Edgar Filing: FINX GROUP INC - Form S-8

RISK FACTORS

We Have a History of Losses and Cash Flow Deficits

We have incurred significant operating losses during each of the two years ended December 2002 and as of December 31, 2002 we have a capital deficiency of \$3.8 million. We expect to incur additional losses during the time period in which we are developing products and markets for our subsidiaries and we cannot be assured of when, if ever, our operations will become profitable or the extent of any future profitability. We also cannot be assured that the current trends of negative cash flow and increased losses and expenses (including compensation expense charges that may result from the issuance of our securities in the future) will not continue or, if so, for how long.

The Market for Our Common Stock is Limited

Currently, our common stock trades on the National Association of Securities Dealers Automated Quotation System Over-the-Counter Bulletin Board (the "NASDAQ Bulletin Board"). By its nature, the NASDAQ Bulletin Board is a limited market and investors may find it more difficult to dispose of our securities, which are owned by them. Currently, we do not meet the financial and other requirements for a NASDAQ SmallCap, listing. Apart from specific financial criteria that we would have to comply with in order to obtain such listing, there are other corporate governance criteria that must be satisfied in order to obtain any such listing. Among such corporate governance requirements is the requirement that there be no disparity in the voting rights of the holders of the common stock. At the present time, The Trinity Group-I, Inc. owns all of the outstanding shares of our Series A preferred stock. The holder of our Series A preferred stock has the right to elect a majority of the Board of Directors. The NASDAQ may consider the issuance of the Series A preferred stock as a violation of their voting rights rules and policy. The failure to comply with NASDAQ's voting rights rules or policy or any of its other applicable regulations relating to transactions engaged in by us may result in sanctions. Any such actions by NASDAQ could further limit the market for our common stock.

7

Trading in Our Securities May Be Restricted Due to Compliance with Applicable Penny Stock Regulations

Broker-dealer practices in connection with transactions in "penny stocks" are regulated by certain penny stock rules and regulations adopted by the SEC. Penny stocks generally are equity securities with a price of less than \$5.00 (other than securities registered on certain national securities exchanges or quoted on NASDAQ provided that current price and volume information with respect to transactions in such securities is provided by the exchange or system). The penny stock rules require a broker-dealer, prior to a transaction in a penny stock not otherwise exempt from the rules, to deliver a standardized risk disclosure document that provides information about penny stocks and the risks in the penny stock market. These rules also impose additional sales practice requirements on broker-dealers which sell such securities to persons other than established customers or institutional accredited investors. For transactions covered by this rule, broker-dealers must also make a special suitability determination for the purchaser and receive the purchaser's written consent to the transaction prior to a sale. Consequently, the application of this rule to the trading of our common stock may affect the ability or willingness of broker-dealers to sell our securities and adversely affect market liquidity for such securities.

Edgar Filing: FINX GROUP INC - Form S-8

Our Company is Subject to Control by a Principal Stockholder

Trinity Group-I, Inc. has advanced significant funds to us and our subsidiaries and owns a controlling interest in our equity. The Trinity Group-I, Inc. is solely owned by Lewis S. Schiller, our Chairman of the Board and Chief Executive Officer. All of the shares of The Trinity Group-I, Inc. owned by Lewis S. Schiller are pledged to an entity controlled by Carol Schiller, the wife of Lewis S. Schiller. In addition, Douglas Schiller, Linda Schiller and Blake Schiller, the adult children of Lewis S. and Carol Schiller, own interests in our outstanding common stock. As of July 11, 2003, The Trinity Group-I, Inc. owns 10,013,510 shares of common stock. In addition, The Trinity Group-I, Inc. owns 14,815 shares of our outstanding Series B preferred stock, which as of July 11, 2003, is convertible into 705,476,190 shares of our common stock. The Trinity Group-I, Inc. also owns all of our Series A preferred stock which gives it the right to elect a majority of our Board of Directors. This concentration of ownership and voting rights could delay or prevent a change of control. In addition, Lewis S. Schiller could elect to sell all, or a substantial portion, of his equity interest in The Trinity Group-I, Inc. to a third party. In the event of such a sale by Mr. Lewis S. Schiller, such third party may be able to control our affairs in the same manner that Lewis S. Schiller is able to do so by virtue of his ownership of The Trinity Group-I, Inc. Any such sale may adversely affect the market price of our common stock and could adversely affect our business, financial condition or results of operations.

