GENERAL INFORMATION

This Proxy Statement is furnished to shareholders of NVE Corporation, a Minnesota corporation (NVE or the Company), in connection with the solicitation of proxies by our Board of Directors for use at the annual meeting of shareholders to be held on Tuesday, August 17, 2004 at 3:30 p.m. local time at SpringHill Suites by Marriott, 11552 Leona Road, Eden Prairie, Minnesota 55344, and at any adjournment thereof (the 2004 Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Annual Meeting Admission

Proof of ownership (such as a recent brokerage statement or letter from your broker) and a form of photo identification are required for admission to the 2004 Annual Meeting.

Householding of Documents

We are sending only one annual report and proxy statement to eligible shareholders who share a single address unless we received instructions to the contrary from any shareholder at that address. This practice, known as householding, is designed to reduce our printing and postage costs. If a registered shareholder residing at an address with other registered shareholders wishes to receive a separate annual report or proxy statement in the future, he or she may contact Richard L. George, our Secretary, at telephone number (952) 829-9217 or by mail to the address on the cover of this Proxy Statement. You can also request delivery of single copies of our documents if you are receiving multiple copies.

Other Matters and Proposals of Shareholders

Our Board of Directors is not aware that any matter other than those described in the Notice of Annual Meeting of Shareholders to which this Proxy Statement is appended will be presented for action at the 2004 Annual Meeting. If, however, other matters do properly come before the 2004 Annual Meeting, it is the intention of the persons named in our proxy card to vote the proxied shares in accordance with their best judgment on those matters.

If any matters properly come before the shareholders at our 2004 Annual Meeting, but we did not receive notice of it prior to February 15, 2004, the persons named in our proxy card for the 2004 Annual Meeting will have the discretion to vote the proxied shares on such matters in accordance with their best judgment.

Proposals of shareholders intended to be presented at our next annual meeting of shareholders must be received by our Secretary at our executive offices in Eden Prairie, Minnesota, no later than February 14, 2005 for inclusion in our proxy statement and proxy relating to that meeting. The proposal must be in accordance with the provisions of Rule 14a-8 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934. It is suggested the proposal be submitted by certified mail, return receipt requested. Upon receipt of any such proposal, we will determine whether or not to include such proposal in our proxy statement and proxy in accordance with regulations governing the solicitation of proxies. Shareholders who intend to present a proposal at our next annual meeting of shareholders without including such proposal in our proxy statement must provide us with notice of such proposal no later than May 10, 2005. NVE reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Shareholder Communications With the Board

Shareholders and others who wish to communicate with the board as a whole or the individual directors, may write to them at: 11409 Valley View Road, Eden Prairie, Minnesota 55344. All communications sent to this address will be shared with the board or the individual director, if so addressed.

VOTING INFORMATION

Only shareholders of record at the close of business on June 18, 2004 are entitled to execute proxies or to vote at the 2004 Annual Meeting. As of that date there were outstanding 4,496,245 shares of our common stock, \$0.01 par value per share (the Common Stock). Each holder of Common Stock is entitled to one vote for each share held with respect to the matters mentioned in the foregoing Notice of Annual Meeting of Shareholders and any other matters that may properly come before the 2004 Annual Meeting. A majority of the outstanding shares entitled to vote are required to constitute a quorum at the 2004 Annual Meeting. The affirmative vote of a majority of the Common Stock present, in person or by proxy, and entitled to vote at the 2004 Annual Meeting, is required to approve the matters mentioned in the foregoing Notice of Annual Meeting. Proxies indicating abstention from a vote and broker non-votes will be counted toward determining whether a quorum is present at the 2004 Annual Meeting, but will not be counted toward determining if a majority of the Common Stock present has voted affirmatively.

