**CALCULATION OF REGISTRATION FEE**

| Title of securities to be registered | Amount to be registered | Proposed maximum offering price per share (1) | Proposed maximum aggregate offering price (2) | Amount of registration fee |
|--------------------------------------|-------------------------|-----------------------------------------------|-----------------------------------------------|----------------------------|
| Common Stock                         | 4,375,000               | \$8.00                                        | \$15,977,779                                  | \$1,470                    |

**NOTES TO FEE TABLE:**

- (1) The proposed maximum offering price per share is the highest price per share at which any option currently outstanding under the plan may be exercised. The offering prices under outstanding options range from \$2.50 to \$8.00 per share.
- (2) The proposed maximum aggregate offering price is the sum of:
- (a) the actual aggregate offering price of \$12,357,737 for 3,257,703 shares of common stock currently purchasable under outstanding options granted under the plan; plus
- (b) the proposed maximum aggregate offering price of \$3,620,042 for 1,117,297 shares of common stock purchasable under options which the registrant may grant in the future under the 1996 Stock Option Plan, calculated pursuant to Rules 457(c) and 457(h) under the Securities Act of 1933 and based on the average of the high and low prices of common stock reported on the American Stock Exchange on February 27, 2002 of \$3.24 per share.
