PROXY STATEMENT

FOR 2006 ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 17, 2006

April 3, 2006

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of AvalonBay Communities, Inc., a Maryland corporation (the "Company"), for use at the 2006 Annual Meeting of Stockholders of the Company to be held on Wednesday, May 17, 2006 at 9:00 a.m. local time at The Mandarin Oriental Hotel, 222 Sansome Street, San Francisco CA 94104, and at any postponements or adjournments thereof (the "Annual Meeting"). At the Annual Meeting, stockholders will be asked to: (1) elect nine directors of the Company, (2) vote on ratifying the selection of Ernst & Young LLP as the Company's independent auditors for 2006, and (3) transact such other business as may be properly brought before the Annual Meeting.

I. GENERAL INFORMATION ABOUT THE ANNUAL MEETING

This Proxy Statement and the accompanying Notice of Annual Meeting and proxy card are first being sent to stockholders on or about April 3, 2006. The Board of Directors has fixed the close of business on March 8, 2006 as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting (the "Record Date"). Only holders of record of the Company's common stock, par value \$.01 per share (the "Common Stock"), on the Record Date will be entitled to receive notice of and to vote at the Annual Meeting. As of the Record Date, there were 74,306,384 shares of Common Stock outstanding and entitled to vote. Holders of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote at the Annual Meeting for each share of Common Stock held.

The presence, in person or by proxy, of holders of a majority of all of the shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting. A broker non-vote refers to a share represented at the Annual Meeting which is held by a broker or other nominee who has not received instructions from the beneficial owner or person entitled to vote such share and with respect to which, on one or more but not all proposals, such broker or nominee does not have discretionary voting power to vote such share.

Whether you hold shares directly as the stockholder of record or indirectly as the beneficial owner of shares held for you by a broker or other nominee (i.e., in street name), you may direct your vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares you hold in street name, by submitting voting instructions to your broker or nominee. In most instances, you will be able to do this either over the Internet, by telephone or by mail. Please refer to the summary instructions below and those included on your proxy card or, for shares you hold in street name, the voting instruction card provided by your broker or nominee.

By Internet If you have Internet access, you may submit your proxy from any location in the world by following the By Internet instructions on the proxy card, or, if applicable, the Internet voting instructions that may be described on the voting instruction card sent to you by your broker or nominee.

By Telephone If you live in the United States or Canada, you may submit your proxy by following the By Telephone instructions on the proxy card, or, if applicable, the telephone voting instructions that may be described on the voting instruction card sent to you by your broker or nominee.

By Mail You may submit your proxy by signing your proxy card and mailing it in the enclosed, postage-prepaid and addressed envelope. For shares you hold in street name, you may sign the voting instruction card included by your broker or nominee and mail it in the envelope provided.

You may change your proxy instructions at any time prior to the vote at the Annual Meeting. For shares held directly in your name, you may do this by granting a new proxy, by filing a written revocation with the Secretary of the Company at the address of the Company set forth above, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting without further action will not cause your previously granted proxy to be revoked. You may change your proxy instructions for shares you beneficially own by submitting new voting instructions to your broker or nominee.

If a properly signed proxy is submitted but not marked as to a particular item, the proxy will be voted FOR the election of the nine nominees for director of the Company named in this Proxy Statement and FOR the ratification of the Company's selection of Ernst & Young as its independent auditors for 2006. It is not anticipated that any matters other than those set forth in the Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in the discretion of the proxy holders.

The Company's 2005 Annual Report to Stockholders, including financial statements for the fiscal year ended December 31, 2005, is being mailed to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation material. **A copy of the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission (SEC) may be obtained free of charge by writing to AvalonBay Communities, Inc., 2900 Eisenhower Avenue, Suite 300, Alexandria, Virginia 22314, Attention: Chief Financial Officer or by accessing the Investor Relations section of the Company's website (www.avalonbay.com).**

II. PROPOSALS

PROPOSAL 1 ELECTION OF DIRECTORS

The Board of Directors consists of nine members. The Board has nominated for election each of the nine current directors. Accordingly, nine nominees will stand for election at the Annual Meeting and if elected will serve until the 2007 Annual Meeting of Stockholders and until their successors are elected and qualify. The following individuals have been nominated by the Board of Directors to serve as directors: Bryce Blair, Bruce A. Choate, John J. Healy, Jr., Gilbert M. Meyer, Timothy J. Naughton, Lance R. Primis, H. Jay Sarles, Allan D. Schuster and Amy P. Williams (the Nominees). The Board of Directors anticipates that each of the Nominees, if elected, will serve as a director. However, if any person nominated by the Board of Directors is unable to serve or for good cause will not serve, the proxies will be voted for the election of such other person as the Board of Directors may recommend.

