March 8, 2007

Dear Fellow Stockholder,

You are cordially invited to attend the 2007 Annual Meeting of Stockholders of Boulder Growth & Income Fund, Inc., which will be held on April 27, 2007 at 9:00 a.m. Mountain Standard Time (local time), at the Scottsdale Plaza Resort, 7200 North Scottsdale Road, Scottsdale, Arizona. Details of the business to be presented at the meeting can be found in the accompanying Notice of Annual Meeting and Proxy Statement.

There are two proposals contained in this Proxy. The first, Proposal 1, is for the annual election of Directors.

There is also one non-routine proposal contained in this Proxy, Proposal 2, which changes the Fund's current industry concentration policy and clarifies and expands the scope of real estate companies that can be included in determining the threshold under the Fund's investment restriction regarding industry concentration.

Under its present investment restriction, the Fund cannot invest more than 25% of its assets in the same industry except with respect to real estate investment trusts ("REITs") and related companies in the same industry as REITs (the "Industry Restriction"). In addition, the Fund has adopted a policy to concentrate in REITs and related companies pursuant to which it must, under normal market conditions, invest more than 25% of its assets in REITs and related companies. Proposal 2 amends the Industry Restriction so that the Fund is permitted to include a broader range of real estate related companies in determining compliance with the Industry Restriction rather than solely REITs and related companies. Proposal 2 designates "real estate related companies" rather than REITs as the "industry" with respect to which the Fund can exceed the 25% limitation. "Real estate related companies" would include REITs, but would also include a much broader range of equity and/or debt securities of companies in or primarily servicing the real estate industry or deriving a substantial portion of their revenue from, or having a substantial portion of their assets invested in, real estate. Proposal 2 is a change to a fundamental investment policy of the Fund and thus its adoption requires the affirmative vote of a majority of the Fund's stockholders. See Vote Required on page 9.

As Chairman of the Board, I encourage you to support each of the proposals. After careful review by those Directors who are not "interested persons" as defined in the Investment Company Act of 1940 (the "Independent Directors"), the Board of Directors unanimously approved and has recommended to stockholders that they approve each of the proposals.

We hope you plan to attend the meeting. Your vote is important. Whether or not you are able to attend, it is important that your shares be represented at the Meeting. At your earliest convenience, we ask that you please complete, sign, date and return the enclosed Proxy Card or authorize proxies via telephone or the Internet to cast your vote at the meeting.

On behalf of the Board of Directors and the management of Boulder Growth & Income Fund, Inc., I extend our appreciation for your continued support.

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

Sincerely,

/s/ Joel W. Looney

QUESTIONS & ANSWERS REGARDING THE MEETING AND PROPOSALS

Question 1: What is the purpose of the Annual Meeting?

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

Answer: At the Meeting, stockholders will be asked to vote on the election of directors and to approve or disapprove amendments to the Fund's fundamental investment restriction regarding industry concentration.

Question 2: Who is being nominated for election at the Meeting?

Answer: The Board has nominated the following five Directors, each to serve a one-year term until the annual meeting in 2008 and until their successors are duly elected and qualify: Richard I. Barr, Joel W. Looney, Dr. Dean L. Jacobson, John S. Horejsi, and Susan L. Ciciora. The holders of Common Stock will elect three of the five directors standing for election and the holders of the AMPS will elect the remaining two directors. Mr. Barr and Mr. Horejsi are being nominated to represent the interests of the holders of the AMPS.

Question 3: What is the purpose of Proposal 2 regarding an amendment to the Fund's fundamental investment restriction regarding industry concentration?

Answer: At the April 22, 2003 annual meeting of stockholders, the stockholders approved an amendment to the Fund's fundamental investment restriction regarding industry concentration (the "Industry Restriction") to permit the Fund to invest more than 25% of its assets in real estate investment trusts ("REITs") and related companies in the same industry classification as REITs. In connection with adopting the Industry Restriction, the Fund also adopted a policy pursuant to which it would be required, under normal market conditions, to invest more than 25% of its assets in REITs and related companies. Although the current language of the Industry Restriction permits the Fund to invest in real estate companies other than REITs and count such companies in its determination of compliance with the Industry Restriction, management of the Fund would like clarify and broaden the types of investments that may be made by the Fund and included in such determination.

Proposal 2 asks stockholders to approve an amendment to the Industry Restriction which would permit the Fund to invest greater than 25% of its assets in "real estate related companies" rather than solely REITs and related companies. Under the Proposal, "real estate related companies" would be defined as (i) companies in or primarily servicing the real estate industry or (ii) companies deriving at least 50% of their revenue from, or having at least 50% of their assets invested in, real estate (as determined in good faith by the Fund's advisers based on current financial statements of each issuer) (collectively, "Real Estate Related Companies"). Real Estate Related Companies would include, but not be limited to: REITs and other closed-end registered investment companies that invest primarily in REITs; home builders; real estate developers; property management companies; real estate brokerage companies; commercial and industrial construction companies; financial companies who make or service real estate mortgages and/or construction loans; title, homeowners and builders risk insurance companies; manufacturers, distributors and retailers of construction materials and/or building supplies; lumber, paper, forest products, and other companies with significant real estate holdings; holding companies of any of these companies; and any other companies that the Fund's advisers reasonably determine are Real Estate Related Companies. If Proposal 2 is approved, the Fund will be required, under normal market conditions, to invest more than 25% of its assets in Real Estate Related Companies.

Proposal 2 is a change to a fundamental investment policy of the Fund and thus its adoption requires the affirmative vote of a majority of the Fund's stockholders. See Vote Required on page 9.

Question 4: How does the Board recommend that stockholders vote on the proposals?

Answer: The Board, including all of the non-interested Directors, has

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

unanimously recommended that stockholders vote FOR both of the Proposals. If no instructions are indicated on your proxy, the representatives holding proxies will vote in accordance with the recommendations of the Board.

Question 5: Who is entitled to vote?

Answer: Stockholders of record at the close of business on February 28, 2007 (the "Record Date") are entitled to notice of and to vote at the Meeting and any postponements or adjournments thereof. Each of the shares outstanding on the Record Date is entitled to one vote on each of the Proposals.

Question 6: What is the required quorum for the Meeting?

Answer: The holders of at least a majority of the outstanding shares of stock (without regard to class) of the Fund must be represented at the Meeting, either in person or by proxy, in order to constitute a quorum permitting business to be conducted at the Meeting. If you have completed, executed and returned valid proxies (in writing, by phone or by Internet) or attend the Meeting and vote in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting on any or all matters introduced at the Meeting.

