PROXY STATEMENT FOR THE
ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 5, 2007

QUESTIONS AND ANSWERS ABOUT
THE PROXY MATERIALS AND THE 2007 ANNUAL MEETING OF STOCKHOLDERS

Q:*Why am I receiving these materials?*

A: The Board of Directors (the Board) of Acorda Therapeutics, Inc., a Delaware corporation (which may be referred to in this proxy statement as we, us, our, the Company or Acorda Therapeutics), is providing these proxy materials to you in connection with our 2007 Annual Meeting of Stockholders (the 2007 Annual Meeting), which will take place on June 5, 2007. As a stockholder on the Record Date (as defined below), you are invited to attend the 2007 Annual Meeting and are entitled and requested to vote on the items of business described in this proxy statement (the Proxy Statement). This Proxy Statement and accompanying proxy card or voting instruction card are being mailed on or about May 8, 2007 to all stockholders entitled to vote at the 2007 Annual Meeting.

Q:*What information is contained in this Proxy Statement?*

A: The information included in this Proxy Statement relates to the proposals to be voted on at the 2007 Annual Meeting, the voting process, the compensation of directors and the most highly paid executive officers, beneficial ownership of the Company's common stock, and certain other required information.

Q:*What items of business will be voted on at the 2007 Annual Meeting?*

A: The items of business scheduled to be voted on at the 2007 Annual Meeting are:

- The election of two Class II directors for a term expiring on the date of our 2010 Annual Meeting of Stockholders, or at such time as their successors have been duly elected and qualified.
- The ratification of the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2007 (the 2007 Fiscal Year).

We will also consider other business that properly comes before the 2007 Annual Meeting.

Q*How does the Board recommend that I vote?*

A: Our Board recommends that you vote your shares FOR the nominees to the Board and FOR the ratification of the appointment of KPMG LLP as our independent auditors for the 2007 Fiscal Year.

Q:*Who is entitled to vote at the 2007 Annual Meeting?*

A: Only stockholders of record at the close of business on April 23, 2007 are entitled to vote at the 2007 Annual Meeting. We refer to this date as our Record Date.

You may vote all shares of Acorda Therapeutics common stock you own as of the Record Date, including (1) shares that are held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee, such as a bank.

On the Record Date, we had 24,126,972 shares of common stock issued and outstanding.

Q: *What are the voting rights of the Company's holders of common stock?*

A: Each outstanding share of the Company's common stock owned as of the Record Date will be entitled to one vote on each matter considered at the meeting.

Q: *What is the difference between holding shares as a stockholder of record and holding shares as a beneficial owner?*

1

A: Most of our stockholders hold their shares through a broker or other nominee rather than directly in their own name. We have summarized below some of the distinctions between being a stockholder of record and being a beneficial owner:

Stockholder of Record

If your shares are registered directly in your name, or as a joint holder, with our transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent to you directly by Acorda Therapeutics. As a stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the 2007 Annual Meeting. We have enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials, together with a voting instruction card, are being forwarded to you by your broker or other nominee. As a beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the 2007 Annual Meeting.

Since a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the 2007 Annual Meeting. Your broker, trustee or nominee has enclosed or has previously provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: *How can I attend the 2007 Annual Meeting?*

A: You are entitled to attend the 2007 Annual Meeting only if you were a stockholder of record of our common stock as of the close of business on the Record Date or you hold a valid proxy for the 2007 Annual Meeting. You should be prepared to present photo identification for admittance. A list of stockholders eligible to vote at the 2007 Annual Meeting will be available for inspection at the 2007 Annual Meeting and for a period of ten days prior to the 2007 Annual Meeting, during regular business hours, at our principal executive office, which is located at 15 Skyline drive, Hawthorne, New York 10532.

If you are not a stockholder of record but hold shares through a broker or nominee (i.e., in street name), you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement dated prior to April 23, 2007, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If, upon request, you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the 2007 Annual Meeting.

The 2007 Annual Meeting will begin promptly at 9:00 a.m., local time. Check-in will begin at 8:30 a.m., local time, and you should allow ample time for the check-in procedures.

Q: *How can I vote?*

A: Whether you hold shares directly as a stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the 2007 Annual Meeting.

You may vote by mail: If you are a stockholder of record of our common stock, you may submit your proxy by completing, signing and dating the enclosed proxy card and mailing it in the accompanying pre-addressed envelope. If you are a stockholder who holds shares beneficially in street name, you may vote by mail by completing, signing and dating the enclosed voting instruction card provided by your broker, trustee or nominee and mailing it in the accompanying pre-addressed envelope.

You may vote in person at the 2007 Annual Meeting: Shares held in your name as the stockholder of record may be voted in person at the 2007 Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares. Even if you plan to attend the 2007 Annual Meeting, we recommend that you also submit your proxy or voting instructions as described above so that your vote will be counted if you later decide not to attend the 2007 Annual Meeting.

Q: *How are my votes cast when I return a proxy card?*

A: When you sign the proxy card, you appoint Dr. Ron Cohen, our President and Chief Executive Officer, and Jane Wasman, our Executive Vice President, General Counsel and Corporate Secretary, as your representative at the 2007 Annual Meeting. Either Dr. Cohen or Ms. Wasman will vote your shares at the 2007 Annual Meeting as you have instructed them on the proxy card. Dr. Cohen and Ms. Wasman are also entitled to appoint substitutes to act on their behalf.

Q: *Can I change my vote?*

A: Yes. You may change your vote at any time prior to the vote at the 2007 Annual Meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the 2007 Annual Meeting and voting in person. For your written notice of revocation to be effective, it must be received by our Corporate Secretary at our principal executive offices no later than June 4, 2007. Attendance at the 2007 Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request or if you cast a new vote. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the 2007 Annual Meeting and voting in person.

