PROXY STATEMENT

Precis, Inc.

**2040 North Highway 360
Grand Prairie, Texas 75050
Telephone: (866) 578-1665**

**ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON JULY 26, 2005**

SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is furnished to the shareholders of Precis, Inc. in connection with an Annual Meeting of the holders of Precis common stock to be held in the Hampton Inn at 2050 North Highway 360, Grand Prairie, Texas, at 4:30 p.m., local time, on July 26, 2005, and any adjournment or postponement of the Annual Meeting. This Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders and Proxy will be first mailed on or about June 30, 2005, to Precis shareholders of record on June 21, 2005.

If the accompanying Proxy is properly executed and returned, the shares of common stock represented by the Proxy will be voted at the Annual Meeting. If you indicate on the Proxy a choice with respect to any matter to be voted on, your shares will be voted in accordance with your choice. If no choice is indicated, your shares of common stock will be voted FOR

- the election of six directors, each to hold office until the 2006 annual meeting of shareholders and until her or his successor is duly elected and qualified; and
- ratification of BDO Seidman, LLP as the independent registered public accounting firm for 2005.

In addition, your shares will also be considered and voted upon other business that properly comes before the Annual Meeting or any adjournment or postponement. Our Board of Directors knows of no business that will be presented for consideration at the Annual Meeting, other than matters described in this Proxy Statement. Once given, you may revoke the Proxy by

- giving written notice of revocation to our Secretary at any time before your Proxy is voted,
- executing another valid proxy bearing a later date and delivering this proxy to our Secretary prior to or at the Annual Meeting, or
- attending the Annual Meeting and voting in person.

Neither the corporate laws of Oklahoma, the state in which we are incorporated, nor our Certificate of Incorporation or Bylaws have any provisions regarding the treatment of abstentions and broker non-votes. Accordingly, (i) abstentions and broker non-votes are counted for purposes of determining the presence of a quorum at the Annual Meeting, (ii) abstentions are treated as votes not cast but as shares represented at the Annual Meeting for purposes of determining results on actions requiring a majority vote (broker non-votes are treated as votes neither cast nor represented for purposes of such actions), and (iii) neither abstentions nor broker non-votes are counted in determining results of plurality votes.

We will bear the expenses of this proxy solicitation, including the cost of preparing and mailing this Proxy Statement and accompanying Proxy. These expenses include the charges and expenses of banks, brokerage firms, and other custodians, nominees or fiduciaries for forwarding solicitation material regarding the Annual Meeting to beneficial owners of our common stock. Our directors or employees may solicit Proxies by mail, telephone, and personal interview or by other means without additional compensation, other than reimbursement for their related out-of-pocket expenses.

SHAREHOLDERS ENTITLED TO VOTE

The shareholders entitled to vote at the Annual Meeting are the holders of record, at the close of business on June 21, 2005 (the Record Date), of 12,156,239 shares of common stock then outstanding. Each holder of a share of common stock outstanding on the Record Date will be entitled to one vote for each share held on each matter presented at the Annual Meeting. Our officers, directors and nominee directors own of record a total of 104,609 shares or 0.9% of our issued and outstanding common stock, all of which we anticipate will be voted in favor of the matters to be voted upon at the Annual Meeting. There is no cumulative voting with respect to the election of directors. The presence in person or by proxy of the holders of a majority of the shares of common stock outstanding and represented at the Annual Meeting will constitute a quorum for the transaction of business.

PROPOSAL ONE ELECTION OF DIRECTORS

Our Board of Directors has nominated each of Eugene E. Becker, J. French Hill, Kent H. Webb, Nicholas J. Zaffiris, Kenneth S. George and Robert E. Jones (each, a Nominee or, collectively, Nominees) for election as a director for a term expiring in 2006 or until his successor is elected and qualified or until his earlier death, resignation or removal. For information about each Nominee, see Directors.