A Significant Portion of the Net Proceeds of Any Potential Financing May Be Used for the Payment of Related Party and Other Indebtedness and for Salaries of Executives and Key Personnel

The Trinity Group-I, Inc. and Lewis S. Schiller have advanced significant funds to us. Also, Lewis S. Schiller and Grazyna B. Wnuk are owed accrued salaries as of December 31, 2002 of approximately \$2 million. A portion of the proceeds of any potential financing may be used to repay some or all of the amounts owed to these related parties. In addition, it is possible that a substantial portion of the proceeds from any potential financing would be allocated for general corporate purposes, including working capital, would be used to pay the salaries of certain of our officers and other key personnel and consultants.

We Require Additional Financing for Our Business Activities

We currently have limited operating capital and our inability to obtain a significant financing may adversely affect our business and no assurances are made that any such financing will occur, or that if any financing is completed, that additional financing will not be required.

We Have Granted Significant Benefits Under Certain Existing and Proposed Employment Agreements

Lewis S. Schiller, our Chairman of the Board and Chief Executive Officer, and Grazyna B. Wnuk, our Vice President, Secretary and a Director have employment agreements with us. These employment agreements provide significant benefits to each of them. The terms of these agreements were determined by our management, who are also parties to these agreements.

Rapid Technological Change Could Render Certain of Our Products and Proposed Products Obsolete or Non-Competitive

Major technological changes can occur rapidly in the security industries. It is entirely possible that newer technologies, techniques or products will be developed with more capabilities and better performance than our present and proposed products. The development by competitors of new or

Edgar Filing: FINX GROUP INC - Form S-8

improved technologies, techniques or products may make our present or planned products obsolete or non-competitive.

8

We Cannot Predict Market Acceptance for Our Proposed Products

All of our security products that we currently offer and may develop in the future may not gain market acceptance. The degree of acceptance of our existing security products and any security products that we may develop in the future will depend upon numerous factors, including demonstration of the advantages, uniqueness and reliability of such products, their cost effectiveness, the potential barriers to market entry by alternative products, marketing and distribution support and the financial ability and credibility of such entities.

The Business in Which We Are Engage in May Be Subject to Intense Competition

We may face intense competition from numerous companies which are developing, producing and marketing products for securing access to buildings and facilities which will directly compete with our products. We intend to distribute a security access or entrance system to customers which include government and other institutional purchasers who have been serviced by vendors, which have established and tested security products and systems that have become recognized and accepted in this industry. The type of security system that we will offer to our customers is subject to technological change and compliance with product specifications established by our intended customers. New entrants in this industry must establish product reliability through testing and use in order to gain widespread commercial acceptance of such products. Many of our potential competitors may have greater financial, technical, personnel and other resources than we do and that we expect to have in the foreseeable future. We cannot provide any assurances that we will be able to compete effectively with any of such competitors.

The Board of Directors May Issue Additional Preferred Stock in the Future

We are authorized to issue up to 1,000,000 shares of preferred stock, \$.01 par value (the "Preferred Stock"). The Preferred Stock may be issued in one or more series, the terms of which may be determined at the discretion of our Board of Directors, without further approval of the stockholders. Among the rights of the holders of any additional Preferred Stock that may be authorized by the Board of Directors are rates of dividends, voting rights, terms of redemption, amounts payable upon liquidation, sinking fund provisions and conversion rights. One of the effects of any such additional Preferred Stock that may be issued in the future may be to enable the Board of Directors to render more difficult or to discourage an attempt to obtain control of the Company by means of a tender offer, proxy contest, merger or otherwise and thereby protect the continuity of our current management. The terms of any such additional Preferred Stock that may be issued in the future could adversely affect the rights of the holders of common stock. Accordingly, the issuance of any such shares of Preferred Stock may discourage bids for the common stock or adversely affect the market price of the common stock.

A Substantial Number of Our Shares of Common Stock Will Be Available for Future Sale in the Public Market

As of July 11, 2003, approximately 114,473,456 shares of our outstanding common stock are "restricted securities" as that term is defined in Rule 144 promulgated under the Securities Act and in the future may be sold only pursuant to an effective Registration Statement under the Securities Act, in

Edgar Filing: FINX GROUP INC - Form S-8

compliance with the exemption provisions of Rule 144 or pursuant to another exemption under the Securities Act. Furthermore, any shares that are issued upon the exercise of any outstanding warrants or options will be eligible for sale, without registration under Rule 144 (subject to the aforementioned volume restrictions of the Rule) following the expiration of two years from the date of issuance.