Q: *Who can help answer my questions?*

A: If you have any questions about the 2007 Annual Meeting or how to vote or revoke your proxy, you should contact our investor relations department at (914) 347-4300. You may also contact them if you need additional copies of this Proxy Statement or voting materials.

Q: *Is my vote confidential?*

A: Proxy cards, ballots and voting instructions and tabulations that identify individual stockholders will be tabulated by Registrar and Transfer Company and will be handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Acorda Therapeutics or to third parties, except as necessary to meet applicable legal requirements and to allow for the tabulation of votes and certification of the vote.

Q: *How many shares must be present or represented to conduct business at the 2007 Annual Meeting?*

A: The quorum requirement for holding the 2007 Annual Meeting and transacting business is that holders of a majority of shares of Acorda Therapeutics common stock entitled to vote must be present in person or represented by proxy at the 2007 Annual Meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Q: *What if a quorum is not present at the 2007 Annual Meeting?*

A: If a quorum is not present or represented at the 2007 Annual Meeting, the stockholders present or represented at the meeting and entitled to vote, although less than a quorum, or if no stockholder is present, any officer entitled to preside or to act as secretary of such meeting, may adjourn the 2007 Annual Meeting until a quorum is present or represented. The time and place of the adjourned meeting will be announced at the time the adjournment is taken and no other notice will be given,

3

unless the adjournment is for more than 30 days from the date of the original meeting or a new record date is set for the adjourned meeting.

Q: *How are votes counted?*

A: In the election of the directors, you may vote FOR a nominee or you may WITHHOLD AUTHORITY with respect to a nominee. For other items of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, abstention has the same effect as a vote AGAINST. If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (in the case of the 2007 Annual Meeting, FOR the two nominees to the Board and FOR the ratification of the independent auditors, and in the discretion of the proxy holders on any other matters that properly come before the 2007 Annual Meeting).

Q: *What vote is required to approve each of the proposals?*

A: The affirmative vote of a plurality of the shares of common stock present in person or represented by proxy and entitled to vote at the 2007 Annual Meeting is required to elect the two nominees to the Board. In the election of the directors, the nominees receiving the highest number of FOR votes at the 2007 Annual Meeting will be elected. A properly executed proxy marked WITHHOLD AUTHORITY with respect to a nominee will not be voted with respect to that nominee, although it will be counted for purposes of determining whether there is a quorum.

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the 2007 Annual Meeting is required to ratify the appointment of KPMG LLP as our independent auditors for the 2007 Fiscal Year.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and such instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. Abstentions have the same effect as votes against the matter.

Q: *What happens if a nominee is unable to stand for election?*

A: If a nominee is unable to stand for election, the Board may either reduce the number of directors to be elected or substitute a nominee. If a substitute nominee is selected, the proxy holders, Dr. Cohen and Ms. Wasman, will vote your shares for the substitute nominee, unless you have withheld authority.

Q: *What happens if additional matters are presented at the 2007 Annual Meeting?*

A: Other than the two items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the 2007 Annual Meeting. If you grant a proxy, the persons named as proxyholders, Dr. Cohen and Ms. Wasman, will have the discretion to vote your shares on any additional matters properly presented for a vote at the 2007 Annual Meeting.

Q: *Who will serve as inspector of elections?*

A: Registrar and Transfer Company will tabulate votes and a representative of Registrar and Transfer Company will act as inspector of elections.

Q: *What should I do if I receive more than one set of voting materials?*

A: You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each

4

brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: Who will bear the cost of soliciting votes for the 2007 Annual Meeting?

A: Acorda Therapeutics is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees. These individuals will not receive any additional compensation for such solicitation activities. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy materials to stockholders.

Q: Where can I find the voting results of the 2007 Annual Meeting?

A: We intend to announce preliminary voting results at the 2007 Annual Meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of the 2007 Fiscal Year.

Q: What if I have questions for Acorda Therapeutics transfer agent?

A: Please contact our transfer agent, at the phone number or address listed below, with questions concerning stock certificates, transfers or ownership or other matters pertaining to your stock account.

Q: What is the deadline for submitting proposals for inclusion in Acorda Therapeutics proxy statement for the 2008 Annual Meeting of Stockholders or to nominate individuals to serve as directors?

A: Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, stockholders may present proper proposals for inclusion in our proxy statement relating to, and for consideration at, the 2008 Annual Meeting of Stockholders, by submitting their proposals to us in a timely manner. To be considered at our 2008 Annual Meeting, nominations of persons for election to our Board and/or proposals for business to be conducted at the meeting must be properly submitted and received by us, in accordance with the provisions of our Amended and Restated Bylaws (the Amended and Restated Bylaws) not less than 90 days or more than 120 days prior to June 5, 2008 and if they otherwise comply with the requirements of Rule 14a-8. For more information on how to submit proposals, see the section titled Requirements, Including Deadlines, for Submission of Proxy Proposals, Nomination of Directors and Other Business of Stockholders at the end of this Proxy Statement. You may contact the Corporate Secretary of Acorda Therapeutics, at our principal executive office, for a copy of the relevant provisions of our Amended and Restated Bylaws regarding the requirements for making stockholder proposals and nominating director candidates.

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Board currently consists of eight members and is divided into three classes. Each class holds office for a term of three years. This year's nominees for director, Sandra Panem, Ph.D. and Wise Young, Ph.D., M.D., have been nominated by the Board for a term of three years expiring on the date of our 2010 Annual Meeting of Stockholders or at such time as their respective successors are duly elected and qualified. Drs. Panem and Young are currently directors of the Company. John Friedman, a former Class II director with Dr. Panem and Dr. Young, resigned from our Board effective August 3, 2006 and a replacement has not yet been selected. Proxies cannot be voted for a greater number of persons than the number of nominees named above.