Required Vote and Recommendation

Only holders of record of Common Stock as of the close of business on the Record Date are entitled to vote on this proposal. Proxies will be voted for all of the Nominees unless contrary instructions are set forth on the enclosed Proxy Card. The affirmative vote of the holders of a majority of all outstanding

shares of Common Stock is required to elect a Nominee. Accordingly, a vote withheld from a Nominee (i.e., an abstention) will have the same effect as a vote against the Nominee. Because there are only nine Nominees for nine Board positions, if a Nominee who is currently a director fails to receive the affirmative vote of the holders of a majority of all outstanding shares of Common Stock, then the Nominee will remain a director until such director's successor is duly elected and qualifies.

The Board of Directors unanimously recommends a vote FOR all of the Nominees.

The following table sets forth certain information with respect to the Nominees for election as directors at the Annual Meeting based on information furnished to the Company by each Nominee.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC AUDITORS

The Board recommends that the stockholders ratify the Audit Committee's selection of Ernst & Young LLP (Ernst & Young) as the principal independent auditors of the Company for fiscal year 2006. Ernst & Young was also the Company's principal independent auditors for fiscal year 2005. If the selection of Ernst & Young is not ratified, the Audit Committee anticipates that it will nevertheless engage Ernst & Young as auditors for fiscal year 2006, but will consider whether it should select other auditors for fiscal year 2007. If the selection of Ernst & Young is ratified by the stockholders, the Audit Committee may nevertheless determine, based on changes in fees, personnel or for other reasons, to engage a firm other than Ernst & Young for the 2006 audit.

Representatives of Ernst & Young are expected to be present at the Annual Meeting by means of audible telephone conferencing and will have the opportunity to make a statement if they desire to do so. They are also expected to be available by similar means to respond to appropriate questions.

Required Vote and Recommendation

Only holders of record of Common Stock as of the close of business on the Record Date are entitled to vote on this proposal. Proxies will be voted for ratifying the selection of Ernst & Young as the Company's independent auditors for fiscal year 2006 unless contrary instructions are set forth on the enclosed Proxy Card. A majority of the votes cast at the Annual Meeting is required to ratify the selection of Ernst & Young. Accordingly, an abstention will have no effect on the outcome of the vote.

The Board of Directors unanimously recommends a vote FOR the ratification of the selection of Ernst & Young as the Company's independent auditors for fiscal year 2006.

OTHER MATTERS

The Board of Directors does not know of any matters other than those described in this Proxy Statement which will be presented for action at the Annual Meeting. If other matters are presented, proxies will be voted in the discretion of the proxy holders.

Regardless of the number of shares you own, your vote is important to the Company. Please complete, sign, date and promptly return the enclosed proxy card or authorize a proxy by telephone or over the Internet to vote your shares by following the instructions on your proxy card.

III. CORPORATE GOVERNANCE AND RELATED MATTERS

Code of Ethics and Corporate Governance Guidelines

The Company has adopted a Code of Conduct, which constitutes a code of ethics as defined by the SEC, that applies to the Company's Board of Directors as well as its Chief Executive Officer, Chief Financial Officer, principal accounting officer, controller, and other employees of the Company. In addition, the Company has adopted Corporate Governance Guidelines. The Board of Directors has determined that Mr. Choate is an audit committee financial expert as defined by the SEC and the NYSE. Mr. Choate's designation by the Board as an audit committee financial expert is not intended to be a representation that he is an expert for any purpose as a result of such designation, nor is it intended to impose on him any duties, obligations or liability that are greater than the duties, obligations or liability imposed on him as a member of the Audit Committee and the Board in the absence of such designation. The Board of Directors has determined that the members of the Audit Committee, including the audit committee financial expert, are independent under the rules of the SEC and the NYSE. The Audit Committee, among other functions, has the sole authority to appoint and replace the independent auditors, is responsible for the compensation and oversight of the work of the independent auditors, reviews the results of the audit engagement with the independent auditors, and reviews and discusses with management and the independent auditors quarterly and annual financial statements and major changes in accounting and auditing principles. The Audit Committee met nine times during 2005. The Board of Directors has adopted a written charter for the Audit Committee. A copy of the Audit Committee charter may be obtained free of charge by writing to AvalonBay Communities, Inc., 2900 Eisenhower Avenue, Suite 300, Alexandria, Virginia 22314, Attention: Chief Financial Officer or by accessing the Investor Relations section of the Company's website (www.avalonbay.com).

