**Other Events**

On May 17, 2004, International Multifoods Corporation (the Company) signed a Memorandum of Understanding (MOU) with the plaintiff in the lawsuit brought in Minnesota state court relating to the proposed merger between the Company and a wholly-owned subsidiary of The J.M. Smucker Company (Smucker). The MOU sets forth an agreement in principle to settle the lawsuit on a classwide basis. Under the MOU, (1) the Company has made certain additional disclosures in its Registration Statement on Form S-4 filed on May 3, 2004, and has agreed to pay attorneys' fees and expenses that the court awards to plaintiff's counsel up to a total maximum amount of \$225,000, (2) the plaintiff will vote its shares of Company stock in favor of the proposed merger, (3) the lawsuit will be dismissed with prejudice, and (4) the Company and its directors will receive releases from plaintiff, and from shareholders of record as of May 3, 2004, of the claims that were or could have been made in the lawsuit, including claims relating to the proposed merger, to the vote on the proposed merger, and to the Registration Statement. The settlement is contingent upon, among other things, the consummation of the proposed merger, the negotiation and execution of a definitive Settlement Agreement, and the approval of the court, after class members have been given notice and an opportunity to be heard. As previously announced, a special meeting of shareholders will be held on June 17, 2004, in Chicago, to consider and approve the proposed merger. If shareholder approval is obtained and other conditions to the merger are satisfied, the Company expects the transaction to close as promptly as practicable thereafter.

**Important Legal Information**