If any of the candidates should become unavailable for election, the shares represented by the proxies solicited for the 2007 Annual Meeting will be voted for such substitute nominee as may be determined by the Board. The Board has no reason to expect that either Dr. Panem or Dr. Young will not be a candidate for director at the 2007 Annual Meeting. In voting for directors, for each share of common stock held as of the Record Date, stockholders are entitled to cast one vote in favor of the candidate, or to withhold authority from voting for the candidate. Unless a stockholder requests that voting of the proxy be withheld for the nominee for director by so directing on the proxy card, the shares represented by the accompanying proxy will be voted FOR the election of both Dr. Panem and Dr. Young.

The election of a director requires the affirmative vote of a plurality of the shares of common stock present or represented and entitled to vote at the 2007 Annual Meeting.

Certain information concerning the nominees and those directors whose terms of office will continue following the 2007 Annual Meeting is set forth below.

Recommendation of the Board of Directors

All of the directors attended at least 75 percent of all Board meetings and meetings of the committees on which they serve, except Mr. Young, who attended 69 percent of Board meetings and 50 percent of the compensation committee meetings. Although we have no formal policy with respect to director attendance at our annual meetings, we encourage our directors to attend.

Committees of the Board of Directors

The Board has established an audit committee, a compensation committee, a nominations committee and a compliance committee, each of which is comprised solely of Independent Directors. The following lists the members of each committee as well as the primary responsibilities of each committee.

Audit Committee and Audit Committee Financial Experts

Our audit committee currently consists of three members: Mr. Randall (chairperson), Mr. Phillips and Mr. Smith. Our board of directors has determined that Mr. Randall and Mr. Smith each qualify as an audit committee financial expert as that term is defined in Item 407(d) of Regulation S-K of the Securities Act. Our board of directors has determined that the composition of our audit committee meets, and the functioning of our audit committee complies with, the applicable requirements of the Sarbanes-Oxley Act of 2002, the Nasdaq Global Market and SEC rules and regulations.

Our audit committee is responsible for:

- approving and retaining the independent auditors to conduct the annual audit of our books and records;
- reviewing the proposed scope and results of the audit;
- reviewing and pre-approving the independent auditors' audit and non-audit services rendered;
- approving the audit fees to be paid;
- reviewing accounting and financial controls with the independent auditors and our financial and accounting staff;
- reviewing and approving transactions between us and our directors, officers and affiliates;
- recognizing and preventing prohibited non-audit services;
- establishing procedures for complaints received by us regarding accounting matters; and
- overseeing internal audit functions.

All audit services and non-audit services to be provided to us by our independent auditor must be approved in advance by our audit committee. KPMG LLP currently serves as our independent auditor. Our board of directors has adopted a written charter for the audit committee which is attached hereto as Appendix A and is also available on our website, www.acorda.com under Corporate Governance Committee Charters. The audit committee met five times in 2006.

Compensation Committee

Our compensation committee consists of three members: Dr. Panem (chairperson), Mr. Rauscher and Dr. Young. We believe that the composition of our compensation committee and the functioning of our compensation committee comply with the applicable requirements of the Sarbanes-Oxley Act of 2002, the Nasdaq Global Market and SEC rules and regulations. Our compensation committee is responsible for:

- reviewing, approving and (where appropriate) recommending for the approval of the full Board the compensation arrangements for executives, including the compensation for our president and chief executive officer;
- establishing and reviewing general compensation policies with the objective to attract and retain superior talent, to reward individual performance and to achieve our financial goals; and
- administering our stock incentive plan and annual bonus pool.

Our board of directors has adopted a written charter for the compensation committee which is available on our website, www.acorda.com under Corporate Governance Committee Charters. The compensation committee met eight times in 2006.

Nominations Committee

Our nominations committee consists of four members: Mr. Randall (Chairperson), Dr. Panem, Mr. Phillips and Mr. Rauscher. Our board of directors has adopted a written charter for the nominations committee which is available on our website, www.acorda.com under Corporate Governance Committee Charters. The nominations committee met five times in 2006.

Our Board has adopted a written charter for the compliance committee which is available on our website, www.acorda.com under Corporate Governance Committee Charters.

Director Qualifications and Director Nomination Process

Qualifications for Director Candidates

The Nominations Committee and the Board do not believe that it is in our best interests to establish rigid criteria for the selection of prospective director candidates. Rather, the Nominations Committee and the Board recognize that the challenges and needs we face will change over time and, accordingly, believe that the selection of director candidates should be based on skill sets relevant to the issues we face or are likely to face at the time of nomination. As a result, the priorities and emphasis of the Nominations Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective members of our Board. At the same time, the Nominations Committee and the Board strongly believe that we benefit from diversity in age, skills, background and experience. We therefore seek director candidates who, in addition to general management experience and business knowledge, possess an expertise in one or more of the following areas: business, medicine, scientific research, drug discovery and development, health care, pharmaceuticals, finance, law, corporate governance, risk assessment, and investor relations. In addition, there are certain general attributes that the Nominations Committee and the Board believe all prospective director candidates must possess in order to be recommended to the Board, including:

- a commitment to professional integrity and ethics;
- demonstrated leadership ability and the ability to exercise sound business judgment;
- independence from conflict or direct economic relationship with the Company; and
- a willingness to devote the required amount of time to attend Board and committee meetings and to otherwise carry out the duties and responsibilities of Board membership.

Other than the foregoing, there are no stated minimum criteria for director candidates. The Nominations Committee will ensure that at all times, at least a majority of the members of our Board meet the definition of independent director under the Nasdaq Global Market qualification standards and that director candidates also meet the specific requirements set forth in the rules of the Nasdaq Global Market and in the rules of the SEC regarding membership on committees of the Board.