The Compensation Committee, among other functions, reviews, designs and determines compensation structures, programs and amounts, establishes corporate and management performance goals and objectives, and administers the Company's incentive compensation plans, including the Company's Stock Incentive Plan. The Compensation Committee also reviews employment agreements and arrangements with officers. The Compensation Committee met three times during 2005. The Board of

Directors has adopted a written charter for the Compensation Committee. A copy of the Compensation Committee charter may be obtained free of charge by writing to AvalonBay Communities, Inc., 2900 Eisenhower Avenue, Suite 300, Alexandria, Virginia 22314, Attention: Chief Financial Officer or by accessing the Investor Relations section of the Company's website (www.avalonbay.com).

Nominating and Corporate Governance Committee. The Board of Directors has established a Nominating and Corporate Governance Committee (the Nominating Committee). The current members of this committee are Messrs. Schuster (Chair) and Primis. The Board of Directors has determined that the members of the Nominating and Corporate Governance Committee are independent under the rules of the NYSE. The Nominating Committee was formed to, among other functions, identify individuals qualified to become Board members, consider policies relating to Board and committee meetings, recommend the establishment or dissolution of Board committees and address other issues regarding corporate governance. The Nominating and Corporate Governance Committee met nine times during 2005. The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the Nominating and Corporate Governance Committee charter may be obtained free of charge by writing to AvalonBay Communities, Inc., 2900 Eisenhower Avenue, Suite 300, Alexandria, Virginia 22314, Attention: Chief Financial Officer or by accessing the Investor Relations section of the Company's web site (www.avalonbay.com).

In evaluating and determining whether to recommend a person as a candidate for election as a director, the Nominating Committee considers the qualifications set forth in the Company's corporate governance guidelines, which include business and professional background; history of leadership or contributions to other organizations; function skill set and expertise; general understanding of marketing, finance, accounting and other elements relevant to the success of a publicly-traded company in today's business environment; and service on other boards of directors. The Nominating Committee may employ a variety of methods for identifying and evaluating nominees for director. The Nominating Committee may assess the size of the Board, the need for particular expertise on the Board, the upcoming election cycle of the Board and whether any vacancies are expected, due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Nominating Committee will consider various potential candidates for director which may come to the Nominating Committee's attention through current Board members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating Committee, and may be considered at any time during the year.

In exercising its function of recommending individuals for nomination by the Board for election as directors, the Nominating Committee considers nominees recommended by stockholders. The procedure by which stockholders may submit such recommendations is set forth in the Company's Bylaws. See Other Matters Stockholder Proposals for Annual Meetings for a summary of these requirements. When nominations are properly submitted, the Nominating Committee will consider candidates recommended by stockholders under the criteria summarized above. Following verification of the stockholder status of persons proposing candidates, the Nominating Committee makes an initial analysis of the qualifications of any candidate recommended by stockholders or others pursuant to the criteria summarized above to determine whether the candidate is qualified for service on the Company's Board of Directors before deciding to undertake a complete evaluation of the candidate. If any materials are provided by a stockholder or professional search firm in connection with the nomination of a director candidate, such materials are forwarded to the Nominating Committee as part of its review. The same identifying and evaluating procedures apply to all candidates for director nomination, including candidates submitted by stockholders.

If you would like the Nominating Committee to consider a prospective candidate, please submit the candidate's name and qualifications and other information in accordance with the requirements for

director nominations by stockholders in the Company's Bylaws to: AvalonBay Communities, Inc., 2900 Eisenhower Avenue, Suite 300, Alexandria, Virginia 22314, Attention: Corporate Secretary.

Investment and Finance Committee. The Board of Directors has established an Investment and Finance Committee. The current members of this committee are Messrs. Healy (Chair), Blair, Choate, Meyer, Schuster, Naughton and Primis. The Investment and Finance Committee was formed to, among other things, review and monitor the acquisition, disposition, development and redevelopment of the Company's communities, and review and monitor the financial structure, capital sourcing strategy and financial plans and projections of the Company. The Investment and Finance Committee has authority, subject to certain limits and guidelines set by the Board of Directors and Maryland law, to approve investment and financing activity. The Investment and Finance Committee met ten times during 2005.