Question 7: How do I vote?

Answer: Your vote is very important. Stockholders can vote in person at the Meeting or authorize proxies to cast their votes ("proxy voting") by proxy. Most stockholders will have a choice of proxy voting over the Internet at <http://www.proxyvote.com>, by using a toll-free telephone number or by completing and signing a Proxy Card and mailing it in the postage-paid envelope provided. Please refer to your Proxy Card or the information forwarded by your bank, broker or other nominee to see which options are available to you. If you proxy vote by Internet or telephone, you do NOT need to return your Proxy Card. If you vote by proxy, the individuals named on the Proxy Card as proxy holders will vote your shares in accordance with your instructions. You may specify whether your shares should be voted for all, some or none of the nominees for director and whether your shares should be voted for or against the other proposals. If you execute an otherwise valid proxy but do not provide voting instructions, the persons named as proxies or their substitutes will cast your votes FOR all of the Proposals.

Question 8: Can I revoke or change my proxy?

Answer: Yes. You may change or revoke your proxy at any time before the Meeting by timely delivery of a properly executed, later-dated proxy (including an Internet or phone proxy), by sending a written revocation to the Secretary of the Fund at the Fund's address listed on the accompanying Notice of Meeting, or by attending and voting in person at the Meeting. The powers of the proxy holders will be suspended with respect to your shares if you attend the meeting in person and revoke your proxy, but attendance at the Meeting will not by itself revoke a previously granted proxy.

A quorum of the Fund's stockholders is required for the conduct of business at the Meeting. Under the Bylaws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares (without regard to class) of the Fund as of the Record Date. the persons named as proxies may propose and vote for one or more adjournments of the Meeting to permit further solicitation of proxies with respect to any proposal that did not receive the votes necessary for its passage. Any such adjournment will require the affirmative vote of a majority of votes cast on the matter at the Meeting. PROPOSAL 1

ELECTION OF DIRECTORS OF THE FUND

The Charter provides that all of the Directors stand for election each year. The Board has nominated the following five Director nominees to stand for election, each for a one-year term and until their successors are duly elected and qualify: Richard I. Barr, Joel W. Looney, Dr. Dean L. Jacobson, John S. Horejsi, and Susan L. Ciciora. Only the Common Stock holders are entitled to vote for the election of Messrs. Looney and Jacobson and Ms. Ciciora, and only the AMPS holders are entitled to vote on the election of Messrs. Barr and Horejsi. On October 13, 2006, Dennis Causier submitted his resignation as a Director of the Fund. The remaining Directors of the Fund accepted Mr. Causier's resignation and, at the subsequent regularly scheduled Board meeting held on October 23, 2006, nominated Susan L. Ciciora as Mr. Causier's replacement. Ms. Ciciora is the daughter of Stewart Horejsi, an agent and beneficiary of the Fund's largest stockholder (the EH Trust defined above), and will be an interested Director of the Fund. The above nominees have consented to serve as Directors if elected at the Meeting for the one-year term. If the designated nominees decline or otherwise become unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees for the Board.

COMMITTEES OF THE BOARD OF DIRECTORS

AUDIT COMMITTEE; REPORT OF AUDIT COMMITTEE. The purpose of the Audit Committee is to assist Board oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements, the independent auditor's qualifications and independence and the performance of the Fund's independent auditors. The Audit Committee reviews the scope and results of the Fund's annual audit with the Fund's independent accountants and recommends the engagement of such accountants. Management, however, is responsible for the preparation, presentation and integrity of the Fund's financial statements, and the independent accountants are responsible for planning and carrying out proper audits and reviews. The Board of Directors adopted a written charter for the Audit Committee on January 23, 2002 and most recently amended the Charter on January 23, 2004. A copy of the Audit Committee Charter is attached as Exhibit A.

The Audit Committee is composed entirely of the Fund's independent Directors, consisting of Messrs. Jacobson, Barr, and Looney. The Board of Directors has determined that Joel Looney qualifies as an "audit committee financial expert," as defined under the Securities and Exchange Commission's Regulation S-K, Item 401(h). The Audit Committee is in compliance with applicable rules of the listing requirements for closed-end fund audit committees; including the requirement that all members of the audit committee be "financially literate" and that at least one member of the audit committee have "accounting or related financial management expertise," as determined by the Board. The Audit Committee is required to conduct its operations in accordance with applicable requirements of the Sarbanes-Oxley Act and the Public Company Accounting Oversight Board, and the members of the Audit Committee are subject to the fiduciary duty to exercise reasonable care in carrying out their duties.

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

Each member of the Audit Committee is independent, as that term is defined by the NYSE Listing Standards. The Audit Committee met three times during the fiscal year ended November 30, 2006.

In connection with the audited financial statements as of and for the period ended November 30, 2006 included in the Fund's Annual Report for the period ended November 30, 2006 (the "Annual Report"), at meetings held on January 17, 2006 and January 26, 2007, the Audit Committee considered and discussed the audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The Audit Committee has received the written disclosures and letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with independent accountants their independence. The Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 61, Communications With Audit Committees, as currently modified or supplemented.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund in any accounting, financial management or internal control capacity. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the charter and those discussed above, the Audit Committee of the Fund recommended to the Board that the audited financial statements be included in the Fund's Annual Report and be mailed to stockholders and filed with the SEC.

NOMINATING COMMITTEE. The Board of Directors has a nominating committee (the "Nominating Committee") consisting of Messrs. Looney, Jacobson and Barr, which is responsible for considering candidates for election to the Board in the event a position is vacated or created. Each member of the Nominating Committee is independent, as that term is defined by the NYSE Listing Standards. The Nominating Committee met once during the fiscal year ended November 30, 2006. On October 13, 2006, Dennis Causier of Mallorca, Spain, submitted his resignation as a director of the Fund. The remaining Directors accepted Mr. Causier's resignation and, at the subsequent regularly scheduled Board meeting held on October 23, 2006, nominated Susan L. Ciciora as Mr. Causier's replacement. The

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

Nominating Committee noted that Ms. Ciciora was the daughter of Stewart Horejsi, the Fund's portfolio manager and an agent and beneficiary of the Fund's largest stockholder (the EH Trust defined above). The Nominating Committee also noted that Ms. Ciciora was a trustee and beneficiary of the EH Trust. Accordingly, Ms. Ciciora would be considered an interested Director of the Fund. At this meeting, the Nominating Committee considered the qualifications and determined the suitability of Susan L. Ciciora to be Director and resolved to recommend Ms. Ciciora to stockholders for election at the 2007 Annual Meeting. The Board of Directors has adopted a charter for the Nominating Committee that is available on the Fund's website, www.boulderfunds.net.