The persons named as proxies in the accompanying Proxy, who have been designated by our Board, intend to vote, unless otherwise instructed in the Proxy, for the election of Messrs. Becker, Hill, Webb, Zaffiris, George and Jones. Should any Nominee become unable for any reason to stand for election as a director, it is intended that the persons named in the Proxy will vote for the election of another person as our Board may recommend. We know of no reason why the Nominees will be unavailable or unable to serve.

Required Affirmative Vote

A plurality of the votes cast is required for the election of directors. This means that the six director nominees with the most votes are elected. An abstention from voting and broker non-votes will be tabulated as a vote withheld on the election, but will be included in computing the number of shares present for purposes of determining the presence of a quorum for the Annual Meeting.

Recommendation of Our Board of Directors

Our Board of Directors recommends a vote FOR the election of Eugene E. Becker, J. French Hill, Kent H. Webb, Nicholas J. Zaffiris, Kenneth S. George and Robert E. Jones to our Board. We will vote your proxy accordingly unless you specify a contrary choice.

BOARD OF DIRECTORS AND COMMITTEE MATTERS

The number of directors is currently fixed at six. In general, a director holds office for a term expiring at the next annual meeting of our shareholders or until her or his successor is duly elected and qualified. Nominations of candidates for election as our directors may be made at any meeting of our shareholders by or at the direction of our Board of Directors or by any shareholder entitled to vote at the meeting. Information Concerning the Board of Directors

Our Board of Directors currently consists of six members, five of whom qualify as independent within the meaning of the listing standards of The Nasdaq Stock Market, Inc. The Board determined that each member of the Board, other than Robert E. Jones, qualify as independent directors. Mr. Jones does not qualify because of his recent affiliation with the National Center for Employment of the Disabled, from whom we acquired Access HealthSource, Inc. in June 2004.

Each nominee director currently serves as a member of our Board of Directors. During 2004, our Board of Directors held 7 meetings and took action one time through unanimous approval of a written record and memorandum of action in lieu of meeting. All of the Nominees were present at the Board meetings and the meetings of the Committees on which he served, other than Mr. George, who failed to attend one Board meeting and Mr. Becker, who failed to attend two board meetings. The Board met in executive session, without members of management, four times.

Our Board maintains four standing committees: Audit, Compensation, Governance and Nominating, and Medical. The Compensation Committee and Audit Committee were established in 1999 and the Corporate Governance Committee and Medical Committee were established in 2003. In 2004, the Corporate Governance Committee became the Governance and Nominating Committee by action of the Board. All committees report on their activities to our Board and serve at the pleasure of our Board. The specific duties of the Audit and Governance and Nominating Committees are set forth in the charter of the committee. The charters of our Audit and Governance and Nominating committees are available on the Precis web site at www.precis-pcis.com under the section marked investor relations .

Audit Committee Matters

The Audit Committee monitors the integrity of our financial statements, the independence and qualifications of the independent registered public accounting firm, our compliance with legal and regulatory requirements and the effectiveness of our internal controls. The Audit Committee is also responsible for retaining, evaluating, and, if appropriate, recommending the termination of our independent registered public accounting firm. Our independent registered public accounting firm is responsible for expressing an opinion on the conformity of our audited financial statements with the standards of the Public Accounting Oversight Board (United States).

Our Board of Directors has determined that J. French Hill, one of our Directors and member and Chairman of the Audit Committee, qualifies as a financial expert. This determination was based upon Mr. Hill's

- understanding of generally accepted accounting principles and financial statements;
- ability to assess the general application of generally accepted accounting principles in connection with the accounting for estimates, accruals and reserves;
- experience preparing, auditing, analyzing or evaluating financial statements that present the breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by our financial statements, or experience actively supervising one or more persons engaged in such activities;
- understanding of internal controls and procedures for financial reporting; and
- understanding of Audit Committee functions.

Mr. Hill's experience and qualification as a financial expert were acquired through his extensive background in financial analysis, investment banking, finance and commercial banking. He has also participated in the preparation of financial statements and registration statements filed with the Securities and Exchange Commission. Mr. Hill also currently serves on two other audit committees (in one case, as an *ex officio* member) of companies that are not publicly-held where he has oversight responsibility of the financial statements and works with the internal accountants and external auditors on audit and accounting matters.

