### EXPLANATORY NOTE

Next, Inc. (the Company) is filing this Amendment No. 1 on Form 10-K/A to amend its Annual Report on Form 10-K for the fiscal year ended November 28, 2008 that was originally filed with the Securities and Exchange Commission on March 13, 2009 (the Original Filing). This Amendment No. 1 is being filed solely to amend and restate the Report of Independent Registered Public Accounting Firm (the Report) filed under Item 15(a)(1) of the Original Filing and included in Item 8 by reference thereto. The Company inadvertently filed the incorrect document as the Report with the Original Filing. The Report included in this Amendment No. 1 replaces in its entirety the Report previously filed with the Original Filing. In accordance with Rule 12b-15 promulgated under the Securities and Exchange Act of 1934, as amended, new certifications of our principal executive officer and principal financial officer are included as exhibits to this amendment.

Except as described above, no other changes are being made to the Original Filing. This Amendment No. 1 does not amend or update any other information set forth in the Original Filing, and the Company has not updated disclosures contained therein to reflect any events subsequent to the filing of the Original Filing. This Amendment No. 1 consists solely of the amended Report, this explanatory note, the signature page and the certifications required to be filed as exhibits hereto.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Board of Directors and Stockholders

NEXT, INC.

We have audited the accompanying consolidated balance sheets of NEXT, INC. and subsidiaries as of November 28, 2008, and November 30, 2007, and the related consolidated statements of operations, changes in stockholders' equity and cash flows for each of the three years in the period ended November 28, 2008. Our audits also include the financial statement schedule Schedule II Valuation and Qualifying Accounts. These financial statements and financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements and financial statement schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of NEXT, INC. and subsidiaries as of November 28, 2008, November 30, 2007, and the results of their operations and their cash flows for each of the three years in the period ended November 28, 2008, in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, the financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, presents fairly, in all material respects, the information set forth therein.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the consolidated financial statements, the Company has suffered recurring losses from operations and has been unable to refinance its line of credit which expires April 30, 2009. These factors raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

We were not engaged to examine management's assessment of effectiveness of NEXT, INC.'s internal control over financial reporting as of November 28, 2008, included in the accompanying Management's Annual Report on Internal Control Over Financial Reporting and, accordingly, we do not express an opinion thereon.