We Do Not Intend to Pay Any Dividends on the Common Stock in the Foreseeable Future

We currently intend to retain all future earnings, if any, to finance our current and proposed business operations and we do not anticipate paying any cash dividends on our common stock in the foreseeable future. The holder of our Preferred Stock have rights senior to the holders of common stock with respect to any dividends. We may also incur indebtedness in the future that may prohibit or effectively restrict the payment of cash dividends on our common stock.

The Liability of Our Officers and Directors to Us and Our Shareholders is Limited

The applicable provisions of the Delaware Business Corporation Law and our Certificate of Incorporation limit the liability of our officers and directors to us or our shareholders for monetary damages for breaches of their fiduciary duties to us, with certain exceptions, and for other specified acts or omissions of such persons. In addition, the applicable provisions of the Delaware Business Corporation Law and of our Certificate of Incorporation and By-Laws provide for indemnification of such persons under certain circumstances. As a result of these provisions, shareholders may be unable to recover damages against our officers and directors for actions taken by them which constitute negligence, gross negligence or a violation of their fiduciary duties and may otherwise discourage or deter our shareholders from suing our officers or directors even though such actions, if successful, might otherwise benefit us and our shareholders.

9

Dependence on a Key Supplier

Georal International, Ltd. is the sole supplier of our primary security product pursuant to a license which expires on August 31, 2014. Should Georal International, Ltd. experience difficulty in providing product in a timely manner, this could adversely affect our revenues and reputation in the market. Additionally, the failure on the part of Georal International, Ltd. to develop and manufacture or supply new or enhanced products that meet or anticipate technological changes on a timely and cost-competitive basis could have a materially adverse effect on our financial condition and results of operations.

Reliance on Management and Key Personnel and Consultants

While investors have voting rights, they will not be able to take a direct role in the management of our operations. Our success is contingent on the judgment and expertise of our directors and officers and on our being able to attract and retain a senior management team, some of who are approaching retirement age. Our success will also depend to a significant extent upon the skills of certain key personnel and consultants. Our failure to attract replacement or additional qualified employees or to retain the services of key personnel or consultants could adversely affect our business.

We Could Be Subject to Potential Uninsured Liability

Edgar Filing: FINX GROUP INC - Form S-8

We intend to obtain liability, property and business interruption insurance. We may not have sufficient funds with which to purchase and/or maintain such insurance. We plan to operate in a professional and prudent manner to reduce potential liability. Nevertheless, an uninsured claim against us, if successful and of sufficient magnitude could have a material adverse effect on us. In addition, the lack of or the inability to obtain insurance of the type and in the amounts required could impair our ability to enter into certain contracts, which may be, in certain instances, conditioned upon the availability of adequate insurance coverage.

Item 6. Indemnification Of Directors And Officers

Section 145(a) of the General Corporation Law of the State of Delaware provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no cause to believe his conduct was unlawful.

Section 145(b) provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted under similar standards, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine that despite the adjudication of liability, such person is fairly and reasonably entitled to be indemnified for such expenses which the court shall deem proper.

Section 145 further provides that (i) to the extent a director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue, or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith, (ii) indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled, and (iii) the corporation may purchase and maintain insurance on behalf of a director or officer of the corporation against any liability asserted against him or incurred by him in any such capacity or arising out of his status as such whether or not the corporation would have the power to indemnify him against such liabilities under Section 145.

Section 102(b)(7) of the General Corporation Law provides that a corporation in its original certificate of incorporation or an amendment thereto validly approved by stockholders may eliminate or limit personal liability of the members of its board of directors or governing body for breach of a director's fiduciary duty. However, no such provision may eliminate or limit the liability of a director for breaching his duty of loyalty, failing to act in good faith, engaging in intentional misconduct or knowingly violating a law, paying a dividend or approving a stock repurchase which was illegal, or

Edgar Filing: FINX GROUP INC - Form S-8

obtaining an improper personal benefit. A provision of this type has no effect on the availability of equitable remedies, such as an injunction or rescission, for breach of fiduciary duty. Our charter contains such a provision.

Our charter further provides that we shall indemnify our officers and directors and, to the extent authorized by the board of directors, employees and agents of ours to the fullest extent permitted by and in the manner permissible under the laws of the State of Delaware.

This summary is subject to the General Corporation Law of the State of Delaware, our charter and the by-laws and the agreements referred to above.

In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

15

2. Administration.

The Plan shall be administered by a Committee of not less than two directors of the Company who shall be appointed by the Board and who shall serve at the pleasure of the Board. If, and to the extent that, no Committee exists which has the authority to so administer the Plan, the functions of the Committee specified in the Plan shall be exercised by the Board.