In the performance of its functions, our Audit Committee

- reviewed and discussed the audited consolidated financial statements for 2004 with our management,
- received the written disclosures and the letter from our independent registered public accounting firm required by Independence Standards Board Standard No. 1 and discussed with the independent registered public accounting firm their independence, and
- recommended to our Board of Directors that the audited financial statements as of and for the year ended December 31, 2004 be included in our annual report on Form 10-K for filing with the Securities and Exchange Commission.

Our review with the independent registered public accounting firm included a discussion of such firm's judgments as to the quality, not just the acceptability, of our accounting principles and other matters as are to be discussed with the Audit Committee under Statement of Auditing Standards No. 61. The Audit Committee also discussed with the independent registered public accounting firm their independence from the Company and our management, including disclosures received by the Audit Committee in accordance with the requirements of the Independence Standards Board. Furthermore, the Audit Committee considered whether the non-financial statement audit services provided by our independent registered public accounting firm affected their independence. The Audit Committee will discuss with our independent registered public accounting firm the overall scope and plans of their audit for 2005.

Each member of the Audit Committee is an independent director within the meaning of the listing standards of The Nasdaq Stock Market, Inc. and the rules of the Securities and Exchange Commission. During 2004, our Audit Committee formally met six (6) times and Mr. Hill, the Chairman of the Audit Committee and designated financial expert, met with our registered independent public accounting firm by telephone or in person on a quarterly basis to discuss our quarterly financial statements. Our Audit Committee met with our Board of Directors four (4) times during 2004.

Change of Independent Registered Public Accounting Firm. Effective June 19, 2003, our Board of Directors, upon the recommendation of the Audit Committee, dismissed Murrell, Hall, McIntosh & Co., PLLP as our independent public accountants. On the same date, upon the recommendation and approval of the Audit Committee, our Board of Directors engaged BDO Seidman, LLP as our independent registered public accounting firm for 2003. BDO Seidman, LLP, remains our registered independent public accounting firm.

The audit reports of Murrell, Hall, McIntosh & Co., PLLP reports on our 2000, 2001 and 2002 consolidated financial statements contained no adverse opinion or disclaimer of opinion and were not qualified or modified, as to uncertainty, audit scope, or accounting principles.

There were no disagreements with Murrell, Hall, McIntosh & Co., PLLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which disagreements, if not resolved to the satisfaction of Murrell, Hall, McIntosh & Co., PLLP would have caused it to make reference to the subject matter of the disagreements in connection with its reports. Also, there was no occurrence of a reportable event under Item 304(a)(1)(v) of Regulation S-K or Item 304 of Regulation S-B respecting the years ended December 31, 2000, 2001 and 2002 and the interim period through May 14, 2003.

We provided Murrell, Hall, McIntosh & Co., PLLP with a copy of the foregoing disclosures. By copy of a letter dated June 19, 2003, Murrell, Hall, McIntosh & Co., PLLP stated its agreement with such statements.

During 2000, 2001 and 2002 and the subsequent interim period through May 14, 2003, we had not previously consulted with BDO Seidman, LLP on items that (i) concerned the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements or (ii) concerning any subject matter of a disagreement or reportable event with Murrell, Hall, McIntosh & Co., PLLP.

Fees for Independent Registered Public Accounting Firm. During 2003 and 2004, BDO Seidman, LLP rendered professional services to us in connection with, among other things, the audit of our annual financial statements for the years ended December 31, 2004 and 2003 and reviews of certain unaudited financial statements included in our Quarter Reports on Form 10-Q.

Edgar Filing: PRECIS INC - Form DEF 14A

The aggregate fees for professional services rendered to us for the years ended December 31, 2004 and 2003 were as follows:

Audit Fees. During the years ended December 31, 2004 and 2003, we were billed \$230,550 and \$107,500 by BDO Seidman, LLP for audit services. During the year ended December 31, 2003, we were billed \$47,935 by Murrell, Hall, McIntosh & Co., PLLP for audit services.

