Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of Common Stock issued and outstanding on the record date. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, but will not be counted for purposes of determining the number of votes cast with respect to the election of directors. APPROVAL OF THE

2005 WESTERN SIZZLIN CORPORATION STOCK OPTION PLAN

In April 2005, the Board of Directors approved the 2005 Western Sizzlin Corporation Stock Option Plan. The 2005 Plan is designed to replace the prior stock option plan, the 1994 Austins Steak & Saloon, Inc. Incentive and Non-Qualified Stock Option Plan, which expired for purposes of granting stock options in October 2004. The Board believes that an employee stock option plan, such as proposed by the 2005 Plan, is important to provide a mechanism to offer both management and non-management employees the ability to participate in the long-term growth of the Company. If the 2005 Plan is approved, the Company intends to register with the SEC the 500,000 shares of common stock reserved for issuance under the Plan on a registration statement on Form S-8 under the Securities Act of 1933 (as amended) as soon as practicable after receiving stockholder approval.

Summary of the 2005 Stock Option Plan

The principal provisions of the 2005 Plan are summarized below. This summary is not a complete description of all of the 2005 Plan's provisions, and is qualified in its entirety by reference to the 2005 Plan which is attached to this proxy statement as Appendix A. Capitalized terms in this summary not defined in this proxy statement have the meanings set forth in the 2005 Plan.

Purpose. The 2005 Plan is intended to allow employees, directors and consultants of the Company and its subsidiaries to acquire or increase their ownership of the Company's Common Stock, thereby strengthening their commitment to the success of the Company and stimulating their efforts on behalf of the Company, and to assist the Company and its subsidiaries in attracting new employees, directors and consultants and retaining existing ones. The 2005 Plan also is intended to optimize the profitability and growth of the Company through incentives that are consistent with the Company's goals, to provide an incentive for excellence in individual performance, and to promote teamwork.

Administration. The 2005 Plan will be administered by the Board of Directors or by a committee appointed by the Board. References below to the Plan Committee are references to the Board, or Plan Committee, as applicable. Subject to the express provisions of the 2005 Plan, the Plan Committee has the authority (i) to determine when, to whom, and in what types and amounts Awards (as defined below) should be granted and the terms and conditions applicable to each Award, (ii) to determine the terms and conditions of all Award Agreements and to amend any Award Agreement at any time, with the consent of the Grantee under certain circumstances, (iii) to cancel, with the consent of the Grantee, outstanding Awards and grant new Awards in substitution therefore, (iv) to accelerate the ability to exercise, and to accelerate or waive any or all of the terms and conditions applicable to, any Awards, (v) subject to the provisions of the 2005 Plan, to extend the time during which any Awards may be exercised, (vi) to make such adjustments or modifications to Awards to Grantees working outside the United States as are advisable to fulfill the purposes of the 2005 Plan or to comply with applicable local law, and (vii) to impose such additional terms and conditions upon the grant, exercise or retention of Awards as the Plan Committee deems appropriate. The Plan Committee is authorized to construe and interpret the 2005 Plan, to establish, amend and rescind any rules relating to the 2005 Plan and to make all other determinations which may be necessary or advisable for the administration of the 2005 Plan. Additionally, if the Plan Committee determines that an adjustment of the 2005 Plan or outstanding Awards is necessary to prevent enlargement or dilution of the intended benefits under the 2005 Plan following any change affecting the shares of the Company's Common Stock by reason of any dividend or other distribution to stockholders (whether in cash, Shares, other securities or other property), stock split, reverse stock split, recapitalization, subdivision, consolidation or reduction of capital, reorganization, merger, scheme of arrangement, split-up, spin-off, or combination involving the Company or repurchase or exchange of Shares or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction, the Plan Committee will, in such manner as it deems equitable, adjust any or all of (i) the number or type of Shares (or other securities or properties) with respect to which Awards may be granted, (ii) the number and type of Shares (or other securities or property) subject to outstanding Awards, and (iii) the grant or exercise price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award or the substitution of other property for Shares subject to an outstanding Award. All determinations on all matters relating to the 2005 Plan or any Award Agreement may be made in the sole and absolute discretion of the Plan Committee, and all such determinations of the Plan Committee shall be final, conclusive and binding. No member of the Plan Committee is liable for any action or determination made with respect to the 2005 Plan or any Award thereunder.

Eligibility. All directors and employees of and consultants to the Company and its subsidiaries will be eligible to receive Awards under the 2005 Plan. As of the date of this Proxy Statement, approximately 300 such employees and nine (9) non-employee Directors are eligible to participate in the 2005 Plan. The Company uses consultants from time to time, but cannot reasonably determine the number of consultants that would be eligible to participate in the 2005 Plan. The Company currently does not intend to make awards to consultants under the 2005 Plan.

Power to Amend the 2005 Plan. Subject to the terms of the 2005 Plan, the Board may alter, amend, suspend or terminate the 2005 Plan in whole or in part at any time without the approval of the stockholders. The Board may delegate to the Plan Committee any or all of the authority of the Board to alter, amend, suspend or terminate the 2005 Plan.

Number of Shares. Subject to adjustment as described above, the aggregate number of Shares of the Company's Common Stock authorized for issuance under the 2005 Plan is 500,000. No Shares are presently the subject of outstanding Awards, and no Awards have been granted under the 2005 Plan. Shares that are forfeited or not issued under an Award, or Shares (however acquired) that are used to pay the exercise price of an Award or are withheld in connection with tax obligations arising from an Award, again become available for an Award or increase the number of Shares available for Awards. No person may receive under the 2005 Plan in any calendar year total Awards exceeding 10% of the total Shares of the Company's Common Stock outstanding when the Award is granted. Based on the closing price of the Company's Common Stock on the Record Date, the aggregate market value of Shares available for issuance under the 2005 Plan was \$400,000.

