REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Benefits Administration Committee

Equitable Resources, Inc. Savings and Protection Plan

We have audited the accompanying statements of net assets available for benefits of the Equitable Resources, Inc. Savings and Protection Plan as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2004 and 2003, and the changes in its net assets available for benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2004 and reportable transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

EQUITABLE RESOURCES, INC.

SAVINGS AND PROTECTION PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED

DECEMBER 31, 2004

1. Description of Plan

The following description of the Equitable Resources, Inc. Savings and Protection Plan (Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing and savings plan, with a 401(k) salary reduction feature, implemented on September 1, 1987, by Equitable Resources, Inc. and certain subsidiaries (the Company or Companies).

All regular, full-time employees of the Companies who are covered by a collective bargaining agreement are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants can elect to contribute between 1% and 15% of eligible earnings to the Plan, subject to Internal Revenue Code limitations. These contributions are referred to as contract contributions. Matching contributions are subject to the respective collective bargaining agreements. Prior to January 1, 1999, the matching contribution followed the participant's contract contribution. Effective January 1, 1999, the matching contribution will be invested in the Employer Stock Fund until the participant is 100% vested. After the participant is 100% vested, the matching contribution will follow the participant's contract investment election(s).

Rollover Contributions

Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

Vesting

Participants are 100% vested in the value of contract contributions made, and any rollover contributions.

If employment is terminated by the Companies for any reason other than retirement, death or total and permanent disability, a participant is entitled to receive the vested value of any matching contributions, as determined in accordance with the following schedule:

Years of Continuous Service	Vested Interest
One year	33%
Two years	66%
Three years	100%

Amounts forfeited by participants upon termination will be used to reduce the amount of the Company's future matching contributions to the Plan.

Upon retirement, death or total and permanent disability of the participant or termination of the Plan, a participant is entitled to receive the full value of any matching contributions, regardless of years of continuous service.

Withdrawals by Participants

Payments to participants are made in one of the following ways, subject to certain limitations: a single sum payment, a single life annuity with substantially equal monthly installments, a single life or joint and survivor annuity with a minimum guaranteed number of monthly benefits, or substantially equal annual installments payable over a period not to exceed the life expectancy or joint life expectancies of the participant or of the participant and his designated beneficiary.

Loans to Participants

A participant may borrow money from the Plan in amounts up to the lesser of \$50,000, or 50% of the vested balance of a participant's account.

Administrative Expenses

The plan pays administrative expenses associated with the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments

The Employer Stock Fund consisting of Equitable Resources, Inc. common stock (Company common stock) is valued at market price as quoted on the New York Stock Exchange. There were 35,482 and 26,620 shares of Company common stock at December 31, 2004 and 2003, respectively. Contracts included in the Putnam Stable Value Fund are valued at face value, which approximates market. Other investments are valued at market.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Investments

Investments that represent 5% or more of fair value of the Plan's net assets are as follows:

	December 31	
	2004	2003
Putnam Stable Value Fund	\$ 2,859,210	\$ 2,948,243
The Putnam Fund for Growth & Income	2,216,699	2,393,240

Putnam Voyager Fund	1,905,427	2,163,338
The George Putnam Fund of Boston	1,043,514	1,199,846

*Nonparticipant-directed

The Plan's investments (including investments purchased, sold as well as held during the year) appreciated (depreciated) in fair value as determined by quoted market prices as follows:

	December 31	
	2004	2003
Investments at fair value as determined by quoted market prices:		
Registered investment companies	\$ 613,242	\$ 1,383,976

Common/collective trusts	13,322	18,602
	\$ 1,165,382	\$ 1,620,424

Information about the net assets and significant components of the changes in net assets related to the nonparticipant-directed investment as of and for the years ended December 31, 2004 and 2003 is as follows:

	December 31	
	2004	2003

Interfund transfers	427,495	(44,687)
Other		
Net increase	\$ 1,009,774	\$ 94,464

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the interests of all affected participants will become fully vested.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated July 8, 2002, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

7. Subsequent Event

In January 2005, the Plan transferred existing account balances to Fidelity Management Trust Company (Fidelity), under the terms of a custodial agreement executed with the Company. As a result of the transfer to Fidelity, certain investment options are no longer available to participants and certain other investment options have been added.