Lead Independent Director. To help assure sound corporate governance practices, the Board of Directors established the position of Lead Independent Director and Mr. Primis currently serves in that role. Mr. Primis' role as Lead Independent Director includes chairing meetings of the non-employee and independent directors; helping to encourage and facilitate communications among the non-employee directors, the Chairman and management; facilitating communications among committees of the Board of Directors; and acting as a contact person for those who wish to communicate with the independent directors.

Independence of the Board. The NYSE has adopted independence standards for companies listed on the NYSE, including the Company. These standards require a majority of the Board of Directors to be independent and every member of the Audit Committee, Compensation Committee and Nominating Committee to be independent. A director is considered independent only if the Board of Directors affirmatively determines that the director has no material relationship with the listed company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the company). In addition, the NYSE provides that:

- A director who is an employee, or whose immediate family member is an executive officer, of the Company is not independent until three years after the end of such employment relationship;
- A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation;
- A director is not independent if (A) the director or an immediate family member is a current partner of a firm that is the Company's internal or external auditor; (B) the director is a current employee of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time;
- A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee is not independent until three years after the end of such service or the employment relationship;
- A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in a single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after falling below such threshold.

To determine which of its members is independent, the Board of Directors used the above standards and also considered whether a director had any other past or present relationships with the Company which created conflicts or the appearance of conflicts. Based on this review, the Board determined that all current directors are independent because none of them has any past or present material relationships with the Company that creates a conflict or the appearance of a conflict, except for (i) Mr. Blair, who currently serves as the Company's Chief Executive Officer, (ii) Mr. Naughton, who currently serves as the Company's President, and (iii) Mr. Meyer, who was the founder and former Chairman and Chief Executive Officer of the Company.

Contacting the Board

You may contact any of our directors, including the Lead Independent Director or our independent directors as a group, by writing to them c/o AvalonBay Communities, Inc., 2900 Eisenhower Ave., Suite 300, Alexandria, VA 22314, Attention: Corporate Secretary. Your letter should clearly specify the name of the individual director or group of directors to whom your letter is addressed. Any communications received in this manner will be forwarded as addressed.

Director Compensation

A director of the Company who is also an employee receives no additional compensation for his services as a director.

In accordance with the Stock Incentive Plan, on the fifth business day following each annual meeting of stockholders, each of the Company's non-employee directors automatically receives a grant of a number of shares of restricted stock (or a deferred stock award in lieu thereof) equal to \$100,000 based on the last reported sale price of the Common Stock as reported by the NYSE on the date five business days after the previous year's annual meeting of stockholders. Based on this formula, following the 2005 Annual Meeting, each non-employee director received a restricted stock or deferred stock grant of 1,998 shares of Common Stock and following the 2006 Annual Meeting, each non-employee director will receive a restricted stock or deferred stock grant of 1,327 shares of Common Stock. In February 2006, the Board amended the Stock Incentive Plan so that the number of shares granted to non-employee directors following each Annual Meeting, beginning with the 2007 Annual Meeting, will equal \$100,000 divided by the closing price of Common Stock as reported by the NYSE on the grant date. Subject to accelerated vesting under limited circumstances (including termination of service for any reason other than for Cause, death or disability of the director or a change of control as defined in the Stock Incentive Plan), all of such shares of restricted stock (or deferred stock awards) granted to non-employee directors vest at the rate of 20% on the date of issuance and on each of the first four anniversaries of the date of issuance. If a director elected to receive a deferred stock award in lieu of restricted stock, then the director will receive shares of stock in respect of the vested portion of the deferred stock award within 30 days following termination of service as a director of the Company. In addition, during 2005, and through March 31, 2006, non-employee directors receive an annual payment of \$30,000 per year, payable in quarterly installments of \$7,500. In February 2006 the Board of Directors increased this payment to \$40,000 per year (payable in quarterly installments of \$10,000), beginning with the first quarterly payment following the 2006 Annual Meeting. A non-employee director may elect to receive all or a portion of such cash payment in the form of a deferred stock award.

In consideration for serving as Lead Independent Director, Mr. Primis currently receives, in addition to the compensation described above, an annual fee of \$30,000 payable in equal monthly installments of \$2,500.