Types of Awards. The 2005 Plan permits the grant of any or all of the following types of Awards to employees, directors and consultants of the Company and its Subsidiaries: stock options, including ISOs and options other than ISOs (non-qualified options).

Stock Options. The exercise price per Share of the Company's Common Stock purchasable under any Option will be determined by the Plan Committee, but generally cannot be less than 100% of the Fair Market Value of a share of the Company's Common Stock on the date the Option is granted. In certain instances, however, the exercise price of an Option may be less than the Fair Market Value of a Share on the Grant Date. In connection with the acquisition by the Company of another entity or the assets of such entity, the Plan Committee may grant Options (Substitute Options) with an exercise price less than the Fair Market Value of a Share on the Grant Date, to persons who become eligible to participate in the 2005 Plan and who hold options (Acquired Entity Options) to purchase shares of stock of the Acquired Entity or its affiliates immediately prior to such Acquisition. The exercise price of the Substitute Options will be set at a level that preserves the economic value of Acquired Entity Options that are replaced. The Plan Committee shall determine the term of each Option (subject to a maximum of 10 years) and the time or times when it may be exercised. The grant and the terms of ISOs shall be restricted to the extent required for qualification as ISOs by the Internal Revenue Code. In no event may an ISO be granted under the 2005 Plan on or after the date 10 years following the earlier of (i) the date the 2005 Plan was adopted and (ii) the date the 2005 Plan was approved by the stockholders. Options may be exercised following notice to the Company by payment of the exercise price: (i) in cash, personal check or wire transfer; (ii) in certain instances, in Shares with a Fair Market Value equal to the exercise price of the Option; (iii) pursuant to a cashless exercise through a broker-dealer under an arrangement approved by the Plan Committee; or (iv) at the discretion of the Plan Committee, with an interest-bearing promissory note or with a third-party loan that is guaranteed by the Company.

Change of Control. Unless otherwise defined in an Award Agreement, a Change of Control is deemed to occur in the event of certain acquisitions of 20% or more of the outstanding Company Common Stock, certain mergers which result in the Company's stockholders owning 60% or less of the surviving corporation, or certain changes of more than 25% of the membership of the Board. In the event of a Change of Control, Awards will automatically become fully vested or fully exercisable, as applicable.

Elective Share Withholding. A Grantee may, subject to certain conditions, elect to have the Company withhold a portion of the Shares that would otherwise be issued to the Grantee under an Award to satisfy the Grantee's income tax

liabilities related to the Award.

Other. The 2005 Plan will terminate when all Shares of the Company's Common Stock subject to the Plan have been acquired unless earlier terminated by the Board. Awards, and any rights under an Award, may not be transferred other than by will or by the law of descent and distribution or, with the consent of the Plan Committee, to members of a Grantee's immediate family and related trusts, partnerships and other entities with respect to which the Grantee or such family members are owners or beneficiaries. The extent to which the Grantee shall receive the benefits of an Award following Termination of Affiliation will be determined in accordance with the provisions of the 2005 Plan and the Award Agreement, which benefits may extend beyond the date of Termination of Affiliation. The Plan Committee may permit or require a Grantee to defer receipt of payment or delivery of Shares upon the exercise or vesting of an Award.

Federal Income Tax Consequences of the Issuance and Exercise of Options.

The federal income tax consequences of the issuance and exercise of Options under the 2005 Plan to its participants and the Company are summarized below. The following discussion is based on the federal income tax laws in effect as of the date of this Proxy Statement and could be affected by future changes in the

tax laws. The summary is not intended to constitute tax advice and does not address, among other things, possible state, local or foreign tax consequences.

The grant of an Option will have no immediate tax consequences for the Grantee or the Company. In general, the Grantee will have no taxable income upon the exercise of an ISO or upon the disposition of Shares acquired upon the exercise of an ISO if the applicable ISO holding period is satisfied (except that the alternative minimum tax may apply) and the Company will have no deduction upon exercise of the ISO. Upon exercising a non-qualified option, the Grantee will recognize ordinary income in an amount equal to the difference between the Fair Market Value on the date of exercise of the Shares acquired and the Option exercise price. The Company will be entitled to a deduction in the same amount, subject to the possible limitation under Section 162(m) of the Code. Generally, there will be no tax consequence to the Company in connection with a disposition of Shares acquired upon exercise of an Option, except that the Company may be entitled to a deduction upon disposition of Shares acquired on exercise of an ISO before the applicable holding period has been satisfied.

Under current rulings of the Internal Revenue Service, a Grantee who pays the exercise price for an Option with the Company's Common Stock does not recognize gain or loss with respect to the disposition of the stock transferred in payment of the Option exercise price. However, the Grantee normally will recognize ordinary income upon the exercise of a non-qualified option in the manner described above. The Grantee's basis in a number of acquired Shares equal to the number surrendered will be the same as the Grantee's basis in the surrendered Shares, and the Grantee's basis in any additional Option Shares will be equal to the amount of income the Grantee recognizes upon exercise of the Option.

All Directors were present for at least 75% of the Board and committee meetings. The Company has no formal attendance policy for Director attendance at the Annual Meeting, but all Directors are encouraged to attend. All of the Directors attended the 2004 Annual Meeting.

Stockholders wishing to communicate with the Board of Directors about any matter involving the business or operations of the Company should send their communication in writing to the President of the Company at the Company's principal office in Roanoke, Virginia. The President will promptly send the communication to each member of the Board.