The Nominating Committee does not have a formal process for identifying candidates. The Nominating Committee takes into consideration such factors as it deems appropriate when nominating candidates. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. The Nominating Committee will consider all qualified candidates in the same manner. The Nominating Committee may modify its policies and procedures for director nominees and recommendations in response to changes in the Fund's circumstances, and as applicable legal or listing standards change.

The Nominating Committee would consider director candidates recommended by stockholders (if a vacancy were to exist) and submitted in accordance with applicable law and procedures as described in this Proxy Statement (see "Submission of Stockholder Proposals" below). Such recommendations should be forwarded to the Secretary of the Fund.

The Fund does not have a compensation committee.

OTHER BOARD-RELATED MATTERS

Stockholders who wish to send communications to the Board should send them to the address of the Fund and to the attention of the Board. All such communications will be directed to the Board's attention.

The Fund does not have a formal policy regarding Board member attendance at the Annual Meeting of Stockholders; however, all of the Directors of the Fund, who were Directors at the time, attended the April 24, 2006 Annual Meeting of Stockholders.

Vote Required. The election of Messrs. Looney and Jacobson and Ms. Ciciora as Directors of the Fund will require the affirmative vote of a plurality of the votes cast by holders of the Common Stock at the Meeting in person or by proxy on Proposal 1; and the election of Messrs. Barr and Horejsi as Directors of the Fund will require the affirmative vote of a plurality of the votes cast by the holders of the AMPS at the Meeting in person or by proxy on Proposal 1.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF ALL THE NOMINEES.

PROPOSAL 2

APPROVAL OR DISAPPROVAL OF AN AMENDMENT TO THE FUND'S FUNDAMENTAL INVESTMENT RESTRICTION REGARDING INDUSTRY CONCENTRATION

The Board unanimously recommends that stockholders approve an amendment to the Fund's fundamental investment restriction regarding industry concentration (the "Industry Restriction"). Presently, the Industry Restriction states that

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

the Fund may not:

Invest in the securities of companies conducting their principal business actively in the same industry if, immediately after such investment, the value of its investments in such industry would exceed 25% of the value of its total assets; provided that this limitation will not apply to real estate investment trusts (REITs) or related companies in the same industry as REITs.

As amended, the Industry Restriction would state that the Fund may not:

Invest in the securities of companies conducting their principal business actively in the same industry if, immediately after such investment, the value of its investments in such industry would exceed 25% of the value of its total assets; provided that this limitation will not apply to Real Estate Related Companies. "Real Estate Related Companies" shall mean (i) companies in or primarily servicing the real estate industry or (ii) companies deriving at least 50% of their revenue from, or having at least 50% of their assets invested in, real estate (as determined in good faith by the Advisers based on current financial statements of the issuers) (collectively, "Real Estate Related Companies"). Real Estate Related Companies would include, but not be limited to: REITs and other closed-end registered investment companies that invest primarily in REITs; home builders; real estate developers; property management companies; real estate brokerage companies; commercial and industrial construction companies; financial companies who make or service real estate mortgages and/or construction loans; title, homeowners and builders risk insurance companies; manufacturers, distributors and retailers of construction materials and/or building supplies; lumber, paper, forest products, and other companies with significant real estate holdings; holding companies of any of the foregoing companies; and any other companies that the Advisers reasonably determine are Real Estate Related Companies.

Proposal 2 would amend the Industry Restriction to clarify and significantly broaden the types of investments that may be made by the Fund and included in determining the Fund's compliance with the Industry Restriction. Although the Fund would generally invest in Real Estate Related Companies based in the United States, such companies may invest directly or indirectly in non-U.S. properties or real estate related businesses and the Fund may make direct investments in foreign Real Estate Related Companies. The Fund has no restrictions on its ability to invest in foreign securities.

If Proposal 2 is approved, the Fund will be required, under normal market conditions, to invest more than 25% of its assets in Real Estate Related Companies. Proposal 2 is a change to a fundamental investment policy of the Fund and thus its adoption requires the affirmative vote of a majority of the Fund's stockholders. See Vote Required below.

Background of the Investment Restriction Regarding Industry Concentration. In its March 25, 2003 proxy statement, the Fund asked stockholders to approve the present Industry Restriction whereby the Fund would be permitted to invest more than 25% of its assets in REITs or related companies in the same industry classification as REITs. At the same time, the Fund indicated that if the Industry Restriction was approved it would adopt a concentration policy whereby the Fund, under normal market conditions, would be required to invest more than 25% of its assets in REITs and related companies in accordance with the Industry Restriction. REITs are companies (typically trusts) dedicated to owning, and usually operating, income producing real estate or to financing real estate development or other types of similar real estate ventures.⁽¹⁾ At the annual meeting held on April 22, 2003, stockholders approved the present Industry

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

Restriction and thereby adopted the present concentration policy. Under the Investment Company Act of 1940, the Industry Restriction and present concentration policy cannot be changed without stockholder approval. As of December 29, 2006, 27.1% of the Fund's assets were invested in REITs.

Reason for this Proposal. The present Industry Restriction and concentration policy have been beneficial to the Fund and stockholders and REITs have performed well since their adoption. However, the Advisers want to give the Fund sufficient flexibility to invest in a broader range of real estate related companies so as to mitigate the volatility of being overly concentrated in the Fund's current narrow asset class (i.e., REITs). In other words, the Advisers would like to avoid being limited to investing solely in REITs in determining the Fund's compliance with the Industry Restriction and diversify somewhat into the equity or debt securities of other companies who are in the real estate industry or derive a substantial portion of their revenue from, or have a substantial portion of their assets invested in, real estate.

Risks Associated with Concentrating. If Proposal 2 is approved, the Fund will be concentrated in Real Estate Related Companies and consequently less diversified than stock funds investing in a broad range of industries. Therefore, the Fund could experience significant volatility. For example, changes in the tax laws, overbuilding, environmental issues, the quality of property management in the case of REITs, and other factors could hurt the Fund. Real estate is also affected by general economic conditions. When growth is slowing, demand for property decreases and prices may decline. Rising interest rates, which drive up mortgage and financing costs, can restrain construction and buying and selling activity, and may reduce the appeal of real estate investments. As with all equity funds, the Fund's net asset value can fall because of weakness in the broad market, a particular industry, or specific holdings. The market as a whole can decline for many reasons, including adverse political or economic developments domestically or abroad, changes in investor psychology or heavy institutional selling. The prospects for an industry or company may deteriorate because of a variety of factors, including disappointing earnings or changes in the competitive environment. In addition, the Advisers' assessment of companies held by the Fund may prove incorrect, resulting in losses or poor performance even in a rising market. Finally, the Fund's investment approach could fall out of favor with the investing public, resulting in lagging performance versus other types of stock funds. Foreign stock holdings may lose value because of declining foreign currencies or adverse political or economic events overseas. As with any investment company, there can be no guarantee the Fund will achieve its objective.