Audit Related Fees. During the year ended December 31, 2004, we incurred audit related fees of \$15,800 related primarily to reviews of SEC filings.

Tax Fees. During the years ended December 31, 2004, and 2003 we were billed \$22,522 and \$36,950 by BDO Seidman, LLP, for tax services. During the years ended December 31, 2004 and 2003, tax services included fees for tax compliance and consulting services related to our annual federal and state tax returns.

All Other Fees. During the year ended December 31, 2004, we incurred other fees of \$2,500 in connection with a proposed acquisition.

In reliance on the review and discussions referred to above, the Audit Committee recommended to our Board of Directors, and the Board approved, that the audited financial statements for the fiscal year ended December 31, 2004, be filed with the Securities and Exchange Commission. The Audit Committee has selected BDO Seidman LLP as our registered independent public accounting firm for 2005. Representatives of BDO Seidman LLP will be present at the Annual Meeting of Shareholders and will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions from shareholders attending the meeting.

Audit Committee Pre-Approval Procedures. Rules and regulations of the Securities and Exchange Commission implemented in accordance with the requirements of Sarbanes-Oxley Act of 2002 require audit committees of companies reporting under and pursuant to the Securities Exchange Act of 1934 to pre-approve audit and non-audit services. Our Audit Committee follows procedures pursuant to which audit, audit-related and tax services, and all permissible non-audit services, are pre-approved by category of service. During a year circumstances may arise that require engagement of our registered independent public accounting firm for additional services not contemplated in the original pre-approval. In those instances, we still obtain the specific pre-approval of our Audit Committee before engaging our such firm. The procedures require our Audit Committee to be informed of each service, and the procedures do not include any delegation of our Audit Committee's responsibilities to management. Our Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom this authority is delegated will report any pre-approval decisions to our Audit Committee at its next scheduled meeting.

For 2004, all of the services relating to audit-related fees, tax fees and all other fees were pre-approved by our Audit Committee or the Chairman of the Audit committee pursuant to delegated authority.

J. French Hill, Chairman

Report of the Compensation Committee on Executive Compensation

Our Compensation Committee reviews and approves compensation and benefits policies and objectives, determines whether our executive officers, directors and employees are compensated according to these objectives, and carries out the responsibilities of our Board of Directors relating to the compensation of our executive officers. The Compensation Committee held three meetings with our Board of Directors during 2004. The primary goals of our Compensation Committee in setting executive officer compensation in 2004 were (i) to provide a competitive compensation package that would enable us to

attract and retain key executives and (ii) to align the interests of our executive officers with those of our shareholders and also with our performance.

Compensation of our executive officers in 2004 was comprised primarily of salary, bonus and long-term awards under our equity compensation plans. In an effort to ensure the continued competitiveness of our executive compensation policies, the Committee, in setting base salaries and bonuses and making annual and long-term incentive awards, considered the prior levels of executive compensation, the compensation paid to executive of our competitors and the terms of employment agreements.

The Committee's intent in setting salaries was and is to establish competitive rates. The annual and long-term incentive portions of an executive's compensation are intended to achieve the Committee's goal of aligning any executive's interests with those of our shareholders and with our performance. These portions of an executive's compensation are placed at risk and are linked to the effect our operating results have on the market price of our common stock and effectively are designed (in the near- and long-term) to benefit our shareholders through increased value in the event favorable operating results are achieved, while not increasing executive compensation costs in the event favorable operating results are not achieved. As a result, during years of favorable operating results our executives are provided the opportunity to participate in the increase in the market value of our common stock, much like our shareholders. Conversely, in years of less favorable operating results, the compensation of our executives may be below competitive levels. Generally, higher-level executive officers have a greater level of their compensation placed at risk.