In considering re-nomination criteria, the Nominations Committee reviews each director's past attendance at meetings and participation in and contributions to the activities of the Board, as well as whether the director's qualifications and skills are consistent with the Company's current needs and whether the director is willing to continue in service. If any member of our Board does not wish to continue in service or if our Board decides not to nominate a member for re-election, the Nominations Committee will identify the skills and experience desired in a new director candidate.

Identification and Evaluation of Director Candidates

The Nominations Committee uses a variety of methods for identifying director candidates. The Nominations Committee may receive suggestions for potential director candidates from current members of the Board, our executive officers or other sources, which may be either unsolicited or in response to requests from the Nominations Committee for such candidates. The Nominations Committee may also, from time to time, engage firms that specialize in identifying and evaluating potential director candidates. As described below, the Nominations Committee will also consider candidates recommended by stockholders.

The Nominations Committee regularly assesses the appropriate size and composition of the Board as a whole, the needs of the Board and the respective committees of the Board, and the qualification of director candidates in light of these needs. Once an individual has been identified by the Nominations Committee as a potential director candidate, the Nominations Committee makes an initial determination as to whether to conduct a full evaluation of the prospective director candidate based upon various factors, including, but not limited to: the information submitted with the nomination, the Board's own knowledge of the prospective director candidate, and whether the prospective director candidate could satisfy the minimum criteria established by the Nominations Committee. The Nominations Committee then decides whether to do a comprehensive evaluation of a prospective director candidate, which includes one or more interviews with the candidate. In addition, the Nominations Committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. After completing its evaluation, the Nominations Committee makes its recommendation to the full Board as to any person it determines should be considered by the Board. The Board then considers and designates its nominees.

Stockholder Recommendations of Director Candidates

The Nominations Committee does not have a formal policy regarding consideration of director candidates recommended by stockholders. The Nominations Committee will consider director candidates suggested by our stockholders, provided that the recommendations are made in accordance with the procedures required under our Amended and Restated Bylaws and described in this Proxy Statement in the section titled **Requirements, Including Deadlines, for Submission of Proxy Proposals, Nomination of Directors and Other Business of Stockholders**. Stockholder nominees whose nominations comply with these procedures and who meet the criteria outlined above will be evaluated by the Nominations Committee in the same manner as the Nominations Committee's nominees.

Stockholder Communication with the Board of Directors

Stockholders may communicate with the Board by sending a letter to Acorda Therapeutics Board of Directors c/o Corporate Secretary, 15 Skyline Drive, Hawthorne, New York 10532. The Corporate Secretary will receive and review all correspondence and forward it to the Chairman of the Board, the Chairman of the Audit Committee or to any individual director or directors to whom the communication is directed, as appropriate. Notwithstanding the above, the Corporate Secretary has the authority to discard or disregard any communication that is unduly hostile, threatening, illegal or otherwise inappropriate, or to take any other appropriate actions with respect to such communications.

Board and Committee Fees

Our outside directors compensation policy provides that outside directors on our board receive an annual cash retainer that consists of a base fee of \$24,000 and additional amounts based on his or her committee assignments. Each outside director also receives an initial stock option grant with an aggregate exercise price equal to two times his or her annual cash retainer, calculated based on the closing price of our stock on the date of grant. For example, if the closing price on the date of grant is \$24 per share, the initial stock option grant for a director serving on no committees will be 2,000 options. These options vest over one year, in equal quarterly installments, and have a term of ten years from the date of grant. The exercise price of the options is the closing price of our stock on the date of grant.

On an annual basis, outside directors receive stock options with an aggregate exercise price equal to 0.75 times their annual cash retainer, calculated based on the closing price of our stock on the date of grant. For example, if the closing price on the date of grant is \$24 per share, the annual stock option grant for a director serving on no committees will be 750 options. The exercise price of the options is the closing price of our stock on the date of grant. These options vest over one year, in equal quarterly installments, and have a term of ten years from the date of grant. Directors are also reimbursed for appropriate expenses related to their service on our board of directors. Upon an outside director's termination of membership on our Board, all vested stock options remain exercisable for 12 months, or such longer period as the board of directors may determine in its discretion, to the extent consistent with Section 409A.

Our compensation policy for our outside directors is set forth in the table below.

COMPENSATION DISCUSSION AND ANALYSIS

The compensation committee has the responsibility to review, approve and recommend for the approval of the full Board the annual compensation and compensation procedures for our five executive officers: the president and chief executive officer, the chief operating officer, the chief financial officer, the chief scientific officer and the executive vice president, general counsel and corporate secretary.

Compensation Philosophy and Objectives

The primary objective of our compensation program, including executive compensation, is to align compensation opportunities with individual performance and achievement of our overall corporate and financial results. It is designed to tie annual and long-term cash and stock incentives to the achievement of established goals and to align executives' incentives with the creation of value for our stockholders. To achieve these objectives, the compensation committee intends to implement and maintain compensation plans that tie a substantial portion of executives' overall compensation to key strategic goals. The compensation committee evaluates individual executive performance with the goal of setting compensation at levels that the committee believes are comparable with executives at other companies in the biotechnology industry of similar size and stage of development, while taking into account our relative performance and strategic goals.

A further objective of our compensation program is to attract and retain highly talented, qualified executives who are dedicated to our mission and culture. We also endeavor to ensure that our compensation program is perceived as fundamentally fair to all stakeholders.