Report of the Audit Committee

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has primary responsibility for this process, including the Company's system of

internal controls, and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors, and not the Audit Committee, are responsible for auditing and expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles.

In this context, during 2005, the Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with the independent auditors their independence from the Company and its management.

Relying on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Company's Annual Report on SEC Form 10-K for the year ended December 31, 2005, for filing with the SEC.

Lili F. Dunn	19,838	2.32 %	99.15	2/09/06	2/09/16	\$ 226,550

(1) This chart excludes options granted on February 11, 2005 with respect to the fiscal year ended December 31, 2004, including the following amounts for the Named Executive Officers: Mr. Blair 146,005; Mr. Naughton 72,122; Mr. Sargeant 63,437; Mr. Horey 40,317; and Ms. Dunn 15,429. Those grants (other than the grant for Ms. Dunn, who was not a Named Executive Officer for 2004) were disclosed in the Company's Proxy Statement relating to its 2005 Annual Meeting of Stockholders.

(2) A total of 853,613 options to purchase Common Stock were granted to employees of the Company with respect to the fiscal year ended December 31, 2005 including the options listed which were granted on the dates indicated. These options become exercisable in three equal installments on the first, second and third anniversaries of the date of grant. The Stock Incentive Plan and the Company's standard form of option agreement provides that all options will be forfeited upon a termination for cause and all options will vest upon termination for retirement as defined in the Plan, in which case the remaining term of the option will be 12 months or, if earlier, the expiration of the original ten year term of the option. In addition, in the event of a termination for any of the following reasons, unvested options shall terminate and (subject to expiration of the original ten year term of the option) the individual will have the following time within which to exercise vested options: (i) six months

following a termination of employment in the case of death; (ii) twelve months following a termination of employment due to disability; and (iii) three months following a termination for any other reason. The options provide for immediate vesting upon a change in control of the Company. The employment agreements for Messrs. Blair, Naughton, Sargeant and Horey provide that options granted to them (i) shall be subject to accelerated vesting under certain circumstances as described in Employment Agreements and Severance Arrangements below, and (ii) shall, under certain circumstances, have exercise periods following a termination of employment that are nine to eighteen months longer than indicated above (e.g., an exercise period of one year, rather than three months, following a termination of employment without cause).

(3) For the February 9, 2006 grants, the value is calculated using the Black-Scholes model with the following material assumptions: dividend yield of 5.0%, volatility of 17.6%, risk-free interest rates of 4.6%, and an expected life of approximately 7 years. The actual realized value will depend on the difference between the market value of the common stock on the date the option is exercised and the exercise price.

Employment Agreements and Severance Arrangements

The summaries of agreements below are qualified in their entirety by reference to the complete agreements, which have been included as exhibits to the Company's filings with the SEC.

Employment Agreements. The Company has entered into employment agreements with Messrs. Blair, Naughton, Sargeant and Horey. These agreements, including current renewal terms, expire on varying dates between November 2006 and June 2007, but provide for automatic one-year renewals (or two-year renewals in the case of Mr. Blair) thereafter, unless an advance notice of non-renewal is provided by either party to the other in advance of the expiration of the employment term. If there is a change in control of the Company (as defined in the employment agreements), the employment agreements will be automatically extended for three years from the date of the change in control. The employment agreements provide that, in general, for one year following termination by the Company for Cause (as defined in the employment agreements) or termination by the executive (other than in the event of a constructive termination without Cause) prior to a change in control of the Company, the executive will not compete in the multifamily rental real estate business within 30 miles of residential real estate owned or managed by the Company. In addition, the agreements provide that for one year following termination for any reason, the executive will not solicit for employment any of the employees of the Company.

The employment agreements provide that the officers' base salaries will be reviewed annually and may be adjusted upward, but may not be decreased. In addition, each employment agreement provides that, commencing at the close of each fiscal year, the Company shall review the performance of the executive and may provide the executive additional compensation in the form of a cash bonus and long-term equity incentives such as stock options and restricted stock grants.