3. Common Stock Subject to Plan.

(a) The total number of shares of Common Stock reserved and available for issuance under the Plan shall be one hundred, thirty-eight million and five hundred thousand (138,500,000) shares of Common Stock. In the event that Options granted pursuant to said Section 4 shall for any reason terminate or expire unexercised or Stock Grants granted pursuant to Section 6 shall be forfeited, such number of shares of Common Stock shall be available for the regrant pursuant to Stock Options or Stock Grants pursuant to the Plan.

(b) In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, stock distribution, reverse split, combination of shares or other change in corporate structure affecting the Common Stock, such substitution or adjustment shall be made in the aggregate number of shares reserved for issuance under the Plan and the Options, in the number and option price of shares of Common Stock subject to outstanding Options, as may be determined to be appropriate by the Committee, in its reasonable discretion and consistent with generally accepted accounting principles consistently applied, provided that the number of shares subject to any Option shall always be a whole number.

4. Grant of Options. The Committee may grant Non-Qualified Stock Options under the Plan to Eligible Persons. (a) The Options may be exercised by payment of cash or of shares of Common Stock having a value equal to the exercise price. The value of the Common Stock shall mean the closing price of the Common Stock on the date the Option is exercised.

(b) The Committee may at any time offer to buy out for a payment in cash or Common Stock, any Option in whole or in part and without regard to whether the Option is then exercisable on such terms and conditions as the Committee shall establish and communicate to the Option Holder at the time that such offer is made. Nothing in this Paragraph 5(b) shall require any Option Holder to accept such offer.

6. Stock Grants.

(a) Administration. Shares of Stock Grant may be issued to Eligible Persons either alone, in addition to or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. The Committee shall determine the Eligible Persons to whom, and the time or times at which, Stock Grants will be made, the number of shares to be awarded, the price (if any) to be paid by the recipient of a Stock Grant, subject to Paragraph 6(b) of the Plan, the time or times within which such awards may be subject to forfeiture, and all other terms and conditions of the awards. The Committee may condition the grant of Stock Grant upon the attainment of specified performance goals or such other factors as the Committee may, in its sole discretion, determine. The provisions of Stock Grant awards need not be the same with respect to each recipient.

(b) Awards and Certificates.

(i) The prospective recipient of a Stock Grant shall have such rights with respect to such award as are determined by the Committee, and, if requested by the Committee, unless and until such recipient has executed an agreement evidencing the award and has delivered a fully executed copy thereof to the Company, and has otherwise complied with the applicable terms and conditions of such award.

(ii) The purchase price for shares of Stock Grant may be equal to or less than their par value and may be zero. Stock Grants may be issued to Eligible Persons in consideration for services rendered.

16

(iii) Awards of Stock Grant must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the award date, by executing a Stock Grant Award Agreement (if required by the Committee) and paying the price, if any, required under Paragraph 6(b)(ii).

(iv) Each participant receiving a Stock Grant shall be issued a stock certificate in respect of such shares of Stock Grant. Such certificate shall be registered in the name of such participant, and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such award; provided, however, that if such Stock Grant is not subject to restrictions, the certificate shall only have such legends, if any, as may be required by applicable federal securities laws.

(v) If the Stock Grant is subject to restrictions, the

Edgar Filing: FINX GROUP INC - Form S-8

Committee shall require that (A) the stock certificates evidencing shares of Stock Grant be held in the custody of the Company until the restrictions thereon shall have lapsed, and (B) as a condition of any Stock Grant award, the participant shall have delivered a stock power, endorsed in blank, relating to the Stock Grant covered by such award.

(c) Restrictions and Conditions. The shares of Stock Grant awarded pursuant to this Section 6 may, in the discretion of the Committee, be subject to any one or more of the following restrictions and conditions:

(i) Subject to the provisions of the Plan and the award agreement, during a period set by the Committee commencing with the date of such award (the "Restriction Period"), the participant shall not be permitted to sell, transfer, pledge or assign shares of Stock Grant awarded under the Plan. Within these limits, the Committee, in its sole discretion, may provide for the lapse of such restrictions in installments and may accelerate or waive such restrictions in whole or in part, based on service, performance and/or such other factors or criteria as the Committee may determine, in its sole discretion.