Solicitation and Revocability of Proxies

We will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, proxies may be solicited by our directors, officers and regular employees personally or by telephone, but these people will not be specifically compensated for those services.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in such form may revoke it either by submitting a new proxy card or by completing a ballot at the meeting at any time before it is exercised. Such proxies, if received in time for voting and not revoked, will be voted at the 2004 Annual Meeting in accordance with the specification indicated thereon. If no specification is indicated on a proxy, such proxy will be voted in favor of Proposal 1 described herein.

Compensation of Our Directors

Directors receive no cash compensation for their service on our board of directors. Non-employee directors automatically receive a nonqualified option to purchase 6,000 shares upon initial election and 2,000 on each reelection to the board of directors. A \$12,500 payment was made in the fiscal year ended March 31, 2004 (fiscal 2004) to former director Herbert Goronkin for services to the Corporation.

Limitation of Our Director s Liability

Our bylaws provide that we indemnify our officers, directors and employees in accordance with, and to the fullest extent permitted by, the provisions of the Minnesota Business Corporation Act, as it may be amended from time to time.

Section 302A.521 of the Minnesota Business Corporation Act provides that a Minnesota business corporation may indemnify any director, officer, employee or other representative of the corporation made or threatened to be made a party to a proceeding, by reason of the former or present official capacity (as defined) of the person, against judgments, penalties, fines, settlements and reasonable expenses incurred by the person in connection with the proceeding if certain statutory standards are met. Proceeding means a threatened, pending or completed civil, criminal, administrative, arbitration or investigative proceeding, including one by or in the right of the corporation. Section 302A.521 contains detailed terms regarding such right of indemnification and reference is made thereto for a complete statement of such indemnification rights.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

BOARD AND COMMITTEE MEETINGS

Our board of directors met seven times in fiscal 2004. All Directors attended all of the meetings of the Board of Directors and meetings of the committees on which they served. Four of the directors attended last year's annual meeting of shareholders.

The Board of Directors has three standing committees, the Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee. All three committees consist of Messrs. Glarner, Irish, and Kaszubinski. If Ms. Hollister is elected to our Board of Directors, we expect her to be appointed to the Compensation and Nominating/Corporate Governance Committees, and to replace Mr. Irish on the Audit Committee. We would expect Ms. Hollister to be elected chairman of the Audit Committee.

The Board of Directors has determined that Mr. Glarner, Mr. Irish, Mr. Kaszubinski, and Ms. Hollister are independent as defined by Rule 4200(a)(15) of the National Association of Securities Dealers (NASD) listing standards.

Audit Committee

The Audit Committee met six times in fiscal 2004. The Audit Committee is governed by a written charter, a copy of which is attached as Exhibit A to this proxy statement. The primary responsibility of the Committee is to oversee the Company's financial reporting process on behalf of the board and the Company's shareholders. The Board of Directors has determined that Mr. Glarner and Ms. Hollister meet the criteria of audit committee financial experts under Item 401 of Regulation S-B promulgated by the Securities and Exchange Commission. Furthermore, the Board of Directors has determined that Mr. Glarner, Mr. Kaszubinski, and Ms. Hollister are independent within the meaning of Rule 10A-3 (Listing Standards Relating to Audit Committees) promulgated by the Securities and Exchange Commission. Mr. Irish may not be independent under Rule 10A-3 because he is affiliated with a consulting company which received \$15,207 for

services provided to us in fiscal 2002. Mr. Irish received no direct or indirect cash compensation from us in fiscal 2003 or fiscal 2004. However, as NVE is a small business issuer it is not required to comply with the audit committee requirements of Rule 10A-3 until July 31, 2005. The Report of the Audit Committee, including a description of the functions of the Audit Committee, is included as Exhibit B to this Proxy Statement.

Compensation Committee

The Compensation Committee reviews and recommends to the Board of Directors the compensation guidelines for executive officers and other key personnel, and the composition and levels of participation in incentive compensation and fringe benefits for all employees. In addition, the committee oversees administration of our 2000 Stock Option Plan as amended. No member of the Compensation Committee is or has been an officer of NVE. The Compensation Committee met twice in fiscal 2004.