Setting Executive Compensation

With the objectives described above in mind, the compensation committee has retained Arnosti Consulting Inc. (Arnosti Consulting) to conduct an annual review of the total compensation program for the executive team, as well as for other key executives. Arnosti Consulting also provides the compensation committee with relevant market data and alternatives to consider when making compensation decisions for the executive team and to confirm that our compensation program is in a competitive market position. The compensation committee reviews several salary surveys when making compensation decisions, including

surveys produced by Radford Surveys + Consulting and Equilar, Inc. The committee also reviews a competitive analysis of relevant peers prepared by Arnosti Consulting that compares each element of total compensation against a group of over 60 publicly-traded and privately-held biotechnology companies. The companies used in this analysis are companies against which the compensation committee believes Acorda Therapeutics competes both for talent and for stockholder investment. Comparable companies are also chosen based on revenues and size of employee population.

Elements of Compensation

Executive Compensation consists of the following elements:

Base Salary: Base salaries for our executives are established taking into account the scope of the executive's responsibilities, the individual's qualifications and experience and the compensation paid by other biotechnology companies for similar positions. Generally, we believe that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions with similar responsibilities and experience at comparable companies.

Base salaries are reviewed annually as part of our performance review process and are adjusted to realign salaries with market levels, with appropriate consideration paid to individual responsibilities, performance and experience. For 2007 salaries, this review occurred in the fourth quarter of 2006 and the first quarter of 2007, with new salaries taking effect as of January 1, 2007.

During this review of base salaries for executives, the compensation committee primarily considers:

- market data gathered both internally and by the compensation committee's outside consultant;
- internal review of each executive's compensation, both individually and relative to other officers; and
- individual performance of the executive.

Cash Bonus Program: In addition to base salaries, we believe that performance-based cash bonuses play an important role in providing incentives to our executives to achieve defined annual goals. In the first quarter of the year, the board of directors works collaboratively with management in developing a detailed set of overall corporate performance goals tied to that year's operating plan. These goals, as well as individual executive goals, are weighed in developing a program that can be utilized to measure performance at year-end.

At the end of each year, the board of directors, upon recommendation of the compensation committee, determines the level of achievement for each corporate goal and awards an overall grade for the achievement of corporate goals. Final determination of bonus levels are then based on the achievement of these corporate goals and an assessment of the Company's overall success and an assessment of each individual's performance. Actual bonus target amounts are near the median for target bonus amounts for comparable companies, based both on our internal research and the information provided by the compensation committee's outside consultant. Based on the overall grade granted by the board of directors and the individual performance levels of each executive, bonuses may be above or below target bonus levels, at the discretion of the board of directors. Actual bonuses are paid to the executives in the first quarter of the following year.

In December 2006, the compensation committee and the board of directors determined that corporate performance in 2006 merited an "A" overall grade (on a scale of "A" to "C", where "A" meant that we achieved our corporate goals for the year). Based on target levels approved by the board of directors earlier in the year, this grade resulted in cash bonuses for executive officers in an amount ranging from 42.3% to 60.8% of their base salaries. The individual cash bonuses were 60.8% of the 2006 salary paid to the president and chief executive officer, 50.8% of the 2006 salary paid to the chief scientific officer,

46.6% of the 2006 salary paid to the chief financial officer, 44.9% of the 2006 salary paid to the chief operating officer and 42.3% of the 2006 salary paid to the executive vice president, general counsel and corporate secretary.

The compensation committee's outside consultant, Arnosti Consulting, Inc. will be conducting a competitive analysis to provide information for setting the bonus targets that will be established for 2007 year-end awards.

Equity Awards: We believe that providing a significant portion of our executives' total compensation package in stock options and other equity awards aligns the incentives of our executives with the interests of our stockholders and with our long-term success. The compensation committee and the board of directors develop their equity award determinations based on their judgments as to whether the complete compensation packages provided to our executives, including prior equity awards, are sufficient to retain, motivate and adequately award the executives. This judgment is based on benchmarking information provided both by the company and by the compensation committee's outside compensation consultant and also includes a recommendation by the president and chief executive officer for all vice presidents and above, including the executive officers.

We grant equity awards under our 2006 Employee Incentive Plan, as amended, which serves as the successor to the Company's 1999 Employee Stock Option Plan, as amended. This plan was adopted by our Board to permit the grant of stock options, stock appreciation rights, restricted stock, performance shares and other stock-based awards to our directors, officers, employees, independent contractors, agents and consultants.

For the year ended December 31, 2006, on the recommendation of the compensation committee, and following discussion by the full board of directors, the board of directors issued to Ron Cohen, our president and chief executive officer, options to purchase 106,094 shares of our common stock with an exercise price equal to the closing price of our common stock on the Nasdaq Global Exchange on December 21, 2006, the grant date and expiring 10 years after the grant date. In addition, on the recommendation of the compensation committee, and following discussion by the full board of directors, the board of directors issued to the chief scientific officer, chief operating officer, chief financial officer and the executive vice president, general counsel and corporate secretary, options to purchase 77,340, 67,010, 63,183 and 63,183 shares of our stock, respectively. All options were granted with an exercise price equal to the closing price of our common stock on the Nasdaq Global Exchange on February 14, 2007, the grant date and expiring 10 years after the grant date. See Compensation Discussion and Analysis Summary Compensation Table for more information.

The Compensation Committee has not yet considered whether to recommend a grant of additional equity awards to our executives in 2007.

The first vested installment will be calculated as the total number of shares covered by the award multiplied by a fraction, the numerator of which is the number of months from the vesting commencement date to the date on which the first installment of restricted shares vest, or the initial vesting date, and the denominator is 48. All remaining restricted shares will vest in equal quarterly installments, measured from the vesting commencement date, except that for any partial quarter in which the initial vesting date occurs, the unvested portion of shares remaining for that quarter will vest at the end of such quarter.