Under normal market conditions, the Fund intends to invest at least 80% of its net assets in common stocks, primarily domestic common stocks and secondarily in foreign common stocks denominated in foreign currencies. The Fund's investments in common stocks may include, but is not limited to, RICs whose objective is income, REITs, and other dividend-paying common stocks. The portion of the Fund's assets that are not invested in common stocks may be invested in fixed income securities, cash equivalents and other income-producing securities. The term "fixed income securities" includes but is not limited to corporate bonds, U.S. government securities, notes, bills, debentures, preferred stocks, convertible securities, bank debt obligations, repurchase agreements and short-term money market obligations. Under normal conditions, the Fund may hold up to 20% of its assets in cash or money market instruments. The Fund intends to invest in money market instruments pending investments in common stocks, to serve as collateral in connection with certain investment techniques, and to hold as a reserve pending the payment of dividends to investors. When the Advisers believe that economic circumstances warrant a temporary defensive posture, the Fund may invest without limitation in short-term money market instruments.

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

Considerations by the Board of Directors. The Board considered Proposal 2 at a meeting held on January 26, 2007. At this meeting the Advisers presented the Board with an overview of the REIT industry, explaining that, as an asset class, REITs had outperformed other sectors of the broad market over the past several years, had been beneficial for the Fund and its stockholders, but were priced at historically high levels. The Advisers indicated while the Fund should maintain its real estate industry focus, they would like to be able to consider the debt and equity securities of a broader range of real estate related companies in determining the Fund's compliance with the Investment Restriction. The Advisers also explained that they needed the flexibility to be able to invest in a wider array of securities associated with the real estate industry. The Advisers also explained that the lack of clarity in the kinds of real estate related companies that might be included in determining the Fund's compliance with the Industry Restriction necessarily limits the Fund's ability to diversify its real estate related assets. Under the proposed Investment Restriction, the Fund would still be able to invest in REITs and consider them in determining the Fund's compliance with the Investment Restriction, but would have the added flexibility to diversify into other sectors of the real estate industry and still consider such investments in determining the Fund's compliance with the Investment Restriction. Proposal 2 would permit a much broader and diverse range of real estate related companies to be considered in determining the Fund's compliance with the Investment Restriction. The Advisers believe this will inure to the long-term benefit of the Fund and its stockholders.

The Board also recognized that, because of rapidly changing markets and the evolution and consolidation of the real estate industry, it would be difficult to define real estate related companies with any specificity. Accordingly, although terminating or otherwise amending the Investment Restriction would require stockholder approval, the amended Investment Restriction, if approved, would permit the Advisers to reasonably determine whether a particular issuer or class of issuers constitutes "Real Estate Related Companies" without having to seek stockholder approval. In the end, the Board determined that adopting the new Investment Restriction would provide the Advisers with more flexibility and a broader and more diverse range of investment possibilities while at the same time respecting the Fund's historical investment focus on the real estate industry, was consistent with and will have a beneficial effect on the Fund's primary investment objective of long-term capital appreciation, and is in the best interest of the Fund and its stockholders.

Vote Required. Approval of Proposal No. 2 requires a 1940 Act Majority Vote of Common Stock. For purposes of this Proxy Statement, a 1940 Act Majority Vote of Common Stock means the affirmative vote of the lesser of (a) 67% or more of the Shares of Common Stock present or represented by proxy at the Meeting or (b) more than 50% of the outstanding Shares of Common Stock.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" PROPOSAL 2.

SUBMISSION OF STOCKHOLDER PROPOSALS

Notice is hereby given that for a stockholder proposal to be considered for inclusion in the Fund's proxy material relating to its 2008 annual meeting of stockholders, the stockholder proposal must be received by the Fund no later than December 10, 2007. Any such proposal shall set forth as to each matter the stockholder proposes to bring before the meeting (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting, (ii) the name and address, as they appear on the Fund's books, of the stockholder proposing such business, (iii) the class and number of shares of the capital stock of the Fund which are beneficially owned by the stockholder, and (iv) any material interest of the stockholder in such

business. Stockholder proposals, including any accompanying supporting statement, may not exceed 500 words. A stockholder desiring to submit a proposal must be a record or beneficial owner of Shares with a market value of \$2,000 and must have held such Shares for at least one year. Further, the stockholder must continue to hold such Shares through the date on which the meeting is held. Documentary support regarding the foregoing must be provided along with the proposal. There are additional requirements regarding proposals of stockholders, and a stockholder contemplating submission of a proposal is referred to Rule 14a-8 promulgated under the 1934 Act. The timely submission of a proposal does not guarantee its inclusion in the Fund's proxy materials.

Pursuant to the Fund's By-laws, at any annual meeting of the stockholders, only business that has been properly brought before the meeting will be conducted. To be properly brought before the annual meeting, the business must be (i) specified in the notice of meeting, (ii) by or at the direction of the Board of Directors, or (iii) otherwise properly brought before the meeting by a stockholder. For business to be properly brought before the annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Fund. To be timely, a stockholder's notice must be delivered to the Secretary at 2344 Spruce Street, Suite A, Boulder, Colorado 80302 no later than 5:00 p.m., Mountain Time, on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. However, if the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, for notice by the stockholder to be timely, it must be delivered not later than 5:00 p.m., Mountain Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

Pursuant to the Fund's By-laws, such stockholder's notice shall set forth (i) as to each individual whom the stockholder proposes to nominate for election or reelection as a director, (A) the name, age, business address and residence address of such individual, (B) the class, series and number of any shares of stock of the Fund that are beneficially owned by such individual, (C) the date such shares were acquired and the investment intent of such acquisition, (D) whether such stockholder believes any such individual is, or is not, an "interested person" of the Fund, as defined in the 1940 Act and information regarding such individual that is sufficient, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Fund, to make such determination and (E) all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of such business, the reasons for proposing such business at the meeting and any material interest in such business of such stockholder and any Stockholder Associated Person (as defined below), individually or in the aggregate, including any anticipated benefit to the stockholder and the Stockholder Associated Person therefrom; (iii) as to the stockholder giving the notice and any Stockholder Associated Person, the class, series and number of all shares of stock of the Fund which are owned by such stockholder and by such Stockholder Associated Person, if any, and the nominee holder for, and number of, shares owned beneficially but not of record by such stockholder and by any such Stockholder Associated Person; (iv) as to the stockholder giving the notice and any Stockholder Associated Person covered by the immediately preceding clauses (ii) or (iii), the name and address of such stockholder, as they appear