We have no compensation committee interlocks that is, none of our officers serves as a director or a compensation committee member of a company that has an officer or former officer serving on our board of directors or compensation committee.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee was established and held its initial meeting in April 2004 to select candidates for the Company's Board of Directors, select members of various committees and address corporate governance matters. The Nominating/Corporate Governance Committee does not operate under a formal charter.

The Corporation's process for identifying and evaluating candidates to be nominated to the Board of Directors starts with an evaluation of a candidate by the Nominating and Corporate Governance Committee and the Chief Executive Officer. Candidates can be forwarded to the Nominating and Corporate Governance Committee by members of the Board of Directors and/or the Chief Executive Officer. The Committee recommends to the Board of Directors the slate of directors to serve as management's nominees for election by the shareholders at the annual meeting. Director candidates may also be identified by shareholders. To date, we have not engaged any third party to assist in identifying or evaluating potential nominees.

Director Qualifications

In evaluating candidates, the Board will require that candidates possess, at a minimum, a desire to serve on the Company's Board, an ability to contribute to the effectiveness of the Board, an understanding of the function of the Board of a public company and relevant industry knowledge and experience. In addition, while not required of any one candidate, the Board would consider favorably experience, education, training or other expertise in business or financial matters and prior experience serving on boards of public companies. Collectively, the composition of the Board must meet the listing requirements of the Nasdaq Stock Market where the Company's common stock is listed. In evaluating any candidate for director nominee, the Board will also evaluate the contribution of the proposed nominee toward compliance with the Nasdaq Stock Market listing standards.

Shareholder Nominees

Shareholder proposals for nominations to the Board should be submitted to the Nominating/Corporate Governance Committee at our offices, 11409 Valley View Road, Eden Prairie, Minnesota 55344. To be considered by the Board for nomination at the next succeeding annual meeting, nominations must be delivered not less than 90 days nor more than 120 days prior to the first anniversary of the mailing of the notice of the preceding year's Annual Meeting.

This disclosure is based solely on our review of copies of forms we have received or written representations from reporting persons.

AUDIT COMMITTEE REPORT
May 24, 2004

We oversee NVE's financial reporting process on behalf of the Board of Directors. We act under a written charter, which has been amended to be consistent with the provisions of the Sarbanes-Oxley Act of 2002 as well as related rules issued by The NASDAQ Stock Market. We are planning to change our membership in order to meet the new requirements. A copy of our charter is included in this proxy statement.

Management has the primary responsibility for the financial statements and the reporting process, including maintaining a system of internal controls disclosures and procedures. We are directly responsible for the appointment, compensation, retention, oversight, and termination of the Company's independent auditors. The independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. The committee does not prepare financial statements or conduct audits.

In connection with the March 31, 2004 audited consolidated financial statements, we have reviewed and discussed with management and the independent auditors the Company's audited consolidated financial statements, including discussions about critical accounting policies, other financial accounting and reporting principles and practices appropriate for the Company, and the reasonableness of significant judgments. We have discussed with the independent auditors the items that are required to be discussed under applicable professional auditing standards and regulations, including items required to be communicated by the independent auditors in accordance with AICPA SAS 61 and discussions about the quality of the financial statements and clarity of the related disclosures. We have also reviewed and considered the written disclosures in the letter received from Ernst & Young LLP, as required by Independence Standards Board Standard No. 1, including a discussion about their independence from the company and management.

Based on the reviews and discussions above, we recommended to the Board of Directors that the audited consolidated financial statements for the year ended March 31, 2004 be included in the Company's Annual Report on Form 10-KSB which is filed with the Securities and Exchange Commission. The Board approved our recommendation.

We approve all auditing services and authorized non-audit services, except *de minimus* services, provided by the independent auditors, and the fees and other significant compensation to be paid to the independent auditors.