(3) These restricted stock awards are subject to vesting over a four-year period as follows: the first installment vested on November 6, 2006 which was the first day after termination of a company blackout period following the public announcement of clinical data from our Fampridine-SR Phase 3 trial in MS. Executive Employment Agreements

We have entered into employment agreements with our executive officers, the terms of which are summarized below.

We are a party to an employment agreement with Dr. Cohen that governs the terms and conditions of his employment as our President and Chief Executive Officer. The employment agreement originally provided for a base annual salary of \$280,000, subject to annual increases and bonuses at the discretion of the Board. Dr. Cohen's current base salary, as approved by the Board, is \$440,000. Dr. Cohen is eligible to receive annual performance-based stock options to purchase common stock in an amount recommended by the compensation committee and approved by the Board based on Dr. Cohen's individual performance and the achievement of our goals and objectives.

Dr. Cohen's employment agreement would have expired in January 2004, but is subject to automatic successive one-year renewal periods unless either Dr. Cohen or we give the other written notice at least 60 days prior to the expiration date that Dr. Cohen or we do not intend to renew the contract. Dr. Cohen's employment agreement has been renewed effective January 2007 for a one-year period.

We are party to an employment agreement with Dr. Blight that governs the terms and conditions of his employment as our Chief Scientific Officer. The employment agreement originally provided for a base annual salary of \$215,000, subject to annual review by Dr. Cohen and by the compensation committee of the Board. His current base salary, as approved by the Board, is \$275,100.

We are party to an employment agreement with Ms. Fisher that governs the terms and conditions of her employment as our Chief Operating Officer. The employment agreement originally provided for a base annual salary of \$225,000, subject to annual review by Dr. Cohen and by the compensation committee of the Board. Her current base salary, as approved by the Board, is \$290,200.

We are party to an employment agreement with Mr. Lawrence that governs the terms and conditions of his employment as our Chief Financial Officer. The employment agreement originally provided for a base annual salary of \$180,000, subject to annual review by Dr. Cohen and by the compensation committee of the Board. His current base salary, as approved by the Board, is \$235,600.

We are party to an employment agreement with Ms. Wasman that governs the terms and conditions of her employment as our Executive Vice President, General Counsel and Corporate Secretary. The employment agreement originally provided for a base annual salary of \$225,000, subject to annual review by Dr. Cohen and by the compensation committee of the Board. Her current base salary, as approved by the Board, is \$270,000.

Pursuant to their employment agreements, Dr. Blight, Ms. Fisher, Mr. Lawrence and Ms. Wasman are eligible to receive an annual bonus and to receive annual performance-based stock options to purchase common stock, stock appreciation rights awards and/or restricted stock awards of common stock in an amount to be recommended by the compensation committee and approved by the Board based on their respective performances and upon the achievement of our goals and objectives. Each of the employment agreements expires on December 19, 2007 but shall be automatically renewed for successive one year terms unless either we or they provide written notice of non-renewal at least 60 days prior to the expiration of the then-current term.

On April 22, 2007, the Board approved resolutions authorizing the compensation committee to adopt a form of amendment to the employment agreements and agreements for options and restricted stock awards of Dr. Cohen, Dr. Blight, Ms. Fisher, Mr. Lawrence and Ms. Wasman to provide for the immediate vesting of all outstanding options and restricted stock awards, and any other awards held in the future, by such persons in the event of a reorganization event (as defined in the Company's 2006 Employee Incentive Plan). We expect such amendments to be finalized and executed in May, 2007.

Executive Officer Severance Plans

In the event we terminate the agreement with Dr. Cohen without cause, or if Dr. Cohen voluntarily terminates the agreement with good reason, we are obligated to make severance payments equal to 15 months' base annual salary and COBRA premium payments for the severance period plus a bonus equal to his prior year's bonus pro rated for the number of days worked prior to termination. This amount would be paid in a lump sum within 30 days after such termination. In such event, all of Dr. Cohen's options will become immediately exercisable and will remain exercisable for 48 months following termination.

If Dr. Cohen's employment terminates for death or disability, we are obligated to pay his base salary for three months and COBRA premiums for the COBRA coverage period and 65% of his outstanding options will become immediately vested and remain exercisable for 48 months following such termination or for a lesser period, to the extent necessary to comply with U.S. tax law.

If Dr. Cohen voluntarily terminates his employment without good reason following a change in control (as defined in his employment agreement), we are obligated to make severance payments equal to 12 months' base annual salary and COBRA premium payments for the severance period and he is entitled to receive a bonus equal to his prior year's bonus pro rated for the number of days worked prior to termination. In addition, upon implementation of the amendment to Dr. Cohen's employment and award agreement(s) as described above, if the change in control constitutes a reorganization event (as defined in the Company's 2006 Employee Incentive Plan), 100% of his outstanding options, restricted stock and any other awards will become immediately vested; otherwise only 65% of his unvested awards will become immediately vested. Furthermore, all vested options will remain exercisable for 48 months following termination or for a lesser period, to the extent necessary to comply with U.S. tax law. Following his termination of employment, Dr. Cohen will remain subject to confidentiality, non-competition and

non-solicitation covenants for one year in the case of non-competition and non-solicitation and five years in the case of confidentiality.

In the event we terminate our employment agreement with Dr. Blight, Ms. Fisher, Mr. Lawrence or Ms. Wasman without cause, or if one of them voluntarily terminates his or her agreements with good reason, we are obligated to make severance payments equal to nine months base annual salary, in the case of Dr. Blight and Ms. Fisher, and seven months base annual salary, in the case of Mr. Lawrence and Ms. Wasman, as well as COBRA premium payments for the severance period. In such event, all options, stock appreciation rights awards and restricted stock awards that have vested as of the termination date shall remain exercisable for 90 days following such date, or for a lesser period, to the extent necessary to comply with U.S. tax law. All unvested options, stock appreciation rights awards and stock awards will be cancelled on the date of termination.