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

on the Fund's stock ledger and current name and address, if different, and of such Stockholder Associated Person; and (v) to the extent known by the stockholder giving the notice, the name and address of any other stockholder supporting the nominee for election or reelection as a director or the proposal of other business on the date of such stockholder's notice. "Stockholder Associated Person" of any stockholder shall mean (i) any person controlling, directly or indirectly, or acting in concert with, such stockholder, (ii) any beneficial owner of shares of stock of the Fund owned of record or beneficially by such stockholder and (iii) any person controlling, controlled by or under common control with such Stockholder Associated Person.

ADDITIONAL INFORMATION

INDEPENDENT ACCOUNTANTS. The Audit Committee of the Board, consisting of those Directors who are not "interested persons" (as defined in the 1940 Act), will select the Fund's independent accountants for the Fund's fiscal year ending November 30, 2007 at the Board's regular quarterly meeting in August 2007. At its regularly scheduled Board meeting held on July 24, 2006, the Audit Committee selected, and the Board ratified, the selection of Deloitte & Touche LLP ("Deloitte") of 555 17th Street, Denver, Colorado as the Fund's independent registered public accounting firm to replace KPMG LLP ("KPMG"). KPMG served as independent accountants for the Fund from 2002 through November 30, 2005. KPMG's reports on the financial statements for the two years immediately preceding their termination contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles. During the two fiscal years immediately preceding KPMG's termination, there were no disagreements with such accountants on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

Deloitte served as independent accountants for the Fund's fiscal year ending November 30, 2006. A representative of Deloitte will not be present at the Meeting but will be available by telephone and will have an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions.

Set forth below are audit fees and non-audit related fees billed to the Fund for professional services received from KPMG for the Fund's fiscal year ended November 30, 2005 and from Deloitte for the Fund's fiscal year ended November 30, 2006.

Fiscal Year Ended -----	Audit Fees -----	Audit-Related Fees -----	Tax Fees* -----
11/30/2005	\$25,250	\$0	\$6,000
11/30/2006	\$25,500	\$0	\$6,250

* "Tax Fees" are those fees billed to each Fund by KPMG or Deloitte in connection with tax consulting services, including primarily the review of each Fund's income tax returns.

+ This fee pertained to the comfort letter related to the Fund's issuance of Auction Market Preferred Shares.

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

The Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the auditors to the Fund, and all non-audit services to be provided by the auditors to the Fund's investment adviser and any service providers controlling, controlled by or under common control with the Funds' investment adviser ("affiliates") that provide on-going services to each Fund, if the engagement relates directly to the operations and financial reporting of each Fund, or to establish detailed pre-approval policies and procedures for such services in accordance with applicable laws. All of the audit, audit-related and tax services described above for which KPMG billed the Fund fees for the fiscal year ended November 30, 2005 and for which Deloitte billed the Fund fees for the fiscal year ended November 30, 2006 were pre-approved by the Audit Committee.

Deloitte has informed the Fund that it has no direct or indirect financial interest in the Fund. For the Fund's fiscal year ended November 30, 2006, Deloitte did not provide any non-audit services or bill any fees for such services to the Funds' investment adviser or any affiliates thereof that provide services to the Fund. The Horejsi Affiliates had engaged KPMG from time to time in the past to provide various accounting, auditing and consulting services and currently engages KPMG on an as-needed basis as a consultant with respect to ongoing tax related issues. For the twelve months ended November 30, 2005, the Horejsi Affiliates paid \$0 to KPMG for their services. For the twelve months ended November 30, 2006, the Horejsi Affiliates paid \$0 to Deloitte for their services. The Audit Committee has considered and concluded that the provision of non-audit services is compatible with maintaining the auditors' independence.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act requires the Fund's Directors and officers, persons affiliated with the Fund's investment advisers, and persons who own more than 10% of a registered class of the Fund's securities, to file reports of ownership and changes of ownership with the SEC and the New York Stock Exchange. Directors, officers and greater-than-10% stockholders are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms they file. Based solely upon the Fund's review of the copies of such forms it receives and written representations from such persons, the Fund believes that through the date hereof all such filing requirements applicable to such persons were complied with.

BROKER NON-VOTES AND ABSTENTIONS. An uninstructed proxy for shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter is a broker "non-vote". Proxies that reflect abstentions or broker non-votes (collectively "abstentions") will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. In circumstances where the vote to approve a matter is a percentage of votes cast (e.g., Proposal y1), abstentions have no effect because they are not a vote cast. Thus, they will be disregarded in determining the "votes cast" on the particular issue.

OTHER MATTERS TO COME BEFORE THE MEETING

The Fund does not intend to present any other business at the Meeting, nor is it aware that any stockholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their discretion.

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. STOCKHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETING ARE THEREFORE URGED TO COMPLETE, SIGN, DATE AND RETURN ALL PROXY CARDS AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

FOOTNOTES:

- (1) REITs can generally be classified as Equity REITs, Mortgage REITs, or Hybrid REITs. An Equity REIT invests primarily in the fee ownership or leasehold ownership of land and buildings and derives its income primarily from rental income. An Equity REIT may also realize capital gains (or losses) by selling real estate properties in its portfolio that have appreciated (or depreciated) in value. A Mortgage REIT invests primarily in mortgages on real estate, which may secure construction, development, or long-term loans. A Mortgage REIT generally derives its income from the fees and interest payments on the credit it has extended. A Hybrid REIT combines the characteristics of both Equity REITs and Mortgage REITs.

EXHIBIT A

1. The Audit Committee shall be composed entirely of directors who are not "interested persons" of the Fund within the meaning of the Investment Company Act of 1940 ("independent directors") and who are free of any other relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as Committee members. The Audit Committee Chairman shall be selected by the members of the Committee. The Audit Committee shall have at least three members, all of whom shall be financially literate. The Chairman of the Committee must have accounting or related financial management expertise, as determined by the Board in its judgment.

