will expire ten years from the date of the grant. In 1999, the company made a grant of stock options to key managers and department heads. Grants for 1999 were made on May 1, 1999. These options have an exercise price of \$25.50. The options granted in 1999 will expire ten years from the date of the grant. In 2000, the company made a grant of stock options to key managers and department heads. Grants for 2000 were made on May 3, 2000. These options have an exercise price of \$27.50. The options granted in 2000 will expire ten years from the date of the grant.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

In fiscal 2000, the Company's most highly compensated Officer was John W. Ord, CEO and President. In 2000, Mr. Ord's total compensation included 72.44% in base salary, 13.76% in short-term incentive, and 13.80% in long-term compensation.

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

The guidelines and factors considered by the Committee in determining compensation include corporate profitability measured by return on assets, stock prices, asset quality, loan loss reserve levels, market share, regulatory capital strength, cost control, and regulatory examination. The Committee based compensation and benefit levels on the contribution to the Company in meeting the goals and objectives as set forth in the strategic plan of the Company and the Bank.

In 1999, after study and evaluation, the Board made a decision to terminate the defined benefit plan described above. The plan termination was completed in December, 2000. The plan's assets were allocated to the eligible individuals.

Employee Stock Ownership Plan The Company maintains an Employee Stock Ownership Plan (the "ESOP") that was established as of January 1, 1983. The purpose of the ESOP is to promote in Employees the strongest interest in the successful operation of the Company's business and loyalty to the organization, in addition

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

to increasing efficiency in their work. The ESOP also provides the Employees with an opportunity to share in the prosperity of the Company's business by means of stock ownership.

In general, each employee of the Bank who has attained the age of 21 years is eligible to participate in the ESOP, provided he or she has been employed for at least one year and is credited with at least 500 hours of service. Contributions to the plan are at the discretion of the Board of Directors. Employer contributions are allocated to participant accounts based on their percentage of total compensation for the plan year. Shares of Company stock owned by the plan are included in the earnings per share calculation, and dividends on these shares are deducted from undivided profits. During 2000, contributions to the plan charged to operations were \$76,667. Under the terms of the ESOP, the Trustee (Benefit Plans Administrators) must invest assets primarily in Common Stock of the Company.

Under the ESOP, employee-participants are entitled to direct the Trustee as to the exercise of any voting rights attributable to stock allocated to their accounts. If an employee-participant does not give instructions as to how to vote the shares allocated to such person's account, the Trustee possesses power and authority to vote the stock in the manner the Trustee determines.

Effective August 1, 1994, the Bank maintains a profit sharing plan under the provisions of Section 401(K) of the Internal Revenue Code. The plan covers substantially all Employees who have completed one year of service. Contributions to the plan by the Bank equal 50% of the employee contribution up to a maximum of 6% of annual salary. During 2000, employer contributions to the plan charged to operations were \$44,513.

The comparison assumes \$100 was invested on December 31, 1995, in the Corporation's Common Stock and in each of the indices below and assumes further the reinvestment of dividends into the applicable securities. The shareholder return shown on the graph and table below is not necessarily indicative of future performance.

EXECUTIVE EMPLOYMENT AGREEMENTS AND OTHER ARRANGEMENTS

In February 1997, the Company entered into an employment agreement with John W. Ord, President and Chief Executive Officer of the Company. The agreement is for an initial three-year term and is renewed annually for a three-year term unless notice of nonrenewal is given by either party in which case the agreement will expire at the end of the existing term.

The agreement provides for a base salary of a minimum of \$100,000 per year and for such incentive bonuses as may be awarded to the Executive under any incentive compensation plan which may be in effect or otherwise in the discretion of the Board of Directors. If the Executive's employment is

terminated without "cause" (as defined in the agreement) or the Executive terminates his employment for "good reason" (as defined in the agreement) following a "change in control" of the Company, the Executive becomes entitled to severance benefits under the agreement. "Good reason" includes a reduction in title, responsibilities, or authority, a reassignment, which requires the Executive to move his principal residence, a reduction in salary, or a failure to provide the Executive with comparable benefits following a "change in control." If any such termination occurs following a "change in control," the Executive will be entitled generally to a lump-sum payment equal to 2.99 times his average annual compensation for the five years preceding the year of termination. In the event that the Executive's employment is terminated by the Company without "cause" in the absence of a "change in control," the Executive will be entitled generally to a lump-sum payment equal to 2.0 times the sum of his highest annual compensation in the prior three years plus certain pension and welfare benefits received in the relevant year.