If Dr. Blight, Ms. Fisher, Mr. Lawrence or Ms. Wasman voluntarily terminates his or her employment with good reason or if we terminate his or her employment without cause within 18 months after a change in control (as defined in their employment agreements), we are obligated to make severance payments equal to one year's base annual salary, in the case of Dr. Blight and Ms. Fisher, and nine months base annual salary, in the case of Mr. Lawrence and Ms. Wasman, in each case paid in a lump sum within 30 days after termination, as well as COBRA premium payments for the severance period plus a bonus equal to a prior year's bonus pro rated for the number of days worked prior to termination. We are also obligated to pay salary earned but not paid, vacation and sick leave days that have accrued, and reimbursable business expenses incurred through the date of termination. In addition, upon implementation of the amendment to each executive officer's employment and award agreement(s) as described above, if the change in control constitutes a reorganization event (as defined in the Company's 2006 Employee Incentive Plan), 100% of the outstanding options and restricted stock and any other awards then held by each such executive officer will become immediately vested; otherwise, not less than 50% of the unvested awards will become immediately and full vested. Furthermore, all vested options will remain exercisable for 18 months following such date, or for a lesser period, to the extent necessary to comply with U.S. tax law. All unvested options, stock appreciation rights awards and stock awards will be cancelled on the date of termination.

The following table sets forth potential payments payable to our named executive officers upon termination of employment or a change in control. The table below reflects amounts payable to our named executive officers assuming their employment was terminated as of December 31, 2006. The table further assumes that the Company will enter into amendments to each executive officer's existing employment agreement and options and stock awards to provide for immediate vesting in full of all awards upon a reorganization event (as defined in the Company's 2006 Employee Incentive Plan). This acceleration of vesting was approved by the Board in April 2007, subject to adoption by the compensation committee of the forms of amendments and execution of such amendments by the Company and the executive officers.

Other Compensation

All of our executives are eligible to participate in our health and welfare benefit plans. These plans are available to all employees and do not discriminate in favor of executive officers. It is generally our policy to not extend significant perquisites to our executives that are not available to all of our employees. We have no current plans to make changes to levels of benefits and perquisites provided to executives.

27

Tax and Accounting Considerations

We have structured our compensation program to comply with Section 409A of the Internal Revenue Code of 1986, as amended, or Section 409A. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

Benefit Plans

We have two equity incentive plans: our 2006 Employee Incentive Plan, as amended (the 2006 Plan) and our 1999 Employee Stock Option Plan, as amended (the 1999 Plan and, together with the 2006 Plan, the Plans). As of December 31, 2006, a total of 5,481,334 shares of our common stock had been reserved for issuance under the Plans. All future awards will be made under the 2006 Plan.

The following table provides information as of December 31, 2006 with respect to shares of our common stock that may be issued under our equity compensation plans:

Compensation Committee Report

The compensation committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the compensation committee recommended to the board of directors that the compensation discussion and analysis be included in this Proxy Statement.

THE COMPENSATION COMMITTEE

Sandra Panem, Ph.D.
 Steven M. Rauscher
 Wise Young, Ph.D., M.D.

Compensation Committee Interlocks and Insider Participation

Our compensation committee currently determines the compensation levels of our executive officers as described above. None of our executive officers has served as a director or member of the compensation committee, or other committee serving an equivalent function, of any entity of which an executive officer is expected to serve as a member of our compensation committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who beneficially own more than ten percent of a registered class of our equity securities to file reports of beneficial ownership of common stock (Forms 3, 4, and 5) with the SEC. Officers, directors, and greater-than-ten percent stockholders are required to furnish us with copies of all such forms that they file.

To our knowledge, based solely on our review of the copies of Forms 3, 4 and 5, and amendments thereto, received by us during or with respect to the year ended December 31, 2006, all filings applicable to our officers, directors, greater-than-ten percent stockholders and other persons subject to Section 16 of the Securities Exchange Act of 1934 were timely, except that one Form 4 reporting a stock option exercise by Dr. Blight was inadvertently filed late.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2006, we did not engage in any transactions with our directors, officers or holders of more than 5% of our voting securities, or any of their affiliates.

Our Board of Directors recognizes that related person transactions can present potential or actual conflicts of interest and create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders. Accordingly, as a general matter, it is the Company's preference to avoid transactions with related persons. However, we recognize that there are situations where related person transactions may be in, or may not be inconsistent with, the best interests of the Company and its stockholders. Although our Board has not adopted a formal written policy with respect to the policies and procedures for the review, approval, or ratification of related person transactions, our Code of Ethics requires that directors and executive officers report to the Board or to the Chief Executive Officer any actual or potential conflict of interest. In addition, the Board's practice is to evaluate whether a related person (including a director, officer, employee or significant stockholder) will have a direct or indirect interest in a transaction in which the Company may be a party. Where the Board determines that a proposed transaction involves a related person, the Board reviews any and all information it deems necessary and appropriate to evaluate the fairness of the transaction to the Company and its stockholders (other than the interested related person to such transaction) and may consider, among other things, the following factors: the related person's relationship to the Company and direct or indirect interest in the transaction, both objective (for example, the dollar amount of the related person's interest) and subjective (for example, any personal benefit not capable of quantification); whether the interested transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances; if applicable, the availability of other sources of comparable products or services; the benefits to the Company of the proposed transaction; and the impact on a director's independence in the event the related person is a director, an associated person of a director or an entity in which a director is a partner, member, stockholder or officer. Our Board reviews and approves, by a majority of the disinterested directors, all transactions with related persons (other than transactions related to employment terms and compensation of executive officers, which are subject to review and approval by the Compensation Committee and/or the Board). In addition, our Audit Committee regularly reviews whether the Company has entered into any transactions which could be deemed to be a transaction with a related person.

