PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously reported, the Registrant encountered unanticipated delays in completing the audit process for its financial statements for the fiscal year ended December 31, 2004. As disclosed in the Registrant's Current Report on Form 8-K filed on April 19, 2005, the Registrant was notified by its former independent registered public accountants, Anchin, Block & Anchin LLP (Anchin), that Anchin would not be able to complete its audit of the Registrant's financial statements for the fiscal year ended December 31, 2004, and was resigning from the audit engagement. On May 3, 2005, as reported in the Registrant's Current Report on Form 8-K filed on May 4, 2005, the Audit Committee of the Board of Directors of the Registrant approved the engagement of Miller Wachman LLP (Miller) as the Registrant's new independent auditors. Miller has begun the process of auditing the Registrant's financial statements for the fiscal year ended December 31, 2004 and of re-auditing the Registrant's financial statements for the fiscal year ended December 31, 2003, but that process is not yet complete. Accordingly, the Registrant is currently unable to complete its financial statements for the quarter ended March 31, 2005, many portions of which would take as their basis information contained in the financial statements for the fiscal year ended December 31, 2004.

The Registrant believes that it is taking all necessary steps to address the issues raised by the termination of Anchin's audit engagement and that it is facilitating Miller's audit processes for the fiscal years ended December 31, 2003 and 2004. On May 16, 2005, the Registrant announced that Paul Murphy has been hired as the Registrant's new Chief Financial Officer and Vice President of Finance. Mr. Murphy will work closely with Miller in order to complete the process of auditing the financial statements for the fiscal years ended December 31, 2003 and 2004. Until this process has been fully completed, the Registrant currently does not believe that it will be able to timely file any periodic or current reports, required by the Securities Exchange Act of 1934, which require the inclusion of financial information.

Yes No

The Registrant is currently unable to make a reasonable estimate of any anticipated significant changes in results of operations from the corresponding period for the last fiscal year, because the audit process for the fiscal years ended December 31, 2003 and 2004 have not yet been completed.