The Executive Committee, which currently consists of Directors Titus W. Greene, Thomas M. Hontzas, A. Jones Yorke and Paul C. Schorr, III (Chair), conducts certain affairs of the Company in absence of the entire Board of Directors and as allowed by the Company's Bylaws and applicable law. In 2004, the Executive Committee did not meet. The other committees are discussed in detail under the respective headings that follow.

Directors are paid \$1,500 for each Board meeting attended and a \$1,000 quarterly retainer. Additionally, the Directors receive \$500 for each telephonic Board meeting. The Directors also receive stock options under the 2004 Non-Employee Directors' Stock Option Plan. In 2004, each Director received a grant of 10,000 stock options under this plan.

REPORT OF THE AUDIT AND FINANCE COMMITTEE

The Audit and Finance Committee of the Board of Directors oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the consolidated financial statements and the reporting process including the systems of internal controls. The Board of Directors has adopted a written charter for the Audit Committee, which is appended to this proxy statement as Appendix B.

The Audit Committee currently consists of Directors Paul C. Schorr, III, Thomas M. Hontzas, Jesse M. Harrington, III and A. Jones Yorke (Chair). All members of the Audit Committee meet the independence standards of the NASD's listing requirements. The Board of Directors has determined that A. Jones Yorke is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Securities and Exchange Commission. The Audit Committee meets periodically with the Company's independent public accountants and members of management to review the Company's accounting policies. It also reviews the scope and adequacy of the independent accountants' audit of the Company's annual consolidated financial statements. The Audit Committee recommends in advance the firm of independent public accountants to be retained by the Company to provide audit and audit related services. In addition, the Chair of the Audit Committee pre-approves any engagement of accountants to provide non-audit services and all such engagements are reviewed and ratified by the Audit Committee at its next meeting. In 2004, the Audit Committee met four times and held four telephonic meetings.

Edgar Filing: WESTERN SIZZLIN CORP - Form DEF 14A

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited consolidated financial statements of the Company to be set forth in the Company's 2004 Annual Report to Stockholders and the Company's Annual Report on Form 10-K for the year ended December 31, 2004. The Audit Committee also discussed with Grant Thornton LLP, independent accountants for the Company who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with accounting principles generally accepted in the United States of America, the matters required to be discussed by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Statement on Auditing Standards No. 61 includes, among other items, matters relating to the conduct of an audit of the Company's consolidated financial statements under generally accepted auditing standards.

The Audit Committee has received the written disclosures and the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee, has considered the compatibility of nonaudit services with the auditors independence, and has discussed with Grant Thornton LLP their independence from the Company.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for 2004 for filing with the Securities and Exchange Commission.

The foregoing report is submitted by the Audit Committee in accordance with the requirements of the Securities Exchange Act of 1934 (as amended) and the rules and regulations thereunder.

INDEPENDENT PUBLIC ACCOUNTANTS

Grant Thornton LLP served as the independent public accountants for the Company for the fiscal year ended December 31, 2004. The Audit Committee has recommended that Grant Thornton LLP continue as the Company's independent public accountants for 2005. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting and will be given an opportunity to make any statements they desire and will also be available to respond to questions.

On February 20, 2004, the Company notified KPMG LLP that they would be dismissed as the Company's independent public accountants upon completion of the audit for the year ended December 31, 2003, which decision was approved by the Audit Committee of the Board of Directors. Effective February 20, 2004 the Audit Committee of the Board of Directors selected Grant Thornton LLP as the Company's successor's independent auditor of the fiscal year ended December 31, 2004. KPMG LLP's independent auditors' reports on the Company's consolidated financial statements for the years ended December 31, 2003 and 2002, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except that the fiscal 2002 audit report of KPMG LLP dated February 28, 2003, referred to the change in the Company's method of accounting for goodwill effective January 1, 2002, as required by the Company's adoption of Statement of Financial Accounting Standards (SFAS) No. 142. There were no disagreements with KPMG LLP during the fiscal years ended December 31, 2003 and 2002 or for the interim period through March 30, 2004, the filing date of the Annual Report on Form 10-K for the fiscal year ended December 31, 2003, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure, auditing scope or procedure, which, if not resolved to the satisfaction of KPMG LLP would have caused it to make reference the subject matter of the disagreements in connection with its independent auditors' report.

Summary of Accountants Fees

Audit Fees. Grant Thornton LLP's fees for the 2004 annual audit of the Company's consolidated financial statements and quarterly reviews of the consolidated financial statements were \$85,000 in 2004. Fees billed by KPMG LLP for the same services during 2003 were \$120,000.

Audit-Related Fees. Grant Thornton LLP did not bill the Company during 2004 for assurance and related services in connection with the performance of its audit or reviews of the Company's consolidated financial statements not reported under the caption "Audit Fees". KPMG LLP billed the Company \$4,500 in 2004 for such audit-related fees.

Tax Fees. Grant Thornton does not provide the Company with tax services. KPMG LLP's fees billed in 2003 for the preparation of 2002 tax returns were \$18,000.

All Other Fees. KPMG LLP received additional fees of \$4,785 for additional services rendered in 2003 not related to the audit or tax fees. The additional services included research on 401(k) audit requirements and research on certain reporting requirements for litigation settlement expenditures paid to former directors.

REPORT OF THE COMPENSATION COMMITTEE

The Board of Directors has a Compensation Committee, which is responsible for reviewing and recommending to the Board annually the compensation to be paid to the President and Chief Executive Officer of the Company. The Compensation Committee consists of Directors Pat Vezertzis (Chair), William E. Proffitt and Stanley L. Bozeman, Jr. All members of the Compensation Committee are independent under the NASD's listing requirements. The Committee met three times in 2004 and held one telephonic meeting.