AUDIT COMMITTEE REPORT

The audit committee assists the Board in fulfilling its oversight responsibilities relating to: (1) the Company's accounting and financial reporting principles and policies and its internal controls and procedures; (2) the Company's financial statements and financial information to be provided to the stockholders; and (3) the independence, qualifications and performance of the Company's independent auditors and the independent audit.

The Audit Committee is comprised of Messrs. Randall (chairperson), Phillips and Smith, each of whom has been determined independent by the Board. In addition, upon review of Mr. Randall's and Mr. Smith's background and experience, the Board has designated them as the Company's audit committee financial experts. The Board has adopted a written charter for the Audit Committee, which can be viewed on the Company's website at www.acorda.com, under Corporate Governance - Committee Charters.

KPMG LLP was the principal accountant engaged to audit the financial statements of the Company for the year ended December 31, 2006. The Audit Committee has reviewed and discussed those audited financial statements with the Company's management and KPMG LLP. The Audit Committee has also discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has discussed with KPMG LLP its independence from the Company.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, for filing with the Securities and Exchange Commission.

PROPOSAL TWO: RATIFICATION OF INDEPENDENT AUDITORS

Ratification of Appointment of KPMG LLP

On May 1, 2007, the Audit Committee appointed KPMG LLP to serve as our independent auditors for the year ending December 31, 2007. The affirmative vote of a majority of the shares present in person or by proxy at the 2007 Annual Meeting is required to ratify the selection of KPMG LLP.

In the event the stockholders fail to ratify the appointment, the Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm at any time during the year if the Audit Committee believes that such a change would be in our best interests and in the best interests of our stockholders.

Representatives of KPMG LLP are expected to be present at the 2007 Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from stockholders.

The following table sets forth the aggregate fees billed by KPMG LLP in connection with audit and other services rendered during the past two fiscal years.

Type of Fee	2006	2005
Audit Fees(1)	\$ 676,710	\$ 634,650
Audit-Related Fees		
Tax Fees(2)	\$ 50,500	\$ 5,000
All other fees		
Total Fees for Services Provided	\$ 727,210	\$ 639,650

(1) Audit fees represent fees for professional services rendered for the audit of our financial statements, review of interim financial statements and services normally provided by the independent auditor in connection with regulatory filings, including our Form S-1 filings for our initial public offering and a private placement of our common stock in October 2006.

(2) Tax Fees are fees for tax compliance.

Pre-approval Policies and Procedures

Our Audit Committee Charter provides that the Audit Committee must pre-approve all services to be provided to the Company by KPMG LLP. All of the fees in the above table were approved by the Audit Committee.

Recommendation of the Board of Directors

The Board of Directors recommends that the stockholders vote FOR Proposal Two.

OTHER BUSINESS

As of the date of this Proxy Statement, we know of no other business that will be presented for consideration at the 2007 Annual Meeting other than the items referred to above. If any other matter is properly brought before the 2007 Annual Meeting for action by stockholders, the persons designated as proxies will vote all shares in accordance with the recommendation of the Board or, in the absence of such a recommendation, in accordance with their best judgment.

ADDITIONAL INFORMATION

Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report, please contact our investor relations team at 15 Skyline Drive, Hawthorne, New York 10532, (914) 347-4300 and we will promptly deliver the Proxy Statement and/or Annual Report upon your request.

Requirements, Including Deadlines, for Submission of Proxy Proposals, Nomination of Directors and Other Business of Stockholders

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, stockholders may present proper proposals for inclusion in our proxy statement relating to, and for consideration at, the 2008 Annual Meeting of Stockholders, by submitting their proposals to us in a timely manner. To be considered at our 2008 Annual Meeting, nominations of persons for election to our Board and/or proposals for business to be conducted at the meeting must be properly submitted and received by us at our principal executive office at 15 Skyline Drive, Hawthorne, New York 10532, in accordance with the provisions of our Amended and Restated Bylaws not less than 90 days or more than 120 days prior to June 5, 2008 and if they otherwise comply with the requirements of Rule 14a-8.

Under our Amended and Restated Bylaws and as permitted by the rules of the SEC, certain procedures are provided that a stockholder must follow to nominate persons for election to our Board or to introduce an item of business at an Annual Meeting of Stockholders. A stockholder nominating a director candidate or introducing an item of business must be a stockholder of record on the date of the giving of such notice and on the record date for the determination of stockholders entitled to vote at the relevant meeting. Additionally, a director nomination or item of business must comply with the requirements as to form imposed by Sections 1.10(b) and 1.11(b), respectively, of our Amended and Restated Bylaws.

In the event that the date of our next annual meeting is advanced by more than 20 days or delayed by more than 60 days from the anniversary date of this year's annual meeting, or in the case of an election of directors at a special meeting of stockholders, stockholders should refer to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and to Sections 1.10(b) and 1.11(b) of our Amended and Restated Bylaws for requirements as to timely notice of proposals.

Annual Report

A copy of our Annual Report on Form 10-K for the year ended December 31, 2006, as amended, which sets forth the entire original Annual Report on Form 10-K as so amended, is enclosed. We filed our Annual Report on Form 10-K with the SEC on March 26, 2007, and we filed an amended Annual Report on Form 10-K on May 8, 2007. Stockholders may obtain a copy of our Annual Report on Form 10-K, including the financial statements, without charge, by writing to our Investor Relations Department at our principal executive office located at 15 Skyline Drive, Hawthorne, New York 10532. We will also furnish any exhibit to our Annual Report on Form 10-K, as amended, if specifically requested.

Please complete, sign, date and return the accompanying Proxy in the enclosed envelope, whether or not you plan to attend the 2007 Annual Meeting.
