Item 1.01

Entry into a Material Definitive Agreement.1

Ivanhoe Energy Inc. (the “Company”) announced that on March 6, 2015 the Court of Queen’s Bench of Alberta (the “Court”) approved debtor-in-possession (“DIP”) financing on the terms set forth in the term sheet, dated February 27, 2015 (the “DIP Term Sheet”), which allows the Company to borrow US\$1 million (approximately C\$1.26 million) from Robert Friedland (the “DIP Financing”). Subject to the satisfaction of certain conditions to borrowing, the DIP Financing amount became available upon the March 6th order of the Court.

The proceeds of the DIP Financing will be used for working capital purposes in strict compliance with the order of the Court while the Company works with its creditors to attempt to restructure its outstanding debt. The DIP Financing is subject to a 2% application fee and bears a 13% interest rate, calculated daily, not in advance.

The maturity date of the DIP Financing is the earlier of (i) June 1, 2015, or such later date as Mr. Friedland may agree to, (ii) the effective date of the implementation of a proposal under the Bankruptcy and Insolvency Act (Canada) (the “BIA”) or (iii) an Event of Default (as defined in the DIP Term Sheet).

Mr. Friedland is the Company’s largest shareholder, a holder of its unsecured convertible debt and, as of October 10, 2014, a secured lender.2 The DIP Financing is secured by a first priority charge on the Company’s assets and increases the principal amount of Mr. Friedland’s secured loans to the Company to US\$6.11 million.

In addition, under the DIP Financing, a second priority administration charge of up to C\$500,000 was granted as security for the fees of the proposal trustee, its counsel, the counsel of debenture trustee, and the Company’s counsel under the BIA proceedings. A third priority directors’ charge of up to C\$200,000 was granted as security for the indemnification of the Company’s directors and officers against obligations and liabilities incurred as in their capacity as such after the commencement of the BIA proceedings.3

The DIP Financing is subject to certain covenants, including, without limitation, related to the incurrence of additional debt and the encumbrance or disposition of any of the Company’s assets.

The foregoing description of the DIP Financing does not purport to be complete and is qualified in its entirety by reference to the DIP Term Sheet filed as exhibit 10.1 hereto and incorporated herein by reference.

On March 9, 2015, the Company issued a press release with respect to the DIP Financing. A copy of the press release is filed as exhibit 99.1 hereto and incorporated herein by reference.

Item 1.03 Bankruptcy or Receivership.

The information provided in Item 1.01 above related to the DIP Financing approved by the order of the Court is incorporated by reference into this Item 1.03.

The Court also established a claims process and extended the time within which a restructuring proposal must be filed with the official receiver under the BIA to May 5, 2015.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On March 6, 2015, the Company entered into the DIP Financing. The information provided in Item 1.01 related to the DIP Financing is incorporated by reference into this Item 2.03.

Item 7.01 Regulation FD Disclosure.