At least annually, the Board of Directors shall determine whether one or more "audit committee financial experts," as such term is defined by the Securities and Exchange Commission, are members of the Committee and whether any such expert is "independent." For purposes of this finding only, in order to be considered "independent," any such expert may not, other than in his or her capacity as a member of the Committee, the Board or any other Board committee, accept directly or indirectly any consulting, advisory or other compensatory fee from the Fund (other than Board or committee fees). The designation of a person as an audit committee financial expert ("ACFE") shall not impose any liability greater than the liability imposed on such person as a member of the Audit Committee or the Board of Directors in the absence of such designation.

2. The purposes of the Audit Committee are:

- (a) to assist Board oversight of
 1. the integrity of the Fund's financial statements
 2. the Fund's compliance with legal and regulatory requirements
 3. the independent auditor's qualifications and independence
 4. the performance of the Fund's independent auditors
- (b) to prepare an audit committee report if required by the SEC to be included in the Fund's annual proxy statement;

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

- (c) to oversee the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers;
- (d) to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof;
- (e) to determine the selection, appointment, retention and termination of the Fund's independent auditors, as well as approving the compensation of the auditors;
- (f) to pre-approve all audit and non-audit services provided to the Fund and certain other persons (as described in 4(d) and (e) below) by such independent auditors; and
- (g) to act as a liaison between the Fund's independent auditors and the full Board of Directors.

The Fund's independent auditors shall report directly to the Committee.

The function of the Committee is oversight. The Fund's management is responsible for (i) the preparation, presentation and integrity of the Fund's financial statements, (ii) the maintenance of appropriate accounting and financial reporting principles and policies and (iii) the maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The auditors are responsible for planning and carrying out proper audits and reviews in accordance with generally accepted auditing standards. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full time employees of the Fund and are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing, notwithstanding the possibility that one or more members may be designated an ACFE. As such, it is not the duty or responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Fund from which it receives information, (ii) the accuracy of the financial and other information, including, for example, the information contemplated by paragraph 4(b), provided to the Committee by such persons and organizations absent actual knowledge to the contrary (which shall be promptly reported to the Fund's Board) and (iii) statements made by the officers and employees of the Fund, the Fund's adviser or other third parties as to any information technology, internal audit and other non-audit services provided by the independent auditors to the Fund. In addition, the evaluation of the Fund's financial statements by the Committee is not of the same scope as, and does not involve the extent of detail as, audits performed by the auditors, nor does the Committee's evaluation substitute for the responsibilities of the Fund's management for preparing, or the auditors for auditing, the financial statements. The designation of a person as an ACFE is not intended to impose any greater responsibility or liability on that person than the responsibility and liability imposed on such a person as a member of the Committee, nor does it decrease the duties and obligations of the other Committee members or the Board.

The Committee shall have the appropriate resources and authority to discharge its responsibilities, including the authority to retain special counsel and other experts or consultants at the expense of the Fund. The Committee shall also have the authority to seek information, data and services from management in order to carry out its responsibilities.

3. With respect to any subsequent changes to the composition of the Committee, and otherwise approximately once each year, the Board of Directors

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

shall determine:

- (a) that each member of the Audit Committee is "independent" pursuant to the NYSE's governance standards or applicable law or;
- (b) that each Audit Committee member is financially literate;
- (c) that at least one of the Committee members has accounting or related financial management expertise; and
- (d) the adequacy of the Charter.

4. To carry out its purposes, the Audit Committee shall have the following duties and powers:

- (a) to select, retain, determine the compensation of, or terminate auditors and to oversee the work of the Fund's independent auditors (or any other public accounting firm engaged for the purpose of performing other audit, review or attestation services for the Fund) and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any consulting services to any service provider, to resolve any disagreements between management and the Fund's independent auditors regarding financial reporting, to receive the auditors' specific representations as to their independence at least annually and to recommend the retention of such auditors to the independent directors for their ratification and approval;
- (b) to meet with the Fund's independent auditors, including meetings apart from management, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits; (ii) to discuss critical accounting policies and practices to be used in the annual audit and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the ramifications of the use of such alternative treatments, and the treatments preferred by the auditor; (iii) to discuss any matters of importance relating to the Fund's financial statements, including any adjustments to such statements recommended by the auditors, or other results of said audit(s); (iv) to consider the auditors' comments with respect to the acceptability and appropriateness of the Fund's financial reporting policies, procedures and internal accounting controls, and management's responses thereto; (v) to review the form of opinion the auditors propose to render to the Board and shareholders; (vi) to review copies of any material written communication between the auditor and management, such as any management letter or schedule of unadjusted differences; (vii) to review the adequacy and effectiveness of relevant internal controls and procedures and the quality of the staff implementing those controls and procedures and to obtain annually in writing from the independent auditors their letter as to the adequacy of such controls as required by Form N-SAR; (viii) to receive periodic reports concerning regulatory changes and new accounting pronouncements that significantly affect the value of the Fund's assets and its financial reporting; (ix) to discuss any audit problems or difficulties and management's response, including any restrictions on the scope of the auditor's activities or on access to requested information, and any significant disagreements with management; and (x) to receive disclosure from the auditor regarding all services provided by the auditor to the Fund, including the fees associated with those services, at least annually, and if the annual communication is not made within 90 days before the filing of the Fund's annual report, to receive an update, in the 90 day period before the filing, of any

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

changes to the previously reported information.

- (c) to consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the auditors, and to consider, in consultation with management and the Fund's independent auditors, any significant changes to the Fund's tax accounting policies, including those pertaining to its qualification as a regulated investment company under the Internal Revenue Code;
- (d) to review and pre-approve all auditing services and permissible non-audit services (e.g., tax services) to be provided to the Fund by the auditor, including the fees therefore. The Committee may delegate to one or more of its members the authority to grant pre-approvals. In connection with such delegation, the Committee shall establish pre-approval policies and procedures, including the requirement that the decisions of any member to whom authority is delegated under this sub-section (d) shall be presented to the full Committee at each of its scheduled meetings.

Pre-approval for a permitted non-audit service shall not be required if: (1) the aggregate amount of all such non-audit services is not more than 5% of the total revenues paid by the Fund to the auditor in the fiscal year in which the non-audit services are provided; (2) such services were not recognized by the Fund at the time of the engagement to be non-audit services; and (3) such services are promptly brought to the attention of the Committee and approved prior to the completion of the audit by the Committee or by one or more members of the Committee to whom authority to grant such approvals has been delegated by the Committee.

