## Section 4 - Matters Related to Accountants and Financial Statements

### Item 4.01 Changes in Registrant's Certifying Accountant.

(a) Effective March 28, 2013, the Company's board of directors dismissed its independent accountant, PLS CPA. Over the last two fiscal years and subsequent interim period through the date of dismissal, no principal accountant's report on the Company's financial statements contained material disagreements on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of PLS CPA, would have caused them to make reference to the subject matter of the disagreement(s) in connection with their report.

During the Company's two most recent fiscal years and subsequent interim period through the date of dismissal, PLS CPA's reports on the financial statements of the Company contained no adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principles or qualification, except that in each of their reports covering the two most recent fiscal years, PLS CPA issued an opinion that the Company has limited operations and no established source of revenue that raises substantial doubts about the Company's ability to continue as a going concern.

(b) Effective March 28, 2013, the Company retained LBB & Associates, Ltd., LLP, 10260 Westheimer Road, Suite 310, Houston, Texas 77042 as its a new independent principal accountant to audit the Company's financial statements. During the Company's two most recent fiscal years to date, and subsequent interim period through the date of engagement, the Company has not retained or inquired of LBB & Associates, Ltd., LLP regarding the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the registrant's financial statements. Further, the Company received no written report or oral advice from LBB & Associates, Ltd., LLP that the Company considered in reaching a decision to retain LBB & Associates, Ltd., LLP. Further, the Company has not communicated or had any disagreements or reportable events that concern LBB & Associates, Ltd., LLP, or the Company's interactions with its present independent auditor PLS CPA for the previous two most recent fiscal years to date and subsequent interim period through the date of engagement.

Pursuant to Item 304 (a)(3) of Regulation S-K, The Company provided PLS CPA with a copy of the disclosures it is making in response to this Item 304(a) that PLS CPA received no later than the day that these disclosures are filed with the Commission. The Company requested PLS CPA to furnish the Company with a letter addressed to the Commission stating whether it agrees with the statements made by the Company in response to this Item 304(a) and, if not, stating the respects in which it does not agree. Attached to this filing as an exhibit is the Company's letter to PLS CPA referencing this disclosure. The Company will amend this Form 8-K to include the response from PLS CPA once it receives it.
