Item 1.01 Entry into a Material Definitive Agreement.

On June 30, 2014, Republic Services, Inc. (the "Company") entered into a \$1.25 billion revolving credit facility pursuant to a Credit Agreement with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer and the other lenders party thereto (the "Replacement Credit Facility"), which replaces the Company's \$1.0 billion credit facility maturing in April 2016.

The Replacement Credit Facility is unsecured and will mature in June 2019. It includes a feature that allows the Company to increase availability under the facility, at the Company's option, by an aggregate amount of up to \$500 million, through increased commitments from existing lenders or the addition of new lenders, subject to obtaining additional commitments and other customary conditions. At the Company's option, and subject to customary conditions, borrowings bear interest at a base rate or a Eurodollar rate, plus an applicable margin based on the Company's debt ratings. Available amounts subject to outstanding letters of credit, and outstanding principal, accrued and unpaid interest and other amounts payable under the facility, may be accelerated upon the occurrence of customary events of default, including (subject to certain materiality thresholds and grace periods) payment defaults, failures to comply with covenants, material inaccuracies of representations or warranties, bankruptcy or insolvency proceedings, changes of control, ERISA matters and cross-defaults to other debt agreements.

The Replacement Credit Facility contains customary affirmative and negative covenants, including, among other things, covenants requiring the Company to maintain certain financial ratios (including a minimum EBITDA, as defined in the agreement, to interest ratio and a maximum total debt to EBITDA, as defined in the agreement, ratio). The Company may pay dividends and repurchase common stock if it is in compliance with these covenants.

In addition, on June 30, 2014, the Company entered into Amendment No. 3 ("Amendment No. 3") to its existing \$1.25 billion credit facility (the "Existing Credit Facility"), by and among the Company, Bank of America, N.A., as Administrative Agent and each of the lenders signatory thereto. Amendment No. 3 does not extend the maturity date of the Existing Credit Facility, which matures in May 2017, but does reduce the commitments under the Existing Credit Facility to \$1.0 billion and conforms certain terms of the Existing Credit Facility with those of the Replacement Credit Facility. The Existing Credit Facility includes a feature that allows the Company to increase availability, at the Company's option, by an aggregate amount of up to \$500 million, through increased commitments from existing lenders or the addition of new lenders, subject to obtaining additional commitments and other customary conditions.