The employment agreements generally provide for termination and severance benefits in the case of a termination without Cause, a non-renewal of the agreement by the Company, or a voluntary resignation by the executive that is due to a constructive termination without Cause (generally, (x) a change in control, (y) a material breach of the employment agreement or (z) a material change in the executive's employment circumstances by the Company). The employment agreements for Messrs. Blair and Sargeant provide that if the executive is terminated without Cause or voluntarily resigns after a constructive termination without Cause, or in the event of a termination due to disability, the executive will be entitled to the following severance benefits: (i) cash in an amount equal to three times (two times in the case of a termination due to disability) the average of the sum of the current year's and two preceding years' (A) base salary, plus (B) cash bonus earned, plus (C) the value of stock and equity-based compensation awards granted (the value of which is to be determined by the Compensation Committee) (such average is referred to as the executive's Covered Average Compensation); (ii) 36 months of medical and disability insurance benefits (24 months in the case of a termination due to disability); (iii) accelerated vesting of stock options and restricted stock awards; and (iv) continued payment of the whole-life portion of the premiums due on a life insurance policy in accordance with the terms of a split dollar agreement relating thereto (described below). The employment agreements with Messrs. Naughton and Horey provide for generally similar severance benefits, but the cash amounts and periods for which the Company will reimburse medical and disability benefits are in some cases less than provided by the employment agreements with Messrs. Blair and Sargeant. In the event that any severance payment paid to an officer is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the Code), the Company shall make an additional severance payment to the executive (a partial gross up payment) to compensate such officer for the excise tax incurred. The partial gross up payment would be an amount such that the net

amount retained by the officer, before accrual or payment of any Federal or state income taxes on the partial gross up payment but after accrual or payment of the excise tax on the partial gross up payment, is equal to the total excise tax on the severance payment.

In addition, if the Company elects not to renew the term of an employment agreement with Messrs. Blair or Sargeant, then upon the executive's termination of employment, the Company must provide the executive with the following severance benefits: (i) one times Covered Average Compensation, (ii) 24 months of medical and disability insurance benefits, (iii) accelerated vesting of stock options and restricted stock awards and (iv) continued payment of the whole-life portion of the premiums due on a life insurance policy in accordance with the terms of a split dollar agreement relating thereto (described below). In general, if the Company elects not to renew an employment agreement with Messrs. Naughton or Horey, then, upon the executive's termination of employment, the Company must provide the executive benefits that are comparable to those for Messrs. Blair and Sargeant, except that (i) accelerated vesting of equity awards and continued payment of life insurance premiums will only apply if the Company terminates the executive's employment during the two-year period following the non-renewal, and (ii) with respect to cash and medical and disability insurance benefits, Messrs. Naughton and Horey would only be entitled to: (a) one times the sum of the executive's base salary for the current year plus one times the average cash bonus earned in the current year and preceding two years and (b) 12 months of medical and disability insurance benefits.

Other Severance Arrangements. The Company's agreements with its directors and officers governing compensatory stock option and restricted stock awards provide for immediate vesting (and, in the case of stock options, immediate exercisability) if a change of control (as defined in these agreements) occurs. In addition, upon the retirement of an employee (as defined under the Stock Incentive Plan) (a) all of such employee's options shall automatically vest and (absent a specific agreement providing otherwise) shall be exercisable for one year thereafter and (b) all of such employee's restricted shares of stock shall automatically vest. Retirement of an employee under the Plan generally means the termination of employment, other than for cause, when the sum of the following equals or exceeds 70 years: (i) the number of full months of employment and other business relationships with the Company and any predecessor company and (ii) the employee's age on the date of termination. To qualify for retirement, the employee must also give six months prior written notice to the Company of his intention to retire and enter into a one year non-solicitation and non-competition agreement with the Company. Under this formula, Messrs. Blair, Naughton, Sargeant and Horey will become eligible for retirement in 2008, 2011, 2008 and 2012, respectively. The Company adopted an Officer Severance Program for the benefit of those officers of the Company who do not have employment agreements. Under the program, in the event an officer who is not otherwise covered by a severance arrangement is terminated (other than for cause) within two years of a change in control (as defined) of the Company, such officer will generally receive a cash lump sum payment equal to the sum of such officer's base salary and cash bonus, as well as accelerated vesting of stock options and restricted stock.

Agreement with Mr. Meyer. In connection with Mr. Meyer's retirement in May 2000 as Executive Chairman of the Company, the Company entered into a Mutual Release and Separation Agreement and a Retirement Agreement with Mr. Meyer. Pursuant to that agreement, the Company agreed to continue to pay the whole-life portion of the premiums on a life insurance policy on Mr. Meyer in accordance with the terms of a split dollar agreement relating thereto (described below).

