Item 1.01. Entry Into a Material Definitive Agreement.

Private Placement Offering

On April 20, 2012, Imprimis Pharmaceuticals, Inc. (the Company) entered into a Securities Purchase Agreement (the Securities Purchase Agreement) with certain accredited investors (the Investors) relating to the sale and issuance of 10,058,455 units (each, a Unit) consisting of one share of the Company's common stock (Common Stock) and a warrant (each, a Warrant) to purchase up to one-fourth of a share of the Company's Common Stock at an exercise price of \$1.185 per share, at a price per Unit of \$0.79 (the Private Placement). The Private Placement closed on April 25, 2012 (the Closing Date). In connection with the Private Placement, the Company issued an aggregate of 10,058,455 shares of Common Stock and Warrants to purchase an aggregate of 2,514,642 shares of Common Stock, for aggregate gross proceeds to the Company of approximately \$7.95 million. The Investors are not entitled to any registration rights with respect to the Common Stock and Warrants issued in the Private Placement.

The Warrants have a term of three years and are exercisable any time after April 25, 2012 (the Initial Exercise Date). The Company may require that the Investors exercise the Warrants in whole, but not in part, at any time within twenty (20) business days after the occurrence of the following: (i) the volume weighted average price of the Company's Common Stock for ten (10) consecutive trading days is equal to or greater than the exercise price of the Warrant; (ii) the Company has received a Filing Review Notification from the U.S. Food and Drug Administration regarding the status of the Company's Impracor™ topical non-steroidal anti-inflammatory drug; and (iii) sufficient shares of Common Stock are authorized and reserved for issuance upon the full exercise of the Warrant.

The securities sold in the Private Placement were sold in reliance on the exemption from the registration requirements of the Securities Act of 1933 (the Securities Act) afforded by Section 4(2) thereof and Rule 506 of Regulation D promulgated thereunder. In determining that the issuance of the securities in the Private Placement qualified for an exemption under Section 4(2) and Rule 506 of Regulation D, the Company relied on the following facts: the Company did not use general solicitation or advertising to market the securities; each investor in the Private Placement represented to the Company that it was an accredited investor (as that term is defined in Rule 501 of Regulation D) and that it was purchasing the securities for its own account and not with a view to distribute them; and the securities issued are restricted securities.

The Securities Purchase Agreement and related form of Warrant have been attached as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K, respectively, and are incorporated herein by reference.

DermaStar Line of Credit Conversion

As originally disclosed in our Form 8-K filed on December 20, 2011, the Company entered into a Secured Line of Credit Letter Agreement (the "Line of Credit Agreement") with DermaStar International, LLC ("DermaStar") on December 9, 2011. The Line of Credit Agreement provided for advances to the Company of up to an aggregate of \$750,000. As of April 20, 2012, the aggregate principal balance owing under the Line of Credit was \$750,000.

Effective April 20, 2012, the Company and DermaStar entered into a Promissory Note Conversion Agreement (the "Conversion Agreement") wherein the parties agreed that the entire outstanding principal balance of the Promissory Notes and all related accrued interest, totaling \$762,534, would be converted into Units at a rate of \$0.79 per Unit, consistent with the terms of the issuance of the Units in the Private Placement, effective upon the closing of the Private Placement. On the Closing Date, DermaStar was issued a total of 965,233 shares of Common Stock and a related Warrant to purchase an aggregate of 241,308 shares of Common Stock at an exercise price of \$1.185 per share upon conversion of the outstanding principal balance and unpaid interest under the Line of Credit. The warrant issued to DermaStar is substantially the same as the form of Warrant issued in the Private Placement. The Line of Credit has been terminated.

The securities issued upon conversion of the Line of Credit pursuant to the Conversion Agreement were issued in reliance on the exemption from the registration requirements of the Securities Act of 1933 afforded by Section 4(2) thereof. In determining that the issuance of the securities pursuant to the Conversion Agreement qualified for an exemption under Section 4(2), the Company relied on the following facts: DermaStar is an accredited investor and the Company's major stockholder; the Company did not use general solicitation or advertising to market the securities; DermaStar represented that it was purchasing the securities for its own account and not with a view to distribute them; and the securities issued were restricted securities.

Director and Chief Executive Officer Mark L. Baum and the Chairman of our Board of Directors, Robert J. Kammer, are the Managing Members of DermaStar. The Conversion Agreement was unanimously approved by the Company's disinterested directors, with Mr. Baum and Dr. Kammer abstaining.

The Promissory Note Conversion Agreement is attached as Exhibit 10.3 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the terms of the Promissory Note Conversion Agreement is qualified in its entirety by reference to such exhibit.

Advisory Agreement with Dr. Robert Kammer

Under the terms of the Advisory Agreement, Dr. Kammer is to be compensated \$10,000 per month in the form of Common Stock based on \$0.90 price per share being allocated to each dollar of payment due to Dr. Kammer. Upon the completion of a financing transaction yielding not less than \$15,000,000 to the Company, Dr. Kammer may unilaterally choose to be paid in either cash or Common Stock, based on the same \$0.90 price per share. The Advisory Agreement has a term of 2 years.

The Advisory Agreement is attached hereto as Exhibit 10.4 and is incorporated by reference herein.

Mr. Baum may be terminated by the Company at any time.