(ii) Except as provided in this Paragraph 6(c)(ii) and Paragraph 6(c)(i) of the Plan, the participant shall have, with respect to the shares of Stock Grant, all of the rights of a stockholder of the Company, including the right to vote the shares and the right to receive any regular cash dividends paid out of current earnings. The Committee, in its sole discretion, as determined at the time of award, may permit or require the payment of cash dividends to be deferred and, if the Committee so determines, reinvested, subject to Paragraph 6(c)(v) of the Plan, in additional Stock Grant to the extent shares are available under Section 3 of the Plan, or otherwise reinvested. Stock dividends, splits and distributions issued with respect to Stock Grant shall be treated as additional shares of Stock Grant that are subject to the same restrictions and other terms and conditions that apply to the shares with respect to which such dividends are issued, and the Committee may require the participant to deliver an additional stock power covering the shares issuable pursuant to such stock dividend, split or distribution. Any other dividends or property distributed with regard to Stock Grant, other than regular dividends payable and paid out of current earnings, shall be held by the Company subject to the same restrictions as the Stock Grant.

(iii) Subject to the applicable provisions of the award agreement and this Section 6, upon termination of a participant's employment with the Company and any Subsidiary or Affiliate for any reason during the Restriction Period, all shares still subject to restriction will vest, or be forfeited, in accordance with the terms and conditions established by the Committee at or after grant.

(iv) If and when the Restriction Period expires without a prior forfeiture of the Stock Grant subject to such Restriction Period, certificates for an appropriate number of unrestricted shares, and other property held by the Company with respect to such Restricted Shares, shall be delivered to the participant promptly.

(v) The actual or deemed reinvestment of dividends or dividend equivalents in additional Stock Grant at the time of any dividend payment shall only be permissible if sufficient shares of Stock are available under the Plan for such reinvestment (taking into account then outstanding Stock Options, Stock Purchase Rights and other Plan awards).

7. Amendments. Neither this Plan nor the Options or Stock Grants granted pursuant to this Plan may be amended, altered or discontinued as to any Option Holder without the approval of the Option Holder or the holder of the Stock Grant.

Edgar Filing: FINX GROUP INC - Form S-8

8. General Provisions.

(a) The Committee may require each person purchasing shares pursuant to an Option to represent to and agree with the Company in writing that the optionee or participant is acquiring the shares without a view to distribution thereof. The certificates for such shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. All certificates or shares of Common Stock or other securities delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the

17

Commission, any stock exchange upon which the Common Stock is then listed, and any applicable Federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(b) Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

(c) Neither the adoption of the Plan nor the grant of any award pursuant to the Plan shall confer upon any employee of the Company or any Subsidiary or Affiliate any right to continued employment with the Company or a Subsidiary or Affiliate, as the case may be, nor shall it interfere in any way with the right of the Company or a Subsidiary or Affiliate to terminate the employment of any of its employees at any time.

(d) No later than the date as of which an amount first becomes includible in the gross income of an Option Holder for Federal income tax purposes with respect to any Option, the Option Holder shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state, or local taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Committee, withholding obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional on such payment or arrangements and the Company and its Subsidiaries or Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the participant.

9. Effective Date of Plan. The Plan shall be effective as of the date the Plan is approved by the Board.

Re: Registration Statement on Form S-8 - The Finx Group, Inc. 2003 Stock
Compensation and Incentive Plan

Gentlemen:

I have acted as counsel to The Finx Group, Inc. (the "Company"), a Delaware Corporation, pursuant to a Registration Statement on Form S-8, as filed with the Securities and Exchange Commission on or about July 14, 2003 (the "Registration Statement"), covering an aggregate of 138,500,000 shares of the Company's Common Stock, \$0.01 par value (the "Common Stock") issuable pursuant to the Company's 2003 Stock Compensation and Incentive Plan.

In acting as counsel for the Company and arriving at the opinions as expressed below, I have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company, agreements and other instruments, certificates of officers and representatives of the Company, certificates of public officials and other documents as I have deemed necessary or appropriate as a basis for the opinions expressed herein.

In connection with my examination I have assumed the genuineness of all signatures, the authenticity of all documents tendered to us as originals, the legal capacity of natural persons and the conformity to original documents of all documents submitted to us as certified or photostatted copies.

Based on the foregoing, and subject to the qualifications and limitations set forth herein, it is our opinion that:

1. The Company has authority to issue the Common Stock in the manner and under the terms set forth in the Registration Statement.
2. The Common Stock has been duly authorized and when issued, delivered and paid for by recipients in accordance with their respective terms, will be validly issued, fully paid and non-assessable.

I express no opinion with respect to the laws other than those of the State of Delaware and Federal Laws of the United States of America, and we assume no responsibility as to the applicability or the effect of the laws of any other jurisdiction.

I hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement and its use as part of the Registration Statement.