Mr. Ord's agreement contains provisions restricting his ability to compete with the Company under certain circumstances following termination of his employment.

In February 1997, the Company also entered into severance agreements with two other Executive Officers of the Company, which provided for certain severance benefits in the event the Executive's employment is terminated or the Executive resigns for specified reasons following a "change in control" of the Company. Under these agreements, the Executive would be entitled generally to a severance benefit equal to 2.0 times the Executive's average annual compensation for the five years preceding the year of termination. No benefits are payable under these agreements in the event the Executive's employment is terminated for "cause" or in the event the Executive's employment is terminated for any reason prior to a "change in control." The specified reasons for termination under these agreements are substantially similar to the events of "good reason" contained in Mr. Ord's agreement. In June 1999, one of the executive officers resigned his position with the bank, leaving only one executive officer's agreement in place.

RELATIONSHIPS AND OTHER RELATED TRANSACTIONS (SEC ITEM 13)

Some of the Directors and Officers of the Company, and the companies with which they are associated, are customers of, and during 2000 had banking transactions with, the Bank in the ordinary course of the Bank's business, and intend to do so in the future. All loans and commitments to loan included in such transactions were made under substantially the same terms, including interest rates, collateral, and repayment terms, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the Bank's Management, do not involve more than the normal risk of collection or present other unfavorable features.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other company filing under the Securities Act of 1933 or the Securities and Exchange Act of 1934, except to the extent the company specifically incorporates the report by reference therein.

The Company's Board of Directors does not have an Audit Committee. The Audit Committee of the Bank performs the same functions as an Audit Committee of the Company. The members of the Bank's Audit Committee are Carl F. Pease, Thomas F. Chamberlain, Russell D. Shurtleff, Esq. and Richard S. Lochen, Jr., CPA. The entire Board of Directors of the Company approves all actions of the Audit Committee and, accordingly, the Audit Committee of the Bank does not presently operate under a written charter. The Audit Committee of the Bank has reviewed

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

the audited financial statements of the Company for the fiscal year ended December 31, 2000, and discussed them with management and the Company's independent accountants, Prociak & Associates, LLC. The Audit Committee also has discussed with the independent accountants the matters required to be discussed by the US Statement of Auditing Standards No. 61. The Bank's Audit Committee has received from the independent accountants the written disclosures and letter required by the US Independence Standards Board Standard No. 1, and the Audit Committee has discussed the accountants' independence from the Company and management with the accountants. Based on the review and discussions, the Bank's Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the fiscal year ended December 31, 2000, be included in the Company's Annual Report on Form 10-K for that fiscal year.

Audit Fees Audit fees billed to the Company by Prociak & Associates, LLC during the Company's 2000 fiscal year for review of the Company's annual financial statements, those financial statements included in the Company's quarterly reports on Form 10-Q, and for all other non-audit services rendered to the Company, including tax related services, totaled \$26,950.

Financial Information Systems Design and Implementation Fees The Company did not engage Prociak & Associates, LLC to provide advice to the Company regarding financial information systems design and implementation during fiscal year ended December 31, 2000.

DIRECTORS AND EXECUTIVE OFFICERS (SEC PART III ITEM 10)

The Company's Board of Directors presently consists of seven members. The Company's Board of Directors is divided into three classes, one-third (as nearly equal in number as possible) of who are elected annually to serve for a term of three years.

The following information is set forth in the table entitled "Company's Board of Directors": |X| name, |X| age, |X| term of office |X| the principal occupations of such individuals during the past five years. The executive officers are appointed to their respective offices annually. All directors of the Company also serve as directors of Peoples National Bank. Unless otherwise indicated, the principal occupation listed for a person has been the person's occupation for at least the past five years. Because a majority of persons listed served as officers or directors of Peoples National Bank prior to the formation of the Company in 1986, the table indicates the earliest year a person became an officer or director for Peoples National Bank or the Company.