Base Salaries. The base salaries of our executive officers in 2004 were established and based upon the results of operations achieved during 2003, the negotiated salary levels at commencement of employment with us, certain employment agreements, and a salary study conducted by an outside consultant to the company. In August 2003, the employment agreements with Judith H. Henkels, our past Chairperson, Chief Executive Officer and President, and Bobby Rhodes, our former Vice President of Provider Relations, were amended and restated to in part eliminate their rights potentially to receive as much as 15% of our earnings before interest and taxes (as defined in their respective employment agreements) in 2003 (and thereafter) and to confirm their agreement to waive receipt of this bonus right in 2001 and 2002. However, as part of the negotiation of the amended and restated employment agreements, we agreed to raise the salaries of Ms. Henkels and Mr. Rhodes to a level that was competitive within our industry. The employment agreements that we entered into with Messrs. Apodaca and Bintliff at the commencement of each of their terms of employment provide for their base salaries. The base salaries were negotiated by the Compensation Committee prior to entering into the respective employment agreement. At the direction of the Compensation Committee we engaged, in April 2004, an outside consultant to study the base salaries and other compensation of our executive officers, as compared to peer companies. From the compensation study, we found that one officer's base salary was 2% above the peer group average. This officer is no longer with the Company. The remaining officers' base salaries were below the peer group average. The CEO's salary was 26% below the peer group average and the General Counsel's base salary was 51% below the peer group average. As a result of the review, the base salary of the C.E.O. was increased to \$263,000, which remained 7% below the peer group average. The base salary of the General Counsel was increased to \$140,000, which was 15% below the peer group average. The General Counsel's current salary is \$150,000. No other salary adjustments were made. The peer group averages were taken largely from the publicly reported information of the peer companies as of 2002.

Long-Term Equity Compensation Plan Grants. Stock option grants with respect to 2004 performance were made under our 1999 Stock Option Plan to 26 employees, including our executive officers. This Plan provides for the grant of stock options, with or without stock appreciation rights. The stock options granted in 2004 were without stock appreciation rights and have exercise prices equal to or higher than the fair market value of our common stock on the date of grant. Because the options were granted with an exercise price equal to (or, in the case of Ms. Henkels, 10% greater than) the market value of our common stock at the time of grant, they provide no value unless our stock price exceeds the option exercise price. These

stock options are accordingly tied to the stock price appreciation in our common stock value at the time of grant, rewarding the executives and other employees as if they share in the ownership of our common stock like our shareholders. The number of shares subject to options granted to each executive officer was determined based upon the expected value of our common stock and our historical practice of granting stock options to our executive officers and directors.

Chief Executive Officer Compensation. The 2004 compensation received by Ms. Henkels consisted of the same components as the compensation of our other executive officers. Ms. Henkels' 2004 salary was increased from \$160,000 to \$180,000 on August 1, 2003, and from \$180,000 to \$263,000 on February 1, 2004. During 2004, Ms. Henkels received \$246,385 in salary. Under the terms of her employment agreement, Ms. Henkels' salary was to be reviewed for possible increase effective as of January 1 of each year, based upon factors considered by our Compensation Committee and Board of Directors. As of June 10, 2005, Ms. Henkels had waived her right to an increase for 2005. To meet the conditions of the amendment and restatement of Ms. Henkels' employment agreement and the waiver of her right with Bobby R. Rhodes to receive annual bonuses of approximately 15% of our earnings before interest and taxes (as defined in her employment agreement) (which would have been approximately \$959,000 in 2003), Ms. Henkels' base salary in 2004 was increased to a level competitive with that of other chief executive officers in our industry. Consideration was also given to Ms. Henkels' prior experience, demonstrated leadership and entrepreneur skills and position within the healthcare savings industry. In 2004, Ms. Henkels received a bonus of \$30,000 for her efforts and the Company's achievements in 2003. Based upon these factors and as compensation for her service on the Board of Directors, the Committee also granted to Ms. Henkels in 2004, stock options exercisable for the purchase of 10,000 common stock shares at \$2.85 (110% of the closing sale price of our common stock on the date of grant). On June 10, 2005, Ms. Henkels received notice from the Board of Directors of the termination of her employment. She has been relieved of her duties as an executive officer of the Company and she has resigned from our Board of Directors. The termination is considered an involuntary termination under the employment agreement, entitling her to certain compensatory rights.

