Item 2.02      **Results of Operations and Financial Condition.**

On October 28, 2005, the Company issued a press release announcing its financial results for the fiscal quarter ended September 30, 2005 and conducted a conference call to further discuss the financial results. The full text of the press release is furnished as Exhibit 99.1 to this Current Report.

On the conference call, in addition to reviewing the information contained in the press release, the executive officers also discussed the following financial information:

Export Sales year to date as of September 30, 2005 was 24% of revenue. For the year to date as of September 30, 2005, sales mix was as follows: commercial was 45% (compared to 44% in the prior full fiscal year), military was 33% (compared to 34% in the prior full fiscal year), regional jets were 6% (compared to 6% in the prior full fiscal year), business jets were 9% (compared to 8% in the prior full fiscal year) and other was 7% (compared to 8% in the prior full fiscal year).

The top ten programs represented in the backlog were the 737NG, 777, A320, CH47, C17, V22, 747, A380, F18, and E2C programs, respectively.

Boeing commercial, military and space accounted for 19.7% of net sales for the quarter ended September 30, 2005 and is the only customer that accounts for more than 10% of revenue.

The increase in sales over the prior year was all attributed to same store / organic growth.

The work stoppage at Boeing caused us to reduce our work force by approximately 5 percent in September and had a negative impact on earnings of approximately \$0.05 per share in the quarter. With the Boeing strike having ended on October 10th, we have not yet returned all employees back to work.

The Company reiterated guidance of \$1.75 to \$2.00 per share for the fiscal year, indicating that the expectation would be at the high end of that range.

The decrease in corporate expense compared to last year was partly due to a drop in costs associated with Sarbanes-Oxley 404 compliance.

The information in this Item 2.02 of this Report on Form 8-K and Exhibit 99.1 attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.
