(e)

On March 28, 2007, the Compensation and Human Resources Committee (the Committee) of the Board of Directors of Ceridian Corporation (the Company) approved the 2007 cash performance bonus plans for certain officers, including Kathryn V. Marinello, President and Chief Executive Officer, Gregory J. Macfarlane, Executive Vice President and Chief Financial Officer, Gary A. Krow, Executive Vice President and President of Comdata, and Gary M. Nelson, Executive Vice President, Chief Administrative Officer, General Counsel and Corporate Secretary. The 2007 cash performance bonus plans provide for cash awards to be paid through the Ceridian Corporation 2004 Long-Term Stock Incentive Plan, as amended. The 2007 cash performance bonus plan components are tied to Company goals and objectives and are individualized based on the executive's ability to influence and contribute to results. Each individual 2007 cash performance bonus plan contains both financial and non-financial goals described under Performance Criteria in the table below. For each of the Performance Criteria, there is a threshold, target and maximum performance level, which has been approved by the Committee. All payments under any cash performance bonus plan are subject to the discretion of the Committee, whether or not individual 2007 plan components are met. In determining actual bonus plan payments, the Committee may evaluate extraordinary events (such as acquisitions, divestitures, litigation or other settlements, etc.) which impacted the achievement of actual financial measures, as well as the manner in which financial measures were reached compared to the budgeted plan. The threshold, target and superior 2007 cash performance bonus percentage of base salary, and the performance criteria for the 2007 cash performance bonus plans for the above named executive officers are as follows:

Name and Title	Threshold Bonus as a Percent of Base Salary	Target Bonus as a Percent of Base Salary	Superior Bonus as a Percent of Base Salary	Performance Criteria (each component given one-fourth weight in overall bonus payment)
