#### Item 1.01. Entry into a Material Definitive Agreement.

On December 22, 2015 ( Effective Date ), the registrant ( PetMed ), by and through a wholly-owned subsidiary entered into an Agreement of Purchase and Sale ( Agreement ) with an unaffiliated privately held Delaware corporation ( Seller ) for the purchase of real property located in Palm Beach County Florida, and improvements thereon (collectively referred to herein as the Property ), the assignment and assumption of all leases and service agreements affecting the Property, and certain tangible and intangible personal property related to the Property, for a purchase price of \$18.5 million, plus closing costs.

PetMed expects to fund the purchase price in cash as follows: (i) within three (3) business days after the Effective Date, PetMed shall deposit in escrow \$150,000 (Initial Deposit), (ii) if PetMed fails to notify Seller in writing of PetMed s election to terminate the Agreement prior to expiration of the Contingency Period (described below), or PetMed notifies Seller in writing of PetMed s election to continue the Agreement beyond the Contingency Period, then the Agreement shall remain in full force and effect, and PetMed shall within two (2) business days after the expiration of the Contingency Period deposit in escrow an additional \$250,000 (Additional Deposit), and (iii) the balance of the purchase price, in the amount of \$18,100,000 (plus or minus any prorations pursuant to the Agreement) shall be paid to Seller at the consummation of the purchase and sale contemplated under the Agreement (the Closing). In the event of a default under the Agreement by PetMed, Seller would be entitled to receive the Initial Deposit and the Additional Deposit as its sole remedy. In the event of a default under the Agreement by Seller, PetMed would be entitled to: (i) terminate the Agreement and receive the Initial Deposit and the Additional Deposit; or (ii) attempt, within 30 days after the scheduled closing date, to specifically enforce the performance by Seller of its obligations under the Agreement.

The Property consists of approximately 634,000 square feet of land or 14.6 acres with two building complexes with additional land for future use. The first building complex consists of approximately 125,000 square feet consisting of both office and warehouse space categorized as industrial class B office space and class A warehouse space. The second building complex consists of approximately 60,000 square feet consisting of both office and warehouse space categorized as industrial class B office space and class A warehouse space. As of December 22, 2015, the Property was 48% leased to two tenants with a remaining weighted average lease term of 4.2 years.

The Agreement contains representations, warranties, conditions, covenants and agreements that PetMed believes are customary for transactions of this type. The Closing is subject to a number of customary closing conditions, including, but not limited to, (i) the accuracy of the representations and warranties made by the parties in the Agreement (ii) the compliance by the parties with their respective covenants in the Agreement, in each case subject to customary materiality qualifiers, and (iii) the review and approval by PetMed of certain due diligence during the Contingency

Period. The Contingency Period commences on the Effective Date and ends 5 business days after the Effective Date. PetMed may terminate the Agreement prior to the expiration of the Contingency Period in the event that the Seller fails to cure certain objections pursuant to the terms of the Agreement.

The Closing shall be held on the twentieth (20th) day after the expiration of the Contingency Period, anticipated to occur on or before January 19, 2016, subject to certain extension rights as set forth in the Agreement. There is no assurance that the acquisition of the Property will close on the anticipated terms, when anticipated or at all.

Upon acquisition and when the property is renovated to PetMed s specifications and ready for its operation, PetMed intends to occupy the remaining approximately 99,000 square feet of the building for its principal offices and warehouse, and continue to operate the remaining office space pursuant to existing leases.

The foregoing description of the Agreement of Purchase and Sale does not purport to be complete and is subject to, and qualified in its entirety by, the Agreement of Purchase and Sale, which will be filed in a subsequent current or periodic report.