Other Benefits. Virtually all of our employees, including executive officers, are eligible to participate in our 401(k) plan and health insurance plan. Participation in these plans is offered and available on a non-discriminatory basis.

Conclusion. The Compensation Committee believes that our executive compensation arrangements and plans serve our best interests and those of our shareholders. The Committee takes very seriously its responsibilities respecting setting and determining the compensation arrangements with our executive officers. Accordingly, the Committee continues to monitor and revise the compensation arrangements and may formulate other plans and arrangements as necessary to ensure that our compensation system continues to meet our needs and those of our shareholders.

Compensation Committee Interlocks and Insider Participation. None of the members of our Compensation Committee has at any time served as an officer or employee of the Company. No member of the Compensation Committee has any interlocking relationship with any other company that requires disclosure under this heading. No executive officer of the Company served as a director or member of the compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Governance and Nominating Committee Matters

The Governance and Nominating Committee is responsible for monitoring and overseeing corporate governance principles, including the evaluation of Board performance and selecting, evaluating, and recommending to the Board qualified candidates for election or appointment to the Board. The Governance and Nominating Committee was formed in 2004 as a combination of two previously existing committees. The Governance and Nominating Committee met one time in 2004. All members of the Governance and Nominating Committee are independent, as defined in the rules of the rules of The Nasdaq Stock Market, Inc.

Governance Guidelines and Code of Ethics. Our Board of Directors has long had in place good standards of corporate conduct and governance. In January 2003, our Board formalized these standards and adopted our code of ethics to ensure compliance with the Sarbanes-Oxley Act of 2002 and the listing standards of The Nasdaq Stock Market, Inc. Our code of ethics applies to all of our employees and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions. The Governance and Nominating Committee and our Board will continue to evaluate their roles and responsibilities with respect to Sarbanes-Oxley and the governance requirements of The Nasdaq Stock Market, Inc. A copy of the portion of our code of ethics, including that portion applicable to our principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions may be obtained by written request addressed to Eliseo Ruiz III, Corporate Secretary, Precis, Inc., 2040 North Highway 360, Grand Prairie, Texas 75050 and is available on our web site at www.precis-pcis.com under the heading Investor Relations.

Communications with Our Board. Shareholders desiring to communicate with members of our Board, including independent directors individually or as a group, may send correspondence to them in care of Eliseo Ruiz III, Corporate Secretary, Precis, Inc., 2040 North Highway 360, Grand Prairie, Texas 75050. We currently do not intend to have our Corporate Secretary screen this correspondence, but we may change this policy if directed by our Board due to the nature and volume of the correspondence.

We encourage each of our Board members to attend the Annual Meeting and the directors are expected to attend whenever reasonably possible. All Board members attended our Annual Meeting of Shareholders in 2004.

Shareholder Nominations for Directors. A shareholder wishing to recommend a candidate for election to our Board of Directors at any annual meeting at which the Board of Directors has determined that one or more directors will be elected must submit a written proposal of his or her recommendation of the candidate to our Corporate Secretary at our principal executive office. The proposal must be received at our principal executive office not less than 120 calendar days before the date that our proxy statement was released to shareholders in connection with the previous year's annual meeting. However, if we did not hold an annual meeting during the previous year, or if the date of this year's annual meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before we begin to print and mail our proxy materials. For the 2006 annual meeting, this date would be March 2, 2006. The proposal must set forth certain information concerning the proposing shareholder and the nominee, including the nominee's name and address, a representation that the proposing shareholder is entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person specified in the notice, a description of all arrangements or understandings between the proposing shareholder and the nominee and any other person pursuant to which the nomination is to be made by the proposing shareholder, the other information that would be required to be included in a proxy statement soliciting proxies for the election of the nominee and the consent of the nominee to serve as a director if elected. The chairman of the annual meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