Additionally, the Committee shall pre-approve the auditor's engagements for non-audit services with the Fund's investment advisers (each, an "Adviser") and any service providers controlling, controlled by or under common control with an Adviser ("affiliate") that provides ongoing services to the Fund in accordance with the foregoing paragraph, if the engagement relates directly to the operations and financial reporting of the Fund, unless the aggregate amount of all services provided constitutes no more than 5% of the total amount of revenues paid to the auditor by the Fund, an Adviser and any affiliate of the Adviser that provides ongoing services to the Fund during the fiscal year in which the services are provided that would have to be pre-approved by the Committee pursuant to this paragraph (without regard to this exception).

Prohibited Services - The auditor may not perform contemporaneously any of the following non-audit services for the Fund: bookkeeping or other services related to the accounting records or financial statements of the Fund; financial information systems design and implementation; appraisal or valuation services, fairness opinions, or contribution-in-kind reports; actuarial services; internal audit outsourcing services; management functions or human resources; broker or dealer, investment adviser, or investment banking services; legal services and expert services unrelated to the audit; and any other service that the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

- (e) to consider whether the provision by the Fund's auditor of non-audit services to its investment adviser or adviser affiliate that provides ongoing services to the Fund, which services were not pre-approved by the Audit Committee, is compatible with maintaining the auditor's independence;

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

- (f) to investigate any improprieties or suspected improprieties in fund operations and to establish procedures for the receipt, retention, and treatment of complaints received by the Fund with respect to accounting, internal accounting controls, or auditing matters and the confidential anonymous submission by employees of the Fund and its service providers of concerns regarding questionable accounting or auditing matters;
- (g) to review the findings made in any regulatory examinations of the Fund and consult with management on appropriate responses;
- (h) to review any material violations of the Code of Ethics for the Fund and its Advisers and report the Committee's findings to the full Board with recommendations for appropriate action;
- (i) to review with the Fund's principal executive officer and/or principal financial officer in connection with their certification of Form N-CSR any significant deficiencies in the design or operation of internal controls which could adversely affect the Fund's ability to record, process, summarize and report financial data or material weaknesses therein and any reported evidence of fraud involving management of other employees who have a significant role in the Fund's internal controls;
- (j) to discuss with management policies and guidelines with respect to risk assessment and risk management and the system of internal control, and the steps taken to monitor and control such risks;
- (k) to meet periodically with Fund management, apart from the Fund's independent auditors;
- (l) to discuss the types of information to be disclosed in press releases concerning dividends, as well as financial information provided to analysts and rating agencies, and the type of presentation to be made;
- (m) to establish hiring policies for employees or former employees of the auditor consistent with government regulations;
- (n) at least annually, to obtain and review a report by the Fund's independent auditors describing: (1) the audit firm's internal quality control procedures; (2) any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the audit firm, and any steps taken to deal with any such issues; and (3) for the purpose of assessing the auditor's independence, all relationships between the independent auditors and the Fund;
- (o) to review and evaluate the qualifications, performance and independence of the lead partner of the auditors;
- (p) to assure the regular rotation of the lead audit partner and the reviewing partner, and to consider whether there should be regular rotation of the audit firm itself;
- (q) to review and discuss the Fund's audited and unaudited financials statements with management and, in the case of the audited financial statements, the independent auditor, including the Fund's disclosure of management's discussion of Fund performance, and to recommend to

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

the Board, as appropriate, the inclusion of the Fund's audited financial statements in the Fund's annual report;

- (r) to cause the preparation of any report or other disclosures required by the New York Stock Exchange or the Securities and Exchange Commission;
- (s) to oversee the Fund's compliance with 1940 Act asset coverage tests and coverage tests under applicable rating agency guidelines and the Fund's Articles Supplementary, as amended or supplemented from time to time; and
- (t) to report regularly to the full Board any issues that arise with respect to: (1) the quality or integrity of the Fund's financial statements, (2) the Fund's compliance with legal or regulatory requirements and (3) the performance and independence of the Fund's independent auditors, and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

5. The Fund's independent auditors are ultimately accountable to the Audit Committee, as representatives of the Board of Directors and the shareholders of the Fund, and the Audit Committee has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditors (as well as to nominate the independent auditors to be proposed for shareholder approval, if necessary), subject to ratification and approval of the independent directors of the Fund. The Committee will ensure that the Fund's independent auditors submit to the Audit Committee, on a periodic basis, a formal written statement delineating all relationships between the independent auditors and the Fund and its service providers. The Committee will actively engage in a dialogue with the Fund's independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors, and will consider recommending that appropriate action be taken by the Board of Directors to ensure the independence of the independent auditors.

6. The Committee shall meet at least twice annually, which shall include separate executive sessions as the Committee may deem appropriate, and is empowered to hold special meetings as circumstances require. The Committee shall submit the minutes of all of its meetings to, or discuss the matters discussed at each meeting with, the Board of Directors.

7. The Committee shall regularly meet with the Treasurer of the Fund and with internal auditors, if any, for the Fund's Advisers and/or administrator to review and discuss matters relevant to the Committee's duties and responsibilities.

8. The Committee shall be responsible for reviewing any required description of the Committee in the Fund's annual reports or proxy statements.

9. The Committee will periodically assess the independence of its members and will evaluate its performance under the Charter annually.

10. The Committee will also serve as the Qualified Legal Compliance Committee. The following procedures are designed to implement the Standards of Professional Conduct for Attorneys pursuant to the Sarbanes-Oxley Act of 2002.

Provision of Information to Outside Counsel and Service Providers. To assist attorneys employed by law firms retained by the Funds or service providers engaged by the Funds, the chief executive officer of each Fund (the "CEO") must send a notice to each such law firm and service provider providing contact information with respect to each Fund's Legal Compliance Committee Chairperson.

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

The CEO must send a similar notice to each law firm and service provider when the information provided in the most recent notice sent to such law firm or service provider has changed.

Investigations and Responses. Upon receiving a report of evidence of a material violation from an attorney employed by a law firm or service provider, the CEO shall (i) record receipt of the report and (ii) report the matter promptly to the Legal Compliance Committee (the "Committee"). Upon receiving a report of evidence of a material violation from an attorney employed by a law firm or service provider or from the CEO, the Committee shall (i) record the Committee's receipt of the report, (ii) inform the Fund's CEO of the report (other than those received from the and (iii) determine whether an investigation of a material violation is necessary or appropriate. In determining whether an investigation is necessary or appropriate, the Committee shall consider such factors as it considers appropriate under the circumstances, which may include the seniority of the alleged wrongdoer, the seriousness of the alleged violation and the credibility of the allegation. If the Committee determines that an investigation is necessary, the Committee must (A) notify the Fund's Audit Committee or the Board of Directors, (B) initiate an investigation and (C) retain additional expert personnel as it deems necessary. The Committee shall have the discretion to engage auditors, counsel or other experts to assist in the investigation of any report and in the analysis of results.