The Committee functions include:

Determining the compensation of the Chief Executive Officer;

Overseeing all other executive officers' compensation, including salary and bonus payments, as determined by the Chief Executive Officer.

Decisions with respect to executive compensation are made by the Compensation Committee on an individual basis based upon a number of factors, including the provisions of any existing employment contract with an executive officer, evaluation of the executive officer's performance, the level of responsibility associated with the executive officer's office, recruitment requirements and the performance of the Company. Compensation of the executive officers of the Company has historically been structured to motivate, reward and retain the executive officers consistent with the needs of the Company from time to time. The major elements of the executive officers' compensation are base salary, short-term incentive in the form of a bonus, and a long-term incentive in the form of options to purchase common stock, with an emphasis on annual bonuses and options.

The Compensation Committee reviews and establishes the base salary of the Chief Executive Officer based on independent competitive data, his leadership in establishing performance standards in the conduct of the Company's business, and its expectations as to his future contributions in directing the long-term success of the Company and its business.

The foregoing report is submitted by the Compensation Committee of the Board of Directors of the Company in accordance with requirements of the Securities Exchange Act of 1934 (as amended) and the rules and regulations thereunder, and is not intended to create any contractually binding employment rights for the benefit of any employee of the Company.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The members of the Nominating and Corporate Governance Committee are Directors Roger D. Sack, J. Alan Cowart, and Titus W. Greene (Chair). All members of the Nominating Committee are independent as defined by the NASD's listing requirements. The Nominating Committee acts under a written charter, adopted by the Board of Directors, which was appended to the 2004 proxy statement. The Nominating Committee reports to and assists the Board of Directors in identifying individuals for membership to the Board and recommends to the Board the director nominees for the next Annual Meeting of shareholders. The Nominating Committee held two meetings in 2004.

Nominees are chosen for their ability to represent all of the shareholders, and for their character, judgment, fairness and overall ability. As a group, they are expected to set the appropriate policy for the Company, and to bring to the Board of Directors broad experience in business matters and an insight and awareness of the appropriate and ever-changing role that corporations should have in society. Because the advice of those facing similar problems is of particular value, executive officers of other corporations are desirable nominees.

The following personal criteria will be considered in selecting candidates for the Board of Directors:

Independence

Wisdom

Integrity

Understanding and general acceptance of our corporate philosophy

Valid business or professional knowledge and experience, that can bear on our strategies and deliberations

Proven record of accomplishment

Willingness to speak one's mind

Ability to challenge and stimulate management

Future orientation

Willingness to commit time and energy

The Nominating Committee will also consider proposals for nominees for director from stockholders, which are made in writing to the Secretary of the Company and comply with By-Law requirements. The recommendation must contain sufficient background information concerning the nominee to enable a proper judgement to be made as to his or her qualifications. Recommendations must also include a written statement from the candidate expressing a willingness to serve.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's Officers and Directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the Securities and Exchange Commission. Such Officers, Directors and 10% stockholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, the Company believes that, during the fiscal year ended December 31, 2004, no persons filed Form 4 on an untimely basis.

RELATED PARTY TRANSACTIONS

Messrs. Bozeman, Cowart, Hontzas and Vezertzis collectively own franchises with respect to ten (10) restaurants. The franchises were granted on the same terms and conditions as franchises to non-affiliated persons and these gentlemen paid the same royalty, advertising, and other costs as any other non-affiliated franchisee.

In January 2005, the Company terminated a sublease and management agreement with V & F Food Services, an entity in which Pat Vezertzis, a Director, is a partner. In connection with the termination, the Company paid to V & F a termination fee of \$100,000, which resulted in a release and termination of the lease agreement. Additionally, the Company recorded expenses of \$112,500 and \$42,500 in 2004 and 2003 respectively.

In November 2003, the Company entered into a joint venture, organized as a Virginia Limited Liability Company, with W & K Foods, LLC, in which William E. Proffitt, a Director, is the principal. The purpose of the organization is to develop and operate a restaurant. Each member will contribute an initial capital cash contribution of \$250,000. This project is still in the development stage.

The Board of Directors has a policy that all transactions with its Officers, Directors, employees and affiliates of the Company will be approved by a majority of disinterested Directors of the Company or a special committee of the Board of Directors consisting of disinterested persons, and will be on terms no less favorable to the Company than such Directors or committee believe would be available from unrelated third parties.

CODE OF ETHICS

The Company has adopted a Code of Ethics applicable to its Directors, Officers and employees. A copy of the Code of Ethics was filed as an exhibit to the Company's Annual Report on Form 10-K for 2003.

OTHER MATTERS

Edgar Filing: WESTERN SIZZLIN CORP - Form DEF 14A

The Company knows of no other matters to be submitted at the meeting. If any other matters properly come before the meeting, it is the intention of the persons named in the enclosed proxy card to vote the shares they represent as the Board of Directors may recommend.

3. Administration

A. *Committee.*

(i) Subject to Article 11, and to Section 3.B, the Plan shall be administered by the Board, or a committee appointed by the Board to administer the Plan (*Plan Committee*). To the extent the Board considers it desirable to comply with or qualify under Rule 16b-3 or meet the Performance-Based Exception, the Plan Committee shall consist of two or more directors of the Company, all of whom qualify as *outside directors* as defined for purposes of the regulations under Code Section 162(m) and *non-employee directors* within the meaning of Rule 16b-3. The number of members of the Plan Committee shall from time to time be increased or decreased, and shall be subject to such conditions, in each case as the Board deems appropriate to permit transactions in Shares pursuant to the Plan to satisfy such conditions of Rule 16b-3 and the Performance-Based Exception as then in effect.