Endorsement Split Dollar Agreements. The Company owns whole-life insurance policies with respect to Mr. Meyer, a director, as well as for Messrs. Blair, Naughton, Sargeant and Horey. The face amount of each policy is \$2,500,000 (for Messrs. Meyer and Blair), \$1,500,000 (for Messrs. Sargeant and Naughton) and \$750,000 (for Mr. Horey). The Company has endorsed each of these Company-owned policies such that in the event of the death of an insured the Company will be paid insurance proceeds equal to the cumulative premiums paid on the policy by the Company, with excess insurance proceeds being paid to the

insured's estate or named beneficiary. The Company has agreed (i) to pay the premiums due on each policy through 2017 (provided that the insured pays a portion of the premium equal to the current term rate for the insured's age multiplied by the insured's current interest in the policy), (ii) after the last Company payment, withdraw cash from the policy equal to the cumulative premiums paid and (iii) thereafter assign the policy to the insured. In the case of the insureds other than Mr. Meyer, the Company will cease making premium payments, and will withdraw the cumulative premiums and assign the policy, earlier than 2017 in the event of the insured's termination for cause or voluntary resignation without a constructive termination.

Compensation Committee Report on Executive Compensation

Composition of Compensation Committee. During 2005 and through the date of this proxy statement, the Compensation Committee consisted of Amy P. Williams (Chair), John J. Healy, Jr., Charles D. Peebler (through November 2005) and H. Jay Sarles (since September 2005). The following is a summary of the compensation policies of the Company.

Objectives of Executive Compensation. The Company's executive compensation program is intended to attract, retain and reward experienced, highly-motivated executives who are capable of leading the Company effectively and contributing to its long-term growth and profitability. The Company's objective is to utilize a combination of cash and equity-based compensation to provide appropriate incentives for executives while aligning their interests with those of the Company's stockholders.

The Company compensates its executive officers primarily through a combination of annual base salary, annual cash bonuses and annual awards under the Stock Incentive Plan. In recent years, and in setting compensation targets for 2005, the Compensation Committee's guiding principle has been that the compensation of the officer group should be targeted so that in a year when target performance is achieved the officer group's total compensation (including the value of restricted shares and employee stock options) would be at approximately the 75th percentile of compensation paid to officers with similar functions and positions at REITs (regardless of property type) that are similar in size to the Company. This principle has served only as a guide, and an officer could be targeted at more than or less than the 75th percentile based on performance, experience and tenure with the Company. In determining annual compensation targets consistent with this principle, the Committee has reviewed, in each of the last several years, including 2005, data provided by a third-party compensation consultant regarding compensation of various executives and other officers at REITs of similar size.

The Compensation Committee has also in recent years, including 2005, structured the compensation of the Chief Executive Officer, President or Chief Operating Officer, and Chief Financial Officer with a view to setting the components of compensation so that, in a year when target performance is achieved, base salary, cash bonus and long-term equity would comprise approximately 25%, 25% and 50% of their total compensation, respectively. In the case of other senior officers, the allocation would be more evenly distributed so that base salary and cash bonus would be a greater percentage of total compensation.

Base Salary. The Compensation Committee establishes base salary levels for its key executives after reviewing their duties and making an evaluation of recent performance, after reviewing base salary levels and total compensation for key executives of comparable REITs, and after determining the appropriate level of total compensation for the executive in a year when target performance is achieved.

Cash Bonus. Under the Company's corporate bonus program, the Compensation Committee may award annual cash bonuses to officers for the achievement of specified performance goals by the Company, the individual and the individual's business unit, with varying weightings applied to each category of goals based on the individual's position within the Company. Each year, the Compensation Committee sets for each officer the threshold, target and maximum cash bonus that may be awarded to that officer if threshold, target or maximum goals are achieved. For bonuses granted in 2006 with respect to 2005, the

Company-wide goals used in determining cash bonuses were (i) the achievement of a targeted level of Funds from Operations (FFO) per share, (ii) the achievement of growth in FFO per share as compared to a peer group of apartment REITs, (iii) the achievement of a targeted average fixed charge coverage ratio, (iv) the operating performance of development and construction activities as compared to the original budgeted performance, and (v) the effectiveness of management and progress on various corporate initiatives. The weightings applicable to each goal were set in advance. An assessment of individual and business unit achievements for each officer and business unit are recommended by the CEO to the Compensation Committee. The same categories of Company-wide goals will be used to determine cash bonus awards to be granted in 2007 with respect to 2006, except that (A) relative growth in FFO will be measured by reference to Operating FFO (Excluding Non-Routine Items) , which excludes items such as gains on land sales which can affect FFO in a manner not contemplated by an annual budget and (B) the weighting previously given to achievement of a targeted average fixed charge coverage ratio has been allocated to the other items.