- (a) Investigations. If the Committee deems it necessary, the Committee may direct outside counsel to conduct a preliminary internal investigation to determine whether the reported material violation has occurred, is ongoing or is about to occur. The Committee may direct employees of the Funds' investment advisers or administrators or any officer(s) of the Funds to assist outside counsel. If Fund counsel is the reporting counsel, Fund counsel nonetheless may be engaged to conduct the preliminary internal investigation. If Fund counsel is the reporting counsel, Fund counsel may decline to lead the preliminary internal investigation and may recommend that the Fund seek alternative counsel for purposes of conducting such investigation. Any investigation may be conducted by the relevant Fund's CEO or chief legal officer (or the equivalent thereof) if such officer is not the reporting attorney and is not the subject of the alleged violation described in the report.
- (b) Responses. At the conclusion of any investigation, the Committee, by majority vote, shall recommend that the relevant Fund implement an appropriate response to evidence of a material violation. What constitutes an appropriate response will depend on whether the Committee determines, on the basis of the facts and circumstances, that a material violation has occurred, is ongoing or is about to occur.

Unless the Committee reasonably believes that no material violation has occurred, is ongoing or is about to occur, the Committee shall take all reasonable steps to cause the Funds to adopt an appropriate response. If the preliminary internal investigation is performed by outside counsel, such counsel may recommend a proposed response for adoption by the Committee.

Determination: No Violation. The Committee may determine that no material violation has occurred, is ongoing or is about to occur. That determination must be made on the basis that the Committee "reasonably believes" that no material violation has occurred, is ongoing or is about to occur. "Reasonably believes" means that the Committee "believes the matter in question and that the circumstances are such that the belief is not unreasonable."

Determination: Material Violation Has Occurred, Is Ongoing or Is About to Occur.

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

If the Committee reasonably believes that a material violation has occurred, is ongoing or is about to occur, the following responses should be considered:

(1) A Material Violation Has Occurred If the Committee reasonably believes that the reported material violation has already occurred, the Committee should seek to remedy or otherwise address the material violation. The Committee should explore what steps would be necessary or appropriate to reduce the likelihood of a recurrence of the material violation. The Committee should consider recommending that sanctions be imposed in connection with the violation. Disclosure to the public or to the SEC should be considered, depending on the nature of the violation and other relevant factors.

(2) A Material Violation Is Ongoing If the Committee reasonably believes that the reported material violation is ongoing, the Committee should seek to take or recommend steps, measures and/or sanctions that are designed to (i) stop any material violations that are ongoing, (ii) remedy or otherwise appropriately address the portion of the material violation that has already occurred, and (iii) reduce the likelihood of a recurrence of the material violation. Disclosure to the public or to the SEC should be considered, depending on the nature of the violation and other relevant factors.

(3) A Material Violation Has Yet to Occur If the Committee reasonably believes that the reported material violation has not yet occurred, the Committee should seek to take or recommend steps and/or measures to prevent the reported material violation from occurring. Depending on the circumstances of the impending violation, actions to address potential future violations, including sanctions, should be considered. In unusual circumstances, disclosure to the SEC may also be appropriate. The Committee may retain outside counsel, which may be Fund counsel, to undertake a review of the reported evidence of a material violation in order to assist the Committee in determining what remedial measures would be appropriate under the circumstances.

Other Action. The Committee shall have the authority and responsibility, acting by majority vote, to take all other appropriate action, including the authority to notify the SEC, in the event a Fund fails in any material respect to implement a recommendation that the Committee has made within a reasonable period of time.

- (c). Reporting and Recordkeeping. The Committee shall inform the relevant Fund's CEO and chief legal officer (or the equivalent thereof) and the Board of Directors of the results of any investigation of a report of a material violation and any appropriate remedial measures to be adopted. The Committee or its delegate shall prepare, or cause to be prepared, a memorandum reflecting (i) the information developed in any internal investigation, (ii) any remedial recommendation made by the Committee or by outside counsel retained to review any report of a material violation and (iii) any remedial actions taken. The Committee should review these records periodically to determine whether there are any patterns of activity or violations that have emerged.
- (d). Protection of Reporting Attorneys. The Committee shall not retaliate, and shall not tolerate any retaliation by Fund management or any other person or group, directly or indirectly, against anyone who, in good faith, reports evidence of a material violation or provides assistance to the Committee or any other person or group, including regulatory

Edgar Filing: BOULDER GROWTH & INCOME FUND - Form DEF 14A

authorities, investigating a report. The Committee shall seek to maintain the confidentiality of any person who submits a report and who asks that his or her identity remain confidential and shall not make any effort, or tolerate any effort made by any other person or group, to ascertain the identity of any person who makes a report anonymously.

Oversight Responsibilities. The Committee will undertake an annual review of these Procedures and the reporting and investigation systems to determine whether they are functioning properly. The Boards of Directors of the Funds have reviewed and adopted these Procedures. The Boards of Directors will review these Procedures periodically to assure that they appropriately address then-existing requirements for attorney up-the-ladder reporting.

11. The Committee shall review this Charter at least annually and recommend any changes to the full Board of Directors.

12. This Charter may be altered, amended or repealed, or a new Charter may be adopted, by the Board by the affirmative vote of a majority of all the members of the Board, including a majority of the "non-interested" Board members (within the meaning of the Investment Company Act of 1940, as amended).

13. The Chief Executive Officer ("CEO") of the Fund shall certify to the Audit Committee of the Fund annually that he is not aware of any violation by the Fund of any corporate governance standards or policies to which the Fund is subject. In addition, the CEO of the Fund must promptly notify the Audit Committee in writing after any executive officer of the Fund becomes aware of any material non-compliance with any applicable corporate governance listing standard or policy.

14. (a) The Fund shall provide the NYSE, with respect to any subsequent changes to the composition of the Audit Committee or otherwise approximately once each year, written confirmation of the determinations required by Section 3 above.

(b) The CEO of the Fund shall certify to the NYSE annually that he is not aware of any violation by the Fund of the NYSE corporate governance listing standards and such certification shall be included in the Fund's annual report to shareholders. If the CEO of the Fund provides notice to the NYSE upon receipt of any report by any executive officer of any material non-compliance with any applicable provisions of the NYSE corporate governance listing standards, copies of any such certification or notice shall be provided to the Audit Committee of the Fund.