(ii) The Board or the Plan Committee may appoint and delegate to another committee (*Management Committee*) any or all of the authority of the Board or the Plan Committee, as applicable, with respect to Awards to Grantees other than Grantees who are Section 16 Persons at the time any such delegated authority is exercised.

(iii) Any references herein to *Committee* are references to the Board, or the Plan Committee or the Management Committee, as applicable.

B. *Powers of Committee.* Subject to the express provisions of the Plan, the Committee has full and final authority and sole discretion as follows:

(i) to determine when, to whom and in what types and amounts Awards should be granted and the terms and conditions applicable to, each Award, and whether or not specific Awards shall be granted in connection with other specific Awards, and if so whether they shall be exercisable cumulatively with, or alternatively to, such other specific Awards;

- (ii) to construe and interpret the Plan and to make all determinations necessary or advisable for the administration of the Plan;

- (iii) to make, amend, and rescind rules relating to the Plan, including rules with respect to the exercisability and nonforfeitability of Awards upon the Termination of Affiliation of a Grantee;

- (iv) to determine the terms and conditions of all Award Agreements (which need not be identical) and, with the consent of the Grantee, to amend any such Award Agreement at any time, among other things, to permit transfers of such Awards to the extent permitted by the Plan; provided that the consent of the Grantee shall not be required for any amendment which (A) does not adversely affect the rights of the Grantee, or (B) is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any new or change in existing applicable law;

- (v) to cancel, with the consent of the Grantee, outstanding Awards and to grant new Awards in substitution therefor;

- (vi) to accelerate the exercisability (including exercisability within a period of less than six months after the Grant Date) of, and to accelerate or waive any or all of the terms and conditions applicable to, any Award or any group of Awards for any reason and at any time, including in connection with a Termination of Affiliation;

- (vii) subject to Sections 1.C and 5.C, to extend the time during which any Award or group of Awards may be exercised;

- (viii) to make such adjustments or modifications to Awards to Grantees working outside the United States as are advisable to fulfill the purposes of the Plan or to comply with applicable local law;

- (ix) to impose such additional terms and conditions upon the grant, exercise or retention of Awards as the Committee may, before or concurrently with the grant thereof, deem appropriate, including limiting the percentage of Awards which may from time to time be exercised by a Grantee; and

- (x) to take any other action with respect to any matters relating to the Plan for which it is responsible.

Edgar Filing: WESTERN SIZZLIN CORP - Form DEF 14A

All determinations on all matters relating to the Plan or any Award Agreement may be made in the sole and absolute discretion of the Committee, and all such determinations of the Committee shall be final, conclusive and binding on all Persons. No member of the Committee shall be liable for any action or determination made with respect to the Plan or any Award.

4. Shares Subject to the Plan and Maximum Awards

A. *Number of Shares Available for Grants.* Subject to adjustment as provided in Section 4.B, the number of Shares hereby reserved for issuance under the Plan shall be 500,000 and the number of Shares for which Awards may be granted to any Grantee on any Grant Date, when aggregated with the number of Shares for which Awards have previously been granted to such Grantee in the same calendar year, shall not exceed ten percent (10%) of the total Shares outstanding as of such Grant Date. If any Shares subject to an Award granted hereunder are forfeited or such Award otherwise terminates without the issuance of such Shares or of other consideration in lieu of such Shares, the Shares subject to such Award, to the extent of any such forfeiture or termination shall again be available for grant under the Plan. If any Shares (whether subject to or received pursuant to an Award granted hereunder, purchased on the open market, or otherwise obtained) are withheld, applied as payment, or sold pursuant to procedures approved by the Committee and the proceeds thereof applied as payment in connection with the exercise of an Award or the withholding of taxes related thereto, such Shares, to the extent of any such withholding or payment, shall again be available or shall increase the number of Shares available, as applicable, for grant under the Plan. The Committee may from time to time determine the appropriate methodology for calculating the number of Shares issued pursuant to the Plan. Shares issued pursuant to the Plan may be treasury Shares or newly-issued Shares.

B. *Adjustments in Authorized Shares.* In the event that the Committee determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, subdivision, consolidation or reduction of capital, reorganization, merger, scheme of arrangement, split-up, spin-off or combination involving the Company or repurchase or exchange of Shares or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that any adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or property) with respect to which Awards may be granted, (ii) the number and type of Shares (or other securities or property) subject to outstanding Awards, and (iii) the grant or exercise price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award or the substitution of other property for Shares subject to an outstanding Award; provided, in each case that with respect to Awards of Incentive Stock Options no such adjustment shall be authorized to the extent that such adjustment would cause the Plan to violate Section 422(b)(1) of the Code or any successor provision thereto; and provided further, that the number of Shares subject to any Award denominated in Shares shall always be a whole number.

5. Eligibility and General Conditions of Awards

A. *Eligibility.* The Committee may grant Awards to any Eligible Person, whether or not he or she has previously received an Award.

B. *Grant Date.* The Grant Date of an Award shall be the date on which the Committee grants the Award or such later date as specified by the Committee.

C. *Maximum Term.* The Option Term or other period during which an Award may be outstanding shall under no circumstances extend more than 10 years after the Grant Date, and shall be subject to earlier termination as herein provided; provided, however, that any deferral of a cash payment or of the delivery of Shares that is permitted or required by the Committee pursuant to Article 8 may, if so permitted or required by the Committee, extend more than 10 years after the Grant Date of the Award to which the deferral relates.

D. *Award Agreement.* To the extent not set forth in the Plan, the terms and conditions of each Award (which need not be the same for each grant or for each Grantee) shall be set forth in an Award Agreement.