Long-Term Incentive Awards. Stock options and restricted stock granted under the Company s Stock Incentive Plan are designed to provide long-term performance incentives and rewards tied to the price of the Company s Common Stock. Generally, options will vest over a period of three years and shares of restricted stock will vest over a period of four years. Each year, the Compensation Committee sets in advance for each executive officer the threshold, target and maximum number or value of restricted shares and options that may be granted to that officer if threshold, target or maximum goals are achieved by the Company and the individual business unit. The Company s goals for 2005 were (a) total stockholder return as measured on both an absolute basis (based on a three-year average) and a relative basis as measured against a peer group of apartment REITs, (b) the multiple that the price of the Common Stock represents to the Company s FFO per share, as measured against a peer group of apartment REITs, and (c) the effectiveness of management and progress on various corporate initiatives. For awards to be granted in 2007 with respect to 2006, the same categories of goals will be used. The weightings applicable to each goal have been set in advance. The business unit goals for long-term incentive awards are the same as the business unit goals for determining cash bonuses, but with a different weighting. The Compensation Committee views stock options and restricted stock as a means of aligning management and stockholder interests and expanding management s long-term perspective.

Compensation Committee Procedures. The Company s executive compensation program is administered under the direction of the Company s Compensation Committee, all members of which are independent under applicable NYSE standards. Final compensation determinations for each fiscal year are generally made in January or February of the following year after financial statements become available. At that time, cash bonuses and grants of stock options and restricted stock, if any, are determined based on the past year s performance. Base salaries and threshold, target and maximum cash bonuses and long-term incentive awards for the following fiscal year are generally set in December of the prior year. At meetings held on November 11, 2005, January 4, 2006 and January 27, 2006, the Compensation Committee determined, and at a meeting held on February 9, 2006, the full Board of Directors ratified, the awards of annual cash bonuses, stock options and restricted stock described in the Summary Compensation Table included in this Proxy Statement. Final determinations as to compensation and bonus awards for the CEO are made by a vote of the independent directors only.

Compensation of the Chief Executive Officer. The Compensation Committee considers the Company s financial performance to be the principal determinant in the overall compensation package of the Chief Executive Officer. In determining the cash bonus and long-term incentive awards that should be provided to this officer, the Compensation Committee considers the same financial criteria that are used for other officers. The Committee also considers individual performance of this officer in achieving his individual goals and objectives.

In his capacity as Chief Executive Officer, Mr. Blair received in 2005 \$716,827 as base salary, and the Compensation Committee believes that this amount, when considered together with the cash bonus and long-term equity incentive compensation, is consistent with the Company's performance and his contributions to such performance and is in accord with industry practices. Based on the process and goals described above for determining bonuses, in January 2006, the Committee approved for Mr. Blair, with respect to 2005 performance, and in February 2006 the independent directors ratified, a cash bonus of \$1,099,075 and an award of 18,912 shares of restricted stock and 189,264 options.

Compensation of Other Executive Officers. The Company's executive compensation program for other executive officers is based on the same Company-wide goals described above for the Chief Executive Officer, with varying individual and business unit goals. The Compensation Committee considers the evaluations and recommendations of the Chief Executive Officer with respect to the compensation of the other executive officers of the Company. Based on the process and goals described above for determining bonuses, the Compensation Committee approved for the Named Executive Officers (other than the Chief Executive Officer) the cash bonuses and grants of options and restricted stock described in the Summary Compensation Table.

Section 162(m). The SEC requires that this report comment upon the Company's policy with respect to Section 162(m) of the Internal Revenue Code of 1986, as amended, which limits the deductibility on the Company's tax return of compensation over \$1 million to any of the Named Executive Officers of the Company unless, in general, the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by the Company's stockholders. The Company believes that, because it qualifies as a REIT under the Code and pays dividends sufficient to minimize federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) will generally not affect the Company's net income. To the extent that compensation does not qualify for deduction under Section 162(m), a larger portion of stockholder distributions may be subject to federal income taxation as dividend income rather than return of capital. The Company does not believe that Section 162(m) will materially affect the taxability of stockholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each stockholder. For these reasons, the Compensation Committee's compensation policy and practices are not directly guided by considerations relating to Section 162(m).