In considering individuals for nomination as directors, the Governance and Nominating Committee typically solicits recommendations from our current directors and may engage third-party advisors to assist in the identification and evaluation of candidates. The Committee has not established specific minimum qualities or skills that the Committee believes are necessary for one or more directors to possess. Instead, in evaluating potential candidates and incumbent directors for reelection, the Committee considers numerous factors, including judgment, skill, independence, integrity, experience with business and other organizations of comparable size, the interplay of the candidate's experience with other Board members, experience as an officer or director of another publicly-held company, understanding of management trends in general or in our industry, expertise in financial accounting and corporate finance, ability to bring diversity to the member group, community or civic service, knowledge or expertise not currently on the Board, shareholder perception, and to the extent that the candidate would be a desirable addition to the Board and any committee of the Board. No particular weight is given to one factor over another on a general basis, but rather the factors are weighted in relationship to the perceived needs of the Board at the time of nominee selection. The Committee will evaluate candidates recommended or properly proposed by our shareholders on the same basis as the Committee evaluates other candidates.

To date, the Governance and Nominating Committee has not received a director candidate recommendation from any shareholder (or group of shareholders) that beneficially owns more than 5% of our common stock.

Officers, directors and greater than 10% shareholders are required to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of the forms we received covering purchase and sale transactions in our common stock during 2004, we believe that each person who, at any time during 2004, was a director, executive officer, or beneficial owner of more than 10% of our common stock complied with all Section 16(a) filing requirements during 2004.

(3) The warrants were issued to Barron Chase Securities and its assigns as compensation for the underwriting services of Barron Chase Securities associated with our initial public offering that was completed in February 2000. These warrants expired on February 8, 2005.

DIRECTOR LIABILITY AND INDEMNIFICATION

As permitted by the provisions of the Oklahoma General Corporation Act, our Certificate of Incorporation eliminates the monetary liability of our directors for a breach of their fiduciary duty as directors. However, these provisions do not eliminate our director's liability

- for a breach of the director's duty of loyalty to us or our shareholders,
- for acts or omissions by a director not in good faith or which involve intentional misconduct or a knowing violation of law,
- arising under Section 1053 of the Oklahoma General Corporation Act relating to the declaration of dividends and purchase or redemption of shares in violation of the Oklahoma General Corporation Act, or
- for any transaction from which the director derived an improper personal benefit.

In addition, these provisions do not eliminate liability of a director for violations of federal securities laws, nor do they limit our rights or our shareholders' rights, in appropriate circumstances, to seek equitable remedies including injunctive or other forms of non-monetary relief. These remedies may not be effective in all cases.

Our bylaws require us to indemnify all of our directors and officers. Under these provisions, when an individual in his or her capacity as an officer or a director is made or threatened to be made a party to any suit or proceeding, the individual may be indemnified if he or she acted in good faith and in a manner reasonably believed to be in or not opposed to our best interest. Our bylaws further provide that this indemnification is not exclusive of any other rights to which the individual may be entitled. Insofar as indemnification for liabilities arising under our bylaws or otherwise may be permitted to our directors and officers, we have been advised that in the opinion of the Securities and Exchange Commission the indemnification is against public policy and is, therefore, unenforceable.

We enter into indemnity and contribution agreements with each of our directors and executive officers. Under these indemnification agreements we have agreed to pay on behalf of the indemnitee, and his or her executors, administrators and heirs, any amount that he or she is or becomes legally obligated to pay because the

- indemnitee served as one of our directors or officers, or served as a director, officer, employee or agent of a corporation, partnership, joint venture, trust or other enterprise at our request or
- indemnitee was involved in any threatened, pending or completed action, suit or proceeding by us or in our right to procure a judgment in our favor by reason that the indemnitee served as one of our directors or officers, or served as a director, officer, employee or agent of a corporation, partnership, joint venture, trust or other enterprise at our request.