E. *Termination of Affiliation.* Except as otherwise provided in an Award Agreement, and subject to the provisions of Section 14.1, the extent to which the Grantee shall have the right to exercise, vest in, or receive payment in respect of an Award following Termination of Affiliation shall be determined in accordance with the following provisions of this Section 5.E.

(i) *For Cause.* If a Grantee has a Termination of Affiliation for Cause any unexercised Option shall terminate effective immediately upon such Termination of Affiliation.

(ii) *On Account of Death or Disability.* If a Grantee has a Termination of Affiliation on account of death or Disability, then any unexercised Option whether or not exercisable on the date of such Termination of Affiliation, may be exercised, in whole or in part, within the first 12 months after such Termination of Affiliation (but only during the Option Term) by the Grantee or, after his or her death, by (A) his or her personal representative or the person to whom the Option is transferred by will or the applicable laws of descent and distribution, or (B) the Grantee's beneficiary designated in accordance with Article 7.

(iii) *On Account of Retirement.* If a Grantee has a Termination of Affiliation on account of Retirement, then any unexercised Option whether or not exercisable on the date of such Termination of Affiliation, may be exercised, in whole or in part, within the first five years after such Termination of Affiliation (but only during the Option Term) by the Grantee or, after his or her death, by (A) his or her personal representative or the person to whom the Option, as applicable, is transferred by will or the applicable laws of descent and distribution, or (B) the Grantee's beneficiary designated in accordance with Article 7.

(iv) *Any Other Reason.* If a Grantee has a Termination of Affiliation for any reason other than for Cause, death, Disability or Retirement, then any unexercised Option to the extent exercisable immediately before the Grantee's Termination of Affiliation, may be exercised in whole or in part, not later than three months after such Termination of Affiliation (but only during the Option Term) by the Grantee or, after his or her death, by (A) his or her personal representative or the person to whom the Option, as applicable, is transferred by will or the applicable laws of descent and distribution, or (B) the Grantee's beneficiary designated in accordance with Article 7.

F. *Nontransferability of Awards.*

(i) Each Award shall be exercisable only by the Grantee during the Grantee's lifetime, or, if permissible under applicable law, by the Grantee's guardian or legal representative;

(ii) No Award (prior to the time, if applicable, Shares are issued in respect of such Award), and no right under any Award, may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Grantee otherwise than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Subsidiary; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(iii) To the extent and in the manner permitted by the Committee, and subject to such terms, conditions, restrictions or limitations that may be prescribed by the Committee, a Grantee may transfer an Award (other than an Incentive Stock Option) to (i) a spouse, sibling, parent, child (including an adopted child) or grandchild (any of which, an Immediate Family Member) of the Grantee; (ii) a trust, the primary beneficiaries of which consist exclusively of the Grantee or Immediate Family Members of the Grantee; or (iii) a corporation, partnership or similar entity, the owners of which consist exclusively of the Grantee or Immediate Family Members of the Grantee.

G. *Cancellation and Rescission of Awards.* Unless the Award Agreement specifies otherwise, the Committee may cancel, rescind, suspend, withhold, or otherwise limit or restrict any unexercised Award at any time if the Grantee is not in compliance with all applicable provisions of the Award Agreement and the Plan or if the Grantee has a Termination of Affiliation for Cause.

H. *Loans and Guarantees.* The Committee may, subject to applicable law, (i) allow a Grantee to defer payment to the Company of all or any portion of the Option Price of an Option or (ii) cause the Company to loan to the Grantee, or guarantee a loan from a third party to the Grantee for, all or any portion of the Option Price of an Option or all or any portion of any taxes associated with the exercise of, nonforfeiture of, or payment of benefits in connection with, an Award. Any such payment deferral, loan or guarantee by the Company shall be on such terms and conditions as the Committee may determine.

6. Stock Options

A. *Grant of Options.* Subject to the terms and provisions of the Plan, Options may be granted to any Eligible Person in such number, and upon such terms, and at any time and from time to time as shall be determined by the

Committee. Without in any manner limiting the generality of the foregoing, the Committee may grant to any Eligible Person, or permit any

Eligible Person to elect to receive, an Option in lieu of or in substitution for any other compensation (whether payable currently or on a deferred basis, and whether payable under this Plan or otherwise) which such Eligible Person may be eligible to receive from the Company or a Subsidiary.

B. *Award Agreement.* Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the Option Term, the number of shares to which the Option pertains, the time or times at which such Option shall be exercisable and such other provisions as the Committee shall determine.

C. *Option Price.* The Option Price of an Option under this Plan shall be determined by the Committee, and shall be equal to or more than 100% of the Fair Market Value of a Share on the Grant Date; provided, however, that any Option that is (x) granted to a Grantee in connection with the acquisition (Acquisition), however effected, by the Company of another corporation or entity (Acquired Entity) or the assets thereof,(y) associated with an option to purchase shares of stock of the Acquired Entity or an affiliate thereof (Acquired Entity Option) held by such Grantee immediately prior to such Acquisition, and (z) intended to preserve for the Grantee the economic value of all or a portion of such Acquired Entity Option (Substitute Option) may, to the extent necessary to achieve such preservation of economic value, be granted with an Option Price that is less than 100% of the Fair Market Value of a Share on the Grant Date.

