**Item 1.01. Entry into a Material Definitive Agreement**

On February 4, 2007, State Street Corporation, a Massachusetts corporation ( **State Street** ), and Investors Financial Services Corp., a Delaware corporation ( **Investors Financial** ), entered into an Agreement and Plan of Merger (the **Merger Agreement** ). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Investors Financial will merge with and into State Street (the **Merger** ), with State Street continuing as the surviving corporation (the **Surviving Corporation** ).

Subject to the terms and conditions of the Merger Agreement, at the effective time and as a result of the Merger, each issued and outstanding share of common stock, other than certain shares owned by Investors Financial or State Street, par value \$0.01 per share, of Investors Financial ( **Investors Financial Common Stock** ) will be converted into the right to receive 0.906 shares (the **Exchange Ratio** ) of the common stock, par value \$1.00 per share, of State Street (the **Merger Consideration** ). Upon consummation of the Merger, all outstanding options to acquire Investors Financial Common Stock will be canceled in exchange for the right to receive, on the terms and conditions set forth in the Merger Agreement, the cash equivalent of the Merger Consideration as more fully described in Section 1.5 of the Merger Agreement. Each outstanding Investors Financial restricted share will be converted upon the completion of the merger into the right to receive the per share Merger Consideration (with the same terms as the Investors Financial restricted shares, provided that all restricted shares will vest within three years of their grant date or upon termination of the holders' employment for good reason or without cause as such terms are defined in the Merger Agreement, to the extent such vesting schedule would result in earlier vesting of such restricted shares).

State Street and Investors Financial have made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants regarding the conduct of their businesses and other activities between the execution of the Merger Agreement and consummation of the Merger, and to use their reasonable best efforts to consummate the Merger. In addition, Investors Financial has made certain additional covenants, including among others, covenants to cause an Investors Financial stockholder meeting to be held to consider approval of the Merger; for Investors Financial's board of directors to, subject to certain exceptions, recommend adoption by its stockholders of the Merger Agreement; and for Investors Financial not to solicit proposals relating to alternative business combination transactions or, subject to certain exceptions, enter into discussions concerning or provide confidential information in connection with alternative business combination transactions.

Consummation of the Merger is subject to customary conditions, including approval of the holders of Investors Financial common stock, absence of any legal prohibition on consummation of the Merger, obtaining required governmental approvals, the accuracy of the representations and warranties (subject generally to a material adverse effect standard) and material performance of all covenants and the delivery of customary legal opinions as to the federal tax treatment of the merger.

The Merger Agreement contains certain termination rights for both State Street and Investors Financial, and further provides that, upon termination of the Merger Agreement under specified circumstances, Investors Financial will be required to pay State Street a termination fee of \$165,000,000.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto, and is incorporated into this report by reference.