To be entitled to indemnification, the indemnitee must have acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to our best interests. In addition, no indemnification is required if the indemnitee is determined to be liable to us unless the court in which the legal proceeding was brought determines that the indemnitee was entitled to indemnification. The costs and expenses covered by these agreements include expenses of investigations, judicial or administrative proceedings or appeals, amounts paid in settlement, attorneys' fees and disbursements, judgments, fines, penalties and expenses of enforcement of the indemnification rights.

We maintain insurance to protect our directors and officers against liability asserted against them in their official capacities for events occurring after June 7, 2001. This insurance protection covers claims and any related defense costs of up to \$5,000,000 with an additional excess of loss of \$5,000,000 on excess of \$5,000,000, and an additional \$5,000,000 on excess of \$10,000,000 based on alleged or actual securities law violations, other than intentional dishonest or fraudulent acts or omissions, or any willful violation of any statute, rule or law, or claims arising out of any improper profit, remuneration or advantage derived by an insured director or officer.

EMPLOYMENT ARRANGEMENTS AND LACK OF KEYMAN INSURANCE

As of December 31, 2004, we had entered into employment agreements with each of Judith H. Henkels, Bobby Rhodes, Frank Apodaca, and Robert Bintliff. Our agreements with Ms. Henkels and Mr. Rhodes were each for a three-year term beginning on August 1, 2003, and each provided for an automatic extension for additional one-year terms, unless the employee or we give 30 days advance notice of termination. Our agreement with Mr. Apodaca is for a three year term beginning on June 18, 2004. Our agreement with Robert Bintliff is for a three year term beginning on November 1, 2004. These agreements provide, among other things,

- an annual base salary of \$263,000 in 2004 for Ms. Henkels, \$225,000 in 2004 for Mr. Apodaca, \$180,000 in 2004 for Mr. Bintliff, and \$200,000 in 2004 for Mr. Rhodes;
- entitlement to fringe benefits including medical and insurance benefits and participation in our 401(k) plan and MSA plan and any other benefit plan we establish; and
- limited salary continuation during any period of temporary or permanent disability, illness or incapacity to substantially perform the services required under the agreement or in the event of employee's death.

These agreements require the employee to devote the required time and attention to our business and affairs necessary to carry out her or his responsibilities and duties. The employee may not hold executive positions with other entities or own interests in, manage or otherwise operate other businesses; provided however that Mr. Apodaca may spend up to 20% of his time attending to his duties as an executive officer or a director of certain nonprofit entities.

Under all of these agreements, good cause for termination includes commitment of a felony, willful failure to take actions permitted by law and necessary to implement our written policies, continued failure or refusal to attend to duties, or willful misconduct materially injurious to the Company or its subsidiaries. In the event of a termination without cause (an involuntary termination), the executive is entitled to severance equal to the salary that would be paid for the remaining term on the agreement, or twenty-four months (thirty-six months in the case of Ms. Henkels), whichever is greater. The agreements also provide that, in the case of a change of control of the Company, if the executive's employment is terminated or if the executive voluntarily chooses to terminate the employment as a result of a change of control, the effect is that of an involuntary termination giving rise to the severance provision described above.

In entering the employment agreements referenced above, Ms. Henkels and Mr. Rhodes agreed to terminate their prior employment agreements with the Company. In so doing, Ms. Henkels and Mr. Rhodes waived certain rights they may have had under the prior agreements, to a portion of the Company's earnings before interest and taxes.

Mr. Rhodes' employment by the Company was terminated as of March 3, 2005.

Ms. Henkels received notice on June 10, 2005 of the termination of her employment, and she was immediately relieved of her duties as an executive officer of the Company. The termination of Ms. Henkels' employment is considered an involuntary termination under the terms of her employment agreement.

As of the date of proxy statement, we do not maintain any keyman insurance on the life or disability of our executive officers. We will consider on a periodic basis whether we should obtain keyman insurance.