D. *Grant of Incentive Stock Options.* At the time of the grant of any Option, the Committee may designate that such Option shall be made subject to additional restrictions to permit it to qualify as an incentive stock option under the requirements of Section 422 of the Code. Any Option designated as an Incentive Stock Option shall, to the extent required by Section 422 of the Code:

(i) if granted to a 10% Owner, have an Option Price not less than 110% of the Fair Market Value of a Share on its Grant Date;

(ii) be exercisable for a period of not more than 10 years (five years in the case of an Incentive Stock Option granted to a 10% Owner) from its Grant Date, and be subject to earlier termination as provided herein or in the applicable Award Agreement;

(iii) not have an aggregate Fair Market Value (as of the Grant Date of each Incentive Stock Option) of the Shares with respect to which Incentive Stock Options (whether granted under the Plan or any other stock option plan of the Grantee's employer or any parent or Subsidiary thereof (Other Plans)) are exercisable for the first time by such Grantee during any calendar year, determined in accordance with the provisions of Section 422 of the Code, which exceeds \$100,000 (the \$100,000 Limit);

(iv) if the aggregate Fair Market Value of the Shares (determined on the Grant Date) with respect to the portion of such grant which is exercisable for the first time during any calendar year (Current Grant) and all Incentive Stock Options

previously granted under the Plan and any Other Plans which are exercisable for the first time during the same calendar year (Prior Grants) would exceed the \$100,000 Limit be exercisable as follows:

(A) the portion of the Current Grant which would, when added to any Prior Grants, be exercisable with respect to Shares which would have an aggregate Fair Market Value (determined as of the respective Grant Date for such options) in excess of the \$100,000 Limit shall, notwithstanding the terms of the Current Grant, be exercisable for the first time by the Grantee in the first subsequent calendar year or years in which it could be exercisable for the first time by the Grantee when added to all Prior Grants without exceeding the \$100,000 Limit; and

(B) if, viewed as of the date of the Current Grant, any portion of a Current Grant could not be exercised under the preceding provisions of this Section during any calendar year commencing with the calendar year in which it is first exercisable through and including the last calendar year in which it may by its terms be exercised, such portion of the Current Grant shall not be an Incentive Stock Option, but shall be exercisable as an Option which is not an Incentive Stock Option at such date or dates as are provided in the Current Grant;

(v) be granted within 10 years from the earlier of the date the Plan is adopted or the date the Plan is approved by the stockholders of the Company; and

(vi) by its terms not be assignable or transferable other than by will or the laws of descent and distribution and may be exercised, during the Grantee's lifetime, only by the Grantee; provided, however, that the Grantee may, in any manner permitted by the Plan and specified by the Committee, designate in writing a beneficiary to exercise his or her Incentive Stock Option after the Grantee's death.

Any Option designated as an Incentive Stock Option shall also require the Grantee to notify the Committee of any disposition of any Shares issued pursuant to the exercise of the Incentive Stock Option under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions) (any such circumstance, a Disqualifying Disposition), within 10 days of such Disqualifying Disposition.

Notwithstanding the foregoing, the Committee may, without the consent of the Grantee, at any time before the exercise of an Option (whether or not an Incentive Stock Option), take any action necessary to prevent such Option from being treated as an Incentive Stock Option.

E. *Payment.* Options granted under this Article 6 shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares made by any one or more of the following means subject to the approval of the Committee:

1. cash, personal check or wire transfer;

2. Mature Shares, valued at their Fair Market Value on the date of exercise;

3. subject to applicable law, pursuant to procedures approved by the Committee, through the sale of the Shares acquired on exercise of the Option through a broker-dealer to whom the Grantee has submitted an irrevocable notice of exercise and irrevocable instructions to deliver promptly to the Company the amount of sale or loan proceeds sufficient to pay for such Shares, together with, if requested by the Company, the amount of federal, state, local or foreign withholding taxes payable by Grantee by reason of such exercise; or

4. when permitted by the Committee, payment may also be made in accordance with Section 5.H.

7. Beneficiary Designation

Each Grantee under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Grantee, shall be in a form prescribed by the Company, and will be effective only when filed by the Grantee in writing with the Company during the Grantee's lifetime. In the absence of any such designation, benefits remaining unpaid at the Grantee's death shall be paid to the Grantee's estate.

8. Deferrals

The Committee may permit or require a Grantee to defer receipt of the payment of cash or the delivery of Shares that would otherwise be due by virtue of the exercise of an Option. If any such deferral is required or permitted, the Committee shall establish rules and procedures for such deferrals. Except as otherwise provided in an Award Agreement, any payment or any Shares that are subject to such deferral shall be made or delivered to the Grantee upon the Grantee's Termination of Affiliation.

9. Rights of Employees/Directors/Consultants

A. *Employment.* Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Grantee's employment, directorship or consultancy at any time, nor confer upon any Grantee the right to continue in the employ or as a director or consultant of the Company.

B. *Participation.* No employee, director or consultant shall have the right to be selected to receive an Award under the Plan, or, having been so selected, to be selected to receive a future Award.

10. Change of Control

A. **Change of Control.** Except as otherwise provided in an Award Agreement, if a Change of Control occurs, then any unexercised Option, whether or not exercisable on the date of such Change of Control, shall thereupon be fully exercisable and may be exercised, in whole or in part.

B. **Pooling of Interests Accounting.** If the Committee determines, prior to a sale or merger of the Company that the Committee determines is reasonably likely to occur, that the grant or exercise of Options, would preclude the use of pooling of interests accounting (pooling) after the consummation of such sale or merger and that such preclusion of pooling would have a material adverse effect on such sale or merger, the Committee may (a) make any adjustments in such Options, prior to the sale or merger that will permit pooling after the consummation of such sale or merger or (b) cause the Company to pay the benefits attributable to such Options, (including for this purpose not only the spread between the then Fair Market Value of the Shares subject to such Options, and the Option Price or Strike Price applicable thereto, but also the additional value of such Options, in excess of such spread, as determined by the Committee) in the form of Shares if such payment would not cause the transaction to remain or become ineligible for pooling; provided, however, no such adjustment or payment may be made that would adversely affect in any material way any such Options, without the consent of the affected Grantee.

11. Amendment, Modification, and Termination

A. **Amendment, Modification, and Termination.** Subject to the terms of the Plan, the Board may at any time and from time to time, alter, amend, suspend or terminate the Plan in whole or in part without the approval of the Company's stockholders. The Board may delegate to the Plan Committee any or all of the authority of the Board under this Section 11.A to alter, amend suspend or terminate the Plan.

B. **Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events.** The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including the events described in Section 4.B) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan; provided that no such adjustment shall be authorized to the extent that such authority would be inconsistent with the Plan's meeting the requirements of the Performance-Based Exception.

C. **Awards Previously Granted.** Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Grantee of such Award.

12. Withholding

A. *Withholding*

1. *Mandatory Tax Withholding.*

(A) Whenever under the Plan, Shares are to be delivered upon exercise or payment of an Award or any other event with respect to rights and benefits hereunder, the Company shall be entitled to require (i) that the Grantee remit an amount in cash, or if determined by the Committee, Mature Shares, sufficient to satisfy all federal, state, local and foreign tax withholding requirements related thereto (Required Withholding), (ii) the withholding of such Required Withholding from compensation otherwise due to the Grantee or from any Shares or other payment due to the Grantee under the Plan or (iii) any combination of the foregoing.

(B) Any Grantee who makes a Disqualifying Disposition or an election under Section 83(b) of the Code shall remit to the Company an amount sufficient to satisfy all resulting Required Withholding; *provided* that, in lieu of or in addition to the foregoing, the Company shall have the right to withhold such Required Withholding from compensation otherwise due to the Grantee or from any Shares or other payment due to the Grantee under the Plan.

2. *Elective Share Withholding.*

(A) Subject to subsection 12.A.1.(2), a Grantee may elect the withholding (Share Withholding) by the Company of a portion of the Shares subject to an Award upon the exercise of such Award or upon making an election under Section 83(b) of the Code (each, a Taxable Event) having a Fair Market Value equal to (i) the minimum amount necessary to satisfy Required Withholding liability attributable to the Taxable Event; or (ii) with the Committee's prior approval, a greater amount, not to exceed the estimated total amount of such Grantee's tax liability with respect to the Taxable Event.

(B) Each Share Withholding election shall be subject to the following conditions:

(1) any Grantee's election shall be subject to the Committee's discretion to revoke the Grantee's right to elect Share Withholding at any time before the Grantee's election if the Committee has reserved the right to do so in the Award Agreement;

(2) the Grantee's election must be made before the date (the Tax Date) on which the amount of tax to be withheld is determined; and

(3) the Grantee's election shall be irrevocable.

B. *Notification Under Code Section 83(b)*. If the Grantee, in connection with the exercise of any Option, makes the election permitted under Section 83(b) of the Code to include in such Grantee's gross income in the year of transfer the amounts specified in Section 83(b) of the Code, then such Grantee shall notify the Company of such election within 10 days of filing the notice

of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code. The Committee may, in connection with the grant of an Award or at any time thereafter prior to such an election being made, prohibit a Grantee from making the election described above.

13. Successors

A. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise of all or substantially all of the business and/or assets of the Company.

14. Additional Provisions

A. *Gender and Number.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular and the singular shall include the plural.

B. *Severability.* If any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any other part of the Plan. Any Section or part of a Section so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

C. *Requirements of Law.* The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or stock exchanges as may be required. Notwithstanding any provision of the Plan or any Award, Grantees shall not be entitled to exercise, or receive benefits under, any Award, and the Company shall not be obligated to deliver any Shares or other benefits to a Grantee, if such exercise or delivery would constitute a violation by the Grantee or the Company of any applicable law or regulation.

D. *Securities Law Compliance.*

1. If the Committee deems it necessary to comply with any applicable securities law, or the requirements of any stock exchange upon which Shares may be listed, the Committee may impose any restriction on Shares acquired pursuant to Awards under the Plan as it may deem advisable. All certificates for Shares delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange upon which Shares are then listed, any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. If so requested by the Company, the Grantee shall make a written

representation to the Company that he or she will not sell or offer to sell any Shares unless a registration statement shall be in effect with respect to such Shares under the Securities Act of

1993, as amended, and any applicable state securities law or unless he or she shall have furnished to the Company evidence satisfactory to the Company that such registration is not required.

2. If the Committee determines that the exercise or nonforfeitability of, or delivery of benefits pursuant to, any Award would violate any applicable provision of securities laws or the listing requirements of any stock exchange upon which any of the Company's equity securities are listed, then the Committee may postpone any such exercise, nonforfeitability or delivery, as applicable, but the Company shall use all reasonable efforts to cause such exercise, nonforfeitability or delivery to comply with all such provisions at the earliest practicable date.

E. *No Rights as a Stockholder.* A Grantee shall not have any rights as a stockholder of the Company with respect to the Shares which may be deliverable upon exercise or payment of such Award until such shares have been delivered to him or her.

F. *Nature of Payments.* Awards shall be special incentive payments to the Grantee and shall not be taken into account in computing the amount of salary or compensation of the Grantee for purposes of determining any pension, retirement, death or other benefit under (a) any pension, retirement, profit-sharing, bonus, insurance or other employee benefit plan of the Company or any Subsidiary or (b) any agreement between (i) the Company or any Subsidiary and (ii) the Grantee, except as such plan or agreement shall otherwise expressly provide.

G. *Governing Law.* The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware other than its laws respecting choice of law.
